[s 5]

- (2) In developing a transport coordination plan, the chief executive must take reasonable steps to engage in public consultation.
- (3) A transport coordination plan applies for the period specified in the plan, but the chief executive may, if it is appropriate in the circumstances, develop a new transport coordination plan for the Minister's approval even though the period has not ended.
- (4) The Minister may, at any time, direct the chief executive to prepare a new transport coordination plan for the Minister's approval or to amend the current transport coordination plan in the way the Minister directs.
- (5) The Minister may approve a transport coordination plan that is submitted for approval or require the chief executive to amend the plan in the way the Minister directs.

5 Contents of transport coordination plan

- (1) A transport coordination plan must include—
 - (a) a statement of the specific objectives sought to be achieved by the plan; and
 - (b) criteria for deciding priorities for spending on transport; and
 - (c) appropriate performance indicators for deciding whether, and to what extent, the objectives of the plan have been achieved.
- (2) A transport coordination plan must also provide—
 - (a) an adequate framework for the coordinated planning for transport; and
 - (b) a way of achieving effective and efficient use of land for transport purposes.

6 Transport coordination plan to be consistent with overall strategic planning for government etc.

Each transport coordination plan must—

- (a) be consistent with the government’s overall strategic planning for Queensland; and
- (b) take into account—
 - (i) national transport strategies; and
 - (ii) regional transport and other development strategies; and
 - (iii) local government interests; and
 - (iv) the government’s land use planning; and
 - (v) the government’s environmental policies.

7 Tabling of transport coordination plan

The Minister must cause a copy of each transport coordination plan, and of each amendment of a transport coordination plan, approved by the Minister, to be tabled in the Legislative Assembly.

8 Effect of failure to comply with pt 2

- (1) It is Parliament’s intention that this part be complied with.
- (2) However—
 - (a) this part is directory only and does not create rights or impose legally enforceable obligations on the State, Minister, chief executive or anyone else; and
 - (b) failure to comply with this part does not affect the validity of anything done or not done under this Act or another Act.
- (3) In addition, a decision made, or appearing to be made, under this part—
 - (a) is final and conclusive; and

- (i) existing or future public passenger transport;
- (ii) existing or future public passenger transport infrastructure; and

Examples of environmental emissions—

air particles, fumes, light, noise

 - (d) promoting urban development that maximises the use of public passenger transport; and
 - (e) increasing opportunities for people to access public passenger transport, including access by cycling and walking; and
 - (f) ensuring, as far as practicable, the provision of public passenger transport infrastructure to support public passenger transport; and
 - (g) ensuring development supports active transport; and
 - (h) ensuring, as far as practicable, the provision of active transport infrastructure to support active transport.
- (3) In this section—

active transport means physical activity undertaken as a means of transport from 1 place to another, including the following—

- (1) A local government must apply to the chief executive to obtain the chief executive's written approval to make a change to the management of—
 - (a) a local government road on which a scheduled passenger service identified in the guidelines under section 8E as a significant scheduled passenger service is provided; or
 - (b) another local government road if the change would, if made, have a significant adverse impact on the provision of public passenger transport.
- (2) Without limiting subsection (1)(b), a change to the management of a local government road that, if made, would adversely affect any of the following is a change that would have a significant adverse impact on the provision of public passenger transport—

 - (b) the frequency of a scheduled journey for a scheduled passenger service;
 - (c) the time taken to complete a scheduled journey for a scheduled passenger service.

Examples of changes that may adversely affect something mentioned in paragraph (a), (b) or (c)—

- the closure of a road or lane
 - the removal or alteration of a bus lane or transit lane
 - a change in the direction of traffic flow along a road
 - a change in priority settings on a road
- (3) The application must be made at least 21 days before the proposed change is to take effect.
 - (4) The chief executive—
 - (a) must consider the application within—
 - (i) 21 days after receiving it; or

-
- (ii) the longer time notified to the local government by the chief executive, in writing, before the end of the 21 days; and
 - (b) may—
 - (i) approve the proposed change, with or without conditions; or
 - (ii) refuse to approve the proposed change.
 - (5) The chief executive must give the local government written notice of the chief executive's decision on the application.

 - (a) approve the proposed change;
 - (b) refuse to approve the proposed change;
 - (c) give the local government a notice under subsection (4)(a)(ii).
 - (7) Part 5 applies to a decision of the chief executive under subsection (4)(b).
 - (8) This section does not apply if—
 - (a) the chief executive has considered the change of management of the local government road as part of the chief executive's consideration of a development application under IDAS; or
 - (b) it is reasonably necessary for the change to be made without delay including, for example, because of an emergency affecting the safety of the road network.

8E Guidelines for pt 2A

- (1) The chief executive may make guidelines—
 - (a) about a matter mentioned in section 8A; or

[s 24]

- (2) This section is enacted to remove any doubt about the chief executive's functions.
- (3) In this section—

law includes any common law rule.

24 General powers of chief executive

- (1) The chief executive has, under the Minister and as agent of the State, all the powers of the State that are necessary or desirable for performing the chief executive's functions.
- (2) Anything done in the name of, or for, the State by the chief executive in performing the chief executive's functions is taken to have been done for, and binds, the State.

 - (a) the chief executive doing anything in trade or commerce; or

-
- (b) the chief executive doing anything outside Queensland, including outside Australia.
- (6) However, the chief executive's powers are subject to any restriction expressly imposed on the chief executive under this or another Act.
- (7) This section is enacted to remove any doubt about the chief executive's powers.
- (8) In this section—
- function* includes responsibility.
- law* includes any common law rule.
- power* includes legal capacity.
- restriction* includes prohibition.
- trade or commerce* includes—
- (a) a business or professional activity; and
- (b) anything else done for gain or reward.

25 General powers regarding property

- (1) The chief executive may, for the State, acquire, hold, dispose of or otherwise deal with property for the purposes of transport, for an incidental purpose, for the purpose of a transport associated development or for a combination of these purposes.
- Note—*
- See subsections (2) and (2A) if land is to be acquired by resumption.
- (2) The power conferred by subsection (1) includes power to acquire land by resumption in accordance with this part if the land is, in the chief executive's opinion, required for the purposes of transport, for an incidental purpose, for the purpose of a transport associated development or for a combination of these purposes.
- (2A) If land is acquired by resumption for the purpose of a transport associated development as mentioned in subsection (1) or (2), at the time of acquisition the land must

also be acquired for the purposes of transport or for an incidental purpose.

- (3) Without limiting subsection (1) or (2), the chief executive may, for the State, acquire property for any of the following purposes—
 - (a) the facilitation of transport infrastructure;
 - (b) the supply or improvement of facilities for users of transport infrastructure;
 - (c) the amelioration of negative environmental effects associated with transport infrastructure;
 - (d) the construction or relocation of ancillary works and encroachments and public utility plant within the meaning of the *Transport Infrastructure Act 1994*, chapter 6.
- (4) In acquiring land under this part, the chief executive must have regard to any relevant provisions of—
 - (a) the transport coordination plan; and
 - (b) transport infrastructure strategies in force under the *Transport Infrastructure Act 1994*.
- (5) The chief executive may have regard to any other matters the chief executive considers relevant.
- (6) The power to acquire land under this part includes power to acquire land or an easement, including a transport easement for support, or other interest in land above or beneath the surface without acquiring rights in the surface.
- (7) Subsection (6) applies to the acquisition of an easement even though the easement—
 - (a) is not attached to, or used and enjoyed with, a dominant tenement; or
 - (b) must not be used and enjoyed in common with any other person.
- (8) For the *Acquisition of Land Act 1967*—

- (a) the chief executive is a constructing authority within the meaning of that Act; and
 - (b) without limiting the chief executive's powers to take land under that Act, the chief executive, as a constructing authority under that Act, may take land for purposes mentioned in subsections (1), (2) and (3).
- (9) The chief executive may, as a constructing authority under the *Acquisition of Land Act 1967*, obtain or resume a lease of State land or some other interest in State land that is less than freehold.
- (10) If the chief executive issues a notice of intention to resume a lease of State land, or some other interest in State land that is less than freehold, the chief executive must file a copy of the notice in the appropriate land register kept under the *Land Act 1994*.
- (11) If the chief executive amends or discontinues a resumption mentioned in subsection (10), the chief executive must immediately file a notice of the amendment or discontinuance in the register.
- (12) If an acquisition of land by the chief executive would sever land of the owner from other land of the owner, the chief executive may, with the Minister's approval, acquire by agreement or resumption the whole or a part of the severed area.
- (13) Land acquired under this part may be described in the instrument acquiring the land in any way sufficient to identify the land.

26 Taking of land by the chief executive for future transport purposes

An acquisition of land that will be required at some future time for a purpose for which land may be taken under this Act by the chief executive is an acquisition of land for the purposes of this Act even if the time when the land will be required is indefinite or presently can not be worked out.

26A Changing requirement for transport land

- (1) This section applies to transport land taken under the *Acquisition of Land Act 1967* for a particular transport purpose.
- (2) The Minister may, by gazette notice under this Act, declare that the land is required for another stated transport purpose.
- (3) The land is taken to have been acquired for the other transport purpose from the day the declaration is published in the gazette.
- (4) The *Acquisition of Land Act 1967*, section 41 does not apply to the land because of the change of purpose.
- (5) This section does not affect any right of a person to compensation because of the acquisition.
- (6) To remove doubt, it is declared that a declaration under subsection (2)—
 - (a) is not an acquisition of the land; and
 - (b) does not give a right to compensation.

27 Power of chief executive to lease, sell or otherwise dispose of land for transport purpose

- (1) The chief executive may, for the State, lease, sell or otherwise dispose of transport land—
 - (a) if the land is for busway transport infrastructure or bus passenger services—to any person for busway transport infrastructure or bus passenger services; or
 - (aa) if the land is for franchised road or toll road purposes—to any person for franchised road or toll road purposes; or
 - (b) if the land is for light rail transport infrastructure or light rail passenger services—to any person for light rail transport infrastructure or light rail passenger services; or

-
- (ba) if the land is for a combination of purposes (***combined purposes***) including the purpose of a transport associated development (***relevant purpose***)—to any person for a relevant purpose, whether or not the person is going to deal with the land for any other purpose included in the combined purposes; or
 - (c) if the land is for a transport purpose other than a purpose mentioned in paragraph (a), (aa), (b) or (ba)—to a transport government entity or railway manager under the *Transport Infrastructure Act 1994*.
- (2) Subsection (1) applies despite the *Acquisition of Land Act 1967*.

Note—

Subsection (1) would operate, for example, despite any implication in the *Acquisition of Land Act 1967* that the chief executive must carry out the development for which land is acquired and despite the requirements of section 41 of that Act.

- (3) To remove any doubt, it is declared that the power of the chief executive to acquire land by resumption or otherwise under this part applies even if the acquisition is carried out with the intention of disposing of land—
- (a) under subsection (1); or
 - (b) as mentioned in subsection (1)(aa), (b) or (c) under the *Transport Infrastructure Act 1994*, section 84C, 240 or 355.
- (4) Subsection (3) does not limit the power to acquire land under this part.

27A Power of chief executive to dispose of land

- (1) This section applies if—
- (a) land has been acquired under this part, and is no longer required by the chief executive as the constructing authority, under the *Acquisition of Land Act 1967*; and
 - (b) the chief executive intends to offer the land to the former owner.

- (2) Also, this section applies despite the *Acquisition of Land Act 1967*, section 41.
- (3) The chief executive may take an easement over all or part of the land to ensure the structural and operational integrity of transport infrastructure.
- (5) The chief executive must, within 7 years after the date of acquisition, give notice of the chief executive's intention (the ***chief executive's notice***) to offer the land to the former owner.
- (6) The chief executive's notice must—
 - (a) be in writing; and
 - (b) state that—
 - (i) the chief executive intends to sell the land; and
 - (ii) if the chief executive has registered an easement—the easement has been registered and the nature and terms of the easement; and
