Land Regulation 2020

Part 1 Preliminary

1 Short title

This regulation may be cited as the *Land Regulation 2020*.

2 Commencement

This regulation commences on 1 July 2020.

3 Definitions

The dictionary in schedule 9 defines particular words used in this regulation.

3A Rounding of particular amounts expressed as numbers of fee units

- (1) This section applies for working out the amount of a fee or other matter expressed in section 33, 34 or 36 as a number of fee units.
- (2) For the purpose of the *Acts Interpretation Act 1954*, section 48C(3), the amount is to be rounded to the nearest dollar (rounding one-half upwards).

Example—

Section 34(1) of this regulation provides for a minimum rent of 277 fee units. If the value of a fee unit for this regulation were \$1.015, the number of dollars obtained by multiplying \$1.015 by 277 would be \$281.155. After rounding, the amount of the minimum rent would be \$281.

Part 2 Reserves and deeds of grant in trust

Division 1 Adoption of model by-laws by trustee

4 Way of adopting model by-law—Act, s 56

- (1) For section 56(7) of the Act, subsections (2) to (4) prescribe the way for a trustee to adopt a model by-law for trust land.
- (2) The trustee must decide to adopt the model by-law.
- (3) As soon as practicable after deciding to adopt the model by-law, the trustee must—

- (a) give notice of the decision (a *public notice*) by publishing the notice in a way the trustee considers is reasonably likely to come to the attention of members of the public who are likely to use the trust land; and

Examples of ways a public notice may be given for paragraph (a)—

- displaying the notice, for at least 7 days, in a conspicuous place on the trust land to which members of the public have ready access
 - publishing the notice on the trustee’s website
 - publishing the notice, at least once, in a newspaper circulating generally in the area in which the trust land is situated
- (b) notify the chief executive.
 - (4) The public notice must state the following matters—
 - (a) the name of the trustee;
 - (b) the property description of the trust land;
 - (c) the name of the model by-law;
 - (d) the purposes and general effect of the model by-law;
 - (e) where the model by-law may be inspected;

- (f) the day the notice is first published under subsection (3)(a);
 - (g) if the model by-law is to be adopted on a day later than the day mentioned in paragraph (f)—the later day.
- (5) The adoption of the model by-law has effect on—
- (a) the day the public notice is first published under subsection (3)(a); or
 - (b) if the public notice states a later day under subsection (4)(g)—the later day.
- (6) While the adoption of the model by-law has effect, the trustee must keep a copy of the public notice available for inspection, free of charge, by members of the public on request.

Division 2 Trustee leases and trustee permits

Subdivision 1 Requirements for trustee permits

5 Requirements for trustee permit—Act, s 60

- (1) For section 60(2) of the Act, this section prescribes the requirements for a trustee permit for the use of the permit land.
- (2) The trustee permit—
 - (a) must not be issued for a part of the trust land that is subject to a trustee lease; and
 - (b) if a management plan for the trust land has been approved under section 48 of the Act—must be consistent with the management plan; and
 - (c) must state the permittee’s permitted use of the permit land; and
 - (d) must not allow the construction of an improvement on the permit land, including the boundary of the land; and

- (e) must not give a right—
 - (i) to renew the permit; or
 - (ii) to be given a more secure tenure over the permit land; and
 - (f) must not allow the permittee to transfer, sublet or mortgage the permittee’s right to use the permit land; and
 - (g) must state any special conditions to which the permit is subject; and
 - (h) must provide for the trustee or the Minister to give the permittee at least 28 days notice of the trustee’s or Minister’s intention to cancel the permit; and
 - (i) must state a process for resolving disputes under the permit.
- (3) Subsection (2)(d) does not prevent or limit the trustee permit providing for the permittee to—
- (a) construct a fence on the boundary of the permit land; or
 - (b) use, maintain or modify an improvement that was on the permit land when the permit was issued.

Subdivision 2 Statutory bodies exemption

6 Statutory body to which rent expenditure limitation does not apply—Act, s 63

For section 63(4)(b) of the Act, a port authority is prescribed.

Subdivision 3 Requirements for trustee leases

7 Requirements for relevant lease—Act, s 64

- (1) For section 64(2) of the Act, this section prescribes the requirements for a relevant lease of trust land issued by a relevant person.
- (2) The relevant lease must state—
 - (a) a number identifying the written authority mentioned in section 64(1) of the Act given to the relevant person; and
 - (b) if the relevant person consists of 2 or more persons—
 - (i) whether the persons hold the relevant lease as joint tenants or tenants in common; and
 - (ii) if the persons hold the relevant lease as tenants in common—the share held by each person; and
 - (c) the name of each party to the relevant lease; and
 - (d) the lot on plan description of the trust land subject to the relevant lease; and
 - (e) if the relevant lease relates to only part of the trust land—the location of the land subject to the relevant lease in relation to the rest of the trust land; and
 - (f) the term of the relevant lease; and
 - (g) when the term of the relevant lease starts; and
 - (h) any special conditions to which the relevant lease is subject; and
 - (i) a process for resolving disputes under the relevant lease.
- (3) In this section—

relevant lease see section 64(5) of the Act.

relevant person see section 64(5) of the Act.

Division 3 Other matters

8 Minimum amount of yearly income for trustee's accounting functions—Act, s 47

For section 47(3) of the Act, the amount prescribed is \$5,000.

Part 3 Matters affecting land holdings

Division 1 Purchase price and valuations for particular purposes

9 Deciding purchase price for particular purposes—Act, ss 109C, 122, 123A and 170

- (1) This section prescribes—
 - (a) for section 109C(4) of the Act, the way the Minister must decide the purchase price for a closed road for amalgamation with adjoining land; and
 - (b) for section 122(3) of the Act, the way the Minister must decide the purchase price for granting unallocated State land under section 122(1) of the Act, other than land mentioned in section 18; and
 - (c) for section 123A(3)(b) of the Act, the way the Minister must decide the purchase price for land granted under section 123A(2) of the Act; and
 - (d) for section 170(1) of the Act, the way the chief executive must, for converting a lease, decide the purchase price for land granted or leased under section 168(1) of the Act.
- (2) The purchase price for the land is an amount equal to the total of—
 - (a) the value of the land under subsection (3); and

- (b) for a forest entitlement area on which there is commercial timber being bought by the lessee or registered owner—the value of the commercial timber worked out under section 14; and
 - (c) for land, other than land mentioned in paragraph (b), on which there is commercial timber—the value of the commercial timber worked out under section 15; and
 - (d) for land to be amalgamated, under section 109(2)(b) of the Act, with land for which there is no reservation of quarry material to the State—the value of any quarry material in the land worked out under section 16; and
 - (e) for land to be amalgamated, by way of a deed of grant under section 122(1) of the Act, with land for which there is no reservation of quarry material to the State—the value of any quarry material in the land worked out under section 16.
- (3) For subsection (2)(a), the value of the land is—
- (a) for land that is lease land subject to a category 11.1 or 11.2 lease—the net present value of the land worked out under section 10; or
 - (b) for other land—the unimproved value of the land, as if it were fee simple, worked out under section 13.

10 Net present value

- (1) For section 9(3)(a), the net present value of land is the amount worked out using the following formula—

$$A \times \left[\frac{1 - \left(1/(1+i)^{30}\right)}{i} \right] + A \times \left[\frac{(1+g)/(i-g)}{(1+i)^{30}} \right]$$

where—

A is the annual rent for the lease of the land worked out by multiplying the unimproved value of the lease land by the percentage rate for the lease as stated in section 35.

i is .050.

g is .025.

- (2) For land the subject of a conversion application, the net present value must be worked out as at the day the chief executive receives the application.

11 Deciding purchase price for land in operational reserve—Act, s 34IA

- (1) For section 34IA(2) of the Act, this section prescribes the way the Minister must decide the purchase price for land in an operational reserve.
- (2) The purchase price of the land is—
- (a) the unimproved value of the land, as if it were fee simple, worked out under section 13; or
 - (b) if the Minister considers it appropriate, having regard to the object of the Act, to decide the purchase price of the land other than under paragraph (a)—another amount the Minister considers is appropriate.

12 Deciding unimproved value of particular land—Act, ss 25, 69 and 127

For sections 25(1), 69(1) and 127(6)(b) of the Act, the Minister must decide the unimproved value of land in the way provided for under section 13(1) to (3) and (5).

13 Working out unimproved value of land

- (1) The unimproved value of land is—
- (a) for land subject to a category 11.1 or 11.2 lease—the rental valuation of the land; or
 - (b) for other land—the amount that an estate in fee simple in the land in an unimproved state would be worth if—

- (i) after proper marketing, there were an exchange between a willing buyer and a willing seller in an arms-length transaction; and
 - (ii) the buyer and seller had acted knowledgeably, prudently and without compulsion.
- (2) Also, the unimproved value of land includes the value of any improvements and development work made by the State to the land, and for which the State has not been paid, before the tenure started or the deed of grant for the land was issued.
- (3) However, the unimproved value of land does not include the value of any commercial timber on the land.
- (4) For deciding the purchase price for land granted or leased under section 168(1) of the Act, the unimproved value of the land is the unimproved value as at the day the chief executive receives a conversion application relating to the land.
- (5) For deciding the purchase price of land in an operational reserve, the unimproved value of the land is the unimproved value as at the day the chief executive receives an application under section 34I(1) of the Act relating to the land.
- (6) To remove any doubt, it is declared that the *Land Valuation Act 2010* does not apply for deciding the unimproved value of land under this section.

14 Value of commercial timber on particular forest entitlement area—Act, s 26B

- (1) For section 26B(6) of the Act, this section prescribes the way the value of the commercial timber on a forest entitlement area must be decided by the Minister.
- (2) The value of the commercial timber is the market value of any of the timber that is the property of the State, other than timber that is a forest product to which a forest consent agreement relates.

15 Value of commercial timber—other land

- (1) This section does not apply in relation to the lessee or registered owner of land buying a forest entitlement area in the land under section 24 of the Act.
- (2) The value of commercial timber on land is the market value of any of the timber that is the property of the State, other than timber that is a forest product to which a forest consent agreement relates, worked out as at the day provided for under subsection (3).
- (3) The market value of the commercial timber must be worked out—
 - (a) if an appeal about the value of the timber has not been made—as at the day the chief executive receives a conversion application relating to the land; or
 - (b) if an appeal about the value of the timber has been made—as at the day the appeal is decided; or
 - (c) if a person has applied to buy the timber—as at the day the person applied; or
 - (d) if the Minister made an offer to sell the timber before the day mentioned in paragraph (c)—as at the day the offer was made.

16 Value of quarry material

- (1) The value of quarry material in land is the market value of any of the quarry material that is the property of the State and could be taken for commercial gain, worked out as at the day provided for under subsection (2).
- (2) The market value of the quarry material must be worked out—
 - (a) if the quarry material is in a road to be amalgamated under section 109(2)(b) of the Act—as at the day the Minister makes the decision about the road under section 109(1) of the Act; or

- (b) if the quarry material is in land to be amalgamated by way of a deed of grant under section 122(1) of the Act—as at the day the Minister makes the decision about the land under section 122(1) of the Act.

17 Deciding cash premium for amalgamating closed road with particular lease land—Act, s 109C

- (1) For section 109C(4) of the Act, this section prescribes the way the Minister must decide the cash premium for leasing a closed road for amalgamation with adjoining land subject to a category 11.1, 11.2, 12.1, 12.2, 13, 14.2 or 16 lease.
- (2) The amount of the cash premium is the amount equal to the minimum rent for the category of the lease for the adjoining lease land.

18 Deciding purchase price for particular grants of unallocated State land—Act, s 122

- (1) For section 122(3) of the Act, this section prescribes the way the Minister must decide the purchase price for granting unallocated State land to—
 - (a) MEDQ under section 122(1) of the Act; or
 - (b) a constructing authority under section 122(2) of the Act.
- (2) The Minister must decide the purchase price for the land in the way the Minister considers appropriate.

19 Appeal against decision on purchase price for conversion

- (1) This section applies if the chief executive—
 - (a) decides to convert a lease by offering a deed of grant to a lessee under section 168(1) of the Act; and
 - (b) decides the purchase price for the conversion of the lease under section 170(1) of the Act (the *purchase price decision*).

- (2) The lessee may appeal against the purchase price decision.

Note—

For appealing against a decision, see chapter 7, part 3 of the Act.

- (3) However, if the purchase price decision relates to an offer of a deed of grant for land that is subject to a category 11.1 or 11.2 lease, the appeal must not relate to the rental valuation of the land subject to the lease.

Note—

A rental valuation is decided by the valuer-general under the *Land Valuation Act 2010* and is used to calculate the unimproved value of lease land for a purchase price under sections 10(1) and 13(1)(a).

- (4) The chief executive must ensure the notice of conditions of the offer given under section 168(1) of the Act is accompanied by or includes an information notice about the purchase price decision.

Division 2 Regulated conditions of tenures

20 Regulated conditions of particular tenures—Act, s 212B

For section 212B(1) of the Act, each condition stated in schedule 1 is a condition of the following tenures—

- (a) a lease, other than a trustee lease;
- (b) a licence;
- (c) a permit to occupy.

Part 4 Rents and instalments

Division 1 Periods for which rents are payable

21 Rental period—Act, sch 6, definition *rental period*

- (1) For schedule 6 of the Act, definition *rental period*, this section prescribes the rental period for a tenure.
- (2) Subject to subsections (3) to (5), the rental period for a tenure is 1 year starting on 1 July.
- (3) If a tenure starts on a day other than 1 July, the first rental period for the tenure is the period starting on the day the tenure starts and ending on the next 30 June.
- (4) If a tenure ends on a day other than 30 June, the last rental period for the tenure is the period starting on the last 1 July before the tenure ends and ending on the day the tenure ends.
- (5) Subsections (2) to (4) do not prevent the rental period for a tenure, for which the annual rent is more than \$2,000, from being divided into quarterly sub-periods starting on 1 July.

Division 2 Categorisation of tenures for rental purposes

Subdivision 1 Rental categories

22 Rental categories of tenures—Act, sch 6, definition *rental category*

- (1) For schedule 6 of the Act, definition *rental category*—

Further assume that the total of the values of all land in the State subject to a category 12.1 tenure for rental period 1 starting on 1 July 2020 is \$8m. Averaging factor 1 for a category 12.1 tenure is 80%.

4 Working out averaging factor 2 for averaged value of land

$$\frac{T_2 \times 100}{T_1}$$

where—
