# Information about this reprint

This Act is reprinted as at 29 April 2005. The reprint shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

Minor editorial changes allowed under the provisions of the Reprints Act 1992 have also been made to use aspects of format and printing style consistent with current drafting practice (s 35).

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

**Also see endnotes for information about—**

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

## **Dates shown on reprints**

**Reprints dated at last amendment** All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

**Replacement reprint date** If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

## **78 Detection of nuisances**

It shall be the duty of every local government to cause inspection to be made of its area from time to time in order to ascertain what nuisances exist calling for abatement, and to enforce the provisions of this Act in order to abate the same.

**79 Abatement of nuisance**

- (1) On the receipt of any information respecting the existence of a nuisance the local government shall, if satisfied of the existence of a nuisance, serve a notice on the person by whose act, default, or sufferance the nuisance arises or continues, or, if such person can not be found, on the owner or occupier of the land on which the nuisance exists, requiring the owner or occupier to abate the same within a time to be specified in the notice, and to execute such works and do such things as are necessary for that purpose.
- (2) However—
  - (a) when the nuisance arises from the want of any structural convenience or defective construction of any house, or where there is no occupier, notice under the provisions of this section shall be served on the owner;
  - (b) when the person causing the nuisance can not be found, and it is clear that the nuisance does not arise or continue by the act, default, or sufferance of the owner or occupier, the local government shall itself abate the same without order.
- (3) If the person on whom a notice to abate a nuisance has been served makes default in complying with any of the requisitions thereof within the time specified, or if the nuisance, although abated since the service of the notice, is in the opinion of the local government likely to recur on the same premises, the local government shall cause a complaint relating to such nuisance to be made before a justice.
- (4) If the justices who hear the complaint are satisfied that the alleged nuisance exists, or that although abated it is likely to recur on the same premises, they shall make an order—
  - (a) requiring such person to comply with all or any of the requisitions of the notice, or otherwise to abate the nuisance within a time specified in the order, and to execute any works and to do any things that may be necessary for that purpose; or

- (5) The justices may by the order impose a penalty not exceeding 10 penalty units on the person on whom the order is made, and shall give directions as to the payment of all costs incurred up to the time of the making the order.
- (6) When the nuisance ascertained to exist is such as to render a house in the judgment of the justices unfit for use or occupation, they may prohibit the use or occupation until in their judgment the house is rendered fit for use and occupation.
- (7) When any 2 justices are satisfied that it has been rendered fit for that purpose, they may vary the previous order by another declaring the house fit for use and occupation, and from the date thereof such house may be used and occupied.
- (8) Any person who fails to obey an order to comply with the requisitions of the local government, or otherwise to abate the nuisance, shall, unless the person satisfies the justices that the person has used all due diligence to carry out such order, be liable to a daily penalty not exceeding one-half of a penalty unit.
- (9) Any person who wilfully disobeys an order or prohibition shall be liable to a daily penalty not exceeding 1 penalty unit.
- (10) The local government, or any person authorised by the mayor thereof in that behalf may abate the nuisance, and do whatever may be necessary in the execution of such order, and the local government may recover the expenses incurred from the person against whom the order is made.
- (11) Whenever it appears to the satisfaction of any 2 justices that the person by whose act or default the nuisance arises, or the owner or occupier of the premises is not known or can not be found, then the order of the justices may be addressed to and shall be executed by the local government.
- (12) All expenses incurred by a local government in performing any work in or upon any land in pursuance of this section shall, until repaid to the local government by the person liable to pay the same, be and remain a charge upon the land,

notwithstanding any change that may take place in the ownership thereof.

## **80 Sale of materials**

Any matter or thing removed by the local government in abating any nuisance under the provisions of this Act or the regulations may be sold, and the money arising from the sale may be retained by the local government and applied in payment of the expenses incurred by it with reference to such nuisance, and the surplus (if any) shall be paid on demand to the owner of such matter or thing.

## **81 Expenses of execution of provisions relating to nuisances**

- (1) All reasonable costs and expenses incurred in making a complaint or giving notice, or in obtaining any order of the justices or any justice, in relation to a nuisance, or in carrying the same into effect, shall be deemed to be money paid for the use and at the request of the person against whom the order is made; or if the order is made on the local government, or if no order is made, but the nuisance is proved to have existed when the complaint was made or the notice was given, then of the person by whose act or default the nuisance was caused.
- (2) In cases of nuisances caused by the act or default of the owner of premises, such costs and expenses may be recovered from any person who is for the time being owner of such premises.
- (3) Such costs and expenses, and any penalties incurred in relation to any nuisance, may be recovered in any court of competent jurisdiction; and the court shall have power to divide costs, expenses, or penalties between persons by whose acts or defaults a nuisance is caused as to it may seem just.

## **82 Individual may complain to justice of nuisance**

- (1) Complaint may be made of the existence of a nuisance on any premises in a local government area by any person aggrieved thereby, or by any inhabitant of the area, or by any owner of land within the area, and thereupon the like proceedings shall be had with the like incidents and consequences as to making

of orders, penalties for disobedience of orders, and otherwise as in the case of a complaint made by the local government relating to a nuisance.

- (2) Provided that the justices may, if they think fit, adjourn the hearing or further hearing of the summons for the purposes of having an examination made of the premises where the nuisance is alleged to exist, and may authorise any officer of police or other person to enter any such premises for the purposes of such examination.
- (3) The justices may authorise any police officer or other person to do all necessary acts for executing an order made under this section, and to recover the expenses from the person against whom the order is made.
- (4) Any police officer, or other person authorised under this section, shall have the like powers and be subject to the like restrictions as if the officer or person were an officer of the local government authorised to enter any premises and do any acts thereon.

### **83 Cause of nuisance arising beyond local government area**

When a nuisance in a local government area appears to be wholly or partially caused by some act or default committed or taking place beyond the area, the local government for the area may take or cause to be taken against any person, in respect of such act or default, any proceedings authorised by this Act in relation to nuisances, with the same incidents and consequences as if such act or default were committed or took place wholly in the area.

### **84 Nuisance caused by 2 or more persons**

When any nuisance appears to be wholly or partially caused by the acts or defaults of 2 or more persons, the local government, or other complainant, may institute proceedings against any 1 of such persons, or may include all or any 2 or more of such persons in 1 proceedings; and any 1 or more of such persons may be ordered to abate such nuisance, so far as the same appears to the court having cognisance of the case to be caused by any acts or defaults on the person's or their part,

which in the opinion of such court contribute to such nuisance, or may be fined or otherwise punished notwithstanding that the acts or defaults of any 1 of such persons would not separately have caused a nuisance; and the costs may be distributed as to such court may appear just.

## **85 Establishment of offensive trades**

- (1) Any person who, after the commencement of this Act, establishes within a local government area, without the consent in writing of the local government, any noxious or offensive trade, business, or manufacture, shall be liable to a penalty not exceeding 20 penalty units in respect of the establishment thereof.

- (1) When a local government is satisfied on the report of its medical officer of health, or of any 2 medical practitioners, or of any 10 inhabitants of its area, that any trade, business, or manufacture carried on in any place is a nuisance or injurious to the health of any of the inhabitants of the area, the local government shall cause complaint relating to the same to be made before a justice.
- (2) If it appears to the justices who hear the complaint that the trade, business, or manufacture is a nuisance, or causes any effluvia which are a nuisance or injurious to health, the person offending shall be liable to a penalty not exceeding 20 penalty units, and on a second and any subsequent conviction to a

penalty double the amount of the penalty imposed for the last preceding conviction, but the highest amount of such penalty shall not in any case exceed the sum of 80 penalty units.

- (3) However, the justices may suspend their final determination on condition that the person complained of undertakes to adopt within a reasonable time such means as the justices think to be practicable and order to be carried into effect for abating such nuisance, or preventing the injurious effects of such effluvia.
- (4) When any such place is situated beyond a local government's area, the local government may take or cause to be taken any proceedings hereinbefore authorised with the same incidents and consequences as if the place was situated in its area.
- (5) A penalty shall not be imposed on any person in respect of any accumulation or deposit necessary for the effectual carrying on of any trade, business, or manufacture if it is proved to the satisfaction of justices that the accumulation or deposit has not been kept longer than is necessary for the purposes of the trade, business, or manufacture, and that the best available means have been taken without any delay for preventing injury thereby to public health.

- (2) The stipendiary magistrate, after hearing the parties, or in the absence of the local government so summoned if it does not appear, may make such order with reference to the execution of the works, and the persons or authorities by whom the same shall be executed, and by whom and in what proportions the expenses of such works shall be paid, and as to the amount thereof and the time and the mode of payment, and also as to the costs of the proceedings before the magistrate as the magistrate thinks reasonable.

- (2) The chief executive may keep the register in a form the chief executive considers appropriate, including an electronic form.
- (3) The register is to be known as the Pap Smear Register.

### **100FD Purposes of register**

The purposes for establishing the register are as follows—

- (a) to establish mechanisms to advise a woman who has an abnormal Pap smear result about appropriate medical investigation and intervention;
- (b) to establish mechanisms to advise a woman to have the procedure to obtain another Pap smear because her previous Pap smear is technically unsatisfactory and can not be assessed, including, for example, due to poor fixation of the smear;
- (c) to supply a woman's registered screening history to the director of, or a nominated person at, the pathology laboratory, where a Pap smear or histological sample obtained from the woman is being tested, to help the director or person interpret the smear or sample and make clinical management recommendations;
- (d) to supply a woman's registered screening history to a health practitioner to help the practitioner in advising the woman about options for clinical management;

- (e) to use information in the register for sending notices to certain women about Pap smears, or the results of Pap smear tests or histology tests;

- (3) However, a woman may, in writing, ask for—

- (a) her registered screening history to be removed from the register; or
