EDUCATION (WORK EXPERIENCE) ACT 1996

[as amended by all amendments that commenced on or before 28 September 2001]

An Act regulating work experience provided to students as part of their education

PART 1—PRELIMINARY

1 Short title

This Act may be cited as the *Education (Work Experience) Act 1996*.

2 Commencement

This Act commences on a day to be fixed by proclamation.

PART 2—INTERPRETATION

Division 1—Location of definitions

3 Definitions and dictionary

(1) The dictionary in the schedule defines particular words used in this Act.

(2) Definitions found elsewhere in the Act are signposted in the dictionary.

(3) Division 2 defines key terms used in this Act.

*Division 2—Meaning of key terms***4 Work experience arrangements etc.**

(1) A “**work experience arrangement**” is an arrangement made between a student’s educational establishment and a person (the “**work experience provider**”) under which the person will provide experience (“**work experience**”) to the student as part of the student’s education.

(2) However, an arrangement made by a university or university college is not a work experience arrangement if—

- (a) it is for the provision of experience to a student enrolled in a course at the university or university college; and
- (b) the experience is a mandatory or assessable part of the course.

5 Educational establishment

(1) A student’s “**educational establishment**” is—

- (a) if the student is enrolled in a State school or other State educational institution—the institution; and
- (b) if the student is enrolled in a non-State school—the school; and
- (c) if the student is receiving home education at a place—the place; and
- (d) if a student is receiving other non-school based education—the entity providing the education; and
- (e) if the student is enrolled in an international educational institution—the institution; and
- (f) if the student is enrolled in an agricultural college under the *Agricultural Colleges Act 1994* or a TAFE institute under the *Training and Employment Act 2000*—the college or institute; and
- (g) if the student is enrolled in a training organisation registered under the *Training and Employment Act 2000*—the organisation; and
- (h) if the student is enrolled in a university—the university; and
- (i) if the student is enrolled with an entity prescribed under a regulation to be an educational establishment—the entity.

(2) However, an “**educational establishment**” does not include an institution, school, place, entity, college, establishment or university mentioned in subsection (1) if it is prescribed under a regulation not to be an educational establishment.

PART 3—ADMINISTRATION

6 Work experience may be arranged

(1) An educational establishment may make work experience arrangements for its students.

(2) A work experience arrangement must be in writing.

7 Principal to approve arrangement

(1) A work experience arrangement may be made for a student only with the approval of the principal of the student’s educational establishment.

(2) The principal may approve the arrangement only if, in the principal’s opinion, the work experience provider is suitable to provide work experience.

(3) The principal may delegate the principal’s power under subsection (2) to an officer or employee of the educational establishment.

8 Requirement for workers’ compensation

(1) A student must not start a work experience placement until the responsible body has entered into a suitable contract of insurance with WorkCover Queensland under the *WorkCover Queensland Act 1996*.

(2) In subsection (1)—

“**responsible body**” means—

- (a) if the student’s educational establishment is a State school or other State educational institution, or a home education place—the ministerial corporation; or
- (b) in any other case—the student’s educational establishment.

9 Protection from liability

(1) A student must not start a work experience placement until the insuring body has entered into a contract of insurance indemnifying the student and the work experience provider against liability for personal injury or property damage, suffered by the student, the work experience provider or another person, arising out of the work experience.

(2) The maximum amount payable under the contract of insurance for a claim for injury or damage arising out of work experience is \$10 000 000 plus an amount directly attributable to any GST payable in relation to a supply made because of the settlement of the claim.

(3) In this section—

“insuring body” means—

- (a) if the student’s educational establishment is a State school or other State educational institution, a home education place, or a non-State school—the ministerial corporation; or
- (b) in any other case—the student’s educational establishment.

10 Certain laws not to apply to work experience placements

(1) A student on work experience is taken not to be the employee of the work experience provider and the provider is taken not to be the employer of the student.

(2) In particular, a law prohibiting employment or regulating working conditions does not apply to work experience.

(3) However, the following laws apply to work experience as if the student were an employee or worker and the work experience provider were an employer—

- (a) the *Workplace Health and Safety Act 1995*;
- (b) a law that prohibits the employment, or regulates the working conditions, of persons who do not have particular qualifications.

11 Work experience in restricted callings

(1) The *Training and Employment Act 2000*, section 89,¹ does not apply to work experience in restricted callings.

(2) In this section—

“restricted calling” means a calling declared to be a restricted calling under the *Training and Employment Act 2000*, section 89(1).

12 Conditions of work experience

(1) The following conditions apply to work experience—

- (a) the work experience arrangement must be made before the student starts a work experience placement;
- (b) if the student is a minor—a parent of the student must give written consent to the arrangement;
- (c) the work experience placement must finish in the year it starts;
- (d) the student must not receive work experience for more than 30 days in a year;
- (e) the work experience provider must not provide work experience to more than the permitted number of students at the same time;
- (f) the work experience provider must not provide work experience to the student at a time other than during the ordinary working hours of the place where the work experience is provided;
- (g) the student must not be paid for work experience.

(2) Subsection (1)(b) does not apply to a student who is not in an adult’s care and control.

(3) Despite subsection (1)(d), a principal may approve, for a student who is a person with a disability, work experience for more than 30 days in a year.

(4) For subsection (1)(e), the permitted number of students is—

- (a) the number equal to the number of full-time employees of the work experience provider; or

¹ *Training and Employment Act 2000*, section 89 (Restricted callings)

- (b) if special circumstances exist—the number approved by the chief executive.

13 Regulation-making power

The Governor in Council may make regulations under this Act.
