Information about this reprint

This Act is reprinted as at 8 April 2011. The reprint shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

Also see endnotes for information about—

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

Spelling

The spelling of certain words or phrases may be inconsistent in this reprint or with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’). Variations of spelling will be updated in the next authorised reprint.

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

Replacement reprint date If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

Local Government Act 2009

[as amended by all amendments that commenced on or before 8 April 2011]

An Act to provide a system of local government in Queensland, and for related purposes

Chapter 1 Preliminary

1 Short title

This Act may be cited as the *Local Government Act 2009*.

2 Commencement

- (1) Amendments 20 and 21 of the *Local Government Act 1993* in schedule 1 commence on assent.
- (2) The following provisions commence immediately before the repeal of the *Local Government Act 1993* under section 289—
 - (a) section 284;
 - (b) the remaining amendments of the *Local Government Act 1993* in schedule 1;
 - (c) schedule 2.
- (3) Chapter 9, part 1 commences on 1 July 2009.
- (4) The remaining provisions of the Act commence on a day to be fixed by proclamation.

3 Purpose of this Act

The purpose of this Act is to provide for—

[s 4]

- (a) the way in which a local government is constituted and the nature and extent of its responsibilities and powers; and
- (b) a system of local government in Queensland that is accountable, effective, efficient and sustainable.

Note—

The system of local government consists of a number of local governments. See the *Constitution of Queensland 2001*, section 70 (System of local government).

4 Local government principles underpin this Act

- (1) To ensure the system of local government is accountable, effective, efficient and sustainable, Parliament requires—
 - (a) anyone who is performing a responsibility under this Act to do so in accordance with the local government principles; and
 - (b) any action that is taken under this Act to be taken in a way that—
 - (i) is consistent with the local government principles; and
 - (ii) provides results that are consistent with the local government principles, in as far as the results are within the control of the person who is taking the action.
- (2) The *local government principles* are—
 - (a) transparent and effective processes, and decision-making in the public interest; and
 - (b) sustainable development and management of assets and infrastructure, and delivery of effective services; and
 - (c) democratic representation, social inclusion and meaningful community engagement; and
 - (d) good governance of, and by, local government; and

- (e) ethical and legal behaviour of councillors and local government employees.

5 Relationship with City of Brisbane Act 2010

- (1) Although the Brisbane City Council is a local government, the *City of Brisbane Act 2010*, rather than this Act, provides for—
 - (a) the way in which the Brisbane City Council is constituted and the nature and extent of its responsibilities and powers; and
 - (b) a system of local government in Brisbane.
- (2) This Act does not apply to the Brisbane City Council or its councillors, employees, agents or contractors or to corporate entities of the Brisbane City Council.

6 Definitions

The dictionary in schedule 4 defines particular words used in this Act.

Chapter 2 Local governments

Part 1 Local governments and their constitution, responsibilities and powers

7 What this part is about

This part explains—

- (a) what a local government is; and
- (b) what a local government area is; and

[s 8]

- (c) who constitutes a local government; and
- (d) the responsibilities and powers of a local government, its councillors and its employees.

8 Local government's responsibility for local government areas

- (1) A *local government* is an elected body that is responsible for the good rule and local government of a part of Queensland.

Note—

This is provided for in the *Constitution of Queensland 2001*, section 71 (Requirements for a local government).

- (2) A part of Queensland that is governed by a local government is called a *local government area*.
- (3) A local government area may be divided into areas called *divisions*.
- (4) A regulation may—
- (a) describe the boundaries of a local government area; or
 - (b) describe the boundaries of any divisions; or
 - (c) fix the number of councillors for a local government and any divisions of the local government area; or
 - (d) name a local government area; or
 - (e) classify a local government area as a city, town, shire or region.

9 Powers of local governments generally

- (1) A local government has the power to do anything that is necessary or convenient for the good rule and local government of its local government area.

Note—

Also, see section 262 (Powers in support of responsibilities) for more information about powers.

-
- (2) However, a local government can only do something that the State can validly do.
 - (3) When exercising a power, a local government may take account of Aboriginal tradition and Island custom.
 - (4) A local government may exercise its powers—
 - (a) inside the local government area; or
 - (b) outside the local government area (including outside Queensland)—
 - (i) with the written approval of the Minister; or
 - (ii) as provided in section 10(5).
 - (5) When a local government is exercising a power in a place that is outside its local government area, the local government has the same jurisdiction in the place as if the place were inside its local government area.

10 Power includes power to conduct joint government activities

- (1) A local government may exercise its powers by cooperating with 1 or more other local, State or Commonwealth governments to conduct a joint government activity.
- (2) A *joint government activity* includes providing a service, or operating a facility, that involves the other governments.
- (3) The cooperation with another government may take any form, including for example—
 - (a) entering into an agreement; or
 - (b) creating a joint local government entity, or joint government entity, to oversee the joint government activity.
- (4) A joint government activity may be set up for more than 1 purpose.

[s 11]

Example—

Three local governments may create a joint local government entity to manage an aerodrome that services each of their local government areas, and may also enter into an agreement to sell water in bulk to 1 of the local governments.

- (5) A local government may exercise a power in another government's area for the purposes of a joint government activity, in the way agreed by the governments.
- (6) However, if the power is to be exercised under a local law, the local law must expressly state that it applies to the other government's area.

Note—

See section 29 for more information about making local laws.

11 Who a local government is constituted by

- (1) Usually, a local government is constituted by the councillors who are elected or appointed to the local government under this Act or the Local Government Electoral Act.
- (2) However—
 - (a) if all of the councillors have been dismissed under section 123 and an interim administrator is appointed—the local government is constituted by the interim administrator; or
 - (b) if there are no councillors for any other reason—the local government is constituted by its chief executive officer.

12 Responsibilities of councillors

- (1) A councillor must represent the current and future interests of the residents of the local government area.

[s 13]

- government area, or the local government, that is requested by the Minister;
- (h) being a member of each standing committee of the local government;
 - (i) representing the local government at ceremonial or civic functions.
- (5) A councillor who is not the mayor may perform the mayor's extra responsibilities only if the mayor delegates the responsibility to the councillor.
- (6) When performing a responsibility, a councillor must serve the overall public interest of the whole local government area.

13 Responsibilities of local government employees

Part 2 Divisions of local government areas

14 What this part is about

- (1) This part is about the number of electors that are to be in each division of a local government area, to ensure democratic representation.
- (2) This part does not apply to an indigenous regional council.

15 Division of local government areas

- (1) Each division of a local government area must have a reasonable proportion of electors.

-
- (2) A *reasonable proportion of electors* is the number of electors that is worked out by dividing the total number of electors in the local government area (as nearly as can be found out) by the number of councillors (other than the mayor), plus or minus—
- (a) for a local government area with more than 10000 electors—10%; or
 - (b) for any other local government area—20%.

Examples—

- 1 If the total number of electors in the local government area is 15000, and the number of councillors (other than the mayor) is 5, the reasonable proportion of electors is 3000 (i.e. 15000 divided by 5) plus or minus 10%, i.e. between 2700 and 3300 electors.
 - 2 If the total number of electors in the local government area is 5000, and the number of councillors (other than the mayor) is 5, the reasonable proportion of electors is 1000 (i.e. 5000 divided by 5) plus or minus 20%, i.e. between 800 and 1200 electors.
- (3) When changing the divisions of a local government area, the reasonable proportion of electors must be worked out as near as practicable to the time when the change is to happen.

16 Review of divisions of local government areas

A local government must, no later than 1 March in the year before the year of the quadrennial elections—

- (a) review whether each of its divisions has a reasonable proportion of electors; and
- (b) give the electoral commissioner and the Minister written notice of the results of the review.

Part 3 **Changing a local government area, name or representation**

Division 1 **Introduction**

17 **What this part is about**

- (1) This part is about making a local government change.
- (2) A **local government change** is a change of—

 - (c) the number of councillors for a local government; or
 - (d) the name of a local government area; or
 - (e) the classification of a local government area (from a town to a city, for example).
- (3) In summary, the process for making a local government change is as follows—
 - *assessment*—the change commission assesses whether a proposed local government change is in the public interest
 - *implementation*—the Governor in Council implements the local government change under a regulation.
- (4) The **change commission**, which conducts the assessment phase of the process, is an independent body that is created under this Act.

Note—

See division 3 for the creation of the change commission.

Division 2 The process for change

 - (b) holding a public hearing (in the way set out in chapter 7, part 1) to ask the public for its views about the proposed local government change.
- (4) However, the Minister may direct the change commission in writing to conduct its assessment of the proposed local government change in a particular way.
- (5) Despite subsection (3), the change commission must comply with the Minister's direction.
- (6) The change commission must let the public know the results of its assessment and the reasons for the results, by publishing notice of the results—

Division 2 Business reform, including competitive neutrality

43 What this division is about

- (1) This division is about the application of the National Competition Policy Agreements in relation to the significant business activities of a local government.
- (2) This includes the application of the competitive neutrality principle if, in the circumstances, the public benefit (in terms of service quality and cost) outweighs the costs of implementation.
- (3) Under the *competitive neutrality principle*, an entity that is conducting a business activity in competition with the private sector should not enjoy a net advantage over competitors only because the entity is in the public sector.
- (4) A *significant business activity* is a business activity of a local government that—
 - (a) is conducted in competition, or potential competition, with the private sector (including off-street parking, quarries, sporting facilities, for example); and
 - (b) meets the threshold prescribed under a regulation.
- (5) However, a *significant business activity* does not include a business activity that is—
 - (a) a building certifying activity; or
 - (b) a roads activity; or

[s 44]

(c) related to the provision of library services.

Note—

A building certifying activity or roads activity is dealt with under section 47.

44 Ways to apply the competitive neutrality principle

- (1) The competitive neutrality principle may be applied by—
 - (a) commercialisation of a significant business activity; or
 - (b) corporatisation of a significant business activity; or

- (4) **Full cost pricing** involves pricing the significant business activity on a commercial basis, but without creating a new business unit or new corporate entity.
- (5) A regulation may provide for—
 - (a) matters relating to corporatisation, commercialisation or full cost pricing; or
 - (b) any other matter relating to the application of the competitive neutrality principle to the significant business activities of a local government.

45 Identifying significant business activities

A local government's annual report for each financial year must—

-
- (a) contain a list of all the business activities that the local government conducted during the financial year; and
 - (b) identify the business activities that are significant business activities; and
 - (c) state whether or not the competitive neutrality principle was applied to the significant business activities, and if the principle was not applied, the reason why it was not applied; and
 - (d) state whether any of the significant business activities were not conducted in the preceding financial year, i.e. whether there are any new significant business activities.

46 Assessing public benefit

- (1) This section applies to a new significant business activity that is identified in the annual report of a local government.
- (2) The local government must conduct a public benefit assessment of the new significant business activity.
- (3) A *public benefit assessment* is an assessment of whether the benefit to the public (in terms of service quality and cost) of applying the competitive neutrality principle in relation to a significant business activity outweighs the costs of applying the competitive neutrality principle.
- (4) The local government must conduct the public benefit assessment before the end of the financial year in which the significant business activity is first identified in the annual report.
- (5) The local government must prepare a report on the public benefit assessment that contains its recommendations about the application of the competitive neutrality principle in relation to the significant business activity.
- (6) At a meeting of the local government, the local government must—
 - (a) consider the report; and

[s 47]

- (b) decide, by resolution, whether or not to apply the competitive neutrality principle in relation to the significant business activity.
- (7) Any resolution that the competitive neutrality principle should not be applied must include a statement of the reasons why it should not be applied.
- (8) The local government must give the Minister a copy of—
 - (a) the report; and
 - (b) all resolutions made in relation to the report.
- (9) If the local government decides not to apply the competitive neutrality principle in relation to the significant business activity, the local government must, within 3 years after making the decision, repeat the process in this section.
- (10) Subsection (9) also applies to a decision that was made before the commencement of this section.

47 Code of competitive conduct

- (1) This section is about the code of competitive conduct.

 - (6) The local government must start to apply the code of competitive conduct—
 - (a) for a building certifying activity—from the start of the financial year after the financial year in which the building certifying activity is first conducted; or
 - (b) for a roads activity—from when the roads activity is first conducted.
 - (7) A local government must decide each financial year, by resolution, whether or not to apply the code of competitive conduct to a business activity prescribed under a regulation.
 - (8) If the local government decides not to apply the code of competitive conduct to the business activity, the resolution must state reasons for not doing so.
 - (9) Subsection (7) does not prevent the local government from applying the code of competitive conduct to any other business activities.

48 Competitive neutrality complaints

- (1) A local government must adopt a process for resolving competitive neutrality complaints.
- (2) A **competitive neutrality complaint** is a complaint that—

[s 49]

 - (i) wants to compete with the local government in relation to the business activity; and
 - (ii) claims to be hindered from doing so by a competitive advantage that the person alleges is enjoyed by the local government.

- (3) The local government or Attorney-General may apply to the Supreme Court or District Court for an order for the person to be examined by the court about the corporate entity's management, administration or affairs.
- (4) However, a local government may only make an application in relation to its own corporate entity.
- (5) If a local government makes an application, the local government must advise the Attorney-General.
- (6) If the Attorney-General makes an application, the Attorney-General must advise the corporate entity's local government.

-
- (7) If the court is satisfied that it is reasonable and appropriate for the person to be examined, the court may order the person to attend before the court at a time and place fixed by the court for examination.
- (8) The person must—
- (a) attend as required by the order, unless the person has a reasonable excuse; and
 - (b) continue to attend until excused by the court, unless the person has a reasonable excuse.
- Maximum penalty—200 penalty units or 2 years imprisonment.
- (9) The examination must be held in public, unless the court considers it is desirable to hold the examination in private because of special circumstances.
- (10) The court may give directions about—
- (a) the matters to be inquired into at the examination; and
 - (b) the procedures to be followed at the examination (including the persons who may be at the examination if the examination is to be held in private, for example).

56 Examination of persons concerned with corporate entities

- (1) This section applies to a person who has been ordered, under section 55, to attend an examination.
- (2) The person must not fail to take an oath or make an affirmation at the examination.
- Maximum penalty—200 penalty units or 2 years imprisonment.
- (3) The person must answer any question that the person is directed by the court to answer.
- Maximum penalty—200 penalty units or 2 years imprisonment.

[s 56]

- (4) The person is not excused from answering a question because the answer might tend to incriminate the person or make the person liable to a penalty.
- (5) However, if the answer might in fact tend to incriminate the person or make the person liable to a penalty, the person's answer is not admissible in evidence against the person in proceedings for an offence or the imposition of a penalty, other than proceedings for an offence—
- (a) against this section; or
 - (b) in relation to the falsity of the person's answer.
- (6) The person must not knowingly make a statement at the examination that is false or misleading in a material particular.
- Maximum penalty—500 penalty units or 5 years imprisonment.
- (7) The court may—
- (a) require the questions put to the person, and the answers given by the person, at the examination to be recorded in writing; and
 - (b) require the person to sign the record.
- (8) Subject to subsection (5), a written record of the examination that is signed by the person, or a transcript of the examination that is authenticated by the examiner's signature, may be used in evidence in proceedings against the person.
- (9) The person may be directed by the court (whether in the order or by a subsequent direction) to produce a document in the person's possession, or under the person's control, that is relevant to the matters about which the person is to be, or is being, examined.
- (10) The person must not contravene the direction, unless the person has a reasonable excuse.
- Maximum penalty—200 penalty units or 2 years imprisonment.

-
- (11) If the court directs the person to produce a document and the person has a lien on the document, the production of the document does not prejudice the lien.
 - (12) The person may, at the person's own expense, employ a lawyer, and the lawyer may put to the person questions that the court considers are just to enable the person to explain or qualify any answers given by the person.
 - (13) The court may adjourn the examination from time to time.
 - (14) The court may order the whole or any part of the costs that are incurred by the person to be paid by—
 - (a) if the application was made by the Attorney-General—the State; or
 - (b) if the application was made by a local government—the local government.

57 Relief from liability for malpractice

- (1) An employee of a corporate entity may apply to the Supreme Court or District Court for relief against any claim made against the employee for malpractice in relation to the corporate entity.
- (2) **Malpractice** includes negligence, default, breach of trust or breach of duty, but does not include fraud.
- (3) If the court considers—
 - (a) that the employee has, or may have, been guilty of the malpractice; but
 - (b) that the employee—
 - (i) acted honestly; and
 - (ii) should be excused for the malpractice, having regard to all the circumstances (including circumstances connected with the employee's appointment);

[s 58]

the court may relieve the employee (in whole or part) from liability for the malpractice, on the terms that the court considers appropriate.

- (4) If the court makes this decision in proceedings that are being tried with a jury, the court may—
 - (a) withdraw the case (in whole or part) from the jury; and
 - (b) direct that judgement be entered for the employee on the terms (as to costs or otherwise) that the court considers appropriate.
- (5) The court may make an order under this section even if proceedings have not yet been brought against the employee for malpractice.

58 False or misleading information

- (1) This section applies to an employee of a corporate entity in the exercise of the powers, and the discharge of the responsibilities, of an employee of the corporate entity.
- (2) An employee of a corporate entity commits an offence if the employee gives information (either orally or in a document) about the corporate entity's affairs, that the employee knows is false or misleading in a material particular, to any of the following persons—
 - (a) another employee of the corporate entity;
 - (b) the corporate entity's shareholder;
 - (c) the corporate entity's local government;
 - (d) a councillor of the corporate entity's local government.

Maximum penalty—

- (a) if the offence was committed with an intent to defraud—500 penalty units or 5 years imprisonment; or
- (b) otherwise—100 penalty units.

-
- (3) However, the employee does not commit an offence in relation to information in a document if, when the employee gives the document to the other person—
- (a) the employee tells the other person that the document is false or misleading, and in what respect the document is false or misleading; and
 - (b) if the employee has, or can reasonably obtain, the correct information—the employee gives the other person the correct information.

Division 4 Other matters relating to corporate entities

58A Application of other Acts to a corporate entity

- (1) A corporate entity is a unit of public administration under the Crime and Misconduct Act.
- (2) A corporate entity is a statutory body under the Statutory Bodies Financial Arrangements Act, and part 2B of that Act explains how that Act affects a corporate entity's powers.
- (3) The provisions of the *Auditor-General Act 2009* that apply to a local government also apply to a corporate entity, with any necessary changes, as if—
 - (a) a reference to a controlled entity were a reference to the corporate entity; and
 - (b) a reference to the appropriate Minister were a reference to the local government.
- (4) The *Judicial Review Act 1991* does not apply to a decision of a corporate entity made in carrying out its—
 - (a) commercial activities; or
 - (b) community service obligations.
- (5) The *Ombudsman Act 2001* does not apply to—

[s 58B]

- (a) the making of a recommendation to the shareholder of a corporate entity; or
- (b) a decision about a corporate entity's commercial policy; or
- (c) a corporate entity for its activities carried on, on a commercial basis, in competition with a person.

58B State taxes

- (1) State taxes are not payable for anything done to corporatise a significant business activity of a local government (including in relation to a legal instrument made, executed, lodged or given, for example).
- (2) A corporate entity is not liable to pay an amount of State taxes for a thing that is more than the amount of State taxes for the thing that a local government would have been liable to pay.
- (3) *State taxes* includes taxes imposed under an Act of another State, so far as the legislative power of Parliament permits.

Part 3 Roads and other infrastructure

Division 1 Roads

59 What this division is about

- (1) This division is about roads.
- (2) A *road* is—
 - (a) an area of land that is dedicated to public use as a road; or
 - (b) an area of land that—

-
- (i) is developed for, or has as 1 of its main uses, the driving or riding of motor vehicles; and
 - (ii) is open to, or used by, the public; or
 - (c) a footpath or bicycle path; or
 - (d) a bridge, culvert, ford, tunnel or viaduct.
- (3) However, a **road** does not include—
- (a) a State-controlled road; or
 - (b) a public thoroughfare easement.

60 Control of roads

- (1) A local government has control of all roads in its local government area.
- (2) This control includes being able to—
 - (a) survey and resurvey roads; and
 - (b) construct, maintain and improve roads; and
 - (c) approve the naming and numbering of private roads; and
 - (d) name and number other roads; and
 - (e) make a local law to regulate the use of roads, including—
 - (i) the movement of traffic on roads, subject to the *Transport Operations (Road Use Management) Act 1995*; and
 - (ii) the parking of vehicles on roads, subject to the *Transport Operations (Road Use Management) Act 1995* (including the maximum time that a vehicle may be parked in a designated rest area that adjoins a road, for example); and
 - (iii) by imposing obligations on the owner of land that adjoins a road (including an obligation to fence the land to prevent animals going on the road, for example); and

[s 61]

- (f) make a local law to regulate the construction, maintenance and use of—
 - (i) public utilities along, in, over or under roads; and
 - (ii) ancillary works and encroachments along, in, over or under roads; and
- (g) realign a road in order to widen the road; and
- (h) acquire land for use as a road.

61 Notice of intention to acquire land to widen a road

- (1) If a local government wants to acquire land in order to widen a road, the local government must give the owner of the land a notice of intention to acquire land.
- (2) A *notice of intention to acquire land* informs the owner in general terms of this section and section 62.
- (3) However, a local government can not, without the consent of the Planning and Environment Court, serve notice of intention to acquire land on an owner of land after the owner has applied to the court—
 - (a) for approval to subdivide the land; or
 - (b) for approval, consent or permission—
 - (i) to erect or use a structure on the land; or
 - (ii) to use the land for any other purpose.
- (4) The court may consent to the notice of intention to acquire land being served only if the court is satisfied that the purpose of the notice is to enable the local government to make, in good faith, a reasonable widening of the road.
- (5) After a local government gives an owner a notice of intention to acquire land, the owner must not erect, place, re-erect, replace or repair any structure, or part of a structure, on the land without the local government's permission.

- (6) The local government must lodge a copy of a notice of intention to acquire land with the registrar of titles for registration on the instrument of title to the land.
- (7) The registrar of titles may register the notice of intention to acquire land even if the instrument of title is not produced.

62 Compensation for a notice of intention to acquire land

- (1) This section applies to a person who is served with a notice of intention to acquire land, if the person would be entitled to claim compensation for the acquisition of land.
- (2) The person is entitled to compensation from the local government for injurious affection to the person's interest in the land because of the notice of intention to acquire land.
- (3) However, the compensation is not payable until—
 - (a) the land is sold for the first time after the notice of intention to acquire land was served; or
 - (b) after being served with the notice of intention to acquire land, the owner of the land offers the land for sale in good faith, but can not sell the land for a fair and reasonable price.
- (4) The compensation must be assessed in accordance with the following principles—
 - (a) the amount of compensation must represent the difference between—
 - (i) the market value of the interest in the land immediately after service of the notice of intention to acquire land; and
 - (ii) what would be the market value of the interest in the land, at that time, if the notice had not been served;
 - (b) any benefit that may accrue, because of the realignment of the road, to land adjacent to the land that is affected

[s 63]

- by the realignment of the road, and in which the claimant has an interest, must be taken into account;
- (c) the amount of compensation must not be increased because the land that is affected by the realignment of the road has, since the service of the notice of intention to acquire land, become or ceased to be separate from other land.
- (5) A claim for compensation must be made—
- (a) within 3 years after the entitlement to compensation arose; and
- (b) to the chief executive officer in the approved form.
- (6) The claim is taken to have been properly made when the claimant has given the local government all the information that the local government reasonably requires to decide the claim.
- (7) If, within 30 days after the claim is made, the local government has not given the claimant written notice of its decision on the claim, the local government is taken to have refused compensation on the 31st day after the claim is made.

63 Appeal on a claim for compensation

- (1) A person who is aggrieved by the decision of a local government on a claim for compensation may appeal against the decision to the Planning and Environment Court.
- (2) The appeal must be started within 30 days after—
- (a) notice of the decision is given to the claimant; or
- (b) the decision is taken to have been made.
- (3) In order to award compensation, the Planning and Environment Court must be satisfied—
- (a) if the land has been sold—
- (i) the seller took reasonable steps to obtain a reasonable price for the land; and

- (ii) the seller sold the land in good faith; and
 - (iii) the sale price is less than the seller might reasonably have expected to receive had there been no notice of intention to acquire land; or
- (b) if a local government refused the owner permission to erect, place, re-erect, replace or repair any structure, or part of a structure, on the land—the permission was applied for in good faith.

64 Acquisition of land instead of compensation

- (1) After a notice of intention to acquire land is served, but before the land is sold, the local government may acquire the land instead of paying compensation for injurious affection.
- (2) If, after a notice of intention to acquire land is served, the land is cleared of all structures—
 - (a) the local government may acquire the land; and
 - (b) if required by the owner of the land, the local government must acquire the land.
- (3) The acquired land must be dedicated for public use as a road within 3 months after its acquisition.
- (4) Compensation for the acquisition of the land, if not agreed between the parties, must be assessed as at the date of the acquisition.

65 What is to happen if a realignment is not carried out

- (1) This section applies if a local government decides not to proceed with the realignment of a road or part of a road after giving a notice of intention to acquire land.
- (2) This section does not apply to a realignment of road that is necessary to comply with the requirements of a local government under a planning scheme in its application to particular developments in the local government area.

[s 66]

- (3) The local government must serve notice of its decision not to proceed on all owners of land who were served with a notice of intention to acquire land in connection with that road or part of that road.
- (4) With regard to any of the notices of intention to acquire land that were lodged with the registrar of titles in connection with that road or part of that road, the local government must—
 - (a) for any notice of intention to acquire land that has not been registered—withdraw the notice of intention to acquire land; and
 - (b) for any notice of intention to acquire land that has been registered—lodge with the registrar of titles for registration a notice of its decision not to proceed with the realignment of the road, or part of the road.
- (5) The notice of the local government’s decision must inform the owners in general terms of this section and section 66.

66 Compensation if realignment not carried out

- (1) This section applies if—
 - (a) a local government decides not to proceed with the realignment of a road or part of a road after giving a notice of intention to acquire land; and
 - (b) the local government has made structural improvements on land that adjoins the road on the basis of the proposed realignment being effected.
- (2) The local government must pay the owner of the land reasonable compensation for the decrease in value of the land because of the decision.
- (3) The amount of compensation is the difference between the value of the land before and after the decision.
- (4) If the local government and the owner fail to agree on the amount of compensation, the amount is to be decided by the Land Court.

-
- (5) The provisions of the *Acquisition of Land Act 1967* about the making, hearing and deciding of claims for compensation for land taken under that Act apply, with any necessary changes and any changes prescribed under a regulation, to claims for compensation under this section.
 - (6) The local government's decision not to proceed with the realignment of a road, or part of a road, does not give rise to an entitlement to compensation to, or a cause of action by, any owner or occupier of land or other person other than under this section.

67 Acquiring land for use as a footpath

- (1) A local government may acquire land that adjoins a road for use as a footpath.
- (2) The acquisition of land may be subject to a reservation, in favour of the owner of the land, of any of the following rights that the local government decides (at or before the acquisition) is appropriate—
 - (a) a right to the ownership, possession, occupation and use of any existing structure, room or cellar—
 - (i) at a specified height above the level of the new footpath; or
 - (ii) at a specified depth below the level of the new footpath;
 - (b) a right—
 - (i) to erect a structure (in accordance with law) at a specified height above the new footpath; and
 - (ii) to the ownership, possession, occupation and use of the structure;
 - (c) a right of support for a structure mentioned in paragraph (a) or (b).
- (3) The right mentioned in subsection (2)(a) is subject to the local government's right to enter, and make structural alterations to,

[s 68]

the structure, room or cellar that the local government considers necessary.

68 Notice to local government of opening or closing of roads

- (1) This section applies if an application is made under the Land Act for the opening or closing of a road in a local government area by someone other than the local government.
- (2) The Land Act Minister, or the applicant for the application, must give written notice of the application to the local government.
- (3) The *Land Act Minister* is the Minister administering the Land Act.
- (4) The notice must specify a date (no earlier than 1 month or later than 2 months after the local government is given the notice) on or before which the local government may object to the opening or closing of the road.
- (5) An objection must fully state the reasons for the objection.
- (6) The Land Act Minister must have regard to any objections properly made by the local government.
- (7) If the Land Act Minister decides the road should be opened or closed, the Land Act Minister must give written notice to the local government—
 - (a) of the decision; and
 - (b) if the decision is contrary to the local government's objection, the reasons for the decision.

69 Closing roads

- (1) A local government may close a road (permanently or temporarily) to traffic or particular traffic, if there is another road or route reasonably available for use by the traffic.
- (2) Also, the local government may close a road to traffic—
 - (a) during a temporary obstruction to traffic; or

-
- (b) if it is in the interests of public safety; or
 - (c) if it is necessary or desirable to close the road for a temporary purpose (including a fair, for example).
- (3) The local government must publish notice of the closing of the road, in the way that the local government considers appropriate (including on its website, for example).
 - (4) The local government may do everything necessary to stop traffic using the road after it is closed.
 - (5) If a road is closed to traffic for a temporary purpose, the local government may permit the use of any part of the road (including for the erection of any structure, for example) on the conditions the local government considers appropriate.

70 Temporary roads

- (1) This section applies if—
 - (a) a local government wants to remake or repair a road; and
 - (b) it is not reasonably practicable to temporarily close the road to traffic while the road works are conducted.
- (2) The local government may make a temporary road, through land that adjoins the road, to be used while the road is being remade or repaired.
- (3) However, a local government employee or contractor may enter the land only if—
 - (a) the owner or occupier of the land has agreed, in writing that the local government employee or contractor may enter the land; or
 - (b) the local government has given the owner or occupier of the land at least 3 days written notice that states—
 - (i) the nature of the road works that are to be conducted; and
 - (ii) the proposed route of the temporary road; and

[s 71]

- (iii) an approximate period when the temporary road is expected to remain on the land.
- (4) Subsection (3) does not apply if the road works must be urgently conducted, but the local government must give the owner or occupier of the land oral notice of the matters mentioned in subsection (3)(b).
- (5) The owner of the land may give the chief executive officer a written notice that claims compensation for physical damage caused by the local government entering, occupying or using the land under this section.
- (6) Compensation is not payable unless the chief executive officer receives the claim—
 - (a) within 1 year after the occupation or use has ended; or
 - (b) at a later time allowed by the chief executive officer.
- (7) The compensation equals—
 - (a) the amount agreed between the person and local government; or
 - (b) if the person and local government can not agree, the amount that is decided by a court.
- (8) However, the compensation must not be more than the compensation that would have been awarded if the land had been acquired.

71 Road levels

- (1) The owner or occupier of land that adjoins a road may give written notice to the local government requiring it to advise the owner or occupier of the permanent level that is fixed or to be fixed for the road.
- (2) If the local government has not, within 6 months after receiving the notice, given the owner or occupier written advice about the permanent level of the road, the local government is taken to have fixed the apparent level of the

road when the notice was given as the permanent level of the road.

- (3) If—
- (a) after a local government has fixed the permanent level of a road, the local government changes the level of the road; and
 - (b) the owner or occupier of land that adjoins the road is injuriously affected by the change;

the local government must pay the owner or occupier, or their successor in title, compensation.

- (4) The compensation equals—
- (a) the amount that is agreed between the owner or occupier, or their successor in title, and the local government; or
 - (b) if the owner or occupier, or their successor in title, and the local government can not agree—the amount that is decided by the Planning and Environment Court.

72 Assessment of impacts on roads from certain activities

- (1) This section applies if—
- (a) a regulation prescribes an activity for this section; and
 - (b) a local government considers that the conduct of the activity is having, or will have, a significant adverse impact on a road in the local government area; and
 - (c) the activity is not for—
 - (i) a significant project under the *State Development and Public Works Organisation Act 1971*; or
 - (ii) development declared under the local government's planning scheme to be assessable development or development requiring compliance assessment for which the local government is the compliance assessor under the Planning Act; or

[s 73]

- (iii) a road being built under the Land Act, section 110.
- (2) The local government may require the entity that is conducting the activity to provide information, within a reasonable time, that will enable the local government to assess the impact of the activity on the road.
- (3) After assessing the impact of the activity on the road, the local government may decide to do 1 or more of the following—
 - (a) give the entity a direction about the use of the road to lessen the impact;
 - (b) require the entity—
 - (i) to carry out works to lessen the impact; or
 - (ii) to pay an amount as compensation for the impact.
- (4) The local government may require the works to be carried out or the amount to be paid before the impact commences or intensifies.
- (5) The amount of compensation is a debt payable to the local government and may be recovered in a court.
- (6) A regulation for this section—
 - (a) must contain a process under which the local government's decision may be reviewed; and
 - (b) may contain a process for enforcing the decision.

73 Categorisation of roads

A local government must categorise the roads in its local government area according to the surface of the road.

74 Roads map and register

- (1) A local government must prepare and keep up-to-date—
 - (a) a map of every road, including private roads, in its local government area; and
 - (b) a register of the roads that shows—

-
- (i) the category of every road; and
 - (ii) the level of every road that has a fixed level; and
 - (iii) other particulars prescribed under a regulation.
 - (2) The register of roads may also show other particulars that the local government considers appropriate.
 - (3) The public may inspect the map and register at the local government's public office.
 - (4) On application and payment of a reasonable fee fixed under a resolution or local law, a person may obtain—
 - (a) a copy of a map or register of roads; or
 - (b) a certificate signed by an employee of the local government who is authorised for the purpose—
 - (i) about the category, alignment and levels of roads in its area; or
 - (ii) about the fact that the alignment or level of a road in its area has not been fixed.

75 **Unauthorised works on roads**

- (1) This section applies to a road in a local government area.
- (2) A person must not, without lawful excuse (including under another Act, for example), or the written approval of the local government—
 - (a) carry out works on a road; or
 - (b) interfere with a road or its operation.

Maximum penalty—200 penalty units.

- (3) **Works** do not include the maintenance of ancillary works and encroachments, or landscaping, that does not interfere with the road or its operation.
- (4) An approval may be subject to the conditions decided by the local government.

[s 76]

- (5) A person must not contravene a condition that applies to a person under subsection (4).
Maximum penalty—40 penalty units.
- (6) If a person carries out works in contravention of this section, the local government may—
 - (a) dismantle or alter the works; or
 - (b) fix any damage caused by the works.
- (7) If the local government dismantles or alters the works, or fixes any damage caused by the works, the person must pay the local government the reasonable costs incurred by the local government in doing so.

Division 2 Stormwater drains

76 What this division is about

- (1) This division is about stormwater drains and stormwater installations.
- (2) A *stormwater drain* is a drain, channel, pipe, chamber, structure, outfall or other works used to receive, store, transport or treat stormwater.
- (3) A *stormwater installation* for a property—
 - (a) is any roof gutters, downpipes, subsoil drains or stormwater drain for the property; but
 - (b) does not include any part of a local government's stormwater drain.

77 Connecting stormwater installation to stormwater drain

- (1) A local government may, by written notice, require the owner of a property to connect a stormwater installation for the property to the local government's stormwater drain in the

way, under the conditions and within the time stated in the notice.

- (2) The way, condition and time stated in the notice must be reasonable in the circumstances.
- (3) A person must not connect a stormwater installation for a property to a local government's stormwater drain unless—
 - (a) the local government has required the owner of the property to do so by a written notice under subsection (1); or
 - (b) the local government has given its approval for the connection.

Maximum penalty—165 penalty units.

- (4) The local government may impose conditions on its approval for the connection, including conditions about the way the connection must be made.
- (5) If a person connects a stormwater installation under a requirement or approval of the local government, the person must comply with the requirement or approval, unless the owner has a reasonable excuse.

Maximum penalty for subsection (5)—165 penalty units.

78 No connecting sewerage to stormwater drain

- (1) The owner of a property must not connect the sewerage installation for property, or allow the sewerage installation for the property to be connected, to any part of—
 - (a) the stormwater installation for the property; or
 - (b) the stormwater drain of the local government.

Maximum penalty—165 penalty units.

- (2) A *sewerage installation* is any of the following—
 - (a) an on-site sewerage facility within the meaning given in the Plumbing and Drainage Act;

[s 78]

- (b) a sewer for a property or building unit;
- (c) sanitary plumbing i.e. any apparatus, fittings, fixtures or pipes that carry sewage to a sanitary drain;
- (d) sanitary drainage i.e. any apparatus, fittings or pipes for collecting and carrying discharges—
 - (i) from fixtures (that are directly connected to a sanitary drain) to an on-site sewerage facility or a sewerage treatment system; or
 - (ii) from sanitary plumbing to an on-site sewerage facility or a sewerage treatment system.

Examples of apparatus, fittings or pipes for sanitary drainage—

- disconnector gullies
 - bends at the foot of stacks or below ground level
 - pipes above ground level that are installed using drainage principles
 - for an on-site sewerage facility—a pipe (other than a soil or waste pipe) used to carry sewage to or from the facility
- (3) The owner of a property who becomes aware that the sewerage installation for the property is connected to any part of—
- (a) the stormwater installation for the property; or
 - (b) the stormwater drain of the local government;
- must, as soon as reasonably practicable, take all necessary steps to disconnect the facility, drainage or sewer from the stormwater installation or drain.
- Maximum penalty—165 penalty units.
- (4) If the sewerage installation for property is connected to any part of—
- (a) the stormwater installation on the property; or
 - (b) the stormwater drain of the local government;

the local government may, by written notice, require the owner of the property to perform the work stated in the notice, within the time stated in the notice.

 - (b) be at least 1 month after the notice is given to the owner.
- (6) However, the time stated in the notice may be less than 1 month but must not be less than 48 hours if the work stated in the notice—

 - (b) performing other related duties as directed by the department's chief executive.
- (4) The local government must cooperate fully with the advisor.

118 Financial controllers

- (1) This section applies if the information gathered by the department's chief executive shows that the local government—

- (a) refuse to make a payment; and

-
- (b) advise the department's chief executive about why the decision, resolution or order is financially unsound.
- (7) A decision, resolution or order is *financially unsound* if the decision, resolution or order—
- (a) may cause the local government to become insolvent; or
 - (b) will result in unlawful expenditure by the local government; or
 - (c) will result in a disbursement from a fund that is not provided for in the local government's budget; or
 - (d) will result in expenditure from grant moneys for a purpose other than the purpose for which the grant was given.

- (2) The direction may state a time for payment.
- (3) The stated amount is a debt payable to the State.

Division 3 Action by the Minister

120 Precondition to remedial action

- (1) This section applies if the Minister proposes to exercise a power under this division.

[s 120]

- (2) The Minister must give the local government or councillor in question a written notice of the proposal to exercise the power, before the power is exercised, unless—
 - (a) the local government or councillor asked the Minister to exercise the power; or
 - (b) if the Minister proposes to exercise a power under section 122 or 123—the tribunal has made a recommendation under section 180 to suspend or dismiss a councillor; or
 - (c) the Minister considers that giving notice—
 - (i) is likely to defeat the purpose of the exercise of the power; or
 - (ii) would serve no useful purpose.
- (3) The notice must state—
 - (a) the power that the Minister proposes to exercise; and
 - (b) the reasons for exercising the power; and
 - (c) any remedial action that the local government or councillor should take; and
 - (d) a reasonable time within which the local government or councillor may make submissions to the Minister about the proposal to exercise the power.
- (4) The reasons stated in the notice are the only reasons that can be relied on in support of the exercise of the power.
- (5) The Minister must have regard to all submissions that are made by the local government or councillor within the time specified in the notice.
- (6) If—
 - (a) the Minister receives no submissions from the local government or councillor within the time specified in the notice; or

- (b) the submissions from the local government or councillor do not contain reasonable grounds to persuade the Minister not to exercise the power;

the Minister may exercise the power without further notice to the local government or councillor.

121 Removing unsound decisions

- (1) This section applies if the Minister reasonably believes that a decision of the local government is contrary to any law or inconsistent with the local government principles.
- (2) A *decision* is—

- (3) The Minister, by a gazette notice, may—
 - (a) suspend the decision, for a specified period or indefinitely; or
 - (b) revoke the decision.
- (4) The gazette notice must state—
 - (a) how the decision is contrary to a law or inconsistent with the local government principles; and
 - (b) if the decision has been suspended—how the decision may be amended so that it is no longer contrary to the law or inconsistent with the local government principles.
- (5) If the Minister suspends the decision, the decision stops having effect for the period specified in the gazette notice.
- (6) If the Minister revokes the decision—

[s 122]

- (a) the decision stops having effect on the day specified in the gazette notice; or
 - (b) if no day is specified in the gazette notice—the decision is taken to never have had effect.
- (7) The State is not liable for any loss or expense incurred by a person because a local government’s decision is suspended or revoked under this section.

122 Removing a councillor

 - (c) if the proposal in the Minister’s notice under section 120 was to dismiss the councillor—suspend or dismiss the councillor.
- (3) The Governor in Council may give effect to the Minister’s recommendation under a regulation.

123 Dissolving a local government

- (1) This section applies if—
 - (a) the tribunal recommends under section 180 that every councillor be suspended or dismissed; or
 - (b) the Minister reasonably believes that a local government has seriously or continuously breached the local government principles; or
 - (c) the Minister reasonably believes that a local government is incapable of performing its responsibilities.
- (2) The Minister may recommend that the Governor in Council—
 - (a) dissolve the local government; and
 - (b) appoint an interim administrator to act in place of the councillors until the conclusion of a fresh election of councillors.
- (3) The Governor in Council may give effect to the Minister's recommendation under a regulation.
- (4) The regulation has effect in accordance with the requirements of the *Constitution of Queensland 2001*, chapter 7, part 2.
- (5) It is Parliament's intention that a fresh election of the councillors of the local government should be held as soon as practicable after the Legislative Assembly ratifies the dissolution of the local government.

124 Interim administrator acts for the councillors temporarily

- (1) This section applies if an interim administrator is appointed to act in place of the councillors of a local government.
- (2) The interim administrator has all the responsibilities and powers of—
 - (a) the local government; and
 - (b) the mayor.

[s 124]

- (3) However, a regulation may limit the responsibilities and powers of the interim administrator.
- (4) The interim administrator must exercise power under the name of 'interim administrator of the (name of the local government)'.
- (5) This Act and other Acts apply to the interim administrator, with all necessary changes, and any changes prescribed under a regulation, as if the interim administrator were the local government.
- (6) The Governor in Council may direct a local government for which an interim administrator is appointed to pay to the Minister an amount specified in the direction for the costs and expenses of the interim administrator.
- (7) The specified amount may include the salary and allowances payable to an officer of the public service who is appointed as interim administrator.
- (8) The direction may specify a time for payment.
- (9) The specified amount is a debt payable to the State.
- (10) The Minister may create an advisory committee to give the interim administrator advice about the performance of the local government's responsibilities.

Part 2 The public

Division 1 Powers of authorised persons

Subdivision 1 Introduction

125 What this division is about

- (1) This division is about the powers that may be used by an authorised person.
- (2) An **authorised person** is a person who is appointed under this Act to ensure that members of the public comply with the Local Government Acts.

Note—

See chapter 6, part 6 for more information about the appointment of authorised persons.

- (3) The powers of an authorised person include the power, in certain circumstances—
 - (a) to ask a person for their name and address; and
 - (b) to enter a property, including private property.
- (4) **Private property** is a property that is not a public place.
- (5) A **public place** is a place, or that part of a place, that—
 - (a) is open to the public; or
 - (b) is used by the public; or
 - (c) the public is entitled to use;whether or not on payment of money.

Example—

A person uses a room at the front of their home as a business office. While the business office is open to the public it is a public place. However, the home is private property and not part of the public place.

[s 126]

- (6) An *occupier* of a property includes a person who reasonably appears to be the occupier of, or in charge of, the property.
- (7) Force must not be used to enter a property under this division, other than when the property is entered under a warrant that authorises that use of force.

126 Producing authorised person's identity card

- (1) An authorised person may exercise a power under this division, in relation to a person, only if the authorised person—
 - (a) first produces his or her identity card for the person to inspect; or
 - (b) has his or her identity card displayed so it is clearly visible to the person.
- (2) However, if for any reason it is not practicable to comply with subsection (1), the authorised person must produce the identity card for the person's inspection at the first reasonable opportunity.

Subdivision 2 Power to require a person's name and address

127 Power to require a person's name and address

- (1) This section applies if an authorised person—
 - (a) finds a person committing an infringement notice offence; or
 - (b) finds a person in circumstances that lead the authorised person to suspect, on reasonable grounds, that the person has just committed an infringement notice offence; or

-
- (c) has information that leads the authorised person to suspect, on reasonable grounds, that a person has just committed an infringement notice offence.
- (2) An *infringement notice offence* is an offence prescribed under the *State Penalties Enforcement Act 1999* to be an infringement notice offence.
- (3) The authorised person may require the person to state the person's name and address.
- (4) If the authorised person does so, the authorised person must also warn the person that it is an offence to fail to state the person's name and address, unless the person has a reasonable excuse.
- (5) The authorised person may require the person to give evidence of the person's name or address if the authorised person suspects, on reasonable grounds, that the person has given a false name or address.
- (6) The person must comply with an authorised person's requirement under subsection (3) or (5), unless the person has a reasonable excuse.
- Maximum penalty—35 penalty units.
- (7) However, the person does not commit an offence under subsection (6), if the person is not proved to have committed the infringement notice offence.

Subdivision 3 Powers to enter property etc.

128 Entering a public place that is open without the need for permission

- (1) This section applies if an authorised person wants to enter a public place to ensure that the public place complies with the Local Government Acts.

[s 129]

- (2) The authorised person may enter the public place, without the permission of the occupier of the place, if the place is not closed to the public (by a locked gate, for example).

129 Entering private property with, and in accordance with, the occupier's permission

- (1) An authorised person may enter private property, that is not closed to entry by the public (by a locked gate, for example), in order to ask the occupier of the property for permission to stay on the property and exercise powers under a Local Government Act.
- (2) When asking the occupier for permission, the authorised person must inform the occupier—
 - (a) of the purpose of entering the property; and
 - (b) that any thing or information that the authorised person finds on the property may be used as evidence in court; and
 - (c) that the occupier is not obliged to give permission.
- (3) If the occupier gives permission, the authorised person may ask the occupier to sign a document that confirms that the occupier has given permission.
- (4) The document must state—
 - (a) that the authorised person informed the occupier—
 - (i) of the purpose of entering the property; and
 - (ii) that any thing or information that the authorised person finds on the property may be used as evidence in court; and
 - (iii) that the occupier was not obliged to give the permission; and
 - (b) that the occupier gave the authorised person permission to enter the property and exercise powers under a Local Government Act; and

-
- (c) the date and time when the occupier gave the permission.
 - (5) If the occupier signs the document, the authorised person must immediately give a copy of the document to the occupier.
 - (6) If, in any proceedings—
 - (a) a question arises as to whether the occupier of a property gave permission to allow an authorised person to stay on the property under this Act; and
 - (b) a document that confirms the occupier gave permission is not produced in evidence;the court may assume that the occupier did not give the permission, unless the contrary is proved.
 - (7) If the occupier gives permission, the authorised person may stay on the property and exercise the powers that the occupier has agreed to be exercised on the property.
 - (8) However, the right to stay on the property—
 - (a) is subject to any conditions that the occupier imposes (including about the times when the property may be entered, for example); and
 - (b) may be cancelled by the occupier at any time.

130 Entering private property with, and in accordance with, a warrant

- (1) An authorised person may enter private property with, and in accordance with, a warrant.
- (2) An authorised person must apply to a magistrate for a warrant.
- (3) The application for the warrant must—
 - (a) be in the form approved by the department's chief executive; and
 - (b) be sworn; and

[s 130]

- (c) state the grounds on which the warrant is sought.
- (4) The magistrate may refuse to consider the application until the authorised person gives the magistrate all the information that the magistrate requires about the application, in the way that the magistrate requires.

Example—

The magistrate may require additional information in support of the application to be given by statutory declaration.

- (5) The magistrate may issue the warrant only if the magistrate is satisfied that there are reasonable grounds for suspecting—
 - (a) there is a particular thing or activity that may provide evidence of an offence against a Local Government Act (the *evidence*); and
 - (b) the evidence is at the place, or may be at the place within the next 7 days.
- (6) The warrant must state—
 - (a) the evidence for which the warrant is issued; and
 - (b) that the authorised person may, with necessary and reasonable help and force, enter the property and exercise an authorised person’s powers under this Act; and
 - (c) the hours of the day or night when the property may be entered; and
 - (d) the day (within 14 days after the warrant’s issue) when the warrant ends.
- (7) The magistrate must keep a record of the reasons for issuing the warrant.
- (8) A warrant is not invalidated by a defect in the warrant, or in compliance with section 131, unless the defect affects the substance of the warrant in a material particular.
- (9) As soon as an authorised person enters private property under a warrant, the authorised person must do, or make a reasonable attempt to do, the following things—

-
- (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the warrant authorises the authorised person to enter the property without the permission of the occupier;
 - (b) give any occupier a reasonable opportunity to allow the authorised person to immediately enter the property without using force.
- (10) However, the authorised person does not need to comply with subsection (9) if the authorised person believes that immediate entry to the property is required to ensure the warrant is effectively executed.

131 Warrants—applications made electronically

- (1) An authorised person may make an electronic application for a warrant if the authorised person considers it necessary because of—
 - (a) urgent circumstances; or
 - (b) special circumstances (including the authorised person’s remote location, for example).
- (2) An *electronic application* is an application made by phone, fax, radio, email, videoconferencing or another form of electronic communication.
- (3) The authorised person must prepare an application for the warrant that states the grounds on which the warrant is sought, before applying for the warrant.
- (4) However, the authorised person may apply for the warrant before the application is sworn.
- (5) The magistrate may issue the warrant only if the magistrate is satisfied that—
 - (a) it was necessary to make the application electronically; and

[s 131]

- (b) the way that the application was made was appropriate in the circumstances.
- (6) If the magistrate issues the warrant, and it is reasonably practicable to send a copy of the warrant to the authorised person (by fax or email, for example), the magistrate must immediately do so.
- (7) If it is not reasonably practicable to send a copy of the warrant to the authorised person—
 - (a) the magistrate must—
 - (i) inform the authorised person of the date and time when the magistrate signed the warrant; and
 - (ii) inform the authorised person of the terms of the warrant; and
 - (b) the authorised person must write on a warrant form—
 - (i) the magistrate’s name; and
 - (ii) the date and time when the magistrate signed the warrant; and
 - (iii) the terms of the warrant.
- (8) The copy of the warrant sent to the authorised person, or the warrant form properly completed by the authorised person, authorises the authorised person to enter the property, and to exercise the powers, mentioned in the warrant that was signed by the magistrate.
- (9) The authorised person must, at the first reasonable opportunity, send the magistrate—
 - (a) the sworn application; and
 - (b) if the authorised person completed a warrant form—the completed warrant form.
- (10) When the magistrate receives those documents, the magistrate must attach them to the warrant that was signed by the magistrate, and give the warrant to the clerk of the court.

-
- (11) Unless the contrary is proven, a court must presume that a power exercised by an authorised person was not authorised by a warrant issued under this section if—
- (a) a question arises, in any proceedings before the court, whether the exercise of power was authorised by a warrant; and
 - (b) the warrant is not produced in evidence.

132 Entering under an application, permit or notice

- (1) This section applies if an authorised person wants to enter a property—
- (a) to inspect the property in order to process an application made under any Local Government Act; or
 - (b) to inspect a record that is required to be kept for a budget accommodation building under the Building Act, chapter 7; or
 - (c) to find out whether the conditions on which a permit or notice was issued have been complied with; or
 - (d) to inspect work that was carried out under a permit or notice.
- (2) A *permit* is an approval, authorisation, consent, licence, permission, registration or other authority issued under any Local Government Act.
- (3) A *notice* is a notice issued under any Local Government Act.
- (4) The authorised person may enter the property without the permission of the occupier of the property—
- (a) at any reasonable time during the day; or
 - (b) at night, if—
 - (i) the occupier of the property asks the authorised person to enter the property at that time; or
 - (ii) the conditions of the permit allow the authorised person to enter the property at that time; or

- (iii) the property is a public place and is not closed to the public.
- (5) However, the authorised person—
- (a) must, as soon as the authorised person enters the property, inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the authorised person is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) may enter a home that is on the property only if the occupier of the relevant part of the property accompanies the authorised person.

133 Entering property under an approved inspection program

- (1) An authorised person may enter a property (other than a home on the property) without the permission of the occupier of the property, at any reasonable time of the day or night, under an approved inspection program.
- (2) An ***approved inspection program*** is a program, approved by a local government, under which an authorised person may enter and inspect properties in the local government area to ensure the Local Government Acts are being complied with.

Example of an approved inspection program—

a program to ensure that swimming pools are fenced in accordance with a local law

- (3) The local government must give, or must make a reasonable attempt to give, the occupier of the property a written notice that informs the occupier of the following—
 - (a) the local government's intention to enter the property;
 - (b) the reason for entering the property;
 - (c) an estimation of when the property will be entered.

Example—

A local government may give the written notice to an occupier of a property by dropping a flyer in the letterbox for the property.

- (4) The local government must give, or make a reasonable attempt to give, the written notice to the occupier within a reasonable time before the property is to be entered.
- (5) The authorised person—
 - (a) must, as soon as the authorised person enters the property, inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the authorised person is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) may enter a budget accommodation building on the property only to monitor compliance with the Building Act, chapter 7.

134 Approving an inspection program

- (1) A local government may, by resolution, approve the following types of inspection programs—
 - (a) a systematic inspection program;
 - (b) a selective inspection program.
- (2) A ***systematic inspection program*** allows an authorised person to enter and inspect all properties, or all properties of a certain type, in the local government area.
- (3) A ***selective inspection program*** allows an authorised person to enter and inspect those properties in the local government area that have been selected in accordance with objective criteria specified in the resolution.
- (4) The resolution must state—
 - (a) the purpose of the program; and
 - (b) when the program starts; and

[s 134]

- (c) for a systematic inspection program that allows a type of property to be entered and inspected—a description of the type of property; and
 - (d) for a selective inspection program—the objective criteria for selecting the properties to be entered and inspected; and
 - (e) the period (of not more than 3 months or another period prescribed under a regulation) over which the program is to be carried out.
- (5) The local government must give the public notice of the approval of an inspection program, at least 14 days, but not more than 28 days, before the approved inspection program starts.
- (6) The notice must be published—
- (a) in a newspaper that is circulating generally in the local government area; and
 - (b) on the local government’s website.
- (7) The notice must state the following—
- (a) the name of the local government;
 - (b) the purpose and scope of the program, in general terms;
 - (c) when the program starts;
 - (d) the period over which the program is to be carried out;
 - (e) that the public may inspect a copy of the resolution that approved the program at the local government’s public office until the end of the program;
 - (f) that a copy of the resolution that approved the program may be purchased at the local government’s public office until the end of the program;
 - (g) the price of a copy of the resolution that approved the program.

-
- (8) The price of a copy of the resolution that approved the program must be no more than the cost to the local government of making the copy available for purchase.
 - (9) From the time when the notice is published in the newspaper until the end of the program—
 - (a) the public may inspect a copy of the resolution that approved the program at the local government’s public office; and
 - (b) copies of the resolution that approved the program must be available for purchase at the local government’s public office at the price stated in the notice.

134A Entry by authorised person, at reasonable times, to inspect regulated pools

- (1) At all reasonable times, an authorised person may enter a property (other than a home on the property) without permission of the occupier of the property to inspect a regulated pool, and barriers or fencing for the pool, for compliance with—
 - (a) if, under the Building Act, the owner of the pool must ensure the pool complies with the pool safety standard or a part of the standard—the pool safety standard or part; or
 - (b) if paragraph (a) does not apply—a provision of a law that regulates—
 - (i) the construction or maintenance of barriers or fencing for the pool; or
 - (ii) another matter relating to the safety of persons using the pool.
- (2) However, the authorised person must, as soon as the authorised person enters the property—
 - (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and

[s 135]

- (ii) that the authorised person is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.
- (3) In this section—
pool safety standard see the Building Act, section 231D.

135 General powers after entering a property

- (1) This section explains the powers that an authorised person has after entering a property, other than entering a property—
 - (a) to ask the occupier of the property for permission to stay on the property; or
 - (b) under section 132, 133 or 134A.
- (2) The authorised person may—
 - (a) search any part of the property; or
 - (b) inspect, test, photograph or film anything that is in or on the property; or
 - (c) copy a document that is in or on the property; or
 - (d) take samples of or from anything that is in or on the property; or
 - (e) take into or onto the property any persons, equipment and materials that the authorised person reasonably requires for exercising the authorised person's powers; or
 - (f) require the occupier of the property, or a person in or on the property, to give the authorised person reasonable help to exercise the authorised person's powers under paragraphs (a) to (e).
- (3) An authorised person may exercise a power under subsection (2) only if exercising the power is necessary for the purpose related to the entry of the property.

-
- (4) If a person is required to give reasonable help under subsection (2)(f), the person must comply with the requirement, unless the person has a reasonable excuse.

Maximum penalty—8 penalty units.

- (5) If the requirement is to be complied with by the person giving information or producing a document, it is a reasonable excuse for the person to fail to comply with the requirement if complying with the requirement might incriminate the person.

136 Authorised person to give notice of damage

- (1) This section applies if—
- (a) something is damaged by—
 - (i) an authorised person, when the authorised person exercises a power under this division; or
 - (ii) a person who is authorised by an authorised person to take action under this division, when the person takes the action; or
 - (b) the authorised person considers, on reasonable grounds, that the damage is more than trivial damage.
- (2) The authorised person must immediately give written notice of the particulars of the damage to the person who appears to be the owner of the thing that was damaged.
- (3) However, if for any reason it is not practicable to do so, the authorised person must leave the notice, in a reasonably secure way and in a conspicuous position, at the place where the thing was damaged.
- (4) The *owner* of a thing includes a person in possession or control of the thing.
- (5) If the authorised person believes the damage was caused by a latent defect in the thing, or other circumstances beyond the authorised person's control, the authorised person may state that in the notice.

[s 137]

137 Compensation for damage or loss caused after entry

- (1) If a person incurs damage or loss because of the exercise, or purported exercise, of a power under this division, the local government must pay the person compensation.
- (2) The compensation equals—
 - (a) the amount agreed between the person and local government; or
 - (b) if the person and local government can not agree, the amount that is decided by a court.
- (3) The person may claim the compensation in—
 - (a) any proceedings for compensation; or
 - (b) any proceedings brought against the person for an offence against any Local Government Act.
- (4) A court may order compensation to be paid only if the court is satisfied it is just to do so in all the circumstances.
- (5) A regulation may prescribe matters that may, or must, be taken into account by the court when considering whether it is just to make the order.
- (6) The court may make any order about costs that the court considers just.

Division 2 Powers of other persons

138 What this division is about

- (1) This division is about the powers that may be used—
 - (a) to enable a local government to perform its responsibilities; or
 - (b) to ensure that a person complies with this Act, and the other Local Government Acts, including by complying with a remedial notice.
- (2) A *remedial notice* is a notice—

-
- (a) that a local government gives to the owner of a property within the local government area; and
 - (b) that requires action to be taken in relation to the property under a Local Government Act (including fencing a pool, for example).
- (3) This division explains the circumstances in which a person is authorised to enter a property under this division, namely—
- (a) in a potentially dangerous situation, to take urgent action; or
 - (b) to take action in relation to local government facilities on the property (including water or sewerage pipes, for example); or
 - (c) with (and in accordance with) the permission of the occupier of the property; or
 - (d) with (and in accordance with) a court order; or
 - (e) with (and in accordance with) reasonable written notice.
- (4) **Reasonable written notice** is a written notice, given at least 7 days before a property is to be entered, that informs the owner and the occupier of the property of—
- (a) the local government’s intention to enter the property; and
 - (b) the reason for entering the property; and
 - (c) the days and times when the property is to be entered.
- (5) The following persons may enter a property under this division—
- (a) if the occupier of the property is not the owner of the property—the owner or the owner’s employee;
 - (b) a local government worker.
- (6) A **local government worker** is an employee, or agent, of the local government who is authorised by the local government to act under this division.

[s 138A]

- (7) However, the local government may authorise an employee or agent to act under this division only if the employee or agent is appropriately qualified or trained to exercise a power or perform a responsibility under this division.

138A Identity card for local government workers

- (1) A local government must give each local government worker an identity card.
- (2) This section does not stop a single identity card being issued to a person for this Act and for another purpose.
- (3) A person who stops being a local government worker must return the person's identity card to the local government within 21 days after stopping being a local government worker, unless the person has a reasonable excuse.

Maximum penalty for subsection (3)—10 penalty units.

139 Entry with, and in accordance with, permission of occupier

- (1) Any person may enter a property with the permission of the occupier of the property.
- (2) However, the right to enter the property—
 - (a) is subject to any conditions that the occupier imposes (including about the times when the property may be entered, for example); and
 - (b) may be cancelled by the occupier at any time.

140 Entry by an owner, with reasonable written notice, under a remedial notice

- (1) This section applies if—
 - (a) a local government gives a remedial notice to the owner of a property; and
 - (b) the owner is not the occupier of the property.

-
- (2) After the owner gives reasonable written notice to the occupier of the property, the owner or the owner's employee may—
 - (a) enter the property at any reasonable time; and
 - (b) take the action that is required under the remedial notice.
 - (3) If the occupier asks to inspect the remedial notice, the owner must allow the occupier to inspect the remedial notice.
 - (4) If the occupier refuses to allow the owner to enter the property and the owner informs the local government of that, the owner is not liable for failing to comply with the remedial notice.
 - (5) This section does not affect any rights that the owner has apart from this section.

141 Occupier may discharge owner's obligations

- (1) This section applies if—
 - (a) the owner of a property fails—
 - (i) to take the action in relation to the property that is required under a remedial notice; or
 - (ii) to pay money that is payable in relation to the property under a Local Government Act (including rates, for example); and
 - (b) the occupier of the property is not the owner of the property.
- (2) The occupier of the property may—
 - (a) take the action that is required, and recover the amount that the occupier properly and reasonably incurs in taking the action as a debt payable by the owner; or
 - (b) pay the money that is payable, and recover the money as a debt payable by the owner.
- (3) For example, if the occupier is the owner's tenant, the occupier may deduct the money from any rent that the

[s 142]

occupier owes the owner, without being in breach of the tenancy agreement.

142 Entry by a local government worker, with reasonable written notice, under a remedial notice

- (1) This section applies if—
 - (a) a local government gives a remedial notice to the owner of a property; and
 - (b) both the owner and the occupier of the property fail to take the action required under the remedial notice.
- (2) After giving reasonable written notice to the owner and the occupier of the property, a local government worker may—
 - (a) enter the property (other than a home on the property) without the permission of the occupier; and
 - (b) take the action that is required under the remedial notice.
- (3) However, the local government worker must, as soon as the local government worker enters the property—
 - (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.
- (4) The local government may recover the amount that the local government properly and reasonably incurs in taking the action as a debt payable by the person who failed to take the action.
- (5) If both the owner and the occupier failed to take the action, the owner and the occupier are jointly and severally liable for the debt.

- (6) The local government must give the person who failed to take the action written notice of the amount of the debt.
- (7) If the debt is not paid within 30 days after the date of the written notice, the local government may recover the debt as if the debt were overdue rates.
- (8) Interest is payable on the debt at the same rate that interest is payable on overdue rates levied by the local government.

143 Entry by a local government worker, with reasonable written notice, to take materials

- (1) This section applies if, in the circumstances, a local government has no other reasonably practicable way of obtaining materials other than by removing the materials from relevant land.
- (2) **Relevant land** means land, other than protected land, that is—
 - (a) within the local government area; or
 - (b) if the local government has the written approval of the Minister, under section 9(4)(b)(i), to exercise its powers outside its local government area—outside its local government area; or
 - (c) if the local government may exercise a power in another local government’s area for the purpose of a joint government activity—within the other local government’s area.
- (3) **Protected land** is land that is—
 - (a) the site of, or curtilage around, a home or other structure; or
 - (b) a court, lawn, park, planted walk or avenue or yard; or
 - (c) under cultivation (including a garden, nursery or plantation, for example); or
 - (d) a state forest or timber reserve under the Forestry Act; or

[s 143]

- (e) a protected area under the *Nature Conservation Act 1992*; or
 - (f) the wet tropics area under the *Wet Tropics World Heritage Protection and Management Act 1993*.
- (4) After giving reasonable written notice to the owner and the occupier of the rateable land, a local government worker may—
- (a) enter the land without the permission of the occupier of the land; and
 - (b) search for materials that the local government requires to perform its responsibilities; and
 - (c) remove the materials from the land.

Example—

A local government may remove dirt from the land for use in mopping up an oil spill on a neighbouring road to prevent the oil entering a stormwater drain.

- (5) However, the local government worker must, as soon as the local government worker enters the property—
- (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.
- (6) The local government worker must not search for, or remove materials from, within 50m of any structure or works on the land (including a home, bridge, dam or wharf, for example).

144 Entry by a local government worker, at reasonable times, to repair etc. facilities

- (1) At all reasonable times, a local government worker may enter a property (other than a home on the property) without the permission of the occupier of the property—
 - (a) to investigate the future installation of local government facilities on, over or under the property; or
 - (b) to install local government facilities on, over or under the property; or
 - (c) to inspect, maintain, operate, repair, replace or remove local government facilities, that are on, over or under the property, for their routine operations.
- (2) *Local government facilities* are facilities that are installed by a local government (including sewerage pipes, for example).
- (3) However, the local government worker must, as soon as the local government worker enters the property—
 - (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.

145 Entry by a local government worker, at any time, for urgent action

- (1) A local government worker may enter a property (other than a home on the property), at any time without the permission of the occupier of the property, in a potentially dangerous situation to take urgent action for local government purposes.

[s 146]

Example—

A local government worker may enter a property to cut down a tree that was blown over in a storm and is in danger of falling and injuring someone or damaging property.

- (2) However, the local government worker must, as soon as reasonably practicable after the local government worker enters the property—
 - (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the local government worker is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.

146 Entry with, and in accordance with, a court order

- (1) A person may enter a property with, and in accordance with, a court order made under this section.
- (2) The person must apply to a magistrate for the court order.
- (3) The application must—
 - (a) be in the form approved by the department’s chief executive; and
 - (b) be sworn; and
 - (c) state the grounds on which the court order is sought.
- (4) The person must, as soon as practicable, give a copy of the application to—
 - (a) if the person is not the owner of the property—the owner of the property; and
 - (b) the occupier of the property.
- (5) The magistrate may refuse to consider the application until the person gives the magistrate all the information that the

magistrate requires about the application in the way that the magistrate requires.

Example—

The magistrate may require additional information supporting the application to be given by statutory declaration.

- (6) If the magistrate is satisfied that entry to the property is necessary to allow the person to take action under any of the Local Government Acts, the magistrate may make the court order.
- (7) The court order must—
 - (a) direct the occupier of the property to allow the person to enter the property and take all action that is necessary under any Local Government Act; and
 - (b) state the hours of the day or night when the property may be entered; and
 - (c) state the day (within 14 days after the court order is made) when the court order ends.
- (8) If the person who applied for the court order is a local government worker, the court order may authorise the local government worker to use necessary and reasonable help and force to enter the property.
- (9) The magistrate must record the reasons for making the court order.
- (10) As soon as the person enters the property under the court order, the person must do, or make a reasonable attempt to do, the following things—
 - (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the person is authorised under the court order to enter the property without the permission of the occupier;
 - (b) if the court order authorises the person to use force to enter the property—give the occupier a reasonable

[s 147]

opportunity to allow the person to immediately enter the property without using force.

147 Compensation for damage or loss caused

- (1) A local government worker who enters a property—
 - (a) must not cause, or contribute to, damage to any structure or works on the property; and
 - (b) must take all reasonable steps to ensure that the worker causes as little inconvenience, and does as little other damage, as is practicable in the circumstances.
- (2) If a person incurs damage or loss because of the exercise, or purported exercise, of a power under this division (including the loss of the value of materials removed from a property, or the reduction in the value of the property, for example), the local government must pay the person compensation.
- (3) The compensation equals—
 - (a) the amount agreed between the person and local government; or
 - (b) if the person and local government can not agree, the amount that is decided by a court.
- (4) The court may make any order about costs that the court considers just.

148 Limitation of time in absence of notice of work done

- (1) This section applies if work is done on a property without an approval that is required under a Local Government Act.
- (2) For the purposes of any limitation of time for taking any proceedings or doing anything else about the work, the work is taken to have been done when a local government worker first finds out about the work.

161 What this division is about

- (1) This division is about when a councillor’s office becomes vacant, and the way in which the vacancy is to be filled.
- (2) The way in which a vacancy is to be filled depends on—
 - (a) whether the vacancy is in the office of the mayor or of another councillor; and
 - (b) if the vacancy is in the office of another councillor—whether the office becomes vacant during the beginning, middle or end of the local government’s term.
- (3) The ***beginning*** of the local government’s term is the period of 12 months that—
 - (a) starts on the day when the last quadrennial elections were held; and

[s 162]

- (3) The local government must fill the vacant office within 2 months after the office becomes vacant.
- (4) If the local government does not do so, the Governor in Council may appoint a qualified person to fill the vacant office.

 - (c) the offices of both the mayor and deputy mayor are vacant;
- the local government may, by resolution, appoint an acting mayor from its councillors.
- (3) A local government may, by resolution, declare that the office of deputy mayor is vacant.
- (4) The resolution may be passed only if written notice of the resolution has been given to the councillors at least 14 days before the meeting.
- (5) If a local government declares that the office of deputy mayor is vacant, it must immediately appoint another deputy mayor from its councillors.

166 Filling a vacancy in the office of another councillor

- (1) This section applies if the local government is to fill a vacant office of a councillor (the *former councillor*) who is not the mayor.

-
- (4) If the office becomes vacant during the middle of the local government's term, the vacant office must be filled by a by-election.

- (1) The chief executive officer of a local government is the returning officer for every election of a councillor of the local government.
- (2) This section is subject to section 273.

273 Appointment of returning officer in place of the chief executive officer

- (1) If the chief executive officer considers on reasonable grounds that it is appropriate to appoint another individual as returning officer for an election, the chief executive officer may make the appointment in the approved form.
- (2) An individual who is not a current employee of the local government can not be appointed as returning officer for an election unless the chief executive officer—
 - (a) has to the extent practicable, by public notice in a newspaper circulating generally in the local government area and in any other newspaper the chief executive officer considers appropriate, invited expressions of interest from individuals who are suitably qualified to conduct elections; and
 - (b) if the chief executive officer considers it appropriate—has invited submissions for appointment as returning officer from any individual the chief executive officer considers may be suitably qualified to conduct elections; and
 - (c) has taken into account—
 - (i) the individual's qualifications to be a returning officer; and
 - (ii) information supplied by the individual and any referees; and

-
- (iii) the cost of the individual providing the services required.
- (3) Subsections (4) to (6) apply if a returning officer appointed by the chief executive officer is, for any reason, unable to perform the duties of the returning officer.
- (4) If possible, the returning officer must immediately inform the chief executive officer.
- (5) The chief executive officer may become the returning officer or appoint another individual to be the returning officer for the election.

- (8) The Minister may appoint another individual as returning officer for the election.

274 Returning officer's duty for by-election

As soon as practicable after fixing the day for holding a by-election, the returning officer must—

- (a) publish, in a newspaper circulating generally in the local government area and in the other ways that the officer may consider appropriate, notice of—
- (i) the day fixed; and
 - (ii) the cut off day for the voters roll for the by-election; and
- (b) take the steps required by this Act for holding the by-election.

Part 3 **Voters roll**

275 **Returning officer must compile voters roll**

The returning officer for a local government election must compile the roll of persons entitled to vote at the election (the *voters roll*).

276 **Qualification for enrolment on voters roll**

A person is entitled to vote at a local government election if the person is an elector under the *Electoral Act 1992* for an electoral district, or a part of an electoral district, included—

- (a) for an election for the whole of the local government's area—in the area; or
- (b) for an election for a division of the local government's area—in the division.

277 **Cut off day for voters roll**

A voters roll must be compiled to 1 of the following dates—

- (a) for a quadrennial election—31 January in the year of the election;

 - (b) for an election for a division of the local government's area—in the division.

-

279 Requirements of voters roll

- (1) A voters roll for an election must—
- (a) show the names of all persons entitled to vote at the election; and
 - (b) be in the form of the electoral roll used for elections of the Legislative Assembly.

 - (b) if another amount is prescribed by regulation—the amount.
- (2) The deposit must be held in the trust fund of the local government until it is refunded, or becomes the property of the local government, under this part.

305 Special grounds for deciding a person is not properly nominated

- (1) In this section—

nomination name means the name proposed by a candidate to be used on the ballot paper as the candidate's name under section 325(3).

parliamentary party means an organisation—

- (a) whose object or activity, or 1 of whose objects or activities, is the promotion of the election to an

Australian parliament of a candidate or candidates endorsed by it or by a body or organisation of which it forms a part; and

- (i) an Australian parliament; or
- (ii) an office of councillor of a local government.

public body name means the name, or an abbreviation or acronym of the name, of a prominent public body.

- (2) The returning officer may decide that a person whose name has been changed is not properly nominated because the nomination name—
- (a) is a party name; or
- (b) so nearly resembles a party name that it is likely to be confused with or mistaken for the party name; or
- (c) includes the word ‘independent’; or
- (d) is a public body name; or
- (e) so nearly resembles a public body name that it is likely to be confused with or mistaken for the public body name; or
- (f) is obscene or offensive.
- (3) The returning officer may also decide that a person whose name has been changed is not properly nominated if the returning officer considers the name could cause confusion.

Example of subsection (3)—

If a person's name is 'Informal', the returning officer may consider that the name could cause confusion to electors.

- (4) If the returning officer decides a person is not properly nominated under this section for an election, the returning officer must give the person a notice stating—
 - (a) the decision; and
 - (b) the reasons for the decision; and
 - (c) the person's right to apply for an injunction.

 - (b) if the system of voting at the election is optional-preferential voting—the number of first preference votes received by the candidate is more than 4% of the total number of formal first preference votes cast in the election; or
 - (c) if the system of voting at the election is first-past-the-post voting—the number of votes received by the candidate is more than 4% of the total number of formal votes cast in the election.
- (2) Despite subsection (1), a candidate's deposit must not be refunded until—
