

Gold Coast Waterways Authority Act 2012

Gold Coast Waterways Authority Regulation 2012

Current as at 1 July 2014

Information about this reprint

This reprint shows the legislation current as at the date on the cover and is authorised by the Parliamentary Counsel.

A new reprint of the legislation will be prepared by the Office of the Queensland Parliamentary Counsel when any change to the legislation takes effect. This change may be because a provision of the original legislation, or an amendment to it, commences or because a particular provision of the legislation expires or is repealed.

When a new reprint is prepared, this reprint will become a historical reprint. Also, if it is necessary to replace this reprint before a new reprint is prepared, for example, to include amendments with a retrospective commencement, an appropriate note would be included on the cover of the replacement reprint and on the copy of this reprint at www.legislation.qld.gov.au.

The endnotes to this reprint contain detailed information about the legislation and reprint. For example—

- The table of reprints endnote lists any previous reprints and, for this reprint, gives details of any discretionary editorial powers under the *Reprints Act 1992* used by the Office of the Queensland Parliamentary Counsel in preparing it.
- The list of legislation endnote gives historical information about the original legislation and the legislation which amended it. It also gives details of uncommenced amendments to this legislation. For information about possible amendments to the legislation by Bills introduced in Parliament, see the Queensland Legislation Current Annotations at www.legislation.qld.gov.au/Leg_Info/information.htm.
- The list of annotations endnote gives historical information at section level.

All Queensland reprints are dated and authorised by the Parliamentary Counsel. The previous numbering system and distinctions between printed and electronic reprints are not continued.
