Information about this reprint

This reprint shows the legislation current as at the date on the cover and is authorised by the Parliamentary Counsel.

A new reprint of the legislation will be prepared by the Office of the Queensland Parliamentary Counsel when any change to the legislation takes effect. This change may be because a provision of the original legislation, or an amendment to it, commences or because a particular provision of the legislation expires or is repealed.

When a new reprint is prepared, this reprint will become a historical reprint. Also, if it is necessary to replace this reprint before a new reprint is prepared, for example, to include amendments with a retrospective commencement, an appropriate note would be included on the cover of the replacement reprint and on the copy of this reprint at www.legislation.qld.gov.au.

The endnotes to this reprint contain detailed information about the legislation and reprint. For example—

- The table of reprints endnote lists any previous reprints and, for this reprint, gives details of any discretionary editorial powers under the *Reprints Act 1992* used by the Office of the Queensland Parliamentary Counsel in preparing it.
- The list of legislation endnote gives historical information about the original legislation and the legislation which amended it. It also gives details of uncommenced amendments to this legislation. For information about possible amendments to the legislation by Bills introduced in Parliament, see the Queensland Legislation Current Annotations at www.legislation.qld.gov.au/Leg_Info/information.htm.
- The list of annotations endnote gives historical information at section level.

All Queensland reprints are dated and authorised by the Parliamentary Counsel. The previous numbering system and distinctions between printed and electronic reprints are not continued.

Division 5 Community club licence

76 Principal activity of business under community club licence

- (1) The principal activity of a business conducted under a community club licence is the provision of facilities and services to the club's members and the achievement of the club's objects.
- (2) The authority under a community club licence to sell or supply liquor does not apply unless a business is conducted on the licensed premises with the principal activity as mentioned in subsection (1).

77 Authority of community club licence

- (1) A community club licence authorises the licensee to sell liquor on the licensed premises—

 - (i) a member of the club, for consumption on or off the premises, or a guest of a member in the member's company, for consumption on the premises; or

 - (b) at any time to a resident on the premises, or a guest of a resident in the resident's company, for consumption on the premises.
- (2) Despite subsection (1)(a)(vi), if the commissioner states in a community club licence that the licensed premises include particular premises (the *other premises*) that the club owns or has a legal right to occupy and the other premises may be used on an infrequent basis for an event, the licence authorises the licensee to sell liquor within a defined area on the other premises for the event for consumption within the defined area stated in the licence if—
- (a) the sale is during ordinary trading hours for the licence to members of the public attending the event on the other premises; and
 - (b) the event is the playing of a sport or game for which the club is established; and

Example of sport or game for which a club is established—

If a rugby union club is established but the club allows other clubs to use its premises for bridge or darts, or encourages the rugby union club's members to play those games, the rugby union club is established for rugby union and not other sports or games (like bridge or darts) that may be played on its premises.

- (c) the club is catering for the event on the other premises; and

The club may also own a second field in another suburb which is used a few times a year for the club's games. The commissioner may state in the community club licence that the licensed premises includes defined areas at 1 or both fields. The community club licence authorises the club to sell liquor within the defined areas.

- (3) For subsection (2), the area of the other premises defined in the licence forms part of the licensee's licensed premises for the period the licensee is authorised to sell liquor on the other premises.
- (4) Despite section 76(1), a community club licence does not authorise the sale or supply of liquor from a facility ordinarily known as a drive-in or drive through bottle shop.
- (5) The authority under subsections (1) and (2) is subject to this Act and the conditions stated in a particular licence.
- (6) A visitor to the premises of a club who—
 - (a) with permission of an authorised agent of the management committee of the club; and

purposes of subsection (1), to be a member of the club for the day on which the visitor so plays.

- (7) If it is a team that plays a sport or game mentioned in subsection (6) as visitors to the premises of a club, every genuine official of the team is taken to be a visitor who has played the sport or game although the official has not taken part in the sport or game.

78 Restrictions on grant of community club licence

 - (c) another type of licence is still held in relation to the remainder of the larger premises, wholly or partly.

- (1) A provisional licence in relation to an application for a licence does not give the applicant authority to operate the business the subject of the application until the licence is granted.
- (2) If, while a provisional licence is in force, the holder of the licence produces the evidence stated in the licence to the satisfaction of the commissioner, the commissioner must grant the appropriate licence.
- (3) If the holder of a provisional licence does not produce the evidence stated in the licence while it is in force, the commissioner must cancel the provisional licence.
- (4) The cancellation of a provisional licence takes effect despite another provision of this Act.

124 Effect of staged development approval

- (1) A staged development approval in relation to an application for a licence authorises the applicant to sell and supply liquor as if—
 - (a) the approval were the licence the subject of the application; and
 - (b) the part of the premises stated in the approval in which the applicant is authorised to operate the business the subject of the application were licensed premises; and
 - (c) the applicant were the licensee.

- (1) If licensed premises are wholly or partially destroyed, or are damaged to such an extent that they are unsuitable for conduct of business under authority of the licence—

-
- (a) the licensee must discontinue business under authority of the licence until a temporary authority is granted under paragraph (b); and
 - (b) the commissioner may, on application made by the licensee, grant to the licensee a temporary authority to conduct business under authority of the licence.
- (2) A temporary authority may be granted in respect of—
- (a) any part or parts of the licensed premises; or
 - (b) any neighbouring premises;
- for the period the commissioner considers reasonable, although such part or parts, or neighbouring premises, do not satisfy the requirements of this Act or of the commissioner.
- (3) If the licence for the licensed premises is a commercial hotel licence, the commissioner may grant temporary authority even though part of the business that is the principal activity under the licence can not be conducted in the premises that are the subject of the authority.

Example of subsection (3)—

If a hotel is destroyed by fire but there is a detached bottle shop covered by the licence, the temporary authority may be given for the detached bottle shop even though the hotel is not able to operate or can not be rebuilt for a period of time.

- (4) A temporary authority may be—
- (a) granted for 1 term stated in the authority, but not longer than 2 years; and
 - (b) extended for a term or terms, each of which is not longer than 2 years, if the commissioner is satisfied there are special circumstances for not restoring the premises within the original term or the most recent extension of the term, including, for example—

[s 126]

 - (a) must be a true record of the original licence or permit, or part, of which it purports to be a duplicate; and
 - (b) must bear all endorsements made on the original licence or permit, or part, that remain effective at the time of issue of the duplicate; and

-
- (c) must be certified by the commissioner as complying with paragraphs (a) and (b).
 - (3) A duplicate that complies with subsection (2)—
 - (a) is valid for all purposes as the original licence or permit; and
 - (b) is admissible in evidence and for all purposes to the same extent as the original licence or permit.

128 Liability of licensees in certain cases

- (1) If a licence is held—
 - (a) by a corporation—each of the directors of the corporation is subject to the same liabilities under this Act as a licensee; or
 - (b) for or on behalf of an unincorporated association, and the licensee is absent from the management and supervision of the business conducted under authority of the licence—each of the members of the association's management committee is subject to the same liabilities under this Act as a licensee.

- (8) If the commissioner is satisfied that the applicant is not a disqualified person and is a fit and proper person to conduct the business under the authority of the licence, the commissioner may authorise the applicant to conduct the business under the authority of the licence.
- (9) If the application was made because of an order for cancellation of the licence and the commissioner authorises the conduct of the business under subsection (8), the order for cancellation is set aside.
- (10) If the commissioner is not satisfied about the matters mentioned in subsection (8), the commissioner must reject the application and may make an order under section 132.

-
- (11) On the commissioner's rejection of the application—
- (a) if an authority under subsection (2) is still in force—the authority is revoked; and
 - (b) if the application was made because of an order for cancellation of a licence—the commissioner's order for cancellation of the licence takes effect.

- (5) A person given notice under subsection (3B) or (4) who wishes to oppose the surrender requested is entitled to furnish, within 14 days after receiving the notice, a submission to the commissioner specifying the grounds of opposition.
- (6) If a surrender is accepted, the licence continues in force until a day fixed by the commissioner for its termination, by written notice given to the licensee.
- (7) Surrender of a licence or permit does not affect any liability incurred by the licensee or permittee before the surrender takes effect.
- (8) In this section—

- (4) Subsection (5) applies if an adult entertainment permit has been issued for licensed premises or premises to which a community liquor permit or restricted liquor permit relates, and the commissioner—
