48A Higher benefit for death or total and permanent disablement—certain members

Despite sections 46 and 48, the board may provide a member with a benefit in the case of death or total and permanent disability that is higher than the benefit under section 46 or 48 if—

- (a) the member transferred to the scheme from another superannuation or pension scheme or fund or a similar scheme or fund (the *previous scheme or fund*) under an arrangement between the board and the member's employer; and

 - (c) either—
 - (i) the member has contributory membership of 5 years or more; or
 - (ii) the member has contributory membership of less than 5 years and in the board's opinion the temporary disablement was not related to a pre-existing condition.
- (1A) However, subsection (1) does not apply if the member is entitled to be absent from duty on sick leave with salary.
- (1B) Also, if the member was in part-time employment at the start of the sick leave, the pension to which the member is entitled under subsection (1) must be multiplied by the membership ratio calculated for the member under section 66(2).
- (1C) If compulsory contributions have not been received for an employed member for 2 years, or a longer period of not more than 3 years the board considers to be just and equitable in the circumstances, the member is not entitled to a pension under this section until compulsory contributions are again received.
- (2) The pension shall be indexed in accordance with section 53.

- (4) For the purpose of calculating an annual compulsory contribution accrual in respect of any year in which the employed member was in receipt of an income protection benefit, the employed member shall be taken to have contributed at the standard compulsory rate in respect of the period for which the income protection benefit was paid, together with the period of 14 days without salary (or such lesser period as the board may have determined in that regard) prior to the payment of that benefit.
- (5) Subsection (6) applies if—

[s 52]

- (a) final salary shall be determined on the basis that the relevant event is the withdrawal event; and
 - (b) *indexed final salary* means the final salary, indexed from the date the withdrawal event occurred in accordance with subsection (7).
- (5) The first component of the amount shall be the member's basic benefit of indexed final salary.
- (6) The second component is the percentage of indexed final salary obtained by subtracting from the members' compulsory contribution benefit the amount (converted into a percentage of final salary) paid to the member's accumulation account under subsection (1).
- (7) For the purposes of this section, indexed final salary is the greater of the following amounts—
- (a) the final salary multiplied by the relevant amount for the quarter occurring 2 quarters before that in which the applicable event in subsection (2) occurred, divided by the relevant amount for the quarter occurring 2 quarters before the quarter in which the withdrawal event occurred;

- (9) If a member makes a request under subsection (8)—
- (a) the board must—
 - (i) calculate the member's entitlement on the advice of the actuary; and

- (10) In this section—

- (b) otherwise—the amount decided by the board, on the advice of the actuary, as being equivalent to the amount the AWOTE would have been, if an AWOTE were published for the quarter.

53 Indexation of pensions

- (1) This section applies to a pension payable to a person under section 46, 48 or 50 during a financial year if the pension was payable to the person immediately before the start of the financial year.
- (2) As soon as practicable after the start of the financial year, the board must reassess the amount of the pension and either increase it or maintain it at the same level as in the previous financial year, as follows—
 - (a) if the June index for the previous financial year is higher than the last adjustment index for the pension, the pension must be increased by the percentage increase between the 2 indexes;
 - (b) otherwise, the pension remains the same.
- (3) If the pension is increased under the reassessment, the pension is payable to the person at the increased level from the first pay period that falls entirely in the month of August in the financial year.
- (4) A percentage increase between 2 indexes under subsection (2)(a) must be calculated to 1 decimal place.
- (5) In this section—

54 Contributory membership of persons who again become employed members

- (2) The amount credited to the member's accumulation account under subsection (1) (including any accrued interest) is to be deducted from the account.

- (3) The hours worked by the employed member working on a part-time basis shall exclude any hours that the member is occasionally or recurrently required to work, or is bound by the terms and conditions of the member's employment to work at particular times, in addition to the number of ordinary time hours required of the member normally.

- (1) Subject to this chapter, contributions by an officer shall be in respect of units of annuity, units of incapacity and, in the case of a male officer, units of assurance benefits as respectively defined by sections 111, 113 and 116, and the number of units of those benefits respectively in respect of which an officer shall contribute is the number specified in schedule 2, column 2 opposite to the salary group in which his or her salary falls.
- (2) Where, at the time when an officer becomes a contributor, he or she has attained the age of 40 years, but is under the age of 60 years, he or she shall contribute to the fund—
 - (a) unless he or she is entitled to elect and elects as prescribed by paragraph (b)—such a sum as will provide units of benefits to the number specified in schedule 2, column 2 opposite to the salary group within which his or her salary falls; or
 - (b) if the sum specified in paragraph (a) exceeds the rate of 5% of his or her salary such sum (being a sum which will provide units of benefits to a number specified in column 2) not less than 5% of that salary and not exceeding the sum specified in paragraph (a) as he or she may, not later than 6 months after the date on which he or she becomes a contributor, elect to contribute.
- (3) If the salary of a contributor is increased and, by reason of that increase, falls within a salary group in schedule 2, column 1 higher than the salary group in which it fell prior to the increase, the following provisions shall apply—
 - (a) if the officer has attained the age of 40 years, but is under the age of 60 years, and is contributing for the number of units corresponding to the salary group within which his or her salary fell immediately prior to the increase—he or she shall increase the amount of his or her contribution to—
 - (i) unless he or she is entitled to elect and elects as prescribed by subparagraph (ii)—such a sum as will provide units of benefits to the number

- specified in column 2 opposite to the salary group within which his or her increased salary falls; or
- (ii) if the sum specified in subparagraph (i) exceeds the rate of 5% of that increased salary—such sum (being a sum which will provide units of benefits to a number specified in column 2) not less than 5% of that increased salary and not exceeding the sum specified in subparagraph (i) as he or she may, not later than 6 months after the date on which his or her salary is increased, elect to contribute;
- (b) if the officer has attained the age of 40 years, but is under the age of 60 years, and is not contributing for the number of units corresponding to the salary group within which his or her salary fell immediately prior to the increase—he or she shall increase the amount of his or her contribution to—
- (i) unless he or she is entitled to elect and elects as prescribed by subparagraph (ii)—such sum as will add to the number of units for which he or she is contributing the maximum number of additional units for which he or she could have contributed if he or she had been a contributor to whom paragraph (a) applies; or
 - (ii) if the sum specified in subparagraph (i) exceeds the rate of 5% of that increased salary—such sum (being a sum which will provide units of benefits to a number specified in column 2) not less than 5% of that increased salary and not exceeding the sum specified in subparagraph (i) as he or she may, not later than 6 months after the date on which his or her salary is increased, elect to contribute;
- (c) if the officer has attained the age of 60 years he or she may elect to increase the amount of his or her contribution to such a sum as will provide units of benefits under this chapter to a number not exceeding the number specified in column 2 opposite to the salary group in which his or her increased salary falls, but

- unless he or she so elects not later than 6 months after the date on which his or her salary is increased, he or she shall not be entitled or required to increase his or her contribution by reason of such increase in salary;
- (d) however, an officer to whom paragraph (c) applies shall not, in respect of any increase in salary, be entitled or permitted to increase the amount of his or her contribution so as to add to the number of units for which he or she was contributing immediately prior to that increase additional units in excess of the number prescribed in relation to that increase by such scale;
 - (e) in all other cases—the contributor shall increase the amount of his or her contribution to such a sum as will provide units of benefits to the number specified in column 2 opposite to the salary group within which his or her increased salary falls.
- (4) Any increased contribution payable in pursuance of subsection (3)(a), (b) or (e) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date—
- (a) upon which the contributor's salary is increased; or
 - (b) from which the contributor's salary is increased;
- whichever is the later.
- (5) Any increased contribution payable in pursuance of subsection (3)(c) and (d) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date of the election.
- (6) For the purposes of this division where the salary of an officer falls within the salary group, exceeding \$450.20 set out in schedule 2, column 1, the number ascertained in accordance with the formula in column 2 set opposite that salary group shall, with respect to that officer, be deemed to be the number specified in column 2 opposite to the salary group within which his or her salary falls.

[s 96]

- (7) For the purposes of the application at any time in relation to a contributor of the formula in schedule 2, column 2 opposite to the salary group, exceeding \$450.20 in column 1—

A denotes the number of times (disregarding any fraction less than 1) by which the fortnightly salary of the contributor exceeds the sum of \$450.20 by the sum of \$6.38.

- (8) For the purposes of contributions of officers in accordance with schedule 2 as inserted by the *Public Service Superannuation Act Amendment Act 1969*, the salary of every officer who is a contributor at the commencement of that Act shall be deemed increased on and from the date of that commencement from the maximum salary within the salary group in column 1 opposite to the number in column 2 that was the number specified in schedule 2, column 2 immediately before the commencement of the *Public Service Superannuation Act Amendment Act 1969* opposite to the salary group in which his or her salary fell immediately before the commencement of that Act and this chapter shall apply accordingly.

Editor's note—

Public Service Superannuation Act Amendment Act 1969 commenced 30 December 1969 (see 1969 No. 19s 2).

96 When officer may voluntarily increase contribution

- (1) Any officer who is not contributing to the fund for units of benefits to the number thereof specified in schedule 2 opposite to the salary group within which his or her salary falls may, subject to this section, elect to increase the amount of his or her contribution.
- (2) Such an election may be to contribute for any further number of units of benefits up to, but not exceeding, the difference between—
- (a) the number thereof specified in schedule 2 opposite to the salary group in which the salary of the officer making the election falls; and

(b) the number thereof for which such officer is contributing;

but an officer shall not be entitled or permitted to increase, pursuant to such an election, the officer's contribution to the fund for incapacity benefit or assurance benefit to a number of units thereof in excess of the number or increased number of units of annuity benefit for which the officer is a contributor or, as the case may be, would become a contributor pursuant to such election.

- (3) Unless exempted by the board therefrom an officer shall, before at any time increasing the amount of contribution to the fund under this section, be medically examined by a medical practitioner.
- (4) An officer shall not at any time increase the amount of his or her contribution to the fund under this section if, after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such officer are such as would justify the officer being then accepted as a contributor.
- (5) Any increased contribution under this section shall, subject to subsection (4), be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date when the board accepts as a contributor under this section the officer making the election.

97 Power of board to exempt etc. from contributing

- (1) According as the circumstances of any case in its opinion warrant, the board may exempt an officer wholly or partly from the requirement imposed upon the officer by this chapter to contribute or at any time to increase the amount of the officer's contribution to the fund, or the board may defer (either for a period specified by it or without specifying any period) such requirement in respect of either such contribution or any increase in the amount thereof.

- (2) When the board specifies the period for which it defers the contribution or any increased contribution required by this chapter to be paid by an officer, then upon the expiration of that period (or of any extension thereof which it is hereby declared the board may grant) that officer shall, unless the board wholly or partly exempts the officer from so doing, pay to the fund the contribution or increased contribution then required in the officer's case by this chapter.
- (3) When the board does not specify the period for which it defers the contribution or any increased contribution required by this chapter to be paid by an officer, the board may at any later time determine that deferment and thereupon, unless the board wholly or partly exempts the officer from so doing, the officer concerned shall pay to the fund the contribution or increased contribution then required in the officer's case by this chapter.
- (4) In the case of any officer (including an officer to whom subsection (2) or (3) applies) partly exempted by the board from making the contribution or any increased contribution required in the officer's case by this chapter, the payment which the officer would be otherwise required to make shall be reduced by the amount of the exemption.
- (5) Where a contributor satisfies the board that adequate provision has been made for himself, herself and his or her family, or that continued contributions for the number of units for which the contributor is contributing will cause the contributor undue hardship, or that for any other reason which the board deems adequate the contributor should be permitted to surrender units, the board may permit the contributor to surrender some or all of the units of benefits under this chapter for which the contributor is contributing.
- (6) The sum equal to the aggregate of all amounts paid by the contributor in respect of units of annuity benefit, incapacity benefit and assurance benefit surrendered under subsection (5) accumulated at the rate of 1.25% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to the contributor.

-
- (7) The units surrendered by a contributor under subsection (5) shall be—
- (a) in a case where the contributor is contributing under section 96, or that section as applied by section 155, for units of benefit—those units if the contributor nominates those units as the units to be so surrendered;
 - (b) in a case other than one referred to in paragraph (a)—those units for which the contributor last began to contribute.

98 Officer reduced in salary

- (1) Where the salary of a contributor has been reduced and by reason of that reduction falls within a salary group in schedule 2, column 1 lower than the salary group in which it would fall if it had not been reduced, the contributor may elect to reduce the number of units in respect of which he or she shall contribute to a number not being less than the number of units appropriate to the salary group to which his or her salary has been reduced, and the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit, in excess of the reduced number of units accumulated at the rate of 1.25% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to him or her.
- (2) A contributor electing under this section shall surrender first the unit or units for which he or she last began to contribute.
- (3) The benefits (save the additional assurance benefit in respect of children) payable under this chapter in respect of units respectively of annuity benefit, incapacity benefit and assurance benefit included in the number of units in excess of the number appropriate to the salary group to which the salary of a contributor has been reduced shall, whilst the unit continues to be a unit in excess of the number appropriate to the salary group in which the salary of the contributor falls for

the time being, be reduced to 35% of the rates thereof which, save for this subsection, apply under this chapter.

99 Units of benefits to be contributed for in equal numbers

- (1) At all times units (including units to which division 4 applies) respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit, shall be contributed for in equal numbers and accordingly a contributor shall not be allowed to contribute at any time for more units of one such benefit than of another.
- (2) This section applies subject to section 103(3) and parts 4 and 5.

100 Period for which contributions are to continue

- (1) Except as prescribed by this section, an officer shall continue to contribute as prescribed to the fund until the last day of the fortnightly pay period last preceding the day on which—
 - (a) he or she ceases to be an officer; or
 - (b) he or she attains the age for retirement; or
 - (c) his or her service as an officer, ascertained as prescribed by section 176 of chapter 5 equals 42 years and 6 months;whichever first occurs, and except as aforesaid, shall continue to pay contribution, as for a period of service, without reduction in respect of any period of leave or absence from duty.
- (2) Where absence from duty referred to in subsection (1), other than with leave of absence without salary by reason of incapacity, is for a continuous period of 14 days or more (whether or not working days) the officer shall, unless the officer elects pursuant to subsection (3), in addition to continuing to contribute to the fund as provided by subsection (1) pay to the consolidated fund, in respect of the period of absence, the amounts that the officer's employer

would be required to pay for the officer under section 28 of the Act, but for the absence.

- (3) A contributor who would be required to pay contribution to the consolidated fund pursuant to subsection (2) may elect in writing furnished to the board not to pay contributions to the fund in respect of the period of absence whereupon—
 - (a) contribution to the fund in respect of the contributor shall cease to be payable in respect of the period of absence; and
 - (b) the board shall waive the payments to the consolidated fund that would be required by that subsection to be made by the contributor; and
 - (c) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter shall be reduced by such amounts as are determined by the actuary and approved by the board.
- (4) The Governor in Council may waive the requirement under subsection (2) to make payments to the consolidated fund either unconditionally or upon such terms and conditions as the Governor in Council determines, either in a particular case or in respect of a class of case, and such waiver shall be given effect.
- (5) Where an officer has been absent from duty with leave of absence without salary by reason of incapacity for a continuous period of 14 days (whether or not working days) the officer's liability to pay contributions to the fund under this chapter shall be suspended for the whole of the period that the officer has been or continues to be so absent but if the officer resumes employment as an officer contributions shall again become payable by the officer.
- (6) A contributor who, pursuant to subsection (1) or (2), is required to pay contributions to the fund and to make payment to the consolidated fund in respect of a period of absence from duty—
 - (a) shall, before commencing the period of absence, pay to the fund and to the consolidated fund the total amount of

[s 101]

contributions and payments that the contributor is so required to pay; or

- (b) shall, before commencing the period of absence, make arrangements satisfactory to the board for payment of the total amount of contributions and payments that the contributor is so required to pay.
- (7) Where a contributor to whom subsection (6) applies does not comply with subsection (6)(a) or (b) the benefits to which the contributor or the contributor's dependants may become entitled under this chapter may be reduced by such amounts as are determined by the actuary and approved by the board.

101 Refund of excess contributions

Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.

Division 3 Scale of contributions by officers

102 Contributions according to scale graduated by age at commencement

- (1) The amount of contribution which shall be paid periodically by an officer in respect respectively of annuity, incapacity and, in the case of a male officer, assurance benefits, shall, except where otherwise provided in this chapter, be based upon—
 - (a) the number of units; and
 - (b) sex; and
 - (c) the age at which the officer commences to contribute for each unit.
- (2) The amount of the contributions shall be ascertained—

-
- (a) with respect to units for which the officer commenced to contribute before the commencement of the *Public Service Superannuation Act Amendment Act 1969*, or for which the officer commences to contribute after that commencement by reason of section 95(8), in accordance with—
- (i) in the case of male officers—schedule 3, part 1; or
- (ii) in the case of female officers—schedule 3, part 2; or
- (b) with respect to units for which the officer commences to contribute after the said commencement (save units for which the officer commences to contribute after that commencement by reason of section 95(8))—in accordance with schedule 4.
- (3) For the purpose of subsection (4)—

- (a) each (if any) of the said units of benefit that was taken up pursuant to section 96 had been effected immediately before the date of its becoming a unit of benefit in respect of which an election might be made under the said section; and
- (b) each (if any) of the said units of benefit in respect of which any fortnightly contributions have been commuted by payment of a lump sum had not been so commuted;

but where neither paragraph (a) or (b) is applicable to the case in question means the fortnightly contribution as at 1 January

1973 that is payable by a contributor in respect of the said units of benefit.

- (4) A contributor whose hypothetical fortnightly contribution exceeds the sum equal to 13% of his or her fortnightly salary as at 1 January 1973 may, by application in writing to the board prior to 1 March 1973, have the actual fortnightly contribution that he or she is paying as at that firstmentioned date in respect of the said units of benefit reduced by whichever is the lesser of—
 - (a) the fortnightly contribution that is payable by the contributor as at the said 1 January; and
 - (b) one-third of the excess of the hypothetical fortnightly contribution over the sum equal to 13% of such fortnightly salary.
- (5) Any reduction in the actual fortnightly contribution under subsection (4) shall apply retrospectively from the first due date for the payment of the contributor's fortnightly contributions after 1 January 1973.
- (6) Notwithstanding subsections (1) to (5), on and from the day that is the first payday in July 1988 for the contributor concerned the amount of a contributor's contributions payable in accordance with those provisions immediately before that day shall be reduced by 1.5% of the amount of salary to which the contributor was entitled as at 31 December 1972.
- (7) In no case shall a contributor be entitled to a payment by reason of the reduction in the amount of contribution.

Division 4 Reserve units of benefits

103 Contribution for reserve units

- (1) A contributor who is contributing to the fund for units of benefits to the number thereof specified in schedule 2 opposite to the salary group within which his or her salary falls, may, from time to time, elect to contribute to the fund for

-
- 1 or more reserve units of benefits in accordance with this division.
- (2) The number of reserve units respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit for which a contributor may elect to contribute at any time pursuant to subsection (1) together with the number of reserve units in respect of which he or she has already made an election under that subsection shall not exceed 12.
 - (3) An officer who is a contributor to the fund under part 5 may elect to contribute pursuant to this division for reserve units of annuity benefit only.
 - (4) Contributions for a reserve unit of benefit—

 - (5) Unless exempted by the board therefrom an officer shall, before at any time contributing or increasing the amount of his

[s 104]

or her contribution for reserve units of benefits under this division, be medically examined by a medical practitioner.

- (6) An officer shall not at any time increase under this division the amount of his or her contributions to the fund if after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such officer are such as would justify his or her being then accepted as a contributor.

104 When reserve units become ordinary units of benefits

Where a contributor—

- (a) who is contributing for 1 or more reserve units of benefits pursuant to this division; and
- (b) who becomes required or entitled to contribute for additional units of benefits under this chapter (other than this division);

does not increase the amount of his or her contributions to the fund by such sum as is sufficient to provide, in accordance with schedule 3 applicable to the particular case, the additional units of benefits, such number of reserve units of benefits up to but not exceeding the number of such units for which he or she is contributing pursuant to this division as is equal to the difference between—

- (c) the number of units of benefits specified in schedule 2 opposite to the salary group within which the contributor's salary falls; and
- (d) the number thereof (other than reserve units of benefits) for which such officer is contributing;

shall cease to be reserve units of benefits to which this division applies and shall become units of benefits for which the contributor is contributing under this chapter (other than this division) the contribution for which shall continue to be the contribution the contributor was making to the fund therefor immediately before the units of benefits so ceased to be reserve units.

105 Contributor may discontinue contribution for reserve units

- (1) Subject to subsection (2) a contributor who is contributing for 1 or more reserve units of benefit may, subject to section 99, elect to discontinue his or her contributions in respect of any or all of those units, in which case he or she shall be paid from the fund the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit for which he or she has so elected to discontinue his or her contributions accumulated at the rate of 1.25% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.
- (2) A contributor shall not make an election pursuant to subsection (1) if the effect of that election is that the contributor thereafter contributes for a number of units (including reserve units) of annuity benefit that is less than the number of units (including reserve units) respectively of incapacity benefit or assurance benefit for which he or she then contributes.

106 Benefits payable on reserve units

- (1) Where a contributor contributes for reserve units of benefit pursuant to this division the benefits payable under this chapter in respect of all reserve units respectively of annuity benefit, incapacity benefit and assurance benefit for which the contributor is contributing for the time being (but not including units of such benefit which have ceased pursuant to section 104 to be reserve units of benefits) shall, whilst they continue to be reserve units, be 35% of the rates thereof which would apply under this chapter if those reserve units were units of benefit for which the contributor was contributing within the number appropriate to the salary group in which the salary of the contributor falls for the time being.
- (2) In the case of a contributor who is continued in his or her employment as an officer after attaining the age of 65 years,

[s 107]

benefits payable in respect of reserve units of annuity shall be payable to the contributor on attaining the age of 65 years and shall be at the same rate as that to which the contributor would be entitled if the contributor had ceased to be an officer on attaining the age of 65 years.

107 Payment of lump sum on ceasing to contribute

(1) A contributor who is contributing for 1 or more reserve units of benefit pursuant to this division who ceases to be a contributor for that—

- (b) the contributor voluntarily resigned from his or her employment as an officer after attaining the age of 60 years but before attaining the age of 65 years; or
- (c) he or she attained the age of 65 years;

shall be entitled, subject in the case of a person referred to in paragraph (a) to his or her satisfying the board as required by section 136, by notice in writing lodged with the board to elect to be paid, in respect of all or any of the number of reserve units of annuity benefit and—

- (d) in the case of a male contributor—assurance benefit; and
- (e) in the case of a contributor to whom paragraph (a) applies—incapacity benefit;

in respect of which but for the election he or she would be entitled to receive benefit pursuant to section 106, the sum prescribed by this section.

(2) Notice of election under subsection (1) shall be lodged with the board—

 - (c) in any other case—before the expiration of a period of 1 month commencing on the date on which the contributor attains the age of 65 years.
- (3) Where a contributor who is contributing pursuant to this division for 1 or more reserve units respectively of annuity benefit, incapacity benefit and assurance benefit ceases to be a contributor for a reason other than a reason specified in subsection (1) there shall be paid to him or her, or, if he or she has died, to his or her legal personal representative or other person approved by the board from the fund the sum prescribed by this section in respect of all reserve units respectively of annuity benefit, incapacity benefit and, save where the contributor ceases to be a contributor by reason of death before attaining the age of 65 years leaving the contributor surviving a widow, assurance benefit for which he or she was contributing to the fund pursuant to this division at the time when he or she ceased to be a contributor (but not including units of such benefit which have ceased pursuant to section 104 to be reserve units of benefits).
- (4) The sum to be paid in respect of the number of reserve units of the benefits in question ascertained in accordance with subsections (1) to (3) shall be equal to—
- (a) in the case of a contributor who ceased to be a contributor on account of death or retirement by reason of incapacity or voluntary resignation in terms of section 160 or attainment of the age of 65 years—such amount as is determined by the actuary and approved by the board; and

- (b) in any case to which paragraph (a) does not apply—the aggregate of all amounts (accumulated at the rate of 1.25% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound) contributed by the contributor in question in respect of such number of reserve units of annuity benefit, incapacity benefit and assurance benefit.

- (2) Where an election is, pursuant to subsection (1), deemed to have been made there shall be credited in the fund on account of the elector the amount to which the contributor would have been entitled had the contributor ceased to be an officer by way of retrenchment duly effected in accordance with relevant arrangements approved by the Governor in Council, until, subject to subsection (3)—
- (a) the contributor attains the age of 55 years; or

[s 141]

- (a) where the elector has informed the board in writing that the elector no longer desires his or her election made under section 191 of chapter 5 to operate, the sums which the elector would have been entitled to be paid pursuant to sections 123, 124 and 125 had the elector not been deemed to have elected as prescribed by subsection (1) together with interest that has accrued since the date on which the elector ceased to be an officer and that is properly attributable to those sums; and
- (b) in any other case—the amount credited on account of the elector pursuant to subsection (2), together with interest for the period since the date on which the elector ceased to be an officer.

- (5) For purposes of subsection (4), interest shall be calculated at such rate as is determined by the board, from time to time, on the advice of the actuary which rate, at the time it is determined, is to reasonably reflect the after tax earnings of the fund (on a long-term basis) derived from the investment of contributors' contributions, having regard to costs incurred in investing and administering the fund.

- (5) Except where it is otherwise expressly provided by this chapter, where a contributor is absent from duty for any period without salary or on a salary less than full salary the contributor shall continue to contribute to the fund during that period at the rate at which the contributor would have been required to contribute to it if the contributor had continued to receive full salary in respect of that period.
- (6) Where absence from duty referred to in subsection (5), other than with leave of absence without salary by reason of incapacity, is for a continuous period of 14 days or more (whether or not working days) the contributor shall, unless the contributor elects pursuant to subsection (7), in addition to continuing to contribute to the fund as provided by subsection (5) pay to the consolidated fund, in respect of the period of absence, the amounts that the contributor's employer would be required to pay for the contributor under section 28 of the Act, but for the absence.

- (3) The deductions shall be made for the first time in each case on the first payday occurring after the contributions in respect of which they are to be made commence, as provided by section 168(1), and the full amount of all deductions so made shall be credited to the fund.
- (4) A contributor who, pursuant to section 167(5) or (6), is required to pay contributions to the fund and to make payment to the consolidated fund in respect of a period of absence from duty—

 - (b) is on sick leave on less than full pay; or
 - (c) for any reason (other than any misconduct or default on the contributor's part) is receiving remuneration at a rate less than the rate of pay for the time being applicable to the contributor's position;

the board, on the application of the contributor, may permit the contributor to defer the contributor's contributions and other payments required by section 167(5) and (6) to be made by the contributor for such period as the board may approve, subject to such conditions as to the future payment of the contributor's contributions and such other payments as the board may impose (including conditions as to the payment of interest, at such rate (if any) as is determined by the board, on the contributions and such other payments so deferred) and, failing such an application, the contributor shall contribute to the fund at the times and in the manner prescribed.

- (7) Any amount of the contributions and additional payments prescribed by this chapter or chapter 4 to be made by a contributor not paid by deduction from the contributor's salary as prescribed by subsections (1) to (3) shall, subject to subsection (4), be paid in such manner as the chief executive officer directs and, if directed by the chief executive officer, may be deducted from the contributor's salary in addition to the deductions from salary as prescribed by subsections (1) to (3) but—

- (a) the board may waive payment thereof wholly or in part; or
 - (b) the board may determine that any such amount not so deducted and not otherwise recovered by the board be recovered by reduction of the amount of benefit payable upon a claim made by or derived from the contributor, whereupon any such amount of contribution shall be deemed not to be due and unpaid.
- (8) Where the board has exercised the power conferred by subsection (7)(b) the benefits from the fund to which the contributor concerned or any person deriving a benefit through the contributor is entitled shall be reduced by the amount in respect of which the power is exercised and the amount of interest that would have accrued to the fund and the consolidated fund (at the rate at which earnings would have accrued to the fund) had the contributions and additional payments been duly paid.
- (9) The board may, where any amount of the contributions prescribed by this chapter or chapter 4 to be made by a contributor is not paid by deduction from the contributor's salary as prescribed by subsections (1) to (3), reduce the benefits to which the contributor or the contributor's dependants may become entitled under this chapter by such amounts as are determined by the actuary and approved by the board.
- (10) Before reducing benefits in accordance with subsection (9), the board is to—

- (11) Notwithstanding subsections (1) to (10), the board may recover by action as for a debt any amount of the contributions

and additional payments to be made by a contributor which is due and unpaid.

- (12) For the purposes of subsections (7), (8), (9) and (11), the amount of any unpaid contributions and additional payments shall be the aggregate of the amount thereof due and unpaid and of interest thereon which would have accrued to the fund and the consolidated fund (at the rate at which earnings would have accrued to the fund) had the same been duly paid unless the board waives such interest wholly or in part.
- (13) Where the contributions and additional payments to be made by a contributor are in arrears to the extent prescribed as respects amount or time, or both, the board may determine all rights of the contributor to benefits under this chapter, and thereupon shall pay to the contributor a sum of money equal to the amount of the contributions and additional payments, whether paid or in arrears, payable by the contributor under this chapter to the fund or the consolidated fund to the date of such determination accumulated on and after the passing of the *Superannuation Acts Amendment Act 1984* at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound reduced by the aggregate of the amount of the arrears of contributions and additional payments and of the interest thereon which would have accrued to the fund or the consolidated fund (at the rate at which earnings would have accrued to the fund) had the same been duly paid unless the board waives such interest wholly or in part.
- (14) Except where it is otherwise provided by this chapter, a contributor—
 - (a) shall continue to contribute as prescribed to the fund until the contributor attains the age for retirement or the contributor's employment as an officer is sooner terminated by earlier retirement, death, resignation or otherwise howsoever; and
 - (b) shall, in respect of a period of leave or absence, with or without salary, pay contribution, as for a period of service, without reduction.

170 Suspension of contribution

- (1) Where an officer has been absent from duty with leave of absence without salary by reason of incapacity for a continuous period of 14 days (whether or not working days) the officer's liability to pay contributions to the fund under this chapter shall be suspended for the whole of the period that the officer has been or continues to be so absent but if the officer resumes employment as an officer contributions shall again become payable.
- (2) Subsection (1) does not apply to a contributor—
 - (a) who has not satisfied the board as required by section 199; or
 - (b) in respect of whom the board has made a determination under section 201(2); or
 - (c) who, being a contributor for category B benefits, has not completed 10 years service at the commencement of the period of absence in question unless the board has made a determination in respect of the contributor under section 210.

171 Rates of contribution

- (1) The amount of the contributions of a continuing contributor (not being an officer to whom subsection (3) relates) which shall be paid by the contributor periodically in addition to the amount of contributions payable by the contributor to the fund under chapter 4 shall be a sum calculated at the prescribed rate per centum of the amount by which the amount of the contributor's salary as at 30 June 1978 varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount by which the amount of the contributor's salary as at 1 October last preceding exceeds the amount of the contributor's salary on the commencement of the 1972 Act.
- (2) The amount of the contributions of an officer (not being an officer to whom subsection (3) relates) who became an officer on or after the commencement of the 1972 Act or who was an

[s 171]

officer on the commencement of the 1958 Act, but is not a continuing contributor, which shall be paid by the officer periodically, shall be a sum calculated at the prescribed rate per centum of the amount of the officer's salary as at 30 June 1978 (or in the case of an officer who commences to contribute after that date as at the date on and from which that officer commences to contribute) varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount of the officer's salary as at 1 October last preceding if the officer was at that date a contributor.

- (3) The contributions of an officer who—
- (a) becomes an officer on or after the commencement of the 1972 Act; and
 - (b) immediately before becoming an officer is in receipt of or eligible to receive an incapacity pension under this chapter or incapacity benefit under chapter 4 or incapacity allowance preserved and continued by the 1958 Act;

that shall be paid by the officer periodically shall be, in addition to the contributions (if any) to the fund payable by the officer under chapter 4, the sum calculated at the prescribed rate per centum—

- (c) where the officer was an officer to whom subsection (2) applied before the officer was retired on the ground of incapacity—of the amount of the officer's salary as at the date he or she again becomes an officer varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount of the officer's salary as at 1 October last preceding if he or she was at that date an officer; or
- (d) in any other case—of the amount by which the amount of the officer's salary as at the date he or she again becomes an officer varied, in the first fortnightly pay period occurring wholly in the November of each year, to the prescribed rate per centum of the amount by

which the amount of the officer's salary as at 1 October last preceding (if he or she was at that date an officer) exceeds the amount of the officer's salary at the time when the officer was so retired or at 31 December 1972 whichever is the earlier.

- (4) A contributor who made an election under section 24(4) of the 1972 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(4) of the 1972 Act in addition to the rate prescribed by this chapter (other than this subsection).
- (5) A contributor who made an election under section 24(4A) of the 1972 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(4A) of the 1972 Act in addition to the rate prescribed by this chapter (other than this subsection).
- (6) Where, by reason that an officer becomes a contributor on or after the passing of the *Superannuation Acts Amendment Act 1987* and after the officer has attained the age of 22 years and 6 months, the length of the officer's service, ascertained for the purpose of calculating the pension to be paid to the officer under this chapter, if the officer attains the age for retirement, will not amount to 42 years and 6 months, the officer may elect, within a period of 2 months after he or she becomes an officer to increase the rate of the officer's contribution and the board may determine that the additional rate of the contributions that, but for this subsection, would have been payable by the officer shall be a sum calculated at such rate as the board, after consultation with the actuary, may determine, being a rate which, having regard to the fact that payments by the Crown will be in relation only to contributions by the officer that would be payable but for this subsection, will enable the length of service for the purpose of calculating the pension to be paid to the officer under this chapter to be regarded as the length of service ascertained in accordance with the board's determination under subsection (8) but not exceeding a maximum of 42 years and 6 months, and

thereupon the officer shall be deemed to be required to contribute to the fund at the rate so determined in addition to the rate prescribed by this chapter (other than this subsection).

- (7) A contributor who made an election under section 24(5) of the 1972 Act to increase the rate of his or her contributions must continue to contribute to the fund under this chapter at the rate decided by the board under section 24(5) of the 1972 Act in addition to the rate prescribed by this chapter (other than this subsection).
- (8) Where the board has made a determination under subsection (4), (5), (6) or (7) in relation to an officer, the board may determine that, for the purpose of calculating the pension to be paid to the officer under part 3, the officer's length of service as an officer shall be regarded as being equal to the officer's actual length of service ascertained in accordance with this chapter plus such additional length of service as the board, after consultation with the actuary, may determine and thereupon this chapter shall apply to the officer accordingly.
- (9) Where the board has made a determination under subsection (4), (5), (6) or (7) upon the election of an officer and the contributor satisfies the board that payment of such additional rate of the contribution by the officer is causing the officer undue hardship, the board may cancel its determination or vary the same by reducing, with the approval of the actuary, the additional rate of contributions to be paid by the contributor.
- (10) Where in respect of a contributor the board, pursuant to subsection (9), cancels a determination under subsection (4), (5), (6) or (7), any determination under subsection (8) in respect of additional length of service of the contributor shall likewise be cancelled and cease to apply to or in respect of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund pursuant to subsection (4), (5), (6) or (7) as the actuary determines is justified having regard to the reduced liability of the fund.

- (11) Where in respect of a contributor the board pursuant to subsection (9) varies a determination under subsection (4), (5), (6) or (7), it shall make an appropriate variation of its consequential determination under subsection (8) of additional length of service in respect of the contributor and this chapter shall apply as if the determinations as so varied were at all relevant times the determinations originally made on the election of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions pursuant to subsection (4), (5), (6) or (7) as the actuary determines is justified having regard to the reduced liability of the fund.
- (12) Except in the case of a contributor referred to in section 198, where the salary of a contributor is reduced to a rate less than the rate upon which contributions are, for the time being, calculated, the contributor shall thereupon, except as aforesaid, contribute to the fund in relation to the reduced rate of the contributor's salary and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund as the actuary determines is justified having regard to the reduced liability of the fund, by reason of the reduction in salary, in respect of the prospective entitlement of the officer to benefits under this chapter and thereupon for the purpose of calculating the contributor's entitlement to benefits under this chapter the contributor's rate of salary in respect of any period before the time the contributor's salary was reduced shall be deemed not to have been in excess of the rate to which the contributor's salary was so reduced.
- (13) Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.
- (14) If an officer made an election under section 24(4) of the 1972 Act before the commencement of the *Superannuation Acts Amendment Act (No. 2) 1974* and was a contributor at that commencement, the additional contribution under the election

must be adjusted by the board as if that subsection as amended by that Act was in force at the date of the election.

172 Provision for female contributors to contribute for benefits under pt 4, divs 2 and 3

- (1) This section applies to a female contributor who made an election under section 24A of the 1972 Act and became entitled to increase the rate of her contribution to the fund sufficient to secure for her the benefits provided for by part 4, divisions 2 and 3 of the 1972 Act.
- (2) The additional rate of contribution payable by the contributor continues to be the rate decided by the board under section 24A(3) of the 1972 Act.
- (3) If in relation to a contributor by whom an additional rate of contribution is payable pursuant to this section the board makes a determination under section 171(9) that cancels or varies a board's determination made under section 171(4), (5), (6) or (7) in relation to that contributor, the additional rate of contribution payable by the contributor pursuant to this section shall be adjusted, having regard to that cancellation or variation, the ascertainment of the contributor's length of service for the purposes of this section shall be adjusted accordingly and the board shall make to the contributor a refund of such part of her contributions to the fund pursuant to this section as the actuary determines is justified, having regard to the reduced liability of the fund.

Pensions shall be paid in fortnightly instalments or if so determined by the board, periodically at other intervals.

196 Payment to person other than the beneficiary

- (1) Where in the opinion of the board payment of any pension, refund of contributions or other payment under this chapter should be made to a person other than the person to whom the same is prescribed to be payable, the board may authorise payment to such firstmentioned person accordingly and the receipt of that person is a complete discharge to the board for the amount so paid.
- (1A) Subsection (1) does not apply to an eligible death benefit payable to a person under section 29S.
- (2) Where a person has received a payment under this chapter or chapter 4 and it is subsequently discovered that, owing either to some miscalculation or mistake of fact for which the person is not responsible, the payment was in excess of the amount properly payable, the board may—
 - (a) waive repayment; or
 - (b) allow repayment to be made on such terms as the board thinks just;

of the whole or any part of that excess payment or may write off the whole or any part thereof, if, in the opinion of the board, its repayment would cause undue hardship or the enforcement of the repayment thereof would be inequitable.

- (3) Where a person has received a payment under this chapter or chapter 4 and it is subsequently discovered that, by reason of a mistake, the amount of the payment is in excess of the amount properly payable to that person, the board may write off the whole or any part of the excess amount so paid if it is satisfied that the excess amount or that part is irrecoverable or that the enforcement of the repayment by that person of the excess amount or that part would impose undue hardship on that person or would, in all the circumstances of the case, be inequitable.

197 Commencement of benefits

Subject to this chapter, where in pursuance of this chapter any officer becomes liable or elects to contribute for any pension benefits or additional such benefits the officer shall be a contributor in respect of those benefits or additional benefits as from the date as from which the contribution or additional contribution therefor is payable and not earlier, but if any benefit becomes payable to or in respect of that contributor before he or she has actually commenced to make contributions or additional contributions there shall, as determined by the board, be deducted from payments of benefits such contributions as are due by him or her in respect of those benefits or additional benefits.

198 Provision for incapacity entitlement of contributor reduced in salary by redeployment

- (1) Where a contributor's salary is reduced as a consequence of action taken by the contributor's employer for redeployment of the contributor, which, in the board's opinion, is due to the incapacity of the contributor, then, if the board so approves and subject to such conditions as the board in its absolute discretion may determine, the contributor shall be deemed to be in receipt of salary at the rate that would be payable to the contributor had the contributor remained in the position held by the contributor as an officer immediately before the contributor's redeployment.

- (2) The board may determine that a contributor, such as is deemed to be in receipt of salary as prescribed by subsection (1), is entitled to payment of incapacity pension at a rate and for a period determined by the board but not exceeding the rate of incapacity pension to which the contributor would have been entitled had the contributor retired on the ground of incapacity immediately before the date of the contributor's redeployment.

199 Entitlement to receive incapacity pension

Before a person—

- (a) who is retired or permitted to retire as an officer by reason of incapacity; or
- (b) who has been absent from duty with leave of absence without salary by reason of incapacity for a continuous period of 14 days (whether or not working days);

is entitled to payment of an incapacity pension or to payment from the fund of a sum on account of incapacity the person shall satisfy the board that the incapacity is such as to render the person unfit to discharge or incapable of discharging the duties of office efficiently and, in the case referred to in paragraph (a), that the incapacity is likely to be permanent.

200 Proof of continued incapacity

- (1) Any person who is in receipt of incapacity pension, shall whilst the person continues to be in receipt of incapacity pension, give as prescribed such notifications and certificates relating to the person's continued incapacity as shall be prescribed and submit himself or herself for medical examination when and so often as the board requires to any medical practitioner or medical practitioners approved by the board.
- (2) If at any time a person defaults in complying with any requirement of this section, the board may discontinue the

payment to the person of incapacity pension until the person remedies the default to its satisfaction.

201 Failure of incapacity pensioner restored to health to resume employment affects entitlement

- (1) If in the opinion of the board the health of any person who is in receipt of incapacity pension and who has not attained the age for retirement has been restored to such an extent as to enable the person to perform duties as an officer efficiently, the board shall so inform the person, body or authority by whom that person is or was employed as an officer, to the intent that the person, body or authority so informed shall—
 - (a) in the case of the person in receipt of incapacity pension being absent from duty with leave of absence without salary—instruct that person to resume employment with the person, body or authority forthwith; or
 - (b) in the case of the person in receipt of incapacity pension having had the person's employment terminated by reason of the incapacity—take all practicable steps to find employment for that person as an officer in the person's, body's or authority's employment.
- (2) If—
 - (a) in the case of a person in receipt of incapacity pension being absent from duty with leave of absence without salary—the board has pursuant to subsection (1) informed the person, body or authority by whom that person is employed as an officer as prescribed by that subsection and that person has not resumed such duty;
 - (b) in a case referred to in subsection (1)(b)—employment referred to in that paragraph is offered to the person in receipt of incapacity pension at a rate of salary at least equal to the rate of salary then payable in respect of the office held by the person at the time the person became eligible for the incapacity pension and the person fails to accept that employment;

[s 202]

the board may cancel that person's incapacity pension and thereupon it shall cease to be payable.

- (3) Where the board cancels a person's incapacity pension it shall forthwith inform the person in writing of the cancellation.
- (4) Where a person's incapacity pension is cancelled under subsection (2) neither that person nor any other person claiming through the person, either immediately or at any future time, shall be entitled to any payment or further payment from the fund by way of any benefit for which that person was contributing to the fund but that person shall be paid from the fund a sum equal to the total amount of the person's contributions accumulated from 1 July 1990 at the net earning rate of the fund compound to the fund less an amount certified by the actuary to be attributable to the provision of incapacity pension.
- (5) Subsection (4) shall not be construed to prevent a person whose incapacity pension has been cancelled under subsection (2) or any other person claiming through the person from becoming entitled to any benefits for which that person contributes to the fund after the person has again become an officer and a contributor.

202 Incapacity pension may be suspended

- (1) If at any time it appears to the board that any person who is in receipt of incapacity pension—
 - (a) engages in—
 - (i) any business or occupation on the person's own account; or
 - (ii) employment, not being employment by virtue whereof the person is an officer receiving salary at least equal to the rate referred to in section 201(2);
or
 - (b) receives compensation under the *Workers' Compensation and Rehabilitation Act 2003*;the board may suspend payment of the incapacity pension.

- (2) For the period for which payment of an incapacity pension is suspended under subsection (1) the person concerned shall not be entitled to or receive any incapacity pension from the fund unless the board directs that the person be paid for that period or such part thereof as the board determines, the whole of the incapacity pension or such part thereof as the board considers reasonable.

203 Contribution by retired incapacity pensioners upon re-employment

If a person who has been retired, by reason of incapacity, from employment as an officer and who is in receipt of incapacity pension again becomes an officer, the period during which the person was retired shall not, for the purposes of this chapter, be deemed to be a break in the continuity of the person's service, and accordingly the officer shall be deemed to be a contributor and contributions to the fund shall again become payable by the person in accordance with this chapter.

204 Right to prepay contributions

- (1) The board may permit a contributor to commute wholly or in part any existing contribution under this chapter, payable by the contributor in respect of any future period, by payment of a lump sum of such amount as shall be determined by the actuary and approved by the board.
- (2) Where a contributor who elects to retire at any time within the period of 10 years immediately preceding the day on which the contributor would attain the age for retirement, has commuted wholly or in part any contributions under the Act attributable to any period after the date of the contributor's retirement the contributor is, in addition to any entitlement under this chapter, entitled to be paid from the fund such sum of money in respect of such contribution as is determined by the actuary and approved by the board.

contributor had the contributor been a contributor for category A benefits, being a contributor—

- (a) who has had less than 10 years service; and

211 Rectification of contributor's status falsely induced

 - (b) where the person is no longer a contributor—that the contributor be deemed never to have been a contributor for category A benefits but to have been a contributor for category B benefits on and from the date of his or her acceptance as a contributor.
- (2) Where a contributor has made an election under section 172 that has been accepted by the board and it subsequently appears to the board that she has suppressed or failed to fully disclose information concerning her health or physical condition the board may determine—

 - (b) where she is no longer a contributor—that she be deemed never to have made additional contributions payable under section 172 but to have always been a contributor for the benefits for which she was contributing at the time she made the election.
- (3) A person in respect of whom the board's determination is made under subsection (1) shall become and be or, as the case may be, shall be deemed to have been a contributor for category B benefits according to the tenor of the board's determination.

- (a) recover from him or her by action in a court of competent jurisdiction as a debt due and owing to the board the difference between the payment made and the amount to which he or she would have been entitled under this chapter as a contributor according to the tenor of the board's determination; and
 - (b) deduct from moneys that may at any time become payable under this chapter to or on account of him or her the difference between the payment made and the amount to which he or she would have been entitled

under this chapter as a contributor according to the tenor of the board's determination; and

- (c) in the case of a pensioner—
 - (i) order that his or her pension be cancelled forthwith (whereupon his or her entitlement to a pension under this chapter shall cease) and, if he or she is no longer a contributor, may further order—
 - (A) that no other payment, to which he or she would be entitled under this chapter if the further order had not been made, be made to him or her or on his or her account; or
 - (B) that any other such payment be made to him or her or on his or her account only to an extent determined by the board;(whereupon his or her entitlement under this chapter to any other such payment shall cease or, as the case may be, be reduced accordingly); or
 - (ii) order that his or her pension be reduced forthwith to a rate determined by the board (whereupon his or her entitlement under this chapter to a pension shall be reduced accordingly);

and any such order shall be given effect and complied with.

- (6) The provisions of this section apply in respect of a person who at the passing of the *Superannuation Acts Amendment Act 1984* has ceased to be a contributor as well as in respect of a person who at such passing is or thereafter becomes a contributor.
- (7) Where a determination referred to in subsection (2)(a) has been made the contributor or, if she has died, her legal personal representative shall be entitled to a refund of additional contributions paid by her under section 172 accumulated at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

- (2) Where such a provision relates to a contributor who has retired and has been re-employed, the contribution shall, subject to the express provisions of this chapter, be calculated only from the date of the last re-employment of the contributor.

213 No interest on certain payments

 - (a) the payment of interest on the payment is authorised by this chapter; or
 - (b) the board determines that interest is payable on the payment.

 - (d) a member of the police force to whom paragraph (c) applies shall not, in respect of any increase in salary, be entitled or permitted under that paragraph to increase the amount of his or her contribution so as to add to the number of units for which he or she was contributing immediately prior to that increase additional units in excess of the number prescribed in relation to that increase by such scale;
 - (e) in all other cases—the contributor shall increase the amount of his or her contribution to such a sum as will provide units of benefits to the number specified in column 2 of the scale contained in schedule 16 opposite to the salary group within which his or her increased salary falls.
- (4) Any increased contribution payable in pursuance of subsection (3)(a), (b) or (e) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date—
- (a) upon which the contributor's salary is increased; or
 - (b) from which the contributor's salary is increased, whichever is the later.

-
- (5) Any increased contribution payable in pursuance of subsection (3)(c) is payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date of the election.
- (6) For the purposes of this division where the salary of a member of the police force falls within the salary group 'exceeding \$450.20' set out in column 1 of the scale contained in schedule 16, the number ascertained in accordance with the formula in column 2 of that scale set opposite that salary group shall, with respect to that member, be deemed to be the number specified in column 2 of that scale opposite to the salary group within which his or her salary falls.
- (7) For the purposes of the application at any time in relation to a contributor of the formula in column 2 of the scale contained in schedule 16 opposite to the salary group 'exceeding \$450.20' in column 1 of that scale—

A denotes the number of times (disregarding any fraction less than 1) by which the fortnightly salary of the contributor exceeds the sum of \$450.20 by the sum of \$6.38.

- (8) For the purposes of contributions for units of benefits by members of the police force in accordance with the scale contained in schedule 16, the salary of every member who is a contributor at the commencement of the *Police Superannuation Act Amendment Act 1970* shall be deemed increased on and from the date of that commencement from the maximum salary within the salary group in column 1 of the said scale opposite to the number in column 2 of the said scale that was the number specified in column 2 of the scale contained in schedule 17 opposite to the salary group in which his or her salary fell immediately before the commencement of the *Police Superannuation Act Amendment Act 1970* and this chapter shall apply accordingly.

Editor's note—

Police Superannuation Act Amendment Act 1970 commenced 4 January 1971 (see 1970 No. 37 s 2).

219 When member of police force may voluntarily increase contribution

- (1) Any member of the police force who is not contributing to the fund for units of benefits to the number thereof specified in the scale contained in schedule 16 opposite to the salary group within which his or her salary falls may, subject to this section, elect to increase the amount of his or her contribution.
- (2) Such an election may be to contribute for any further number of units of benefits up to, but not exceeding, the difference between—
 - (a) the number thereof specified in the said scale opposite to the salary group in which the salary of the member of the police force making the election falls; and
 - (b) the number thereof for which such member of the police force is contributing.
- (3) Unless exempted by the board therefrom a member of the police force shall, before at any time increasing the amount of his or her contribution to the fund under this section, be medically examined at his or her own expense by a medical practitioner.
- (4) A member of the police force shall not at any time increase the amount of his or her contribution to the fund under this section if, after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such member of the police force are such as would justify his or her being then accepted as a contributor.
- (5) Any increased contribution under this section shall be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date when the board accepts as a contributor under this section the member of the police force making the election.

220 Power to board to exempt etc. from contributing

- (1) According as the circumstances of any case in its opinion warrant, the board may exempt a member of the police force wholly or partly from the requirement imposed upon him or her by this chapter to contribute, or at any time to increase the amount of his or her contribution, to the fund, or the board may defer (either for a period specified by it or without specifying any period) such requirement in respect of either such contribution or any increase in the amount thereof.
- (2) When the board specifies the period for which it defers the contribution or any increased contribution required by this chapter to be paid by a member of the police force, then upon the expiration of that period (or of any extension thereof which it is hereby declared the board may grant) that member of the police force shall, unless the board wholly or partly exempts him or her from so doing, pay to the fund the contribution or increased contribution then required in his or her case by this chapter.
- (3) When the board does not specify the period for which it defers the contribution, or any increased contribution, required by this chapter to be paid by a member of the police force, the board may at any later time determine that deferment and thereupon, unless the board wholly or partly exempts him or her from so doing, the member of the police force concerned shall pay to the fund the contribution or increased contribution then required in his or her case by this chapter.
- (4) In the case of any member of the police force (including a member of the police force to whom subsection (2) or (3) applies) partly exempted by the board from making the contribution or any increased contribution required in his or her case by this chapter, the payment which he or she would be otherwise required to make shall be reduced by the amount of the exemption.
- (5) Where a contributor satisfies the board that adequate provision has been made for the contributor and, in the case of a male contributor, his family, or that continued contributions for the number of units for which he or she is contributing will cause him or her undue hardship, or that for any other reason

which the board deems adequate he or she should be permitted to surrender units, the board may permit the contributor to surrender some or all of the units of benefits under this chapter for which he or she is contributing.

- (6) The sum equal to the aggregate of all amounts paid by the contributor in respect of units of annuity benefit, incapacity benefit and assurance benefit surrendered under subsection (5) accumulated at the rate of 1 $\frac{1}{4}$ % per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound shall be paid to the contributor.
- (7) The units surrendered by a contributor under subsection (5) shall be—
 - (a) in a case where the contributor is contributing under section 219 for units of benefit—those units if the contributor nominates those units as the units to be surrendered; or
 - (b) in a case other than one referred to in paragraph (a)—those units for which the contributor last began to contribute.

221 Member reduced in salary

- (1) Where the salary of a contributor has been reduced and by reason of that reduction falls within a salary group in column 1 of the scale contained in schedule 16 lower than the salary group in which it would fall if it had not been reduced, the contributor may elect to reduce the number of units in respect of which he or she shall contribute to a number not being less than the number of units appropriate to the salary group to which his or her salary has been reduced, and the sum equal to the aggregate of all amounts paid by him or her in respect of units of annuity benefit, incapacity benefit and assurance benefit, in excess of the reduced number of units accumulated at the rate of 1 $\frac{1}{4}$ % per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and

thereafter at the net earning rate of the fund compound shall be paid to him or her.

222 Units of benefits to be contributed for in equal numbers

At all times units (including units to which division 4 applies) respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit, shall be contributed for in equal numbers and accordingly a contributor shall not be allowed to contribute at any time for more units of 1 such benefit than of another.

- (2) Where absence from duty referred to in subsection (1), other than sick leave of absence without pay, is for a continuous period of 14 days or more (whether or not working days) a contributor shall, unless the contributor elects pursuant to subsection (3) in addition to continuing to contribute to the fund as provided by subsection (1), pay to the consolidated fund for the period, an amount determined by the Treasurer.
- (3) A contributor who would be required to pay amounts to the consolidated fund under subsection (2) may elect in writing furnished to the board not to pay contributions to the fund in respect of the period of absence whereupon—

- (4) The Governor in Council may waive the requirement under subsection (2) to make additional payments to the consolidated fund either unconditionally or upon such terms and conditions as the Governor in Council determines, either in a particular case or in respect of a class of case, and such waiver shall be given effect.
- (5) Where a contributor is absent from duty without pay or at less than full salary, the board may, upon his or her application, permit the contribution in respect of the period of such absence to be made to the fund in such manner as respects periodical amounts or times of payment, or both, as the board approves.

-
- (6) A contributor who, pursuant to subsection (1) or (2), is required to pay contributions to the fund and to make additional payments to the fund in respect of a period of absence from duty—

 - (b) shall, before commencing the period of absence, make arrangements satisfactory to the board for payment of the total amount of contributions and additional payments that the contributor is so required to pay.
- (7) Where a contributor to whom subsection (6) applies does not comply with paragraph (a) or (b) of that subsection the benefits to which the contributor or the contributor's dependants may become entitled under this chapter may be reduced by such amounts as are determined by the actuary and approved by the board.

- (1) The amount of contribution which shall be paid periodically by a member of the police force in respect respectively of annuity, incapacity and, in the case of a male member of the police force, assurance benefits, shall, except where otherwise provided in this chapter, be based upon—

 - (a) in respect of units of benefits (not being units for which the contributor contributed by way of commutation of contributions by payment of a lump sum pursuant to section 252 or by way of a single premium pursuant to section 60 of the repealed *Police Superannuation Act 1968* or towards the provision of which the contributor is deemed by section 265 to have contributed by way of a single premium)—the sum of—

- of contributions contained in schedule 18, part 1 and, in the case of female members of the police force, the table of contributions contained in schedule 18, part 2 as would provide the units of benefits; and
- (ii) the amount of the difference between such amount, ascertained in accordance with the applicable table of contributions contained in schedule 19 as if the contributor had commenced to contribute for the units on the date of commencement of the *Police Superannuation Act Amendment Act 1970*, as would provide the units of benefits and such amount, ascertained in accordance with the applicable table of contributions contained in schedule 18 as if the contributor had commenced to contribute for the units on the date of the said commencement, as would provide the units of benefits; and
- (b) in respect of units of benefits (not being units to which paragraph (a) relates)—the amount of the difference specified in paragraph (a)(ii) where a reference to units of benefits in that subparagraph is read as a reference to units of benefits to which this paragraph relates.
- (3) Subsection (4) applies to a member of the police force—
- (a) who is a contributor at the commencement of the *Police Superannuation Act Amendment Act 1970*; and
 - (b) who before that commencement was a contributor; and
 - (c) who had not attained the age of 45 years before the said commencement.

- (7) Nothing in section 218 shall be read as limiting the amount of the contribution payable by a contributor under this section.
- (8) For the purpose of subsection (9)—

hypothetical fortnightly contribution means the fortnightly contribution, as at 1 January 1975, that would have been payable by a contributor in respect of the units of benefit (the ***said units of benefit***) for which he or she is a contributor under this chapter as at that date (excluding any units of benefit that were effected pursuant to section 219 after 1 August 1974 and any reserve units of benefit) if—

- (a) each (if any) of the said units of benefit that was taken up pursuant to section 219 had been effected immediately before the date of its becoming a unit of benefit in respect of which an election might be made under section 219; and
- (b) each (if any) of the said units of benefit in respect of which any fortnightly contributions have been commuted by payment of a lump sum had not had the contribution in respect thereof so commuted;

but where neither paragraph (a) or (b) is applicable to the case in question means the fortnightly contribution as at 1 January 1975 that is payable by a contributor in respect of the said units of benefit.

-
- (9) A contributor whose hypothetical fortnightly contribution exceeds the sum equal to 15%, or, in case of a contributor whose age for retirement is 65 years, 13%, of his or her fortnightly salary as at 1 January 1975 may, by application in writing to the board prior to 1 March 1975, have the actual fortnightly contribution that is payable by him or her as at that firstmentioned date in respect of the said units of benefit reduced by whichever is the lesser of—
- (a) the fortnightly contribution that is payable by the contributor as at the said 1 January; and
 - (b) one-third of the excess of the hypothetical fortnightly contribution over the sum equal to 15%, of such fortnightly salary.
- (10) Any reduction in the actual fortnightly contribution under subsection (9) shall apply retrospectively on and from the first due date for the payment of the contributor's fortnightly contributions after 1 January 1975.

226 Reduction in contributors' contribution in 1988

- (1) Notwithstanding the provisions of section 225, on and from the day that is the first payday in July 1988 for the contributor concerned the amount of a contributor's contributions payable in accordance with those provisions immediately before that day shall be reduced by 1.5% of the amount of salary to which the contributor was entitled as at 31 December 1974.
- (2) In no case shall a contributor be entitled to a payment by reason of the reduction in the amount of the contributor's contribution.

Division 4 Reserve units of benefits

227 Contribution for reserve units

- (1) A contributor who is contributing to the fund for units of benefits to the number thereof specified in the scale contained

[s 228]

in schedule 16 opposite to the salary group within which his or her salary falls, may, from time to time, elect to contribute to the fund for 1 or more reserve units of benefits in accordance with this division.

- (2) The number of reserve units respectively of annuity benefit, incapacity benefit and, in the case of a male contributor, assurance benefit for which a contributor may elect to contribute at any time pursuant to subsection (1) together with the number of reserve units in respect of which he or she has already made an election under that subsection shall not exceed 12.
- (3) Contributions for a reserve unit of benefit—
 - (a) shall be in accordance with, in the case of a male member of the police force, the table of contributions contained in schedule 19, part 1 and, in the case of a female member of the police force, the table of contributions contained in schedule 19, part 2; and
 - (c) shall be payable as from the first day of the periodical interval at which contributions to the fund are prescribed to be made next after the date on which the contributor elects to contribute for that reserve unit of benefit.
- (4) Unless exempted by the board therefrom a member of the police force shall, before at any time contributing or increasing the amount of his or her contributions for reserve units of benefits under this division, be medically examined at his or her own expense by a medical practitioner.
- (5) A member of the police force shall not at any time increase under this division the amount of his or her contributions to the fund if after considering the report of the medical practitioner, the board is not satisfied that the health and physical condition of such member of the police force are such as would justify his or her being then accepted as a contributor.

228 When reserve units become ordinary units of benefits

Where a contributor—

-
- (a) who is contributing for 1 or more reserve units of benefits pursuant to this division; and
 - (b) who becomes required or entitled to contribute for additional units of benefits under the provisions of this chapter (other than this division);

does not increase the amount of his or her contributions to the fund by such sum as is sufficient to provide, in accordance with the appropriate rates of contributions applicable to the particular case under this chapter, the additional units of benefits, such number of reserve units of benefits up to but not exceeding the number of such units for which the contributor is contributing pursuant to this division as is equal to the difference between—

- (c) the number of units of benefits specified in the scale contained in schedule 16 opposite to the salary group within which the contributor's salary falls; and
- (d) the number thereof (other than reserve units of benefits) for which such member of the police force is contributing;

shall cease to be reserve units to which this division applies and shall become units of benefits for which the contributor is contributing under the provisions of this chapter (other than this division) the contribution for which shall continue to be the contribution that the contributor was making to the fund therefor immediately before the units of benefits so ceased to be reserve units.

229 Contributor may discontinue contribution for reserve units

A contributor who is contributing for 1 or more reserve units of benefits may, subject to section 222, elect to discontinue his or her contributions in respect of all or any of those units in which case he or she shall be paid from the fund the sum equal to the aggregate of all amounts paid by him or her in respect of units or annuity benefit, incapacity benefit and assurance benefit for which he or she has so elected to discontinue his or

her contributions accumulated at the rate of 1¼% per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound.

230 Benefits payable on reserve units

- (1) Where a contributor contributes for reserve units of benefit pursuant to this division, the benefits payable under this chapter in respect of all reserve units respectively of annuity benefit, incapacity benefit and assurance benefit for which the contributor is contributing for the time being (not being units of such benefit which have ceased pursuant to section 228 to be reserve units of benefits) shall, whilst they continue to be reserve units, be 35% of the rates thereof which would apply under this chapter if those reserve units were units of benefit for which the contributor was contributing within the number appropriate to the salary group in column 1 of the scale contained in schedule 16 in which the salary of the contributor falls for the time being.
- (2) In the case of a contributor who is continued in his or her employment as a member of the police force after attaining the age for retirement, benefits payable in respect of reserve units of annuity shall be payable to the contributor on attaining this age and shall be at the same rate as that to which the contributor would be entitled if the contributor had ceased to be a member on attaining the age for retirement.

231 Payment of lump sum on ceasing to contribute

- (1) A contributor who is contributing for 1 or more reserve units of benefits pursuant to this division who ceases to be a contributor for that—
 - (a) he or she was retired by reason of incapacity from his or her employment as a member of the police force before attaining the age for retirement; or

- (b) he or she attained the age for retirement or retires from service by reason of an election referred to in section 234(2)(d);

shall be entitled by notice in writing lodged with the board to elect to be paid, in respect of all or any of the number of reserve units of annuity benefit and, in the case of a male contributor, assurance benefit and, in the case of a contributor to whom paragraph (a) applies, incapacity benefit, in respect of which but for the election he or she would be entitled to receive benefit pursuant to section 230, the sum prescribed by this section.

- (2) Notice of election under subsection (1) shall be lodged with the board—
- (a) in the case of a contributor retired by reason of incapacity from his or her employment before attaining the age for retirement—before the expiration of a period of 1 month commencing on the date of his or her retirement; or
- (b) in any other case—before the expiration of a period of 1 month commencing on the date on which the contributor attains the age for retirement or retires from service by reason of an election referred to in section 234(2)(d), as the case may be.
- (3) Where a contributor who is contributing pursuant to this division for 1 or more reserve units respectively of annuity benefit, incapacity benefit and assurance benefit ceases to be a contributor for a reason other than a reason specified in subsection (1) there shall be paid to him or her, or, if he or she has died, to his or her legal personal representative or other individual approved by the board from the fund the sum prescribed by this section in respect of all reserve units respectively of annuity benefit, incapacity benefit and, save where the contributor ceases to be a contributor by reason of death before attaining the age for retirement leaving the contributor surviving a widow, assurance benefit for which he or she was contributing to the fund pursuant to this division at the time when he or she ceased to be a contributor (not being

[s 233]

units of such benefit which have ceased pursuant to section 228 to be reserve units of benefits).

- (4) The sum prescribed by this section to be paid in respect of the number of reserve units of the benefits in question shall be a sum equal to—
 - (a) in the case of a contributor who ceased to be a contributor on account of death or retirement by reason of incapacity or attainment of the age for retirement or retirement from service by reason of an election referred to in section 234(2)(d)—such amount as shall be determined by the actuary and approved by the board; or
 - (b) in any case to which paragraph (a) does not apply—the aggregate of all amounts (accumulated at the rate of $1\frac{1}{4}\%$ per annum compound until the passing of the *Superannuation Acts Amendment Act 1987* and thereafter at the rate of 5% per annum compound until 30 June 1990 and thereafter at the net earning rate of the fund compound) contributed by the contributor in question in respect of such number of reserve units of annuity benefit, incapacity benefit and assurance benefit.
- (5) Upon payment of the sum specified in subsection (4) all reserve units of benefit in respect of which the sum is paid shall be deemed to have been commuted by the contributor.

[s 236]

contributor would attain the age for retirement, the unit of annuity benefit is at the rate per fortnight ascertained in accordance with the formula—

$$R = \frac{K}{100} \left(1 - \frac{t}{40} \right) 3.84$$

where—

K means 85 + 3 (age at retirement in years and complete months—55).

- (5) A contributor or person shall not continue to receive incapacity benefit under this chapter in respect of any incapacity after recovering therefrom, it being hereby declared that upon recovery the entitlement to the benefit shall cease and determine.

[s 240]

- (b) if a contributor dies in service on or after turning 55 but before turning 60—under schedule 21; or

- (5) Where by reason that a member becomes a contributor on or after the commencement of the *Police Superannuation Acts Amendment Act 1977* and after the member has attained the age of 20 years, the length of the member's service, ascertained for the purposes of calculating the pension to be paid to the member under this chapter if the member attains the age for retirement, will not amount to 40 years, the member may elect within a period of 2 months after the member becomes a member to increase the rate of the member's contribution and the board may determine that the additional rate over and above the contributions that, but for this subsection, would have been payable by the member shall be a sum calculated at such rate as the board, after consultation with the actuary, may determine, being a rate that, having regard to the fact that payments by the Crown will be in relation only to contributions by the member that would be payable but for this subsection, will enable the length of service for the purpose of calculating the pension to be paid to the member under this chapter to be regarded as the length of

- (8) Where the board has made a determination under subsection (4), (5) or (6) upon the election of a member and the contributor satisfies the board that payment of such additional rate of the contribution by the member is causing the member undue hardship, the board may cancel its determination or vary the same by reducing, with the approval of the actuary, the additional rate of contributions to be paid by the contributor.
- (9) Where in respect of a contributor the board, pursuant to subsection (8), cancels a determination under subsection (4), (5) or (6), any determination under subsection (7) in respect of additional length of service of the contributor shall likewise be cancelled and cease to apply to or in respect of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund pursuant to subsection (4), (5) or (6) as the actuary determines is justified having regard to the reduced liability of the fund.

- (10) Where in respect of a contributor the board pursuant to subsection (8) varies a determination under subsection (4), (5) or (6), it shall make an appropriate variation of its consequential determination under subsection (7) of additional length of service in respect of the contributor and this chapter shall apply as if the determinations as so varied were at all relevant times the determinations originally made on the election of the contributor and the board shall make to the contributor a refund of such part of the contributor's contributions pursuant to subsection (4), (5) or (6) as the actuary determines is justified having regard to the reduced liability of the fund.
- (11) Despite subsections (1) and (2), if the salary of a contributor is reduced, the contributor shall thereupon contribute to the fund in relation to the reduced rate of the contributor's salary and the board shall make to the contributor a refund of such part of the contributor's contributions to the fund as the actuary determines is justified having regard to the reduced liability of the fund, by reason of the reduction in salary, in respect of the prospective entitlement of the officer to benefits under this chapter and thereupon for the purpose of calculating the contributor's entitlement to benefits under this chapter the contributor's rate of salary in respect of any period before the time the contributor's salary was reduced shall be deemed not to have been in excess of the rate to which the contributor's salary was so reduced.
- (12) Where a contributor has paid to the fund contributions in excess of those prescribed by this chapter, the board shall refund to the contributor such sum of money in respect of those contributions as is determined by the actuary and approved by the board.

- (a) for an aggregate period of 11 years or more; or
 - (b) for an aggregate period of 8 years or more and ceases to be a member as the result of defeat at an election or, being a representative of a recognised political party, as the result of not standing for re-election by reason that such party has not selected the person to so stand or as the result of a resignation matter to be decided by the board after consulting with the Parliamentary Benefits Committee;

shall, on ceasing to be a member and to be entitled to payment of salary, be entitled to be paid out of the fund an annual pension at the rate ascertained in accordance with the formula—

$$A \times \frac{B}{C}$$

- (2) In subsection (1)—

A means an amount determined by multiplying the basic salary in force immediately prior to the time at which he or she ceased to be a member by the value—

[s 340]

calculated using formula 'A' mentioned in section 346(1)(b); or

- (c) for a member who died at 70 years or more and had completed less than 8 years of service as a member before the member's 70th birthday—the amount that would have been payable to a widow of the member, under section 347(3), if the member was a new member; or
 - (d) for a member who died at 70 years or more and had completed 8 years or more of service as a member before the member's 70th birthday—the amount that would have been payable to a widow of the member, under section 347(8), if the widow had made an election under section 347(7) on the day of the member's death; or

- (3) Despite section 340(1), the person is entitled to receive a pension that is the same amount as the pension the person would have been entitled to receive on the cessation day, under this chapter, had the person ceased to be a member, and ceased to be entitled to payment of a salary, on the day before the person's 70th birthday.
- (4) Subsection (5) applies if the person—
 - (a) is a person mentioned in section 340(1)(a) or (b); and

- (2) A lump sum payment under subsection (1) shall be—
 - (a) in the case of a person under the age of 71 years on the date on which the person became entitled to a pension under section 340, 341(3) or 344(9)—the amount of the annual pension entitlement in respect of which the election is made, multiplied by 10; or
 - (b) in the case of a person who is 71 years or over on the date on which the person became entitled to a pension under section 340, 341(3) or 344(9)—the amount of the annual pension entitlement in respect of which the election is made multiplied by 10 less half of the difference between the number of years of the person's age on the said date and 70.
- (3) A former member who makes an election under subsection (1) shall be entitled to receive a lump sum payment calculated under subsection (2) less the amount of pension that the former member has been paid or, where the election has been made in respect of part only of the pension entitlement, less an amount that bears to that amount of pension the proportion that the part of the pension entitlement in respect of which the election was made bears to the whole of the pension entitlement and from the date of payment of that lump sum the annual pension entitlement of that former member shall be

reduced by the amount of annual pension entitlement in respect of which the election was made.

- (6) Notwithstanding anything in this section, where the board is of opinion that, but for an election under subsection (1), a member would become, or but for the provisions of section 354(2) would become, a person to whom section 354(1)(a), (b) or (c) relates within a period of 12 months after the commencement of the member's entitlement to a pension under section 340, 341(3) or 344(9), such an election by that member shall be deferred for such period not exceeding 12 months as the board may determine.
- (7) The board may at any time reduce the period of deferment of an election under subsection (6).
- (8) During the period of deferment of an election under subsection (6), the former member is entitled to payment of the former member's annual pension entitlement under section 340, 341(3) or 344(9).

351 Endowment benefit to new members who were continuing members

A continuing member who has elected pursuant to this chapter to be treated as a new member and who has pursuant to section 342 converted the whole or part of the pension entitlement to a lump sum payment is entitled, in addition to the benefits to which the continuing member is entitled under section 340, 341(3) or 342, to an amount determined by the actuary and approved by the board, having regard to the period for which deductions have been made from salary paid to that member before 22 October 1983 and paid to the fund.

352 Pension entitlement reduced if the member has previously converted pension entitlement

Notwithstanding anything in this part, where a person who, on ceasing to be a member, converted the whole or part of the person's pension entitlement to a lump sum becomes entitled to a pension under this chapter the amount of the person's annual pension entitlement shall be reduced by the amount of annual pension entitlement in respect of which the conversion was made escalated to an amount determined by the actuary.

353 Death benefit reduced if pension converted

- (1) This section applies in relation to a member (other than a continuing member) who—
 - (a) dies while serving as a member; and
 - (b) had, under this chapter, previously converted a pension entitlement, in whole or part, to a lump sum.
- (2) Despite any other provision of this part, the benefit payable on the member's death must be calculated disregarding the period, or part of the period, of service as a member to which the conversion of the pension entitlement related.

354 Reduction of pension in certain cases

- (1) If—
 - (a) a person who is receiving or is entitled to receive a pension under this chapter again becomes a member of the Legislative Assembly; or
 - (b) a person who is receiving or is entitled to receive a pension under this chapter becomes a member of the Parliament of the Commonwealth or of any State (including Queensland) and receives or is entitled to receive any salary or parliamentary allowance in the nature of salary in respect of the person's office as such member; or

then, whilst such person continues to be such a member or, as the case may be, to hold such an office or place of profit the following consequences ensue—

- (d) if the salary or parliamentary allowance, or as the case may be, the remuneration which the person receives or is entitled to receive as such a member or, as the case may be, the holder of such an office or place of profit is at a rate equal to or greater than the person's pension under this chapter—that pension shall not be payable;
- (e) if the salary or parliamentary allowance or, as the case may be, the remuneration which the person receives or is entitled to receive as such a member or, as the case may be, the holder of such an office or place of profit is at a rate less than that of the person's pension under this chapter—the rate of that pension shall be reduced by the rate of the salary, allowance or, as the case may be, remuneration.
- (2) Subsection (1) shall be deemed not to apply to or in relation to a person in respect of the holding of an office or place of profit referred to in subsection (1)(c) where the appointment to the office or place of profit in question was made after that person last ceased to be a member.
- (3) Where a person to whom, but for the provisions of subsection (1), a pension under this chapter would have been payable dies, the widow of that person, any child or children of that person and any female member of that person's family named in a notice given to the board under former section 22(1) shall be entitled to receive the same pension or payments under this chapter as she or they would have been entitled to receive if the person firstmentioned in this subsection had not been a person to whom the consequences

mentioned in subsection (1) were applicable and was at the time of death in receipt of the person's full pension entitlement under this chapter.

(4) In this section—

- (b) the member again becomes entitled to a pension under section 340(1) or 344 on again ceasing to be a member.

(2) The member's entitlement to the first pension ends when the member again becomes entitled to a pension under section 340(1) or 344.

(3) Subsection (2) does not limit the member's entitlement to a pension under this chapter for the aggregate period for which he or she was a member.

356 Increase in rates of pensions etc.

(1) Notwithstanding any other provision of this part, a person who is entitled to receive a pension under section 340, 341(3) or 344 is entitled to an increase in the rate of that pension in accordance with this section.

 - (b) the date at which the increased rate is to be ascertained; increased, where in the instant case the pension in question became payable to the person concerned before 1 July 1973, by 1.
- (3) A person entitled to receive pension under the provisions of this chapter referred to in subsection (1) is entitled to receive that pension at the increased rate thereof ascertained in accordance with this section in lieu of pension at the rate prescribed by those provisions.

 - (a) the entitlement is payable as decided by the board; and
 - (b) the total amount of entitlement payable to the widows at any time must be equal to the amount of a single entitlement.

-
- (3) For subsection (2)(a), the board may decide—
- (a) that the entitlement is not payable to 1 or some, but not all, of the widows; or
 - (b) subject to subsection (2)(b), how the amount of the entitlement is to, or, if necessary for subsection (6), would, if the same type of entitlement was payable to all the widows, be apportioned between the widows.
- (4) For subsection (3), the board must have regard to the needs of each of the widows and the other matters the board reasonably considers relevant.

- (3) As soon as practicable after the start of the financial year, the board must reassess the amount of the pension and either increase it or maintain it at the same level as in the previous financial year, as follows—
 - (a) for a pension payable to a relevant person—
 - (i) if the basic salary at 1 July of the financial year is higher than the basic salary at 1 July of the previous financial year, the pension must be increased by the percentage increase between the 2 basic salaries; or
 - (ii) otherwise, the pension remains the same;
 - (b) for another pension—
