Information about this reprint

This Act is reprinted as at 1 July 2012. The reprint shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

This page is specific to this reprint. See previous reprints for information about earlier changes made under the Reprints Act 1992. A table of reprints is included in the endnotes.

Also see endnotes for information about—

- **when provisions commenced**
- **editorial changes made in earlier reprints.**

Spelling

The spelling of certain words or phrases may be inconsistent in this reprint or with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’). Variations of spelling will be updated in the next authorised reprint.

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

Replacement reprint date If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

Guardianship and Administration Act 2000

[as amended by all amendments that commenced on or before 1 July 2012]

An Act to consolidate, amend and reform the law relating to the appointment of guardians and administrators to manage the personal and financial affairs of adults with impaired capacity, to confer jurisdiction on the Queensland Civil and Administrative Tribunal for particular purposes, to continue the office of Adult Guardian, to create an office of Public Advocate, and for other purposes

Chapter 1 Preliminary

1 Short title

This Act may be cited as the *Guardianship and Administration Act 2000*.

2 Commencement

This Act commences on a day to be fixed by proclamation.

3 Definitions

The dictionary in schedule 4 defines particular words used in this Act.

4 Act binds all persons

This Act binds all persons, including the State, and, so far as the legislative power of the Parliament permits, the Commonwealth and the other States.

Chapter 2 Explanation

5 Acknowledgements

This Act acknowledges the following—

- (a) an adult’s right to make decisions is fundamental to the adult’s inherent dignity;
- (b) the right to make decisions includes the right to make decisions with which others may not agree;
- (c) the capacity of an adult with impaired capacity to make decisions may differ according to—
 - (i) the nature and extent of the impairment; and
 - (ii) the type of decision to be made, including, for example, the complexity of the decision to be made; and
 - (iii) the support available from members of the adult’s existing support network;
- (d) the right of an adult with impaired capacity to make decisions should be restricted, and interfered with, to the least possible extent;
- (e) an adult with impaired capacity has a right to adequate and appropriate support for decision-making.

6 Purpose to achieve balance

This Act seeks to strike an appropriate balance between—

- (a) the right of an adult with impaired capacity to the greatest possible degree of autonomy in decision-making; and
- (b) the adult’s right to adequate and appropriate support for decision-making.

7 Way purpose achieved

This Act—

- (a) provides that an adult is presumed to have capacity for a matter; and
- (b) together with the *Powers of Attorney Act 1998*, provides a comprehensive scheme to facilitate the exercise of power for financial matters and personal matters by or for an adult who needs, or may need, another person to exercise power for the adult; and
- (c) states principles to be observed by anyone performing a function or exercising a power under the scheme; and
- (d) encourages involvement in decision-making of the members of the adult's existing support network; and
- (e) confers jurisdiction on the tribunal to administer particular aspects of the scheme; and
- (f) continues the office of adult guardian and provides for the adult guardian to be available as a possible guardian for an adult with impaired capacity, and for other purposes; and
- (g) recognises the public trustee is available as a possible administrator for an adult with impaired capacity; and
- (h) provides for the appointment of the public advocate for systemic advocacy; and
- (i) provides for the appointment of community visitors.

8 Relationship with Powers of Attorney Act 1998

- (1) This Act is to be read in conjunction with the *Powers of Attorney Act 1998* which provides a scheme by which—
 - (a) by enduring power of attorney or advance health directive, an adult may authorise other persons to make particular decisions and do particular other things for the adult in relation to financial matters and personal matters at a time when the adult does not have capacity to do those things; and

[s 9]

Note—

Personal matters do not include special personal matters or special health matters—schedule 2, section 2.

- (b) by advance health directive, an adult may make directions for the adult's future health care and special health care; and
 - (c) a statutory health attorney is authorised to do particular things for an adult in particular circumstances in relation to health care.
- (2) If there is an inconsistency between this Act and the *Powers of Attorney Act 1998*, this Act prevails.

9 Range of substitute decision-makers

- (1) This Act and the *Powers of Attorney Act 1998* authorise the exercise of power for a matter for an adult with impaired capacity for the matter.
- (2) Depending on the type of matter involved, this may be done—
 - (a) on an informal basis by members of the adult's existing support network; or

Note—

Although this Act deals primarily with formal substituted decision-making, a decision or proposed decision of an informal decision-maker may be ratified or approved under section 154.

- (1) A person or other entity who performs a function or exercises a power under this Act for a matter in relation to an adult with impaired capacity for the matter must apply the principles stated in schedule 1 (the ***general principles*** and, for a health matter or a special health matter, the ***health care principle***).

Example 1—

If an adult has impaired capacity for a matter, a guardian or administrator who may exercise power for the matter must—

- (a) apply the general principles; and
- (b) if the matter is a health matter, also apply the health care principle.

[s 11A]

Example 2—

The tribunal in deciding whether to consent to special health care for an adult with impaired capacity for the special health matter concerned, must apply the general principles and the health care principle.

Note—

Function includes duty and *power* includes authority—see the *Acts Interpretation Act 1954*, section 36.

- (2) An entity authorised by an Act to make a decision for an adult about prescribed special health care must apply the general principles and the health care principle.
- (3) The community is encouraged to apply and promote the general principles.

- (1) Unless the tribunal orders otherwise, a guardian is authorised to do, in accordance with the terms of the guardian's appointment, anything in relation to a personal matter that the adult could have done if the adult had capacity for the matter when the power is exercised.
- (2) Unless the tribunal orders otherwise, an administrator is authorised to do, in accordance with the terms of the administrator's appointment, anything in relation to a financial matter that the adult could have done if the adult had capacity for the matter when the power is exercised.

- (3) For a guardian for a restrictive practice matter under chapter 5B, this section applies subject to sections 80ZE and 80ZF.

- (1) A guardian or administrator must apply the general principles.

Editor's note—

See schedule 1 (Principles).

- (2) In making a health care decision, a guardian must also apply the health care principle.

Maximum penalty—200 penalty units.

36 Act as required by terms of tribunal order

A guardian or administrator who may exercise power for an adult must, when exercising the power, exercise it as required by the terms of any order of the tribunal.

Maximum penalty—200 penalty units.

37 Avoid conflict transaction

- (1) An administrator for an adult may enter into a conflict transaction only if the tribunal authorises the transaction, conflict transactions of that type or conflict transactions generally.
- (2) A **conflict transaction** is a transaction in which there may be conflict, or which results in conflict, between—
- (a) the duty of an administrator towards the adult; and
 - (b) either—

[s 38]

- (i) the interests of the administrator or a person in a close personal or business relationship with the administrator; or
- (ii) another duty of the administrator.

Examples—

- 1 A conflict transaction happens if an administrator buys the adult's car.
 - 2 A conflict transaction does not happen if an administrator is acting under section 55 to maintain the adult's dependants.
- (3) However, a transaction is not a conflict transaction only because by the transaction the administrator in the administrator's own right and on behalf of the adult—
- (a) deals with an interest in property jointly held; or
 - (b) acquires a joint interest in property; or
 - (c) obtains a loan or gives a guarantee or indemnity in relation to a transaction mentioned in paragraph (a) or (b).
- (4) A conflict transaction between an administrator and a person who does not know, or have reason to believe, the transaction is a conflict transaction is, in favour of the person, as valid as if the transaction were not a conflict transaction.
- (5) In this section—
- joint interest* includes an interest as a joint tenant or tenant in common.

38 Multiple guardians or administrators are joint if not otherwise stated

Two or more guardians or administrators for a matter are appointed as joint guardians or joint administrators for the matter if the tribunal does not order otherwise.

39 Act together with joint guardians or administrators

- (1) Guardians or administrators for an adult who may exercise power for a matter jointly must exercise the power unanimously.
- (2) If it is impracticable or impossible to exercise the power unanimously, 1 or more of the guardians or administrators, or another interested person for the adult, may apply for directions to the tribunal.

40 Consult with adult's other appointees or attorneys

- (1) If there are 2 or more persons who are guardian, administrator or attorney for an adult, the persons must consult with one another on a regular basis to ensure the adult's interests are not prejudiced by a breakdown in communication between them.
- (2) However, failure to comply with subsection (1) does not affect the validity of an exercise of power by a guardian, administrator or attorney.

- (3) In this section—

attorney means an attorney under an enduring document or a statutory health attorney.

41 Disagreement about matter other than health matter

- (1) If—
 - (a) a guardian, administrator or attorney for an adult disagrees with another person who is a guardian, administrator or attorney for the adult about the way power for a matter, other than a health matter, should be exercised; and
 - (b) the disagreement can not be resolved by mediation by the adult guardian;

the adult guardian or any person mentioned in paragraph (a) may apply for directions to the tribunal.

[s 42]

(2) In this section—

attorney means an attorney under an enduring document.

42 Disagreement about health matter

(1) If there is a disagreement about a health matter for an adult and the disagreement can not be resolved by mediation by the adult guardian, the adult guardian may exercise power for the health matter.

(2) If the adult guardian exercises power under subsection (1), the adult guardian must advise the tribunal in writing of the following details—

- (a) the name of the adult;
- (b) an outline of the disagreement;
- (c) the name of each guardian, attorney or eligible statutory health attorney involved in the disagreement;
- (d) the decision made by the adult guardian.

(3) In this section—

attorney means an attorney under an enduring document or a statutory health attorney.

disagreement about a health matter means—

- (a) a disagreement between a guardian or attorney for an adult and another person who is a guardian or attorney for the adult about the way power for the health matter should be exercised; or
- (b) a disagreement between or among 2 or more eligible statutory health attorneys for an adult about which of them should be the adult's statutory health attorney or how power for the health matter should be exercised.

eligible statutory health attorneys are persons eligible to be an adult's statutory health attorney under the *Powers of Attorney Act 1998*, section 63(1)(a), (b) or (c).

43 Acting contrary to health care principle

- (1) If a guardian or attorney for a health matter for an adult—
 - (a) refuses to make a decision about the health matter for the adult and the refusal is contrary to the health care principle; or
 - (b) makes a decision about the health matter for the adult and the decision is contrary to the health care principle;the adult guardian may exercise power for the health matter.
- (2) If the adult guardian exercises power under this section, the adult guardian must advise the tribunal in writing of the following details—
 - (a) the name of the adult;
 - (b) the name of the guardian or attorney;
 - (c) a statement as to why the refusal or decision is contrary to the health care principle;
 - (d) the decision made by the adult guardian.
- (3) In this section—

- (2) At the guardian's or administrator's request, a person who has custody or control of the information must give the information to the guardian or administrator, unless the person has a reasonable excuse.
- (3) If a person who has custody or control of the information does not comply with a request by a guardian or administrator to give information, the tribunal may, on application by the

[s 45]

guardian or administrator, order the person to give the information to the guardian or administrator.

- (4) If the tribunal orders a person to give information to the guardian or administrator, the person must comply with the order, unless the person has a reasonable excuse.
- (5) It is a reasonable excuse for a person to fail to give information because giving the information might tend to incriminate the person.
- (6) Subject to subsection (5), this section overrides—
 - (a) any restriction, in an Act or the common law, about the disclosure or confidentiality of information; and
 - (b) any claim of confidentiality or privilege, including a claim based on legal professional privilege.

45 Execution of instrument etc.

- (1) If necessary or convenient for the exercise of power given to a guardian or administrator (the *appointee*), the appointee may—
 - (a) execute an instrument with the appointee's own signature or, if sealing is required or used, with the appointee's own seal; and
 - (b) do any other thing in the appointee's own name.
- (2) An instrument executed by an appointee must be executed in a way showing the appointee executes it as guardian or administrator for the adult.
- (3) An instrument executed, or thing done, in the way mentioned in this section is as effective as if executed or done by the adult—
 - (a) with the adult's signature; or
 - (b) with the adult's signature and seal; or
 - (c) in the adult's name.

- (4) This section applies subject to the *Property Law Act 1974*, section 46.

46 Implied power to execute a deed

If a tribunal order gives a guardian or administrator power to do a thing, the guardian or administrator is given power to execute a deed to do the thing.

47 Payment of expenses

A guardian or administrator for an adult is entitled to reimbursement from the adult of the reasonable expenses incurred in acting as guardian or administrator.

48 Remuneration of professional administrators

- (1) If an administrator for an adult carries on a business of or including administrations under this Act, the administrator is entitled to remuneration from the adult if the tribunal so orders.
- (2) The remuneration may not be more than the amount the tribunal considers fair and reasonable, having regard to—
 - (a) the nature and complexity of the service; and
 - (b) the care, skill and specialised knowledge required to provide the service; and
 - (c) the responsibility displayed in providing the service; and
 - (d) the time within which the service was provided; and
 - (e) the place where, and the circumstances in which, the service was provided.
- (3) Nothing in this section affects the right of the public trustee or a trustee company to remuneration or commission under another Act or the Corporations Act.

Part 2 **Particular functions and powers of administrators**

49 **Keep records**

- (1) An administrator for an adult must—
 - (a) keep records that are reasonable in the circumstances; and
 - (b) if required by the tribunal—produce records of dealings and transactions involving the adult’s property that are reasonable for inspection at the time the tribunal decides.

51 **Power to invest and continue investments**

- (1) This section applies if an administrator for an adult has power to invest.

- (2) The administrator may invest only in authorised investments.
- (3) However, if, when the administrator is appointed, the adult had investments that were not authorised investments, the administrator may continue the investments, including by taking up rights to issues of new shares, or options for new shares, to which the adult becomes entitled by the adult's existing shareholding.

54 Gifts

- (1) Unless the tribunal orders otherwise, an administrator for an adult may give away the adult's property only if—
 - (a) the gift is—
 - (i) a gift or donation of the nature the adult made when the adult had capacity; or
 - (ii) a gift or donation of the nature the adult might reasonably be expected to make; and
 - (b) the gift's value is not more than what is reasonable having regard to all the circumstances and, in particular, the adult's financial circumstances.
- (2) The administrator or a charity with which the administrator has a connection is not precluded from receiving a gift under subsection (1).

55 Maintain adult's dependants

- (1) An administrator for an adult may provide from the adult's estate for the needs of a dependant of the adult.
- (2) However, unless the tribunal orders otherwise, what is provided must not be more than what is reasonable having regard to all the circumstances and, in particular, the adult's financial circumstances.

Part 3 **Other provisions applying to guardians and administrators**

56 **Protection if unaware of change of appointee's power**

- (1) This section applies if—
 - (a) the tribunal gives power for a matter to a guardian or administrator; and
 - (b) the power is changed.
- (2) The guardian or administrator who, without knowing of the change, purports to exercise power for the matter does not incur any liability, either to the adult or anyone else, because of the change.
- (3) A transaction between—
 - (a) the guardian or administrator who purports to exercise power for the matter; and
 - (b) a person who does not know of the change;is, in favour of the person, as valid as if the power had not been changed.
- (4) In this section—

change, of power for a matter, includes—

 - (a) suspension of power for the matter; and
 - (b) removal as guardian or administrator for the matter.

know, of a change of a power, includes—

 - (a) know of the happening of an event that changes the power; and

Note—

For an example of an event, an appointment ends if a guardian or administrator for an adult becomes a paid carer, or health provider, for the adult—see section 26 (Automatic revocation).

- (b) have reason to believe the change has happened.

57 Advice of change of successive appointee

- (1) This section applies if the tribunal appoints successive guardians or administrators so power is given to a particular appointee only when the power of a previous appointee ends.
- (2) If the power of a previous appointee ends—
 - (a) the previous appointee must advise the next successive appointee of the ending of the previous appointment; and
 - (b) the next successive appointee must advise the tribunal in writing of the change as soon as practicable.

58 Power to excuse failure

If a guardian or administrator is prosecuted in a court for a failure to comply with this chapter, the court may excuse the failure if it considers the guardian or administrator has acted honestly and reasonably and ought fairly to be excused for the failure.

59 Compensation for failure to comply

- (1) A guardian or administrator for an adult (an *appointee*) may be ordered by the tribunal or a court to compensate the adult (or, if the adult has died, the adult's estate) for a loss caused by the appointee's failure to comply with this Act in the exercise of a power.
- (2) Subsection (1) applies even if the appointee is convicted of an offence in relation to the appointee's failure.
- (3) If the adult or appointee has died, the application for compensation must be made to the tribunal or a court within 6 months after the death.
- (4) If the adult and appointee have died, the application for compensation must be made to the tribunal or a court within 6 months after the first death.
- (5) The tribunal or a court may extend the application time.

[s 60]

- (6) If security has been given under section 19 and the tribunal or a court makes an order for compensation under this section, the tribunal or court may also order that the security be applied in satisfaction of the order for compensation.
- (7) Compensation paid under a tribunal or court order must be taken into account in assessing damages in a later civil proceeding in relation to the appointee's exercise of the power.
- (8) In this section—
court means any court.

60 Power to apply to court for compensation for loss of benefit in estate

- (1) This section applies if a person's benefit in an adult's estate under the adult's will, on intestacy, or by another disposition taking effect on the adult's death, is lost because of a sale or other dealing with the adult's property by an administrator of the adult.
- (2) This section applies even if the person whose benefit is lost is the administrator by whose dealing the benefit is lost.
- (3) The person, or the person's personal representative, may apply to the court for compensation out of the adult's estate.

Editor's note—

Court means the Supreme Court—see schedule 4 (Dictionary).

- (4) The court may order that the person, or the person's estate, be compensated out of the adult's estate as the court considers appropriate, but the compensation must not be more than the value of the lost benefit.
- (5) The *Succession Act 1981*, sections 41(2) to (8), (10) and (11) and 44 apply to an application and an order made on it as if the application were an application under part 4 of that Act by a person entitled to make an application.

Chapter 5 Health matters and special health matters

Part 1 Philosophy and purpose

61 Purpose to achieve balance for health care

This chapter seeks to strike a balance between—

- (a) ensuring an adult is not deprived of necessary health care only because the adult has impaired capacity for a health matter or special health matter; and
- (b) ensuring health care given to the adult is only—
 - (i) health care that is necessary and appropriate to maintain or promote the adult's health or wellbeing; or
 - (ii) health care that is, in all the circumstances, in the adult's best interests.

Editor's note—

See also section 11 (Principles for adults with impaired capacity).

Part 2 Scheme for health care and special health care

Division 1 Health care—no consent

62 Division's scope

This division deals with when health care, other than special health care, may be carried out without consent.

63 Urgent health care

- (1) Health care, other than special health care, of an adult may be carried out without consent if the adult's health provider reasonably considers—
 - (a) the adult has impaired capacity for the health matter concerned; and
 - (b) either—
 - (i) the health care should be carried out urgently to meet imminent risk to the adult's life or health; or
 - (ii) the health care should be carried out urgently to prevent significant pain or distress to the adult and it is not reasonably practicable to get consent from a person who may give it under this Act or the *Powers of Attorney Act 1998*.
- (2) However, the health care mentioned in subsection (1)(b)(i) may not be carried out without consent if the health provider knows the adult objects to the health care in an advance health directive.
- (3) However, the health care mentioned in subsection (1)(b)(ii) may not be carried out without consent if the health provider knows the adult objects to the health care unless—
 - (a) the adult has minimal or no understanding of 1 or both of the following—
 - (i) what the health care involves;
 - (ii) why the health care is required; and
 - (b) the health care is likely to cause the adult—
 - (i) no distress; or
 - (ii) temporary distress that is outweighed by the benefit to the adult of the health care.
- (4) The health provider must certify in the adult's clinical records as to the various things enabling the health care to be carried out because of this section.

(5) In this section—

health care, of an adult, does not include withholding or withdrawal of a life-sustaining measure for the adult.

63A Life-sustaining measure in an acute emergency

(1) A life-sustaining measure may be withheld or withdrawn for an adult without consent if the adult's health provider reasonably considers—

- (a) the adult has impaired capacity for the health matter concerned; and
- (b) the commencement or continuation of the measure for the adult would be inconsistent with good medical practice; and
- (c) consistent with good medical practice, the decision to withhold or withdraw the measure must be taken immediately.

(2) However, the measure may not be withheld or withdrawn without consent if the health provider knows the adult objects to the withholding or withdrawal.

Editor's note—

Object is defined in schedule 4 (Dictionary).

(3) The health provider must certify in the adult's clinical records as to the various things enabling the measure to be withheld or withdrawn because of this section.

(4) For this section, artificial nutrition and hydration is not a *life-sustaining measure*.

64 Minor, uncontroversial health care

(1) Health care, other than special health care, of an adult may be carried out without consent if the adult's health provider—

- (a) reasonably considers the adult has impaired capacity for the health matter concerned; and

[s 64]

- (b) reasonably considers the health care is—
 - (i) necessary to promote the adult’s health and wellbeing; and
 - (ii) of the type that will best promote the adult’s health and wellbeing; and
 - (iii) minor and uncontroversial; and
- (c) does not know, and can not reasonably be expected to know, of—
 - (i) a decision about the health care made by a person who is able to make the decision under this Act or the *Powers of Attorney Act 1998*; or
 - (ii) any dispute among persons the health provider reasonably considers have a sufficient and continuing interest in the adult about—
 - (A) the carrying out of the health care; or
 - (B) the capacity of the adult for the health matter.

Examples of minor and uncontroversial health care mentioned in paragraph (b)(iii)—

- the administration of an antibiotic requiring a prescription
 - the administration of a tetanus injection
- (2) However, the health care may not be carried out without consent if the health provider knows, or could reasonably be expected to know, the adult objects to the health care.
 - (3) The health provider must certify in the adult’s clinical records as to the various things enabling the health care to be carried out because of this section.

Division 2 Health care and special health care—consent

65 Adult with impaired capacity—order of priority in dealing with special health matter

- (1) If an adult has impaired capacity for a special health matter, the matter may only be dealt with under the first of the following subsections to apply.
- (2) If the adult has made an advance health directive giving a direction about the matter, the matter may only be dealt with under the direction.
- (3) If subsection (2) does not apply and an entity other than the tribunal is authorised to deal with the matter, the matter may only be dealt with by the entity.
- (4) If subsections (2) and (3) do not apply and the tribunal has made an order about the matter, the matter may only be dealt with under the order.

Note—

However, the tribunal may not consent to electroconvulsive therapy or psychosurgery—section 68(1).

66 Adult with impaired capacity—order of priority in dealing with health matter

- (1) If an adult has impaired capacity for a health matter, the matter may only be dealt with under the first of the following subsections to apply.
- (2) If the adult has made an advance health directive giving a direction about the matter, the matter may only be dealt with under the direction.
- (3) If subsection (2) does not apply and the tribunal has appointed 1 or more guardians for the matter or made an order about the matter, the matter may only be dealt with by the guardian or guardians or under the order.

[s 66A]

Note—

If, when appointing the guardian or guardians, the tribunal was unaware of the existence of an enduring document giving power for the matter to an attorney, see section 23 (Appointment without knowledge of enduring document), particularly subsection (2).

- (4) If subsections (2) and (3) do not apply and the adult has made 1 or more enduring documents appointing 1 or more attorneys for the matter, the matter may only be dealt with by the attorney or attorneys for the matter appointed by the most recent enduring document.
- (5) If subsections (2) to (4) do not apply, the matter may only be dealt with by the statutory health attorney.
- (6) This section does not apply to a health matter relating to health care that may be carried out without consent under division 1.

66A When consent to withholding or withdrawal of life-sustaining measure may operate

- (1) This section applies if a matter concerning the withholding or withdrawal of a life-sustaining measure is to be dealt with under section 66(3), (4) or (5).

Note—

If a matter concerning the withholding or withdrawal of a life-sustaining measure is to be dealt with under section 66(2), see the *Powers of Attorney Act 1998*, section 36(2) (Operation of advance health directive) as to when a direction to withhold or withdraw a life-sustaining measure can operate.

- (2) A consent to the withholding or withdrawal of a life-sustaining measure for the adult can not operate unless the adult's health provider reasonably considers the commencement or continuation of the measure for the adult would be inconsistent with good medical practice.

66B Certificate in clinical records if life-sustaining measure withheld or withdrawn

- (1) This section applies if a life-sustaining measure is withheld or withdrawn for an adult other than because of section 63A.
- (2) The adult's health provider must certify in the adult's medical records as to the various things enabling the measure to be withheld or withdrawn because of—
 - (a) for a withholding or withdrawal under a direction in the adult's advance health directive—section 66(2) and the *Powers of Attorney Act 1998*, section 36; or
 - (b) for a withholding or withdrawal by consent—section 66(3), (4) or (5) and section 66A.

67 Effect of adult's objection to health care

- (1) Generally, the exercise of power for a health matter or special health matter is ineffective to give consent to health care of an adult if the health provider knows, or ought reasonably to know, the adult objects to the health care.

Note—

Object is defined in schedule 4 (Dictionary). Note also the *Powers of Attorney Act 1998*, section 35(2)(a) (Advance health directives) provides that 'by an advance health directive [a] principal may give a direction—

- (a) consenting, in the circumstances specified, to particular future health care of the principal when necessary and despite objection by the principal when the health care is provided'.
- (2) However, the exercise of power for a health matter or special health matter is effective to give consent to the health care despite an objection by the adult to the health care if—
 - (a) the adult has minimal or no understanding of 1 of the following—
 - (i) what the health care involves;
 - (ii) why the health care is required; and
 - (b) the health care is likely to cause the adult—

[s 68]

- (i) no distress; or
 - (ii) temporary distress that is outweighed by the benefit to the adult of the proposed health care.
- (3) Subsection (2) does not apply to the following health care—
- (a) removal of tissue for donation;
 - (b) participation in special medical research or experimental health care or approved clinical research.

Part 3 Consent to special health care

68 Special health care

- (1) The tribunal may, by order, consent to special health care, other than electroconvulsive therapy or psychosurgery, for an adult.
- (2) To the extent another entity is authorised by an Act to make a decision for an adult about prescribed special health care, the tribunal does not have power to make the decision.

Note—

For the application of the general principles and the health care principle to the tribunal and to an entity authorised by an Act to make a decision for an adult about prescribed special health care, see section 11 (Principles for adults with impaired capacity).

69 Donation of tissue

- (1) The tribunal may consent, for an adult with impaired capacity for the special health matter concerned, to removal of tissue from the adult for donation to another person only if the tribunal is satisfied—
 - (a) the risk to the adult is small; and
 - (b) the risk of failure of the donated tissue is low; and

-
- (c) the life of the proposed recipient would be in danger without the donation; and
 - (d) no other compatible donor is reasonably available; and
 - (e) there is, or has been, a close personal relationship between the adult and proposed recipient.
- (2) The tribunal may not consent if the adult objects to the removal of tissue for donation.

Note—

Section 67, which effectively enables an adult's objection to be overridden in some cases, does not apply.

- (3) If the tribunal consents to removal of tissue for donation, the tribunal's order must specify the proposed recipient.

70 Sterilisation

- (1) The tribunal may consent, for an adult with impaired capacity for the special health matter concerned, to sterilisation of the adult only if the tribunal is satisfied—
- (a) one of the following applies—
 - (i) the sterilisation is medically necessary;
 - (ii) the adult is, or is likely to be, sexually active and there is no method of contraception that could reasonably be expected to be successfully applied;
 - (iii) if the adult is female—the adult has problems with menstruation and cessation of menstruation by sterilisation is the only practicable way of overcoming the problems; and
 - (b) the sterilisation can not reasonably be postponed; and
 - (c) the adult is unlikely, in the foreseeable future, to have capacity for decisions about sterilisation.
- (2) Sterilisation is not medically necessary if the sterilisation is—
- (a) for eugenic reasons; or

[s 71]

- (b) to remove the risk of pregnancy resulting from sexual abuse.
- (3) Also, in deciding whether to consent for the adult to a sterilisation procedure, the tribunal must take into account—
 - (a) alternative forms of health care, including other sterilisation procedures, available or likely to become available in the foreseeable future; and
 - (b) the nature and extent of short-term, or long-term, significant risks associated with the proposed procedure and available alternative forms of health care, including other sterilisation procedures.
- (4) An adult's sterilisation, to which the tribunal has consented for the adult, is not unlawful.

71 Termination of pregnancy

- (1) The tribunal may consent, for an adult with impaired capacity for the special health matter concerned, to termination of the adult's pregnancy only if the tribunal is satisfied the termination is necessary to preserve the adult from serious danger to her life or physical or mental health.
- (2) Termination of an adult's pregnancy, to which the tribunal has consented for the adult, is not unlawful.

72 Special medical research or experimental health care

- (1) The tribunal may consent, for an adult with impaired capacity for the special health matter concerned, to the adult's participation in special medical research or experimental health care relating to a condition the adult has or to which the adult has a significant risk of being exposed only if the tribunal is satisfied about the following matters—
 - (a) the special medical research or experimental health care is approved by an ethics committee;

- (b) the risk and inconvenience to the adult and the adult's quality of life is small;
- (c) the special medical research or experimental health care may result in significant benefit to the adult;
- (d) the potential benefit can not be achieved in another way.

Note—

Special medical research or experimental health care does not include—

- (a) psychological research; or
 - (b) approved clinical research—see schedule 2, section 12(2).
- (2) The tribunal may consent, for an adult with impaired capacity for the matter, to the adult's participation in special medical research or experimental health care intended to gain knowledge that can be used in the diagnosis, maintenance or treatment of a condition the adult has or has had only if the tribunal is satisfied about the following matters—
- (a) the special medical research or experimental health care is approved by an ethics committee;
 - (b) the risk and inconvenience to the adult and the adult's quality of life is small;
 - (c) the special medical research or experimental health care may result in significant benefit to the adult or other persons with the condition;
 - (d) the special medical research or experimental health care can not reasonably be carried out without a person who has or has had the condition taking part;
 - (e) the special medical research or experimental health care will not unduly interfere with the adult's privacy.
- (3) The tribunal may not consent to the adult's participation in special medical research or experimental health care if—
- (a) the adult objects to the special medical research or experimental health care; or

[s 73]

Note—

Section 67, which effectively enables an adult's objection to be overridden in some cases, does not apply.

- (b) the adult, in an enduring document, indicated unwillingness to participate in the special medical research or experimental health care.

73 Prescribed special health care

- (1) Subject to section 68(2), the tribunal may consent, for an adult with impaired capacity for the special health matter concerned, to the adult having prescribed special health care.
- (2) The tribunal may consent only if it is satisfied of the matters prescribed under a regulation.

74 Subsequent special health care for adult

- (1) If the tribunal consents to special health care for an adult, the tribunal may appoint 1 or more persons who are eligible for appointment as a guardian or guardians for the adult and give the guardian or guardians power to consent for the adult to—
 - (a) continuation of the special health care; or
 - (b) the carrying out on the adult of similar special health care.
- (2) The appointment order may include a declaration, order, direction, recommendation, or advice about how the power given is to be used.
- (3) The appointment order may be changed by the tribunal on its own initiative or on the application of an interested person.
- (4) In deciding whether to consent, a guardian must apply the general principles and the health care principle.

Part 4 Other provisions about health care

75 Use of force

A health provider and a person acting under the health provider's direction or supervision may use the minimum force necessary and reasonable to carry out health care authorised under this Act.

76 Health providers to give information

- (1) The purpose of this section is to ensure—
 - (a) a guardian or attorney who has power for a health matter for an adult has all the information necessary to make an informed exercise of the power; and
 - (b) the tribunal, in deciding whether to consent to special health care for an adult with impaired capacity for a special health matter, has all the information necessary to make an informed decision.
- (2) At the guardian's or attorney's request, a health provider who is treating, or has treated, the adult must give information to the guardian or attorney unless the health provider has a reasonable excuse.
- (3) At the tribunal's request, a health provider who is treating, or has treated, the adult must give information to the tribunal unless the health provider has a reasonable excuse.
- (4) The information to be given by a health provider who is treating, or has treated, the adult includes information about—
 - (a) the nature of the adult's condition at the time of the treatment; and
 - (b) the particular form of health care being, or that was, carried out; and

[s 76]

- (c) the reasons why the particular form of health care is being, or was, carried out; and
 - (d) the alternative forms of health care available for the condition at the time of the treatment; and
 - (e) the general nature and effect of each form of health care at the time of the treatment; and
 - (f) the nature and extent of short-term, or long-term, significant risks associated with each form of health care; and
 - (g) for a health provider who is treating the adult—the reasons why it is proposed a particular form of health care should be carried out.
- (5) If a health provider does not comply with a request by a guardian or attorney to give information, the tribunal may, on application by the guardian or attorney, order the health provider to give the information to the guardian or attorney.
- (6) If the tribunal orders a health provider to give information, the health provider must comply with the order, unless the health provider has a reasonable excuse.
- (7) It is a reasonable excuse for a health provider to fail to give information because giving the information might tend to incriminate the health provider.
- (8) Subject to subsection (7), this section overrides—
- (a) any restriction, in an Act or the common law, about the disclosure or confidentiality of information; and
 - (b) any claim of confidentiality or privilege.
- (9) This section does not limit—
- (a) a guardian’s right to information under section 44; or
 - (b) the tribunal’s right to information under section 130; or
 - (c) an attorney’s right to information under the *Powers of Attorney Act 1998*, section 81.

(10) In this section—

attorney means an attorney under an enduring document or a statutory health attorney.

77 Protection of health provider

- (1) To the extent a health provider giving health care to an adult complies with a purported exercise of power for a health matter or special health matter by a person who represented to the health provider that the person had the right to exercise the power, the health provider is taken to have the adult's consent to the exercise of power.
- (2) Subsection (1) does not apply if the health provider knew, or could reasonably be expected to have known, the person did not have the right to exercise the power.

78 Offence to exercise power for adult if no right to do so

It is an offence for a person who knows he or she has no right to exercise power for a health matter or special health matter for an adult, or who is recklessly indifferent about whether he or she has a right to exercise power for a health matter or special health matter for the adult, to—

- (a) purport to exercise power for a health matter or special health matter for the adult; or
- (b) represent to a health provider for the adult that the person has a right to exercise power for a health matter or special health matter for the adult.

Maximum penalty—

- (a) for special health matter—300 penalty units; or
- (b) for health matter—200 penalty units.

[s 79]

79 Offence to carry out health care unless authorised

- (1) It is an offence for a person to carry out health care of an adult with impaired capacity for the health matter concerned unless—
- (a) this or another Act provides the health care may be carried out without consent; or

Editor's note—

See sections 63 (Urgent health care), 63A (Life-sustaining measure in an acute emergency) and 64 (Minor, uncontroversial health care).

- (b) consent to the health care is given under this or another Act; or
- (c) the health care is authorised by an order of the court made in its *parens patriae* jurisdiction.

Note—

Court means the Supreme Court—see schedule 4 (Dictionary). The *parens patriae* jurisdiction is based on the need to protect those who lack the capacity to protect themselves. It allows the Supreme Court to appoint decision-makers for people who, because of mental illness, intellectual disability, illness, accident or old age, are unable to adequately safeguard their own interests.

Maximum penalty—

- (a) if special health care is carried out—300 penalty units; or
- (b) if other health care is carried out—200 penalty units.
- (2) This section has effect despite the Criminal Code, section 282.

80 No less protection than if adult gave health consent

A person carrying out health care of an adult that is authorised by this or another Act is not liable for an act or omission to any greater extent than if the act or omission happened with the adult's consent and the adult had capacity to consent.

Chapter 5A Consent to sterilisation of child with impairment

Part 1 Preliminary

80A Definitions for ch 5A

In this chapter—

active party see section 80K.

alternative forms of health care includes menstrual management strategies and alternative forms of sterilisation.

chapter 5A application means an application under this chapter for consent to the sterilisation of a child with an impairment.

Note—

child representative see section 80L.

health care, of a child, is care or treatment of, or a service or a procedure for, the child—

- (b) carried out by, or under the direction or supervision of, a health provider.

impairment means a cognitive, intellectual, neurological or psychiatric impairment.

sterilisation see section 80B.

[s 80B]

80B Sterilisation

- (1) *Sterilisation* is health care of a child who is, or is reasonably likely to be, fertile that is intended, or reasonably likely, to make the child, or to ensure the child is, permanently infertile.

Examples of sterilisation—

endometrial ablation, hysterectomy, tubal ligation and vasectomy

- (2) However, sterilisation does not include health care without which an organic malfunction or disease of the child is likely to cause serious or irreversible damage to the child's physical health.

Example—

If the child has cancer affecting the reproductive system and, without the health care, the cancer is likely to cause serious or irreversible damage to the child's physical health, the health care is not sterilisation.

Part 2 Consent by tribunal

80C When tribunal may consent and effect of consent

- (1) On an application made under part 3, the tribunal may, by order, consent to the sterilisation of a child with an impairment.
- (2) The tribunal may consent to the sterilisation only if the tribunal is satisfied the sterilisation is in the best interests of the child.
- (3) A child's sterilisation, to which the tribunal has consented, is not unlawful.

80D Whether sterilisation is in child's best interests

- (1) The sterilisation of a child with an impairment is in the child's best interests only if—

- (a) one or more of the following applies—
 - (i) the sterilisation is medically necessary;
 - (ii) the child is, or is likely to be, sexually active and there is no method of contraception that could reasonably be expected to be successfully applied;
 - (iii) if the child is female—the child has problems with menstruation and cessation of menstruation by sterilisation is the only practicable way of overcoming the problems; and
 - (b) the child’s impairment results in a substantial reduction of the child’s capacity for communication, social interaction and learning; and
 - (c) the child’s impairment is, or is likely to be, permanent and there is a reasonable likelihood, when the child turns 18, the child will have impaired capacity for consenting to sterilisation; and
 - (d) the sterilisation can not reasonably be postponed; and
 - (e) the sterilisation is otherwise in the child’s best interests.
- (2) Sterilisation is not in the child’s best interests if the sterilisation is—
- (a) for eugenic reasons; or
 - (b) to remove the risk of pregnancy resulting from sexual abuse.
- (3) In deciding whether the sterilisation is in the child’s best interests, the tribunal must—
- (a) ensure the child is treated in a way that respects the child’s dignity and privacy; and
 - (b) do each of the following—
 - (i) in a way that has regard to the child’s age and impairment, seek the child’s views and wishes and take them into account;

[s 80D]

- (ii) to the greatest extent practicable, seek the views of each of the following persons and take them into account—
 - (A) any parent or guardian of the child;
 - (B) if a parent or guardian is not the child's primary carer, the child's primary carer;
 - (C) the child representative for the child;
- (iii) take into account the information given by any health provider who is treating, or has treated, the child; and
- (c) take into account—
 - (i) the wellbeing of the child; and
 - (ii) alternative forms of health care that have proven to be inadequate in relation to the child; and
 - (iii) alternative forms of health care that are available, or likely to become available, in the foreseeable future; and
 - (iv) the nature and extent of short-term, or long-term, significant risks associated with the proposed sterilisation and available alternative forms of health care.
- (4) The child's views and wishes may be expressed in the following ways—
 - (a) orally;
 - (b) in writing;
 - (c) in another way including, for example, by conduct.

Chapter 5B Restrictive practices

Part 1 Preliminary

80R Application of ch 5B

This chapter applies to an adult with an intellectual or cognitive disability who receives disability services from a funded service provider within the meaning of the DSA (a *relevant service provider*).

- (1) The tribunal may, by order, give approval for a relevant service provider to contain or seclude an adult, subject to the conditions stated in the order.
- (2) The tribunal may give the approval only if the tribunal is satisfied—
 - (a) the adult has impaired capacity for making decisions about the use of restrictive practices in relation to the adult; and
 - (b) there is a need for the relevant service provider to contain or seclude the adult because—
 - (i) the adult’s behaviour has previously resulted in harm to the adult or others; and

 - (c) a positive behaviour support plan has been developed for the adult that provides for the containment or seclusion; and
 - (d) containing or secluding the adult in compliance with the approval is the least restrictive way of ensuring the safety of the adult or others; and
 - (e) the adult has been adequately assessed by appropriately qualified persons, within the meaning of the DSA,

[s 80W]

- section 123E, in the development of the positive behaviour support plan for the adult; and

- (3) The tribunal may make the order on its own initiative or on an application under section 80ZO.

- (2) The tribunal may, by order, give approval for a relevant service provider to use a restrictive practice other than containment or seclusion (the *other restrictive practice*) in relation to the adult, subject to the conditions stated in the order.
- (3) The tribunal may make the order only if the tribunal is satisfied of the matters stated in section 80V(2)(a) to (g) in relation to the other restrictive practice.
- (4) In deciding whether to make the order, the tribunal must consider—
 - (a) the matters stated in section 80W; and
 - (b) if the other restrictive practice is chemical restraint—the views of the adult’s treating doctor about the use of the chemical restraint.
- (5) For subsections (3) and (4)(a), sections 80V(2)(a) to (g) and 80W apply as if a reference in the sections to containing or

[s 80Y]

secluding the adult were a reference to using the other restrictive practice in relation to the adult.

- (6) An order made under this section is taken to be part of the approval given under section 80V in relation to the adult.
- (7) The tribunal may make the order on its own initiative or on an application under section 80ZO.

Division 2 Period of containment or seclusion approval

80Y Period for which containment or seclusion approval has effect

 - (a) the adult has impaired capacity for making decisions about the use of restrictive practices in relation to the adult; and

-
- (b) the adult's behaviour has previously resulted in harm to the adult or others; and
 - (c) there is an immediate and serious risk that, if the approval is not given, the adult's behaviour will cause harm to the adult or others; and
 - (d) using the restrictive practice is the least restrictive way of ensuring the safety of the adult or others.

- (a) the adult;
 - (b) a guardian or informal decision-maker for the adult;

- (4) An approval given under this section may not have effect for more than 6 months.
- (5) The approval ends if—
- (a) the relevant service provider does not comply with the condition of the approval mentioned in section 80ZI(a);

80ZI Conditions to which s 80ZH approval is subject

An approval given by the adult guardian under section 80ZH—

- (a) is subject to the condition that, within 14 days after receiving notice that the approval has been given, the relevant service provider must give the adult guardian a short term plan for the adult; and
- (b) may be subject to other conditions considered appropriate by the adult guardian.

80ZJ Adult guardian's decision about whether to approve short term plan

- (1) This section applies if the adult guardian is given a short term plan for an adult by a relevant service provider under section 80ZI(a).
- (2) As soon as practicable after receiving the short term plan, the adult guardian must decide whether to approve it.

 - (a) the information in the plan is consistent with the information considered by the adult guardian in deciding whether to give the relevant short-term approval; and

-
- (b) there is an immediate and serious risk that, if the short-term approval does not continue in effect, the adult's behaviour will cause harm to the adult or others; and
 - (c) use of the restrictive practices in compliance with the short-term approval and the plan is the least restrictive way of ensuring the safety of the adult or others.
- (4) The adult guardian must, as soon as practicable after deciding whether to approve the short term plan, notify the relevant service provider about the adult guardian's decision.
- (5) If the adult guardian does not approve the short term plan—

 - (b) the tribunal may make the order it considers appropriate.

80ZK When adult guardian may give short-term approval for use of other restrictive practices

- (1) While an approval given under section 80ZH is in effect, the adult guardian may give approval for a relevant service provider to use another restrictive practice in relation to the adult if satisfied of the matters stated in section 80ZH(1)(a) to (d) for the restrictive practice.
- (2) Also, if the restrictive practice is chemical restraint, the adult guardian must be satisfied the relevant service provider has consulted with, and considered the views of, the adult's treating doctor.
- (3) The adult guardian may not give approval under this section for use of a restrictive practice if a guardian for a restrictive practice (general) matter for the adult has given, or refused to give, consent to the use of the restrictive practice for the adult.
- (4) Subsection (5) applies if, when an approval is given under this section, a short term plan for the adult has already been developed by the relevant service provider.

[s 80ZL]

- (5) The approval given under this section is subject to the condition that, within 14 days after the approval is given, the relevant service provider must—
 - (a) amend the short term plan for the adult to include use of the restrictive practice; and
 - (b) give the amended plan to the adult guardian for approval.
- (6) Section 80ZJ applies, with any necessary changes, to the adult guardian for deciding whether to approve an amended short term plan mentioned in subsection (5).
- (7) An approval given under this section ends—
 - (a) if a guardian for a restrictive practice (general) matter for the adult gives, or refuses to give, consent to the use of the restrictive practice for the adult; or
 - (b) if the relevant service provider is notified by the adult guardian that an amended short term plan mentioned in subsection (5) is not approved—on receipt of the notice; or

 - (4) If a person who has custody or control of the information does not comply with a request by the adult guardian to give information, the tribunal may, on application by the adult guardian, order the person to give the information to the adult guardian.
 - (5) If the tribunal orders a person to give information to the adult guardian, the person must comply with the order, unless the person has a reasonable excuse.
 - (6) It is a reasonable excuse for a person to fail to give information because giving the information might tend to incriminate the person.
 - (7) Subject to subsection (6), this section overrides—
 - (a) any restriction, in an Act or the common law, about the disclosure or confidentiality of information; and
 - (b) any claim of confidentiality or privilege, including a claim based on legal professional privilege.

Schedule 1 Principles

section 11

Part 1 General principles

1 Presumption of capacity

An adult is presumed to have capacity for a matter.

2 Same human rights

- (1) The right of all adults to the same basic human rights regardless of a particular adult's capacity must be recognised and taken into account.
- (2) The importance of empowering an adult to exercise the adult's basic human rights must also be recognised and taken into account.

3 Individual value

An adult's right to respect for his or her human worth and dignity as an individual must be recognised and taken into account.

4 Valued role as member of society

- (1) An adult's right to be a valued member of society must be recognised and taken into account.
- (2) Accordingly, the importance of encouraging and supporting an adult to perform social roles valued in society must be taken into account.

5 Participation in community life

The importance of encouraging and supporting an adult to live a life in the general community, and to take part in activities

enjoyed by the general community, must be taken into account.

6 Encouragement of self-reliance

The importance of encouraging and supporting an adult to achieve the adult's maximum physical, social, emotional and intellectual potential, and to become as self-reliant as practicable, must be taken into account.

7 Maximum participation, minimal limitations and substituted judgment

- (1) An adult's right to participate, to the greatest extent practicable, in decisions affecting the adult's life, including the development of policies, programs and services for people with impaired capacity for a matter, must be recognised and taken into account.
- (2) Also, the importance of preserving, to the greatest extent practicable, an adult's right to make his or her own decisions must be taken into account.
- (3) So, for example—
 - (a) the adult must be given any necessary support, and access to information, to enable the adult to participate in decisions affecting the adult's life; and
 - (b) to the greatest extent practicable, for exercising power for a matter for the adult, the adult's views and wishes are to be sought and taken into account; and
 - (c) a person or other entity in performing a function or exercising a power under this Act must do so in the way least restrictive of the adult's rights.
- (4) Also, the principle of substituted judgment must be used so that if, from the adult's previous actions, it is reasonably practicable to work out what the adult's views and wishes would be, a person or other entity in performing a function or exercising a power under this Act must take into account what the person or other entity considers would be the adult's views and wishes.

- (5) However, a person or other entity in performing a function or exercising a power under this Act must do so in a way consistent with the adult's proper care and protection.
- (6) Views and wishes may be expressed orally, in writing or in another way, including, for example, by conduct.

8 Maintenance of existing supportive relationships

The importance of maintaining an adult's existing supportive relationships must be taken into account.

9 Maintenance of environment and values

- (1) The importance of maintaining an adult's cultural and linguistic environment, and set of values (including any religious beliefs), must be taken into account.
- (2) For an adult who is a member of an Aboriginal community or a Torres Strait Islander, this means the importance of maintaining the adult's Aboriginal or Torres Strait Islander cultural and linguistic environment, and set of values (including Aboriginal tradition or Island custom), must be taken into account.

Editor's notes—

- 1 ***Aboriginal tradition*** has the meaning given by the *Acts Interpretation Act 1954*, section 36.
- 2 ***Island custom*** has the meaning given by the *Acts Interpretation Act 1954*, section 36.

10 Appropriate to circumstances

Power for a matter should be exercised by a guardian or administrator for an adult in a way that is appropriate to the adult's characteristics and needs.

11 Confidentiality

An adult's right to confidentiality of information about the adult must be recognised and taken into account.

Part 2 Health care principle

12 Health care principle

- (1) The *health care principle* means power for a health matter, or special health matter, for an adult should be exercised by a guardian, the adult guardian, the tribunal, or for a matter relating to prescribed special health care, another entity—
- (a) in the way least restrictive of the adult's rights; and
 - (b) only if the exercise of power—
 - (i) is necessary and appropriate to maintain or promote the adult's health or wellbeing; or
 - (ii) is, in all the circumstances, in the adult's best interests.

Example of exercising power in the way least restrictive of the adult's rights—

If there is a choice between a more or less intrusive way of meeting an identified need, the less intrusive way should be adopted.

- (2) In deciding whether the exercise of a power is appropriate, the guardian, the adult guardian, tribunal or other entity must, to the greatest extent practicable—
- (a) seek the adult's views and wishes and take them into account; and
 - (b) take the information given by the adult's health provider into account.

Editor's note—

See section 76 (Health providers to give information).

- (3) The adult's views and wishes may be expressed—
- (a) orally; or
 - (b) in writing, for example, in an advance health directive; or
 - (c) in another way, including, for example, by conduct.
- (4) The health care principle does not affect any right an adult has to refuse health care.

- (5) In deciding whether to consent to special health care for an adult, the tribunal or other entity must, to the greatest extent practicable, seek the views of the following person and take them into account—
- (a) a guardian appointed by the tribunal for the adult;
 - (b) if there is no guardian mentioned in paragraph (a), an attorney for a health matter appointed by the adult;
 - (c) if there is no guardian or attorney mentioned in paragraph (a) or (b), the statutory health attorney for the adult.

5 Health care

- (1) *Health care*, of an adult, is care or treatment of, or a service or a procedure for, the adult—
 - (a) to diagnose, maintain, or treat the adult's physical or mental condition; and
 - (b) carried out by, or under the direction or supervision of, a health provider.
- (2) *Health care*, of an adult, includes withholding or withdrawal of a life-sustaining measure for the adult if the commencement or continuation of the measure for the adult would be inconsistent with good medical practice.
- (3) *Health care*, of an adult, does not include—
 - (a) first aid treatment; or
 - (b) a non-intrusive examination made for diagnostic purposes; or
 - (c) the administration of a pharmaceutical drug if—

5A Life-sustaining measure

- (1) A *life-sustaining measure* is health care intended to sustain or prolong life and that supplants or maintains the operation of vital bodily functions that are temporarily or permanently incapable of independent operation.

-
- (2) Without limiting subsection (1), each of the following is a *life-sustaining measure*—

- (3) A blood transfusion is not a *life-sustaining measure*.

5B Good medical practice

Good medical practice is good medical practice for the medical profession in Australia having regard to—

- (a) the recognised medical standards, practices and procedures of the medical profession in Australia; and
- (b) the recognised ethical standards of the medical profession in Australia.

6 Special health matter

A *special health matter*, for an adult, is a matter relating to special health care of the adult.

Note—

An attorney under an enduring document or a guardian may not be given power for a special health matter.

However, an adult may give a direction about a special health matter in an advance health directive. Alternatively, in particular circumstances the tribunal may consent to particular special health care—see section 68.

7 Special health care

Special health care, of an adult, is health care of the following types—

- (a) removal of tissue from the adult while alive for donation to someone else;

Note—

For the situation after the adult has died, see the *Transplantation and Anatomy Act 1979*, particularly section 22.

- (b) sterilisation of the adult;
- (c) termination of a pregnancy of the adult;
- (d) participation by the adult in special medical research or experimental health care;
- (e) electroconvulsive therapy or psychosurgery for the adult;
- (f) prescribed special health care of the adult.

8 Removal of tissue for donation

- (1) For an adult, ***removal of tissue for donation*** to someone else includes removal of tissue from the adult so laboratory reagents, or reference and control materials, derived completely or partly from pooled human plasma may be given to the other person.
- (2) ***Tissue*** is—
 - (a) an organ, blood or part of a human body; or
 - (b) a substance that may be extracted from an organ, blood or part of a human body.

9 Sterilisation

- (1) ***Sterilisation*** is health care of an adult who is, or is reasonably likely to be, fertile that is intended, or reasonably likely, to make the adult, or ensure the adult is, permanently infertile.

Examples of sterilisation—

endometrial ablation, hysterectomy, tubal ligation and vasectomy

- (2) Sterilisation does not include health care primarily to treat organic malfunction or disease of the adult.

10 Termination

Termination, of a pregnancy of an adult, does not include health care primarily to treat organic malfunction or disease of the adult.

11 Primary reason for treatment

Health care primarily to treat organic malfunction or disease, of an adult, is health care without which an organic malfunction or disease of the adult is likely to cause serious or irreversible damage to the adult's physical health.

Examples—

- 1 Health care involving sterilisation may be primarily to treat organic malfunction or disease if the adult has cancer affecting the reproductive system or cryptorchidism.
- 2 A procedure involving termination of a pregnancy may be primarily to treat organic malfunction if the adult is a pregnant woman requiring abdominal surgery for injuries sustained in an accident.

12 Special medical research or experimental health care

- (1) *Special medical research or experimental health care*, for an adult, means—
 - (a) medical research or experimental health care relating to a condition the adult has or to which the adult has a significant risk of being exposed; or

- (b) a trial of drugs or techniques involving the carrying out of health care that may include the giving of placebos to some of the participants in the trial.

(1A) However, a comparative assessment of health care already proven to be beneficial is not medical research.

Examples—

- a comparative assessment of the effects of different forms of administration of a drug proven to be beneficial in the treatment of a condition, for example, a continuous infusion, as opposed to a once-a-day administration, of the drug
- a comparative assessment of the angle at which to set a tilt-bed to best assist an adult's breathing

(2) *Approved clinical research* is clinical research approved by the tribunal.

(3) The tribunal may approve clinical research only if the tribunal is satisfied about the following matters—

- (a) the clinical research is approved by an ethics committee;
- (b) any drugs or techniques on trial in the clinical research are intended to diagnose, maintain or treat a condition affecting the participants in the research;
- (c) the research will not involve any known substantial risk to the participants or, if there is existing health care for the particular condition, the research will not involve known material risk to the participants greater than the risk associated with the existing health care;
- (d) the development of any drugs or techniques on trial has reached a stage at which safety and ethical considerations make it appropriate for the drugs or techniques to be made available to the participants despite the participants being unable to consent to participation;

- (e) having regard to the potential benefits and risks of participation, on balance it is not adverse to the interests of the participants to participate.
- (4) The fact that a trial of drugs or techniques will or may involve the giving of placebos to some of the participants does not prevent the tribunal from being satisfied it is, on balance, not adverse to the interests of the participants to participate.
- (5) The tribunal's approval of clinical research does not operate as a consent to the participation in the clinical research of any particular person.

14 Electroconvulsive therapy

Electroconvulsive therapy is the application of electric current to specific areas of the head to produce a generalised seizure that is modified by general anaesthesia and the administration of a muscle relaxing agent.

15 Psychosurgery

Note—

The *Succession Act 1981*, part 4 enables the Supreme Court to make provision for a dependant of a deceased person from the deceased person's estate if adequate provision is not made from the estate for the dependant's proper maintenance and support.
