PART 2—LICENCES

5 Requirement as to licence for tow truck

A person must not personally, or by his or her servant or agent, operate a tow truck unless it is licensed and the person is the holder of the licence.

6 Application for licence

(1) An application for a licence shall be made to the chief executive and the applicant shall comply with all conditions prescribed by the regulations.

(2) The chief executive may upon receipt of the application notify the Commissioner of the Police Service who shall cause enquiries to be made and a report to be furnished to the chief executive upon—

- (a) where the applicant is a natural person—the applicant’s fame and character;
- (b) where the applicant is a body corporate—the fame and character of every director, manager and public officer thereof.

(3) The chief executive shall consider the report of the Commissioner of the Police Service and such other matters as the chief executive considers relevant and if the chief executive is satisfied that—

- (a) the applicant is in all respects a fit and proper person to hold a licence; and

- (c) shall state the place from which the business of operating the tow truck or tow trucks in respect of which it is issued may be conducted;
- (d) may be renewed from time to time;
- (e) shall not be transferable.

(2) A licence shall not be issued or renewed unless the tow truck or tow trucks in respect of which the application is made is or are registered under a regulation under the *Transport Operations (Road Use Management) Act 1995*.

8 Duration of licence

Unless sooner cancelled, suspended or surrendered, a licence shall subsist for a period of 12 months from and including the date of its grant or, as the case may be, its last renewal, and for the purpose of calculating the period of its duration a licence shall be deemed to have subsisted throughout any period for which it has in fact been suspended or is of no force or effect.

9 Renewal of licence

Upon application for a renewal of a licence made in accordance with the regulations and 2 weeks prior to the expiration of the period of duration of

the licence and upon payment of the prescribed fee, the chief executive shall renew the licence if the chief executive is satisfied that the provisions of this Act applicable thereto have been complied with and the holder thereof continues to be a fit and proper person to hold the licence.

10 Imposition of conditions of licence

The chief executive may upon the grant or renewal of a licence impose such conditions as the chief executive thinks fit by inserting in or affixing to the licence particulars of those conditions and may at any time and from time to time vary the conditions to which a licence is subject by written notice to the holder.

11 Permits to tow motor vehicles

(1) The chief executive may upon application, payment of the prescribed fee and upon being satisfied as to the identity of the applicant for the permit issue a permit that authorises the holder thereof to tow motor vehicles by means of the tow truck specified therein pending the determination of an application for a licence.

(2) A permit issued pursuant to subsection (1)—

- (b) shall, subject to this Act, be in force for such period not exceeding 6 months as the chief executive determines;
- (c) may be revoked by the chief executive at any time;
- (d) may be issued subject to all or any of the conditions to which a licence may be subject and to such other conditions as are specified in the permit.

(1) Every licence shall be subject to the performance and observance by the holder thereof of the provisions of this Act with respect to the licence or to the tow truck or tow trucks to which the licence relates and of the conditions particularised in the licence or affixed thereto.

(2) Without limiting the generality of the provisions of subsection (1), it shall be a condition of every licence—

- (a) that any tow truck to which the licence relates and its equipment comply with the provisions of any Act relating to the design,

Tow Truck Act 1973

construction and serviceability of the tow truck or, as the case may be, its equipment;

- (b) that the provisions of any Act relating to limits of weight or speed that are applicable to any tow truck to which the licence relates are complied with;
- (c) that the provisions of any Act relating to the limitation of hours of driving are observed;
- (d) that the holder of the licence shall not operate any tow truck to which the licence relates unless it has been inspected as required under a regulation under the *Transport Operations (Road Use Management) Act 1995* and there is a current certificate of inspection under that regulation for the vehicle;
- (e) that a person shall not on a road tow a damaged or seized motor vehicle (not being a motor vehicle that is owned by the holder of the licence) by means of any tow truck to which the licence relates unless the person has obtained the consent of the owner thereof, the owner's agent or an authorised officer to remove that motor vehicle and a duly signed towing authority relating to that motor vehicle dealt with as prescribed;
- (f) that a person shall not obtain or attempt to obtain a signature on a form of towing authority unless there has first been entered on that form the full address of the place to which the motor vehicle the subject of the towing authority will be towed and, where any business is carried on in that place, the name of the business;
- (g) that all reasonable precautions shall be taken by the holder of the licence and the driver of any tow truck to which the licence relates and any person employed thereon to prevent loss from, or damage to, a damaged or seized motor vehicle while being towed by the tow truck and that those precautions shall be taken by the holder of the licence while the motor vehicle is otherwise under his or her control;
- (h) that the holder of a licence shall cause to be made an inventory of movable property (including any radio or sound production device) found to be in the damaged or seized vehicle at the time of its arrival at the place referred to in paragraph (f) to which it has been towed and shall keep at the premises from which the holder of the licence conducts his or her business an inventory so made;

Tow Truck Act 1973

- (i) that a person shall not tow a damaged or seized motor vehicle from the scene of an incident or seizure by means of any tow truck to which the licence relates to a place other than the place referred to in paragraph (f);
- (j) that where a motor vehicle has been towed to the place referred to in paragraph (f), a person shall not, except to return the motor vehicle to the registered owner thereof or the registered owner's agent authorised in writing, remove the motor vehicle to another place without the written authority of that owner or agent given after the motor vehicle has been towed to the place from which it is to be removed;
- (k) that where a damaged or seized motor vehicle has been towed to a place where it is under the control of the holder of the licence, a person shall not refuse to deliver the motor vehicle to the registered owner thereof or the registered owner's agent duly authorised in writing on request by the owner or the owner's agent after payment of reasonable charges for the towing and storing of the motor vehicle, and where repair work has been authorised by the owner or the owner's agent, for that repair work, has been made or tendered;
- (l) that a person other than the holder of a driver's certificate or an assistant's certificate shall not accompany the driver of any tow truck to which the licence relates while the tow truck is proceeding to the scene of an incident or seizure, or towing a damaged or seized motor vehicle from the scene of an incident or seizure, unless in either case the person was the owner or the owner's agent or the driver of or a passenger in that motor vehicle;
- (m) that a person shall not obtain or attempt to obtain at the scene of an incident or seizure authority for the towing of a damaged or seized motor vehicle by means of any tow truck to which the licence relates unless the person is the driver of the tow truck having the authority express or implied of the holder of the licence, his or her servants or agents;
- (n) that the holder of the licence shall not, unless he or she is the holder of a driver's certificate obtain or attempt to obtain any authority referred to in paragraph (e);
- (o) that the driver of any tow truck to which the licence relates shall not (except to the extent necessary to connect the towing

equipment of the tow truck to a damaged or seized motor vehicle in respect of which the driver has obtained a towing authority) permit the tow truck to stand upon a road so as to cause an obstruction or to stand at the scene of an incident or seizure for a period longer than that which would reasonably be required to obtain a towing authority in respect of a damaged or seized motor vehicle for which no towing authority has been given;

- (p) that any tow truck to which the licence relates shall not be used to tow a damaged or seized motor vehicle while any person is travelling as a passenger in the damaged or seized motor vehicle;
- (q) that the holder of the licence and any person employed by the holder of the licence on or in connection with the use of any tow truck to which the licence relates shall comply with the provisions of the *Radiocommunications Act 1992* (Cwlth), and shall not permit or suffer any other person to contravene the provisions of that Act;

(2) The chief executive may on receipt of the application notify the Commissioner of the Police Service who shall cause enquiries to be made and a report to be furnished to the chief executive upon the fame and character of the applicant.

(3) The chief executive shall consider the report of the Commissioner of the Police Service and such other matters as the chief executive considers relevant and if the chief executive is satisfied that the applicant is in all respects a fit and proper person to hold the certificate applied for, the chief executive may grant and issue to the applicant a driver's certificate or assistant's certificate, as the case requires.

15 Form and authority of driver's or assistant's certificate

A driver's certificate or an assistant's certificate—

- (b) shall be subject to the performance and observance by the holder thereof of the conditions prescribed in relation thereto or particularised therein or affixed thereto or notified in writing to the holder thereof;

- (d) may be renewed from time to time.

16 Imposition of conditions on certificate

The chief executive may upon the grant or renewal of a certificate under this part impose such conditions as the chief executive thinks fit, and if the chief executive does so shall particularise in or affix to the certificate those conditions and may at any time and from time to time, by written notice to the holder of the certificate, vary the conditions to which a certificate is for the time being subject.

17 Duration and renewal of driver's or assistant's certificate

(2) Upon application for renewal made as prescribed and at least 2 weeks prior to the expiration of the period of duration of a driver's certificate or an assistant's certificate and upon payment of the prescribed fee, the chief executive shall renew the certificate if the chief executive is satisfied that the provisions of this Act applicable thereto have been complied with and the holder thereof continues to be a fit and proper person to hold the certificate.

18 Driver's certificate dependent upon driver licence

(1) During any period for which the holder of a driver's certificate is not authorised under the *Transport Operations (Road Use Management) Act 1995* to drive a tow truck, the driver's certificate shall be of no force and effect, and shall be deemed not to exist.

(2) The holder of a driver's certificate that so becomes of no force and effect shall forthwith produce that certificate to the chief executive who may then endorse it accordingly.

(3) If by reason of this section, a driver's certificate is of no force and effect whatever it shall, upon production to the chief executive, be held by the chief executive until it is again of some force and effect.

19 Permit for applicant for driver's or assistant's certificate

(1) The chief executive may, upon application and payment of the prescribed fee and upon the chief executive being satisfied as to the identity of the applicant for the permit, issue to that applicant a permit that authorises the holder thereof to operate or as the case requires be employed on or in connection with the use of a tow truck pending the determination of an application for a driver's certificate or assistant's certificate.
