- incorporates all necessary consequential amendments, whether of punctuation, numbering or another kind (Reprints Act 1992 s 5(d)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

Also see endnotes for information about—

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

Spelling

The spelling of certain words or phrases may be inconsistent in this reprint or with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’). Variations of spelling will be updated in the next authorised reprint.

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

Replacement reprint date If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

 - (ii) the person's education, demonstrated abilities, experience, knowledge and skills establish that the person meets the requirements under the professional standards for provisional registration; and

Example—

A person has a qualification other than a prescribed qualification, at degree level or higher, from a higher education institution and has long and meritorious teaching experience in a non-school setting, such as a TAFE or higher education institution.

- (b) the person is suitable to teach; and
- (c) if the person is a person prescribed by regulation as being required to take a test for literacy, numeracy or science prescribed by regulation, the person—
 - (i) has taken the test; and
 - (ii) achieved a test result the college considers is satisfactory for provisional registration; and

Note—

Chapter 2, part 2, division 3 states the matters that may be prescribed for tests for literacy, numeracy or science.

- (d) the person meets any other requirements for professional practice for provisional registration prescribed under a regulation.
- (2) The requirements mentioned in subsection (1)(a) and (d) are the ***professional practice requirements*** for provisional registration.
 - (3) The requirements mentioned in subsection (1)(a) and (d) are the ***eligibility requirements*** for provisional registration.
 - (4) Without limiting subsection (1), the college may be satisfied the person meets the eligibility requirements for provisional registration by imposing conditions on the registration under section 20.

10 Eligibility for permission to teach

- (1) A person is eligible for permission to teach if the college is reasonably satisfied the person—
 - (a) has been offered a teaching position in a school and the employing authority for, or principal of, the school can

[s 11]

- not find an appropriate registered teacher to fill the position; and
- (b) has knowledge, qualifications, skills or training reasonably considered by the college to be relevant to the teaching position the person has been offered; and
 - (c) is suitable to teach; and
 - (d) meets any other requirements for professional practice for permission to teach prescribed under a regulation.
- (2) The requirements mentioned in subsection (1)(a) to (d) are the *eligibility requirements* for permission to teach.
- (3) Without limiting subsection (1), the college may be satisfied the person meets the eligibility requirements for permission to teach by imposing conditions on the permission under section 20.

11 Suitability to teach—criminal history information

- (1) In considering whether a person is suitable to teach, the college must have regard to—
- (a) the person’s criminal history obtained under section 14 or 15; and
 - (b) other information about the person obtained under section 15; and
 - (c) information about the person obtained under section 15B, 15C or 15D.
- (2) If the college is aware the person’s criminal history includes a conviction for a serious offence, the college must decide the person is not suitable to teach, unless the college is satisfied it is an exceptional case in which it would not harm the best interests of children for the person to teach.
- (3) In having regard to the person’s criminal history, the college must consider the following matters relating to information about the commission, or alleged or possible commission, of an offence by the person—

- (a) when the offence was committed, is alleged to have been committed or may possibly have been committed;
 - (b) the nature of the offence and its relevance to the duties of a teacher;
 - (c) anything else the college considers relevant to deciding whether the person is suitable to teach.
- (4) The *Criminal Law (Rehabilitation of Offenders) Act 1986* does not apply in relation to the college's decision under subsection (2).
- (5) This section is subject to section 12A.

12 Suitability to teach—other considerations

- (1) In considering whether a person is suitable to teach, the college must also—
- (a) have regard to information held by the college or reasonably available to the college about each of the following matters—
 - (i) any conviction of the person of an offence against a corresponding law or another law of a foreign country;
 - (ii) if the person has been refused registration as a teacher by an interstate regulatory authority or an overseas regulatory authority—the reason for the refusal;
 - (iii) if the person has been employed by an employing authority for a school and the person's employment was ended by the employing authority for a reason relating to the person's competency or suitability to teach—the reason for the ending of the person's employment;
 - (iv) if the person has been registered under this Act or a former Act or is, or has been, registered under a corresponding law and the registration was affected—

[s 12]

- (A) by the imposition of a condition—the nature of the condition and the reasons for its imposition; or
 - (B) by its suspension or cancellation—the reason for its suspension or cancellation; or
 - (C) in another way—the way it was affected and the reason for it being affected; and
- (b) consider whether the person is suitable to work in a child-related field.
- (2) Also, in considering whether a person is suitable to teach the college may have regard to any other matter the college considers relevant, even if the matter happened outside the State.
- (3) Without limiting section 11 or subsection (1) or (2), a person is not suitable to teach if the person—
- (a) behaves in a way that does not satisfy a standard of behaviour generally expected of a teacher; or
 - (b) otherwise behaves in a disgraceful or improper way that shows the person is unfit to be granted registration or permission to teach.
- (4) This section is subject to section 12A.
- (5) In this section—

corresponding law means a law applying, or that applied, in another State, the Commonwealth or a foreign country that provides, or provided, for the same matter as this Act or a provision of this Act.

overseas regulatory authority means an entity—

- (a) established under the law of another country, other than New Zealand; and
- (b) that has functions similar to the functions of the college under this Act.

12A Suitability to work in child-related field—interstate information

- (1) In considering whether a person is suitable to work in a child-related field as mentioned in section 12(1)(b), the college must consider whether the person poses a risk of harm to children.
- (2) In considering whether the person poses a risk of harm to children, the college must have regard to—
 - (a) the person’s expanded interstate criminal history; and
 - (b) any other information, that relates to the person’s expanded interstate criminal history, disclosed by the commissioner of police under section 15, or an interstate commissioner of police under section 15A.
- (3) In having regard to the matters mentioned in subsection (2), the college must consider the following matters relating to information about the commission, or alleged or possible commission, of an offence by the person—
 - (a) when the offence was committed, is alleged to have been committed or may possibly have been committed;
 - (b) the nature of the offence and its relevance to the duties of a teacher;
 - (c) anything else the college considers relevant to deciding whether the person poses a risk of harm to children.
- (4) This section does not limit the matters the college may consider under section 11(2) or 12(1)(b).
- (5) However, despite section 11 or 12, in considering whether a person is suitable to teach, the college may have regard to the person’s expanded interstate criminal history, or information of the type mentioned in subsection (2)(b), only to consider whether the person poses a risk of harm to children.

Notes—

- 1 This section implements the Council of Australian Governments’ (COAG) agreement dated 29 November 2008 to facilitate the

[s 13]

inter-jurisdictional exchange of criminal history information for people working with children.

- 2 A copy of COAG's communiqué about the agreement is available on COAG's website.

Part 2 Making and deciding applications for registration or permission to teach

Division 1 Applications other than by holders of provisional registration

- (6) The commissioner of police must not give information about an investigation relating to the possible commission of a serious offence by the applicant if—
 - (a) the commissioner is reasonably satisfied that giving the information—
 - (i) may prejudice or otherwise hinder an investigation to which the information may be relevant; or
 - (ii) may lead to the identification of an informant; or
 - (iii) may affect the safety of a police officer, complainant or other person; or
 - (b) for an investigation that has been completed—the investigation has not led, and the commissioner is reasonably satisfied it is unlikely to lead, to a reasonable suspicion that the applicant committed a serious offence; or
 - (c) for an investigation that has not been completed—the commissioner is reasonably satisfied the investigation is unlikely to lead to a reasonable suspicion that the applicant committed a serious offence.

- (7) The *Criminal Law (Rehabilitation of Offenders) Act 1986* does not apply to the asking for, or giving of, the information mentioned in subsection (1) or (2).
- (8) To remove any doubt, it is declared that, despite the *Youth Justice Act 1992*, part 9, the commissioner of police may disclose information to which that part applies to the college for complying with a request under subsection (1) or (2).

15A Requesting further information about interstate convictions and charges

- (4) Without limiting subsection (3), the director of public prosecutions must not give the college a copy or written summary of evidentiary material about the offence that relates only to a person other than the applicant.
- (5) The director of public prosecutions must not give information, or a document containing information, to the college under this section if the director is reasonably satisfied that giving the information may do any of the following—

Note—

See section 283 for restrictions on disclosing or giving access to information or documents obtained under this Act.

- (7) Without limiting subsection (6), this section applies despite the *Director of Public Prosecutions Act 1984*, section 24A.

[s 17]

- (b) allow the applicant a reasonable opportunity to make representations to the college about the information.

17 College's power to obtain further information etc. from applicant

- (1) Before deciding an application for registration or permission to teach, the college may, by notice, require the applicant to give the college, within a stated reasonable time, further information or a document the college reasonably requires to decide the application.

 - (b) more than 1 extension of time.

18 Effect of failure by applicant to comply with a request for further information etc.

The applicant is taken to have withdrawn the application for registration or permission to teach if—

- (a) the college gives the applicant a notice under section 17(1); and

- (b) either—
 - (i) the applicant does not give the college the information or document required within the time required under the notice or an extension of time granted by the college; or
 - (ii) the applicant does not verify by statutory declaration any information required under the notice to be verified by statutory declaration.

- a condition requiring the supervision of the applicant
- a condition restricting the subjects the applicant can teach

21 Steps to be taken after college decides application

- (1) If the college decides to grant the application for registration or permission to teach, as soon as practicable after the decision is made the college must—
- (a) give the applicant an approval notice; and
 - (b) issue a certificate of registration or a certificate of permission to teach to the applicant; and
 - (c) if the applicant is granted full or provisional registration—issue a registration card for the relevant year to the applicant.
- (2) However, if the applicant applied for full registration and the college decides to grant the applicant provisional registration—
- (a) subsection (1) does not apply; and
 - (b) the college must—
 - (i) give the applicant an information notice about the college's decision; and
 - (ii) issue a certificate of registration and a registration card for the relevant year to the applicant.

- (a) grant the applicant full registration, with or without conditions; or
 - (b) refuse to grant the applicant full registration.
- (2) The college may grant the application only if the college is reasonably satisfied—

 - (b) the applicant meets the professional practice requirements for full registration.
- (3) The college may grant the applicant full registration with a condition only if the college is reasonably satisfied the condition is necessary to ensure the applicant meets the eligibility requirements.

Division 3 Literacy, numeracy or science tests required for certain registrations

25A Literacy, numeracy or science test may be prescribed

A regulation prescribing a test for literacy, numeracy or science for full or provisional registration may provide for the following—

- (a) details of the matters to be tested;
- (b) who must take the test;
- (c) the times at which the test is available to be taken;

25B Person may apply for reassessment of test result

- (1) A person who has taken a literacy, numeracy or science test may ask the college to reassess the person's result for the test.
- (2) The request must—

[s 25C]

- (b) be made within 20 days after the person is issued with the person's result for the test; and

25C Application for registration may lapse after unsatisfactory test result

- (1) This section applies to a person who applies for registration and is required to take a literacy, numeracy or science test but does not take the test or achieve a satisfactory test result.
- (2) A regulation may prescribe the circumstances in which the person's application for registration lapses.

Part 3 Period, and renewal or extension, of registration or permission to teach

Division 1 Period and renewal of full registration and permission to teach

26 Period and renewal of full registration

- (1) The period of full registration is 5 years from the day the college grants the registration.
- (2) However, if the person to whom the registration is granted was the holder of provisional registration, the period of the full registration is reduced by the period for which the person held the provisional registration.

Example—

A person holds provisional registration for 1 year before being granted full registration. The initial period of the person's full registration would be 4 years.

- (3) At the end of the period of the registration, the registration ends.
- (4) However, if an application for renewal of the registration is made before the period of the registration ends, the registration is taken to continue until the application is decided.
- (5) Full registration may be renewed for further periods of 5 years.

27 Period and renewal of permission to teach

- (1) The period of a permission to teach is the period stated in the certificate of permission to teach issued to the holder of the permission.

[s 28]

- (2) The stated period must not be longer than 2 years from the day the college grants the permission.
- (3) Permission to teach may be renewed for further periods not longer than 2 years each.
- (4) However, a permission to teach may be renewed only if the holder has held the permission continuously for at least 2 years.
- (5) At the end of the period of the permission to teach, the permission to teach ends.
- (6) If an application for renewal of permission to teach is made before the period of the permission to teach ends, the permission to teach is taken to continue until the application is decided.

28 Application for renewal of full registration or permission to teach

- (1) A person, other than an excluded person, may apply to the college for the renewal of—
 - (a) full registration; or
 - (b) permission to teach.
- (2) The application must—
 - (a) be made before the person's registration or permission to teach ends but not earlier than—
 - (i) for renewing full registration—6 months before the registration ends; or
 - (ii) for renewing permission to teach—3 months before the permission to teach ends; and
 - (b) be in the approved form; and
 - (c) be accompanied by each of the following—
 - (i) documents or information, identified in the approved form, reasonably required by the college to decide the application;

-
- (ii) the annual fee;
 - (iii) if the application is for renewal of permission to teach—the criminal history check fee prescribed under a regulation.
- (3) Also, the application must comply with any other requirements prescribed under a regulation.
 - (4) The approved form may require disclosure of the person's criminal history.
 - (5) If the approved form requires the disclosure of the person's criminal history, the *Criminal Law (Rehabilitation of Offenders) Act 1986* does not apply to the disclosure.
 - (6) Information contained in or accompanying the application must, if required by the college, be verified by statutory declaration.

29 Requirements for renewal—full registration

- (1) This section applies in relation to a person who applies for renewal of full registration under section 28.
- (2) The college may renew the person's registration if the college is reasonably satisfied—
 - (a) the person is suitable to teach; and
 - (b) each condition of the person's registration (if any)—
 - (i) has been fulfilled; or
 - (ii) is being complied with at the time the college considers the application for renewal; and
 - (c) the person—
 - (i) has practised as a teacher, whether or not on a full-time basis, for a period that is—
 - (A) of at least the duration prescribed under a regulation; and

[s 29]

- (B) within the period prescribed under a regulation; or
 - (ii) has attained experience the college recognises is the equivalent of teaching at a school for a period that is—
 - (A) of at least the duration prescribed under a regulation; and
 - (B) within the period prescribed under a regulation; and
 - (d) the person has undertaken, during the relevant period of registration, the continuing professional development required for registered teachers under the CPD framework.
- (3) If the college is reasonably satisfied the person meets the requirements under subsection (2)(a) and (b) but does not meet the recency of practice requirement stated in subsection (2)(c), the college must renew the person's registration subject to a returning to teaching condition.
- (4) For renewing full registration under subsection (3), the requirement mentioned in subsection (2)(d) need not be met.
- (5) For deciding whether the person is suitable to teach, sections 15 to 19 apply, with any necessary changes, as if—
- (a) the application for renewal were an application for registration; and
 - (b) the applicant for renewal were an applicant for registration; and
 - (c) the renewal of the registration were the grant of the registration.
- (6) In this section—
- relevant period of registration*** means the period of the registration during which the application for renewal is made.

30 Development or recognition of CPD framework by college

- (1) The college must develop or recognise a framework (a *CPD framework*) for the continuing professional development of registered teachers.
- (2) In developing the framework, the college must—
 - (a) have regard to the professional standards; and
 - (b) consult with the chief executive and the representative entities.
- (3) Subsection (2) does not prevent the college consulting with another person or entity.
- (4) The college must give notice to all registered teachers to whom the framework is relevant of the matters provided for in the framework.
- (5) The framework may state any of the following, for the requirement stated in section 29(2)(d) for renewing full registration—
 - (a) the type of continuing professional development required;
 - (b) the minimum continuing professional development a registered teacher must undertake.
- (6) The college must—
 - (a) make the framework available for inspection on its internet site; and
 - (b) ensure copies of the framework are kept available for inspection at the office.

31 Requirements for renewal—permission to teach

- (1) This section applies in relation to a person who applies for renewal of permission to teach under section 28.
- (2) The college may renew the person's permission to teach if the college is reasonably satisfied—

[s 32]

- (a) the person is suitable to teach; and
- (b) each condition of the person's permission to teach (if any)—
 - (i) has been fulfilled; or
 - (ii) is being complied with at the time the college considers the application for renewal.
- (3) For deciding whether the person is suitable to teach, sections 15 to 19 apply, with any necessary changes, as if—
 - (a) the application for renewal were an application for permission to teach; and
 - (b) the applicant for renewal were an applicant for permission to teach; and
 - (c) the renewal of the permission to teach were the grant of the permission to teach.

32 How college may decide application for renewal

- (1) The college must consider an application for the renewal of full registration or permission to teach and either—
 - (a) renew the applicant's registration or permission to teach, with or without conditions; or
 - (b) refuse to renew the applicant's registration or permission to teach.
- (2) The college may impose any condition under subsection (1)(a) the college considers necessary for the applicant to meet the requirements stated in section 29(2)(a), (c) or (d) or 31(2)(a), in addition to any returning to teaching condition imposed under section 29.
- (3) If the college decides to renew the registration or permission to teach, the registration or permission to teach remains subject to the conditions to which it was subject immediately before the renewal, other than a condition that has been fulfilled.

33 Steps to be taken after college decides application

- (1) If the college decides to renew the applicant's full registration or permission to teach, as soon as practicable after the decision is made the college must—
 - (a) give the applicant an approval notice; and
 - (b) issue a certificate of registration or a certificate of permission to teach to the applicant; and
 - (c) if full registration is renewed—issue a registration card for the relevant year to the applicant.
- (2) If the college decides not to renew the applicant's full registration or permission to teach, the college must as soon as practicable give the applicant an information notice about the college's decision.
- (3) In this section—

95 PP&C matters

(1) A matter involving a ground for disciplinary action mentioned in any of paragraphs (b) to (j) of section 92(1) is a *PP&C matter* if—

- (a) both of the following apply—
 - (i) the college reasonably believes, when it starts disciplinary proceedings in relation to the matter, that minor disciplinary action is likely to be appropriate;
 - (ii) the teacher is not a relevant teacher mentioned in section 92(2)(a), (b) or (c); or

- (1) This section applies if the college reasonably believes, on the basis of disciplinary information received by the college, that

a ground for disciplinary action against a relevant teacher may exist.

- (2) The college may authorise an investigation of the matter.
- (3) However, the college may authorise an investigation in relation to a former approved teacher only if—
 - (a) the college is satisfied it is in the public interest for the investigation to be conducted; and

[s 99]

- (c) place the complainant or another person at risk of harassment or intimidation.

99 Proceedings for an offence not prevented by disciplinary proceedings

(4) If QCAT decides to cancel the teacher's registration or permission to teach, it may make an order prohibiting the

[s 103]

teacher from reapplying for registration or permission to teach for not more than 5 years from the day the order is made.

Division 4 Powers after entry
