seizure, unless in either case the person was the owner or the owner's agent or the driver of or a passenger in that motor vehicle;

- (m) that a person shall not obtain or attempt to obtain at the scene of an incident or seizure authority for the towing of a damaged or seized motor vehicle by means of any tow truck to which the licence relates unless the person is the driver of the tow truck having the authority express or implied of the holder of the licence, his or her servants or agents;
- (n) that the holder of the licence shall not, unless he or she is the holder of a driver's certificate obtain or attempt to obtain any authority referred to in paragraph (e);

- (p) that any tow truck to which the licence relates shall not be used to tow a damaged or seized motor vehicle while any person is travelling as a passenger in the damaged or seized motor vehicle;
- (q) that the holder of the licence and any person employed by the holder of the licence on or in connection with the use of any tow truck to which the licence relates shall comply with the provisions of the *Radiocommunications Act 1992* (Cwlth), and shall not permit or suffer any other person to contravene the provisions of that Act;

Part 4 Authorities and permits

Division 1 Preliminary

20 Definitions for pt 4

In this part—

authority means—

- (a) an assistant's certificate; or
- (b) a driver's certificate; or
- (c) a licence.

authority holder means a person to whom an authority granted under this Act is issued.

21 Consideration of public interest for pt 4

- (1) When considering whether it is in the public interest to cancel, suspend or immediately suspend an authority holder's authority, regard must be had to the following—
 - (a) the need to ensure that the reputation of the tow truck industry is not affected by the involvement in the industry of persons likely to adversely affect the industry's reputation;
 - (b) the legitimate expectation members of the public, particularly vulnerable members of the public, have that they will not be subject to assaults or aggressive, coercive or otherwise inappropriate behaviour from persons involved in the tow truck industry.

Examples for subsection (1)—

- 1 It may be in the public interest to cancel or suspend, or if authorised under section 21B, immediately suspend a tow truck driver's or an

operator's authority because the person is charged with possessing a weapon in contravention of the *Weapons Act 1990* or a dangerous drug in contravention of the *Drugs Misuse Act 1986* and the offence was committed while performing activities under the authority.

- 2 It may be in the public interest to cancel or suspend, or if authorised under section 21B, immediately suspend a tow truck driver's or an operator's authority because the person is charged with a number of offences of obstructing a police officer in the performance of the officer's duties and the alleged offences happened while the person was not performing activities under the authority.
 - 3 It may be in the public interest to cancel or suspend, or if authorised under section 21B, immediately suspend a tow truck driver's authority if the driver assaults a person at a crash scene.
- (2) Subsection (1) does not limit what may be considered in deciding the public interest for the purposes of this Act.

Division 2 Cancellation and suspension of authorities

21A Cancellation or suspension of authorities

The chief executive may cancel or suspend an authority holder's authority under section 21D on any of the following grounds—

- (a) the authority—
 - (i) was issued in error; or
 - (ii) was granted or renewed because of a false or fraudulent document, statement or representation;
- (b) the authority holder—
 - (i) is convicted of an offence against this Act; or
 - (ii) has, since the issue of the authority, been charged with or convicted of a disqualifying offence; or
 - (iii) contravenes a condition of the authority; or
 - (iv) stops being a tow truck operator, driver or assistant;

- (c) the authority holder can not properly drive the class of motor vehicle stated in the authority because of a medical condition, or physical or mental incapacity;
- (d) the motor vehicle stated in the authority is no longer suitable for use under the authority;
- (e) the authority holder has given false or misleading information to an authorised officer;
- (f) public safety has been endangered, or is likely to be endangered, because of the authority holder's conduct;
- (g) having regard to the conduct of the authority holder, when performing activities under the authority or at any other time, the chief executive believes, on reasonable grounds—
 - (i) the person is no longer an appropriate person to hold an authority; or
 - (ii) it is in the public interest to cancel or suspend the authority.

21B Immediate suspension of authority

- (1) Despite section 21D, the chief executive may immediately suspend an authority holder's authority by written notice given to the authority holder on either of the following grounds—
 - (a) public safety has been endangered, or is likely to be endangered, because of the authority holder's conduct and the authority should be immediately suspended;
 - (b) having regard to the conduct of the authority holder, when performing activities under the authority or at any other time, the chief executive believes, on reasonable grounds—
 - (i) the person is no longer an appropriate person to hold an authority and the authority should be immediately suspended; or
 - (ii) it is in the public interest to immediately suspend the authority.

- (2) Without limiting the chief executive's powers under subsection (1), it is enough to immediately suspend an authority holder's authority if—
 - (a) a person complains to a police officer about the conduct of the authority holder and, having regard to the nature of the complaint, the chief executive believes, on reasonable grounds, the conduct complained of justifies taking action under subsection (1); or
 - (b) having regard to statements or other information about the conduct of the authority holder given to the chief executive, the chief executive believes, on reasonable grounds, the statements or other information justifies taking action under subsection (1).
- (3) If the chief executive immediately suspends the authority, the suspension has effect under this section until the earlier of the following—
 - (a) the chief executive informs the authority holder of the chief executive's decision under section 21D(5);
 - (b) the end of 56 days after the notice is given to the authority holder or the end of any further period or periods by which the suspension is extended under subsection (5).
- (4) The notice of immediate suspension must state—
 - (a) the reasons for the decision; and
 - (b) the general effect of subsection (3); and
 - (c) that the authority holder may apply within 28 days for a review of the decision to immediately suspend the authority; and
 - (d) how the authority holder may apply for a review of the decision; and
 - (e) that if the authority holder applies for a review, the authority holder may apply to a Magistrates Court for a stay of the decision.
- (5) The chief executive may extend the period for which an authority is suspended under subsection (1) for a further period or periods of not more than 56 days on each occasion.

- (6) However, in deciding whether to extend or further extend the period of the suspension of an authority holder's authority, the chief executive must have regard to—
- (a) the information that was available to the chief executive when the chief executive first suspended the authority under subsection (1); and
 - (b) any further information relevant to the suspension that is in the chief executive's possession or of which the chief executive has since become aware; and
 - (c) whether in all the circumstances it is appropriate that the suspension be further extended.

21C Further action after immediate suspension

- (1) This section applies if—
- (a) under section 21B, the chief executive immediately suspends an authority; and
 - (b) the chief executive also proposes to take proposed action under section 21D.
- (2) The notice under section 21B must also—
- (a) state the information mentioned in section 21D(3)(a), (b) and (c) in relation to the proposed action; and
 - (b) if the proposed action is suspension of the authority—state the proposed suspension period; and
