This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

**Also see endnotes for information about—**

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

## Spelling

The spelling of certain words or phrases may be inconsistent in this reprint or with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’). Variations of spelling will be updated in the next authorised reprint.

## Dates shown on reprints

**Reprints dated at last amendment** All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

**Replacement reprint date** If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

- (2) In developing a transport coordination plan, the chief executive must take reasonable steps to engage in public consultation.
- (3) A transport coordination plan applies for the period specified in the plan, but the chief executive may, if it is appropriate in the circumstances, develop a new transport coordination plan

[s 27A]

- (3) To remove any doubt, it is declared that the power of the chief executive to acquire land by resumption or otherwise under this part applies even if the acquisition is carried out with the intention of disposing of land—
  - (a) under subsection (1); or
  - (b) as mentioned in subsection (1)(aa), (b) or (c) under the *Transport Infrastructure Act 1994*, section 84C, 240 or 355.

*chief executive (valuation)* means the chief executive of the department in which the *Valuation of Land Act 1944* is administered.
