Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

PART 2—REGISTRATION OF ARCHITECTS

Division 1—Preliminary

(2) The application must be—

- (a) in the approved form; and
- (b) accompanied by each of the following—
 - (i) satisfactory evidence of the applicant’s eligibility for registration;

 - (iii) any other documents, identified in the approved form, the board reasonably requires to decide the application;
 - (iv) the application fee and registration fee prescribed under a regulation.

(3) The approved form must provide for the inclusion of the applicant’s contact details as an architect.

Division 2—Eligibility for registration

9 Eligibility

- (a) the applicant is qualified, under section 10, for registration; and

- country and the registration was suspended or cancelled—the reason for its suspension or cancellation;

3 The repealed Act, section 80 (Orders on finding of guilt)

14 Refusal of application

If the board decides to refuse to grant the application, it must as soon as practicable—

Division 4—Renewal and restoration of registrations

Subdivision 1—Preliminary

Subdivision 2—Renewal

(6) The architect also must provide any other relevant information reasonably required by the board to decide the application.

19 Registration in force while application is considered

(3) Despite subsection (1), the board may accept an application for restoration of registration made more than 2 months after the expiry if the board is satisfied it would be reasonable in all the circumstances to accept the application.

(4) The approved form must provide for the inclusion of the applicant’s contact details as an architect.

(5) The applicant also must provide any other relevant information reasonably required by the board to decide the application.

24 Deciding application
