Spelling

The spelling of certain words or phrases may be inconsistent in this reprint or with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’). Variations of spelling will be updated in the next authorised reprint.

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

Replacement reprint date If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

Part 4 **Cane access, harvesting and mill supply**

63 **Access right to harvest and supply cane**

- (1) This part provides for the grant by a land-holder or the Land Court of 2 types of right (each an *access right*)—
 - (a) a permit to pass; and

- (2) A permit (a *permit to pass*) may be granted to—
 - (a) a grower to facilitate harvest of cane and supply to a mill; or

- (7) The grant of an access right is subject to the powers under the *Transport Infrastructure Act 1994* of the chief executive or a railway manager within the meaning of that Act.

64 **Land-holder may grant an access right**

A land-holder may grant an access right affecting the holder's land under an agreement with a mill owner or a grower.

Note—

See sections 70 and 71 for the requirement to notify the registrar.

65 Land Court may grant an access right

- (1) This section applies if a person seeking an access right affecting land does not reach agreement with the land-holder for the grant.
- (2) The person may apply to the Land Court to be granted the access right.
- (3) The applicant must serve a copy of the application on every person the applicant knows may be entitled to claim compensation if the access right is granted.
- (4) Subsection (3) does not limit the persons on whom a copy of the application must be served under the rules of the Land Court.
- (5) The Land Court may grant the application only if it is satisfied—
 - (a) the applicant has failed, after reasonable attempts, to negotiate an agreement with the land-holder for the access right; and
 - (b) the access right is necessary for a purpose mentioned in section 63(2) or (5) in relation to the applicant; and
 - (c) the access right, if granted, would not affect native title, or if it would, there is an indigenous land use agreement consenting to the grant.

Note—

See sections 70 and 71 for the requirement to notify the registrar.

- (6) The Land Court may impose reasonable conditions on the grant.

Example of a condition—

- (7) In this section—

68 Compensation on grant of access right

- (2) If the land-holder and grantee can not agree, either of them may apply to the Land Court for an order.
- (3) On an application under subsection (2), the Land Court may decide the amount of any compensation payable by the grantee to the land-holder and make an order for payment.
- (4) In deciding the amount of compensation, the Land Court must have regard to the following matters—
 - (a) if the granting of the access right effectively severs land in which the land-holder has an interest from other land in which the land-holder has an interest—any change in the values of those interests;
 - (b) any change in the value of any interest in any land held by the land-holder that otherwise happens because of the granting of the access right;

 - (d) anything else relevant to deciding what is just and reasonable compensation for the granting of the access right.
- (5) For calculating the change in the value of an interest in land under subsection (4), the changed value of the interest must be decided as at the day the access right was granted.
- (6) The Land Court, in granting a permit to pass, may order the grantee to pay to the land-holder whose land is affected by the permit 1 or both of the following—
 - (a) an amount, or amounts from time to time, towards the cost to the land-holder of the use of the permit;
 - (b) an amount as compensation for significant detriment to the land-holder's use of the land.

 - (i) stating that the permit event has happened; and
 - (ii) identifying the parties to the permit to pass and the land affected by the permit; and
 - (b) a copy of—
 - (i) for the grant of a permit to pass—the permit to pass; or
 - (ii) otherwise—the document by which the relinquishment, variation or cancellation was effected.

Maximum penalty—40 penalty units.

- (3) The registrar must ensure a notice appears in the relevant register kept under the *Land Act 1994* or the *Land Title Act 1994* so that a search of the register will show the permit event has happened.

71 Notification and registration of matters relating to cane railway easements

- (1) This section applies if any of the following happens (an *easement event*)—
 - (a) a cane railway easement is granted;
 - (b) a cane railway easement is relinquished by the grantee;

 - (a) stating that the easement event has happened; and
 - (b) identifying the parties to the cane railway easement and the land affected by the easement.

Maximum penalty—40 penalty units.

- (3) The easement event may be registered under the *Land Act 1994* or the *Land Title Act 1994* only in compliance with that Act.
- (4) Until the easement event is registered, the registrar must ensure a notice appears in the relevant register kept under the *Land Act 1994* or the *Land Title Act 1994* so that a search of the register will show the easement event has happened.
- (5) It is sufficient compliance with subsection (2) for the grantee to give to the registrar, within 28 days after the easement event happens, the documents the registrar requires to register the easement event.

72 Variation and cancellation of access right, dispute resolution and enforcement

- (1) The land-holder whose land is affected by an access right and the grantee of the access right may, by agreement, vary or cancel the access right or a condition on which it is held.
- (2) A party to an access right may apply to the Land Court to vary or cancel the access right or a condition on which the access right is held.
- (3) The applicant must serve a copy of the application on every person the applicant knows may be entitled to claim compensation if the application is granted.
- (4) The Land Court may grant the application only if—
 - (a) for an application to cancel a cane railway easement—the court is satisfied the easement has not been used for at least 2 years; or

- (b) otherwise—the court is satisfied there are special circumstances.
- (5) A change in the use of the land affected by the access right is not in itself special circumstances for subsection (4)(b).
- (6) A cane railway easement included in a register kept under the *Land Act 1994* or the *Land Title Act 1994* may be varied only in compliance with the provisions of that Act about amending an easement.

73 Compensation on cancellation or variation of access right

- (1) A party to an access right may apply to the Land Court for an order for the payment of compensation if the parties to the access right—
 - (a) have, by agreement, varied or cancelled the access right or a condition on which it is held; and
 - (b) can not agree on the payment of compensation for the variation or cancellation.
- (2) Subsection (3) applies if—
 - (a) an application is made under subsection (1); or
 - (b) the Land Court makes an order under section 72 varying or cancelling an access right or a condition on which an access right is held.
- (3) The Land Court may decide the amount of any compensation payable by a party to the access right to the other party and make an order for payment.
- (4) In deciding the amount of any compensation, the Land Court must have regard to the following matters—
 - (a) if the variation or cancellation effectively severs land in which the land-holder has an interest from other land in which the land-holder has an interest—any change in the values of those interests;
 - (b) any change in the value of any interest in any land held by the land-holder that otherwise happens because of the variation or cancellation;

- (c) any loss, injury or damage suffered by a party, or expense reasonably incurred by a party, as a direct, natural and reasonable consequence of the variation or cancellation;
 - (d) any compensation previously paid in relation to the access right;
 - (e) anything else relevant to deciding what is just and reasonable compensation for the variation or cancellation.
- (5) For calculating the change in the value of an interest in land under subsection (4), the changed value of the interest must be decided as at the day the access right was varied or cancelled.

74 Rectification or reinstatement of land on cancellation or variation of access right

- (1) This section applies if the Land Court cancels an access right affecting land or varies an access right in a way that excludes land affected by the right.
- (2) The Land Court may order the person who is or was the grantee of the access right to carry out rectification or reinstatement of the land as directed by the court.
