Part 3 Interpretation

5 Definitions

The dictionary in schedule 2 defines particular words used in this Act.

6 Subcontracts, subcontractors and subcontracted work

- (1) A contract is a *subcontract* for another contract if—
- (a) performance of the contract contributes to the performance of the other contract because the work, required to be carried out under the contract, will form all or part of the work required to be carried out under the other contract; and
 - (b) the contribution mentioned in paragraph (a) is not merely coincidence.
- Example for paragraph (b)—*
- the purchase of tools from a retail store
- (2) To remove any doubt, it is declared that—
- (a) the contribution mentioned in subsection (1)(a) may be indirect because the contract contributes to the performance of 1 or more other subcontracts in order to contribute to the other contract; and

Note—

A subcontract that contributes directly to a contract would have 1 entity that is both a party to the subcontract and a party to the contract.

- (b) a contract may be a subcontract for another contract regardless of whether any party to the contract is also a party to the other contract.
- (3) If the party to a contract, who is required to carry out work under the contract, subcontracts all or part of the work—
 - (a) the resulting subcontract is a subcontract for the contract; and
 - (b) the person required to carry out the work under the subcontract is a **subcontractor** for the contract; and
 - (c) the work required to be carried out under the subcontract is the **subcontracted work** for the contract.
- (4) The categories of subcontracts are first tier subcontracts, second tier subcontracts, third tier subcontracts and so on.
- (5) A subcontract is a **first tier subcontract** for a contract if—
 - (a) performance of the subcontract contributes directly to the performance of the contract; and
 - (b) 1 person is both a party to the subcontract and a party to the contract.
- (6) A subcontract is a **second tier subcontract** for a contract if—
 - (a) performance of the subcontract contributes to the performance of the contract only by also contributing to the performance of another subcontract for the contract; and
 - (b) no party to the subcontract is also a party to the contract; and
 - (c) 1 person is both a party to the subcontract and a party to the other subcontract.
- (7) A subcontract is a **higher subcontract** for another subcontract if—

- (a) performance of the other subcontract contributes to the performance of the subcontract because the work, required to be carried out under the other subcontract, will form all or part of the work required to be carried out under the subcontract; and
- (b) both subcontracts are subcontracts for the same contract.

Example—

A first tier subcontract would be a higher subcontract for a third tier subcontract if the work required to be carried out under the third tier subcontract will form all or part of the work required to be carried out under the first tier subcontract.

- (2) The amount to be paid by the head contractor to each subcontractor beneficiary is to be reduced in proportion to the amounts liable to be paid to each.

Example—

 - (ii) any other rates or prices stated in the contract; and
 - (iii) any variation agreed to by the parties to the contract by which the contract price, or any other rate or price stated in the contract, is to be adjusted by a specific amount; and
 - (iv) if any of the work is defective, the estimated cost of rectifying the defect.
- (2) Related goods and services supplied under a construction contract are to be valued—

- (a) if the contract provides for the matter—in accordance with the contract; or
- (b) if the contract does not provide for the matter—having regard to—
 - (i) the contract price for the goods and services; and
 - (ii) any other rates or prices stated in the contract; and
 - (iii) any variation agreed to by the parties to the contract by which the contract price, or any other rate or price stated in the contract, is to be adjusted by a specific amount; and
 - (iv) if any of the goods are defective, the estimated cost of rectifying the defect.
- (3) For subsection (2)(b), for materials and components that are to form part of any building, structure or work arising from construction work, the only materials and components to be included in the valuation are those that have become or, on payment, will become the property of the party or other person for whom construction work is being carried out.
- (4) In this section—

contract price, for a construction contract, means the amount the contracted party is entitled to be paid under the contract or, if the amount can not be accurately calculated, the reasonable estimate of the amount the contracted party is entitled to be paid under the contract.

contracted party, for a construction contract, means the party to the contract who is required to carry out the construction work under the contract.

73 Due date for payment

- (1) A progress payment under a construction contract becomes payable—

- (a) if the contract provides for the matter—on the day on which the payment becomes payable under the contract;
or

Notes—

- 1 A ‘pay when paid’ provision in a construction contract has no effect, see section 74.
- 2 A provision in a construction management trade contract or subcontract providing for payment of a progress payment later than 25 business days is void, see the *Queensland Building and Construction Commission Act 1991*, section 67U.
- 3 A provision in a commercial building contract providing for payment of a progress payment later than 15 business days is void, see the *Queensland Building and Construction Commission Act 1991*, section 67W.

- (b) if the contract does not provide for the matter—on the day that is 10 business days after the day a payment claim for the progress payment is made under part 3.
- (2) Interest for a construction contract is payable on the unpaid amount of a progress payment that has become payable at the greater of the following rates—
- (a) the rate stated in the contract;
 - (b) the rate prescribed under the *Civil Proceedings Act 2011*, section 59(3) for a money order debt.
- (3) However, for a construction contract to which the *Queensland Building and Construction Commission Act 1991*, section 67P applies because it is a building contract, interest is payable at the penalty rate under that section.
- (4) Each of the following construction contracts are taken to be a contract to which subsection (1)(b) applies—
- (a) a construction contract that includes a ‘pay when paid’ provision;
 - (b) a construction management trade contract or subcontract mentioned in the *Queensland Building and Construction Commission Act 1991*, section 67U;

- (c) a commercial building contract mentioned in the *Queensland Building and Construction Commission Act 1991*, section 67W.
- (5) In this section—
‘pay when paid’ provision, of a construction contract, see section 74.

74 Effect of ‘pay when paid’ provisions

- (1) A ‘pay when paid’ provision of a construction contract has no effect in relation to any payment for construction work carried out, or related goods and services supplied, under the construction contract.
- (2) In this section—
amount owing, in relation to a construction contract, means an amount owing for construction work carried out, or related goods and services supplied, under the construction contract.
‘pay when paid’ provision, of a construction contract, means a provision of the contract—
 - (a) that makes the liability of 1 party (the *first party*) to pay an amount owing to another party (the *second party*) contingent on payment to the first party by someone else (the *third party*) of the whole or any part of that amount; or
 - (b) that makes the due date for payment of an amount owing by the first party to the second party dependent on the date on which payment of the whole or any part of that amount is made to the first party by the third party; or
 - (c) that otherwise makes the liability to pay an amount owing, or the due date for payment of an amount owing, contingent or dependent on the operation of another contract.

Part 3 Claiming progress payments

75 Making payment claim

- (1) A person (the *claimant*) who is, or who claims to be, entitled to a progress payment may give a payment claim to the person (the *respondent*) who, under the relevant construction contract, is or may be liable to make the payment.
- (2) Unless the payment claim relates to a final payment, the claim must be given before the end of whichever of the following periods is the longest—
 - (a) the period, if any, worked out under the construction contract;
 - (b) the period of 6 months after the construction work to which the claim relates was last carried out or the related goods and services to which the claim relates were last supplied.
- (3) If the payment claim relates to a final payment, the claim must be given before the end of whichever of the following periods is the longest—
 - (a) the period, if any, worked out under the relevant construction contract;
 - (b) 28 days after the end of the last defects liability period for the construction contract;
 - (c) 6 months after the completion of all construction work to be carried out under the construction contract;
 - (d) 6 months after the complete supply of related goods and services to be supplied under the construction contract.
- (4) The claimant can not make more than 1 payment claim for each reference date under the construction contract.
- (5) A payment claim may include an amount that was included in a previous payment claim.
- (6) In this section—

final payment means a progress payment that is the final payment for construction work carried out, or for related goods and services supplied, under a construction contract.

76 Responding to payment claim

- (1) If given a payment claim, a respondent must respond to the payment claim by giving the claimant a payment schedule within whichever of the following periods ends first—
 - (a) the period, if any, within which the respondent must give the payment schedule under the relevant construction contract;
 - (b) 15 business days after the payment claim is given to the respondent.

Maximum penalty—100 penalty units.

Note—

A failure to give a payment schedule as required under this section is also grounds for taking disciplinary action under the *Queensland Building and Construction Commission Act 1991*.

- (2) However, the respondent is not required to give the claimant the payment schedule if the amount claimed in the payment claim is paid in full on or before the due date for the progress payment to which the payment claim relates.

77 Consequences of failing to give payment schedule

- (1) This section applies if a respondent given a payment claim does not respond to the claim by giving the claimant a payment schedule as required under section 76.
- (2) The respondent is liable to pay the amount claimed under the payment claim to the claimant on the due date for the progress payment to which the payment claim relates.

78 Consequences of failing to pay claimant

- (1) This section applies if a respondent given a payment claim for a progress payment does not pay the amount owed to the claimant in full on or before the due date for the progress payment.
- (2) The claimant may either—
 - (a) recover the unpaid portion of the amount owed from the respondent, as a debt owing to the claimant, in a court of competent jurisdiction; or
 - (b) apply for adjudication of the payment claim under part 4.
- (3) In addition to the action mentioned in subsection (2), the claimant may give the respondent written notice of the claimant's intention to suspend carrying out construction work, or supplying related goods and services, under the relevant construction contract under section 98.
- (4) The notice to suspend work must state that it is made under this Act.
- (5) In this section—

amount owed, to a claimant for a payment claim, means—

 - (a) if the respondent did not respond to the payment claim with a payment schedule as required under section 76—the amount claimed under the payment claim; or
 - (b) if the respondent did respond to the payment claim with a payment schedule as required to do so under section 76—the amount proposed to be paid under the payment schedule.

Part 4 **Adjudication of disputed progress payments**

79 **Application for adjudication**

- (1) A claimant may apply to the registrar for adjudication of a payment claim (an *adjudication application*) if—
 - (a) the claimant is entitled to apply for adjudication under section 78(2)(b) because of a failure by the respondent to pay an amount owed to the claimant by the due date for the payment; or
 - (b) the amount stated in the payment schedule, given in response to the payment claim, is less than the amount stated in the payment claim.
- (2) An adjudication application—
 - (a) must be in the approved form; and
 - (b) must be made within—
 - (i) for an application relating to a failure to give a payment schedule and pay the full amount stated in the payment claim—30 business days after the later of the following days—
 - (A) the day of the due date for the progress payment to which the claim relates;
 - (B) the last day the respondent could have given the payment schedule under section 76; or
 - (ii) for an application relating to a failure to pay the full amount stated in the payment schedule—20 business days after the due date for the progress payment to which the claim relates; or
 - (iii) for an application relating to the amount stated in the payment schedule being less than the amount stated in the payment claim—30 business days

after the claimant receives the payment schedule;
and

- (c) must identify the payment claim and the payment schedule, if any, to which it relates; and
 - (d) must be accompanied by the fee prescribed by regulation for the application; and
 - (e) may include the submissions relevant to the application the claimant chooses to include.
- (3) A copy of an adjudication application must be given to the respondent.
- (4) The registrar must, within 4 business days after the application is received, refer the application to a person eligible to be an adjudicator under section 80.

80 When adjudicator ineligible to adjudicate

An adjudicator is not eligible to adjudicate an adjudication application if the adjudicator—

- (a) is a party to the construction contract to which the application relates; or
- (b) has a conflict of interest as prescribed by regulation.

81 Appointment of adjudicator

- (1) If the registrar refers an adjudication application to an adjudicator for a decision, the adjudicator must, unless the adjudicator has a reasonable excuse, accept or reject the referral within 4 business days after the referral is made.
- (2) The adjudicator may accept the referral by serving written notice of the acceptance on the claimant, the respondent and the registrar.
- (3) The adjudicator may reject the referral by notifying the registrar of the refusal.

- (4) If the adjudicator rejects the referral or does not accept it within the time required under subsection (1)—
 - (a) the registrar must refer the adjudication application to another adjudicator within 4 business days after becoming aware of the refusal or failure; and
 - (b) no fee is payable for referring the adjudication application to another adjudicator.
- (5) The other adjudicator may accept the referral by serving written notice of the acceptance on the claimant, the respondent and the registrar.
- (6) The other adjudicator may reject the referral by notifying the registrar of the refusal.
- (7) On accepting a referral of an adjudication application under subsection (1) or (5), an adjudicator is taken to have been appointed to decide the application.

82 Adjudication response

- (1) After being given notice of an adjudicator's acceptance of an adjudication application under section 81, the respondent may give the adjudicator a response to the adjudication application (the *adjudication response*).
- (2) However, the respondent must not give an adjudication response if the respondent failed to give the claimant a payment schedule as required under section 76.
- (3) The adjudication response—
 - (a) must be in writing; and
 - (b) must identify the adjudication application to which it relates; and
 - (c) may include the submissions relevant to the response the respondent chooses to include.
- (4) However, the adjudication response must not include any reasons (*new reasons*) for withholding payment that were not included in the payment schedule when given to the claimant.

- (5) The adjudicator may require the respondent to resubmit the adjudication response without the new reasons.

83 Time for making adjudication response

- (1) If responding to a standard payment claim, the respondent must give the adjudicator the adjudication response within the later of the following periods to end—
 - (a) 10 business days after receiving a copy of the adjudication application;
 - (b) 7 business days after receiving notice of the adjudicator’s acceptance of the adjudication application.
- (2) If responding to a complex payment claim, the respondent must give the adjudicator the adjudication response within the later of the following to end—
 - (a) 15 business days after receiving a copy of the adjudication application;
 - (b) 12 business days after receiving notice of the adjudicator’s acceptance of the adjudication application.
- (3) However, if responding to a complex payment claim, the respondent may apply to the adjudicator for an extension of time, of up to 15 additional business days, to give the adjudication response to the adjudicator.
- (4) The application must—
 - (a) be in writing; and
 - (b) be made within the later of the following periods to end—
 - (i) 5 business days after receiving a copy of the adjudication application;
 - (ii) 2 business days after receiving notice of the adjudicator’s acceptance of the adjudication application; and
 - (c) include the reasons for requiring the extension of time.

- (5) If the application is granted, the respondent may give the adjudicator the adjudication response no later than the end of the extension of time granted by the adjudicator.
- (6) If the respondent gives the adjudicator an adjudication response under this section, the respondent must give a copy of the response to the claimant not more than 2 business days after giving the response to the adjudicator.

84 Adjudication procedures

- (1) Subject to the time requirements under section 85, an adjudicator must decide the following as quickly as possible—
 - (a) an adjudication application;
 - (b) applications for extensions of time under section 83.
- (2) For a proceeding conducted to decide an adjudication application, an adjudicator—
 - (a) must decide—
 - (i) whether he or she has jurisdiction to adjudicate the application; and
 - (ii) whether the application is frivolous or vexatious; and
 - (b) may ask for further written submissions from either party and must give the other party an opportunity to comment on the submissions; and
 - (c) may set deadlines for further submissions and comments by the parties; and
 - (d) may call a conference of the parties; and
 - (e) may carry out an inspection of any matter to which the claim relates.
- (3) If a conference is called, it must be conducted informally and the parties are not entitled to any legal representation unless allowed by the adjudicator.

- (4) The adjudicator's power to decide an adjudication application is not affected by the failure of either or both of the parties to make a submission or comment within time or to comply with the adjudicator's call for a conference of the parties.

85 Time for deciding adjudication application

- (1) Subject to section 86, an adjudicator must decide an adjudication application no later than—
- (a) for a standard payment claim—10 business days after the response date; or
 - (b) for a complex payment claim—15 business days after the response date.
- (2) The *response date* is—
- (a) if the adjudicator is given an adjudication response under section 83—the day on which the adjudicator receives the response; or
 - (b) otherwise—the last day on which the respondent could give the adjudicator an adjudication response under section 83.
- (3) An adjudicator must not decide an adjudication application before the end of the period that the respondent may give an adjudication response to the adjudicator under section 83, unless—
- (a) the adjudicator decides he or she does not have jurisdiction to adjudicate the application; or
 - (b) the adjudicator decides the application is frivolous or vexatious.

86 Extending time for deciding adjudication application

- (1) The claimant and respondent for an adjudication application may, before or after the end of the maximum period for deciding the application under section 85(1), agree in writing

that the adjudicator has additional time to decide the application.

- (2) Despite section 85(1), an adjudicator may decide an adjudication application within a longer period if—
 - (a) the claimant and respondent have informed the adjudicator that they have agreed under subsection (1) that the adjudicator has additional time to decide the application; or
 - (b) the application relates to a complex payment claim and, in the opinion of the adjudicator, the claimant and respondent have failed to reach an agreement mentioned in subsection (1).
- (3) The *longer period* is—
 - (a) if subsection (2)(a) applies—the additional time agreed to by the claimant and respondent under subsection (1); or
 - (b) if subsection (2)(b) applies—5 business days after the time the adjudicator would otherwise have to decide the application under section 85(1).

87 Valuation of work etc. in later adjudication application

- (1) This section applies if, in deciding an adjudication application, an adjudicator has decided the value of—
 - (a) any construction work carried out under a construction contract; or
 - (b) any related goods and services supplied under a construction contract.

Note—

See section 72 for the valuation of construction work and related goods and services.

- (2) Any adjudicator must, in any later adjudication application that involves the working out of the value of the construction work or of the related goods and services, give the work, or

the goods and services, the same value as that previously decided by the adjudicator unless the claimant or respondent satisfies the adjudicator concerned that the value of the work, or the goods and services, has changed since the previous decision.

- (3) However, if a decision or order of a court changes the value of the construction work or of the related goods and services, the adjudicator must give the work, or the goods and services, the same value as changed by the decision or order unless the claimant or respondent satisfies the adjudicator concerned that the value of the work, or the goods and services, has changed since the decision or order.

88 Adjudicator's decision

- (1) An adjudicator is to decide—
- (a) the amount of the progress payment, if any, to be paid by the respondent to the claimant (the *adjudicated amount*); and
 - (b) the date on which any amount became or becomes payable; and
 - (c) the rate of interest payable on any amount.
- (2) In deciding an adjudication application, the adjudicator is to consider the following matters only—
- (a) the provisions of this chapter and, to the extent they are relevant, the provisions of the *Queensland Building and Construction Commission Act 1991*, part 4A;
 - (b) the provisions of the relevant construction contract;
 - (c) the payment claim to which the application relates, together with all submissions, including relevant documents, that have been properly made by the claimant in support of the claim;
 - (d) the payment schedule, if any, to which the application relates, together with all submissions, including relevant

- documents, that have been properly made by the respondent in support of the schedule;
- (e) the results of any inspection carried out by the adjudicator of any matter to which the claim relates.
- (3) However, the adjudicator must not consider any of the following—
- (a) an adjudication response, to which the adjudication application relates, that was not given to the adjudicator within the time required under section 83;
- (b) a reason included in an adjudication response to the adjudication application, if the reason is prohibited from being included in the response under section 82.
- (4) Also, the adjudicator may disregard an adjudication application or adjudication response to the extent that the submissions or accompanying documents contravene any limitations relating to submissions or accompanying documents prescribed by regulation.
- (5) The adjudicator’s decision must—
- (a) be in writing; and
- (b) include the reasons for the decision, unless the claimant and the respondent have both asked the adjudicator not to include the reasons in the decision.
- (6) The adjudicator must give a copy of the decision, and notice of the fees and expenses to be paid to the adjudicator for the decision, to the registrar at the same time the adjudicator gives a copy of the decision to the claimant and respondent.

Maximum penalty for subsection (6)—40 penalty units.

89 Adjudicator may correct clerical mistakes etc.

- (1) This section applies if the adjudicator’s decision includes—
- (a) a clerical mistake; or
- (b) an error arising from an accidental slip or omission; or

- (c) a material miscalculation of figures or a material mistake in the description of a person, thing or matter mentioned in the decision; or
 - (d) a defect of form.
- (2) The adjudicator may, on the adjudicator's own initiative or on the application of the claimant or respondent, correct the decision.
- (3) The adjudicator may, if requested by the registrar, correct the decision.

90 Respondent required to pay adjudicated amount

If an adjudicator decides that a respondent is required to pay an adjudicated amount, the respondent must pay the amount to the claimant on or before—

- (a) the day that is 5 business days after the day on which a copy of the adjudicator's decision is given to the respondent by the adjudicator; or
- (b) if the adjudicator decides a later date for payment under section 88(1)(b)—the later date.

Maximum penalty—200 penalty units.

Note—

A failure to pay an adjudicated amount on or before the due date is also a ground for taking disciplinary action under the *Queensland Building and Construction Commission Act 1991*.

91 Adjudication certificate

- (1) As soon as practicable after being given a copy of a decision by an adjudicator, but no later than 5 business days after being given the decision, the registrar must give the claimant a certificate (an *adjudication certificate*) of the decision stating the following matters—
- (a) the name of the claimant;

- (b) the name of the respondent who is liable to pay the adjudicated amount;
 - (c) the adjudicated amount;
 - (d) the date on which payment of the adjudicated amount was required to be paid to the claimant;
 - (e) the rate of interest payable on the adjudicated amount;
 - (f) the fees, identified in the decision, that the respondent is to pay;
 - (g) that the certificate is made under this Act.
- (2) However, the registrar does not have to give the claimant an adjudication certificate if—
- (a) the respondent is not required to pay an amount under the decision; or
 - (b) the adjudicator decided he or she does not have jurisdiction to decide the application; or
 - (c) the adjudicator decided the adjudication application is frivolous or vexatious.

92 Consequences of not paying adjudicated amount

- (1) If the respondent fails to pay the whole or any part of the adjudicated amount to the claimant as required under section 90, the claimant may give the respondent written notice of the claimant's intention to suspend carrying out construction work, or supplying related goods and services, under the construction contract under section 98.
- (2) The notice about suspending work must state that it is made under this Act.

93 Filing of adjudication certificate as judgment debt

- (1) An adjudication certificate may be filed as a judgment for a debt, and may be enforced, in a court of competent jurisdiction.

- (2) An adjudication certificate can not be filed under this section unless it is accompanied by an affidavit by the claimant stating that the whole or a part of the adjudicated amount has not been paid to the claimant at the time the certificate is filed.
- (3) If the affidavit states that part of the adjudicated amount has been paid, the judgment is for the unpaid part of the amount only.
- (4) If the respondent commences proceedings to have the judgment set aside—
 - (a) the respondent is not, in those proceedings, entitled—
 - (i) to bring any counterclaim against the claimant; or
 - (ii) to raise any defence in relation to matters arising under the construction contract to which the adjudication certificate relates; or
 - (iii) to challenge the adjudicator’s decision; and
 - (b) the respondent is required to pay into the court, as security, the unpaid portion of the adjudicated amount pending the final decision in those proceedings.

94 Claimant may make new application in certain circumstances

- (1) Subsection (2) applies if an adjudicator, who accepts a referral to decide an adjudication application (the *original application*), does not decide the application within the period required under section 85.
- (2) The claimant may do either of the following within 5 business days after the period mentioned in subsection (1)—
 - (a) request the registrar refer the original application to another adjudicator; or
 - (b) make a new adjudication application (the *new application*) under section 79.
- (3) If the claimant requests the registrar refer the original application to another adjudicator—

- (a) the registrar must refer the application to another adjudicator within 4 business days after the request is made; and
 - (b) no fee is payable for referring the original application to another adjudicator.
- (4) Also, if another adjudicator accepts the referral, this division applies for the original application with the following changes—
- (a) the claimant must give the adjudicator a copy of his or her submissions included in the original application within 5 business days after the adjudicator accepts the referral;
 - (b) the respondent must give the adjudicator a copy of his or her submissions included in an adjudication response, if any, for the original application within 5 business days after the adjudicator accepts the referral;
 - (c) the response date for the application under section 85(2) is the day—
 - (i) the adjudicator receives the copy of the submission from the respondent; or
 - (ii) if the respondent does not give the adjudicator the copy of the submission within the period mentioned in paragraph (b)—immediately after the end of the period;
 - (d) in deciding the adjudication application, the adjudicator must not consider any submissions other than—
 - (i) the submissions mentioned in paragraph (a) or (b); or
 - (ii) further written submissions asked for by the adjudicator under section 84(2)(b).
- (5) This division applies to the new application in the same way it applies to any other adjudication application made under section 79.

- (6) However, the claimant may, despite section 79(2)(b), make the new application within 5 business days after the claimant becomes entitled to act under subsection (2).

95 Adjudicator's fees

- (1) An adjudicator is entitled to be paid for adjudicating an adjudication application—
- (a) the amount, by way of fees and expenses, agreed between the adjudicator and the parties to the adjudication; or
 - (b) if no amount is agreed, the amount, for fees and expenses, that is reasonable having regard to the work done and expenses incurred by the adjudicator.
- (2) A regulation may prescribe the maximum amount for fees and expenses (the *prescribed maximum*) an adjudicator may be paid for adjudicating an adjudication application.
- (3) Despite subsection (1), an adjudicator is not entitled to be paid any amount that is more than the prescribed maximum.
- (4) The claimant and respondent are jointly and severally liable to pay the adjudicator's fees and expenses.
- (5) The claimant and respondent are each liable to contribute to the payment of the adjudicator's fees and expenses in equal proportions unless the adjudicator decides otherwise.
- (6) An adjudicator is not entitled to be paid any fees or expenses for adjudicating an adjudication application if the adjudicator fails to make a decision on the application.
- (7) An adjudicator does not fail to make a decision only because—
- (a) the adjudication application is withdrawn; or
 - (b) the adjudicator decided he or she did not have jurisdiction to adjudicate the application; or
 - (c) the adjudicator decided the application was frivolous or vexatious; or

- (d) the adjudicator refuses to communicate the adjudicator's decision on an adjudication application until the adjudicator's fees and expenses are paid.
- (8) Also, if a court finds that the adjudicator's decision is void and unenforceable, the adjudicator is still entitled to be paid any fees or expenses for adjudicating the application if the adjudicator acted in good faith in adjudicating the application.
- (9) In this section—
adjudicating, an adjudication application, includes accepting, considering and deciding the application.

96 Deciding fees payable by claimant and respondent

- (1) When making a decision about an adjudication application, an adjudicator may also decide the following—
 - (a) the proportion of the adjudicator's fees and expenses to be paid by the claimant and respondent;
 - (b) the proportion of the fee, payable for the adjudication application under section 79(2)(d), for which the respondent is to reimburse the claimant.
- (2) In making the decision, the adjudicator—
 - (a) must consider the conduct of the claimant and respondent; and
 - (b) may consider any of the following matters—
 - (i) the relative success of the claimant or respondent in the adjudication;
 - (ii) whether the claimant or respondent commenced or participated in the adjudication for an improper purpose;
 - (iii) whether the claimant or respondent commenced or participated in the adjudication without reasonable prospects of success;

- (iv) the reasons given by the respondent for not making the progress payment the subject of the adjudication application;
- (v) whether an adjudication application is withdrawn;
- (vi) the services provided by the adjudicator in adjudicating the adjudication application, including the amount of time taken to consider discrete aspects of the amount claimed;
- (vii) another matter the adjudicator considers relevant in making the decision.

(3) In this section—

adjudicating, an adjudication application, includes accepting, considering and deciding the application.

conduct, of the claimant and respondent, includes—

- (a) whether the claimant or respondent has acted unreasonably leading up to, or during, the adjudication; or
- (b) whether the respondent attempted to include new reasons in an adjudication response in contravention of section 82(4).

new reasons see section 82(4).

97 Withdrawing from adjudication

(1) An adjudication application—

- (a) is withdrawn if the claimant has given a written notice of discontinuation to the adjudicator and respondent; or
- (b) is taken to have been withdrawn if the respondent has, before an adjudicator has decided the application, paid the claimant the amount stated in the payment claim the subject of the adjudication application.

Note—

Despite the withdrawal of an adjudication application an adjudicator is still entitled to be paid fees for considering the application, see section 95.

- (2) If subsection (1)(b) applies, the claimant must as soon as practicable inform the adjudicator that the adjudication application has been withdrawn because of payment.

Part 5 Suspending work

98 Claimant's right to suspend work

- (1) A claimant may suspend carrying out construction work, or supplying related goods and services, under a construction contract if at least 2 business days have passed since the claimant gave notice of intention to do so to the respondent under section 78 or 92.
- (2) The right conferred under subsection (1) exists until the day on which the claimant receives payment from the respondent of the amount mentioned in section 78(1) or 92(1), and continues for another 3 business days immediately following that day.
- (3) If, in exercising the right to suspend carrying out construction work or supplying related goods and services under a construction contract, the claimant incurs a loss or expense because the respondent removes any part of the work or supply from the contract, the respondent is liable to pay the claimant the amount of the loss or expense.
- (4) A claimant who suspends carrying out construction work, or supplying related goods and services under a construction contract under subsection (1) is not liable for any loss or damage suffered by the respondent, or by any person claiming through the respondent, because of the claimant not carrying out that work or not supplying those goods and services, during the suspension.

Part 6

Court proceedings for debt recovery

99 Notice required before starting particular proceedings

- (1) This section applies if—
 - (a) after being given a payment claim, the respondent fails to pay the amount stated in the claim on or before the due date for the progress payment to which the claim relates; and
 - (b) because of the failure to pay, the claimant intends to start proceedings in a court to recover the unpaid portion of the amount owed to the claimant.

Note—

See section 78 for the claimants right to recover from a respondent an amount owed to the claimant.

- (2) Before taking the intended action, the claimant must give the respondent written notice (a **warning notice**), in the approved form, of the claimant's intention to start the proceedings.
- (3) The claimant must not give the respondent the warning notice later than 20 business days after the due date for the progress payment.
- (4) The claimant must not take the intended action before the end of 5 business days after giving the respondent the warning notice.
- (5) The giving of a warning notice does not—
 - (a) require the claimant to complete the action stated in the notice; or
 - (b) prevent the claimant from taking different action to that stated in the notice.

100 Proceedings to recover unpaid amount as debt

- (1) This section applies if a claimant starts proceedings in a court under section 78(2)(a) to recover an unpaid amount from a respondent as a debt owing to the claimant.
- (2) Judgment in favour of the claimant is not to be given by a court unless the court is satisfied that—
 - (a) the respondent did not pay the amount to the claimant on or before the due date for the progress payment to which the payment claim relates; and
 - (b) if the respondent's liability to pay the amount arises because of a failure to give a payment schedule—the respondent did not give the claimant a payment schedule within the time required to do so under this Act.
- (3) The respondent is not, in those proceedings, entitled—
 - (a) to bring any counterclaim against the claimant; or
 - (b) to raise any defence in relation to matters arising under the construction contract.

Part 7 Miscellaneous

101 Effect of pt 3 on civil proceedings

- (1) Subject to section 200, nothing in this chapter affects any right that a party to a construction contract—
 - (a) may have under the contract; or
 - (b) may have under part 2 in relation to the contract; or
 - (c) may have apart from this chapter in relation to anything done or omitted to be done under the contract.
- (2) Nothing done under or for this chapter affects any civil proceedings arising under a construction contract, whether under this chapter or otherwise, except as provided by subsection (3).

- (3) In any proceedings before a court or tribunal in relation to any matter arising under a construction contract, the court or tribunal—
 - (a) must allow for any amount paid to a party to the contract under or for this chapter in any order or award it makes in those proceedings; and
 - (b) may make the orders it considers appropriate for the restitution of any amount so paid, and any other orders it considers appropriate, having regard to its decision in the proceedings.
- (4) If, in any proceedings before a court in relation to any matter arising under a construction contract, the court finds that only a part of an adjudicator's decision under this chapter is affected by jurisdictional error, the court may—
 - (a) identify the part affected by the error; and
 - (b) allow the part of the decision not affected by the error to remain binding on the parties to the proceeding.

102 Service of notices

- (1) A notice or other document that, under this chapter, is authorised or required to be given to a person may be given to the person in the way, if any, provided under the relevant construction contract.

Example—

A contract may allow for the service of notices by email.

- (2) Subsection (1) is in addition to, and does not limit or exclude, the *Acts Interpretation Act 1954*, section 39 or the provisions of any other law about the giving of notices.
- (3) To remove any doubt, it is declared that nothing in this Act—
 - (a) excludes the proper service of notices or documents by a person's agent; or
 - (b) requires a person's acknowledgement of a notice or document properly given to the person.

- (i) the construction, decoration, alteration or repair of a building or other structure; or
 - (ii) the development or working of a mine, quarry, sandpit, drain, embankment or other excavation in or on land; or

Example of mixing things together—

project-specific components, for a contract, means components meeting the particular requirements of the contract, other than components that are standard or ordinary product lines of a commercially available specification.

106 References to amount payable under contract and to completion of work specified in subcontract

In this chapter, unless a contrary intention appears—

- (a) a reference to the amount of money payable under a contract is taken to include all amounts that, under the contract, contribute to a complete or partial satisfaction of the contract price; and
- (b) a reference to the payment of any money in reduction of the contract price for a contract includes all amounts that, under the contract, contribute to a complete or partial satisfaction of the contract price; and
- (c) a reference to completion of the work specified in a subcontract is taken to be completion of the work by a subcontractor who has given a notice of claim in relation to the contract, subcontract or a higher subcontract.

107 When work specified in contract completed

In this chapter, the work specified in a contract is taken to be completed when, with any variations, omissions or deductions authorised or agreed, it has been performed in accordance with the contract, whether or not the contractor—

- (a) is later employed to do additional work that is connected or related to the work but is not specified in the contract; or
- (b) is liable to rectify defects in the work discovered after the performance of the work and during a defects liability period for the contract.

Part 2 **Right to subcontractor's charge**

108 **Contracts to which this part applies**

This part applies if a person contracts with another person for the carrying out of work in relation to land or a building.

109 **Charges in favour of subcontractors**

- (1) Each subcontractor for the contract is entitled to a charge over money payable to—
 - (a) the contractor under the contract; or
 - (b) another subcontractor under a higher subcontract.
- (2) Also, if payment can not be satisfied by a charge mentioned in subsection (1), the subcontractor is entitled to a charge on any security for the contract or higher subcontract.
- (3) However, a security for the contract or higher subcontract is only available to the extent—
 - (a) of the security's maximum possible value for securing performance of the contract or higher subcontract; and
 - (b) it is not required to be used for securing the performance of the contract or higher subcontract.
- (4) A charge mentioned in subsection (1) or (2) is a *subcontractor's charge*.
- (5) A subcontractor's charge secures payment in accordance with the subcontract of all money that is payable, or is to become payable, to the subcontractor for the subcontracted work.

110 **Limits on amount recoverable under subcontractor's charge**

The total amount recoverable under a subcontractor's charge can not exceed the amount payable—

- (a) to the subcontractor under its subcontract; or

Example—

If the amount payable to the subcontractor for work is \$18,000, the subcontractor's charge can not be for more than \$18,000.

- (b) if the charge relates to money payable to the contractor under the contract—to the contractor under the contract; or

Example—

If the amount payable to the subcontractor for work is \$18,000 and the amount payable to the contractor under the contract is \$11,000, the subcontractor's charge for the related contract can not be for more than \$11,000.

- (c) if the charge relates to money payable to another subcontractor under a higher subcontract—to the other subcontractor under the higher subcontract.

111 Subcontractor's charge valid although provision of the subcontract still to be complied with

A subcontractor's charge may be for money, the payment of which is governed by a provision of the subcontract that is still to be complied with, including, for example, the following—

- (a) a provision establishing a procedure for the certification of the amount, quality or value of work that has been performed;
- (b) a provision establishing a procedure for the resolution of a dispute about the amount, quality or value of work that has been performed.

112 Damages etc. not covered by subcontractor's charge

A subcontractor's charge can not include the following—

- (a) damages for breach of contract or in tort;

[s 113]

- (b) an amount payable on the basis of an extra-contractual remedy, including, for example, as reasonable compensation for work done;
- (c) damages or other relief under another chapter or another Act;
- (d) damages or other relief under an Act of another State or the Commonwealth.

113 All money paid in reduction of contract price generally subject to subcontractor's charge

- (1) For a subcontractor's charge, the amount of money payable to the contractor under the contract is taken to include all money paid in reduction of the contract price to any person other than the subcontractor claiming the charge, unless that money is paid—
 - (a) in good faith and not for the purpose of defeating or impairing a subcontractor's charge; and
 - (b) without contravening section 126.
- (2) Subsection (1) applies in relation to money payable to another subcontractor for a higher subcontract as if—
 - (a) a reference in the subsection to a contractor were a reference to the other subcontractor; and
 - (b) a reference in the subsection to the contract were a reference to the higher subcontract.

114 Assignments etc. of no effect against subcontractor's charge

- (1) An assignment, disposition or charge of any kind that is made or given by a contractor for money that is or is to become payable to the contractor under the contract has no effect against a subcontractor's charge.
- (2) However, subsection (1) does not apply to an assignment, disposition or charge made or given by the contractor to the

contractor's employees for wages payable to them in relation to the contract.

- (3) Subject to this chapter, money that is, or is to become, payable to the contractor can not be attached or passed or charged by operation of law so as to defeat or impair a subcontractor's charge.
- (4) Subsections (1) to (3) apply in relation to another subcontractor for a higher subcontract as if—
 - (a) a reference in the subsections to a contractor were a reference to the other subcontractor; and
 - (b) a reference in the subsections to the contract were a reference to the higher subcontract.

115 Insufficient money available for claims

- (1) This section applies if—
 - (a) there are 2 or more subcontractors' charges made against a contractor for the same contract; and
 - (b) the money that is, or is to become, payable to the contractor under the contract is insufficient to satisfy all of the subcontractors' charges for the contract in full.
- (2) The total amount recoverable under the subcontractors' charges is reduced in proportion to the amounts of the charges.

Example—

If there is a subcontractor's charge for \$5,000, another for \$10,000 and the amount remaining to be paid to the contractor is only \$12,000, the amount recoverable under the charges would be reduced to \$4,000 and \$8,000 respectively.

- (3) The money mentioned in subsection (1)(b) includes money that is, or is to become, payable on the basis of a subcontractor's charge on a security for the contract, including money payable under section 130 or under an order of the court under section 132.

- (4) Subsection (1) applies in relation to another subcontractor for a higher subcontract as if—
- (a) a reference in the subsection to a contractor were a reference to the other subcontractor; and
 - (b) a reference in the subsection to the contract were a reference to the higher subcontract.

116 Assignment and transmission of subcontractor's charge

- (1) If the debt secured by a subcontractor's charge passes to another person on the death or bankruptcy of the person entitled to the charge, or otherwise by operation of law, the right to the charge passes with that debt.
- (2) A subcontractor's charge may be assigned together with the debt secured by the charge.

117 No subcontractor's charge over money held in trust under a project bank account

No entitlement to a subcontractor's charge exists to the extent it relates to money held in trust under a project bank account.

118 Limit of 1 claim for work

- (1) A subcontractor may make more than 1 claim in relation to money that is payable, or is to become payable, to the subcontractor for subcontracted work, however—
- (a) each claim must be about a separate and distinguishable item of work done by the subcontractor under the subcontract; and
 - (b) there must not be more than 1 claim about any 1 item.
- (2) A subcontractor's charge that is inconsistent with subsection (1) is of no effect and does not attach.

Part 3 Information to be given to subcontractor

119 Request for information about building contract or security

- (1) If requested in writing by a subcontractor, the contractor must give the subcontractor the following information within 10 business days after the request is made, unless the contractor has a reasonable excuse—
 - (a) the name of the person who engaged the contractor under the contract;
 - (b) the address of—
 - (i) the person's place of business; or
 - (ii) if the person does not have a place of business—the person's place of residence;
 - (c) the information about the contract that would enable the subcontractor to give a notice of claim to a person under section 122;
 - (d) advice as to whether there are any securities in existence for the contract;
 - (e) if known to the contractor, the name and address of the holder of each security mentioned in paragraph (d).

Maximum penalty—20 penalty units.

- (2) Subsection (3) applies if, in response to a request under subsection (1), the contractor tells the subcontractor of the existence of a security but does not give the name and address of the holder of the security.
- (3) If requested in writing by the subcontractor, the person who engaged the contractor under the contract must give the subcontractor the name and address of the holder of the security within 10 business days after the request is made, unless the person has a reasonable excuse.

Maximum penalty—20 penalty units.

- (4) Subsections (1) to (3) apply in relation to another subcontractor for a higher subcontract as if—
 - (a) a reference in the subsections to a contractor were a reference to the other subcontractor; and
 - (b) a reference in the subsections to the contract were a reference to the higher subcontract.

120 Damages payable for failure to give information

- (1) This section applies if a person fails to give a subcontractor information as required under section 119.
- (2) The person is liable to pay the subcontractor an amount for damages that the subcontractor incurred as a consequence of the failure.
- (3) Damages under subsection (2) must be decided by the court on the application of the subcontractor.
- (4) In a proceeding mentioned in subsection (3) the person is excused from the liability under subsection (2) if the person satisfies the court that the person has a reasonable excuse for the failure.

Part 4 Claiming subcontractor's charge

Division 1 Preliminary

121 Application of part

- (1) This part applies if a subcontractor intends to claim a subcontractor's charge on money payable to the contractor for the contract or to another subcontractor for a higher subcontract.

- (2) For applying this part in relation to money payable to another subcontractor for a higher subcontract—
 - (a) a reference in a provision to a contractor is taken to be a reference to the other subcontractor; and
 - (b) a reference in a provision to the contract is taken to be a reference to the higher subcontract.

Division 2 Action by subcontractor

122 Notice of claim

- (1) To claim a subcontractor's charge over money payable to the contractor under the contract, the subcontractor must give written notice (a *notice of claim*) to the person obliged to pay the money under the contract.
- (2) The notice of claim must be made in the approved form and—
 - (a) state the amount of the claim; and
 - (b) include details of the work done by the subcontractor, certified as prescribed by a qualified person; and
 - (c) include the other information prescribed by regulation.
- (3) The amount of the claim must be certified by a qualified person, as prescribed by regulation.
- (4) The notice of claim may be given even if the work is not completed, or payment of the money relating to the charge is not yet due.
- (5) However, if the work has been completed, the notice of claim must be given within 3 months after practical completion for the work.
- (6) The claim may relate only to—
 - (a) money payable to the subcontractor by the date the notice is given; and

- (b) money to become payable to the subcontractor after the date the notice is given if the money is for work done by the subcontractor before that date.
- (7) To remove any doubt, it is declared that a subcontractor's charge on money payable under the contract includes a charge on a retention amount for the contract.
- (8) If the notice of claim relates only to a retention amount for the contract, the notice—
 - (a) may be given at any time while work under the contract is being performed; and
 - (b) must be given within 3 months after the expiration of the defects liability period for the contract.
- (9) If the notice of claim is not given in compliance with this section, the notice is of no effect and the subcontractor's charge does not attach.
- (10) In this section—
qualified person see section 147(1).

123 Copy of notice of claim to contractor

- (1) This section applies if a subcontractor gives a notice of claim to a person obliged to pay money to a contractor under a contract.
- (2) The subcontractor must—
 - (a) give the contractor a copy of the notice of claim; and
 - (b) advise the contractor of the name and address of the person given the notice of claim.
- (3) If the subcontractor does not comply with subsection (2), the notice is of no effect and the subcontractor's charge does not attach.

124 Copy of notice of claim to the holder of a security

- (1) This section applies if—
 - (a) a subcontractor gives a notice of claim to a person (the *recipient*) obliged to pay money to a contractor under a contract; and
 - (b) a person other than the recipient holds a security for the contract.
- (2) The subcontractor must give a copy of the notice of claim to the person who holds the security.
- (3) If a copy of the notice of claim is not given as required under subsection (2), the claimed subcontractor's charge does not attach to the security.
- (4) To remove any doubt, it is declared that subsection (3) does not affect a subcontractor's charge to the extent it otherwise attaches under this chapter.

125 Withdrawing a notice of claim

- (1) A subcontractor may at any time withdraw, wholly or partly, a notice of claim by giving notice of the withdrawal, in the approved form, to the person to whom the subcontractor gave the notice of claim.
- (2) If a subcontractor withdraws, wholly or partly, a notice of claim under subsection (1), the subcontractor must give a copy of the notice of withdrawal to each of the persons to whom the subcontractor gave a copy of the notice of claim.

Division 3 Action by person given notice of claim

126 Person given notice of claim must retain money

- (1) This section applies if a notice of claim is given to a person under section 122 because the person is obliged to pay money to a contractor under a contract.
- (2) The person must retain a sufficient part of the money that is or is to become payable by the person under the contract to satisfy the claim until the court in which the claim is heard makes an order about to whom, and in what way, the money is to be paid.
- (3) If the person fails to retain the money as required under subsection (2), the person is personally liable to pay to the subcontractor the amount of the claim, not exceeding the amount that the person is required to retain under subsection (2).
- (4) However, the person may, at any time after the notice of claim is given to the person, pay into court the amount that the person is required to retain under subsection (2).
- (5) An amount paid into court by a person under subsection (4)—
 - (a) may be paid out only under an order of the court; and
 - (b) discharges the person of all further liability relating to the amount and of the costs of any proceeding in relation to the amount.

127 Person given notice of claim must comply with request from security holder about s 130 or 131

- (1) This section applies if a subcontractor—
 - (a) gives a notice of claim to a person obliged to pay money to a contractor under a contract; and

- (b) gives the holder of a security for the contract a copy of the notice of claim.
- (2) The holder of the security may, in writing, ask the person for information the holder reasonably requires to comply with section 130 or 131.
- (3) The person must comply with a request made under subsection (2) to the greatest practicable extent.
- (4) Subsection (5) applies if—
 - (a) the person fails to comply with a request made under subsection (2); and
 - (b) because of the failure the security holder does not comply with section 130(2) or 131(2).
- (5) The person, instead of the holder of the security, is personally liable to pay the subcontractor the amount the subcontractor is liable to be paid under section 130(2) or 131(2).

Division 4 Action by contractor given copy of notice of claim

128 Contractor given copy of notice of claim must respond

- (1) This section applies if a subcontractor gives a contractor a copy of a notice of claim.
- (2) The contractor must give both of the following persons a written response to the claim within 10 business days after the contractor is given the copy of the notice of claim, unless the contractor has a reasonable excuse—
 - (a) the person given the notice of claim;
 - (b) the subcontractor.Maximum penalty—20 penalty units.
- (3) The response to the claim must be made in the approved form and—

- (a) accept liability to pay the amount claimed; or
- (b) accept liability to pay an amount stated in the response, but otherwise dispute the claim; or
- (c) dispute the claim.

Division 5 Payment of claim

129 Payment of amount claimed

- (1) This section applies if—
 - (a) a subcontractor gives a notice of claim to a person under section 122 because the person is obliged to pay money to a contractor under a contract; and
 - (b) the subcontractor gives a copy of the notice of claim to a contractor under section 123; and
 - (c) in the contractor's response to the claim under section 128, the contractor—
 - (i) accepts liability to pay the amount claimed; or
 - (ii) accepts liability to pay an amount stated in the response but otherwise disputes the claim.
- (2) If, in the response to the claim, the contractor accepts liability to pay the amount claimed, the person given the notice of claim must pay the subcontractor the amount the person is required to retain.
- (3) If, in the response to the claim, the contractor accepts liability to pay an amount stated in the response but otherwise disputes the claim, the person given the notice of claim must pay the subcontractor the amount the person is required to retain, up to the amount stated in the response.
- (4) However, the person given the notice of claim is required to comply with subsection (2) or (3) only if, after payment is made under that subsection, the retained amount will be equal to or more than the unsatisfied amount.

(5) A payment made by a person in compliance with this section discharges the person of all further liability relating to the amount paid and of the costs of any proceeding relating to the amount paid.

(6) In this section—

retained amount, in relation to a notice of claim given to a person, means the total of all amounts—

- (a) still retained by the person under section 126(2) in relation to the claim; and
- (b) paid into court by the person under section 126(4) in relation to the claim.

unsatisfied amount, in relation to a notice of claim given to a person, means the total of all amounts of claims for which the notice of claim has been given, other than amounts that have been—

- (a) satisfied by payment under subsection (2) or (3); or
- (b) the subject of a notice of claim that has been withdrawn.

130 Use of security for benefit of subcontractor if contractor accepts liability for all claims

(1) This section applies if—

- (a) a subcontractor gives a notice of claim to a person under section 122 because the person is obliged to pay money to a contractor under a contract; and
- (b) the subcontractor gives a copy of the notice of claim to the contractor under section 123; and
- (c) in the contractor's response to the claim under section 128, the contractor accepts liability to pay the amount claimed; and
- (d) the unsatisfied amount for the contract is more than the retained amount for the contract.

(2) The holder of a security for the contract must—

- (a) retain the security until the court in which the subcontractor's claim is heard makes an order under section 132 about enforcing the subcontractor's charge over the security; or
 - (b) instead of retaining the security—
 - (i) if the security is held as an amount of money—pay the amount, up to the difference amount for the contract, to the subcontractor or subcontractors to whom the acceptance of liability relates; or
 - (ii) if the security is not held as an amount of money but may be converted into an amount of money—convert the security, wholly or partly, into an amount of money and pay the amount, up to the difference amount for the contract, to the subcontractor or subcontractors to whom the acceptance of liability relates.
- (3) If the holder of the security does not comply with subsection (2), the holder is personally liable to pay to a subcontractor the amount of the subcontractor's claim to the extent that the security would have been capable under this chapter, if the holder had complied with the subsection, of satisfying the claim.
- (4) A payment of an amount under subsection (2)(b) discharges the holder of the security of all further liability for the amount paid and of the costs of any proceeding in relation to the amount paid.
- (5) Subsections (2) and (3) do not stop the holder of the security from exercising an entitlement to use the security for securing the performance of the contract, including by keeping control of the security until the security would be required to be surrendered, wholly or partly, if this section did not apply.
- (6) A provision of the contract, or of another arrangement, about the security, including a provision of the security itself, and including a provision providing for the surrender, wholly or partly, of the security, is of no effect to the extent it purports—

- (a) to stop the holder of the security from complying with subsection (2); or
- (b) to operate to the detriment of a person if the holder complies with subsection (2).

(7) In this section—

difference amount, for a contract, means the amount by which the unsatisfied amount for the contract is more than the retained amount for the contract.

retained amount, for a contract, means the total of—

- (a) all amounts a person is retaining under section 126(2) for the contract; and
- (b) all amounts a person has paid into court under section 126(4) for the contract; and
- (c) all amounts the holder of a security for the contract has paid to a subcontractor under subsection (2)(b) in relation to the security.

unsatisfied amount, for a contract, means the total of all amounts of claims for the contract for which a notice of claim has been given, other than amounts that have been—

- (a) satisfied by payment under section 129(2) or (3); or
- (b) the subject of a notice of claim that has been withdrawn.

131 Use of security for benefit of subcontractor if contractor does not accept liability for all claims

- (1) This section applies if—
 - (a) a subcontractor gives a notice of claim to a person under section 122 because the person is obliged to pay money to a contractor under a contract; and
 - (b) the subcontractor gives a copy of the notice of claim to the contractor under section 123; and

- (c) in the contractor's response to the claim under section 128, the contractor disputes the claim (does not accept liability to pay the amount claimed); and
 - (d) the unsatisfied amount for the contract is more than the retained amount for the contract.
- (2) The holder of a security for the contract must—
 - (a) retain the security until the court in which the subcontractor's claim is heard makes an order under section 132 about enforcing the subcontractor's charge over the security; or
 - (b) instead of retaining the security—
 - (i) if the security is held as an amount of money—pay the amount, up to the difference amount for the contract, into court; or
 - (ii) if the security is not held as an amount of money but may be converted into an amount of money—convert the security, wholly or partly, into an amount of money and pay the amount, up to the difference amount for the contract, into court.
- (3) If the holder of the security does not comply with subsection (2), the holder is personally liable to pay the subcontractor the amount of the subcontractor's claim to the extent that the security would have been capable under this chapter, if the holder had complied with the subsection, of satisfying the claim.
- (4) A payment of an amount under subsection (2)(b) discharges the holder of the security of all further liability for the amount paid and of the costs of any proceeding in relation to the amount paid.
- (5) Subsections (2) and (3) do not stop the holder of the security from exercising an entitlement to use the security for securing the performance of the contract, including by keeping control of the security until the security would be required to be surrendered, wholly or partly, if this section did not apply.

- (6) A provision of the contract, or of another arrangement, about the security, including a provision of the security itself, and including a provision providing for the surrender, wholly or partly, of the security, is of no effect to the extent it purports—
- (a) to stop the holder of the security from complying with subsection (2); or
 - (b) to operate to the detriment of a person if the holder complies with subsection (2).
- (7) An amount paid into court under subsection (2)(b) may be paid out only under an order of the court.

 - (b) has paid an amount for the security into court under section 131(2)(b) for a subcontractor's charge.
- (2) The court may make the order it considers appropriate for enforcing the subcontractor's charge over the security, including an order for realising the security.
- (3) However, the court may make an order for realising the security only if the holder of the security is no longer entitled, under any contract or other arrangement about the security, including under the security itself, to use the security—
- (a) for securing the performance of the contract; or
 - (b) in some other way provided for in the contract.
- (4) Without limiting the orders the court may make under subsection (2), the court may order the holder of the security to produce the security to the court.
- (5) A precondition or expiry provision for the security is of no effect to the extent that the provision purports to stop the realisation of a security under subsection (2).
- (6) In this section—

expiry provision, for a security, means a provision of a contract or another arrangement about the security, including a provision of the security itself, under which the security stops, wholly or partly, having effect.

precondition provision, for a security, means a provision of a contract or another arrangement about the security, including a provision of the security itself, stating the circumstances that are to apply before the holder of the security may exercise an entitlement to use the security for securing the performance of a contract.

Part 5 Enforcing subcontractor's charge

134 Recovering amount claimed

- (1) This section applies if—
 - (a) a subcontractor gives a notice of claim to a person under section 122 because the person is obliged to pay money to a contractor under a contract; and
 - (b) the person does not pay, or make satisfactory arrangements for paying, the subcontractor the amount claimed.
- (2) The subcontractor may recover the amount claimed from the person, as a debt owing to the subcontractor, in any court of competent jurisdiction.
- (3) Without limiting the arrangements a person may make for paying a subcontractor an amount claimed, a person makes satisfactory arrangements for paying an amount claimed if the person pays into court the amount the person is required to retain under section 126(2).

- (1) An action to enforce a subcontractor's charge under this chapter may be brought by or on behalf of any number of subcontractors claiming subcontractors' charges.

 - (b) whose charge has not been extinguished under section 136(3); and
 - (c) who becomes a party to the action in accordance with *Uniform Civil Procedure Rules 1999* and subsection (3).
- (3) Subject to the *Uniform Civil Procedure Rules 1999*, a subcontractor may become a party at any time before the date appointed for the hearing or any adjournment of the hearing.

136 Proceedings for subcontractor's charge

- (1) A proceeding for a subcontractor's charge must—
 - (a) be started within—
 - (i) if the claim is for the retention amount only—4 months after the balance of the retention amount is payable; and
 - (ii) otherwise—1 month after notice of the claim is given under section 122 to the person by whom the money is payable; and
 - (b) be brought by way of action.
- (2) For a proceeding for a subcontractor's charge, it is sufficient if the subcontractor proves that the charge attached to money payable or a security in existence on any date before the date of hearing.
- (3) A subcontractor's charge is extinguished if the proceedings to enforce it are not started as required under subsection (1).

137 Claims of charge relating to retention amount not limited

To remove any doubt, it is declared that, for a subcontractor's charge relating only to a retention amount—

- (a) the charge to which the subcontractor is entitled is not limited to merely a charge on a retention amount; and
- (b) the charge to which the subcontractor is entitled is not limited to merely a charge on a security that has been exchanged for, or is held instead of, a retention amount.

Part 6

140 Vexatious claims

- (1) A person who vexatiously, or without reasonable grounds, gives a notice of claim to another person is liable to pay to a person prejudicially affected by the claim an amount for the damages the person incurs because of the claim.
- (2) Without limiting subsection (1), a person gives a notice of a claim without reasonable grounds if the person knows, or ought reasonably to know, that the amount of the claim unreasonably exceeds the amount actually payable to the person.
- (3) Damages mentioned in subsection (1) must be decided by a court on an application by the person prejudicially affected.

Part 7 Miscellaneous

141 Effect of payment made under order of the court

A payment of money by a person to another person in compliance with an order of a court made under this chapter is, to the extent of the amount paid, a sufficient discharge of the person's liability to pay the money to another person who, if not for the order, would have been entitled to receive payment of that money.

142 Court jurisdiction

- (5) A person who gives a certificate for a claim does not incur civil liability by reason only of the giving of the certificate unless the person is convicted of fraud in relation to giving the certificate.

148 Right to recover debt generally preserved

Unless otherwise expressly provided for under this chapter, nothing in this chapter affects the right of a person to whom a debt is due and owing for work done to maintain a personal action to recover the debt against the person liable for it, and a judgment obtained by the plaintiff in any action brought does not affect a charge or other right to which the plaintiff is entitled under this chapter.
