Information about this reprint

This reprint shows the legislation current as at the date on the cover and is authorised by the Parliamentary Counsel.

A new reprint of the legislation will be prepared by the Office of the Queensland Parliamentary Counsel when any change to the legislation takes effect. This change may be because a provision of the original legislation, or an amendment to it, commences or because a particular provision of the legislation expires or is repealed.

When a new reprint is prepared, this reprint will become a historical reprint. Also, if it is necessary to replace this reprint before a new reprint is prepared, for example, to include amendments with a retrospective commencement, an appropriate note would be included on the cover of the replacement reprint and on the copy of this reprint at www.legislation.qld.gov.au.

The endnotes to this reprint contain detailed information about the legislation and reprint. For example—

- The table of reprints endnote lists any previous reprints and, for this reprint, gives details of any discretionary editorial powers under the *Reprints Act 1992* used by the Office of the Queensland Parliamentary Counsel in preparing it.
- The list of legislation endnote gives historical information about the original legislation and the legislation which amended it. It also gives details of uncommenced amendments to this legislation. For information about possible amendments to the legislation by Bills introduced in Parliament, see the Queensland Legislation Current Annotations at www.legislation.qld.gov.au/Leg_Info/information.htm.
- The list of annotations endnote gives historical information at section level.

All Queensland reprints are dated and authorised by the Parliamentary Counsel. The previous numbering system and distinctions between printed and electronic reprints are not continued.

- (5) The first component of the amount shall be the member's basic benefit of indexed final salary.
- (6) The second component is the percentage of indexed final salary obtained by subtracting from the members' compulsory contribution benefit the amount (converted into a percentage of final salary) paid to the member's accumulation account under subsection (1).
- (7) For the purposes of this section, indexed final salary is the greater of the following amounts—

 - (b) otherwise, the pension remains the same.
- (3) If the pension is increased under the reassessment, the pension is payable to the person at the increased level from the first pay period that falls entirely in the month of August in the financial year.
- (4) A percentage increase between 2 indexes under subsection (2)(a) must be calculated to 1 decimal place.
- (5) In this section—

- (2) The amount credited to the member's accumulation account under subsection (1) (including any accrued interest) is to be deducted from the account.

- (7) Subject to subsection (8), any prospective membership benefit shall be calculated according to section 47, and shall additionally be multiplied by the aggregate of the membership ratios of the employed member, having regard to the periods of time for which they were respectively applicable, for the whole of that member's period of contributory membership.

- (a) the day an amount is paid to the member's accumulation account for the membership in the category;
- (b) the day the member starts employment for which the member's employer is required under this chapter to make contributions, because of the membership in the category.

- (1) A member in the comprehensive accumulation or QAS accumulation category must make contributions to the scheme at the following rate of the member's salary—

- (ii) if the sum specified in subparagraph (i) exceeds the rate of 5% of that increased salary—such sum (being a sum which will provide units of benefits to a number specified in column 2) not less than 5% of that increased salary and not exceeding the sum specified in subparagraph (i) as he or she may, not later than 6 months after the date on which his or her salary is increased, elect to contribute;

- (d) however, an officer to whom paragraph (c) applies shall not, in respect of any increase in salary, be entitled or permitted to increase the amount of his or her contribution so as to add to the number of units for which he or she was contributing immediately prior to that increase additional units in excess of the number prescribed in relation to that increase by such scale;
- (e) in all other cases—the contributor shall increase the amount of his or her contribution to such a sum as will

[s 95]

provide units of benefits to the number specified in column 2 opposite to the salary group within which his or her increased salary falls.

- (4) Any increased contribution payable in pursuance of subsection (3)(a), (b) or (e) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date—

 - (b) from which the contributor's salary is increased;whichever is the later.
- (5) Any increased contribution payable in pursuance of subsection (3)(c) and (d) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date of the election.
- (6) For the purposes of this division where the salary of an officer falls within the salary group, exceeding \$450.20 set out in schedule 2, column 1, the number ascertained in accordance with the formula in column 2 set opposite that salary group shall, with respect to that officer, be deemed to be the number specified in column 2 opposite to the salary group within which his or her salary falls.
- (7) For the purposes of the application at any time in relation to a contributor of the formula in schedule 2, column 2 opposite to the salary group, exceeding \$450.20 in column 1—

- (8) For the purposes of contributions of officers in accordance with schedule 2 as inserted by the *Public Service Superannuation Act Amendment Act 1969*, the salary of every officer who is a contributor at the commencement of that Act shall be deemed increased on and from the date of that commencement from the maximum salary within the salary group in column 1 opposite to the number in column 2 that was the number specified in schedule 2, column 2

immediately before the commencement of the *Public Service Superannuation Act Amendment Act 1969* opposite to the salary group in which his or her salary fell immediately before the commencement of that Act and this chapter shall apply accordingly.

Editor's note—

Public Service Superannuation Act Amendment Act 1969 commenced 30 December 1969 (see 1969 No. 19 s 2).

96 When officer may voluntarily increase contribution

- (1) Any officer who is not contributing to the fund for units of benefits to the number thereof specified in schedule 2 opposite to the salary group within which his or her salary falls may, subject to this section, elect to increase the amount of his or her contribution.
- (2) Such an election may be to contribute for any further number of units of benefits up to, but not exceeding, the difference between—
 - (a) the number thereof specified in schedule 2 opposite to the salary group in which the salary of the officer making the election falls; and
 - (b) the number thereof for which such officer is contributing;

but an officer shall not be entitled or permitted to increase, pursuant to such an election, the officer's contribution to the fund for incapacity benefit or assurance benefit to a number of units thereof in excess of the number or increased number of units of annuity benefit for which the officer is a contributor or, as the case may be, would become a contributor pursuant to such election.

- (3) Unless exempted by the board therefrom an officer shall, before at any time increasing the amount of contribution to the fund under this section, be medically examined by a medical practitioner.

[s 97]

- (4) An officer shall not at any time increase the amount of his or her contribution to the fund under this section if, after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such officer are such as would justify the officer being then accepted as a contributor.
- (5) Any increased contribution under this section shall, subject to subsection (4), be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date when the board accepts as a contributor under this section the officer making the election.

97 Power of board to exempt etc. from contributing

- (1) According as the circumstances of any case in its opinion warrant, the board may exempt an officer wholly or partly from the requirement imposed upon the officer by this chapter to contribute or at any time to increase the amount of the officer's contribution to the fund, or the board may defer (either for a period specified by it or without specifying any period) such requirement in respect of either such contribution or any increase in the amount thereof.
- (2) When the board specifies the period for which it defers the contribution or any increased contribution required by this chapter to be paid by an officer, then upon the expiration of that period (or of any extension thereof which it is hereby declared the board may grant) that officer shall, unless the board wholly or partly exempts the officer from so doing, pay to the fund the contribution or increased contribution then required in the officer's case by this chapter.
- (3) When the board does not specify the period for which it defers the contribution or any increased contribution required by this chapter to be paid by an officer, the board may at any later time determine that deferment and thereupon, unless the board wholly or partly exempts the officer from so doing, the officer concerned shall pay to the fund the contribution or

increased contribution then required in the officer's case by this chapter.

- (4) In the case of any officer (including an officer to whom subsection (2) or (3) applies) partly exempted by the board from making the contribution or any increased contribution required in the officer's case by this chapter, the payment which the officer would be otherwise required to make shall be reduced by the amount of the exemption.
- (5) Where a contributor satisfies the board that adequate provision has been made for himself, herself and his or her family, or that continued contributions for the number of units for which the contributor is contributing will cause the contributor undue hardship, or that for any other reason which the board deems adequate the contributor should be permitted to surrender units, the board may permit the contributor to surrender some or all of the units of benefits under this chapter for which the contributor is contributing.
- (6) The sum equal to the aggregate of all amounts paid by the contributor in respect of units of annuity benefit, incapacity benefit and assurance benefit surrendered under subsection (5) accumulated at the rate of 1.25% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to the contributor.
- (7) The units surrendered by a contributor under subsection (5) shall be—
 - (a) in a case where the contributor is contributing under section 96, or that section as applied by section 155, for units of benefit—those units if the contributor nominates those units as the units to be so surrendered;
 - (b) in a case other than one referred to in paragraph (a)—those units for which the contributor last began to contribute.

[s 98]

98 Officer reduced in salary

- (1) Where the salary of a contributor has been reduced and by reason of that reduction falls within a salary group in schedule 2, column 1 lower than the salary group in which it would fall if it had not been reduced, the contributor may elect to reduce the number of units in respect of which he or she shall contribute to a number not being less than the number of units appropriate to the salary group to which his or her salary has been reduced, and the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit, in excess of the reduced number of units accumulated at the rate of 1.25% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to him or her.
- (2) A contributor electing under this section shall surrender first the unit or units for which he or she last began to contribute.
- (3) The benefits (save the additional assurance benefit in respect of children) payable under this chapter in respect of units respectively of annuity benefit, incapacity benefit and assurance benefit included in the number of units in excess of the number appropriate to the salary group to which the salary of a contributor has been reduced shall, whilst the unit continues to be a unit in excess of the number appropriate to the salary group in which the salary of the contributor falls for the time being, be reduced to 35% of the rates thereof which, save for this subsection, apply under this chapter.

99 Units of benefits to be contributed for in equal numbers

- (1) At all times units (including units to which division 4 applies) respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit, shall be contributed for in equal numbers and accordingly a contributor shall not be allowed to contribute at any time for more units of one such benefit than of another.

-
- (2) This section applies subject to section 103(3) and parts 4 and 5.

100 Period for which contributions are to continue

 - (c) his or her service as an officer, ascertained as prescribed by section 176 of chapter 5 equals 42 years and 6 months;

whichever first occurs, and except as aforesaid, shall continue to pay contribution, as for a period of service, without reduction in respect of any period of leave or absence from duty.

- (2) Where absence from duty referred to in subsection (1), other than with leave of absence without salary by reason of incapacity, is for a continuous period of 14 days or more (whether or not working days) the officer shall, unless the officer elects pursuant to subsection (3), in addition to continuing to contribute to the fund as provided by subsection (1) pay to the consolidated fund, in respect of the period of absence, the amounts that the officer's employer would be required to pay for the officer under section 28 of the Act, but for the absence.
- (3) A contributor who would be required to pay contribution to the consolidated fund pursuant to subsection (2) may elect in writing furnished to the board not to pay contributions to the fund in respect of the period of absence whereupon—
- (a) contribution to the fund in respect of the contributor shall cease to be payable in respect of the period of absence; and

[s 100]

- (b) the board shall waive the payments to the consolidated fund that would be required by that subsection to be made by the contributor; and
 - (c) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter shall be reduced by such amounts as are determined by the actuary and approved by the board.
- (4) The Governor in Council may waive the requirement under subsection (2) to make payments to the consolidated fund either unconditionally or upon such terms and conditions as the Governor in Council determines, either in a particular case or in respect of a class of case, and such waiver shall be given effect.
- (5) Where an officer has been absent from duty with leave of absence without salary by reason of incapacity for a continuous period of 14 days (whether or not working days) the officer's liability to pay contributions to the fund under this chapter shall be suspended for the whole of the period that the officer has been or continues to be so absent but if the officer resumes employment as an officer contributions shall again become payable by the officer.
- (6) A contributor who, pursuant to subsection (1) or (2), is required to pay contributions to the fund and to make payment to the consolidated fund in respect of a period of absence from duty—
 - (a) shall, before commencing the period of absence, pay to the fund and to the consolidated fund the total amount of contributions and payments that the contributor is so required to pay; or
 - (b) shall, before commencing the period of absence, make arrangements satisfactory to the board for payment of the total amount of contributions and payments that the contributor is so required to pay.
- (7) Where a contributor to whom subsection (6) applies does not comply with subsection (6)(a) or (b) the benefits to which the contributor or the contributor's dependants may become

102 Contributions according to scale graduated by age at commencement

- (1) The amount of contribution which shall be paid periodically by an officer in respect respectively of annuity, incapacity and, in the case of a male officer, assurance benefits, shall, except where otherwise provided in this chapter, be based upon—

 - (b) sex; and
 - (c) the age at which the officer commences to contribute for each unit.
- (2) The amount of the contributions shall be ascertained—
 - (a) with respect to units for which the officer commenced to contribute before the commencement of the *Public Service Superannuation Act Amendment Act 1969*, or for which the officer commences to contribute after that commencement by reason of section 95(8), in accordance with—
 - (i) in the case of male officers—schedule 3, part 1; or

- (a) each (if any) of the said units of benefit that was taken up pursuant to section 96 had been effected immediately before the date of its becoming a unit of benefit in respect of which an election might be made under the said section; and
- (b) each (if any) of the said units of benefit in respect of which any fortnightly contributions have been commuted by payment of a lump sum had not been so commuted;

but where neither paragraph (a) or (b) is applicable to the case in question means the fortnightly contribution as at 1 January 1973 that is payable by a contributor in respect of the said units of benefit.

- (4) A contributor whose hypothetical fortnightly contribution exceeds the sum equal to 13% of his or her fortnightly salary as at 1 January 1973 may, by application in writing to the board prior to 1 March 1973, have the actual fortnightly contribution that he or she is paying as at that firstmentioned

date in respect of the said units of benefit reduced by whichever is the lesser of—

- (a) the fortnightly contribution that is payable by the contributor as at the said 1 January; and
 - (b) one-third of the excess of the hypothetical fortnightly contribution over the sum equal to 13% of such fortnightly salary.
- (5) Any reduction in the actual fortnightly contribution under subsection (4) shall apply retrospectively from the first due date for the payment of the contributor's fortnightly contributions after 1 January 1973.
- (6) Notwithstanding subsections (1) to (5), on and from the day that is the first payday in July 1988 for the contributor concerned the amount of a contributor's contributions payable in accordance with those provisions immediately before that day shall be reduced by 1.5% of the amount of salary to which the contributor was entitled as at 31 December 1972.

- (5) Unless exempted by the board therefrom an officer shall, before at any time contributing or increasing the amount of his or her contribution for reserve units of benefits under this division, be medically examined by a medical practitioner.
- (6) An officer shall not at any time increase under this division the amount of his or her contributions to the fund if after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such

officer are such as would justify his or her being then accepted as a contributor.

104 When reserve units become ordinary units of benefits

Where a contributor—

- (a) who is contributing for 1 or more reserve units of benefits pursuant to this division; and
- (b) who becomes required or entitled to contribute for additional units of benefits under this chapter (other than this division);

does not increase the amount of his or her contributions to the fund by such sum as is sufficient to provide, in accordance with schedule 3 applicable to the particular case, the additional units of benefits, such number of reserve units of benefits up to but not exceeding the number of such units for which he or she is contributing pursuant to this division as is equal to the difference between—

- (c) the number of units of benefits specified in schedule 2 opposite to the salary group within which the contributor's salary falls; and
- (d) the number thereof (other than reserve units of benefits) for which such officer is contributing;

shall cease to be reserve units of benefits to which this division applies and shall become units of benefits for which the contributor is contributing under this chapter (other than this division) the contribution for which shall continue to be the contribution the contributor was making to the fund therefor immediately before the units of benefits so ceased to be reserve units.

105 Contributor may discontinue contribution for reserve units

- (1) Subject to subsection (2) a contributor who is contributing for 1 or more reserve units of benefit may, subject to section 99,

[s 106]

- (2) A contributor shall not make an election pursuant to subsection (1) if the effect of that election is that the contributor thereafter contributes for a number of units (including reserve units) of annuity benefit that is less than the number of units (including reserve units) respectively of incapacity benefit or assurance benefit for which he or she then contributes.

106 Benefits payable on reserve units

- (1) Where a contributor contributes for reserve units of benefit pursuant to this division the benefits payable under this chapter in respect of all reserve units respectively of annuity benefit, incapacity benefit and assurance benefit for which the contributor is contributing for the time being (but not including units of such benefit which have ceased pursuant to section 104 to be reserve units of benefits) shall, whilst they continue to be reserve units, be 35% of the rates thereof which would apply under this chapter if those reserve units were units of benefit for which the contributor was contributing within the number appropriate to the salary group in which the salary of the contributor falls for the time being.
- (2) In the case of a contributor who is continued in his or her employment as an officer after attaining the age of 65 years, benefits payable in respect of reserve units of annuity shall be payable to the contributor on attaining the age of 65 years and shall be at the same rate as that to which the contributor would

be entitled if the contributor had ceased to be an officer on attaining the age of 65 years.

107 Payment of lump sum on ceasing to contribute

- (d) in the case of a male contributor—assurance benefit; and
- (e) in the case of a contributor to whom paragraph (a) applies—incapacity benefit;

in respect of which but for the election he or she would be entitled to receive benefit pursuant to section 106, the sum prescribed by this section.

(2) Notice of election under subsection (1) shall be lodged with the board—

- (b) in the case of an officer who voluntarily resigns from his or her employment after he or she has attained the age of 60 years but before attaining the age of 65 years—before the expiration of a period of 1 month commencing on the date on which his or her resignation takes effect; and
 - (c) in any other case—before the expiration of a period of 1 month commencing on the date on which the contributor attains the age of 65 years.
- (3) Where a contributor who is contributing pursuant to this division for 1 or more reserve units respectively of annuity benefit, incapacity benefit and assurance benefit ceases to be a contributor for a reason other than a reason specified in subsection (1) there shall be paid to him or her, or, if he or she has died, to his or her legal personal representative or other person approved by the board from the fund the sum prescribed by this section in respect of all reserve units respectively of annuity benefit, incapacity benefit and, save where the contributor ceases to be a contributor by reason of death before attaining the age of 65 years leaving the contributor surviving a widow, assurance benefit for which he or she was contributing to the fund pursuant to this division at the time when he or she ceased to be a contributor (but not including units of such benefit which have ceased pursuant to section 104 to be reserve units of benefits).
- (4) The sum to be paid in respect of the number of reserve units of the benefits in question ascertained in accordance with subsections (1) to (3) shall be equal to—
 - (a) in the case of a contributor who ceased to be a contributor on account of death or retirement by reason of incapacity or voluntary resignation in terms of section 160 or attainment of the age of 65 years—such amount as is determined by the actuary and approved by the board; and
 - (b) in any case to which paragraph (a) does not apply—the aggregate of all amounts (accumulated at the rate of 1.25% per annum compound until the passing of the

Table

2 or more children	\$3.84 per fortnight divided by the number of children in respect of each child.

entitlement, in respect of all of them shall equal at the least the amount that would be payable in respect of 1 child (being a child deriving his or her entitlement through the contributor or person in receipt of benefit) under this section for a period of 5 years calculated at the rate at which a pension was payable in respect of 1 child (being a child deriving his or her entitlement through that contributor or person in receipt of benefit) at the date when the entitlement to the additional assurance benefit commenced.

- (6) Where by reason of the death of a contributor or a pensioner the only entitlement derived through him is an entitlement to an additional assurance benefit arising on or after the passing of the *Superannuation Acts Amendment Act 1987* and the amount of benefit paid in respect of the child or, if there are 2 or more children who derive the entitlement, in respect of all of them (disregarding for the purpose of calculating that amount any increase in the rate of benefit payable since the time when the entitlement commenced) is less than the amount that would have been payable under section 115 to the widow of the person through whom the entitlement is derived, had he left a widow upon his death, there shall be paid to such persons as are approved by the board, in equal shares if more than 1, the difference between the 2 amounts hereinbefore referred to in this subsection.

and the contributor makes an election pursuant to section 191 of chapter 5 the contributor shall by reason of the contributor having made that election be deemed to have elected not to

take from the fund the sums referred to in sections 123, 124 and 125.

- (2) Where an election is, pursuant to subsection (1), deemed to have been made there shall be credited in the fund on account of the elector the amount to which the contributor would have been entitled had the contributor ceased to be an officer by way of retrenchment duly effected in accordance with relevant arrangements approved by the Governor in Council, until, subject to subsection (3)—

- (a) where the elector has informed the board in writing that the elector no longer desires his or her election made

[s 142]

under section 191 of chapter 5 to operate, the sums which the elector would have been entitled to be paid pursuant to sections 123, 124 and 125 had the elector not been deemed to have elected as prescribed by subsection (1) together with interest that has accrued since the date on which the elector ceased to be an officer and that is properly attributable to those sums; and

- (b) in any other case—the amount credited on account of the elector pursuant to subsection (2), together with interest for the period since the date on which the elector ceased to be an officer.
- (5) For purposes of subsection (4), interest shall be calculated at such rate as is determined by the board, from time to time, on the advice of the actuary which rate, at the time it is determined, is to reasonably reflect the after tax earnings of the fund (on a long-term basis) derived from the investment of contributors' contributions, having regard to costs incurred in investing and administering the fund.

- (8) Where the board has exercised the power conferred by subsection (7)(b) the benefits from the fund to which the contributor concerned or any person deriving a benefit through the contributor is entitled shall be reduced by the amount in respect of which the power is exercised and the amount of interest that would have accrued to the fund and the consolidated fund (at the rate at which earnings would have accrued to the fund) had the contributions and additional payments been duly paid.

- (13) Where the contributions and additional payments to be made by a contributor are in arrears to the extent prescribed as respects amount or time, or both, the board may determine all rights of the contributor to benefits under this chapter, and thereupon shall pay to the contributor a sum of money equal to the amount of the contributions and additional payments, whether paid or in arrears, payable by the contributor under this chapter to the fund or the consolidated fund to the date of such determination accumulated on and after the passing of the *Superannuation Acts Amendment Act 1984* at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound reduced by the aggregate of the amount of the arrears of contributions and additional payments and of the interest thereon which would have accrued to the fund or the consolidated fund (at the rate at which earnings would have accrued to the fund) had the same been duly paid unless the board waives such interest wholly or in part.
- (14) Except where it is otherwise provided by this chapter, a contributor—
- (a) shall continue to contribute as prescribed to the fund until the contributor attains the age for retirement or the contributor's employment as an officer is sooner terminated by earlier retirement, death, resignation or otherwise howsoever; and

- (2) Subsection (1) does not apply to a contributor—
 - (a) who has not satisfied the board as required by section 199; or
 - (b) in respect of whom the board has made a determination under section 201(2); or
 - (c) who, being a contributor for category B benefits, has not completed 10 years service at the commencement of the period of absence in question unless the board has made a determination in respect of the contributor under section 210.

171 Rates of contribution

- (1) The amount of the contributions of a continuing contributor (not being an officer to whom subsection (3) relates) which shall be paid by the contributor periodically in addition to the amount of contributions payable by the contributor to the fund under chapter 4 shall be a sum calculated at the prescribed rate per centum of the amount by which the amount of the contributor's salary as at 30 June 1978 varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount by which the amount of the contributor's salary as at 1 October last preceding exceeds the amount of the contributor's salary on the commencement of the 1972 Act.
- (2) The amount of the contributions of an officer (not being an officer to whom subsection (3) relates) who became an officer on or after the commencement of the 1972 Act or who was an officer on the commencement of the 1958 Act, but is not a continuing contributor, which shall be paid by the officer

periodically, shall be a sum calculated at the prescribed rate per centum of the amount of the officer's salary as at 30 June 1978 (or in the case of an officer who commences to contribute after that date as at the date on and from which that officer commences to contribute) varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount of the officer's salary as at 1 October last preceding if the officer was at that date a contributor.

- (3) The contributions of an officer who—
- (a) becomes an officer on or after the commencement of the 1972 Act; and
 - (b) immediately before becoming an officer is in receipt of or eligible to receive an incapacity pension under this chapter or incapacity benefit under chapter 4 or incapacity allowance preserved and continued by the 1958 Act;

that shall be paid by the officer periodically shall be, in addition to the contributions (if any) to the fund payable by the officer under chapter 4, the sum calculated at the prescribed rate per centum—

- (c) where the officer was an officer to whom subsection (2) applied before the officer was retired on the ground of incapacity—of the amount of the officer's salary as at the date he or she again becomes an officer varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount of the officer's salary as at 1 October last preceding if he or she was at that date an officer; or
- (d) in any other case—of the amount by which the amount of the officer's salary as at the date he or she again becomes an officer varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount by which the amount of the officer's salary as at 1 October

[s 171]

last preceding (if he or she was at that date an officer) exceeds the amount of the officer's salary at the time when the officer was so retired or at 31 December 1972 whichever is the earlier.

- (4) A contributor who made an election under section 24(4) of the 1972 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(4) of the 1972 Act in addition to the rate prescribed by this chapter (other than this subsection).
- (5) A contributor who made an election under section 24(4A) of the 1972 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(4A) of the 1972 Act in addition to the rate prescribed by this chapter (other than this subsection).
- (6) Where, by reason that an officer becomes a contributor on or after the passing of the *Superannuation Acts Amendment Act 1987* and after the officer has attained the age of 22 years and 6 months, the length of the officer's service, ascertained for the purpose of calculating the pension to be paid to the officer under this chapter, if the officer attains the age for retirement, will not amount to 42 years and 6 months, the officer may elect, within a period of 2 months after he or she becomes an officer to increase the rate of the officer's contribution and the board may determine that the additional rate of the contributions that, but for this subsection, would have been payable by the officer shall be a sum calculated at such rate as the board, after consultation with the actuary, may determine, being a rate which, having regard to the fact that payments by the Crown will be in relation only to contributions by the officer that would be payable but for this subsection, will enable the length of service for the purpose of calculating the pension to be paid to the officer under this chapter to be regarded as the length of service ascertained in accordance with the board's determination under subsection (8) but not exceeding a maximum of 42 years and 6 months, and

thereupon the officer shall be deemed to be required to contribute to the fund at the rate so determined in addition to the rate prescribed by this chapter (other than this subsection).

- (7) A contributor who made an election under section 24(5) of the 1972 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(5) of the 1972 Act in addition to the rate prescribed by this chapter (other than this subsection).
- (8) Where the board has made a determination under subsection (4), (5), (6) or (7) in relation to an officer, the board may determine that, for the purpose of calculating the pension to be paid to the officer under part 3, the officer's length of service as an officer shall be regarded as being equal to the officer's actual length of service ascertained in accordance with this chapter plus such additional length of service as the board, after consultation with the actuary, may determine and thereupon this chapter shall apply to the officer accordingly.
- (9) Where the board has made a determination under subsection (4), (5), (6) or (7) upon the election of an officer and the contributor satisfies the board that payment of such additional rate of the contribution by the officer is causing the officer undue hardship, the board may cancel its determination or vary the same by reducing, with the approval of the actuary, the additional rate of contributions to be paid by the contributor.
- (10) Where in respect of a contributor the board, pursuant to subsection (9), cancels a determination under subsection (4), (5), (6) or (7), any determination under subsection (8) in respect of additional length of service of the contributor shall likewise be cancelled and cease to apply to or in respect of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund pursuant to subsection (4), (5), (6) or (7) as the actuary determines is justified having regard to the reduced liability of the fund.

[s 171]

- (11) Where in respect of a contributor the board pursuant to subsection (9) varies a determination under subsection (4), (5), (6) or (7), it shall make an appropriate variation of its consequential determination under subsection (8) of additional length of service in respect of the contributor and this chapter shall apply as if the determinations as so varied were at all relevant times the determinations originally made on the election of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions pursuant to subsection (4), (5), (6) or (7) as the actuary determines is justified having regard to the reduced liability of the fund.
- (12) Except in the case of a contributor referred to in section 198, where the salary of a contributor is reduced to a rate less than the rate upon which contributions are, for the time being, calculated, the contributor shall thereupon, except as aforesaid, contribute to the fund in relation to the reduced rate of the contributor's salary and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund as the actuary determines is justified having regard to the reduced liability of the fund, by reason of the reduction in salary, in respect of the prospective entitlement of the officer to benefits under this chapter and thereupon for the purpose of calculating the contributor's entitlement to benefits under this chapter the contributor's rate of salary in respect of any period before the time the contributor's salary was reduced shall be deemed not to have been in excess of the rate to which the contributor's salary was so reduced.
- (13) Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.
- (14) If an officer made an election under section 24(4) of the 1972 Act before the commencement of the *Superannuation Acts Amendment Act (No. 2) 1974* and was a contributor at that

commencement, the additional contribution under the election must be adjusted by the board as if that subsection as amended by that Act was in force at the date of the election.

172 Provision for female contributors to contribute for benefits under pt 4, divs 2 and 3

- (1) This section applies to a female contributor who made an election under section 24A of the 1972 Act and became entitled to increase the rate of her contribution to the fund sufficient to secure for her the benefits provided for by part 4, divisions 2 and 3 of the 1972 Act.
- (2) The additional rate of contribution payable by the contributor continues to be the rate decided by the board under section 24A(3) of the 1972 Act.
- (3) If in relation to a contributor by whom an additional rate of contribution is payable pursuant to this section the board makes a determination under section 171(9) that cancels or varies a board's determination made under section 171(4), (5), (6) or (7) in relation to that contributor, the additional rate of contribution payable by the contributor pursuant to this section shall be adjusted, having regard to that cancellation or variation, the ascertainment of the contributor's length of service for the purposes of this section shall be adjusted accordingly and the board shall make to the contributor a refund of such part of her contributions to the fund pursuant to this section as the actuary determines is justified, having regard to the reduced liability of the fund.

[s 189]

person through whom the entitlement is derived, had he or she left a relict upon his or her death, there shall be paid to such persons as are approved by the board, in equal shares if more than 1, the difference between the 2 amounts hereinbefore referred to in this subsection.

incapacity of the contributor, then, if the board so approves and subject to such conditions as the board in its absolute discretion may determine, the contributor shall be deemed to be in receipt of salary at the rate that would be payable to the contributor had the contributor remained in the position held by the contributor as an officer immediately before the contributor's redeployment.

- (2) The board may determine that a contributor, such as is deemed to be in receipt of salary as prescribed by subsection (1), is entitled to payment of incapacity pension at a rate and for a period determined by the board but not exceeding the rate of incapacity pension to which the contributor would have been entitled had the contributor retired on the ground of incapacity immediately before the date of the contributor's redeployment.

Where the death, retirement by reason of incapacity or absence on sick leave without salary of a contributor for category B benefits or the reason for the lump sum payable under section 205 to a contributor for category B benefits being less than that which would have been payable to the contributor had the contributor been a contributor for category A benefits, being a contributor—

211 Rectification of contributor's status falsely induced

 - (b) where she is no longer a contributor—that she be deemed never to have made additional contributions payable under section 172 but to have always been a contributor for the benefits for which she was contributing at the time she made the election.
- (3) A person in respect of whom the board’s determination is made under subsection (1) shall become and be or, as the case may be, shall be deemed to have been a contributor for category B benefits according to the tenor of the board’s determination.

- (a) recover from him or her by action in a court of competent jurisdiction as a debt due and owing to the board the difference between the payment made and the amount to which he or she would have been entitled under this chapter as a contributor according to the tenor of the board's determination; and

 - (B) that any other such payment be made to him or her or on his or her account only to an extent determined by the board;(whereupon his or her entitlement under this chapter to any other such payment shall cease or, as the case may be, be reduced accordingly); or

(ii) order that his or her pension be reduced forthwith to a rate determined by the board (whereupon his or her entitlement under this chapter to a pension shall be reduced accordingly);

and any such order shall be given effect and complied with.

- (6) The provisions of this section apply in respect of a person who at the passing of the *Superannuation Acts Amendment Act 1984* has ceased to be a contributor as well as in respect of a person who at such passing is or thereafter becomes a contributor.
- (7) Where a determination referred to in subsection (2)(a) has been made the contributor or, if she has died, her legal personal representative shall be entitled to a refund of additional contributions paid by her under section 172 accumulated at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

[s 213]

- (6) For the purposes of this division where the salary of a member of the police force falls within the salary group ‘exceeding \$450.20’ set out in column 1 of the scale contained in schedule 16, the number ascertained in accordance with the formula in column 2 of that scale set opposite that salary group shall, with respect to that member, be deemed to be the number specified in column 2 of that scale opposite to the salary group within which his or her salary falls.
- (7) For the purposes of the application at any time in relation to a contributor of the formula in column 2 of the scale contained in schedule 16 opposite to the salary group ‘exceeding \$450.20’ in column 1 of that scale—

A denotes the number of times (disregarding any fraction less than 1) by which the fortnightly salary of the contributor exceeds the sum of \$450.20 by the sum of \$6.38.

- (8) For the purposes of contributions for units of benefits by members of the police force in accordance with the scale contained in schedule 16, the salary of every member who is a contributor at the commencement of the *Police Superannuation Act Amendment Act 1970* shall be deemed increased on and from the date of that commencement from the maximum salary within the salary group in column 1 of the said scale opposite to the number in column 2 of the said scale that was the number specified in column 2 of the scale contained in schedule 17 opposite to the salary group in which his or her salary fell immediately before the commencement of the *Police Superannuation Act Amendment Act 1970* and this chapter shall apply accordingly.

Editor’s note—

Police Superannuation Act Amendment Act 1970 commenced 4 January 1971 (see 1970 No. 37 s 2).

219 When member of police force may voluntarily increase contribution

- (1) Any member of the police force who is not contributing to the fund for units of benefits to the number thereof specified in

the scale contained in schedule 16 opposite to the salary group within which his or her salary falls may, subject to this section, elect to increase the amount of his or her contribution.

- (2) Such an election may be to contribute for any further number of units of benefits up to, but not exceeding, the difference between—
 - (a) the number thereof specified in the said scale opposite to the salary group in which the salary of the member of the police force making the election falls; and
 - (b) the number thereof for which such member of the police force is contributing.
- (3) Unless exempted by the board therefrom a member of the police force shall, before at any time increasing the amount of his or her contribution to the fund under this section, be medically examined at his or her own expense by a medical practitioner.
- (4) A member of the police force shall not at any time increase the amount of his or her contribution to the fund under this section if, after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such member of the police force are such as would justify his or her being then accepted as a contributor.
- (5) Any increased contribution under this section shall be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date when the board accepts as a contributor under this section the member of the police force making the election.

220 Power to board to exempt etc. from contributing

- (1) According as the circumstances of any case in its opinion warrant, the board may exempt a member of the police force wholly or partly from the requirement imposed upon him or her by this chapter to contribute, or at any time to increase the amount of his or her contribution, to the fund, or the board

[s 220]

may defer (either for a period specified by it or without specifying any period) such requirement in respect of either such contribution or any increase in the amount thereof.

- (2) When the board specifies the period for which it defers the contribution or any increased contribution required by this chapter to be paid by a member of the police force, then upon the expiration of that period (or of any extension thereof which it is hereby declared the board may grant) that member of the police force shall, unless the board wholly or partly exempts him or her from so doing, pay to the fund the contribution or increased contribution then required in his or her case by this chapter.
- (3) When the board does not specify the period for which it defers the contribution, or any increased contribution, required by this chapter to be paid by a member of the police force, the board may at any later time determine that deferment and thereupon, unless the board wholly or partly exempts him or her from so doing, the member of the police force concerned shall pay to the fund the contribution or increased contribution then required in his or her case by this chapter.
- (4) In the case of any member of the police force (including a member of the police force to whom subsection (2) or (3) applies) partly exempted by the board from making the contribution or any increased contribution required in his or her case by this chapter, the payment which he or she would be otherwise required to make shall be reduced by the amount of the exemption.
- (5) Where a contributor satisfies the board that adequate provision has been made for the contributor and, in the case of a male contributor, his family, or that continued contributions for the number of units for which he or she is contributing will cause him or her undue hardship, or that for any other reason which the board deems adequate he or she should be permitted to surrender units, the board may permit the contributor to surrender some or all of the units of benefits under this chapter for which he or she is contributing.

-
- (6) The sum equal to the aggregate of all amounts paid by the contributor in respect of units of annuity benefit, incapacity benefit and assurance benefit surrendered under subsection (5) accumulated at the rate of $1\frac{1}{4}\%$ per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to the contributor.
 - (7) The units surrendered by a contributor under subsection (5) shall be—
 - (a) in a case where the contributor is contributing under section 219 for units of benefit—those units if the contributor nominates those units as the units to be surrendered; or
 - (b) in a case other than one referred to in paragraph (a)—those units for which the contributor last began to contribute.

221 Member reduced in salary

- (1) Where the salary of a contributor has been reduced and by reason of that reduction falls within a salary group in column 1 of the scale contained in schedule 16 lower than the salary group in which it would fall if it had not been reduced, the contributor may elect to reduce the number of units in respect of which he or she shall contribute to a number not being less than the number of units appropriate to the salary group to which his or her salary has been reduced, and the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit, in excess of the reduced number of units accumulated at the rate of $1\frac{1}{4}\%$ per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to him or her.
- (2) A contributor electing under subsection (1) shall surrender first the unit or units for which he or she last began to contribute.

[s 222]

- (3) The benefits (save the additional assurance benefit in respect of children) payable under this chapter in respect of units respectively of annuity benefit, incapacity benefit and assurance benefit included in the number of units in excess of the number appropriate to the salary group to which the salary of a contributor has been reduced shall, whilst the unit continues to be a unit in excess of the number appropriate to the salary group in which the salary of the contributor falls for the time being, be reduced to 35% of the rates thereof which, save for this subsection, apply under subsection (1) respectively of sections 235, 237 and 240.

222 Units of benefits to be contributed for in equal numbers

At all times units (including units to which division 4 applies) respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit, shall be contributed for in equal numbers and accordingly a contributor shall not be allowed to contribute at any time for more units of 1 such benefit than of another.

223 Period for which contributions are to continue

- (1) A member shall continue to contribute as prescribed to the fund until the last day of the fortnightly pay period last preceding the day on which—
- (a) he or she ceases to be a member; or
 - (b) he or she attains the age for retirement; or
 - (c) his or her service as a member, ascertained as prescribed by section 289 of chapter 7 equals 42 years and 6 months;

whichever first occurs, and except as aforesaid, shall continue to pay contribution, as for a period of service, without reduction in respect of any period of leave or other absence from duty.

-
- (2) Where absence from duty referred to in subsection (1), other than sick leave of absence without pay, is for a continuous period of 14 days or more (whether or not working days) a contributor shall, unless the contributor elects pursuant to subsection (3) in addition to continuing to contribute to the fund as provided by subsection (1), pay to the consolidated fund for the period, an amount determined by the Treasurer.
 - (3) A contributor who would be required to pay amounts to the consolidated fund under subsection (2) may elect in writing furnished to the board not to pay contributions to the fund in respect of the period of absence whereupon—
 - (a) contribution to the fund in respect of the contributor shall cease to be payable in respect of the period of the contributor's absence; and
 - (b) the board shall waive the additional payments to the consolidated fund that would be required by subsection (2) to be made by the contributor; and
 - (c) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter shall be reduced by such amounts as are determined by the actuary and approved by the board.
 - (4) The Governor in Council may waive the requirement under subsection (2) to make additional payments to the consolidated fund either unconditionally or upon such terms and conditions as the Governor in Council determines, either in a particular case or in respect of a class of case, and such waiver shall be given effect.
 - (5) Where a contributor is absent from duty without pay or at less than full salary, the board may, upon his or her application, permit the contribution in respect of the period of such absence to be made to the fund in such manner as respects periodical amounts or times of payment, or both, as the board approves.
 - (6) A contributor who, pursuant to subsection (1) or (2), is required to pay contributions to the fund and to make

[s 224]

additional payments to the fund in respect of a period of absence from duty—

- (a) shall, before commencing the period of absence, pay to the fund the total amount of contributions and payments that the contributor is so required to pay; or
 - (b) shall, before commencing the period of absence, make arrangements satisfactory to the board for payment of the total amount of contributions and additional payments that the contributor is so required to pay.
- (7) Where a contributor to whom subsection (6) applies does not comply with paragraph (a) or (b) of that subsection the benefits to which the contributor or the contributor's dependants may become entitled under this chapter may be reduced by such amounts as are determined by the actuary and approved by the board.

224 Refund of excess contributions

Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.

Division 3 Scale of contributions by members of the police force

225 Contributions according to scale graduated by age at commencement

- (1) The amount of contribution which shall be paid periodically by a member of the police force in respect respectively of annuity, incapacity and, in the case of a male member of the police force, assurance benefits, shall, except where otherwise provided in this chapter, be based upon—
- (a) the number of units; or

-
- (b) sex; or
 - (c) the age at which the member of the police force commences to contribute for each unit; or
 - (d) provision by contributors as to 35% of benefits payable from the fund pursuant to sections 235(1), 237(1), 240(1) and 244(1) and (2);

and shall, except where otherwise provided in this chapter, be in accordance with, in the case of male members of the police force, the table of contributions contained in schedule 19, part 1 and, in the case of female members of the police force, the table of contributions contained in schedule 19, part 2.

- (2) In respect of units of benefits for which a member of the police force who is a contributor at the commencement of the *Police Superannuation Act Amendment Act 1970* commenced to contribute before that commencement (including reserve units of benefits and any units of benefits for which the contributor contributed by way of commutation of contributions by payment of a lump sum pursuant to section 252 or by way of a single premium pursuant to section 60 of the repealed *Police Superannuation Act 1968* or towards the provision of which the contributor is deemed by section 265 to have contributed by way of a single premium), the contributor shall, on and from the said commencement, pay at the periodical interval prescribed by or under section 216 a contribution the amount of which shall, except where otherwise provided by this chapter, be—
 - (a) in respect of units of benefits (not being units for which the contributor contributed by way of commutation of contributions by payment of a lump sum pursuant to section 252 or by way of a single premium pursuant to section 60 of the repealed *Police Superannuation Act 1968* or towards the provision of which the contributor is deemed by section 265 to have contributed by way of a single premium)—the sum of—
 - (i) such amount ascertained in accordance with, in the case of male members of the police force, the table

[s 225]

- of contributions contained in schedule 18, part 1 and, in the case of female members of the police force, the table of contributions contained in schedule 18, part 2 as would provide the units of benefits; and
- (ii) the amount of the difference between such amount, ascertained in accordance with the applicable table of contributions contained in schedule 19 as if the contributor had commenced to contribute for the units on the date of commencement of the *Police Superannuation Act Amendment Act 1970*, as would provide the units of benefits and such amount, ascertained in accordance with the applicable table of contributions contained in schedule 18 as if the contributor had commenced to contribute for the units on the date of the said commencement, as would provide the units of benefits; and
- (b) in respect of units of benefits (not being units to which paragraph (a) relates)—the amount of the difference specified in paragraph (a)(ii) where a reference to units of benefits in that subparagraph is read as a reference to units of benefits to which this paragraph relates.
- (3) Subsection (4) applies to a member of the police force—
 - (a) who is a contributor at the commencement of the *Police Superannuation Act Amendment Act 1970*; and
 - (b) who before that commencement was a contributor; and
 - (c) who had not attained the age of 45 years before the said commencement.
 - (4) In respect of units of benefits (being units to which subsection (2) applies) towards the provision of which provision is deemed by section 265 to have been made by way of a single premium or for which contribution by way of a single premium pursuant to section 60 of the repealed *Police Superannuation Act 1968*, a contributor to whom this subsection applies may, by notice in writing lodged with the

board, elect to commute the increase in contributions for all, or such lesser number as the contributor may specify in the notice, of such units of benefits arising by reason of being required to contribute therefor in accordance with subsection (2) by payment of a lump sum of such amount as shall be determined by the actuary and approved by the board.

- (5) A contributor who in accordance with an election pays the lump sum specified in subsection (4) in relation to the case shall be deemed to have contributed for the units of benefits the subject of the election in accordance with subsection (2).
- (6) An election may not be made under subsection (4) more than 30 days after the commencement of the *Police Superannuation Act Amendment Act 1970*.
- (7) Nothing in section 218 shall be read as limiting the amount of the contribution payable by a contributor under this section.
- (8) For the purpose of subsection (9)—

hypothetical fortnightly contribution means the fortnightly contribution, as at 1 January 1975, that would have been payable by a contributor in respect of the units of benefit (the ***said units of benefit***) for which he or she is a contributor under this chapter as at that date (excluding any units of benefit that were effected pursuant to section 219 after 1 August 1974 and any reserve units of benefit) if—

- (a) each (if any) of the said units of benefit that was taken up pursuant to section 219 had been effected immediately before the date of its becoming a unit of benefit in respect of which an election might be made under section 219; and
- (b) each (if any) of the said units of benefit in respect of which any fortnightly contributions have been commuted by payment of a lump sum had not had the contribution in respect thereof so commuted;

but where neither paragraph (a) or (b) is applicable to the case in question means the fortnightly contribution as at 1 January

[s 226]

1975 that is payable by a contributor in respect of the said units of benefit.

- (9) A contributor whose hypothetical fortnightly contribution exceeds the sum equal to 15%, or, in case of a contributor whose age for retirement is 65 years, 13%, of his or her fortnightly salary as at 1 January 1975 may, by application in writing to the board prior to 1 March 1975, have the actual fortnightly contribution that is payable by him or her as at that firstmentioned date in respect of the said units of benefit reduced by whichever is the lesser of—
- (a) the fortnightly contribution that is payable by the contributor as at the said 1 January; and
 - (b) one-third of the excess of the hypothetical fortnightly contribution over the sum equal to 15%, of such fortnightly salary.
- (10) Any reduction in the actual fortnightly contribution under subsection (9) shall apply retrospectively on and from the first due date for the payment of the contributor's fortnightly contributions after 1 January 1975.

226 Reduction in contributors' contribution in 1988

- (1) Notwithstanding the provisions of section 225, on and from the day that is the first payday in July 1988 for the contributor concerned the amount of a contributor's contributions payable in accordance with those provisions immediately before that day shall be reduced by 1.5% of the amount of salary to which the contributor was entitled as at 31 December 1974.
- (2) In no case shall a contributor be entitled to a payment by reason of the reduction in the amount of the contributor's contribution.

Division 4 Reserve units of benefits

227 Contribution for reserve units

- (1) A contributor who is contributing to the fund for units of benefits to the number thereof specified in the scale contained in schedule 16 opposite to the salary group within which his or her salary falls, may, from time to time, elect to contribute to the fund for 1 or more reserve units of benefits in accordance with this division.
- (2) The number of reserve units respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit for which a contributor may elect to contribute at any time pursuant to subsection (1) together with the number of reserve units in respect of which he or she has already made an election under that subsection shall not exceed 12.
- (3) Contributions for a reserve unit of benefit—
 - (a) shall be in accordance with, in the case of a male member of the police force, the table of contributions contained in schedule 19, part 1 and, in the case of a female member of the police force, the table of contributions contained in schedule 19, part 2; and
 - (c) shall be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date on which the contributor elects to contribute for that reserve unit of benefit.
- (4) Unless exempted by the board therefrom a member of the police force shall, before at any time contributing or increasing the amount of his or her contributions for reserve units of benefits under this division, be medically examined at his or her own expense by a medical practitioner.
- (5) A member of the police force shall not at any time increase under this division the amount of his or her contributions to the fund if after considering the report of the medical practitioner, the board is not satisfied that the health and

[s 228]

physical condition of such member of the police force are such as would justify his or her being then accepted as a contributor.

228 When reserve units become ordinary units of benefits

Where a contributor—

- (a) who is contributing for 1 or more reserve units of benefits pursuant to this division; and
- (b) who becomes required or entitled to contribute for additional units of benefits under the provisions of this chapter (other than this division);

does not increase the amount of his or her contributions to the fund by such sum as is sufficient to provide, in accordance with the appropriate rates of contributions applicable to the particular case under this chapter, the additional units of benefits, such number of reserve units of benefits up to but not exceeding the number of such units for which the contributor is contributing pursuant to this division as is equal to the difference between—

- (c) the number of units of benefits specified in the scale contained in schedule 16 opposite to the salary group within which the contributor's salary falls; and
- (d) the number thereof (other than reserve units of benefits) for which such member of the police force is contributing;

shall cease to be reserve units to which this division applies and shall become units of benefits for which the contributor is contributing under the provisions of this chapter (other than this division) the contribution for which shall continue to be the contribution that the contributor was making to the fund therefor immediately before the units of benefits so ceased to be reserve units.

229 Contributor may discontinue contribution for reserve units

A contributor who is contributing for 1 or more reserve units of benefits may, subject to section 222, elect to discontinue his or her contributions in respect of all or any of those units in which case he or she shall be paid from the fund the sum equal to the aggregate of all amounts paid by him or her in respect of units or annuity benefit, incapacity benefit and assurance benefit for which he or she has so elected to discontinue his or her contributions accumulated at the rate of $1\frac{1}{4}\%$ per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

230 Benefits payable on reserve units

- (1) Where a contributor contributes for reserve units of benefit pursuant to this division, the benefits payable under this chapter in respect of all reserve units respectively of annuity benefit, incapacity benefit and assurance benefit for which the contributor is contributing for the time being (not being units of such benefit which have ceased pursuant to section 228 to be reserve units of benefits) shall, whilst they continue to be reserve units, be 35% of the rates thereof which would apply under this chapter if those reserve units were units of benefit for which the contributor was contributing within the number appropriate to the salary group in column 1 of the scale contained in schedule 16 in which the salary of the contributor falls for the time being.
- (2) In the case of a contributor who is continued in his or her employment as a member of the police force after attaining the age for retirement, benefits payable in respect of reserve units of annuity shall be payable to the contributor on attaining this age and shall be at the same rate as that to which the contributor would be entitled if the contributor had ceased to be a member on attaining the age for retirement.

[s 231]

231 Payment of lump sum on ceasing to contribute

- (1) A contributor who is contributing for 1 or more reserve units of benefits pursuant to this division who ceases to be a contributor for that—
 - (a) he or she was retired by reason of incapacity from his or her employment as a member of the police force before attaining the age for retirement; or
 - (b) he or she attained the age for retirement or retires from service by reason of an election referred to in section 234(2)(d);

shall be entitled by notice in writing lodged with the board to elect to be paid, in respect of all or any of the number of reserve units of annuity benefit and, in the case of a male contributor, assurance benefit and, in the case of a contributor to whom paragraph (a) applies, incapacity benefit, in respect of which but for the election he or she would be entitled to receive benefit pursuant to section 230, the sum prescribed by this section.

- (2) Notice of election under subsection (1) shall be lodged with the board—
 - (a) in the case of a contributor retired by reason of incapacity from his or her employment before attaining the age for retirement—before the expiration of a period of 1 month commencing on the date of his or her retirement; or
 - (b) in any other case—before the expiration of a period of 1 month commencing on the date on which the contributor attains the age for retirement or retires from service by reason of an election referred to in section 234(2)(d), as the case may be.
- (3) Where a contributor who is contributing pursuant to this division for 1 or more reserve units respectively of annuity benefit, incapacity benefit and assurance benefit ceases to be a contributor for a reason other than a reason specified in subsection (1) there shall be paid to him or her, or, if he or she

has died, to his or her legal personal representative or other individual approved by the board from the fund the sum prescribed by this section in respect of all reserve units respectively of annuity benefit, incapacity benefit and, save where the contributor ceases to be a contributor by reason of death before attaining the age for retirement leaving the contributor surviving a widow, assurance benefit for which he or she was contributing to the fund pursuant to this division at the time when he or she ceased to be a contributor (not being units of such benefit which have ceased pursuant to section 228 to be reserve units of benefits).

- (4) The sum prescribed by this section to be paid in respect of the number of reserve units of the benefits in question shall be a sum equal to—
 - (a) in the case of a contributor who ceased to be a contributor on account of death or retirement by reason of incapacity or attainment of the age for retirement or retirement from service by reason of an election referred to in section 234(2)(d)—such amount as shall be determined by the actuary and approved by the board; or
 - (b) in any case to which paragraph (a) does not apply—the aggregate of all amounts (accumulated at the rate of 1¹/₄% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound) contributed by the contributor in question in respect of such number of reserve units of annuity benefit, incapacity benefit and assurance benefit.
- (5) Upon payment of the sum specified in subsection (4) all reserve units of benefit in respect of which the sum is paid shall be deemed to have been commuted by the contributor.

Part 3 Benefits and payments

Division 1 Benefits transferred to accumulation account

233 Accumulation account

If a benefit is payable under this chapter to a member, other than by way of a pension, the board must credit the member's accumulation account with the amount of the benefit.

- (1) Every contributor to whom this section applies shall be entitled to annuity benefit on attaining the age for retirement or, in the case of a contributor who makes an election as is mentioned in subsection (2)(d) to retire before the day on which he or she would attain the age for retirement, on his or her retirement.

- (2) In respect of a contributor who is continued in his or her employment as a member of the police force after attaining the age for retirement the unit of annuity benefit is at the rate of \$1.34 per fortnight whilst he or she is so continued.
- (3) Where a contributor makes an election as is mentioned in section 234(2)(d) to retire before the day on which the contributor would attain the age for retirement, the unit of annuity benefit is at the rate per fortnight ascertained in accordance with the formula—

$$R = \frac{K}{100} \left(1 - \frac{t}{40} \right) 3.84$$

where—

K means 85 + 3 (age at retirement in years and complete months—55).

R means the fortnightly rate expressed in dollars to the nearest cent of each unit of benefit.

- (2) This section applies to every contributor or person if retired, by reason of incapacity, from his or her employment as a member of the police force, in respect of the period from his or her retirement and thereafter, subject to the continuance of incapacity, until he or she attains the age at which he or she would have retired if he or she had continued to be a member of the police force in the rank or grade held by him or her at his or her retirement, or until his or her re-employment as a member of the police force, whichever occurs first.
- (3) A person shall not be entitled to incapacity benefit under this chapter in respect of incapacity due to wilful action on the part of such person for the obtaining of such benefit.
- (4) If by reason of incapacity to which subsection (3) applies a contributor is retired from employment as a member of the police force, he or she shall be entitled to be paid the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit under this chapter accumulated at the rate of $1\frac{1}{4}\%$ per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound, but, save such payment, such retirement shall determine all his or her right and interest in respect of benefits for which he or she was a contributor.

- (5) A contributor or person shall not continue to receive incapacity benefit under this chapter in respect of any incapacity after recovering therefrom, it being hereby declared that upon recovery the entitlement to the benefit shall cease and determine.
- (6) Before a person is entitled to an incapacity benefit that person is to satisfy the board that the incapacity is such as to render that person permanently unfit to discharge efficiently or permanently incapable of discharging efficiently the duties of that person's office.

- (2) A person to whom subsection (1) applies who is or was prior to his or her retirement a police 74 member is not entitled to elect under subsection (1) to convert into a lump sum payment his or her entitlement to incapacity benefit under this chapter unless he or she also elects to convert into a lump sum payment the whole of his or her entitlement to an incapacity pension under chapter 7.

[s 239]

- (3) An application under subsection (1)—
 - (a) must be made within 6 months after the day the entitlement to the incapacity benefit arises; and
 - (b) shall be effective only if, in the board's opinion, the applicant is medically competent to make the application; and
 - (c) shall be made in respect of all the units of incapacity benefit and any reserve unit of incapacity benefit for which he or she contributed other than a reserve unit of incapacity benefit in respect of which he or she has elected to receive payment of the sum prescribed by section 231.

- (5) Where by reason that a member becomes a contributor on or after the commencement of the *Police Superannuation Acts Amendment Act 1977* and after the member has attained the age of 20 years, the length of the member's service, ascertained for the purposes of calculating the pension to be paid to the member under this chapter if the member attains the age for retirement, will not amount to 40 years, the member may elect within a period of 2 months after the member becomes a member to increase the rate of the member's contribution and the board may determine that the additional rate over and above the contributions that, but for

this subsection, would have been payable by the member shall be a sum calculated at such rate as the board, after consultation with the actuary, may determine, being a rate that, having regard to the fact that payments by the Crown will be in relation only to contributions by the member that would be payable but for this subsection, will enable the length of service for the purpose of calculating the pension to be paid to the member under this chapter to be regarded as the length of service ascertained in accordance with the board's determination under subsection (7) but not exceeding 40 years, and thereupon the member shall be deemed to be required to contribute to the fund at the rate so determined in addition to the rate prescribed by this chapter (other than this subsection).

- (6) A member who made an election under section 24(5) of the 1974 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(5) of the 1974 Act in addition to the rate prescribed by this chapter (other than this subsection).
- (7) Where the board has made a determination under subsection (4), (5) or (6) in relation to a member, the board may determine that, for the purpose of calculating the pension to be paid to the member under part 3, the member's length of service as a member shall be regarded as being equal to the member's actual length of service ascertained in accordance with this chapter plus such additional length of service as the board, after consultation with the actuary, may determine and thereupon this chapter shall apply to the member accordingly.
- (8) Where the board has made a determination under subsection (4), (5) or (6) upon the election of a member and the contributor satisfies the board that payment of such additional rate of the contribution by the member is causing the member undue hardship, the board may cancel its determination or vary the same by reducing, with the approval of the actuary, the additional rate of contributions to be paid by the contributor.

[s 285]

- (9) Where in respect of a contributor the board, pursuant to subsection (8), cancels a determination under subsection (4), (5) or (6), any determination under subsection (7) in respect of additional length of service of the contributor shall likewise be cancelled and cease to apply to or in respect of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund pursuant to subsection (4), (5) or (6) as the actuary determines is justified having regard to the reduced liability of the fund.
- (10) Where in respect of a contributor the board pursuant to subsection (8) varies a determination under subsection (4), (5) or (6), it shall make an appropriate variation of its consequential determination under subsection (7) of additional length of service in respect of the contributor and this chapter shall apply as if the determinations as so varied were at all relevant times the determinations originally made on the election of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions pursuant to subsection (4), (5) or (6) as the actuary determines is justified having regard to the reduced liability of the fund.
- (11) Despite subsections (1) and (2), if the salary of a contributor is reduced, the contributor shall thereupon contribute to the fund in relation to the reduced rate of the contributor's salary and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund as the actuary determines is justified having regard to the reduced liability of the fund, by reason of the reduction in salary, in respect of the prospective entitlement of the officer to benefits under this chapter and thereupon for the purpose of calculating the contributor's entitlement to benefits under this chapter the contributor's rate of salary in respect of any period before the time the contributor's salary was reduced shall be deemed not to have been in excess of the rate to which the contributor's salary was so reduced.

(12) Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.
