Information about this reprint

This reprint shows the legislation current as at the date on the cover and is authorised by the Parliamentary Counsel.

A new reprint of the legislation will be prepared by the Office of the Queensland Parliamentary Counsel when any change to the legislation takes effect. This change may be because a provision of the original legislation, or an amendment to it, commences or because a particular provision of the legislation expires or is repealed.

When a new reprint is prepared, this reprint will become a historical reprint. Also, if it is necessary to replace this reprint before a new reprint is prepared, for example, to include amendments with a retrospective commencement, an appropriate note would be included on the cover of the replacement reprint and on the copy of this reprint at www.legislation.qld.gov.au.

The endnotes to this reprint contain detailed information about the legislation and reprint. For example—

- The table of reprints endnote lists any previous reprints and, for this reprint, gives details of any discretionary editorial powers under the *Reprints Act 1992* used by the Office of the Queensland Parliamentary Counsel in preparing it.
- The list of legislation endnote gives historical information about the original legislation and the legislation which amended it. It also gives details of uncommenced amendments to this legislation. For information about possible amendments to the legislation by Bills introduced in Parliament, see the Queensland Legislation Current Annotations at www.legislation.qld.gov.au/Leg_Info/information.htm.
- The list of annotations endnote gives historical information at section level.

All Queensland reprints are dated and authorised by the Parliamentary Counsel. The previous numbering system and distinctions between printed and electronic reprints are not continued.

Division 1 Introduction

17 What pt 2 is about

This part is about reforming a local government's significant business activity in accordance with the competitive neutrality principle.

See sections 43 and 44 of the Act.

18 Reforming a significant business activity

- (1) The local government must identify and assess each new significant business activity for possible reform.
- (2) If the local government decides to reform the significant business activity, the reform must involve—
 - (a) applying full cost pricing to the activity; or
 - (b) commercialising the activity; or
 - (c) corporatising the activity by creating a corporatised business entity to conduct the activity.

Division 2 Identifying significant business activities for reform

19 Thresholds for significant business activities—Act, s 43(4)(b)

- (1) This section prescribes, for section 43(4)(b) of the Act, the threshold that a business activity must meet to be a significant business activity.

[s 20]

(2) A business activity that has expenditure of at least the following for the previous financial year is a significant business activity for the current financial year—

(a) for a business activity that is the provision of combined water and sewerage services—\$13.75m;

(b) for another business activity—\$9.2m.

Note—

See, however, the *South-East Queensland Water (Distribution and Retail Restructuring) Act 2009*.

(3) The Minister must consult with LGAQ Ltd. about a proposed amendment to a threshold mentioned in subsection (2).

20 Identifying significant business activity for report—Act, s 45

For section 45(b) of the Act, a local government must use the financial information for the previous financial year that was presented to the local government's budget meeting to identify each new significant business activity for the financial year.

Division 3 Full cost pricing

21 What div 3 is about

(1) This division explains how a local government applies full cost pricing to a significant business activity as part of the reform of the activity.

(2) This division applies whether the reform is done by—

(a) full cost pricing; or

(b) commercialisation; or

(c) corporatisation.

(3) This division expands on section 44 of the Act.

22 Full cost pricing

- (1) A local government applies full cost pricing to a significant business activity by charging for goods or services at the full cost of providing the goods or services, subject to the following—
 - (a) the pricing provisions;
 - (b) the removal of any competitive advantage or disadvantage, whenever possible and appropriate;
 - (c) if a competitive advantage or disadvantage can not be removed—the taking of the competitive advantage or disadvantage into account when pricing the goods or services.
- (2) For subsection (1)—
 - (a) a local government applies full cost pricing to a significant business activity if the total projected revenue from providing all of the activity’s goods and services is enough to cover the projected total costs of conducting the activity; and
 - (b) it is not relevant whether the projected revenue from providing a particular good or service is enough to cover the projected costs incurred in providing that particular good or service.
- (3) A ***competitive advantage*** is an advantage a business entity conducting a significant business activity has over a private sector business because the local government owns the activity.
- (4) For example, a competitive advantage includes—
 - (a) a financial advantage; and
 - (b) a procedural advantage; and
 - (c) a regulatory advantage.

Examples of a financial advantage—

A business entity conducting a significant business activity has a financial advantage if the business entity—

[s 23]

- is exempt from paying a local government tax a private sector business must pay; or
- is charged a different government tax from the government tax a private sector business is charged; or
- is charged a lower rate of interest on a bank loan because the State guarantees the loan.

Examples of a procedural advantage—

A business entity conducting a significant business activity has a procedural advantage if the business entity—

- does not have to supply the same amount of information under a government approval process as a private sector business; or
- can access more information for a government approval process than a private sector business can access.

Example of a regulatory advantage—

A business entity conducting a significant business activity has a regulatory advantage if the business entity is exempt (completely or partly) from a government approval process a private sector business must follow.

- (5) A ***competitive disadvantage*** is a disadvantage a business entity conducting a significant business activity suffers over a private sector business because the local government owns the activity.
- (6) For example, a competitive disadvantage includes a community service obligation.

23 Cost of community service obligations

- (1) This section applies when a local government is deciding what to charge for goods or services provided in conducting a significant business activity.
- (2) The cost of carrying out community service obligations, less any revenue received from performing the obligations, must be treated as revenue for the significant business activity.

24 Community service obligations

A *community service obligation* is an obligation the local government imposes on a business entity to do something that is not in the commercial interests of the business entity to do.

Example of a community service obligation—

giving a price concession to a particular group of customers, including pensioners, seniors and students

25 Taking account of government taxes

- (1) A commercialised business unit that is applying full cost pricing to a significant business activity must comply with the tax equivalents manual.
- (2) The *tax equivalents manual* is a manual, issued by the Treasurer, about how a local government must account for tax equivalents.
- (3) A *tax equivalent* is an amount that is the equivalent to the advantage gained by a local government by not paying a tax the local government would be liable to pay if it were a private sector business.
- (4) A *tax* includes any charge, duty, fee, levy or rate payable under an Act of the Commonwealth or the State, including the Act.
- (5) The tax equivalents manual may, for example, provide for—
 - (a) lodging tax returns; and
 - (b) assessing tax returns; and
 - (c) rulings, including the application of rulings about taxes imposed under a Commonwealth Act; and
 - (d) objections and appeals against assessments and rulings; and
 - (e) the appointment of tax assessors.

- (6) The Treasurer must table a copy of each amendment of the tax equivalents manual in the Legislative Assembly within 14 sitting days after the amendment is made.

- (2) This involves the local government ensuring the significant business activity is conducted by a commercial business unit within the local government, as required under this division.

27 Commercial business unit

- (1) As part of the commercialisation of a significant business activity, a local government must—
 - (a) if the activity is being conducted by a business unit—convert the business unit to a commercial business unit; or
 - (b) if the activity is not being conducted by a business unit—create a commercial business unit and transfer the activity to the commercial business unit.
- (2) A *commercial business unit* is a business unit that conducts business in accordance with the key principles of commercialisation.

28 What are the *key principles of commercialisation*

The *key principles of commercialisation*, for a commercial business unit, are—

- (a) clarity of objectives, namely that the local government—

- (i) gives the unit clear and non-conflicting objectives; and
 - (ii) sets specific financial and non-financial performance targets for the significant business activity; and
 - (iii) keeps activities relating to local government policy formulation, or that are of a regulatory nature, separate from the unit, wherever possible; and
 - (iv) clearly identifies the nature and extent of the community service obligations the unit must perform; and
 - (v) sets performance targets for the unit's community service obligations; and
 - (vi) separately costs the unit's community service obligations; and
 - (vii) appropriately compensates the unit for performing the community service obligations, and discloses details of the compensation to the public; and
- (b) management autonomy and authority, namely that—
- (i) the unit remains at arms-length to the local government in day-to-day operations; and
 - (ii) the local government gives the unit autonomy in day-to-day operations, subject to overarching monitoring; and
 - (iii) any directions the local government gives the unit to achieve non-commercial objectives are given in an open way; and
 - (iv) the unit uses its best endeavours to ensure the unit meets its performance targets; and
- (c) accountability for performance, namely that—
- (i) the local government monitors the unit's performance against the performance targets; and

- (ii) the unit must generally be subject to the management framework of the local government; and
 - (iii) the unit complies with all laws the local government must comply with; and
- (d) competitive neutrality, namely that the unit complies with the competitive neutrality principle by—
 - (i) removing any competitive advantage or competitive disadvantage, wherever possible and appropriate; and
 - (ii) promoting efficiency of the use of resources to ensure markets are not unnecessarily distorted.

29 Converting a business unit to a commercial business unit

- (1) A local government must make the decision to convert a business unit to a commercial business unit by resolution.
- (2) A local government converts a business unit to a commercial business unit by changing the way in which the business unit is conducted to agree with the key principles of commercialisation.

30 Creating a commercial business unit

- (1) A local government must make the decision to create a commercial business unit by resolution.
- (2) The decision may be made in the same resolution the local government makes to commercialise a significant business activity.
- (3) A commercial business unit may be created to conduct more than 1 significant business activity.

- (3) For deciding charges to persons for goods or services provided in conducting the business activity, the individual

advantages and disadvantages that make up the net advantage must be taken into account in deciding the required revenue under schedule 4, section 2.

Division 7 Competitive neutrality complaints

Subdivision 1 Introduction

42 What div 7 is about

This division prescribes, for section 48(4) of the Act, the process for resolving competitive neutrality complaints.

Subdivision 2 Complaint process

43 Application of sdiv 2

- (1) This subdivision applies to a business activity, conducted by a business entity, to which the competitive neutrality principle applies.
- (2) The *relevant local government* for the business activity is—

 - (b) if the business entity conducting the activity is a corporatised business entity—the local government that owns or controls the corporatised business entity.

44 Minimum requirements for complaint process

- (1) This section sets out the minimum requirements for the relevant local government's process for resolving a competitive neutrality complaint in relation to the business entity.

46 QPC must investigate and report on complaint

The QPC must, subject to this part, investigate and report on a competitive neutrality complaint received under section 45.

47 QPC requiring further information

- (1) The QPC may, by notice given to a complainant, require the complainant to give the QPC further information about the

complaint (the *additional information*) within the reasonable period stated in the notice (the *stated period*).

- (2) However, the QPC may only require additional information that is necessary and reasonable to help the QPC to decide whether or not to investigate the complaint.
- (3) The QPC may refuse to investigate a complaint if the complainant fails, without reasonable excuse, to give the QPC the additional information within the stated period.

48 QPC refusing to investigate

- (1) The QPC may refuse to investigate a competitive neutrality complaint if the QPC reasonably believes that—
 - (a) the complainant has not shown that the complainant made a genuine attempt to resolve the matter through the process mentioned in section 44(2)(a); or
 - (b) the complainant is not, or will not be, in competition with the relevant local government, after the QPC considers—

 - (a) the complainant; and
 - (b) the relevant local government; and
 - (c) if a corporatised business entity is conducting the business activity—the corporatised business entity.
- (2) The QPC may also give an investigation notice to another person the QPC considers appropriate.

tourist infrastructure levy see section 66(1).

66 Imposition of levy

- (1) A levy (the *tourist infrastructure levy*) is imposed on each Kuranda rail operator until 31 December 2020.

- (2) The levy is at the rate of \$1 for each passenger journey to or from Kuranda on the Kuranda rail line provided by the Kuranda rail operator, other than a journey provided free of charge.

70 Expiry

This part expires on 30 June 2021.

Chapter 4 Rates and charges

Part 1 Preliminary

71 What ch 4 is about

- (1) This chapter is about local government rates and charges.

Note—

See chapter 4, part 1 of the Act.

- (2) A provision of this chapter does not apply to the local government area of an indigenous local government to the extent that the provision relies on the valuation of land under the Land Valuation Act.

72 What is the *value* of land

The *value*, of land for a financial year, is its value under the Land Valuation Act when a liability for payment of rates or charges for the land arises for the financial year.

Part 2 Land exempt from rating

73 Land that is exempt from rating—Act, s 93

For section 93(3)(j)(ii) of the Act, the following land is exempted from rating—

- (a) land owned by a religious entity if the land is less than 20ha and is used for 1 or more of the following purposes—
 - (i) religious purposes, including, for example, public worship;
 - (ii) the provision of education, health or community services, including facilities for aged persons and persons with disabilities;
 - (iii) the administration of the religious entity;
 - (iv) housing incidental to a purpose mentioned in subparagraphs (i) to (iii);
- (b) land vested in, or placed under the management and control of, a person under an Act for—
 - (i) a public purpose that is a recreational or sporting purpose; or
 - (ii) a charitable purpose;
- (c) land used for the purposes of a public hospital if—
 - (i) the public hospital is—
 - (A) part of a private hospital complex; or
 - (B) a private and public hospital complex; and
 - (ii) the land used for the purposes is more than 2ha and is separated from the rest of the complex;
- (d) land owned by a community organisation if the land is less than 20ha and is used for providing the following—

- (i) accommodation associated with the protection of children;
- (ii) accommodation for students;
- (iii) educational, training or information services aimed at improving labour market participation or leisure opportunities;
- (e) land used for a cemetery.

Part 3 Value of land used for rates

74 Rateable value of land

- (1) A local government must calculate the rates for land by using the rateable value of the land.
- (2) The *rateable value* of land for a financial year is the value of the land—
 - (a) for the financial year; or
 - (b) as averaged over a number of financial years.
- (3) A local government may use the value of the land averaged over a number of financial years only if the local government decides, by resolution, to do so.
- (4) The resolution must state whether the local government will use, for deciding the rateable value of the land—
 - (a) the 2-year averaged value of the land; or
 - (b) the 3-year averaged value of the land.
- (5) However, if the value of the land averaged over a number of financial years is more than the value of the land for the financial year, the rates must be calculated using the value of the land for the financial year.

75 Working out the 2-year averaged value

- (1) The *2-year averaged value* of land for a financial year is the amount that equals—
- (a) if the land had a value for the previous financial year—
 - the value of the land for the previous financial year
 - plus the value of the land for the financial year
 - divided by 2; or
 - (b) if the land did not have a value for the previous financial year—
 - the value of the land for the financial year
 - multiplied by the 2-year averaging number.
- (2) The *2-year averaging number*, for a financial year, is the number calculated to 2 decimal places by using the formula—

$$\frac{T}{2V}$$

where—

T is the total of the values of all rateable land in the local government's area for the financial year and the previous financial year.

V is the value of all rateable land in the local government's area for the financial year.

76 Working out the 3-year averaged value

- (1) The *3-year averaged value* of land for a financial year is the amount that equals—
- (a) if the land had a value for the 2 previous financial years—
 - the sum of the value of the land for each of the 2 previous years
 - plus the value of the land for the financial year

[s 77]

- divided by 3; or
- (b) if the land did not have a value for the 2 previous financial years—
 - the value of the land for the financial year
 - multiplied by the 3-year averaging number.
- (2) The **3-year averaging number**, for a financial year, is the number calculated to 2 decimal places by using the formula—

$$\frac{T}{3V}$$

where—

T is the total of the values of all rateable land in the local government's area for the financial year and the previous 2 financial years.

V is the value of all rateable land in the local government's area for the financial year.

Part 4 Minimum general rates

77 Minimum general rates for land generally

- (1) A local government may fix a minimum amount of general rates.
- (2) The local government may identify parcels of rateable land to which a minimum amount of general rates applies in any way the local government considers appropriate.
- (3) However, a local government must not levy minimum general rates for a parcel of land if—
 - (a) the Land Valuation Act, chapter 2, part 2, division 5, subdivision 3, applies to the parcel of land; and

Editor's note—

Land Valuation Act, chapter 2, part 2, division 5, subdivision 3
(Discounting for subdivided land not yet developed (non-Land
Act rental))

- (b) the discounted valuation period for the parcel of land has not ended under that subdivision.
- (4) Generally, the same minimum amount of general rates must apply to all rateable land in the local government area.
- (5) However, a local government may fix a different minimum amount of general rates only for—
 - (a) if there are different rating categories of rateable land for the local government area, each different rating category; or
 - (b) timeshare property; or
 - (c) any of the following—
 - (i) a mining lease granted for mining for minerals over land that is not larger than 2ha;
 - (ii) a mining lease granted for a purpose that is associated with mining for minerals over land that is not larger than 4ha; or
 - (d) land that is subject to a mining claim, subject to section 79.
- (6) For subsection (5)(a), if a local government fixes a different minimum amount of general rates for different rating categories, the same minimum amount of general rates must apply to all rateable land belonging to a particular rating category.

78 Minimum general rates on timeshare property

- (1) This section applies to a local government for fixing a minimum amount of general rates on—
 - (a) land where there is a structure wholly or partially subject to a timeshare scheme; or

[s 79]

- (b) a lot included in a community titles scheme under the *Body Corporate and Community Management Act 1997* where there is a structure wholly or partially subject to a timeshare scheme; or
 - (c) a lot within the meaning of a community titles Act other than the *Body Corporate and Community Management Act 1997* where there is a structure wholly or partially subject to a timeshare scheme.
- (2) The local government may decide the minimum amount of general rates is to be worked out using the formula—

$$MA = L \times RU$$

where—

MA is the minimum amount.

L is the minimum amount of general rates that would, other than for this section, be payable for the land or lot.

RU is the number of units of the structure that are subject to the timeshare scheme and are available at any time for separate exclusive occupation.

79 Value of mining claim for fixing minimum general rates

For fixing a minimum amount of general rates for land subject to a mining claim, the value of the mining claim is—

- (a) for a mining claim over land that is 900m² or less—\$150; or
- (b) for a mining claim over land that is larger than 900m²—\$450.

Part 5 Differential general rates

Division 1 Introduction

80 Differential general rates

- (1) A local government may levy general rates that differ for different categories of rateable land in the local government area.
- (2) These rates are called *differential general rates*.
- (3) For example, a local government may decide the amount of the general rates on a parcel of residential land will be more than the general rates on the same size parcel of rural land.
- (4) However, the differential general rates for a category of rateable land may be the same as the differential general rates for another category of rateable land.
- (5) If a local government makes and levies a differential general rate for rateable land for a financial year, the local government must not make and levy a general rate for the land for the year.
- (6) A differential general rate may be made and levied on a lot under a community titles Act as if it were a parcel of rateable land.

81 Categorisation of land for differential general rates

- (1) Before a local government levies differential general rates, it must decide the different categories (each a *rating category*) of rateable land in the local government area.
- (2) The local government must, by resolution, make the decision at the local government's budget meeting.
- (3) The resolution must state—
 - (a) the rating categories of rateable land in the local government area; and

- (b) a description of each of the rating categories.

Example—

A resolution may state that the rating categories, and a description of each of the rating categories, are as follows—

- (a) residential land—land that is used for residential purposes in particular urban centres, rural localities, park residential estates and coastal villages;
 - (b) commercial and industrial land—land that is used solely for commerce or industry in particular urban centres and rural localities, other than land used for manufacturing sugar or another rural production industry;
 - (c) grazing and livestock land—land that is used, for commercial purposes, for grazing and livestock;
 - (d) sugar cane land—land that is used for producing sugar cane;
 - (e) sugar milling land—land that is used for manufacturing sugar;
 - (f) rural land—
 - (i) land that is not in an urban centre or locality; or
 - (ii) land that is not used for grazing and livestock; or
 - (iii) land that is not sugar cane land or sugar milling land;
 - (g) other land—any other type of land.
- (4) After the rating categories and descriptions have been decided, the local government must identify the rating category to which each parcel of rateable land in the local government area belongs.
- (5) The local government may do so in any way it considers appropriate.
- (6) The fact that some parcels of rateable land are inadvertently not categorised does not stop differential general rates being levied on rateable land that has been categorised.

82 Later categorisation

- (1) This section applies if—
- (a) the local government discovers that land has inadvertently not been categorised; or

-
- (b) land becomes rateable land; or
 - (c) the local government considers that the rating category of a parcel of land should be changed, in view of the description of each rating category; or
 - (d) 2 or more parcels of rateable land are amalgamated into a single parcel of rateable land.
- (2) The local government must decide what rating category the land should be in.
- (3) The decision takes effect—
- (a) for a decision because of subsection (1)(a)—from the start of the relevant financial year; or
 - (b) for a decision because of subsection (1)(b)—from the day when the land became rateable land; or
 - (c) for a decision because of subsection (1)(c)—from the day when the decision is made; or
 - (d) for a decision because of subsection (1)(d)—from the day when the survey plan of amalgamation is registered by the registrar of titles.

Division 2 Entering land to categorise land

83 Appointing categorisation officer

- (1) The chief executive officer may appoint a qualified person as a categorisation officer for this division.
- (2) For subsection (1), a person is qualified if the person—
 - (a) has the competencies the chief executive officer considers are necessary to perform the functions that are required to be performed by the person under this division; and
 - (b) is authorised by a local government for this division.
- (3) A categorisation officer's appointment is subject to—

- (a) section 85; and
- (b) the conditions stated in the document that appoints the categorisation officer.

84 Identity card for categorisation officer

- (1) The chief executive officer must give each categorisation officer an identity card.
- (2) A person who stops being a categorisation officer must return the person's identity card to the chief executive officer, within 21 days after stopping being a categorisation officer, unless the person has a reasonable excuse.

Maximum penalty for subsection (2)—10 penalty units.

85 Exercise of power of entry

- (1) A categorisation officer may enter private property under this division only—
 - (a) with the permission of the occupier of the property; or
 - (b) to ask the occupier of the property for permission to stay on the property to exercise the powers under this division; or
 - (c) with, and in accordance with, a warrant.
- (2) Subject to subsection (7), section 129, other than subsections (2)(b) and (4)(a)(ii), of the Act (the *applied provision*) applies to a categorisation officer for entering private property under subsection (1)(a) or (b).
- (3) Subject to subsections (4) and (7), sections 130, other than subsections (5) and (6)(a), and 131 of the Act (also the *applied provisions*) apply to a categorisation officer for entering private property under subsection (1)(c).
- (4) However, a magistrate may issue a warrant for entering private property under this division only if—
 - (a) the magistrate is satisfied—

-
- (i) the warrant is sought for entering the property for a proper purpose; and
 - (ii) the occupier of the property has unreasonably refused a request for permission to enter the property under section 129(2) of the Act as applied under subsection (2); and
- (b) the warrant states the purpose for which it is issued.
- (5) For subsection (4)(a)(i), a proper purpose is to enable any of the following to happen—
- (a) the rating categories into which rateable land in a local government area is to be categorised to be decided;
 - (b) a description for each of the rating categories to be decided;
 - (c) the rating category for a parcel of rateable land to be identified;
 - (d) an objection against the categorisation of rateable land to be decided.
- (6) Subject to subsection (7), sections 126, 136 and 137 of the Act (also the *applied provisions*) apply to a categorisation officer for entering private property under this division.
- (7) The applied provisions apply as if—
- (a) a reference in the applied provisions to an authorised person were a reference to a categorisation officer; and
 - (b) a reference in the applied provisions, other than section 137 of the Act, to a Local Government Act were a reference to this division; and
 - (c) a reference in the applied provisions to the powers under the Act were a reference to the powers under this division; and
 - (d) a reference in the applied provisions to the powers or action under chapter 5, part 2, division 1 of the Act were a reference to the powers or action under this division.

Editor's note—

sections 126 (Producing authorised person's identity card), 129 (Entering private property with, and in accordance with, the occupier's permission), 130 (Entering private property with, and in accordance with, a warrant), 131 (Warrants—applications made electronically), 136 (Authorised person to give notice of damage) and 137 (Compensation for damage or loss caused after entry) of the Act

86 End of appointment of categorisation officer

- (1) A person stops being a categorisation officer—
 - (a) at the end of the term of appointment stated in the document that appointed the person; or
 - (b) if the person gives the local government a signed notice of resignation; or
 - (c) if it is a condition of the person's appointment that the person hold another position at the same time—if the person stops holding the other position.
- (2) This section does not limit the ways in which a categorisation officer's appointment ends.

87 Entering private property with written notice

- (1) For the purpose of deciding an appeal relating to the categorisation of land, a Land Court representative may, after giving the occupier of a private property at least 14 days written notice, enter the property, other than a home on the property.
- (2) The written notice must inform the occupier of—
 - (a) the Land Court representative's intention to enter the property; and
 - (b) the reason for entering the property; and
 - (c) the day and time when the property is to be entered.

- (3) The Land Court representative may enter the property under subsection (1) at any reasonable time of the day without the permission of the occupier.
- (4) Also, as soon as the Land Court representative enters the property, the representative must inform an occupier of the property of the reason for entering the property.
- (5) If there is no occupier of the property, this section applies as if a reference to the occupier of the property were a reference to an owner of the property.
- (6) In this section—

Land Court representative means each of the following persons—

- (a) a member of the Land Court;
- (b) a person authorised in writing by a member of the Land Court for this section.

Division 3 Notice of categorisation of land

88 Notice to owner of categorisation

- (1) This section applies if a local government decides to levy differential general rates on rateable land for a financial year.
- (2) The local government must ensure each of the following rate notices (a *relevant rate notice*) is accompanied by, or contains, a rating category statement—
 - (a) the first rate notice for the financial year given to the owner of the land;
 - (b) a later rate notice for the financial year if—
 - (i) the owner of the land has changed since the first rate notice for the financial year was issued; or
 - (ii) the rating category for the land has changed since the first rate notice for the financial year was issued.

- (3) However, a rating category statement may also accompany, or be contained in, a rate notice other than a relevant rate notice.
- (4) The *rating category statement* is a document stating—
 - (a) the rating categories for land in the local government area, and a description of each of the rating categories; and
 - (b) the rating category for the land (the *owner's land*) described in the rate notice accompanying or containing the rating category statement; and
 - (c) that the owner may object to the categorisation of the owner's land only on the ground that the rating category is wrong in reference to the local government's descriptions of the rating categories; and
 - (d) that the owner may object by giving the local government an objection notice within—
 - (i) 30 days after the date when the first rate notice was issued; or
 - (ii) a longer period that the local government allows; and
 - (e) that the owner is liable to pay the amount in the rate notice even if the owner gives an objection notice; and
 - (f) that, if the rating category of the owner's land is changed because of the objection, the rates will be adjusted at that time.

Division 4 Objecting to rates category

89 What div 4 is about

- (1) This division is about an owner of land making an objection, or starting an appeal, relating to the rating category for the land.

-
- (2) However, the making of an objection, or the starting of an appeal, does not stop the levying and recovery of rates on the land.

90 Land owner's objection to rates category

- (1) This section applies if an owner of rateable land wants to object to the rating category for the land that is stated in a rate notice for the land.
- (2) The only ground for objecting is that the owner considers the land should belong to a different rating category.
- (3) The owner may object by giving the local government an objection notice.
- (4) An *objection notice* is a document, in a form approved by the local government, stating—
- (a) the rating category that the owner claims the land should belong to; and
 - (b) the facts and circumstances on which the owner makes that claim.
- (5) The owner must give the objection notice within—
- (a) 30 days after the day when the rate notice was issued; or
 - (b) a longer period that the local government allows.

91 Decision on a land owner's objection

- (1) This section applies if the owner of rateable land properly objects to the rating category for the land.
- (2) The chief executive officer must consider the objection and decide—
- (a) to change the rating category for the land—
 - (i) to the rating category to which the owner claims in the objection notice the land should belong; or
 - (ii) to another rating category; or

- (b) not to allow the objection.
- (3) The chief executive officer must give the owner notice of—
 - (a) the decision; and
 - (b) the reasons for the decision.
- (4) The chief executive officer must give the notice within 60 days after the objection was made.
- (5) If the chief executive officer decides to change the rating category of the land, the rating category is taken to have been changed from the start of the period of the rate notice.

92 Land owner's appeal against decision

- (1) This section applies if the owner of rateable land wants to appeal against a decision of—
 - (a) the local government not to allow a longer period for giving an objection notice; or
 - (b) the chief executive officer on the owner's objection to the rating category for the land.
- (2) The owner may appeal by filing an appeal notice in the Land Court registry, within 42 days after the day when the owner received notice of the decision.
- (3) The appeal notice must be in the form approved by the Land Court.
- (4) The owner must give a copy of the filed appeal notice to the local government, within 7 days after the appeal notice was filed.
- (5) If the owner fails to do so, it does not affect the making of the appeal, or the jurisdiction of the Land Court to decide the appeal, but the court may award costs against the owner for any adjournment that is caused by the owner's failure.

93 Decision on a land owner's appeal

- (1) For an appeal under this division, the Land Court is constituted by 1 member.
- (2) The Land Court—
 - (a) must conduct the appeal with a view to its prompt disposal; and
 - (b) must observe natural justice; and
 - (c) is not bound by the rules of evidence.
- (3) The Land Court may decide to—
 - (a) if the appeal is against the decision of the local government not to allow a longer period for giving an objection notice—
 - (i) allow a longer period for giving an objection notice; or
 - (ii) not allow the appeal; or
 - (b) if the appeal is against the decision of the chief executive officer on the owner's objection to the rating category for the land—
 - (i) change the rating category for the land; or
 - (ii) not allow the appeal.
- (4) If the Land Court decides to change the rating category for the land, the rating category is taken to have been changed from the start of the period of the rate notice.

Part 6 Special rates and charges

94 Levying special rates or charges

- (1) This section applies if a local government decides to levy special rates or charges.

Note—

See the Act, section 92(3) (Types of rates and charges), definition *special rates and charges*.

- (2) The local government's resolution to levy special rates or charges must identify—
 - (a) the rateable land to which the special rates or charges apply; and
 - (b) the overall plan for the service, facility or activity to which the special rates or charges apply.
- (3) The **overall plan** is a document that—
 - (a) describes the service, facility or activity; and
 - (b) identifies the rateable land to which the special rates or charges apply; and
 - (c) states the estimated cost of carrying out the overall plan; and
 - (d) states the estimated time for carrying out the overall plan.
- (4) The local government must adopt the overall plan before, or at the same time as, the local government first resolves to levy the special rates or charges.
- (5) Under an overall plan, special rates or charges may be levied for 1 or more years before any of the special rates or charges are spent in carrying out the overall plan.
- (6) If an overall plan is for more than 1 year, the local government must also adopt an annual implementation plan for each year.
- (7) An **annual implementation plan** for a financial year is a document setting out the actions or processes that are to be carried out in the financial year for the service, facility or activity to which the special rates or charges apply.
- (8) The local government must adopt the annual implementation plan before or at the budget meeting for each year of the period for carrying out the overall plan.

-
- (9) The local government may at any time, by resolution, amend—
- (a) an overall plan; or
 - (b) an annual implementation plan.
- (10) The local government may fix a minimum amount of the special rates or charges.
- (11) Subsection (12) applies if the local government decides to levy special rates or charges on particular rateable land for a service, facility or activity.
- (12) The amount of the special rates or charges for the particular rateable land may be different to the amount for other rateable land because, in the local government’s opinion—
- (a) the land or its occupier—
 - (i) specially benefits from the service, facility or activity; or
 - (ii) has or will have special access to the service, facility or activity; or
 - (b) the land is or will be used in a way that specially contributes to the need for the service, facility or activity; or
 - (c) the occupier of the land specially contributes to the need for the service, facility or activity.
- (13) For subsection (12), the local government may levy the special rates or charges on any basis the local government considers appropriate.
- (14) In any proceedings about special rates or charges, a resolution or overall plan mentioned in subsection (2) is not invalid merely because the resolution or plan—
- (a) does not identify all rateable land on which the special rates or charges could have been levied; or
 - (b) incorrectly includes rateable land on which the special rates or charges should not have been levied.

- (15) To remove any doubt, it is declared that a local government may make and levy a special rate or charge for a service, facility or activity whether or not supplied or undertaken by the local government itself, including a service, facility or activity supplied or undertaken by another local government—
- (a) in the other local government's local government area; and
 - (b) conducted as a joint government activity by the local governments.

95 Carrying special rates or charges forward to a later financial year

- (1) This section applies if a local government does not spend all of the special rates or charges that are raised in a financial year in carrying out an annual implementation plan.
- (2) The local government may carry the unspent special rates or charges forward for spending under an annual implementation plan in a later financial year.

96 Surplus special rates or charges after plan is carried out

- (1) This section applies if—
 - (a) a local government implements an overall plan; and
 - (b) the local government has not spent all the special rates or charges.
- (2) The local government must, as soon as practicable, pay the unspent special rates or charges to the current owners of the land on which the special rates or charges were levied.
- (3) The payments to the current owners must be in the same proportions as the special rates or charges were last levied.

97 Surplus special rates or charges after plan is cancelled

- (1) This section applies if—
 - (a) a local government decides to cancel an overall plan before it is carried out; and
 - (b) the local government has not spent all the special rates or charges.
- (2) The local government must, as soon as practicable, pay the unspent special rates or charges to the current owners of the land on which the special rates or charges were levied.
- (3) The local government must pay the current owners—
 - (a) if the overall plan identifies the beneficiaries of the plan—in the proportions that the local government, by resolution, decides; or
 - (b) if the overall plan does not identify the beneficiaries of the plan—in the same proportions as the special rates or charges were last levied.
- (4) The local government must decide the proportions having regard to—
 - (a) the proportions in which the special rates or charges were last levied; and
 - (b) the extent to which the rateable land, or the owners of the rateable land, will benefit from or have access to the service, facility or activity.
- (5) The *beneficiaries* of the plan are the owners of the rateable land that will benefit from or have access to the service, facility or activity.

98 Returning special rates or charges incorrectly levied

- (1) This section applies if a rate notice includes special rates or charges that were levied on land to which the special rates or charges do not apply or should not have been levied.

- (2) The rate notice is not invalid, but the local government must, as soon as practicable, return the special rates or charges to the person who paid the special rates or charges.

Part 7 Utility charges

99 Utility charges

- (1) A local government may levy utility charges on any basis the local government considers appropriate.
- (2) For example, utility charges may be levied on the basis of any, or any combination, of the following—
 - (a) the rateable value of land;
 - (b) the use made of—
 - (i) a particular parcel of land; or
 - (ii) a particular structure; or
 - (iii) a class of land or structure;
 - (c) any circumstances that are peculiar to the supply of a service to—
 - (i) a particular parcel of land; or
 - (ii) a particular structure; or
 - (iii) a class of land or structure.
- (3) A local government may do 1 or both of the following—
 - (a) levy utility charges for services that have been supplied or are to be supplied during part of the financial year and part of another financial year;
 - (b) levy differing utility charges for services that have been supplied or are to be supplied during various periods in 1 or more financial years, and decide the way the charges are to be apportioned.

-
- (4) However, a local government may only levy utility charges for services—
- (a) supplied in the last financial year; or
 - (b) supplied, or to be supplied, in the current financial year; or
 - (c) to be supplied in the next financial year.

100 Utility charges before facilities are constructed

- (1) A local government may, in a financial year (the *current financial year*), levy utility charges for supplying a water service or sewerage service before the facility for supplying the service has been constructed if—
- (a) the local government reasonably believes the service will be supplied in the next financial year; and
 - (b) the local government—
 - (i) has started constructing the facility; or
 - (ii) intends to start constructing the facility during the next financial year, and has included the funds that are necessary for construction in its annual budget for the current financial year.

Note—

See, however, the *South-East Queensland Water (Distribution and Retail Restructuring) Act 2009*.

- (2) The utility charges are not invalid only because the service is not supplied in the next financial year for reasons beyond the local government's control.
- (3) In this section—
- sewerage service* see the *Water Supply (Safety and Reliability) Act 2008*, schedule 3.

101 Working out utility charges for water services

- (1) The utility charges for a water service must be charged—
- (a) wholly according to the water used; or
- Note—*
- See, however, the *South-East Queensland Water (Distribution and Retail Restructuring) Act 2009*.
- (b) partly according to the water used, using a 2-part charge.
- (2) The utility charges for the water used must be worked out on the basis of—
- (a) if the water used is not measured by a water meter—
 - (i) the estimated average water usage of the consumers within a group of consumers who have similar water usage; or
 - (ii) another method that is appropriate to decide a consumer's likely water usage; or
 - (b) if the water used is measured by a water meter—
 - (i) an amount for each unit, or part of a unit, of water that is used; or
 - (ii) a fixed amount plus an amount for each unit, or part of a unit, of water that is used over a stated quantity.

Example for paragraph (b)(ii)—

A local government's utility charges are worked out on the basis of an access charge of \$100 for domestic consumers, and \$600 for commercial consumers, plus a usage charge of \$1 for each kilolitre of water used.

The local government works out that—

- (a) the actual usage of a domestic consumer was 300kL a year; and
- (b) the actual usage of a commercial consumer was 2000kL a year.

The utility charges for the year would be—

- (a) \$400 for the domestic consumer (i.e. \$100 + [\$1 x 300kL]); and
- (b) \$2600 for the commercial consumer (i.e. \$600 + [\$1 x 2000kL]).

-
- (3) Utility charges for water are not invalid only because the local government does not comply with this part.

102 Reading meters for utility charges

- (1) This section is about the reading of meters for utility charges.
- (2) A local government may, by resolution, decide a meter is taken to have been read during the period that starts 2 weeks before, and ends 2 weeks after, the day on which the meter is actually read.

Example—

In calculating utility charges for a period ending on 30 April, if a meter is read on 10 May, the meter reading is taken to be the meter reading on 30 April.

- (3) This section does not limit a local government's power to make local laws about other aspects of the administration of the metered consumption of a utility service.

Example—

A local government may make a local law to provide for water consumption to be estimated on the basis of the best information that is reasonably available if a water meter is found to be malfunctioning or inoperative during any period of consumption.

Part 8 Separate rates and charges

103 Levying separate rates or charges

- (1) This section applies if a local government decides to levy separate rates or charges.
- (2) For levying rates under subsection (1), the local government may fix a minimum amount of the rates.
- (3) To remove any doubt, it is declared that a local government may levy separate rates or charges for a service, facility or

activity, whether or not the service, facility or activity is supplied by the local government.

Part 9 Levying and adjusting rates and charges

Division 1 Rate notices

104 Rate notice for rates or charges

- (1) A local government may levy rates or charges only by a rate notice.
- (2) A *rate notice* is a document stating—
 - (a) the date when the rate notice is issued; and
 - (b) the due date for payment of the rates or charges; and
 - (c) if the local government has decided a discount applies to the rates or charges—
 - (i) the terms of the discount; and
 - (ii) the last day of the discount period; and
 - (d) if the local government has decided rates or charges may be paid by instalments—the requirements for paying by instalments; and
 - (e) the ways in which the rates or charges may be paid.

105 Other amounts under rate notice

- (1) A rate notice may also include an amount, other than an amount for rates or charges, payable to the local government.

Example—

a licence fee payable to the local government

-
- (2) However, the rate notice must make it clear that—
- (a) the amount is not for rates or charges; and
 - (b) payment of the amount, whether before or after the end of any discount period, does not affect any discount that applies to the rates or charges.

106 Entities to whom rate notice must be given

A rate notice must be given—

- (a) for services supplied to a structure, or to land that is not rateable land—to the entity who asked for the service to be supplied; and
- (b) in any other case—to the entity who is recorded in the local government's land record as the owner of the land on which the rates are levied.

Note—

See part 13 for more information on the land record.

107 Issue of and period covered by rate notice

- (1) A rate notice may only be issued—
 - (a) for utility charges, for a period of at least 1 month, that the local government considers appropriate; and
 - (b) for other rates or charges, for the whole or part of a financial year as the local government considers appropriate.
- (2) However, the rate notice for the rates mentioned in subsection (1)(b) must be issued for the same period for all ratepayers.
- (3) If a person who is liable to pay rates or charges for a period pays the rates or charges before the local government gives the person a rate notice for the period, the local government is not required to give the person a rate notice for the period.

- (4) However, the local government must, at least once each year, issue a rate notice for each parcel of rateable land for a period of no longer than a financial year.

108 Electronic issue of rate notice

A rate notice, including a rating category statement contained in or accompanying the notice, may be given electronically to a person if—

- (a) the person has given consent to the notice being given electronically; and
- (b) at the time the notice was given, it was reasonable for the local government to expect the notice would be readily accessible so as to be useable for subsequent reference by the person.

Division 2 Adjusting rates or charges

109 What div 2 is about

This division is about a local government adjusting the amount of rates or charges that have already been levied on land because particular changes happen.

110 Land stops being rateable land

If the land becomes, or stops being, rateable land, the local government must adjust the rates so that the rates are calculated only on the period when the land was rateable land.

111 Change in value

If the value of the land changes under the Land Valuation Act, the local government must adjust the rates so that the rates are calculated on the new value of the land for the period that starts on the day the change takes effect under that Act.

112 Change in rating category

If the land is given a rating category, including a change of rating category, the local government must adjust the general rates so that the rates are calculated on the new or changed rating category for the period that starts on the day the land was given the new or changed rating category.

113 Special rates become or stop being payable

If the land becomes, or stops being, land on which the local government may levy special rates or charges, the local government must adjust the rates or charges so that the rates or charges are calculated on the period when the land was land on which the local government could levy special rates or charges.

114 Loss of entitlement to occupy land from State

- (1) This section applies if—
 - (a) a person is entitled to occupy land under a lease, licence or permission given by the State; and
 - (b) the person loses the entitlement, including, for example, because the lease, licence or permission expires or is surrendered or forfeited.
- (2) The local government must adjust the rates or charges so that the rates or charges are calculated only for the period when the person was entitled to occupy the land.

115 Rates or charges paid before adjustment

If the rates or charges are paid before they are adjusted, the local government—

- (a) if the rates or charges are reduced—must refund the overpaid amount of rates or charges; or

- (b) if the rates or charges are increased—may recover the amount of rates or charges owing.

Division 3 Other matters about levying rates or charges

116 Limitation of increase in rates or charges levied

- (1) When a local government resolves to levy rates or charges, it also may resolve to limit the increase in the rates or charges.
- (2) The rates or charges may be limited to not more than—
 - (a) if the rates or charges for the last financial year were for a full year—
 - (i) the rates or charges for the last financial year; or
 - (ii) the rates or charges for the last financial year, increased by a stated percentage; or
 - (b) if the rates or charges levied for the last financial year were not for a full year—
 - (i) the corresponding annual amount for the rates or charges for the last financial year; or
 - (ii) the corresponding annual amount for the rates or charges for the last financial year, increased by a stated percentage.
- (3) The *corresponding annual amount* is the amount worked out by—
 - (a) converting the amount of the rates or charges levied for the last financial year to a daily amount; and
 - (b) multiplying the daily amount by 365.
- (4) The resolution may specify different percentages for—
 - (a) different land or classes of land; or
 - (b) different rates or charges.

116A Limitation of increase in rates or charges levied continues after compulsory acquisition of land

- (1) This section applies if—
- (a) a local government resolves, under section 116, to limit the increase in the rates or charges levied on rateable land (a *rates cap*); and
 - (b) part of the rateable land is—
 - (i) compulsorily acquired by a government entity; or
 - (ii) otherwise acquired by the department administering the *Transport Planning and Coordination Act 1994*.
- (2) Until the local government resolves otherwise, the rates and charges levied on the remainder are reduced to the divided amount.
- (3) However, the resolution can not be made before the next budget meeting of the local government that occurs after the application of the rates cap.
- (4) In this section—

compulsorily acquired, for part of rateable land, means acquired under an Act, or a law of the Commonwealth, that authorises the compulsory acquisition of land by a government entity.

Example—

land taken under the *Acquisition of Land Act 1967*

divided amount means the amount worked out by—

- (a) dividing the amount of the rates or charges levied on the rateable land by the number of square metres of the rateable land; and
- (b) multiplying the amount calculated under paragraph (a) by the number of square metres of the remainder.

government entity means the State, the Commonwealth, a local government or an entity authorised by the State, Commonwealth or a local government.

remainder, for rateable land (part of which is acquired in a manner mentioned in subsection (1)(b)), means that part of the rateable land not acquired.

117 Rates or charges may be levied or adjusted after end of financial year

A local government may levy rates or charges, or adjust a rates or charges levy in a financial year, even though the resolution for making the rates or charges was made for a previous financial year.

118 When rates or charges must be paid

- (1) A local government must decide the date by which, or the period within which, rates or charges must be paid.
- (2) The date by which, or the period within which, the rates or charges must be paid must be—
 - (a) at least 30 days after the rate notice for the rates or charges is issued; and
 - (b) subject to part 10, the same date or period for each person liable to pay the rates or charges.
- (3) The local government must, by resolution, make the decision at its budget meeting.

Part 10 Concessions

119 Concession for rates or charges

A local government may grant a ratepayer a concession for rates or charges for land only under this part.

120 Criteria for granting concession

- (1) The local government may grant the concession only if it is satisfied—
 - (a) the land is owned or occupied by a pensioner; or
 - (b) the land is owned by—
 - (i) an entity whose objects do not include making a profit; or
 - (ii) an entity that provides assistance or encouragement for arts or cultural development; or
 - (c) the payment of the rates or charges will cause hardship to the land owner; or
 - (d) the concession will encourage the economic development of all or part of the local government area; or
 - (e) the concession will encourage land that is of cultural, environmental, historic, heritage or scientific significance to the local government area to be preserved, restored or maintained; or
 - (f) the land is used exclusively for the purpose of a single dwelling house or farming and could be used for another purpose, including, for example, a commercial or industrial purpose; or
 - (g) the land is subject to a GHG tenure, mining tenement or petroleum tenure; or
 - (h) the land is part of a parcel of land (a *parcel*) that has been subdivided and—
 - (i) the person who subdivided the parcel is the owner of the land; and
 - (ii) the land is not developed land.

- (2) In this section—

GHG tenure see the *Greenhouse Gas Storage Act 2009*, section 18(2).

mining tenement see the *Mineral Resources Act 1989*, schedule 2.

petroleum tenure means—

- (a) a petroleum tenure under the *Petroleum and Gas (Production and Safety) Act 2004*, section 18(3); or
- (b) an authority to prospect or lease under the *Petroleum Act 1923*.

121 Types of concession

The concession may only be of the following types—

- (a) a rebate of all or part of the rates or charges;
- (b) an agreement to defer payment of the rates or charges;
- (c) an agreement to accept a transfer of unencumbered land in full or part payment of the rates or charges.

122 Resolutions for granting concession

- (1) The local government may grant the concession only by—
 - (a) a resolution granting the concession to a stated ratepayer; or
 - (b) if the concession is of a type mentioned in section 121(a) or (b)—a resolution granting the concession to a ratepayer who is a member of a stated class of ratepayers.
- (2) The local government may make the resolution before the local government levies the rates or charges.
- (3) The local government may make a resolution under subsection (1)(a) only if the ratepayer has applied for the concession in a way accepted by the local government.
- (4) If the local government grants a concession by making a resolution under subsection (1)(b), the concession may be

granted only to the ratepayers whom the local government is satisfied are eligible for the concession.

- (5) The resolution may include conditions for granting the concession to the ratepayer.
- (6) Without limiting subsection (5), the conditions may include the following—
 - (a) a condition requiring the ratepayer to show the local government particular information or documents or follow a procedure to be eligible for the concession;

Examples—

- a condition requiring the ratepayer to produce a health care card or pensioner concession card to show the ratepayer's eligibility for the concession for the rates or charges
 - a condition requiring the ratepayer to enter an agreement to defer payment of rates or charges in a form required by the local government
- (b) a condition limiting the period for which the ratepayer is granted the concession.

Example—

for a concession on the basis of the ratepayer's receipt of a disability support pension, a condition limiting the concession to the period for which the ratepayer receives the pension

123 Special provision for rebate for land occupied by pensioners

- (1) The local government may grant a rebate of rates or charges for land occupied only by pensioners only if the land owner agrees to pass the benefit of the rebate on to the pensioners.
- (2) The local government may grant a rebate of rates or charges for land that is occupied by pensioners and other persons, only—
 - (a) for that part of the rates or charges that the local government considers is fairly attributable to the part of the land where pensioners have a right to exclusive occupancy; and

- (b) if the land owner agrees to pass the benefit of the rebate on to the pensioners.

124 Refund of rebated rates or charges already paid

- (1) This section applies if—
 - (a) the local government grants a rebate of rates or charges to a ratepayer or a ratepayer who is a member of a class of ratepayers; and
 - (b) the ratepayer has already paid the rates or charges.
- (2) The local government must refund the amount of the rebated rates or charges to the ratepayer.

125 Special provision for agreement to defer rates or charges

- (1) This section applies if a concession to a ratepayer for rates or charges includes an agreement to defer the payment of the rates or charges.
- (2) The agreement must state either—
 - (a) for an agreement under which the rates or charges become payable on a particular day—the due date for payment of the rates or charges; or
 - (b) for an agreement under which the rates or charges become payable when an event happens—a description of the event and the due date for payment of the rates or charges in reference to the event.

Example—

An agreement provides for general rates for land to be paid at the end of a stated period after the land is transmitted to the ratepayer's personal representative or sold.

- (3) The agreement may also include a condition that the ratepayer must pay an additional charge in return for the local government agreeing to defer payment of the rates or charges.

126 Special provision for agreement to accept land transfer

- (1) This section applies if a concession to a ratepayer for rates or charges includes an agreement to accept a transfer of unencumbered land in full or part payment of the rates or charges.
- (2) The agreement must state the due date for payment of the rates or charges.

Part 11 Paying rates and charges

127 Who must pay rates and charges

- (1) Subject to section 163, the following persons are liable to pay rates and charges—
 - (a) for rateable land—the current owner of the land, even if that owner did not own the land during the period to which the rates or charges relate;
 - (b) for a service that is supplied to a structure, or to land that is not rateable land—the entity who asked for the service to be supplied;
 - (c) for previously rateable land—the owner of the land immediately before it stopped being rateable land.
- (2) ***Previously rateable land*** is land that was, but has stopped being, rateable land because—
 - (a) the tenure of a holding is terminated; or
 - (b) the land is surrendered or forfeited to the State; or
 - (c) the land is acquired by the State or the Commonwealth;
or
 - (d) the land is exempted from rating; or
 - (e) the property description of the land no longer exists.

- (3) If more than 1 person is liable to pay rates or charges, all the persons are jointly and severally liable to pay the rates or charges.

128 Paying part of rates and charges

- (1) This section applies if a person—
 - (a) pays the local government an amount that is less than the total of all amounts mentioned in a rate notice; and
 - (b) does not specify which of the amounts the person is paying.
- (2) The local government must use the amount to pay the amounts mentioned in the rate notice in the following order—
 - (a) overdue rates or charges, starting with the rates or charges that have been overdue the longest;
 - (b) rates or charges stated in the rate notice;
 - (c) amounts, other than rates or charges, that are payable to the local government.

129 Paying rates or charges by instalments

- (1) A local government may decide to allow ratepayers to pay rates or charges by instalments.
- (2) The local government must, by resolution, make the decision at its budget meeting.
- (3) The resolution must state—
 - (a) the periods for payment of each instalment of the rates or charges; and
 - (b) any other requirements for paying the rates or charges by instalments.
- (4) The requirements may include a requirement for the ratepayer to pay an additional charge in return for paying the rates or charges by instalments.

-
- (5) The resolution may state a discount for paying an instalment of the rates or charges within the period for paying the instalment.

130 Discount for prompt payment of rates or charges

- (1) A local government may decide to allow a discount for payment of rates or charges before the end of the discount period.
- (2) The amount of the discount and the discount period may differ for different rating categories of rateable land.
- (3) The *discount period* is a period that ends on or before the due date for payment.

Examples of discount period—

- 1 month before the due date for payment
 - a period of 1 month ending 2 weeks before the due date for payment
- (4) The local government must, by resolution, make the decision at its budget meeting.
- (5) The resolution must state—
- (a) whether the discount is to be—
 - (i) a fixed amount; or
 - (ii) a percentage of the rates or charges; and
 - (b) if the discount is to be a fixed amount—the amount; and
 - (c) if the discount is to be a percentage of the rates or charges—the percentage; and
 - (d) whether the discount applies only if—
 - (i) other rates or charges are paid; or
 - (ii) an amount, including any interest on the amount, is paid for work that was performed by the local government under a remedial notice issued under the Act; and

- (e) the discount period.
- (6) The local government may allow more than 1 discount period for rates or charges only if the local government's resolution—
- (a) states more than 1 discount period for the rates or charges; and
- (b) allows a different discount for each discount period.
- (7) The local government may, by resolution, change the discount period to end on a later day (the *new discount day*).
- (8) However, if the discount period is changed under subsection (7), the local government must also, by resolution, change the due date for payment to a later day that is no earlier than the new discount day.
- (9) If the local government decides to allow a discount for a discount period, it must allow the discount to all ratepayers who pay the rates or charges before the end of the discount period.
- (10) If a local government is satisfied a ratepayer has been prevented, by circumstances beyond their control, from paying the rates or charges in time to get a discount, the local government may still allow the discount.
- (11) A ratepayer is not entitled to a discount for paying in full rates or charges for land by the end of a discount period if other rates or charges for the land are overdue.

131 Other benefits for prompt payment

A local government may give a benefit that is not a discount as an inducement for payment of rates or charges before the due date for payment.

Examples of a benefit—

- free use of the local government's services, facilities or activities
- an opportunity to win a donated car, holiday or other prize

Part 12 Overdue rates and charges

Division 1 General provisions

132 What are *overdue* rates or charges and when do they become *overdue*

- (1) *Overdue* rates or charges are made up of—
 - (a) either of the following—
 - (i) subject to subparagraph (ii), rates or charges that are not paid by the due date for payment stated in the rate notice;
 - (ii) if a ratepayer is granted a concession for rates or charges of a type mentioned in section 121(b) or (c)—rates or charges that are not paid by the due date stated in the agreement to which the concession relates; and
 - (b) if the local government takes the ratepayer to court to recover rates or charges and the court orders the ratepayer to pay the council's costs—the costs; and
 - (c) the interest, if interest is payable, on the rates or charges, or costs.
- (2) Subject to subsection (3), the rates or charges mentioned in subsection (1)(a)(i) become *overdue* on the day after the due date for payment of the rates or charges stated in the rate notice.

 - (c) the rates or charges are not paid by the due date stated in the agreement to which the concession relates.
- (5) The rates or charges are taken to have become *overdue* on the day after the due date stated in the rate notice for the rates or charges.
- (6) If an agreement deferring payment of rates or charges includes a condition about when the rates or charges become payable, the rates or charges can become *overdue* only if the condition is satisfied.

Example—

An agreement to defer payment of general rates for land provides that the rates become payable within a stated period after the land is sold. The rates or charges can become overdue only if the land is sold.

133 Interest on overdue rates or charges

- (1) Interest is payable on overdue rates or charges—
- (a) at the percentage, of not more than 11% a year, decided by the local government; and
 - (b) from the day the rates or charges become overdue or a later day decided by the local government.
- (2) A local government's decision about the rate of interest, and the date from which interest is payable on overdue rates or charges, must apply equally to all ratepayers.

- (a) on daily rests and as compound interest; or
 - (b) in another way the local government decides, if an equal or lower amount will be obtained.

Division 2 Court proceedings for overdue rates or charges

134 Court proceedings for overdue rates or charges

- (1) A local government may recover overdue rates or charges by bringing court proceedings for a debt against a person who is liable to pay the overdue rates or charges.
- (2) If the local government does so, but does not recover all of the overdue rates or charges from the person, the local government may recover the remaining overdue rates or charges from any other person who is liable to pay the overdue rates or charges (for example, a joint owner).
- (3) If a court orders a person to pay overdue rates or charges, and the person fails to comply with the court order, the person is not liable to imprisonment for the failure.

135 Selling or acquiring land ends liability for overdue rates or charges

If a local government sells or acquires land for overdue rates or charges, the local government can not start or continue any court proceedings to recover the overdue rates or charges.

- (3) The local government must give the State or government entity that has the interest in the land under the State encumbrance a notice of the local government's intention to sell the land, before the local government sells the land.
- (4) The local government may sell the land only—
 - (a) subject to the State encumbrance; or
 - (b) free of the State encumbrance to the extent, and on any conditions (the *sale conditions*), to which the State or government entity agrees.

-
- (5) If the land is subject to an interest arising under a Housing Act contract, the local government may sell the land free of the interest only if the sale conditions include a condition that the local government pays the State an amount for—

 - (b) any amount that is owing to the State under the contract.

139 Selling land that is subject to other restrictions

- (4) A ***notice of intention to sell*** is a document, signed by the chief executive officer, stating—
 - (a) that the local government has, by resolution, decided under this section to sell land for overdue rates or charges; and

 - (b) the overdue rates or charges are not paid in full within—
 - (i) generally—3 months after the local government gives the notice of intention to sell the land; or
 - (ii) if the rates or charges were levied on a mining claim—1 month after the local government gives the notice of intention to sell the land.
- (2) The local government must start the procedures under section 142 for selling the land within 6 months after the local government gives the notice of intention to sell the land.
- (3) However, the local government must end the procedures if the local government is paid—

- (6) However, if—
- (a) the land is a building unit; and
 - (b) it is not practicable to display the auction notice in a conspicuous place on the land;
- the notice may be displayed in a conspicuous part of the common property for the building units.

- (a) the market value of the land; or
 - (b) the higher of the following—

- (2) If the reserve price is not reached at the auction, the local government may enter into negotiations with the highest bidder at the auction to sell the land by agreement.

-
- (3) However, the price for the land under the agreement must be more than the highest bid for the land at the auction.
 - (4) If the highest bidder at the auction does not agree to buy the land, the land is taken to have been sold at the auction to the local government for the reserve price.

- (5) The registrar of titles may register the transfer even though the general request form is not accompanied by the instrument of title for the land.
- (6) Also, the registrar of titles—
 - (a) need not inquire whether the local government has complied with this subdivision; and
 - (b) is not affected by actual or constructive notice of any failure by the local government to comply with this subdivision.

Chapter 6 Contracting

Part 1 Introduction

216 What ch 6 is about

- (1) This chapter is about a local government's activities for the making of a contract for—
 - (a) the supply of goods or services; or
 - (b) the disposal of non-current assets.
- (2) However, this chapter does not apply to a local government making a contract of employment with a local government employee.

Part 2 Strategic contracting procedures

217 What pt 2 is about

- (1) This part allows a local government to take a strategic approach to its contracts.
- (2) A *strategic approach* is an approach that identifies potential opportunities, while managing adverse risks.
- (3) However, this part applies to a local government only if it decides to apply the part.
- (4) This part does not apply to a contract for the disposal of land.
- (5) For all other contracts, this part provides an alternative to part 3.

218 Power to choose strategic approach

- (1) A local government may, by resolution, decide to apply this part to its contracts.
- (2) However, the local government may do so only after it—
 - (a) has considered the costs and benefits of complying with this part; and
 - (b) has given the public notice of the proposed resolution.
- (3) The notice must—
 - (a) state the proposed resolution; and
 - (b) state the day and time of the meeting where the resolution is to be considered; and
 - (c) be published in a newspaper that circulates generally in the local government area at least 4 weeks before the meeting.

219 Effect of choice

- (1) If a local government decides to apply this part to its contracts, it must comply with this part from—
 - (a) the day on which the resolution is passed; or
 - (b) if the resolution states a later day for complying—the later day.
- (2) The later day must not be more than 1 year after the resolution is passed.
- (3) The passing of the resolution does not of itself affect a contractual obligation or right of the local government.
- (4) Subsection (5) applies if, immediately before the day on which the local government passes the resolution, the local government—
 - (a) had, under part 3, invited tenders or quotes for a contract; and

-
- (b) had received tenders or quotes in response to the invitation; and
 - (c) had not accepted, or had decided not to accept, any of the tenders or quotes.
- (5) Part 3 continues to apply to the contracts as if the resolution had not been passed.
- (6) The local government may, by a later resolution, decide this part no longer applies to the local government.
- (7) If the local government does so, it must continue to comply with this part for any contract that was made when this part did apply to the local government.

220 Contracting plans

- (1) This section applies if a local government decides to apply this part to its contracts.
- (2) Each financial year, the local government must make and adopt a contracting plan.

 - (e) the contracts that the local government considers will be significant (a **significant contract**) having regard to the market assessment; and
 - (f) a policy about the making of a significant contracting plan under section 221.
- (4) A **market assessment** is an assessment of the relative cost and difficulty in securing supply under each type of contract.

[s 221]

- (5) A contracting plan must be consistent with and support the achievement of the strategic directions stated in the local government's 5-year corporate plan.
- (6) The local government must not make the resolution to adopt a contracting plan before the local government adopts the annual budget for the financial year.
- (7) The local government may, by resolution, amend a contracting plan at any time before the end of the financial year to which the plan relates.
- (8) The local government must allow the public to inspect and buy copies of the contracting plan at the local government public office.

221 Significant contracting plans

- (1) This section applies if the contracting plan identifies any significant contracts.
- (2) The local government must make a significant contracting plan for each significant contract before the contract starts.
- (3) A *significant contracting plan* is a document stating—
 - (a) the objectives of the significant contract; and
 - (b) how the objectives are to be achieved; and
 - (c) how achievement of the objectives will be measured; and
 - (d) any alternative ways of achieving the objectives, and why the alternative ways were not adopted; and
 - (e) proposed contractual arrangements for the activity; and
 - (f) a risk analysis of the market in which the contract is to happen.

- (4) For subsections (2) and (3), the expected value of a contractual arrangement with a supplier for a financial year, or over the proposed term of the contractual arrangement, is the total expected value of all of the local government's contracts with the supplier for goods and services of a similar type under the arrangement.
- (5) A ***valuable non-current asset contract*** is a contract for the disposal of a valuable non-current asset.

- (6) The *disposal* of a valuable non-current asset by a local government includes the disposal of all or any part of an interest in the asset.

- (2) The invitation must be given to at least 3 persons who the local government considers can meet the local government's requirements at competitive prices.
- (3) The local government may decide not to accept any of the quotes it receives.
- (4) However, if the local government does decide to accept a quote, the local government must accept the quote most advantageous to it having regard to the sound contracting principles.

-
- (b) records its reasons for making the resolution in the minutes of the meeting at which the resolution was made.
- (4) The invitation for tenders must—
- (a) be made by an advertisement in a newspaper that circulates generally in the local government area; and

- (6) If the local government invites expressions of interest under subsection (5), the local government may—
- (a) prepare a short list from the persons who respond to the invitation for expressions of interest; and
 - (b) invite written tenders from those persons.
- (7) If—

Division 1 Councillor remuneration

240 What div 1 is about

This division states the processes of the tribunal in deciding the remuneration that is payable to councillors.

241 Establishing categories of local governments

- (1) The tribunal must establish categories of local governments for this part.
- (2) The purpose of establishing categories of local governments is to enable the tribunal to decide the maximum amounts of

remuneration that are payable to mayors and other councillors in each of the categories.

242 Criteria for establishing categories

In establishing categories of local governments, the tribunal—

- (a) must have regard to the following criteria—
 - (i) the size, and geographical and environmental terrain, of local government areas;
 - (ii) the population of local government areas, including the areas' demographics, the spread of population serviced by the local governments and the extent of the services the local governments provide; and
- (b) may have regard to other matters the tribunal considers relevant to the effectiveness, efficiency and sustainability of local governments.

243 Deciding and reviewing categories to which local governments belong

- (1) The tribunal must, for each local government, decide the category of local government to which the local government belongs.
- (2) When making a decision about a local government under subsection (1), the tribunal must have regard to the criteria it used for establishing categories of local governments.
- (3) The tribunal must, once during each local government term—
 - (a) review the categories of local governments established under section 241; and
 - (b) ensure the review is completed before 1 December of the year before the year in which the next quadrennial election is to be held.

- (4) For subsection (3), a *local government term* is the period between a quadrennial election and the next quadrennial election.
- (5) After reviewing the categories, the tribunal must—
 - (a) decide whether to amend the established categories; and
 - (b) if any established category of local government is amended, again decide the categories of any local governments affected by the amendment.

244 Deciding maximum amounts of remuneration

- (1) The tribunal must, before 1 December of each year, and for each category of local government, decide the maximum amount of remuneration payable from 1 July of the following year to a councillor, mayor or deputy mayor of a local government in each category.
- (2) The remuneration may include, or may separately provide for, remuneration for the duties a councillor may be required to perform if the councillor is appointed to a committee, or as chairperson or deputy chairperson of a committee, of a local government.
- (3) The remuneration can not include—
 - (a) any amount for expenses to be paid or facilities to be provided to a councillor of a local government under its expenses reimbursement policy; or
 - (b) any contribution a local government makes for a councillor to a voluntary superannuation scheme for councillors established or taken part in by the local government under section 226 of the Act.
- (4) However, the remuneration may include an additional amount for councillors who are over 75 years paid in lieu of the contributions mentioned in subsection (3)(b).

246 Remuneration schedule

- (1) The tribunal must prepare a remuneration schedule after the tribunal makes a decision about maximum amounts of remuneration under section 244.
- (2) A *remuneration schedule* must state—
 - (a) the date from which the schedule applies; and
 - (b) the category of each local government decided under section 243; and
 - (c) the maximum amount of remuneration payable to the mayors, deputy mayors and other councillors for each category of local government decided under section 244.
- (3) After preparing a remuneration schedule, the tribunal must—
 - (a) within 14 days, prepare a report about the remuneration schedule and give a copy of the report and the remuneration schedule to the Minister; and
 - (b) publish the remuneration schedule in the gazette.
- (4) A remuneration schedule continues in effect until a new remuneration schedule applies.

247 Remuneration payable to councillors

- (1) A local government must pay remuneration to each councillor of the local government.
- (2) The maximum amount of remuneration payable to a councillor under the remuneration schedule must be paid to the councillor, unless the local government, by resolution, decides the maximum amount is not payable to the councillor.
- (3) If the local government decides the maximum amount of remuneration is not payable to the councillor, the local government must, by resolution, decide the amount of remuneration payable to the councillor.
- (4) The amount of remuneration decided under subsection (3) for each councillor must not be more than the maximum amount

of remuneration payable to the councillor under the remuneration schedule.

- (5) The amount of remuneration for each councillor, other than a mayor or deputy mayor, must be the same.
- (6) The local government must make a resolution under subsection (2) within 90 days after each remuneration schedule is published in the gazette.
- (7) Subsections (4) and (5) are subject to section 248.

248 Submission to vary remuneration in exceptional circumstances

- (1) This section applies if a local government considers that, having regard to exceptional circumstances, a councillor of its local government is entitled to an amount of remuneration that is more than the maximum amount of remuneration payable to the councillor under the remuneration schedule.
- (2) The local government may make a submission to the tribunal for approval to pay the councillor an amount of remuneration of more than the maximum amount (a *higher amount*).
- (3) The tribunal may, but is not required to, consider the submission.
- (4) If the tribunal is satisfied that, having regard to the exceptional circumstances, the councillor is entitled to be paid any higher amount, the tribunal may approve payment of that amount.

Division 2 Reimbursement of expenses and provision of facilities

249 What div 2 is about

- (1) This division is about the expenses reimbursement policy.
- (2) The *expenses reimbursement policy* is a policy providing for the following—

- (a) payment of reasonable expenses incurred, or to be incurred, by councillors for discharging their duties and responsibilities as councillors;
- (b) provision of facilities to councillors for that purpose.

250 Requirement to adopt expenses reimbursement policy or amendment

- (1) A local government must adopt an expenses reimbursement policy.
- (2) A local government may, by resolution, amend its expenses reimbursement policy at any time.

251 Notification of adoption of expenses reimbursement policy

- (1) As soon as practicable after a local government adopts or amends its expenses reimbursement policy, the local government must—
 - (a) ensure a copy of the policy may be inspected and purchased by the public at the local government’s public office; and
 - (b) publish the policy on the local government’s website.
- (2) The price for purchasing a copy of the policy must be no more than the cost to the local government of making the copy available for purchase.

Part 3 Local government employees

Division 1 Disciplinary action against local government employees

278 What div 1 is about

This division prescribes, for section 197(2) of the Act, when the chief executive officer may take, and the types of, disciplinary action.

279 When disciplinary action may be taken

The chief executive officer may take disciplinary action against a local government employee if the chief executive officer is satisfied the employee has—

- (a) failed to perform their responsibilities under the Act; or
- (b) failed to perform a responsibility under the Act in accordance with the local government principles; or
- (c) taken action under the Act in a way that is not consistent with the local government principles.

280 Types of disciplinary action

- (1) The disciplinary action taken by the chief executive officer against a local government employee may be 1 or more of the following—
- (a) dismissal;

- (b) demotion, including a reduction in remuneration;

Examples of demotion of a local government employee—

- a reduction in the classification level of the local government employee's employment and a corresponding change in the employee's duties
- a reduction in the local government employee's level of remuneration within the classification level of the employee's employment

- (c) a deduction from salary or wages of an amount of not more than 2 penalty units;

- (d) a written reprimand or warning.

Note—

If the disciplinary action to be taken is dismissal, the dismissal must comply with the requirements that apply in relation to the local government employee under the *Industrial Relations Act 1999*, chapter 2A or 3.

- (2) A written reprimand or warning—

- (a) must state the following—

- (i) the employee's conduct that is disapproved of;
- (ii) the remedial action needed to rectify the conduct;
- (iii) the period within which the remedial action is to be taken;
- (iv) the possible consequences for a repeat of the conduct by the employee; and

- (b) is part of a local government employee's employment record.

281 Deductions from salary or wages

- (1) If disciplinary action taken against a local government employee consists of a deduction from the salary or wages of the employee, the local government may make the deduction—

-
- (a) if no appeal is brought against the disciplinary action—when the period for starting an appeal against the disciplinary action has ended; or
 - (b) if an appeal is brought against the disciplinary action and the decision on the appeal confirms the deduction or changes the amount of the deduction—when notice of the decision is given to the employee; or
 - (c) if an appeal is brought against the disciplinary action and the appeal is discontinued or struck out—when the appeal is discontinued or struck out.
- (2) If an appeal is brought against the disciplinary action taken against a local government employee and the decision on appeal changes the disciplinary action to a deduction from the salary or wages of the employee, the local government may make the deduction when notice of the decision is given to the employee.

282 Suspension of employees

- (1) If the chief executive officer is satisfied, on reasonable grounds, that a local government employee will be subject to disciplinary action, the chief executive officer may suspend the employee from duty.
- (2) Suspension of a local government employee from duty does not affect the following—
 - (a) the continuity of the employee's service in employment with the local government;
 - (b) the entitlements previously accrued to the employee from employment with the local government;
 - (c) the accrual of entitlements to the employee during the period of suspension.
- (3) A suspended employee must be paid the employee's full remuneration as at the start of the suspension for the period of suspension.

283 Employee to be given notice of grounds for disciplinary action

- (1) Before the chief executive officer takes disciplinary action against a local government employee, the chief executive officer must give the employee—
 - (a) written notice of the following—
 - (i) the disciplinary action to be taken;
 - (ii) the grounds on which the disciplinary action is taken;
 - (iii) the particulars of conduct claimed to support the grounds; and
 - (b) a reasonable opportunity to respond to the information contained in the written notice.
- (2) The grounds and particulars are taken to be the only grounds and particulars for the disciplinary action taken, and no other ground or particular of conduct can be advanced in any proceeding about the disciplinary action taken against the local government employee.

Division 2 Portability of long service leave

284 What div 2 is about

- (1) This division is about the continuation of particular local government employees' accrued rights to long service leave and recognition of their previous periods of employment.

Note—

See the *City of Brisbane Regulation 2012*, chapter 8, part 3, division 2 for the provisions that deal with the portability of long service leave where the Brisbane City Council is the new employer or former employer of a local government employee.

- (2) A person's ***accrued right to long service leave*** is the person's entitlement to take long service leave after having completed a minimum period of employment with an employer.

-
- (3) This division applies if—
- (a) a person is employed (the *new employment*) by a relevant entity (the *new employer*); and
 - (b) the person was previously employed (the *former employment*) by a relevant entity (the *former employer*); and
 - (c) the period between ending the former employment and beginning the new employment is not longer than 1 year; and
 - (d) the person did not receive a payment from the former employer of an amount as a cash equivalent for accrued long service leave.
- (4) However, this division does not apply if—
- (a) the new employer is—
 - (i) a distributor-retailer; or
 - (ii) a water entity, other than a water entity that is a local government; and
 - (b) the former employer is—
 - (i) a distributor-retailer; or
 - (ii) a water entity, other than a water entity that is a local government.
- (5) A *relevant entity* is—
- (a) a local government; or
 - (b) a distributor-retailer; or
 - (c) a water entity; or
 - (d) another entity that is controlled or owned by a local government.
- (6) A *distributor-retailer* is a distributor-retailer under the *South-East Queensland Water (Distribution and Retail Restructuring) Act 2009*.

- (7) A *water entity* is a water entity under the *South East Queensland Water (Restructuring) Act 2007*.

285 Continuation of particular local government employees' accrued rights to long service leave

- (1) The person's accrued right to long service leave, in relation to the former employment, is continued, in relation to the new employment, as an accrued right to long service leave as an employee of the new employer.
- (2) From the start of the new employment, the new employer has the same obligations in relation to the person's accrued right to long service leave as the former employer had in relation to the person, at the end of the former employment.

Example—

If a person was entitled to take 11 weeks long service leave at the time the former employment ended, the person continues to be entitled to take 11 weeks long service leave after the start of the new employment. The entitlement would not be subject to completing any further period of employment with the new employer.

- (3) However, after the start of the new employment, the person continues to accrue rights to long service leave only under the same conditions as an employee of the new employer who is not a person to whom this division applies.

286 Recognition of previous periods of employment for particular local government employees

- (1) This section applies when determining the person's accrued right to long service leave in relation to the new employer.
- (2) The person's period of employment with the former employer, in addition to the person's period of employment with the new employer, is taken to be the person's period of employment with the new employer.

Example—

A person is taken to have completed a period of employment of 10 years with a new employer if the person completed a period of

employment of 6 years with a former employer and a period of employment of 4 years with the new employer.

287 Payment by former employer to new employer towards long service leave entitlements accrued with former employer

- (1) The former employer must, when the person's entitlement has accrued, pay the new employer an amount for the number of days of long service leave that the person is entitled to take because of the person's period of employment with the former employer.

Example—

After a period of employment of 3 years with council A a person becomes an employee of council B. Council A must, when the entitlement has accrued, pay to council B an amount for the 3 years of long service leave that the person is entitled to for their employment with council A.

- (2) The amount—
- (a) is the amount the former employer would have been required to pay the person if the person had taken the long service leave; and
 - (b) must be paid within a reasonable time of being requested by the new employer.
- (3) A former employer must provide the new employer with the following information relating to the person—
- (a) the length of accrued long service leave;
 - (b) any special leave taken by the person without salary;
 - (c) any long service leave taken by the person or any amount of cash paid to the person in lieu of long service leave;
 - (d) any undertaking given in relation to long service leave.

- (2) A person is *related* to a councillor, chief executive officer or senior executive employee (the *primary party*) if—
- (a) the person is the primary party's spouse; or
 - (b) the person is totally or substantially dependent on the primary party and—
 - (i) the person is the primary party's child; or
 - (ii) the person's affairs are so closely connected with the affairs of the primary party that a benefit derived by the person, or a substantial part of it, could pass to the primary party.

290 Who maintains registers of interests

- (1) The chief executive officer must maintain a register of interests of the following persons—

 - (a) a councillor;

- (b) the chief executive officer;
 - (c) a senior executive employee;
 - (d) a person who is related to a councillor, the chief executive officer or a senior executive employee.
- (2) However, the register of interests of a person who is related to a councillor, the chief executive officer or a senior executive employee need not include any interest that is—
- (a) held jointly, or in common, with the councillor, chief executive officer or senior executive employee; and
 - (b) included in the register of interests of the councillor, chief executive officer or senior executive employee.
- (3) Nothing in subsection (1) requires a register of interests to include any of the following—
- (a) the number or monetary value of shares;
 - (b) the monetary value of an investment or interest;
 - (c) the full street address of land;
 - (d) the amount of a liability, donation or other income;
 - (e) the account number of, or amounts held in, accounts held with a financial institution;
 - (f) the monetary value of accommodation, an asset, a gift or travel.
- (4) To remove any doubt, it is declared that a person holds an interest if the person holds the interest alone or jointly, or in common, with another person.

292 Obligation of chief executive officer and senior executive employees to correct register of interests

- (1) Subsection (2) applies if the chief executive officer knows—
- (a) of an interest that must be recorded in a register of interests under section 291 in relation to the chief

executive officer or a person who is related to the chief executive officer; or

- (b) that particulars of an interest recorded in a register under section 291 in relation to the chief executive officer or a person who is related to the chief executive officer are no longer correct.

1 **Change in external boundaries of the Ipswich and Somerset areas**

- (1) The part of lot 2 on plan RP164048 within the Somerset Regional Council's local government area on 30 May 2013 is excluded from the Somerset Regional Council's local government area and included in the Ipswich City Council's local government area.
- (2) The local government change mentioned in subsection (1) takes effect on 31 May 2013.

Note—

A copy of the change commission's report titled 'Report on a change to the external boundaries of the Ipswich City Council and Somerset Regional Council' dated April 2013 can be viewed on the website of the Electoral Commission of Queensland.

Part 2 **Facilitation of implementation**

2 **Definitions for pt 2**

In this part—

current local government, for a relevant area, means the local government for the area immediately after the transfer day.

former local government, for a relevant area, means the local government for the area immediately before the transfer day.

relevant area means an area that, under a local government change mentioned in part 1, is excluded from a local government's local government area and included in another local government's local government area.

transfer day, for a relevant area, means the day the local government change relating to the area takes effect under part 1.

3 Unfinished actions of former local government

- (1) This section applies to an action started by the former local government for a relevant area that—
 - (a) relates to the relevant area; and
 - (b) has not been finalised before the transfer day.
- (2) The action is taken to have been started by the current local government for the relevant area.
- (3) In this section—

action means the performance of a function or the exercise of a power, including, for example, the following—

- (a) making a decision on, or considering, an application about land;
- (b) taking action in relation to an amount of rates for land;
- (c) making a demand for payment of an amount of rates;
- (d) making a requirement under an Act.

4 Assets and public works in the relevant area

Any assets and public works in a relevant area belonging to the former local government for the relevant area immediately before the transfer day belong, from the transfer day, to the current local government for the relevant area.

Example of what may be an asset belonging to a local government—

material associated with a road or bridge

5 Application fees

- (1) This section applies to an application made to the former local government for a relevant area that—
 - (a) relates to the relevant area; and
 - (b) was made under an Act or planning scheme; and
 - (c) has not been decided immediately before the transfer day.
- (2) As soon as practicable after the transfer day, the former local government for the relevant area must pay the fee received for the application to the current local government for the relevant area.

6 Planning scheme for the relevant area

- (1) The planning scheme of a former local government for a relevant area (the *existing planning scheme*) continues to apply to the relevant area after the transfer day until the current local government for the relevant area amends its planning scheme or makes a new planning scheme.
- (2) The existing planning scheme must be implemented, administered and enforced, in relation to the relevant area, by the current local government for the relevant area as if the existing planning scheme were part of the current local government's planning scheme.

7 References in documents to former local government

In a document relating to a relevant area, a reference to the former local government for the relevant area may, as appropriate, be taken to be a reference to the current local government for the relevant area.

8 Duty to assist with change to boundaries of local government areas

- (1) The former local government for a relevant area and the current local government for the relevant area must do all acts

and other things necessary to help in the implementation of the change of the boundaries of their local government areas.

- (2) Without limiting subsection (1), the former local government for the relevant area must give the current local government for the relevant area the records necessary to enable compliance with this schedule.

Schedule 4 Pricing provisions

schedule 8, definition *pricing provisions*

1 Definition for sch 4

In this schedule—

relevant activity, of a local government, means—

- (a) a significant business activity of the local government to which full cost pricing applies; or
- (b) a business activity of the local government to which the code of competitive conduct applies.

2 Required revenue for deciding charges

In deciding charges to persons for goods or services provided in conducting a relevant activity, a local government must ensure the projected total revenue from conducting the activity is enough to cover the projected total costs of conducting the activity for—

- (a) if the relevant activity is an activity to which the code of competitive conduct applies—a period of more than 1 year but not more than 5 years; or
- (b) otherwise—each financial year in which the activity is conducted.

3 Different charges for commercial reasons

- (1) A charge may be decided for providing particular goods or services in conducting a relevant activity that is, for commercial reasons, an appropriate charge for the goods or services provided.
- (2) For subsection (1), a charge is, for commercial reasons, an appropriate charge if it could reasonably be charged if the goods or services were provided by an entity conducting the

relevant activity with the primary object of making a profit from conducting the activity.

4 Total costs of conducting relevant activity

- (1) For this schedule, the total costs of conducting a relevant activity include each of the following—
 - (a) the operational costs incurred in conducting the activity;
 - (b) administrative and overhead costs;
 - (c) the cost of resources used in conducting the activity;
 - (d) depreciation;
 - (e) equivalents for Commonwealth or State taxes a local government is not liable to pay because it is a local government;
 - (f) equivalents for the cost of funds advantage a local government obtains over commercial interest rates because of State guarantees on borrowings;
 - (g) return on capital.
- (2) The total costs must be adjusted for other advantages and disadvantages of a local government conducting the relevant activity that are not eliminated.
- (3) Subsection (2) does not apply for a relevant activity to which commercialisation applies.

5 Allocation of administrative and overhead costs

For section 4(1)(b), a local government must make a reasonable allocation of its administrative and overhead costs to each relevant activity, having regard to all of a local government's relevant activities.

6 Cost of resources used in conducting activity

- (1) For section 4(1)(c), if resources are provided by or to a local government for conducting an activity, the cost of resources used in conducting the activity may be taken to be—

-
- (a) if the resources have an identifiable cost—the cost of the resources; or
 - (b) if paragraph (a) does not apply and the resources are readily available on the open market—the price at which the resources can be obtained on the market.
- (2) If subsection (1)(b) applies, the local government must ensure the terms on which the cost is based are similar to the terms on which they are made available in conducting the relevant activity.

7 Depreciation

- (1) For section 4(1)(d), depreciation of an asset used in conducting a relevant activity must be based on the depreciable amount for the asset allocated over its useful life.
- (2) However, a local government may decide to base the depreciation on an amount decided by the local government to be appropriate in the circumstances.

8 Equivalent amounts for taxes local government is not liable to pay

- (1) This section applies for section 4(1)(e) for working out the equivalent amount for a Commonwealth or State tax a local government is not liable to pay because it is a local government.
- (2) The equivalent amount must be worked out—
 - (a) for a tax to which a tax equivalents manual applies—by applying the general principles provided for in the manual; or
 - (b) if paragraph (a) does not apply—by estimating the amount a private sector business conducting the relevant activity would calculate to be its liability to the tax.
- (3) Subsection (2)(a) does not, of itself, require the local government to comply with a process or other requirement under the tax equivalents manual.

- (4) However, the local government must keep, for 7 years from the day the equivalent amount is worked out, details of the calculations made in working out the equivalent amount.
- (5) This section does not apply for a relevant activity to which commercialisation applies.

9 Guarantees by State

- (1) This section applies for section 4(1)(f) in relation to a relevant activity that is a business activity to which the code of competitive conduct applies.
- (2) If the State guarantees repayment of a debt of a local government attributed to the relevant activity, the local government must, in conducting the activity, take account of amounts equivalent to the cost of funds advantage the local government obtains over commercial interest rates because of the guarantee.

10 Return on capital

- (1) This section applies for section 4(1)(g).
- (2) The amount for the return on the capital used by a local government in conducting a relevant activity must be decided using the rate at which, in the local government's opinion, a comparable private sector business conducting the activity would be able to obtain the capital in the market.
- (3) In deciding the rate under subsection (2), the local government must have regard to the split the local government considers appropriate, for the type of business activity, between equity and loan capital and the return appropriate to each.
- (4) However, the amount for the return on the capital used in conducting a business activity for the first year in which the business activity is a relevant activity may be the amount the local government decides.
- (5) In this section—

capital used in conducting a business activity means the total value, decided using an accepted accountancy method, of the assets used for the business activity less the liabilities attributable to the activity.
