City of Brisbane Act 2010

An Act to provide a system of local government in the City of Brisbane

Chapter 1 Preliminary

1 Short title

This Act may be cited as the *City of Brisbane Act 2010*.

2 Commencement

- (1) This Act, other than the following, commences on 1 July 2010—
 - (a) section 344;
 - (b) schedule 1, amendments of this Act.
- (2) Schedule 1, amendments of this Act, commences on 2 July 2010.

3 Purpose of this Act

- (1) The purpose of this Act is to provide for—
 - (a) the way in which the Brisbane City Council is constituted and the unique nature and extent of its responsibilities and powers; and
 - (b) a system of local government in Brisbane that is accountable, effective, efficient and sustainable.
- (2) Compared to other local governments in Queensland, the council is unique in its nature and the extent of its responsibilities and powers for the following reasons—

- (a) Brisbane is the capital city of Queensland;
- (b) the council is the largest provider of local government services in Queensland;
- (c) there are 26 councillors (other than the mayor) who each represent the interests of the residents of a ward;
- (d) the mayor has unique responsibilities as the mayor of a capital city;
- (e) the council has an Establishment and Coordination Committee that coordinates its business;
- (f) the chairperson of the council presides at all of its meetings and is responsible for ensuring the council's procedures for the conduct of its meetings are observed and enforced.

4 Local government principles underpin this Act

- (1) To ensure the system of local government in Brisbane is accountable, effective, efficient and sustainable, Parliament requires—
 - (a) anyone who is performing a responsibility under this Act to do so in accordance with the local government principles; and
 - (b) any action that is taken under this Act to be taken in a way that—
 - (i) is consistent with the local government principles; and
 - (ii) provides results that are consistent with the local government principles, in as far as the results are within the control of the person who is taking the action.
- (2) The *local government principles* are—
 - (a) transparent and effective processes, and decision-making in the public interest; and

- (b) sustainable development and management of assets and infrastructure, and delivery of effective services; and
- (c) democratic representation, social inclusion and meaningful community engagement; and
- (d) good governance of, and by, local government; and
- (e) ethical and legal behaviour of councillors, council employees and councillor advisors.

5 Relationship with Local Government Act

- (1) Although the Brisbane City Council is a local government, this Act, rather than the Local Government Act, provides for—
 - (a) the way in which the Brisbane City Council is constituted and the nature and extent of its responsibilities and powers; and
 - (b) a system of local government in Brisbane.
- (2) Generally, the Local Government Act does not apply to the Brisbane City Council or its councillors, employees, agents or contractors.
- (3) However, particular provisions of the Local Government Act apply, or may apply, to the Brisbane City Council as a local government.

Examples—

- 1 The Local Government Act, chapter 7, part 2 applies to the council as a local government for the purpose of superannuation for certain persons who are connected to the council.
- 2 The Local Government Act, chapter 2A would apply to the council if the council were a component local government for a joint local government.
- 3 The Local Government Act, chapter 5, part 1 applies to the council as a local government for the purpose of providing for powers of the State to monitor and evaluate the council and its councillors and to take remedial action, including suspending or dismissing a councillor or dissolving the council.

[s 6]

- 4 The Local Government Act, chapter 5A applies to the council as a local government for the purpose of dealing with the conduct of councillors, including at a meeting of the council or its committees.
- 5 The Local Government Act, chapter 6, part 7 applies to the council as a local government if an interim administrator is appointed to act in place of its councillors under the Local Government Act, chapter 5, part 1.

6 Definitions

The dictionary in schedule 2 defines particular words used in this Act.

Also, see section 242 for more information about powers.

- (2) However, the council can only do something that the State can validly do.
- (3) When exercising a power, the council may take account of Aboriginal tradition and Island custom.
- (4) The council may exercise its powers—
 - (a) inside Brisbane; or
 - (b) outside Brisbane (including outside Queensland)—
 - (i) with the written approval of the Minister; or

- (ii) as provided under section 12(5).
- (5) When the council is exercising a power in a place that is outside Brisbane, the council has the same jurisdiction in the place as if the place were inside Brisbane.
 - (6) Subsections (7) and (8) apply if the council is a component local government for a joint local government.
 - (7) Despite subsection (1), the council may not, within the joint local government's area, exercise a power for which the joint local government has jurisdiction.
 - (8) However, the council may exercise the power as a delegate of the joint local government.

12 Power includes power to conduct joint government activities

- (1) The council may exercise its powers by cooperating with 1 or more other local, State or Commonwealth government to conduct a joint government activity.
- (2) A **joint government activity** includes providing a service, or operating a facility, that involves the other governments.
- (3) The cooperation with another government may take any form, including for example—
 - (a) entering into an agreement; or
 - (b) creating a joint local government entity, or joint government entity, to oversee the joint government activity; or
 - (c) being a component local government for a joint local government.

Note—

For the establishment of joint local governments, see the Local Government Act, chapter 2A.

- (4) A joint government activity may be set up for more than 1 purpose.

Example—

Three local governments may create a joint local government entity to manage an aerodrome that services each of their local government areas, and may also enter into an agreement to sell water in bulk to one of the local governments.

- (5) The council may exercise a power in another government's area for the purposes of a joint government activity, in the way agreed by the governments.
- (6) However, if the power is to be exercised under a local law, the local law must expressly state that it applies to the other government's area.

Note—

See section 30 for more information about making local laws.

13 Who the council is constituted by

- (1) Usually, the council is constituted by the mayor and 26 other councillors who are elected or appointed to the council under this Act or the *Local Government Electoral Act 2011*.
- (2) However—
 - (a) if all of the councillors have been suspended or the council has been dissolved under the Local Government Act, section 123 and an interim administrator is appointed—the council is constituted by the interim administrator; or

Part 3 Wards of Brisbane

16 What this part is about

This part is about the number of electors that are to be in each ward of Brisbane to ensure democratic representation.

17 Wards of Brisbane

- (1) Brisbane is divided into 26 areas called *wards*.
- (2) A regulation may describe the boundaries of any ward of Brisbane.
- (3) Each ward of Brisbane must have a reasonable proportion of electors.
- (4) A *reasonable proportion of electors* is the number of electors that is worked out by dividing the total number of electors in Brisbane (as nearly as can be found out) by the number of councillors (other than the mayor), plus or minus 10%.

Example—

If the total number of electors in Brisbane is 1,500,000, and the number of councillors (other than the mayor) is 5, the reasonable proportion of electors is 300,000 (i.e. 1,500,000 divided by 5) plus or minus 10%, i.e. between 270,000 and 330,000 electors.

- (5) When changing the wards of Brisbane, the reasonable proportion of electors must be worked out as near as practicable to the time when the change is to happen.

18 Review of wards of Brisbane

The council must, no later than 1 October in the year that is 2 years before the year of the quadrennial elections—

- (a) review whether each of the wards of Brisbane has a reasonable proportion of electors; and
- (b) give the electoral commissioner and the Minister written notice of the results of the review.

Part 4 Changing Brisbane area or representation

Division 1 Introduction

19 What this part is about

- (1) This part is about making a boundary change.
- (2) A ***boundary change*** is a change of the boundaries of Brisbane or any ward of Brisbane.
- (3) In summary, the process for making a boundary change is as follows—
 - *assessment*—the change commission assesses whether a proposed boundary change is in the public interest
 - *implementation*—the Governor in Council implements the boundary change under a regulation.
- (4) The ***change commission***, which conducts the assessment phase of the process, is an independent body created under the Local Government Act.

Division 2 The process for change

20 Who may start the change process

For a boundary change—

- (a) the council; or
- (b) the Minister; or
- (c) the electoral commission;

may apply to the change commission to assess whether the change should be made.

21 Assessment

- (1) The change commission is responsible for assessing whether a proposed boundary change is in the public interest.
- (2) In doing so, the change commission must consider—
 - (a) whether the proposed boundary change is consistent with a local government related law; and
 - (b) the views of the Minister about the proposed boundary change; and
 - (c) any other matters prescribed under a regulation.
- (3) The change commission may conduct its assessment in any way that it considers appropriate, including, for example, by—
 - (a) asking for submissions from any local government that would be affected by the proposed boundary change; or
 - (b) holding a public hearing (in the way set out in chapter 7, part 1) to ask the public for its views about the proposed boundary change.
- (4) However, the Minister may direct the change commission in writing to conduct its assessment of the proposed boundary change in a particular way.
- (5) Despite subsection (3), the change commission must comply with the Minister's direction.
- (6) The change commission must let the public know the results of its assessment and the reasons for the results, by publishing notice of the results—
 - (a) in a newspaper that is circulating generally in Brisbane; and
 - (b) in the gazette; and
 - (c) on the electoral commission's website.
- (7) The change commission must also give the results of its assessment to the Minister.

- (8) The change commission may recommend that the Governor in Council implement the change commission's assessment.

22 Implementation

- (1) The Governor in Council may implement the change commission's recommendation under a regulation.
- (2) The regulation may provide for anything that is necessary or convenient to facilitate the implementation of the boundary change.
- (3) For example, the regulation may provide for—
 - (a) holding or postponing a council election; or
 - (b) the transfer of assets and liabilities between the council and another local government.
- (4) The council is not liable to pay a State tax in relation to a transfer or other arrangement made to implement a boundary change.
- (5) A *State tax* is a tax, charge, fee or levy imposed under an Act, other than a duty under the *Duties Act 2001*.

23 Decisions under this division are not subject to appeal

A decision of the change commission under this division is not subject to appeal.

Note—

See section 226 for more information.

Chapter 3 The business of the council

Part 1 Statutory committees and council meetings

Division 1 Statutory committees of the council

24 Establishment and Coordination Committee

- (1) The standing committee of the council called the Establishment and Coordination Committee is continued as a statutory committee of the council.
- (2) The committee coordinates the business of the council.
- (3) The committee consists of the mayor and all committee chairpersons of the standing committees of the council.
- (4) Only a councillor may be a member of the committee.
- (5) The mayor is the chairperson of the committee.
- (6) The committee is collectively responsible to the council.

Division 2 Meetings of the council or its committees

25 Chairperson of the council

- (1) The council must, by resolution, appoint a chairperson of the council from its councillors (other than the mayor or deputy mayor) at the first meeting after the office of the chairperson becomes vacant.
- (2) The chairperson of the council presides at all meetings of the council and is responsible for ensuring the council's procedures for the conduct of its meetings are observed and enforced.

Note—

The chairperson of the council also has powers under the Local Government Act, section 150I in relation to particular conduct of councillors at meetings of the council.

- (3) However, the chairperson of the council does not preside at meetings of committees of the council.

Note—

A committee chairperson presides at meetings of a committee of the council.

26 Mayor as member of standing committees of the council

- (1) The mayor is a member of all standing committees of the council.
- (2) The mayor may, at the mayor's discretion, attend, participate in or vote at any meeting of a standing committee of the council.

Part 2 Local laws

Division 1 Introduction

27 What this part is about

- (1) This part is about local laws.
- (2) A *local law* is a law made by the council.
- (3) Unless there is a contrary intention, a reference in this Act to a *local law* includes a reference to—
 - (a) an interim local law; and
 - (b) a subordinate local law; and
 - (c) a local law that incorporates a model local law.
- (4) An *interim local law* is a local law that has effect for 6 months or less.

-
- (5) A *subordinate local law* is a local law that—
- (a) is made under a power contained in a local law; and
 - (b) provides for the detailed implementation of the broader principles contained in the local law.
- (6) A subordinate local law is called that because it is subordinate to the local law under which it is made, so that if there is any inconsistency between the subordinate local law and the local law, the local law prevails to the extent of the inconsistency.
- (7) A *model local law* is a local law approved by the Minister under the Local Government Act, section 26(7), as being suitable for incorporation by all local governments into their local laws.

28 Interaction with State laws

If there is any inconsistency between a local law and a law made by the State, the law made by the State prevails to the extent of the inconsistency.

Division 2 Making, recording and reviewing local laws

29 Power to make a local law

- (1) The council may make and enforce any local law that is necessary or convenient for the good rule and local government of Brisbane.
- (2) However, the council must not make a local law—
- (a) that sets a penalty of more than 850 penalty units for each conviction of failing to comply with a local law, including each conviction when there is more than 1 conviction for a continuing offence or repeat offence; or
 - (b) that purports to stop a local law being amended or repealed in the future; or

- (c) about a subject that is prohibited under division 3.

30 Local law making process

- (1) The council may decide its own process for making a local law to the extent that the process is not inconsistent with this part.
- (2) The council makes a local law by passing a resolution to make the local law.
- (3) If the council proposes to make a local law about a matter (the *new local law*) and there is an existing local law about the same matter that would be inconsistent with the new local law, the council must amend or repeal the existing local law so that there is no inconsistency.

Note—

The new local law may include the amendment or repeal of the inconsistent law in the same instrument.

- (4) An interim local law must include a provision stating when the law expires.
- (5) The council must ensure its local laws are drafted in compliance with the guidelines issued by the Parliamentary Counsel under the *Legislative Standards Act 1992*, section 9 for local laws and subordinate local laws.
- (6) To remove any doubt, it is declared that the council does not have to carry out any public consultation before making either of the following—
 - (a) an interim local law;
 - (b) a local law that only incorporates a model local law and does not contain an anti-competitive provision.

31 State interest check

- (1) This section applies if the council proposes to make a local law other than the following—
 - (a) a local law that incorporates a model local law;

- (b) a subordinate local law.
- (2) However, this section also applies to a local law that incorporates a model local law if the local law includes more than—
 - (a) the model local law; or
 - (b) any amendment or repeal of an existing local law that would be inconsistent with the model local law.
- (3) The council must consult with relevant government entities about the overall State interest in the proposed local law before making the local law.

32 Publication of local laws

- (1) The council must let the public know that a local law has been made by the council, by publishing a notice of making the local law—
 - (a) in the gazette; and
 - (b) on the council's website.
- (2) The notice must be published within 1 month after the day when the council made the resolution to make the local law.
- (3) The notice in the gazette must state—
 - (a) that the notice is made by the council; and
 - (b) the date when the council made the resolution to make the local law; and
 - (c) the name of the local law; and
 - (d) the name of any existing local law that was amended or repealed by the new local law.
- (4) The notice on the council's website must state—
 - (a) that the notice is made by the council; and
 - (b) the date when the council made the resolution to make the local law; and
 - (c) the name of the local law; and

[s 33]

- (d) the name of any existing local law that was amended or repealed by the new local law; and
 - (e) if the local law incorporates a model local law—that fact; and
 - (f) if the local law is an interim local law—that fact, and the date on which the interim local law expires; and
 - (g) if the local law is a subordinate local law—the name of the local law that authorises the subordinate local law to be made; and
 - (h) the purpose and general effect of the local law; and
 - (i) if the local law contains an anti-competitive provision—that fact; and
 - (j) that a copy of the local law may be—
 - (i) inspected and purchased at the council’s public office; and
 - (ii) viewed by the public on the department’s website.
- (5) As soon as practicable after the notice is published in the gazette, the council must ensure a copy of the local law may be viewed and purchased by the public at the council’s public office.
- (6) A copy of a local law must cost no more than the cost to the council of making the copy available for purchase.
- (7) Within 14 days after the notice is published in the gazette, the council must give the Minister—
- (a) a copy of the notice; and
 - (b) a copy of the local law in electronic form.

33 Expiry of interim local law revives previous law

- (1) This section applies if—
- (a) an interim local law amends or repeals a local law; and
 - (b) the interim local law expires; and

-
- (c) the interim local law is not made (either with or without change) as a local law.
 - (2) When the interim local law expires—
 - (a) the local law is revived in its previous form; and
 - (b) any subordinate local law or provision of a subordinate local law, that stopped having effect because the local law was amended or repealed, is revived in its previous form.
 - (3) The *previous form* of a local law, subordinate local law, or provision of a subordinate local law is the form it was in immediately before the interim local law commenced.
 - (4) This section does not affect anything that was done or suffered under the interim local law before it expired.
 - (5) This section applies despite the *Acts Interpretation Act 1954*, section 19.

34 Local law register

- (1) The council must keep a register of its local laws, in the way that is required under a regulation.
- (2) The council must ensure the public may view the register at its public office or on its website.
- (3) The department's chief executive must keep a database of the council's local laws and ensure a copy of the database may be viewed by the public on the department's website.

35 Consolidated versions of local laws

- (1) The council must prepare and adopt a consolidated version of a local law.
- (2) A *consolidated version* of a local law is a document that accurately combines the council's local law, as it was originally made, with all the amendments made to the local law since the local law was originally made.

- (3) When the council adopts the consolidated version of the local law, the consolidated version is taken to be the local law, in the absence of evidence to the contrary.
- (4) Within 7 days after the council adopts the consolidated version of the local law, the council must give the Minister a copy of the consolidated version of the local law in electronic form.

- (3) A *residential property* is a property of a type that would ordinarily be used, or is intended to be used, as a place of residence or mainly as a place of residence.

 - (b) a property is not precluded from being a residential property merely because the property is rented on a short-term basis.
- (5) In a proceeding about a contravention of the local law—
 - (a) a noise abatement direction given to a person at a property is evidence of excessive noise being emitted from the property; and

Division 2 Business reform, including competitive neutrality

47 What this division is about

- (1) This division is about the application of the National Competition Policy Agreements in relation to the significant business activities of the council.
- (2) This includes the application of the competitive neutrality principle if, in the circumstances, the public benefit (in terms of service quality and cost) outweighs the costs of implementation.
- (3) Under the *competitive neutrality principle*, an entity that is conducting a business activity in competition with the private sector should not enjoy a net advantage over competitors only because the entity is in the public sector.
- (4) A *significant business activity* is a business activity of the council that—
 - (a) is conducted in competition, or potential competition, with the private sector (including off-street parking, quarries, sporting facilities, for example); and
 - (b) meets the threshold prescribed under a regulation.
- (5) However, a *significant business activity* does not include a business activity that is—
 - (a) a building certifying activity; or
 - (b) a roads activity; or
 - (c) related to the provision of library services.

Note—

A building certifying activity or roads activity is dealt with under section 51.

48 Ways to apply the competitive neutrality principle

- (1) The competitive neutrality principle may be applied by—
 - (a) commercialisation of a significant business activity; or
 - (b) full cost pricing of a significant business activity.
- (2) **Commercialisation** involves creating a new business unit, that is part of the council, to conduct the significant business activity on a commercial basis.
- (3) **Full cost pricing** involves pricing the significant business activity on a commercial basis, but without creating a new business unit.
- (4) A regulation may provide for—
 - (a) matters relating to commercialisation or full cost pricing; or
 - (b) any other matter relating to the application of the competitive neutrality principle to the significant business activities of the council.

49 Identifying significant business activities

The council's annual report for each financial year must—

- (a) contain a list of all the business activities that the council conducted during the financial year; and
- (b) identify the business activities that are significant business activities; and
- (c) state whether or not the competitive neutrality principle was applied to the significant business activities, and if the principle was not applied, the reason why it was not applied; and

- (d) state whether any of the significant business activities were not conducted in the preceding financial year, i.e. whether there are any new significant business activities.

50 Assessing public benefit

- (1) This section applies to a new significant business activity that is identified in the annual report of the council.
- (2) The council must conduct a public benefit assessment of the new significant business activity.
- (3) A **public benefit assessment** is an assessment of whether the benefit to the public (in terms of service quality and cost) of applying the competitive neutrality principle in relation to a significant business activity outweighs the costs of applying the competitive neutrality principle.
- (4) The council must conduct the public benefit assessment before the end of the financial year in which the significant business activity is first identified in the annual report.
- (5) The council must prepare a report on the public benefit assessment that contains its recommendations about the application of the competitive neutrality principle in relation to the significant business activity.
- (6) At a meeting of the council, the council must—
 - (a) consider the report; and
 - (b) decide, by resolution, whether or not to apply the competitive neutrality principle in relation to the significant business activity.
- (7) Any resolution that the competitive neutrality principle should not be applied must include a statement of the reasons why it should not be applied.
- (8) The council must give the Minister a copy of—
 - (a) the report; and
 - (b) all resolutions made in relation to the report.

- (9) If the council decides not to apply the competitive neutrality principle in relation to the significant business activity, the council must, within 3 years after making the decision, repeat the process in this section.
- (10) Subsection (9) also applies to a decision that was made before the commencement of this section.

51 Code of competitive conduct

- (1) This section is about the code of competitive conduct.
- (2) The *code of competitive conduct* is the code of competitive conduct prescribed under a regulation under the Local Government Act.
- (3) The council must apply the code of competitive conduct to the conduct of the following business activities of the council—
 - (a) a building certifying activity;
 - (b) a roads activity, other than a roads activity for which business is conducted only through a sole supplier arrangement.
- (4) A *building certifying activity* is a business activity that—
 - (a) involves performing building certifying functions (within the meaning of the Building Act, section 10); and
 - (b) is prescribed under a regulation.
- (5) A *roads activity* is a business activity (other than a business activity prescribed under a regulation) that involves—
 - (a) constructing or maintaining a State-controlled road, that the State put out to competitive tender; or
 - (b) submitting a competitive tender in relation to—
 - (i) constructing or maintaining a road in Brisbane, that the council put out to competitive tender; or
 - (ii) constructing or maintaining a road in another local government area, that the other local government put out to competitive tender.

- (6) The council must start to apply the code of competitive conduct—
 - (a) for a building certifying activity—from the start of the financial year after the financial year in which the building certifying activity is first conducted; or
 - (b) for a roads activity—from when the roads activity is first conducted.
- (7) The council must decide each financial year, by resolution, whether or not to apply the code of competitive conduct to a business activity prescribed under a regulation.
- (8) If the council decides not to apply the code of competitive conduct to the business activity, the resolution must state reasons for not doing so.
- (9) Subsection (7) does not prevent the council from applying the code of competitive conduct to any other business activities.

52 Competitive neutrality complaints

- (1) The council must adopt a process for resolving competitive neutrality complaints.
- (2) A ***competitive neutrality complaint*** is a complaint that—
 - (a) relates to the failure of the council to conduct a business activity in accordance with the competitive neutrality principle; and
 - (b) is made by an affected person.
- (3) An ***affected person*** is—
 - (a) a person who—
 - (i) competes with the council in relation to the business activity; and
 - (ii) claims to be adversely affected by a competitive advantage that the person alleges is enjoyed by the council; or
 - (b) a person who—

- (i) wants to compete with the council in relation to the business activity; and
 - (ii) claims to be hindered from doing so by a competitive advantage that the person alleges is enjoyed by the council.
- (4) A regulation may provide for the process for resolving competitive neutrality complaints.
- (5) The council does not have to resolve a competitive neutrality complaint relating to a business activity prescribed under a regulation.

Part 4 Roads and other infrastructure

Division 1 Roads

65 What this division is about

- (1) This division is about roads.
- (2) A *road* is—
 - (a) an area of land that is dedicated to public use as a road; or
 - (b) an area of land that—
 - (i) is developed for, or has as 1 of its main uses, the driving or riding of motor vehicles; and
 - (ii) is open to, or used by, the public; or
 - (c) a footpath or bicycle path; or
 - (d) a bridge, culvert, ford, tunnel or viaduct.
- (3) However, a *road* does not include—
 - (a) a State-controlled road; or
 - (b) a road, or that part of a road, within an airport site under the *Airports Act 1996* (Cwlth); or

- (c) a public thoroughfare easement.

66 Control of roads

- (1) The council has control of all roads in Brisbane.
- (2) This control includes being able to—
 - (a) survey and resurvey roads; and
 - (b) construct, maintain and improve roads; and
 - (c) approve the naming and numbering of private roads; and
 - (d) name and number other roads; and
 - (e) make a local law to regulate the use of roads, including—
 - (i) the movement of traffic on roads, subject to the *Transport Operations (Road Use Management) Act 1995*; and
 - (ii) the parking of vehicles on roads, subject to the *Transport Operations (Road Use Management) Act 1995* (including the maximum time that a vehicle may be parked in a designated rest area that adjoins a road, for example); and
 - (iii) by imposing obligations on the owner of land that adjoins a road (including an obligation to fence the land to prevent animals going on the road, for example); and
 - (f) make a local law to regulate the construction, maintenance and use of—
 - (i) public utilities along, in, over or under roads; and
 - (ii) ancillary works and encroachments along, in, over or under roads; and
 - (g) realign a road in order to widen the road; and
 - (h) acquire land for use as a road.
- (3) Nothing in subsection (1) makes the council liable for the construction, maintenance or improvement of a private road.

-
- (4) A *private road* is a road over land that is owned by a person who may lawfully exclude other persons from using the road.

67 Notice of intention to acquire land to widen a road

- (1) If the council wants to acquire land in order to widen a road, the council must give the owner of the land a notice of intention to acquire land.
- (2) A *notice of intention to acquire land* informs the owner in general terms of this section and section 68.
- (3) However, the council can not, without the consent of the Planning and Environment Court, serve a notice of intention to acquire land on an owner of land after the owner has applied to the council—
- (a) for approval to subdivide the land; or
 - (b) for approval, consent or permission—
 - (i) to erect or use a structure on the land; or
 - (ii) to use the land for any other purpose.
- (4) The court may consent to the notice of intention to acquire land being served only if the court is satisfied that the purpose of the notice is to enable the council to make, in good faith, a reasonable widening of the road.
- (5) After the council gives an owner a notice of intention to acquire land, the owner must not erect, place, re-erect, replace or repair any structure, or part of a structure, on the land without the council's permission.
- (6) The council must lodge a copy of a notice of intention to acquire land with the registrar of titles for registration on the instrument of title to the land.
- (7) The registrar of titles may register the notice of intention to acquire land even if the instrument of title is not produced.

68 Compensation for a notice of intention to acquire land

- (1) This section applies to a person who is served with a notice of intention to acquire land, if the person would be entitled to claim compensation for the acquisition of land.
- (2) The person is entitled to compensation from the council for injurious affection to the person's interest in the land because of the notice of intention to acquire land.
- (3) However, the compensation is not payable until—
 - (a) the land is sold for the first time after the notice of intention to acquire land was served; or
 - (b) after being served with the notice of intention to acquire land, the owner of the land offers the land for sale in good faith, but can not sell the land for a fair and reasonable price.
- (4) The compensation must be assessed in accordance with the following principles—
 - (a) the amount of compensation must represent the difference between—
 - (i) the market value of the interest in the land immediately after service of the notice of intention to acquire land; and
 - (ii) what would be the market value of the interest in the land, at that time, if the notice had not been served;
 - (b) any benefit that may accrue, because of the realignment of the road, to land adjacent to the land that is affected by the realignment of the road, and in which the claimant has an interest, must be taken into account;
 - (c) the amount of compensation must not be increased because the land that is affected by the realignment of the road has, since the service of the notice of intention to acquire land, become or ceased to be separate from other land.
- (5) A claim for compensation must be made—

-
- (a) within 3 years after the entitlement to compensation arose; and
 - (b) to the chief executive officer in the approved form.
- (6) The claim is taken to have been properly made when the claimant has given the council all the information that the council reasonably requires to decide the claim.
- (7) If, within 30 days after the claim is made, the council has not given the claimant written notice of its decision on the claim, the council is taken to have refused compensation on the 31st day after the claim is made.

69 Appeal on a claim for compensation

- (1) A person who is aggrieved by the decision of the council on a claim for compensation may appeal against the decision to the Land Court.
- (2) The appeal must be started within 30 days after—
- (a) notice of the decision is given to the claimant; or
 - (b) the decision is taken to have been made.
- (3) However, the Land Court may extend the period mentioned in subsection (2) if satisfied in all the circumstances that it is reasonable to do so.
- (4) In order to award compensation, the Land Court must be satisfied—
- (a) if the land has been sold—
 - (i) the seller took reasonable steps to obtain a reasonable price for the land; and
 - (ii) the seller sold the land in good faith; and
 - (iii) the sale price is less than the seller might reasonably have expected to receive had there been no notice of intention to acquire land; or
 - (b) if the council refused the owner permission to erect, place, re-erect, replace or repair any structure, or part of

a structure, on the land—the permission was applied for in good faith.

70 Acquisition of land instead of compensation

- (1) After a notice of intention to acquire land is served, but before the land is sold, the council may acquire the land instead of paying compensation for injurious affection.
- (2) If, after a notice of intention to acquire land is served, the land is cleared of all structures—
 - (a) the council may acquire the land; and
 - (b) if required by the owner of the land, the council must acquire the land.
- (3) The acquired land must be dedicated for public use as a road within 3 months after its acquisition.
- (4) Compensation for the acquisition of the land, if not agreed between the parties, must be assessed as at the date of the acquisition.

71 What is to happen if a realignment is not carried out

- (1) This section applies if the council decides not to proceed with the realignment of a road or part of a road after giving a notice of intention to acquire land.
- (2) This section does not apply to a realignment of road that is necessary to comply with the requirements of the council under a planning scheme in its application to particular developments in Brisbane.
- (3) The council must serve notice of its decision not to proceed on all owners of land who were served with a notice of intention to acquire land in connection with that road or part of that road.
- (4) With regard to any of the notices of intention to acquire land that were lodged with the registrar of titles in connection with that road or part of that road, the council must—

-
- (a) for any notice of intention to acquire land that has not been registered—withdraw the notice of intention to acquire land; and
 - (b) for any notice of intention to acquire land that has been registered—lodge with the registrar of titles for registration a notice of its decision not to proceed with the realignment of the road, or part of the road.
- (5) The notice of the council’s decision must inform the owners in general terms of this section and section 72.

72 Compensation if realignment not carried out

- (1) This section applies if—
- (a) the council decides not to proceed with the realignment of a road or part of a road after giving a notice of intention to acquire land; and
 - (b) structural improvements have been made on land that adjoins the road on the basis of the proposed realignment being effected.
- (2) The council must pay the owner of the land reasonable compensation for the decrease in value of the land because of the decision.
- (3) The amount of compensation is the difference between the value of the land before and after the decision.
- (4) If the council and the owner fail to agree on the amount of compensation, the amount is to be decided by the Land Court.
- (5) The provisions of the *Acquisition of Land Act 1967* about the making, hearing and deciding of claims for compensation for land taken under that Act apply, with any necessary changes and any changes prescribed under a regulation, to claims for compensation under this section.
- (6) The council’s decision not to proceed with the realignment of a road, or part of a road, does not give rise to an entitlement to compensation to, or a cause of action by, any owner or occupier of land or other person other than under this section.

73 Acquiring land for use as a footpath

- (1) The council may acquire land that adjoins a road for use as a footpath.
- (2) The acquisition of land may be subject to a reservation, in favour of the owner of the land, of any of the following rights that the council decides (at or before the acquisition) is appropriate—
 - (a) a right to the ownership, possession, occupation and use of any existing structure, room or cellar—
 - (i) at a specified height above the level of the new footpath; or
 - (ii) at a specified depth below the level of the new footpath;
 - (b) a right—
 - (i) to erect a structure (in accordance with law) at a specified height above the new footpath; and
 - (ii) to the ownership, possession, occupation and use of the structure;
 - (c) a right of support for a structure mentioned in paragraph (a) or (b).
- (3) The right mentioned in subsection (2)(a) is subject to the council's right to enter, and make structural alterations to, the structure, room or cellar that the council considers necessary.

74 Notice to the council of opening or closing of roads

- (1) This section applies if an application is made under the Land Act for the opening or closing of a road in Brisbane by someone other than the council.
- (2) The Land Act Minister, or the applicant for the application, must give written notice of the application to the council.
- (3) The *Land Act Minister* is the Minister administering the Land Act.

-
- (4) The notice must specify a date (no earlier than 1 month or later than 2 months after the council is given the notice) on or before which the council may object to the opening or closing of the road.
 - (5) An objection must fully state the reasons for the objection.
 - (6) The Land Act Minister must have regard to any objections properly made by the council.
 - (7) If the Land Act Minister decides the road should be opened or closed, the Land Act Minister must give written notice to the council—
 - (a) of the decision; and
 - (b) if the decision is contrary to the council’s objection, the reasons for the decision.

75 Closing roads

- (1) The council may close a road (permanently or temporarily) to all traffic, or traffic of a particular class, if there is another road or route reasonably available for use by the traffic.
- (2) Also, the council may close a road to all traffic, or traffic of a particular class—
 - (a) during a temporary obstruction to traffic; or
 - (b) if it is in the interests of public safety; or
 - (c) if it is necessary or desirable to close the road for a temporary purpose (including a fair, for example).
- (3) The council must publish notice of the closing of the road, in the way that the council considers appropriate (including on its website, for example).
- (4) The council may do everything necessary to stop traffic using the road after it is closed.
- (5) If a road is closed to traffic for a temporary purpose, the council may permit the use of any part of the road (including for the erection of any structure, for example) on the conditions the council considers appropriate.

76 Temporary roads

- (1) This section applies if—
 - (a) the council wants to remake or repair a road; and
 - (b) it is not reasonably practicable to temporarily close the road to traffic while the road works are conducted.
- (2) The council may make a temporary road, through land that adjoins the road, to be used while the road is being remade or repaired.
- (3) However, a council employee or contractor may enter the land only if—
 - (a) the owner or occupier of the land has agreed, in writing that the council employee or contractor may enter the land; or
 - (b) the council has given the owner or occupier of the land at least 3 days written notice that states—
 - (i) the nature of the road works that are to be conducted; and
 - (ii) the proposed route of the temporary road; and
 - (iii) an approximate period when the temporary road is expected to remain on the land.
- (4) Subsection (3) does not apply if the road works must be urgently conducted, but the council must give the owner or occupier of the land oral notice of the matters mentioned in subsection (3)(b).
- (5) The owner of the land may give the chief executive officer a written notice that claims compensation for physical damage caused by the council entering, occupying or using the land under this section.
- (6) Compensation is not payable unless the chief executive officer receives the claim—
 - (a) within 1 year after the occupation or use has ended; or
 - (b) at a later time allowed by the chief executive officer.

-
- (7) The compensation equals—
 - (a) the amount agreed between the person and the council;
or
 - (b) if the person and the council can not agree, the amount that is decided by a court.
 - (8) However, the compensation must not be more than the compensation that would have been awarded if the land had been acquired.

77 The Brisbane River

- (1) This section is about roads that are over, under, on or in the Brisbane River (*river crossings*).
- (2) For this section, the *Brisbane River* is any part of the Brisbane River that is not within the local government area of another local government.
- (3) The council may—
 - (a) survey and resurvey river crossings; and
 - (b) construct, maintain and improve river crossings; and
 - (c) name and number river crossings.
- (4) Subject to any restrictions prescribed under a regulation—
 - (a) local laws apply to a river crossing as if all of the crossing were within Brisbane; and
 - (b) all a river crossing is taken, for the purpose of any Act, to be a road within Brisbane.

78 Road levels

- (1) The owner or occupier of land that adjoins a road may give written notice to the council requiring it to advise the owner or occupier of the permanent level that is fixed or to be fixed for the road.
- (2) If the council has not, within 6 months after receiving the notice, given the owner or occupier written advice about the

permanent level of the road, the council is taken to have fixed the apparent level of the road when the notice was given as the permanent level of the road.

- (3) If—
- (a) after the council has fixed the permanent level of a road, the council changes the level of the road; and
 - (b) the owner or occupier of land that adjoins the road is injuriously affected by the change;
- the council must pay the owner or occupier, or their successor in title, compensation.
- (4) The compensation equals—
- (a) the amount that is agreed between the owner or occupier, or their successor in title, and the council; or
 - (b) if the owner or occupier, or their successor in title, and the council can not agree—the amount that is decided by the Planning and Environment Court.

79 Assessment of impacts on roads from certain activities

- (1) This section applies if—
- (a) a regulation prescribes an activity for this section; and
 - (b) the council considers that the conduct of the activity is having, or will have, a significant adverse impact on a road in Brisbane; and
 - (c) the activity is not for—
 - (i) a coordinated project under the *State Development and Public Works Organisation Act 1971*; or
 - (ii) development categorised under the council's planning scheme as assessable development for the Planning Act; or
 - (iii) a road being built under the Land Act, section 110.
- (2) The council may require the entity that is conducting the activity to provide information, within a reasonable time, that

will enable the council to assess the impact of the activity on the road.

- (3) After assessing the impact of the activity on the road, the council may decide to do 1 or more of the following—
 - (a) give the entity a direction about the use of the road to lessen the impact;
 - (b) require the entity—
 - (i) to carry out works to lessen the impact; or
 - (ii) to pay an amount as compensation for the impact.
- (4) The council may require the works to be carried out or the amount to be paid before the impact commences or intensifies.
- (5) The amount of compensation is a debt payable to the council and may be recovered in a court.
- (6) A regulation for this section—
 - (a) must contain a process under which the council's decision may be reviewed; and
 - (b) may contain a process for enforcing the decision.

80 Categorisation of roads

The council must categorise the roads in Brisbane according to the surface of the road.

81 Roads map and register

- (1) The council must prepare and keep up to date—
 - (a) a map of every road, including private roads, in Brisbane; and
 - (b) a register of the roads that shows—
 - (i) the category of every road; and
 - (ii) the level of every road that has a fixed level; and

- (iii) other particulars prescribed under a regulation.
- (2) The register of roads may also show other particulars that the council considers appropriate.
- (3) The council must ensure the public may view the map and register at its public office or on its website.
- (4) On application and payment of a reasonable fee fixed under a resolution or local law, a person may obtain—
 - (a) a copy of a map or register of roads; or
 - (b) a certificate signed by an employee of the council who is authorised for the purpose—
 - (i) about the category, alignment and levels of roads in Brisbane; or
 - (ii) about the fact that the alignment or level of a road in Brisbane has not been fixed.

- (2) The authorised person may enter the public place, without the permission of the occupier of the place, if the place is not closed to the public (by a locked gate, for example).

118 Entering private property with, and in accordance with, the occupier's permission

- (1) An authorised person may enter private property, that is not closed to entry by the public (by a locked gate, for example), in order to ask the occupier of the property for permission to stay on the property and exercise powers under a local government related law.
- (2) When asking the occupier for permission, the authorised person must inform the occupier—
- (a) of the purpose of entering the property; and
 - (b) that any thing or information that the authorised person finds on the property may be used as evidence in court; and
 - (c) that the occupier is not obliged to give permission.

- (3) If the occupier gives permission, the authorised person may ask the occupier to sign a document that confirms that the occupier has given permission.
- (4) The document must state—
 - (a) that the authorised person informed the occupier—
 - (i) of the purpose of entering the property; and
 - (ii) that any thing or information that the authorised person finds on the property may be used as evidence in court; and
 - (iii) that the occupier was not obliged to give the permission; and
 - (b) that the occupier gave the authorised person permission to enter the property and exercise powers under a local government related law; and
 - (c) the date and time when the occupier gave the permission.
- (5) If the occupier signs the document, the authorised person must immediately give a copy of the document to the occupier.
- (6) If, in any proceedings—
 - (a) a question arises as to whether the occupier of a property gave permission to allow an authorised person to stay on the property under this Act; and
 - (b) a document that confirms the occupier gave permission is not produced in evidence;the court may assume that the occupier did not give the permission, unless the contrary is proved.
- (7) If the occupier gives permission, the authorised person may stay on the property and exercise the powers that the occupier has agreed to be exercised on the property.
- (8) However, the right to stay on the property—

- (a) is subject to any conditions that the occupier imposes (including about the times when the property may be entered, for example); and
- (b) may be cancelled by the occupier at any time.

119 Entering private property with, and in accordance with, a warrant

- (1) An authorised person may enter private property with, and in accordance with, a warrant.
- (2) An authorised person must apply to a magistrate for a warrant.
- (3) The application for the warrant must—
 - (a) be in the form approved by the department’s chief executive; and
 - (b) be sworn; and
 - (c) state the grounds on which the warrant is sought.
- (4) The magistrate may refuse to consider the application until the authorised person gives the magistrate all the information that the magistrate requires about the application, in the way that the magistrate requires.

Example—

The magistrate may require additional information in support of the application to be given by statutory declaration.

- (5) The magistrate may issue the warrant only if the magistrate is satisfied that there are reasonable grounds for suspecting—
 - (a) there is a particular thing or activity that may provide evidence of an offence against a local government related law (the *evidence*); and
 - (b) the evidence is at the place, or may be at the place within the next 7 days.
- (6) The warrant must state—
 - (a) the evidence for which the warrant is issued; and

-
- (b) that the authorised person may, with necessary and reasonable help and force, enter the property and exercise an authorised person's powers under this Act; and
 - (c) the hours of the day or night when the property may be entered; and
 - (d) the day (within 14 days after the warrant's issue) when the warrant ends.
- (7) The magistrate must keep a record of the reasons for issuing the warrant.
- (8) A warrant is not invalidated by a defect in the warrant, or in compliance with section 120, unless the defect affects the substance of the warrant in a material particular.
- (9) As soon as an authorised person enters private property under a warrant, the authorised person must do, or make a reasonable attempt to do, the following things—
- (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the warrant authorises the authorised person to enter the property without the permission of the occupier;
 - (b) give any occupier a reasonable opportunity to allow the authorised person to immediately enter the property without using force.
- (10) However, the authorised person does not need to comply with subsection (9) if the authorised person believes that immediate entry to the property is required to ensure the warrant is effectively executed.

120 Warrants—applications made electronically

- (1) An authorised person may make an electronic application for a warrant if the authorised person considers it necessary because of—

- (a) urgent circumstances; or
 - (b) special circumstances (including the authorised person's remote location, for example).
- (2) An ***electronic application*** is an application made by phone, fax, radio, email, videoconferencing or another form of electronic communication.
- (3) The authorised person must prepare an application for the warrant that states the grounds on which the warrant is sought, before applying for the warrant.
- (4) However, the authorised person may apply for the warrant before the application is sworn.
- (5) The magistrate may issue the warrant only if the magistrate is satisfied that—
 - (a) it was necessary to make the application electronically; and
 - (b) the way that the application was made was appropriate in the circumstances.
- (6) If the magistrate issues the warrant, and it is reasonably practicable to send a copy of the warrant to the authorised person (by fax or email, for example), the magistrate must immediately do so.
- (7) If it is not reasonably practicable to send a copy of the warrant to the authorised person—
 - (a) the magistrate must—
 - (i) inform the authorised person of the date and time when the magistrate signed the warrant; and
 - (ii) inform the authorised person of the terms of the warrant; and
 - (b) the authorised person must write on a warrant form—
 - (i) the magistrate's name; and
 - (ii) the date and time when the magistrate signed the warrant; and

-
- (iii) the terms of the warrant.
- (8) The copy of the warrant sent to the authorised person, or the warrant form properly completed by the authorised person, authorises the authorised person to enter the property, and to exercise the powers, mentioned in the warrant that was signed by the magistrate.
- (9) The authorised person must, at the first reasonable opportunity, send the magistrate—
- (a) the sworn application; and
 - (b) if the authorised person completed a warrant form—the completed warrant form.
- (10) When the magistrate receives those documents, the magistrate must attach them to the warrant that was signed by the magistrate, and give the warrant to the clerk of the court.
- (11) Unless the contrary is proven, a court must presume that a power exercised by an authorised person was not authorised by a warrant issued under this section if—
- (a) a question arises, in any proceedings before the court, whether the exercise of power was authorised by a warrant; and
 - (b) the warrant is not produced in evidence.

 - (ii) the conditions of the permit allow the authorised person to enter the property at that time; or
 - (iii) the property is a public place and is not closed to the public.
- (5) However, the authorised person—
 - (a) must, as soon as the authorised person enters the property, inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the authorised person is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) may enter a home that is on the property only if the occupier of the relevant part of the property accompanies the authorised person.

- (1) An authorised person may enter a property (other than a home on the property) without the permission of the occupier of the property, at any reasonable time of the day or night, under an approved inspection program.

-
- (2) An ***approved inspection program*** is a program, approved by the council, under which an authorised person may enter and inspect properties in Brisbane to ensure the local government related laws are being complied with.

 - (a) the council’s intention to enter the property;
 - (b) the reason for entering the property;
 - (c) an estimation of when the property will be entered.

Example—

The council may give the written notice to an occupier of a property by dropping a flyer in the letterbox for the property.

 - (a) must, as soon as the authorised person enters the property, inform any occupier of the property—

 - (ii) that the authorised person is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) may enter a budget accommodation building on the property only to monitor compliance with the Building Act, chapter 7.

123 Approving an inspection program

- (1) The council may, by resolution, approve the following types of inspection programs—
 - (a) a systematic inspection program;
 - (b) a selective inspection program.

- (2) A ***systematic inspection program*** allows an authorised person to enter and inspect all properties, or all properties of a certain type, in Brisbane.
- (3) A ***selective inspection program*** allows an authorised person to enter and inspect those properties in Brisbane that have been selected in accordance with objective criteria specified in the resolution.
- (4) The resolution must state—
 - (a) the purpose of the program; and
 - (b) when the program starts; and
 - (c) for a systematic inspection program that allows a type of property to be entered and inspected—a description of the type of property; and
 - (d) for a selective inspection program—the objective criteria for selecting the properties to be entered and inspected; and
 - (e) the period (of not more than 3 months or another period prescribed under a regulation) over which the program is to be carried out.
- (5) The council must give the public notice of the approval of an inspection program, at least 14 days, but not more than 28 days, before the approved inspection program starts.
- (6) The notice must be published—
 - (a) in a newspaper that is circulating generally in Brisbane; and

-
- (e) that the public may view a copy of the resolution that approved the program at the council's public office until the end of the program;
 - (f) that a copy of the resolution that approved the program may be purchased at the council's public office until the end of the program;
 - (g) the price of a copy of the resolution that approved the program.
- (8) The price of a copy of the resolution that approved the program must be no more than the cost to the council of making the copy available for purchase.
- (9) From the time when the notice is published in the newspaper until the end of the program—
- (a) the public may view a copy of the resolution that approved the program at the council's public office; and
 - (b) copies of the resolution that approved the program must be available for purchase at the council's public office at the price stated in the notice.

123A Entry by authorised person, at reasonable times, to inspect regulated pools

- (1) At all reasonable times, an authorised person may enter a property (other than a home on the property) without permission of the occupier of the property to inspect a regulated pool, and barriers or fencing for the pool, for compliance with—
- (a) if, under the Building Act, the owner of the pool must ensure the pool complies with the pool safety standard or a part of the standard—the pool safety standard or part; or
 - (b) if paragraph (a) does not apply—a provision of a law that regulates—
 - (i) the construction or maintenance of barriers or fencing for the pool; or

- (ii) another matter relating to the safety of persons using the pool.
- (2) However, the authorised person must, as soon as the authorised person enters the property—

 - (i) of the reason for entering the property; and
 - (ii) that the authorised person is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.
- (3) In this section—

124 General powers after entering a property

- (1) This section explains the powers that an authorised person has after entering a property, other than entering a property—
 - (a) to ask the occupier of the property for permission to stay on the property; or
 - (b) under section 121, 122 or 123A.
- (2) The authorised person may—
 - (a) search any part of the property; or
 - (b) inspect, test, photograph or film anything that is in or on the property; or

 - (d) take samples of or from anything that is in or on the property; or
 - (e) take into or onto the property any persons, equipment and materials that the authorised person reasonably requires for exercising the authorised person's powers; or

-
- (f) require the occupier of the property, or a person in or on the property, to give the authorised person reasonable help to exercise the authorised person's powers under paragraphs (a) to (e).
 - (3) An authorised person may exercise a power under subsection (2) only if exercising the power is necessary for the purpose related to the entry of the property.
 - (4) If a person is required to give reasonable help under subsection (2)(f), the person must comply with the requirement, unless the person has a reasonable excuse.
Maximum penalty—8 penalty units.
 - (5) If the requirement is to be complied with by the person giving information or producing a document, it is a reasonable excuse for the person to fail to comply with the requirement if complying with the requirement might incriminate the person.

125 Authorised person to give notice of damage

- (1) This section applies if—
 - (a) something is damaged by—
 - (i) an authorised person, when the authorised person exercises a power under this division; or
 - (ii) a person who is authorised by an authorised person to take action under this division, when the person takes the action; or
 - (b) the authorised person considers, on reasonable grounds, that the damage is more than trivial damage.
- (2) The authorised person must immediately give written notice of the particulars of the damage to the person who appears to be the owner of the thing that was damaged.
- (3) However, if for any reason it is not practicable to do so, the authorised person must leave the notice, in a reasonably secure way and in a conspicuous position, at the place where the thing was damaged.

- (4) The *owner* of a thing includes a person in possession or control of the thing.
- (5) If the authorised person believes the damage was caused by a latent defect in the thing, or other circumstances beyond the authorised person's control, the authorised person may state that in the notice.

126 Compensation for damage or loss caused after entry

- (1) If a person incurs damage or loss because of the exercise, or purported exercise, of a power under this division, the council must pay the person compensation.
- (2) The compensation equals—
 - (a) the amount agreed between the person and the council; or
 - (b) if the person and the council can not agree, the amount that is decided by a court.
- (3) The person may claim the compensation in—
 - (a) any proceedings for compensation; or
 - (b) any proceedings brought against the person for an offence against any local government related law.
- (4) A court may order compensation to be paid only if the court is satisfied it is just to do so in all the circumstances.
- (5) A regulation may prescribe matters that may, or must, be taken into account by the court when considering whether it is just to make the order.
- (6) The court may make any order about costs that the court considers just.

Division 2 Powers of other persons

127 What this division is about

- (1) This division is about the powers that may be used—

-
- (a) to enable the council to perform its responsibilities; or
 - (b) to ensure a person complies with this Act, and the other local government related laws, including by complying with a remedial notice.
- (2) This division explains the circumstances in which a person is authorised to enter a property under this division, namely—
- (a) in a potentially dangerous situation, to take urgent action; or
 - (b) to take action in relation to council facilities on the property (including water or sewerage pipes, for example); or
 - (c) with (and in accordance with) the permission of the occupier of the property; or
 - (d) with (and in accordance with) a court order; or
 - (e) with (and in accordance with) a reasonable entry notice.
- (3) The following persons may enter a property under this division—
- (a) if the occupier of the property is not the owner of the property—the owner or the owner’s employee;
 - (b) a council worker.
- (4) A **council worker** is an employee, or agent, of the council who is authorised by the council to act under this division.

Note—

Not every employee or agent of the council would ordinarily be authorised to act under this division.

- (5) However, the council may authorise an employee or agent to act under this division only if the employee or agent is appropriately qualified or trained to exercise a power or perform a responsibility under this division.
- (6) Force must not be used to enter a property under this division, unless the property is entered under a court order that specifically authorises the use of that force.

127A Notices for this division

- (1) A *remedial notice* is a written notice that requires the owner or occupier of a property to take action under a local government related law in relation to the property (including fencing a pool, for example).
- (2) A remedial notice may only be given by the council to the person who, under a local government related law, is required to take the action stated in the notice.
- (3) A *reasonable entry notice* is a written notice about a proposed entry of a property that—
 - (a) informs the owner or occupier of the property of—
 - (i) who is to enter the property; and
 - (ii) the reason for entering the property; and
 - (iii) the days and times when the property is to be entered; and
 - (b) is given to the owner or occupier of the property at least 7 days before the property is proposed to be entered.
- (4) A remedial notice and a reasonable entry notice may not be combined unless—
 - (a) the owner of the property is also the occupier of the property; or
 - (b) the occupier of the property is the person who, under a local government related law, is required to take the action stated in the remedial notice.
- (5) A notice given under this division in contravention of this section is of no effect.

128 Identity card for use under this division

- (1) The council is not required to give a council worker an identity card unless the worker is exercising a power of entry under this division.
- (2) This section does not stop a single identity card being issued to a person for this Act and for another purpose.

- (3) A person who stops being a council worker must return the person's identity card to the council within 21 days after stopping being a council worker, unless the person has a reasonable excuse.

Maximum penalty for subsection (3)—10 penalty units.

129 Entry with, and in accordance with, permission of occupier

- (1) Any person may enter a property with the permission of the occupier of the property.
- (2) However, the right to enter the property—
 - (a) is subject to any conditions that the occupier imposes (including about the times when the property may be entered, for example); and
 - (b) may be cancelled by the occupier at any time.

130 Entry by an owner, with reasonable entry notice, under a remedial notice

- (1) This section applies if—
 - (a) the council gives a remedial notice to the owner of a property; and
 - (b) the owner is not the occupier of the property.
- (2) After the owner gives a reasonable entry notice to the occupier of the property, the owner or the owner's agent may—
 - (a) enter the property at the times stated in the reasonable entry notice; and
 - (b) take the action that is required under the remedial notice.
- (3) If the occupier asks to inspect the remedial notice, the owner must allow the occupier to inspect the remedial notice.
- (4) This section does not affect any rights that the owner has apart from this section.

131 Occupier may discharge owner's obligations

- (1) This section applies if—
 - (a) the owner of a property fails—
 - (i) to take the action in relation to the property that is required under a remedial notice; or
 - (ii) to pay money that is payable in relation to the property under a local government related law (including rates, for example); and
 - (b) the occupier of the property is not the owner of the property.
- (2) The occupier of the property may—
 - (a) take the action that is required, and recover the amount that the occupier properly and reasonably incurs in taking the action as a debt payable by the owner; or
 - (b) pay the money that is payable, and recover the money as a debt payable by the owner.
- (3) For example, if the occupier is the owner's tenant, the occupier may deduct the money from any rent that the occupier owes the owner, without being in breach of the tenancy agreement.

132 Entry by a council worker, with reasonable entry notice, under a remedial notice

- (1) This section applies if—
 - (a) the council gives a remedial notice to the owner or the occupier of a property (the *responsible person*); and
 - (b) the responsible person fails to take the action required under the remedial notice.
- (2) After giving a reasonable entry notice to the occupier of the property, a council worker may—
 - (a) enter the property (other than a home on the property) without the permission of the occupier; and

-
- (b) take the action that is required under the remedial notice.
 - (3) However, the council worker must, as soon as the council worker enters the property—
 - (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the council worker is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.
 - (4) The council may recover the amount that the council properly and reasonably incurs in taking the action as a debt payable by the person who failed to take the action.
 - (5) Interest is payable on the debt at the same rate that interest is payable on overdue rates levied by the council.
 - (6) The council must give the person who failed to take the action written notice of the amount of the debt.
 - (7) Subsection (8) applies if the person who failed to take the action is the owner of the property.
 - (8) If the debt is not paid within 30 days after the date of the written notice, the council may recover the debt as if the debt were overdue rates.

133 Entry by a council worker, with reasonable entry notice, to take materials

- (1) This section applies if, in the circumstances, the council has no other reasonably practicable way of obtaining materials other than by removing the materials from relevant land.
- (2) ***Relevant land*** means land, other than protected land, that is—
 - (a) within Brisbane; or

- (b) if the council has the written approval of the Minister, under section 11(4)(b)(i), to exercise its powers outside of Brisbane—outside of Brisbane; or
 - (c) if the council may exercise a power in another local government’s area for the purpose of a joint government activity—within the other local government’s area.
- (3) **Protected land** is land that is—
- (a) the site of, or curtilage around, a home or other structure; or
 - (b) a court, lawn, park, planted walk or avenue or yard; or
 - (c) under cultivation (including a garden, nursery or plantation, for example); or
 - (d) a State forest or timber reserve under the Forestry Act; or
 - (e) a protected area under the *Nature Conservation Act 1992*.
- (4) After giving a reasonable entry notice to the owner and the occupier of the rateable land, a council worker may—
- (a) enter the land without the permission of the occupier of the land; and
 - (b) search for materials that the council requires to perform its responsibilities; and
 - (c) remove the materials from the land.

Example—

The council may remove dirt from the land for use in mopping up an oil spill on a neighbouring road to prevent the oil entering a stormwater drain.

- (5) However, the council worker must, as soon as the council worker enters the property—
- (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and

- (ii) that the council worker is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.
- (6) The council worker must not search for, or remove materials from, within 50m of any structure or works on the land (including a home, bridge, dam or wharf, for example).

134 Entry by a council worker, at reasonable times, to repair etc. facilities

- (1) At all reasonable times, a council worker may enter a property (other than a home on the property) without the permission of the occupier of the property—
- (a) to investigate the future installation of council facilities on, over or under the property; or
 - (b) to install council facilities on, over or under the property; or
 - (c) to inspect, maintain, operate, repair, replace or remove council facilities, that are on, over or under the property, for their routine operations.
- (2) **Council facilities** are facilities that are installed by the council (including sewerage pipes, for example).
- (3) However, the council worker must, as soon as the council worker enters the property—
- (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the council worker is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.

135 Entry by a council worker, at any time, for urgent action

- (1) A council worker may enter a property (other than a home on the property), at any time without the permission of the occupier of the property, in a potentially dangerous situation to take urgent action for local government purposes.

Example—

A council worker may enter a property to cut down a tree that was blown over in a storm and is in danger of falling and injuring someone or damaging property.

- (2) However, the council worker must, as soon as reasonably practicable after the council worker enters the property—
- (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the council worker is authorised under this Act to enter the property without the permission of the occupier; and
 - (b) produce his or her identity card for the occupier of the property to inspect.

136 Entry with, and in accordance with, a court order

- (1) A person may enter a property with, and in accordance with, a court order made under this section.
- (2) The person must apply to a magistrate for the court order.
- (3) The application must—
- (a) be in the form approved by the department's chief executive; and
 - (b) be sworn; and
 - (c) state the grounds on which the court order is sought.
- (4) The person must, as soon as practicable, give a copy of the application to—
- (a) if the person is not the owner of the property—the owner of the property; and

- (b) the occupier of the property.
- (5) The magistrate may refuse to consider the application until the person gives the magistrate all the information that the magistrate requires about the application in the way that the magistrate requires.
- Example—*
- The magistrate may require additional information supporting the application to be given by statutory declaration.
- (6) If the magistrate is satisfied that entry to the property is necessary to allow the person to take action under any of the local government related laws, the magistrate may make the court order.
- (7) The court order must—
- (a) direct the occupier of the property to allow the person to enter the property and take all action that is necessary under any local government related law; and
 - (b) state the hours of the day or night when the property may be entered; and
 - (c) state the day (within 14 days after the court order is made) when the court order ends.
- (8) If the person who applied for the court order is a council worker, the court order may authorise the council worker to use necessary and reasonable help and force to enter the property.
- (9) The magistrate must record the reasons for making the court order.
- (10) As soon as the person enters the property under the court order, the person must do, or make a reasonable attempt to do, the following things—
- (a) inform any occupier of the property—
 - (i) of the reason for entering the property; and
 - (ii) that the person is authorised under the court order to enter the property without the permission of the occupier;

- (b) if the court order authorises the person to use force to enter the property—give the occupier a reasonable opportunity to allow the person to immediately enter the property without using force.

137 Compensation for damage or loss caused

- (1) A council worker who enters a property—
 - (a) must not cause, or contribute to, damage to any structure or works on the property; and
 - (b) must take all reasonable steps to ensure the worker causes as little inconvenience, and does as little other damage, as is practicable in the circumstances.
- (2) If a person incurs damage or loss because of the exercise, or purported exercise, of a power under this division (including the loss of the value of materials removed from a property, or the reduction in the value of the property, for example), the council must pay the person compensation.
- (3) The compensation equals—
 - (a) the amount agreed between the person and the council; or
 - (b) if the person and the council can not agree, the amount that is decided by a court.
- (4) The court may make any order about costs that the court considers just.

138 Limitation of time in absence of notice of work done

- (1) This section applies if work is done on a property without an approval that is required under a local government related law.
- (2) For the purposes of any limitation of time for taking any proceedings or doing anything else about the work, the work is taken to have been done when a council worker first finds out about the work.

Division 5A Councillors' conflicts of interest

Subdivision 1 Preliminary

177A Purpose of division

The purpose of this division is to ensure that if a councillor has a personal interest in a matter, the council deals with the matter in an accountable and transparent way that meets community expectations.

177B When does a person participate in a decision

Without limiting when a person participates in a decision, in this division, a reference to a councillor or other person participating in a decision includes a reference to the councillor or other person—

- (aa) if the councillor or other person is wholly or partly responsible for making the decision—considering or discussing the matter to which the decision relates before the decision is made; and
- (a) considering, discussing or voting on the decision in a council meeting; and
- (b) considering or making the decision under—
 - (i) an Act; or
 - (ii) a delegation; or
 - (iii) another authority.

177C Personal interests in ordinary business matters of council

- (1) This division does not apply in relation to a conflict of interest in a matter if the matter—

- (a) is solely, or relates solely to, the making or levying of rates and charges, or the fixing of a cost-recovery fee, by the council; or
 - (b) is solely, or relates solely to—
 - (i) making a planning scheme that applies to the whole of Brisbane; or
 - (ii) amending a planning scheme, if the amendment applies to the whole of Brisbane; or
 - (c) is solely, or relates solely to, a resolution required for the adoption or amendment of a budget for the council; or
 - (d) is solely, or relates solely to—
 - (i) the remuneration or reimbursement of expenses of councillors or members of a committee of the council; or
 - (ii) the provision of superannuation entitlements or insurance for councillors; or
 - (iii) a matter of interest to the councillor solely as a candidate for election or appointment as mayor, deputy mayor, councillor or member of a committee of the council.
- (2) Also, this division does not apply in relation to a councillor's conflict of interest in a matter relating to a corporation or association that arises solely because of a nomination or appointment of the councillor by the council to be a member of the board of the corporation or association.
- (2A) In addition, this division does not apply in relation to a councillor's conflict of interest in a matter if the councillor, close associate or related party of the councillor, or the donor mentioned in section 177D(1)(a) or 177E(1)(a) stands to gain a benefit or suffer a loss in relation to the matter that is no greater than the benefit or loss that a significant proportion of persons in Brisbane stand to gain or lose.

[s 177D]

- (3) However, if a councillor decides to voluntarily comply with this division in relation to personal interests of the councillor in the matter—
- (a) the personal interests are taken to be a declarable conflict of interest; and
 - (b) this division applies as if eligible councillors had, under section 177O(2), decided the councillor has a declarable conflict of interest in the matter.

Note—

See section 177P for requirements for dealing with a conflict of interest mentioned in this subsection.
