Personal Injuries Proceedings Act 2002

An Act to regulate particular claims for and awards of damages based on a liability for personal injuries, and for other purposes

Chapter 1 Preliminary

Part 1 Introduction

1 Short title

This Act may be cited as the *Personal Injuries Proceedings Act 2002*.

2 Commencement

This Act is taken to have commenced on 18 June 2002.

3 Notes in text

A note in the text of this Act is part of the Act.

Part 2 Main purpose and application of Act

4 Main purpose

- (1) The main purpose of this Act is to assist the ongoing affordability of insurance through appropriate and sustainable awards of damages for personal injury.

- (2) The main purpose is to be achieved generally by—
 - (a) providing a procedure for the speedy resolution of claims for damages for personal injury to which this Act applies; and
 - (b) promoting settlement of claims at an early stage wherever possible; and
 - (c) ensuring that a person may not start a proceeding in a court based on a claim without being fully prepared for resolution of the claim by settlement or trial; and
 - (d) putting reasonable limits on awards of damages based on claims; and
 - (e) minimising the costs of claims; and
 - (f) regulating inappropriate advertising and touting.

5 Act binds all persons

- (1) This Act binds all persons, including the State and, to the extent the legislative power of the Parliament permits, the Commonwealth and the other States, unless otherwise provided.
- (2) However, the Commonwealth or a State can not be prosecuted for an offence against this Act.

6 Application of Act

- (1) This Act applies in relation to all personal injury arising out of an incident whether happening before, on or after 18 June 2002.
- (2) However, this Act does not apply to—
 - (a) personal injury within the meaning of the *Motor Accident Insurance Act 1994* and in relation to which that Act applies; or
 - (b) accidental bodily injury caused by, through, or in connection with a motor vehicle, within the meaning of

the *Motor Vehicles Insurance Act 1936*, and in relation to which that Act applies; or

- (c) injury within the meaning of the *Workers' Compensation and Rehabilitation Act 2003* and in relation to which that Act applies, but only to the extent that an entitlement to seek damages within the meaning of that Act for the injury is regulated by chapter 5 of that Act; or

Example for paragraph (c)—

W, a worker employed by E, sustains an injury in the course of employment. The injury is caused by a design fault in a machine designed by X Company.

If, as a result of sustaining the injury, W seeks damages against E, W must comply with the pre-court procedures under the *Workers' Compensation and Rehabilitation Act 2003* before starting a proceeding in a court for damages against E. This Act does not require W to comply with pre-court procedures under this Act in seeking damages against E.

If, as a result of sustaining the injury, W seeks damages against X Company, W must comply with the pre-court procedures under this Act before starting a proceeding in a court for damages against X Company.

- (d) injury within the meaning of the *WorkCover Queensland Act 1996* and in relation to which that Act applies, but only to the extent that an entitlement to seek damages within the meaning of that Act for the injury is regulated by chapter 5 of that Act; or
- (e) injury within the meaning of the *Workers' Compensation Act 1990* suffered on or after 1 January 1996 and in relation to which that Act applies, but only to the extent that an entitlement to seek damages within the meaning of that Act for the injury is regulated by part 11 of that Act; or
- (f) injury within the meaning of the *Workers' Compensation Act 1990* suffered before 1 January 1996 and in relation to which that Act applies, but only to the extent that the injury suffered created, independently of that Act, a legal liability in the employer of the person suffering the injury for which the employer was

- indemnified under that Act in relation to the injury or required by that Act to be so indemnified; or
- (g) injury within the meaning of the *Workers' Compensation Act 1916* and in relation to which that Act applies, but only to the extent that the injury suffered created, independently of that Act, a legal liability in the employer of the person to pay damages in relation to the injury.
- (3) Also, this Act does not apply to—
- (a) personal injury in relation to which a proceeding was started in a court, including in a court outside Queensland or Australia, before 18 June 2002; or
- (b) personal injury that is a dust-related condition.
- (4) In addition, sections 40(2) and 56 do not apply to personal injury if the act causing the personal injury is an unlawful intentional act done with intent to cause personal injury or is unlawful sexual assault or other unlawful sexual misconduct.
- (5) Further, this Act does not affect the seeking, or the recovery or award, of damages or financial assistance in relation to personal injury under any of the following—
- (a) the *Anti-Discrimination Act 1991*, section 209(1)(b);
- (b) the *Civil Aviation (Carriers' Liability) Act 1964*, including the applied provisions as defined under that Act;
- (c) the *Victims of Crime Assistance Act 2009*;
- (d) the repealed *Criminal Offence Victims Act 1995*, as it continues to apply under the *Victims of Crime Assistance Act 2009*, chapter 6, part 2;
- (e) the Criminal Code, repealed section 663D, as it continues to apply under the *Victims of Crime Assistance Act 2009*, chapter 6, part 2.
- (6) This section does not affect the general application of chapter 3, part 1 or 2.
- (7) In subsection (4)—

act includes omission.

7 Provisions of this Act that are provisions of substantive law

- (1) Provisions of this Act that provide for the kinds of damage, and the amount of damages, that may be recovered by a person, and the provisions of chapter 2, part 1, divisions 1, 1A, 2 and 4, are provisions of substantive, as opposed to procedural, law.
- (2) Despite subsection (1), notice of a claim is to be given in the form approved for a notice of a claim when the notice is given.
- (3) Also, subsection (2) has effect for notice of a claim given before the commencement of this subsection.

Chapter 2 Claims

Part 1 Pre-court procedures

Division 1 Claims procedures

9 Notice of a claim

- (1) Before starting a proceeding in a court based on a claim, a claimant must give written notice of the claim, in the approved form, to the person against whom the proceeding is proposed to be started.
- (1A) The approved form must provide for the notice to be in 2 parts, namely part 1 and part 2.
- (1B) The approved form may provide that some or all information included in the notice be verified by statutory declaration.
- (2) The notice must—
 - (a) contain a statement of the information required under a regulation; and
 - (b) authorise each of the following to have access to records and sources of information relevant to the claim specified under a regulation—
 - (i) the person;
 - (ii) if the person is insured against the claim, the person's insurer for the claim; and
 - (c) be accompanied by the documents required under a regulation.
- (2A) A regulation may require information or other material to accompany a particular part of a notice of a claim.
- (3) Part 1 of the notice must be given within the period ending on the earlier of the following days—

- (a) the day 9 months after the day the incident giving rise to the personal injury happened or, if symptoms of the injury are not immediately apparent, the first appearance of symptoms of the injury;
 - (b) the day 1 month after the day the claimant first instructs a law practice to act on the person's behalf in seeking damages for the personal injury and the person against whom the proceeding is proposed to be started is identified.
- (3A) Part 2 of the notice must be given, to the person to whom part 1 of the notice was given, within 2 months after the earlier of the following to happen—
- (a) the person to whom part 1 of the notice was given complies with section 10(1);
 - (b) the person to whom part 1 of the notice was given is, under section 13, conclusively presumed to be satisfied part 1 of the notice is a complying part 1 notice of claim.
- (4) If the claimant is a child, the child's parent or legal guardian may give the notice for the child.
- (5) If part 1 of the notice is not given within the period prescribed under subsection (3) or section 9A(9)(b), the obligation to give the notice under subsection (1) continues and a reasonable excuse for the delay must be given in part 1 of the notice or by separate notice to the person against whom the proceeding is proposed to be started.
- (6) If part 1 of the notice is not given within the period prescribed under subsection (3) or section 9A(9)(b), the claimant is taken to have a reasonable excuse for subsection (5) if—
- (a) the claimant—
 - (i) has made a health service complaint about the person against whom the proceeding is proposed to be started to the Health Rights Commissioner under the *Health Rights Commission Act 1991* within the period prescribed for making a complaint under that Act; and

- (ii) gives part 1 of the notice to the person as soon as practicable after the complaint is finalised under the *Health Rights Commission Act 1991*, the repealed *Health Quality and Complaints Commission Act 2006* or the *Health Ombudsman Act 2013*; or
- (b) the claimant—
 - (i) has made a health service complaint about the person against whom the proceeding is proposed to be started to the Health Quality and Complaints Commission under the *Health Quality and Complaints Commission Act 2006* within the period prescribed for making a complaint under that Act; and
 - (ii) gives part 1 of the notice to the person as soon as practicable after the complaint is finalised under the *Health Quality and Complaints Commission Act 2006* or *Health Ombudsman Act 2013*; or
- (c) the claimant—
 - (i) has made a health service complaint about the person against whom the proceeding is proposed to be started to the health ombudsman under the *Health Ombudsman Act 2013* within 2 years after the claimant became aware of the matter of the complaint; and
 - (ii) gives part 1 of the notice to the person as soon as practicable after the complaint is finalised under the *Health Ombudsman Act 2013*.
- (7) If a proceeding based on a claim may be started against 2 or more persons, the person to whom part 1 of a notice of a claim is given must, within the period prescribed under a regulation or, if no period is prescribed, within 1 month after receiving it—
 - (a) give a copy of it to each other person known to the person who may be a person against whom a proceeding might be started by the claimant based on the claim; and

- (b) advise the claimant of each other person to whom a copy of it has been given and give the claimant a short statement of the person's reasons for considering the other person may be a person against whom a proceeding might be started based on the claim.
- (7A) Subsection (7)(a) does not require the person (the *first person*) to whom part 1 of the notice is given by a claimant to give a copy of it to another person if the claimant has advised the first person in writing that the claimant has given, or will give, a copy of it to the other person.
- (8) If the person against whom a proceeding based on a claim is proposed to be started is the State or an entity with the privileges and immunities of the State, the giving of part 1 of a notice of a claim is effective only if it—
- (a) is given to the Crown solicitor; and
- (b) identifies the government department or entity the claimant considers responsible for the conduct that caused the injury.
- (8A) If part 1 of a notice of a claim is given under subsection (8), the government department or entity identified under subsection (8)(b) is taken to be the person to whom part 1 of the notice of a claim is given.
- (9) To remove any doubt, it is declared that subsection (3)(a), to the extent that it provides that part 1 of a notice may be given after the first appearance of symptoms of the personal injury, does not determine or affect when a cause of action in relation to the injury arose for the purposes of the *Limitation of Actions Act 1974*.
- (9A) For subsection (3)(b), consultation by a claimant with a community legal service as defined under section 67A(2), whether before or after the commencement of this subsection, is to be disregarded.
- (9B) This section is subject to section 9A.
- (9C) Subsections (3), (5) and (6) do not apply to a claim based on a personal injury of a person resulting from the abuse of the person when the person was a child.

(10) In this section—

abuse, of a child, means—

- (a) sexual abuse or serious physical abuse of the child; or
- (b) psychological abuse of the child perpetrated in connection with sexual abuse or serious physical abuse of the child.

access, to records and sources of information, includes access to copy the records and sources of information.

9A Particular provision for notice of a claim procedure for medical negligence cases

- (1) This section applies to a claim based on a medical incident happening on or after the commencement of this section that is alleged to have given rise to personal injury.
- (2) Before giving part 1 of a notice of a claim under section 9, the claimant must give written notice (*initial notice*) of the claim to the person against whom a proceeding based on the claim is proposed to be started.
- (3) The initial notice must state it is given under this section and contain the following information—
 - (a) the claimant's full name and address;
 - (b) any other name by which the claimant is known or has been known;
 - (c) if the initial notice is given by the claimant's parent or legal guardian, the parent's or guardian's name;
 - (d) the claimant's date of birth;
 - (e) a description of the medical services alleged to have given rise to the personal injury;
 - (f) if known, the name of the doctor who provided the medical services;
 - (g) the date or dates when the medical services were provided;

- (h) the place or places at which the medical services were provided;
 - (i) a description of the personal injury alleged to have been suffered.
- (4) The initial notice must be given within the period ending on the earlier of the following days—
- (a) the day 9 months after the day the medical incident happened or, if symptoms of the personal injury arising out of the incident were not immediately apparent, the first appearance of symptoms of the injury;
 - (b) the day 1 month after the day the claimant first instructs a law practice to act on the person's behalf in seeking damages for the personal injury and the person against whom the proceeding is proposed to be started is identified.
- (5) If the claimant is a child, the child's parent or legal guardian may give the initial notice for the child.
- (6) If the initial notice is not given within the period prescribed under subsection (4), the obligation to give the initial notice continues and a reasonable excuse for the delay must be given in the initial notice to the person against whom the proceeding is proposed to be started.
- (6A) If an initial notice, given after the commencement of this subsection, is not given within the period prescribed under subsection (4), the claimant is taken to have a reasonable excuse for subsection (6) if—
- (a) the claimant—
 - (i) has made a health service complaint about the person against whom the proceeding is proposed to be started to the Health Rights Commissioner under the *Health Rights Commission Act 1991* within the period prescribed for making a complaint under that Act; and
 - (ii) gives the initial notice to the person as soon as practicable after the complaint is finalised under

the *Health Rights Commission Act 1991*, the repealed *Health Quality and Complaints Commission Act 2006* or the *Health Ombudsman Act 2013*; or

- (b) the claimant—
 - (i) has made a health service complaint about the person against whom the proceeding is proposed to be started to the Health Quality and Complaints Commission under the *Health Quality and Complaints Commission Act 2006* within the period prescribed for making a complaint under that Act; and
 - (ii) gives the initial notice to the person as soon as practicable after the complaint is finalised under the *Health Quality and Complaints Commission Act 2006* or *Health Ombudsman Act 2013*; or
- (c) the claimant—
 - (i) has made a health service complaint about the person against whom the proceeding is proposed to be started to the health ombudsman under the *Health Ombudsman Act 2013* within 2 years after the claimant became aware of the matter of the complaint; and
 - (ii) gives the initial notice to the person as soon as practicable after the complaint is finalised under the *Health Ombudsman Act 2013*.
- (7) If the person against whom the proceeding is proposed to be started is the State or an entity with the privileges and immunities of the State, the giving of the initial notice is effective for subsection (2) only if it is given to—
 - (a) if the place at which the medical incident happened is a place under the control of a Hospital and Health Service—the health service chief executive of the Hospital and Health Service; or

- (b) if paragraph (a) does not apply—the chief executive officer of the department or entity having control of the place at which the medical incident happened.
- (8) A person to whom an initial notice is given must, within 1 month after receiving the initial notice, give the claimant—
 - (a) a written response advising whether any documents are held in relation to the medical services mentioned in the notice; and
 - (b) copies of all documents held by the person about the medical services.
- (9) The claimant—
 - (a) may give part 1 of the notice of the claim only after giving the initial notice; and
 - (b) must give part 1 of the notice within 12 months after the respondent complies with subsection (8); and
 - (c) is not required to comply with section 9(3); and
 - (d) must, as part of giving a complying part 1 notice of claim, give a written report from a medical specialist, competent to assess the medical incident alleged to have given rise to the personal injury, stating, in the medical specialist’s opinion—
 - (i) that there was a failure to meet an appropriate standard of care in providing medical services; and
 - (ii) the reasons justifying the opinion; and
 - (iii) that as a result of the failure, the claimant suffered personal injury; and
 - (e) must give the report mentioned in paragraph (d) when giving part 1 of the notice of claim.
- (10) If the claim is based on, or includes, an allegation of a failure to warn of a risk in relation to the provision of medical services, it is not necessary for subsection (9) for the report to comment on, or address, the alleged failure.

[s 10]

- (11) To remove any doubt, it is declared that subsection (4)(a), to the extent that it provides that a notice may be given after the first appearance of symptoms of the personal injury, does not determine or affect when a cause of action in relation to the injury arose for the purposes of the *Limitation of Actions Act 1974*.
- (12) No obligation exists on a person to whom an initial notice is given to investigate, assess or respond to the initial notice other than as required by subsection (8).
- (13) For subsection (4)(b), consultation by a claimant with a community legal service as defined under section 67A(2) is to be disregarded.

 - (b) advise the person, in writing, that the claimant considers the person to be a proper respondent to the claim and require the person to give notice to the claimant under section 12.
- (3) After being given information under subsection (2)(a), the person must, having regard to the information given to the person—

11 Acknowledgement that a person is a proper respondent to a claim is not an admission of liability

- (1) Notice by a person that the person considers that the person is a proper respondent to a claim is not an admission of liability by the person in relation to the claim.
- (2) Also, a person does not breach a term or condition of any relevant insurance policy only because the person gives notice under subsection (1).
- (3) Further, an insurer does not agree to indemnify a person under any relevant insurance policy only because the insurer gives notice on behalf of the person under subsection (1).
- (4) Subsection (2) or (3) has effect whether the notice under the subsection was given before or after the commencement of the subsection.

- (1) This section applies to a person (*respondent*) to whom part 1 of a notice of a claim is given under this division or purportedly under this division and who—

- (a) considers himself, herself or itself to be a proper respondent to the claim; or
 - (b) is given notice under section 10(2)(b) or (4)(b) that the claimant considers the person to be a proper respondent to the claim.
- (2) The respondent must, within the prescribed period, give the claimant written notice—
- (a) stating whether the respondent is satisfied that part 1 of the notice is a complying part 1 notice of claim; and
 - (b) if the respondent is not satisfied, identifying the noncompliance and stating whether the respondent waives compliance with the requirements; and
 - (c) if the respondent does not waive compliance with the requirements, allowing the claimant a reasonable period, of at least 1 month, specified in the notice either to satisfy the respondent that the claimant has in fact complied with the requirements or to take reasonable action specified in the notice to remedy the noncompliance.
- (3) If the respondent is not prepared to waive compliance with the requirements in the first instance, the respondent must, within 1 month after the end of the period specified under subsection (2)(c), give the claimant a written notice—
- (a) stating that the respondent is satisfied the claimant has complied with the relevant requirements, is satisfied with the action taken by the claimant to remedy the noncompliance, or waives the noncompliance in any event; or
 - (b) stating that the respondent is not satisfied that the claimant has taken reasonable action to remedy the noncompliance, and giving full particulars of the noncompliance and the claimant's failure to remedy it.
- (4) In this section—

prescribed period means—

- (a) if the respondent responds directly to the claimant under this section as contemplated by section 10(1)(a)—the period prescribed under section 10(1); or
- (b) otherwise—
 - (i) the period prescribed under a regulation; or
 - (ii) if no period is prescribed, the later of the following—
 - (A) if the respondent gives notice to the claimant under section 10(3)(a) that the respondent is a proper respondent to the claim—1 month after the respondent is given the further information under section 10(2)(a);
 - (B) if the claimant advises the respondent under section 10(2)(b) or (4)(b) that the claimant considers the person to be a proper respondent to the claim and requires the person to give notice to the claimant under this section—1 month after the claimant advises the respondent under the paragraph.

13 Consequences for respondent of failure to respond to part 1 of a notice of a claim

If a claimant gives part 1 of a notice of a claim under this division or purportedly under this division to a person against whom a proceeding is proposed to be started, and the person does not respond to it under section 10 or 12 within the prescribed period under the section, the person is conclusively presumed to be satisfied it is a complying part 1 notice of claim.

14 Claimant may add other respondents

- (1) A claimant may, within the time prescribed under a regulation, add someone else as a respondent by giving the person—
 - (a) part 1 of a notice of a claim mentioned in section 9; and

- (b) copies of other documents given to or received from any other respondent under this Act.
- (2) If the time prescribed under subsection (1) for adding a respondent has ended, the claimant may add someone else as a respondent only with the person's agreement and the agreement of the parties or with the court's leave.
- (3) If a claimant adds someone as a respondent under this section—
 - (a) the person must respond to part 1 of the notice as if it were given under section 9; and
 - (b) the claimant must notify each other party of the addition by written notice within the time prescribed under a regulation.

15 Multiple respondents

- (1) If there are 2 or more respondents to a claim, 1 of the respondents (the *respondents' claim manager*) may act for 1 or more of the other respondents under this division, division 2 and part 3 with the agreement of the other respondents.
- (2) The respondents' claim manager—
 - (a) may exercise the powers and perform the duties conferred by this division, division 2 and part 3 in relation to the claim and the claimant for all respondents for whom the respondents' claim manager acts; and
 - (b) must act as far as practicable with the agreement of the other respondents for whom the respondents' claim manager acts.
- (3) Action taken or an agreement made by the respondents' claim manager in relation to the claim is binding on each respondent for whom the respondents' claim manager acts so far as it affects the claimant.
- (4) However, if the respondents' claim manager acts beyond the scope of the respondents' claim manager's authority under the

agreement under subsection (1), the respondents' claim manager is liable to each other respondent who is a party to the agreement for any loss suffered by the other respondent.

- (5) If there are 2 or more respondents to a claim and a respondents' claim manager is not acting for all the respondents, the respondents must cooperate with each other, to the greatest extent practicable, to ensure that all respondents are in a position to participate in the compulsory conference with the claimant at the earliest possible opportunity.

16 Respondent may add other person as contributor

- (1) A respondent who receives a complying part 1 notice of claim may, within the time prescribed under a regulation, add someone else as a contributor for the purposes of this part by giving the person a written notice (*contribution notice*)—
- (a) claiming an indemnity from, or contribution towards, the respondent's liability; and
 - (b) stating the grounds on which the respondent holds the person liable; and
 - (c) stating any other information that may be prescribed under a regulation; and
 - (d) accompanied by copies of documents about the claim given to or received from any other party under this Act.
- (2) If the time prescribed under subsection (1) for adding a contributor has ended, a respondent may add someone else as a contributor only with the person's agreement and the agreement of the parties or with the court's leave.
- (3) If a respondent adds someone as a contributor under this section, the respondent must give a copy of the contribution notice to each other party within the time prescribed under a regulation.

Maximum penalty for subsection (3)—50 penalty units.

17 Contributor's response

- (1) A contributor must, within the period prescribed under a regulation or, if no period is prescribed, within 1 month after receiving a contribution notice, give the respondent who gave the contribution notice a written response (*contributor's response*)—
 - (a) containing a statement of information prescribed under a regulation; and
 - (b) accompanied by any documents that may be prescribed under a regulation.
- (2) The contributor's response must also state—
 - (a) whether the claim for the contribution or indemnity claimed in the contribution notice is admitted, denied or admitted in part; and
 - (b) if the claim for the contribution or indemnity is admitted in part, the extent to which it is admitted.
- (3) An admission of liability in the contributor's response—
 - (a) is not binding on the contributor in relation to any other claim; and
 - (b) is not binding on the contributor at all if it later appears the admission was induced by fraud.
- (4) If the respondent requires information provided by a contributor under this section to be verified by statutory declaration, the contributor must verify the information by statutory declaration.

18 Claimant's failure to give part 1 of a notice of a claim

- (1) A claimant's failure to give a complying part 1 notice of claim prevents the claimant from proceeding further with the claim unless—
 - (a) the respondent to whom part 1 of a notice of a claim was purportedly given—

- (i) has stated that the respondent is satisfied part 1 of the notice has been given as required or the claimant has taken reasonable action to remedy the noncompliance; or
- (ii) is conclusively presumed to be satisfied it is a complying part 1 notice of claim under section 13; or
- (b) the respondent has waived compliance with the requirement; or
- (c) the court, on application by the claimant—
 - (i) declares that the claimant has remedied the noncompliance; or
 - (ii) authorises the claimant to proceed further with the claim despite the noncompliance.
- (2) An order of the court under subsection (1)(c) may be made on conditions the court considers necessary or appropriate to minimise prejudice to a respondent from the claimant's failure to comply with the requirement.

19 Legal disabilities

- (1) A claimant's obligation to comply with this division is suspended while the claimant is under a legal disability.

Note—

If the claimant is a child, under section 9(4) a parent or guardian of the child may give the notice mentioned in section 9 for the child.

- (2) A period within which the obligation is to be complied with begins when the claimant's legal disability ends and, to give effect to this part, this chapter is to be read as though a reference to the day the incident giving rise to the personal injury happened were a reference to the day the claimant's legal disability ends, and with other necessary changes.
- (3) This section does not prevent a claimant, or a person acting for the claimant, from complying with an obligation under this chapter while the claimant is under a legal disability.

- (4) A claimant is under a legal disability for this section in the circumstances in which a person is taken to be under a disability for the *Limitation of Actions Act 1974*.

20 Respondent must attempt to resolve claim

- (1) Within the period prescribed under a regulation or, if no period is prescribed, within 6 months after a respondent receives a complying part 1 notice of claim, the respondent must—
- (a) take reasonable steps to inform himself, herself or itself about the incident alleged to have given rise to the personal injury to which the claim relates; and
 - (b) give the claimant written notice stating—
 - (i) whether liability is admitted or denied; and
 - (ii) if contributory negligence is claimed, the degree of the contributory negligence expressed as a percentage; and
 - (c) if the claimant made an offer of settlement in part 2 of the notice of a claim, inform the claimant whether the respondent accepts or rejects the offer, or if the claimant did not make an offer of settlement in part 2 of the notice, invite the claimant to make a written offer of settlement; and
 - (d) make a fair and reasonable estimate of the damages to which the claimant would be entitled in a proceeding against the respondent; and
 - (e) make a written offer, or counter offer, of settlement to the claimant setting out in detail the basis on which the offer is made, or settle the claim by accepting an offer made by the claimant.
- (2) If part 1 of a notice of a claim is not a complying part 1 notice of claim, a respondent is taken to have been given a complying part 1 notice of claim when—

- (a) the respondent gives the claimant notice that the respondent waives compliance with the requirement that has not been complied with or is satisfied the claimant has taken reasonable action to remedy the noncompliance; or
 - (b) the court makes a declaration that the claimant is taken to have remedied the noncompliance, or authorises the claimant to proceed further with the claim despite the noncompliance.
- (3) An offer, or counter offer, of settlement must be accompanied by a copy of medical reports, assessments of cognitive, functional or vocational capacity and all other material, including documents relevant to assessing economic loss, in the offerer's possession that may help the person to whom the offer is made make a proper assessment of the offer.
- (4) A respondent or claimant to whom a written offer, or counter offer, of settlement is made must, unless a response to the offer is to be made under subsection (1)(c), respond in writing to the offer within the period prescribed under a regulation or, if no period is prescribed, within 3 months after receiving it, indicating acceptance or rejection of the offer.
- (5) An admission of liability by a respondent under this section—
 - (a) is not binding on the respondent in relation to any other claim; and
 - (b) is not binding on the respondent at all if it later appears the admission was induced by fraud.

 - (a) if there is only 1 respondent to the claim, the day 6 months after the claimant gave the respondent a complying part 1 notice of claim or, if there is more than 1 respondent to the claim, the day 6 months after the day the claimant last gave a respondent part 1 of a notice of a claim under section 14(1);
 - (b) if, under section 12, a person to whom part 1 of a notice of a claim is given gives notice to the claimant that the person is a proper respondent to the claim—the day 6 months after the person gives notice or, if there is more

than 1 person to whom part 1 of a notice of a claim is given, the day 6 months after the day after the last person gives notice to the claimant.

- (4) The parties may, for good reason, dispense with the compulsory conference or the signing of a certificate of readiness under section 37(1)(d) by agreement.
- (5) The court may, on application by a party—
 - (a) fix the time and place for the compulsory conference; or
 - (b) dispense with the compulsory conference for good reason; or
 - (c) dispense with the requirement to sign a certificate of readiness under section 37(1)(d) in cases of complexity including, for example, a case involving multiple respondents, non-party discovery and the need for further expert evidence;

and make any other orders the court considers appropriate in the circumstances.

- (6) In considering whether to make any order under subsection (5), the court must take into account—
 - (a) the extent of compliance by the parties with their respective obligations relating to the claim; and
 - (b) how the main purpose of this Act is to be achieved having regard, in particular, to section 4(2)(a) to (e).

37 Exchange of material for compulsory conference

- (1) At least 7 days before the compulsory conference is held, each party must give each other party—
 - (a) copies of all documents not yet given to the other party that are required to be given to the party under this Act; and
 - (b) a statement signed by the party verifying that all relevant documents, in the possession of the party or, if the party has legal representation, the practitioner acting for the

-
- party, that are required to be given under this Act have been given as required; and
- (c) details of the party's legal representation; and
 - (d) a certificate (*certificate of readiness*) signed by the party.
- (1A) A statement mentioned in subsection (1)(b) or a certificate of readiness must, if the party has legal representation, be signed by the practitioner acting for the party.
- (2) The certificate of readiness must state that, having regard to the documents in the party's possession—
- (a) the party is in all respects ready for the conference; and
 - (b) all investigative material required by the party for the trial has been obtained, including witness statements from persons, other than expert witnesses, the party intends to call as witnesses at the trial; and
 - (c) medical or other expert reports have been obtained from all persons the party proposes to call as expert witnesses at the trial; and
 - (d) the party has fully complied with the party's obligations to give the other parties material required to be given to the parties under this Act; and
 - (e) if the party has legal representation, the practitioner acting for the party has given the party a statement (a *costs statement*) containing the information required under subsection (4).
- (3) A practitioner who, without reasonable excuse, signs a certificate of readiness knowing that it is false or misleading in a material particular commits professional misconduct.
- (4) A costs statement must contain—
- (a) details of the party's legal costs (clearly identifying costs that are legal fees and costs that are disbursements) up to the completion of the compulsory conference; and
 - (b) an estimate of the party's likely legal costs (clearly identifying costs that are estimated legal fees and costs

- that are estimated disbursements) if the claim proceeds to trial and is decided by the court; and
- (c) a statement of the consequences to the party, in terms of costs, in each of the following cases—
 - (i) if the amount of the damages awarded by the court is equal to, or more than, the claimant's mandatory final offer;
 - (ii) if the amount of the damages awarded by the court is less than the claimant's mandatory final offer but more than, a respondent's, or the respondents', mandatory final offer;
 - (iii) if the amount of the damages awarded by the court is equal to, or less than, a respondent's, or the respondents', mandatory final offer.
 - (5) The court may, on the ex parte application of a party, exempt the party from an obligation to give or disclose material to another party before trial if satisfied that—
 - (a) disclosure would alert a person reasonably suspected of fraud to the suspicion; or
 - (b) there is some other good reason why the material should not be disclosed.
 - (6) In this section—
party does not include contributor.

38 Procedure at conference

- (1) The compulsory conference may be held with a mediator if all parties agree.
- (2) An agreement that the compulsory conference is to be held with a mediator must specify how the costs of the mediation are to be borne.
- (3) The mediator must be a person independent of the parties—
 - (a) agreed to by the parties; or

-
- (b) nominated by the registrar of the court on application under subsection (4).
- (4) If the parties are unable to agree on the appointment of a mediator within 30 days after the day for the compulsory conference is fixed, any party may apply to the registrar of the court for the nomination of a mediator.
- (5) A person authorised by a party to settle the claim on the party's behalf may participate in the conference as a party.
- (6) Each party must, unless the party has a reasonable excuse, attend the compulsory conference and actively participate in an attempt to settle the claim.
- (7) The compulsory conference may be conducted, if the parties agree, by using any technology that reasonably allows the parties to hear and take part in discussions as they happen.

Example—

teleconferencing

- (8) The parties may, by agreement, change the time or place for holding the compulsory conference or adjourn the compulsory conference from time to time and from place to place.

39 Parties to exchange mandatory final offers if claim not settled at compulsory conference

- (1) If the claim is not settled at the compulsory conference, the claimant and a respondent must, unless the court has dispensed with this obligation, exchange written final offers—
- (a) at the conference; or
- (b) if the conference has been dispensed with, within 14 days after the date of the agreement or order dispensing with the conference.
- (2) If there are 2 or more respondents, the claimant may make a written final offer to settle with any respondent, and any respondent may make a written final offer to settle with the claimant.
- (3) However, subsection (4) applies if—

- (a) the claimant agrees to make a written final offer to all of the respondents to settle the claim as against all of the respondents; and
 - (b) all of the respondents agree to make a written joint final offer to the claimant to settle the claim as against all of the respondents.
- (4) If this subsection applies—
- (a) the claimant's offer must be made to all of the respondents and is an offer to settle the claim against all of the respondents; and
 - (b) the respondents' offer must be made by all of the respondents to the claimant and is an offer to settle the claim against all of the respondents.
- (5) Respondents who make an offer under subsection (3) are jointly and severally liable to the claimant for the whole of the amount of the offer if the offer is accepted.
- (6) A written final offer required under this section is called a *mandatory final offer*.

40 Provisions about mandatory final offers

- (1) A mandatory final offer for the upper offer limit or less must be exclusive of costs.
- (2) If a mandatory final offer is for more than the lower offer limit but not more than the upper offer limit, and is accepted, costs are to be calculated and paid on a basis (but subject to limits) stated under a regulation.
- (3) Even though a respondent denies liability altogether, the respondent must nevertheless make a mandatory final offer but, in that event, the offer is to be expressed as an offer of \$nil.
- (4) A mandatory final offer must remain open for 14 days and a proceeding in a court based on a claim must not be started while the offer remains open.

- (5) If the claimant starts a proceeding in a court based on the claim, the claimant must, at the start of the proceeding, file at the court a sealed envelope containing a copy of the claimant's mandatory final offer.
- (6) A respondent must, before or at the time of filing a defence, file at the court a sealed envelope containing a copy of the respondent's mandatory final offer or, if a joint final offer is made by multiple respondents, a copy of the respondents' mandatory final offer.
- (7) The court must not read the mandatory final offers until it has decided the claim.
- (8) However, the court must, if relevant, have regard to the mandatory final offers in making a decision about costs.
- (9) The court may, on application by a party, dispense with the obligation to make mandatory final offers.

41 Offer to contribute

- (1) This section applies if a respondent makes a claim (a *contribution claim*) to recover contribution or indemnity against a person, whether a respondent to the claim or not, in relation to a claim made by a claimant.
- (2) A party to the contribution claim may give another party to the contribution claim an offer to contribute towards the settlement of the claim on the conditions specified in the offer.
- (3) The court may take account of an offer to contribute in deciding whether it should order that the party to whom the offer to contribute was given should pay all or part of—
 - (a) the costs of the party who made the offer; and
 - (b) any costs the party is liable to pay to the claimant.

42 Time for starting proceeding

- (1) A proceeding in a court based on the claim should be started—

- (a) within 60 days after the conclusion of the compulsory conference; or
 - (b) within a further period—
 - (i) agreed by the parties within the 60-day period mentioned in paragraph (a); or
 - (ii) fixed by the court on an application made by the claimant within the 60-day period mentioned in paragraph (a).
- (2) If the parties or the court dispenses with the compulsory conference, a proceeding in a court based on the claim should be started—
- (a) within 60 days after the later of the following—
 - (i) if there is only 1 respondent to the claim, the day 6 months after the day on which the claimant gives the respondent a complying part 1 notice of claim, or if there is more than 1 respondent to the claim, the day 6 months after the day the claimant last gave a respondent part 1 of a notice of a claim under section 14(1);
 - (ii) the date of the agreement or order dispensing with the conference; or
 - (b) within a further period—
 - (i) agreed by the parties within the 60-day period mentioned in paragraph (a); or
 - (ii) fixed by the court on an application made by the claimant within the 60-day period mentioned in paragraph (a).
- (3) However, if the court dispenses with the obligation to make mandatory final offers, a proceeding in a court based on the claim should be started within a period fixed by the court when giving the dispensation or later.
- (4) The expiry of the time within which the proceeding should be started under subsection (1), (2) or (3) does not prevent the claimant from starting the proceeding but the court may—

- (a) unless the claimant establishes a reasonable excuse for the delay, order the claimant to pay, in any event, a respondent's costs arising out of the delay; and
 - (b) on a respondent's application, make an order fixing a time limit within which the proceeding must be started.
- (5) If the claimant fails to start the proceeding within a time limit fixed under subsection (4)(b), the claim is barred.
- (6) To remove any doubt, it is declared that subsection (5) has effect despite the *Limitation of Actions Act 1974*.

Division 5 Urgent proceedings

43 Starting urgent proceeding with the court's leave

- (1) The court, on application by a claimant, may give leave to the claimant to start a proceeding in the court for damages based on a liability for personal injury despite noncompliance with this part if the court is satisfied there is an urgent need to start the proceeding.
- (2) The order giving leave to start the proceeding may be made on conditions the court considers necessary or appropriate having regard to the particular circumstances of the case.
- (3) However, if leave is given, the proceeding started by leave is stayed until the claimant complies with this part or the proceeding is discontinued or otherwise ends.
- (4) Despite subsection (3), the proceeding is not stayed if—
 - (a) the court is satisfied that—
 - (i) the claimant is suffering from a terminal condition; and
 - (ii) the trial of the proceeding should be expedited; and
 - (b) the court orders the proceeding be given priority in the allocation of a trial date and certifies it for speedy trial.

- (5) If, under subsection (4), the proceeding is not stayed, the following provisions do not apply in relation to the personal injury—
- (a) this part, other than this section;
 - (b) sections 48, 56 and 59;
 - (c) chapter 4.

44 Starting urgent proceeding by agreement

- (1) The purpose of this section is to enable a claimant to avoid the need to bring an application under section 43.
- (2) Without limiting section 43, if the claimant believes there is an urgent need to start a proceeding for a claim despite noncompliance with this part, the claimant may, in the claimant's notice of claim—
- (a) state the reasons for the urgency and the need to start the proceeding; and
 - (b) ask the person or persons against whom the proceeding is proposed to be started (*proposed respondent*) to allow the claimant to start the proceeding despite noncompliance with this part.
- (3) The claimant's lawyer may sign the notice of claim on the claimant's behalf if it is not reasonably practicable for the claimant to do so.
- (4) However, if the claimant's lawyer signs the notice of claim, the claimant must sign the notice personally and give it to the proposed respondent as soon as practicable.
- (5) The claimant's notice of claim may be given electronically in any way provided for under a regulation.
- (6) A proposed respondent must advise the claimant, in the approved form, that the proposed respondent agrees or does not agree to allow the claimant to start the proceeding despite noncompliance with this part.

-
- (7) The advice must be given to the claimant before the end of 7 days after the proposed respondent receives the notice of claim signed by the claimant's lawyer.
 - (8) If each proposed respondent agrees to allow the claimant to start the proceeding despite noncompliance with this part—
 - (a) the claimant may start the proceeding; and
 - (b) the proceeding is stayed until the claimant complies with this part or the proceeding is discontinued or otherwise ends.

Part 3 Proceedings in court

47 Exclusion of summary judgment on the basis of admissions

- (1) In a proceeding in a court based on a claim, summary judgment is not to be given on the basis of a respondent's admissions.
- (2) However, this section does not prevent a court from giving a judgment by consent.

48 Consequences of failure to comply with claims procedures may result in adverse costs order

- (1) If a claimant does not comply with the requirements of part 1, division 1, a court in which the claimant starts a proceeding based on the claim—
 - (a) may, on a respondent's application in the proceeding, award in the respondent's favour costs (including legal and investigation costs) reasonably incurred by the respondent because of the claimant's default; and
 - (b) may only award interest in the claimant's favour for a period for which the claimant was in default if the court is satisfied there is a reasonable excuse for the default.

- (2) If a respondent does not comply with the requirements of part 1, division 1, a court in which the respondent defends a proceeding based on the claim may, on a claimant's application in the proceeding, award in the claimant's favour costs (including legal and investigation costs) reasonably incurred by the claimant because of the respondent's default.

56 Costs in cases involving damages awards of not more than an amount equal to the upper offer limit

- (1) This section applies if a court awards an amount equal to the upper offer limit or less in damages in a proceeding based on a claim, but it does not apply to the costs of an appellate proceeding.
- (2) If the court awards an amount equal to the lower offer limit or less in damages, the court must apply the following principles—
 - (a) if the amount awarded is less than the claimant's mandatory final offer but more than the respondent's, or the respondents', mandatory final offer, no costs are to be awarded;
 - (b) if the amount awarded is equal to, or more than, the claimant's mandatory final offer, costs are to be awarded to the claimant on an indemnity basis as from the day on which the proceeding started, but no award is to be made for costs up to that date;
 - (c) if the amount awarded is equal to, or less than, the respondent's, or the respondents', mandatory final offer, costs are to be awarded to the respondent or respondents on a standard basis as from the day on which the proceeding started, but no award is to be made for costs up to that date.
- (3) If the court awards more than an amount equal to the lower offer limit but not more than an amount equal to the upper offer limit in damages, the court must apply the following principles—

-
- (a) if the amount awarded is less than the claimant's mandatory final offer but more than the respondent's, or the respondents', mandatory final offer, costs are to be awarded to the claimant on a standard basis up to the declared costs limit;
 - (b) if the amount awarded is equal to, or more than, the claimant's mandatory final offer, costs are to be awarded to the claimant on the following basis—
 - (i) costs up to the date on which the proceeding started are to be awarded on a standard basis up to the declared costs limit;
 - (ii) costs on or after the date on which the proceeding started are to be awarded on an indemnity basis;
 - (c) if the amount awarded is equal to, or less than, the respondent's, or the respondents', mandatory final offer, costs are to be awarded on the following basis—
 - (i) costs up to the day on which the proceeding started are to be awarded to the claimant on a standard basis up to the declared costs limit;
 - (ii) costs on or after the day on which the proceeding started are to be awarded to the respondent or respondents on a standard basis.
- (4) The court must not award costs to a party related to the introduction of evidence by the party that is unnecessarily repetitive.

Example—

If a claimant calls 2 or more expert witnesses from the same area of expertise to give evidence to substantially the same effect, and the claimant is entitled to costs of the proceeding under the principles laid down in this section, the court might only allow costs related to 1 of the expert witnesses.

- (5) Unless an award of damages is affected by factors that were not reasonably foreseeable at the time of the exchange of mandatory final offers, the court must not award costs to a party related to investigations or gathering of evidence by the party after—

- (a) the conclusion of the compulsory conference; or
 - (b) if the parties or the court dispensed with the compulsory conference, the day when the parties completed the exchange of mandatory final offers.
- (6) If an award of damages is affected by factors that were not reasonably foreseeable by a party at the time of making the party's mandatory final offer, the court may, if satisfied that it is just to do so, make an order for costs under subsection (2) or (3) as if the reference to a mandatory final offer in the relevant subsection were a reference to a later offer made in the light of the factors that became apparent after the parties completed the exchange of mandatory final offers.

Example—

Suppose that a claimant's medical condition suddenly and unexpectedly deteriorates after the date of the final offers and the court makes a much higher award of damages than would have been reasonably expected at that time. In that case, the court may ignore the mandatory final offers and award costs on the basis of later offers of settlement.

- (7) This section does not limit the court's power under section 48.
- (8) In this section—
party does not include contributor.

57 General regulation of court awards

A court can not award damages, or interest on damages, contrary to this chapter.

59 Alteration of period of limitation

- (1) If a complying part 1 notice of claim is given before the end of the period of limitation applying to the claim, the claimant may start a proceeding in a court based on the claim even though the period of limitation has ended.
- (2) However, the proceeding may be started after the end of the period of limitation only if it is started within—

- (a) 6 months after the complying part 1 notice is given or leave to start the proceeding is granted; or
 - (b) a longer period allowed by the court.
- (3) Also, if a proceeding is started under subsection (2) without the claimant having complied with part 1, the proceeding is stayed until the claimant complies with the part or the proceeding otherwise ends.
 - (4) If a period of limitation is extended under the *Limitation of Actions Act 1974*, part 3, this section applies to the period of limitation as extended under that part.

60 Recovery in case of fraud

A respondent may recover from a claimant or other person who defrauds or attempts to defraud the respondent on a claim any costs reasonably incurred by the respondent because of the fraud.

64 Meaning of *advertises personal injury services*

- (1) For this part, a practitioner or another person, whether or not the other person is acting for a law practice, **advertises personal injury services** if the practitioner or person publishes or causes to be published a statement that may reasonably be thought to be intended or likely to encourage or induce a person—
 - (a) to make a claim for compensation or damages under any Act or law for a personal injury; or
 - (b) to use the services of the practitioner, or a named law practice, in connection with the making of a claim mentioned in paragraph (a).
- (2) It does not matter that the statement also relates to other matters.
- (3) For this section, a statement is **published** if it is—
 - (a) published in a printed publication; or

-
- (b) disseminated by the exhibition or broadcast of a photograph, slide, film, video recording, audio recording or other recording of images or sound, either as a public exhibition or broadcast or as an exhibition or broadcast to persons attending a place for the purpose of receiving professional advice, treatment or assistance; or

 - (f) displayed on any document gratuitously sent or delivered to any person or thrown or left on premises occupied by any person or on any vehicle; or
 - (g) displayed on any document provided to a person as a receipt or record for a transaction.

65 Meaning of *allowable publication method*

- (1) For this part, each of the following is an *allowable publication method* for the publication of a statement by a practitioner or another person, whether or not the other person is acting for a law practice—
 - (a) publication of the statement in a printed publication;
 - (b) publication of the statement on an Internet website by means of the publication of an electronic version of a printed publication, but only if the statement merely reproduces a statement as published in that printed publication and the printed publication is published independently of the practitioner or a law practice of which the practitioner is a member;
 - (c) publication of the statement on an Internet website by the publication of the contents of a directory or database that includes the statement and that is published or

- maintained independently of the practitioner or a law practice of which the practitioner is a member;

 - (e) display of the statement on any printed document gratuitously sent or delivered to any person or thrown or left on premises occupied by any person or on any vehicle;
 - (f) display of the statement on any printed document provided to a person as a receipt or record in relation to a transaction.
- (2) However, each of the following is not an ***allowable publication method*** for the publication of a statement by a practitioner or another person, whether or not the other person is acting for a law practice—
- (a) public exhibition of the statement in or on a hospital;
 - (b) display of the statement on any printed document gratuitously sent or delivered to a hospital or left in a hospital or on any vehicle in the vicinity of a hospital.
- (3) A printed publication, directory or database is considered to be published or maintained independently of a practitioner or a law practice of which the practitioner is a member only if—
- (a) it is not published or maintained by the practitioner or an employee of the practitioner or a member or an employee of the law practice of which the practitioner is a member; and
 - (b) the person who publishes or maintains it does so in the ordinary course of the conduct of the person's business or affairs.

66 Restriction on advertising personal injury service

- (1) A practitioner or another person, whether or not the other person is acting for a law practice, must not advertise personal injury services except by the publication of a statement that—
- (a) states only the name and contact details of the practitioner or a law practice of which the practitioner is a member, together with information as to any area of practice or speciality of the practitioner or law practice; and
 - (b) is published by an allowable publication method.

Example of advertising that contravenes subsection (1)—

advertising personal injury services on a ‘no win, no fee’ or other speculative basis

Maximum penalty—300 penalty units.

- (2) However, for a practitioner or a person acting for the practitioner or a law practice of which the practitioner is a member, the practitioner or person does not contravene subsection (1) only because—
- (a) the practitioner or person advertises personal injury services—
 - (i) to any person who is already a client of the practitioner or law practice; or
 - (ii) to any person at the practitioner’s or law practice’s place of business; or
 - (iii) under any order by a court; or
 - (b) the practitioner or person advertises personal injury services on the Internet website of the practitioner or a law practice of which the practitioner is a member if the advertisement is limited to a statement about—
 - (i) the operation of the law of negligence and a person’s legal rights under that law; and
 - (ii) the conditions under which the practitioner or law practice is prepared to provide personal injury services.

[s 67]

- (3) A practitioner who contravenes subsection (1) may be charged with misconduct in addition to being liable to the penalty provided under the subsection for the contravention.
- (4) A practitioner or another person, whether or not the other person is acting for a law practice, does not contravene subsection (1) only because the practitioner or person advertises personal injury services in an edition of a publication which edition was published before 18 June 2002.
- (5) This section does not apply to a client agreement under the *Queensland Law Society Act 1952*, part 4A given by a practitioner to a client for whom the practitioner is acting.

67 Prohibition on touting at scene of incident or at any time

- (1) At the scene of an incident at which a person allegedly suffered personal injury or at a hospital after an incident at which a person allegedly suffered personal injury—
 - (a) a prohibited person must not solicit or induce a potential claimant involved in the incident to make a claim; or
 - (b) a person, other than a prohibited person, must not solicit or induce, in a way that would be unreasonable in the circumstances, a potential claimant involved in the incident to make a claim.

Example for paragraph (b)—

A person who lives near the scene of the incident helps a potential claimant immediately after the incident. If the person, without being asked to do so, telephones a law practice and insists the potential claimant speaks with a practitioner at the law practice about making a claim, the person is acting in a way that would be unreasonable in the circumstances.

Maximum penalty—300 penalty units.

- (2) Subsections (3), (4) and (5) apply, as stated in the subsections, to the following persons—
 - (a) a prohibited person;

-
- (b) a person who, for the purpose of the person's employment, obtains information about an incident at or from which a person allegedly suffered personal injury;
 - (c) a person who, for the purpose of the person's employment, has contact with a potential claimant if the contact substantially arises because of an incident at or from which a person allegedly suffered personal injury.

Example for paragraph (c)—

a hospital worker in the casualty department of a large hospital who attends to a potential claimant

- (3) A person mentioned in subsection (2)(a) or (b) must not give a potential claimant involved in the incident, or someone on the potential claimant's behalf, the name, address or telephone number of—
 - (a) a particular law practice; or
 - (b) an employee or agent of a law practice.

Maximum penalty—300 penalty units.

- (4) A person mentioned in subsection (2)(c) must not give the potential claimant, or someone on the potential claimant's behalf, the name, address or telephone number of—
 - (a) a particular law practice; or
 - (b) an employee or agent of a law practice.

Maximum penalty—300 penalty units.

- (5) Also, a person mentioned in subsection (2) must not disclose the name or address of a person involved in the incident to anyone other than—
 - (a) a police officer; or
 - (b) a person to whom the person is required to disclose the information under a law; or
