Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

- (2) However, the Minister may refuse to grant an application even if the Minister is satisfied of the matters mentioned in subsection (1).

appropriate services means the services of persons who have appropriate experience to ensure the proper and successful conduct of lotteries.

13 Suitability of business and executive associates

In deciding whether a business or executive associate of an applicant for a lottery licence is a suitable person to be associated with a lottery licensee's operations, the Minister may have regard to the following matters—

- (2) The chief executive may investigate a business or executive associate of an applicant for a lottery licence to help the Minister decide whether the business or executive associate is a suitable person to be associated with a lottery licensee's operations.

15 Decision on application

- (1) If the Minister decides to grant an application for a lottery licence, the Minister must promptly issue a lottery licence to the applicant.
- (2) If the Minister decides to refuse to grant an application for a lottery licence, the Minister must promptly give the applicant written notice of the decision.

16 Conditions of licence

The Minister may issue a lottery licence—

- (1) The Minister may decide to change the conditions of a lottery licence, if the Minister considers it is necessary or desirable to make the change for the proper conduct of lotteries by the lottery licensee or otherwise in the public interest.
- (2) However, if a condition of a lottery licence is designated in the licence as a condition that may be changed only by agreement between the Minister and the lottery licensee, the condition may be changed only by agreement between those persons.
- (3) If the Minister decides to change conditions of a lottery licence under this section, the Minister must promptly give the lottery licensee written notice of the change (a *condition notice*) and the reasons for the change.
- (4) The power of the Minister under subsection (1) includes the power to add conditions to an unconditional licence.

19 Return of licence for endorsement of changed conditions

- (1) The lottery licensee must return the lottery licence to the Minister within 7 days of receiving the condition notice notifying a change of conditions, unless the licensee has a reasonable excuse.
Maximum penalty—40 penalty units.
- (2) On receiving the lottery licence, the Minister must—
 - (a) amend the licence in an appropriate way and return the amended licence to the lottery licensee; or
 - (b) if the Minister does not consider it is practicable to amend the licence—issue a replacement licence, incorporating the changed conditions, to the lottery licensee.
- (3) A change of conditions takes effect when the condition notice notifying the change is given to the lottery licensee and does not depend on the lottery licence being amended to record the change or a replacement licence being issued.

20 Amendment of lottery licence

- (1) The Minister may amend a lottery licence only with the written approval of the lottery licensee.
- (2) Subsection (1) does not limit section 18.

Division 4 General provisions about lottery licences**21 Lottery licence not to be transferable**

- (1) A lottery licence can not be transferred.
- (2) However, if a lottery licence is mortgaged, charged or encumbered with the written approval of the Minister, this section does not prevent the transfer of the licence, subject to section 22, by way of enforcement of the security.

22 Mortgage and assignment of lottery licence

- (1) A lottery licensee must not mortgage, charge or otherwise encumber the licence except with the written approval of the Minister.
- (2) If a person has a right to sell and transfer a lottery licence under or because of a mortgage, charge or encumbrance, the licence may only be sold and transferred to a person approved by the Minister.
- (3) Before the Minister approves the transfer of a lottery licence under this section, the Minister must be satisfied that—
 - (a) the proposed transferee is a suitable person to hold a lottery licence; and
 - (b) each business and executive associate of the proposed transferee is a suitable person to be associated with a lottery licensee's operations.
- (4) The Minister may require the proposed transferee of the lottery licence to submit an application for the licence and may deal with the application, and investigate the suitability of the proposed transferee and the proposed transferee's

business and executive associates, in the same way as if the application were an application for a new lottery licence.
