# Information about this reprint

This deed is reprinted as at 1 July 2006. The reprint shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

**Also see endnotes for information about—**

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

## **Dates shown on reprints**

**Reprints dated at last amendment** All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

**Replacement reprint date** If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

Revised edition indicates further material has affected existing material. For example—

- a correction
- a retrospective provision
- other relevant information.

**96 When officer may voluntarily increase contribution**

- (1) Any officer who is not contributing to the fund for units of benefits to the number thereof specified in schedule 2 opposite to the salary group within which his or her salary falls may, subject to this section, elect to increase the amount of his or her contribution.
- (2) Such an election may be to contribute for any further number of units of benefits up to, but not exceeding, the difference between—
  - (a) the number thereof specified in schedule 2 opposite to the salary group in which the salary of the officer making the election falls; and
  - (b) the number thereof for which such officer is contributing;

but an officer shall not be entitled or permitted to increase, pursuant to such an election, the officer's contribution to the fund for incapacity benefit or assurance benefit to a number of units thereof in excess of the number or increased number of units of annuity benefit for which the officer is a contributor or, as the case may be, would become a contributor pursuant to such election.

- (3) Unless exempted by the board therefrom an officer shall, before at any time increasing the amount of contribution to the fund under this section, be medically examined by a medical practitioner.
- (4) An officer shall not at any time increase the amount of his or her contribution to the fund under this section if, after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such officer are such as would justify the officer being then accepted as a contributor.
- (5) Any increased contribution under this section shall, subject to subsection (4), be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date when the board accepts as a contributor under this section the officer making the election.

**97 Power of board to exempt etc. from contributing**

- (1) According as the circumstances of any case in its opinion warrant, the board may exempt an officer wholly or partly from the requirement imposed upon the officer by this chapter to contribute or at any time to increase the amount of the officer's contribution to the fund, or the board may defer (either for a period specified by it or without specifying any period) such requirement in respect of either such contribution or any increase in the amount thereof.
- (2) When the board specifies the period for which it defers the contribution or any increased contribution required by this chapter to be paid by an officer, then upon the expiration of that period (or of any extension thereof which it is hereby declared the board may grant) that officer shall, unless the board wholly or partly exempts the officer from so doing, pay to the fund the contribution or increased contribution then required in the officer's case by this chapter.
- (3) When the board does not specify the period for which it defers the contribution or any increased contribution required by this chapter to be paid by an officer, the board may at any later time determine that deferment and thereupon, unless the board wholly or partly exempts the officer from so doing, the officer concerned shall pay to the fund the contribution or increased contribution then required in the officer's case by this chapter.
- (4) In the case of any officer (including an officer to whom subsection (2) or (3) applies) partly exempted by the board from making the contribution or any increased contribution required in the officer's case by this chapter, the payment which the officer would be otherwise required to make shall be reduced by the amount of the exemption.
- (5) Where a contributor satisfies the board that adequate provision has been made for himself, herself and his or her family, or that continued contributions for the number of units for which the contributor is contributing will cause the contributor undue hardship, or that for any other reason which the board deems adequate the contributor should be permitted to surrender units, the board may permit the contributor to surrender some or all of the units of benefits under this chapter for which the contributor is contributing.

- (6) The sum equal to the aggregate of all amounts paid by the contributor in respect of units of annuity benefit, incapacity benefit and assurance benefit surrendered under subsection (5) accumulated at the rate of 1.25% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to the contributor.
- (7) The units surrendered by a contributor under subsection (5) shall be—
  - (a) in a case where the contributor is contributing under section 96, or that section as applied by section 155,<sup>44</sup> for units of benefit—those units if the contributor nominates those units as the units to be so surrendered;
  - (b) in a case other than one referred to in paragraph (a)—those units for which the contributor last began to contribute.

## **98 Officer reduced in salary**

- (1) Where the salary of a contributor has been reduced and by reason of that reduction falls within a salary group in schedule 2, column 1 lower than the salary group in which it would fall if it had not been reduced, the contributor may elect to reduce the number of units in respect of which he or she shall contribute to a number not being less than the number of units appropriate to the salary group to which his or her salary has been reduced, and the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit, in excess of the reduced number of units accumulated at the rate of 1.25% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to him or her.
- (2) A contributor electing under this section shall surrender first the unit or units for which he or she last began to contribute.
- (3) The benefits (save the additional assurance benefit in respect of children) payable under this chapter in respect of units

respectively of annuity benefit, incapacity benefit and assurance benefit included in the number of units in excess of the number appropriate to the salary group to which the salary of a contributor has been reduced shall, whilst the unit continues to be a unit in excess of the number appropriate to the salary group in which the salary of the contributor falls for the time being, be reduced to 35% of the rates thereof which, save for this subsection, apply under this chapter.

### **99 Units of benefits to be contributed for in equal numbers**

- (1) At all times units (including units to which division 4 applies) respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit, shall be contributed for in equal numbers and accordingly a contributor shall not be allowed to contribute at any time for more units of one such benefit than of another.

### **100 Period for which contributions are to continue**

- (3) A contributor who would be required to pay contribution to the consolidated fund pursuant to subsection (2) may elect in writing furnished to the board not to pay contributions to the fund in respect of the period of absence whereupon—

  - (b) the board shall waive the payments to the consolidated fund that would be required by that subsection to be made by the contributor; and
  - (c) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter shall be reduced by such amounts as are determined by the actuary and approved by the board.
- (4) The Governor in Council may waive the requirement under subsection (2) to make payments to the consolidated fund either unconditionally or upon such terms and conditions as the Governor in Council determines, either in a particular case or in respect of a class of case, and such waiver shall be given effect.
- (5) Where an officer has been absent from duty with leave of absence without salary by reason of incapacity for a continuous period of 14 days (whether or not working days) the officer's liability to pay contributions to the fund under this chapter shall be suspended for the whole of the period that the officer has been or continues to be so absent but if the officer resumes employment as an officer contributions shall again become payable by the officer.
- (6) A contributor who, pursuant to subsection (1) or (2), is required to pay contributions to the fund and to make payment

to the consolidated fund in respect of a period of absence from duty—

- (a) shall, before commencing the period of absence, pay to the fund and to the consolidated fund the total amount of contributions and payments that the contributor is so required to pay; or
  - (b) shall, before commencing the period of absence, make arrangements satisfactory to the board for payment of the total amount of contributions and payments that the contributor is so required to pay.

- (6) Notwithstanding subsections (1) to (5), on and from the day that is the first payday in July 1988 for the contributor concerned the amount of a contributor's contributions payable in accordance with those provisions immediately before that day shall be reduced by 1.5% of the amount of salary to which the contributor was entitled as at 31 December 1972.

Where a contributor—

- (a) who is contributing for 1 or more reserve units of benefits pursuant to this division; and
- (b) who becomes required or entitled to contribute for additional units of benefits under this chapter (other than this division);

does not increase the amount of his or her contributions to the fund by such sum as is sufficient to provide, in accordance with schedule 3 applicable to the particular case, the additional units of benefits, such number of reserve units of benefits up to but not exceeding the number of such units for which he or she is contributing pursuant to this division as is equal to the difference between—

- (2) A contributor shall not make an election pursuant to subsection (1) if the effect of that election is that the contributor thereafter contributes for a number of units (including reserve units) of annuity benefit that is less than the number of units (including reserve units) respectively of incapacity benefit or assurance benefit for which he or she then contributes.

### **106 Benefits payable on reserve units**

- (1) Where a contributor contributes for reserve units of benefit pursuant to this division the benefits payable under this chapter in respect of all reserve units respectively of annuity benefit, incapacity benefit and assurance benefit for which the contributor is contributing for the time being (but not including units of such benefit which have ceased pursuant to section 104 to be reserve units of benefits) shall, whilst they continue to be reserve units, be 35% of the rates thereof which would apply under this chapter if those reserve units were units of benefit for which the contributor was contributing within the number appropriate to the salary group in which the salary of the contributor falls for the time being.
- (2) In the case of a contributor who is continued in his or her employment as an officer after attaining the age of 65 years, benefits payable in respect of reserve units of annuity shall be payable to the contributor on attaining the age of 65 years and shall be at the same rate as that to which the contributor would be entitled if the contributor had ceased to be an officer on attaining the age of 65 years.

that shall be paid by the officer periodically shall be, in addition to the contributions (if any) to the fund payable by the officer under chapter 4, the sum calculated at the prescribed rate per centum—

- (c) where the officer was an officer to whom subsection (2) applied before the officer was retired on the ground of incapacity—of the amount of the officer's salary as at the date he or she again becomes an officer varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount of the officer's salary as at 1 October last preceding if he or she was at that date an officer; or
  - (d) in any other case—of the amount by which the amount of the officer's salary as at the date he or she again becomes an officer varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount by which the amount of the officer's salary as at 1 October last preceding (if he or she was at that date an officer) exceeds the amount of the officer's salary at the time when the officer was so retired or at 31 December 1972 whichever is the earlier.
- (4) A contributor who made an election under section 24(4) of the 1972 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(4) of the 1972 Act in addition to the rate prescribed by this chapter (other than this subsection).
  - (5) A contributor who made an election under section 24(4A) of the 1972 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(4A) of the 1972 Act in addition to the rate prescribed by this chapter (other than this subsection).
  - (6) Where, by reason that an officer becomes a contributor on or after the passing of the *Superannuation Acts Amendment Act 1987* and after the officer has attained the age of 22 years and 6 months, the length of the officer's service, ascertained for the purpose of calculating the pension to be paid to the officer

under this chapter, if the officer attains the age for retirement, will not amount to 42 years and 6 months, the officer may elect, within a period of 2 months after he or she becomes an officer to increase the rate of the officer's contribution and the board may determine that the additional rate of the contributions that, but for this subsection, would have been payable by the officer shall be a sum calculated at such rate as the board, after consultation with the actuary, may determine, being a rate which, having regard to the fact that payments by the Crown will be in relation only to contributions by the officer that would be payable but for this subsection, will enable the length of service for the purpose of calculating the pension to be paid to the officer under this chapter to be regarded as the length of service ascertained in accordance with the board's determination under subsection (8) but not exceeding a maximum of 42 years and 6 months, and thereupon the officer shall be deemed to be required to contribute to the fund at the rate so determined in addition to the rate prescribed by this chapter (other than this subsection).

- (7) A contributor who made an election under section 24(5) of the 1972 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(5) of the 1972 Act in addition to the rate prescribed by this chapter (other than this subsection).
- (8) Where the board has made a determination under subsection (4), (5), (6) or (7) in relation to an officer, the board may determine that, for the purpose of calculating the pension to be paid to the officer under part 3, the officer's length of service as an officer shall be regarded as being equal to the officer's actual length of service ascertained in accordance with this chapter plus such additional length of service as the board, after consultation with the actuary, may determine and thereupon this chapter shall apply to the officer accordingly.
- (9) Where the board has made a determination under subsection (4), (5), (6) or (7) upon the election of an officer and the contributor satisfies the board that payment of such additional rate of the contribution by the officer is causing the officer undue hardship, the board may cancel its determination or vary the same by reducing, with the approval of the actuary,

*Superannuation (State Public Sector) Deed 1990*

the additional rate of contributions to be paid by the contributor.

- (10) Where in respect of a contributor the board, pursuant to subsection (9), cancels a determination under subsection (4), (5), (6) or (7), any determination under subsection (8) in respect of additional length of service of the contributor shall likewise be cancelled and cease to apply to or in respect of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund pursuant to subsection (4), (5), (6) or (7) as the actuary determines is justified having regard to the reduced liability of the fund.
- (11) Where in respect of a contributor the board pursuant to subsection (9) varies a determination under subsection (4), (5), (6) or (7), it shall make an appropriate variation of its consequential determination under subsection (8) of additional length of service in respect of the contributor and this chapter shall apply as if the determinations as so varied were at all relevant times the determinations originally made on the election of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions pursuant to subsection (4), (5), (6) or (7) as the actuary determines is justified having regard to the reduced liability of the fund.
- (12) Except in the case of a contributor referred to in section 198, where the salary of a contributor is reduced to a rate less than the rate upon which contributions are, for the time being, calculated, the contributor shall thereupon, except as aforesaid, contribute to the fund in relation to the reduced rate of the contributor's salary and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund as the actuary determines is justified having regard to the reduced liability of the fund, by reason of the reduction in salary, in respect of the prospective entitlement of the officer to benefits under this chapter and thereupon for the purpose of calculating the contributor's entitlement to benefits under this chapter the contributor's rate of salary in respect of any period before the time the contributor's salary was reduced shall be deemed not to have been in excess of the rate to which the contributor's salary was so reduced.

- (13) Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.
- (14) If an officer made an election under section 24(4) of the 1972 Act before the commencement of the *Superannuation Acts Amendment Act (No. 2) 1974* and was a contributor at that commencement, the additional contribution under the election must be adjusted by the board as if that subsection as amended by that Act was in force at the date of the election.

- (2) The additional rate of contribution payable by the contributor continues to be the rate decided by the board under section 24A(3) of the 1972 Act.

  - (b) otherwise, the pension remains the same.
- (3) If the pension is increased under the reassessment, the pension is payable to the person at the increased level from the first pay period that falls entirely in the month of August in the financial year.
- (4) A percentage increase between 2 indexes under subsection (2)(a) must be calculated to 1 decimal place.
- (5) In this section—

  - (a) if the June index for year 1 is higher than the June index for the financial year before year 1 (*year 0*), the pension must be increased by the amount calculated under the following formula—

$$\frac{I\% \times M \times B}{12};$$

- (b) otherwise, the pension remains the same.

  - (5) Unless it is otherwise determined by the board, for the purpose of determining the rate of pension payable under section 185 or 188 all determinations made under subsection (1) and variations made under subsection (2) shall be disregarded and the pensioner shall be deemed to have been receiving, immediately before the pensioner's death, the amount of pension that would have been payable to the pensioner had no such determination been made.

## **Division 7                      General provisions as to pensions**

### **194      Duration of pensions**

Except as otherwise expressly provided, a pension under this chapter is payable during the life of the pensioner, and is payable as from the date of the death or retirement by virtue of which it becomes payable.

### **195      Time and manner of payment of pensions**

- (2) Where a person has received a payment under this chapter or chapter 4 and it is subsequently discovered that, owing either to some miscalculation or mistake of fact for which the person is not responsible, the payment was in excess of the amount properly payable, the board may—
  - (a) waive repayment; or
  - (b) allow repayment to be made on such terms as the board thinks just;

- (3) Where a person has received a payment under this chapter or chapter 4 and it is subsequently discovered that, by reason of a mistake, the amount of the payment is in excess of the amount properly payable to that person, the board may write off the whole or any part of the excess amount so paid if it is satisfied that the excess amount or that part is irrecoverable or that the enforcement of the repayment by that person of the excess amount or that part would impose undue hardship on that person or would, in all the circumstances of the case, be inequitable.

**197 Commencement of benefits**

Subject to this chapter, where in pursuance of this chapter any officer becomes liable or elects to contribute for any pension benefits or additional such benefits the officer shall be a contributor in respect of those benefits or additional benefits as from the date as from which the contribution or additional contribution therefor is payable and not earlier, but if any

benefit becomes payable to or in respect of that contributor before he or she has actually commenced to make contributions or additional contributions there shall, as determined by the board, be deducted from payments of benefits such contributions as are due by him or her in respect of those benefits or additional benefits.

### **198 Provision for incapacity entitlement of contributor reduced in salary by redeployment**

- (1) Where a contributor's salary is reduced as a consequence of action taken by the contributor's employer for redeployment of the contributor, which, in the board's opinion, is due to the incapacity of the contributor, then, if the board so approves and subject to such conditions as the board in its absolute discretion may determine, the contributor shall be deemed to be in receipt of salary at the rate that would be payable to the contributor had the contributor remained in the position held by the contributor as an officer immediately before the contributor's redeployment.
- (2) The board may determine that a contributor, such as is deemed to be in receipt of salary as prescribed by subsection (1), is entitled to payment of incapacity pension at a rate and for a period determined by the board but not exceeding the rate of incapacity pension to which the contributor would have been entitled had the contributor retired on the ground of incapacity immediately before the date of the contributor's redeployment.

### **199 Entitlement to receive incapacity pension**

Before a person—

- (a) who is retired or permitted to retire as an officer by reason of incapacity; or

- (2) If at any time a person defaults in complying with any requirement of this section, the board may discontinue the payment to the person of incapacity pension until the person remedies the default to its satisfaction.

## **201 Failure of incapacity pensioner restored to health to resume employment affects entitlement**

- (1) If in the opinion of the board the health of any person who is in receipt of incapacity pension and who has not attained the age for retirement has been restored to such an extent as to enable the person to perform duties as an officer efficiently, the board shall so inform the person, body or authority by whom that person is or was employed as an officer, to the intent that the person, body or authority so informed shall—
  - (a) in the case of the person in receipt of incapacity pension being absent from duty with leave of absence without salary—instruct that person to resume employment with the person, body or authority forthwith; or
  - (b) in the case of the person in receipt of incapacity pension having had the person's employment terminated by reason of the incapacity—take all practicable steps to find employment for that person as an officer in the person's, body's or authority's employment.

- (b) in a case referred to in subsection (1)(b)—employment referred to in that paragraph is offered to the person in receipt of incapacity pension at a rate of salary at least equal to the rate of salary then payable in respect of the office held by the person at the time the person became eligible for the incapacity pension and the person fails to accept that employment;

the board may cancel that person's incapacity pension and thereupon it shall cease to be payable.

- (3) Where the board cancels a person's incapacity pension it shall forthwith inform the person in writing of the cancellation.
- (4) Where a person's incapacity pension is cancelled under subsection (2) neither that person nor any other person claiming through the person, either immediately or at any future time, shall be entitled to any payment or further payment from the fund by way of any benefit for which that person was contributing to the fund but that person shall be paid from the fund a sum equal to the total amount of the person's contributions accumulated from 1 July 1990 at the net earning rate of the fund compound to the fund less an amount certified by the actuary to be attributable to the provision of incapacity pension.
- (5) Subsection (4) shall not be construed to prevent a person whose incapacity pension has been cancelled under subsection (2) or any other person claiming through the person from becoming entitled to any benefits for which that person contributes to the fund after the person has again become an officer and a contributor.

**202 Incapacity pension may be suspended**

- (1) If at any time it appears to the board that any person who is in receipt of incapacity pension—

**203 Contribution by retired incapacity pensioners upon re-employment**

If a person who has been retired, by reason of incapacity, from employment as an officer and who is in receipt of incapacity pension again becomes an officer, the period during which the person was retired shall not, for the purposes of this chapter, be deemed to be a break in the continuity of the person's service, and accordingly the officer shall be deemed to be a contributor and contributions to the fund shall again become payable by the person in accordance with this chapter.

**204 Right to prepay contributions**

- (1) The board may permit a contributor to commute wholly or in part any existing contribution under this chapter, payable by the contributor in respect of any future period, by payment of a lump sum of such amount as shall be determined by the actuary and approved by the board.
- (2) Where a contributor who elects to retire at any time within the period of 10 years immediately preceding the day on which

the contributor would attain the age for retirement, has commuted wholly or in part any contributions under the Act attributable to any period after the date of the contributor's retirement the contributor is, in addition to any entitlement under this chapter, entitled to be paid from the fund such sum of money in respect of such contribution as is determined by the actuary and approved by the board.

- (4) Any increased contribution payable in pursuance of subsection (3)(a), (b) or (e) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date—

  - (b) from which the contributor's salary is increased, whichever is the later.
- (5) Any increased contribution payable in pursuance of subsection (3)(c) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date of the election.
- (6) For the purposes of this division where the salary of a member of the police force falls within the salary group 'exceeding \$450.20' set out in column 1 of the scale contained in schedule 16, the number ascertained in accordance with the formula in column 2 of that scale set opposite that salary group shall, with respect to that member, be deemed to be the number specified in column 2 of that scale opposite to the salary group within which his or her salary falls.
- (7) For the purposes of the application at any time in relation to a contributor of the formula in column 2 of the scale contained in schedule 16 opposite to the salary group 'exceeding \$450.20' in column 1 of that scale—
- A* denotes the number of times (disregarding any fraction less than 1) by which the fortnightly salary of the contributor exceeds the sum of \$450.20 by the sum of \$6.38.

contained in schedule 17 opposite to the salary group in which his or her salary fell immediately before the commencement of the *Police Superannuation Act Amendment Act 1970* and this chapter shall apply accordingly.

## **219 When member of police force may voluntarily increase contribution**

- (1) Any member of the police force who is not contributing to the fund for units of benefits to the number thereof specified in the scale contained in schedule 16 opposite to the salary group within which his or her salary falls may, subject to this section, elect to increase the amount of his or her contribution.
- (2) Such an election may be to contribute for any further number of units of benefits up to, but not exceeding, the difference between—
  - (a) the number thereof specified in the said scale opposite to the salary group in which the salary of the member of the police force making the election falls; and
  - (b) the number thereof for which such member of the police force is contributing.
- (3) Unless exempted by the board therefrom a member of the police force shall, before at any time increasing the amount of his or her contribution to the fund under this section, be medically examined at his or her own expense by a medical practitioner.
- (4) A member of the police force shall not at any time increase the amount of his or her contribution to the fund under this section if, after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such member of the police force are such as would justify his or her being then accepted as a contributor.
- (5) Any increased contribution under this section shall be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date when the board accepts as a contributor under this section the member of the police force making the election.

**220 Power to board to exempt etc. from contributing**

- (1) According as the circumstances of any case in its opinion warrant, the board may exempt a member of the police force wholly or partly from the requirement imposed upon him or her by this chapter to contribute, or at any time to increase the amount of his or her contribution, to the fund, or the board may defer (either for a period specified by it or without specifying any period) such requirement in respect of either such contribution or any increase in the amount thereof.
- (2) When the board specifies the period for which it defers the contribution or any increased contribution required by this chapter to be paid by a member of the police force, then upon the expiration of that period (or of any extension thereof which it is hereby declared the board may grant) that member of the police force shall, unless the board wholly or partly exempts him or her from so doing, pay to the fund the contribution or increased contribution then required in his or her case by this chapter.
- (3) When the board does not specify the period for which it defers the contribution, or any increased contribution, required by this chapter to be paid by a member of the police force, the board may at any later time determine that deferment and thereupon, unless the board wholly or partly exempts him or her from so doing, the member of the police force concerned shall pay to the fund the contribution or increased contribution then required in his or her case by this chapter.
- (4) In the case of any member of the police force (including a member of the police force to whom subsection (2) or (3) applies) partly exempted by the board from making the contribution or any increased contribution required in his or her case by this chapter, the payment which he or she would be otherwise required to make shall be reduced by the amount of the exemption.
- (5) Where a contributor satisfies the board that adequate provision has been made for the contributor and, in the case of a male contributor, his family, or that continued contributions for the number of units for which he or she is contributing will cause him or her undue hardship, or that for any other reason which the board deems adequate he or she should be permitted to surrender units, the board may permit the

contributor to surrender some or all of the units of benefits under this chapter for which he or she is contributing.

- (6) The sum equal to the aggregate of all amounts paid by the contributor in respect of units of annuity benefit, incapacity benefit and assurance benefit surrendered under subsection (5) accumulated at the rate of  $1\frac{1}{4}\%$  per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to the contributor.
- (7) The units surrendered by a contributor under subsection (5) shall be—
  - (a) in a case where the contributor is contributing under section 219 for units of benefit—those units if the contributor nominates those units as the units to be surrendered; or
  - (b) in a case other than one referred to in paragraph (a)—those units for which the contributor last began to contribute.

## **221 Member reduced in salary**

- (1) Where the salary of a contributor has been reduced and by reason of that reduction falls within a salary group in column 1 of the scale contained in schedule 16 lower than the salary group in which it would fall if it had not been reduced, the contributor may elect to reduce the number of units in respect of which he or she shall contribute to a number not being less than the number of units appropriate to the salary group to which his or her salary has been reduced, and the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit, in excess of the reduced number of units accumulated at the rate of  $1\frac{1}{4}\%$  per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of  $5\%$  per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to him or her.
- (2) A contributor electing under subsection (1) shall surrender first the unit or units for which he or she last began to contribute.

- (3) The benefits (save the additional assurance benefit in respect of children) payable under this chapter in respect of units respectively of annuity benefit, incapacity benefit and assurance benefit included in the number of units in excess of the number appropriate to the salary group to which the salary of a contributor has been reduced shall, whilst the unit continues to be a unit in excess of the number appropriate to the salary group in which the salary of the contributor falls for the time being, be reduced to 35% of the rates thereof which, save for this subsection, apply under subsection (1) respectively of sections 235, 237 and 240.

## **222 Units of benefits to be contributed for in equal numbers**

At all times units (including units to which division 4 applies) respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit, shall be contributed for in equal numbers and accordingly a contributor shall not be allowed to contribute at any time for more units of 1 such benefit than of another.

## **223 Period for which contributions are to continue**

- (1) A member shall continue to contribute as prescribed to the fund until the last day of the fortnightly pay-period last preceding the day on which—

- whichever first occurs, and except as aforesaid, shall continue to pay contribution, as for a period of service, without reduction in respect of any period of leave or other absence from duty.
- (2) Where absence from duty referred to in subsection (1), other than sick leave or absence without pay, is for a continuous

- (3) A contributor who would be required to pay amounts to the consolidated fund under subsection (2) may elect in writing furnished to the board not to pay contributions to the fund in respect of the period of absence whereupon—
- (a) contribution to the fund in respect of the contributor shall cease to be payable in respect of the period of the contributor's absence; and
  - (b) the board shall waive the additional payments to the consolidated fund that would be required by subsection (2) to be made by the contributor; and
  - (c) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter shall be reduced by such amounts as are determined by the actuary and approved by the board.
- (4) The Governor in Council may waive the requirement under subsection (2) to make additional payments to the consolidated fund either unconditionally or upon such terms and conditions as the Governor in Council determines, either in a particular case or in respect of a class of case, and such waiver shall be given effect.
- (5) Where a contributor is absent from duty without pay or at less than full salary, the board may, upon his or her application, permit the contribution in respect of the period of such absence to be made to the fund in such manner as respects periodical amounts or times of payment, or both, as the board approves.
- (6) A contributor who, pursuant to subsection (1) or (2), is required to pay contributions to the fund and to make additional payments to the fund in respect of a period of absence from duty—
- (a) shall, before commencing the period of absence, pay to the fund the total amount of contributions and payments that the contributor is so required to pay; or

- (b) shall, before commencing the period of absence, make arrangements satisfactory to the board for payment of the total amount of contributions and additional payments that the contributor is so required to pay.
- (7) Where a contributor to whom subsection (6) applies does not comply with paragraph (a) or (b) of that subsection the benefits to which the contributor or the contributor's dependants may become entitled under this chapter may be reduced by such amounts as are determined by the actuary and approved by the board.

- (8) Where the board has made a determination under subsection (4), (5) or (6) upon the election of a member and the contributor satisfies the board that payment of such additional rate of the contribution by the member is causing the member undue hardship, the board may cancel its determination or vary the same by reducing, with the approval of the actuary, the additional rate of contributions to be paid by the contributor.
- (9) Where in respect of a contributor the board, pursuant to subsection (8), cancels a determination under subsection (4), (5) or (6), any determination under subsection (7) in respect of additional length of service of the contributor shall likewise be cancelled and cease to apply to or in respect of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund pursuant to subsection (4), (5) or (6) as the actuary determines is justified having regard to the reduced liability of the fund.
