Chapter 2 Explanation

5 Acknowledgements

This Act acknowledges the following—

- (a) an adult’s right to make decisions is fundamental to the adult’s inherent dignity;
- (b) the right to make decisions includes the right to make decisions with which others may not agree;
- (c) the capacity of an adult to make decisions may differ according to—
 - (i) the type of decision to be made, including, for example, the complexity of the decision to be made; and
 - (ii) the support available from members of the adult’s existing support network;
- (d) the right of an adult with impaired capacity to make decisions should be restricted, and interfered with, to the least possible extent;
- (e) an adult with impaired capacity has a right to adequate and appropriate support for decision-making.

6 Purpose to achieve balance

This Act seeks to strike an appropriate balance between—

- (a) the right of an adult with impaired capacity to the greatest possible degree of autonomy in decision-making; and
- (b) the adult’s right to adequate and appropriate support for decision-making.

7 Way purpose achieved

This Act—

- (a) provides that an adult is presumed to have capacity for a matter; and
- (b) together with the *Powers of Attorney Act 1998*, provides a comprehensive scheme to facilitate the exercise of power for financial matters and personal matters by or for an adult who needs, or may need, another person to exercise power for the adult; and
- (c) states principles to be observed by anyone performing a function or exercising a power under the scheme; and
- (d) encourages involvement in decision-making of the members of the adult's existing support network; and
- (e) confers jurisdiction on the tribunal to administer particular aspects of the scheme; and
- (f) recognises the public trustee is available as a possible administrator for an adult with impaired capacity; and
- (g) provides for the appointment of the public advocate for systemic advocacy.

7A Relationship with Public Guardian Act 2014

This Act is to be read in conjunction with the *Public Guardian Act 2014* which provides for the public guardian and the community visitor program (adult).

8 Relationship with Powers of Attorney Act 1998

- (1) This Act is to be read in conjunction with the *Powers of Attorney Act 1998* which provides a scheme by which—
 - (a) by enduring power of attorney or advance health directive, an adult may authorise other persons to make particular decisions and do particular other things for the adult in relation to financial matters and personal matters at a time when the adult does not have capacity to do those things; and

Note—

Personal matters do not include special personal matters or special health matters—schedule 2, section 2.

- (b) by advance health directive, an adult may make directions for the adult's future health care and special health care; and
 - (c) a statutory health attorney is authorised to do particular things for an adult in particular circumstances in relation to health care.
- (2) If there is an inconsistency between this Act and the *Powers of Attorney Act 1998*, this Act prevails.

9 Range of substitute decision-makers

- (1) This Act and the *Powers of Attorney Act 1998* authorise the exercise of power for a matter for an adult with impaired capacity for the matter.
- (2) Depending on the type of matter involved, this may be done—
 - (a) on an informal basis by members of the adult's existing support network; or

Note—

Although this Act deals primarily with formal substituted decision-making, a decision or proposed decision of an informal decision-maker may be ratified or approved under section 154.

- (b) on a formal basis by 1 of the following—
 - (i) an attorney for personal matters appointed by the adult under an enduring power of attorney or advance health directive under the *Powers of Attorney Act 1998*;
 - (ii) an attorney for financial matters appointed by the adult under an enduring power of attorney under the *Powers of Attorney Act 1998*;
 - (iii) a statutory health attorney under the *Powers of Attorney Act 1998*;
 - (iv) a guardian appointed under this Act;

Note—

A guardian may only be appointed for personal matters.

- (v) an administrator appointed under this Act;

Note—

An administrator may only be appointed for financial matters.

- (vi) the tribunal;

- (vii) the court.

10 Types of matter

This Act categorises matters as follows—

- personal matter
- special personal matter
- special health matter
- financial matter.

Note—

Schedule 2 contains definitions of types of matters.

11 Application of presumption of capacity

- (1) If, in performing a function or exercising a power under this Act, the tribunal or the court is required to make a decision about an adult's capacity for a matter, the tribunal or the court is to presume the adult has capacity for the matter until the contrary is proven.
- (2) If the tribunal or the court has appointed a guardian or an administrator for an adult for a matter, the guardian or administrator is not required to presume the adult has capacity for the matter.
- (3) If a declaration by the tribunal or the court that an adult has impaired capacity for a matter is in force, a person or other entity that performs a function or exercises a power under this

[s 11A]

Act is entitled to rely on the declaration to presume that the adult does not have capacity for the matter.

11A Primary focus—adults

- (1) Adults with impaired capacity are the primary focus of this Act.
- (2) However, chapter 5A deals with children with an impairment.

-
- (3) The principles on which an adult's human rights and fundamental freedoms are based, and that should inform the way those rights and freedoms are taken into account, include—

- (c) an adult's right to participate to the greatest extent practicable in the development of policies, programs and services for people with impaired capacity for a matter.

4 Maintenance of adult's existing supportive relationships

- (1) The importance of maintaining an adult's existing supportive relationships must be taken into account.
- (2) Maintaining an adult's existing supportive relationships may, for example, involve consultation with—
 - (a) the adult, to find out who are the members of the adult's support network; and
 - (b) any persons who have an existing supportive relationship with the adult; and
 - (c) any members of the adult's support network who are making decisions for the adult on an informal basis.

Aboriginal tradition or Island custom, must be taken into account.

6 Respect for privacy

- (1) An adult's privacy must be taken into account and respected.
- (2) An adult's personal information, including health information, must be protected on the same basis as other people's personal information is protected.

7 Liberty and security

- (1) An adult's right to liberty and security on an equal basis with others must be taken into account.
- (2) An adult should not be deprived of the adult's liberty except in accordance with the law.

- (6) An adult is not to be treated as unable to make a decision about a matter unless all practicable steps have been taken to provide the adult with the

9 Performance of functions and exercise of powers

A person or other entity, in performing a function or exercising a power under this Act in relation to an adult, or in making a decision for an adult on an informal basis, must do so—

- (a) in a way that promotes and safeguards the adult's rights, interests and opportunities; and
- (b) in the way that is least restrictive of the adult's rights, interests and opportunities.

10 Structured decision-making

(1) In applying general principle 9, a person or other entity in performing a function or exercising a power under this Act in relation to an adult, or in making a decision for an adult on an informal basis, must adopt the approach set out in subsections (2) to (5).

(2) First, the person or other entity must—

- (a) recognise and preserve, to the greatest extent practicable, the adult's right to make the adult's own decision; and
- (b) if possible, support the adult to make a decision.

(3) Second, the person or other entity must recognise and take into account any views, wishes and preferences expressed or demonstrated by the adult.

(4) Third, if the adult's views, wishes and preferences can not be determined, the person or other entity must use the principle of substituted judgement so that if, from the adult's views, wishes and preferences, expressed or demonstrated when the adult had capacity, it is reasonably practicable to work out what the adult's views, wishes and

preferences would be, the person or other entity must recognise and take into account what the person or other entity considers the adult's views, wishes and preferences would be.

Health care principles

1 Application of general principles

A person or other entity that performs a function or exercises a power under this Act, for a health matter or a special health matter in relation to an adult, must also apply the general principles.

2 Same human rights and fundamental freedoms

In applying general principle 2 to a health matter or special health matter—

- (a) the principle of non-discrimination requires that all adults be offered appropriate health care, including preventative care, without regard to a particular adult's capacity; and

3 **Performance of functions and exercise of powers**

In applying general principles 9 and 10 to a health matter or special health matter, a person or other entity, in performing a function or exercising a power under this Act in relation to an adult, must take into account—

- (f) the consequences for the adult if the proposed health care is not carried out; and
- (g) a consideration of the benefits versus the burdens of the proposed health care; and

- (h) the effect of the proposed health care on the adult's dignity and autonomy.

Division 1A Provisions about appointment for adult who is missing person

27A Obligation to notify tribunal of particular circumstances

- (1) This section applies to an administrator appointed for an adult under section 12A if, during the term of the appointment, the administrator becomes aware—
 - (a) the adult is alive; or
 - (b) the adult has died.
- (2) The administrator must, as soon as practicable after becoming aware a circumstance mentioned in subsection (1)(a) or (b) exists, notify the tribunal in writing of the circumstance.

27B Tribunal must revoke order making appointment

- (1) This section applies in relation to an order appointing an administrator for an adult under section 12A.
- (2) The tribunal must revoke the order if the tribunal is satisfied—
 - (a) the adult is alive; or
 - (b) the adult has died; or
 - (c) the adult may be presumed to be dead.
- (3) The order may be revoked by the tribunal on its own initiative or on the application of the administrator or an interested person.

Division 2 Change or revocation at tribunal review of appointment

28 Periodic review of appointment

- (1) The tribunal must review an appointment of a guardian or administrator (other than the public trustee or a trustee company under the *Trustee Companies Act 1968*)—

- (a) for an appointment made because an adult has impaired capacity for a matter but the tribunal does not consider the impaired capacity is permanent—in accordance with an order of the tribunal, but at least every 5 years; or
 - (b) otherwise—at least every 5 years.
- (2) This section does not apply for a guardian for a restrictive practice matter under chapter 5B.

29 Other review of appointment

- (1) The tribunal may review an appointment of a guardian or administrator for an adult at any time—
- (a) on its own initiative; or
 - (b) for a guardian (other than a guardian for a restrictive practice matter under chapter 5B) or an administrator—on the application of any of the following—
 - (i) the adult;
 - (ii) an interested person for the adult;
 - (iii) the public trustee;
 - (iv) a trustee company under the *Trustee Companies Act 1968*; or
 - (c) for a guardian for a restrictive practice matter under chapter 5B—on the application of any of the following—
 - (i) the adult;
 - (ii) an interested person for the adult;
 - (iii) a relevant service provider providing disability services to the adult;
 - (iv) the chief executive (disability services);
 - (v) the public guardian;

- (vi) if the adult is subject to a forensic order, treatment support order or treatment authority under the *Mental Health Act 2016*—the chief psychiatrist;
 - (vii) if the adult is a forensic disability client—the director of forensic disability.
- (2) However, the tribunal must review the appointment of a guardian for a restrictive practice matter under chapter 5B at least once before the term of the appointment ends.

30 Guardian or administrator to update advice about appropriateness and competence

- (1) For a review of an appointment, the tribunal may require the guardian or administrator to advise the tribunal of anything of which the guardian or administrator—
- (a) has not previously advised the tribunal; and
 - (b) would be required to advise the tribunal under section 16 if the tribunal were considering whether to appoint the guardian or administrator.
- (2) The guardian or administrator must give the advice by statutory declaration or on oath or affirmation if required by the tribunal.

Maximum penalty—40 penalty units.

31 Appointment review process

- (1) The tribunal may conduct a review of an appointment of a guardian or administrator (an *appointee*) for an adult in the way it considers appropriate.
- (2) At the end of the review, the tribunal must revoke its order making the appointment unless it is satisfied it would make an appointment if a new application for an appointment were to be made.
- (3) If the tribunal is satisfied there are appropriate grounds for an appointment to continue, it may either—

- (a) continue its order making the appointment; or
- (b) change its order making the appointment, including, for example, by—
 - (i) changing the terms of the appointment; or
 - (ii) removing an appointee; or
 - (iii) making a new appointment.
- (4) However, the tribunal may make an order removing an appointee, other than the public guardian, only if the tribunal considers—
 - (a) the appointee is no longer competent; or
 - (b) another person is more appropriate for appointment.
- (5) An appointee is no longer competent if, for example—
 - (a) a relevant interest of the adult has not been, or is not being, adequately protected; or
 - (b) the appointee has neglected the appointee's duties or abused the appointee's powers, whether generally or in relation to a specific power; or
 - (c) the appointee is an administrator appointed for a matter involving an interest in land and the appointee fails to advise the registrar of titles of the appointment as required under section 21(1); or
 - (d) the appointee has otherwise contravened this Act.
- (6) The tribunal may make an order removing the public guardian as an appointee if there is an appropriate person mentioned in section 14(1) available for appointment.
- (7) The tribunal may include in its order changing or revoking the appointment of an administrator a provision as to who must pay the titles registry fee for giving or withdrawing the advice of the change or revocation.

32 Tribunal to advise of change, revocation or ending of appointment

- (1) This section applies if—
 - (a) the tribunal changes or revokes the appointment for an adult of a guardian or administrator; or
 - (b) the tribunal is given advice of the ending of an appointment under section 26 or 57.
- (2) The registrar of the tribunal must take reasonable steps to advise the adult and any remaining guardians and administrators of the change, revocation or ending of the appointment.

32A Additional requirements if change, revocation or ending of appointment and interest in land involved

- (1) This section applies if—
 - (a) an administrator was appointed for a matter involving an interest in land; and
 - (b) either—
 - (i) the tribunal changes or revokes the appointment; or
 - (ii) the tribunal is given advice of the ending of the appointment under section 26 or 57.
- (2) The registrar of the tribunal and any remaining administrator appointed for a matter involving an interest in land must, within 3 months of the change, revocation or ending of the appointment, advise the registrar of titles of the change, revocation or ending of the appointment.
- (3) If the registrar of titles receives an advice, the registrar of titles must keep the information contained in the advice in a way that ensures a search of the relevant title reveals the order changing or revoking the appointment has been made or the advice mentioned in subsection (1)(b)(ii) has been given.

Division 3 Directions

32B Directions to former guardian or administrator

- (1) This section applies if an appointment as a guardian or administrator ends under section 26, 27 or 31.
- (2) The tribunal may give directions to the former guardian or administrator that the tribunal considers necessary because of the ending of the appointment.
- (3) The tribunal may give the directions to the former guardian or administrator—
 - (a) if the appointment ends under section 27—when the tribunal gives leave to withdraw as guardian or administrator for a matter; or
 - (b) if the appointment ends under section 31—when the tribunal revokes the order that made the appointment or makes an order removing the guardian or administrator; or
 - (c) in all cases—at any hearing of a proceeding relating to the adult for whom the person was formerly a guardian or administrator.
- (4) However, the directions may relate only to a matter for which the former guardian or administrator was appointed immediately before the appointment ends.

Chapter 4 Functions and powers of guardians and administrators

Part 1 General functions and powers of guardian or administrator

33 Power of guardian or administrator

- (1) Unless the tribunal orders otherwise, a guardian is authorised to do, in accordance with the terms of the guardian's appointment, anything in relation to a personal matter that the adult could have done if the adult had capacity for the matter when the power is exercised.
- (2) Unless the tribunal orders otherwise, an administrator is authorised to do, in accordance with the terms of the administrator's appointment, anything in relation to a financial matter that the adult could have done if the adult had capacity for the matter when the power is exercised.
- (3) For a guardian for a restrictive practice matter under chapter 5B, this section applies subject to sections 80ZE and 80ZF.

34 Apply principles

- (1) A guardian or administrator must apply the general principles.
Note—
See section 11B.
- (2) However, an administrator appointed under section 12A is not required to apply general principles 1, 3, 4, 7, 8 and 10(1) to (3) and (5).
- (3) In making a health care decision, a guardian must also apply the health care principles.

35 Act honestly and with reasonable diligence

A guardian or administrator who may exercise power for an adult must exercise the power honestly and with reasonable diligence to protect the adult's interests.

Maximum penalty—200 penalty units.

36 Act as required by terms of tribunal order

A guardian or administrator who may exercise power for an adult must, when exercising the power, exercise it as required by the terms of any order of the tribunal.

Maximum penalty—200 penalty units.

37 Avoid conflict transaction

- (1) An administrator for an adult may enter into a conflict transaction only if the tribunal has authorised the transaction, conflict transactions of that type or conflict transactions generally.

Note—

See section 152 for the authorisation of conflict transactions by the tribunal.

- (2) A **conflict transaction** is a transaction in which there may be conflict, or which results in conflict, between—
- (a) the duty of an administrator towards the adult; and
 - (b) either—
 - (i) the interests of the administrator or a person in a close personal or business relationship with the administrator; or
 - (ii) another duty of the administrator.

Examples—

- 1 A conflict transaction happens if an adult's administrator buys the adult's car.
- 2 A conflict transaction happens if an adult's administrator lends the adult's money to a close friend of the administrator.

[s 37]

- 3 A conflict transaction happens if an adult's administrator rents the adult's residential property to the administrator or a relative of the administrator.
 - 4 A conflict transaction happens if an adult's administrator uses the adult's money to pay the personal expenses of the administrator, including, for example, the administrator's personal travel expenses.
 - 5 A conflict transaction happens if an adult's administrator buys the adult's house.
 - 6 A conflict transaction does not happen if an adult's administrator is acting under section 55 to maintain the adult's dependants.
- (3) However, a transaction is not a conflict transaction merely because—
- (a) the administrator is related to the adult; or
 - (b) the administrator may be a beneficiary of the adult's estate on the adult's death; or
 - (c) by the transaction the administrator in the administrator's own right and on behalf of the adult—
 - (i) deals with an interest in property jointly held; or
 - (ii) acquires a joint interest in property; or
 - (iii) obtains a loan or gives a guarantee or indemnity in relation to a transaction mentioned in subparagraph (i) or (ii).
- (4) Also, to remove any doubt, it is declared that the making of a gift or donation under section 54 is not a conflict transaction.
- (5) A conflict transaction between an administrator and a person who does not know, or have reason to believe, the transaction is a conflict transaction is, in favour of the person, as valid as if the transaction were not a conflict transaction.
- (6) In this section—
- joint interest*** includes an interest as a joint tenant or tenant in common.

38 Multiple guardians or administrators are joint if not otherwise stated

Two or more guardians or administrators for a matter are appointed as joint guardians or joint administrators for the matter if the tribunal does not order otherwise.

39 Act together with joint guardians or administrators

- (1) Guardians or administrators for an adult who may exercise power for a matter jointly must exercise the power unanimously.
- (2) If it is impracticable or impossible to exercise the power unanimously, 1 or more of the guardians or administrators, or another interested person for the adult, may apply for directions to the tribunal.

40 Consult with adult's other appointees or attorneys

- (1) If there are 2 or more persons who are guardian, administrator or attorney for an adult, the persons must consult with one another on a regular basis to ensure the adult's interests are not prejudiced by a breakdown in communication between them.
- (2) However, failure to comply with subsection (1) does not affect the validity of an exercise of power by a guardian, administrator or attorney.
- (3) In this section—
attorney means an attorney under an enduring document or a statutory health attorney.

41 Disagreement about matter other than health matter

- (1) If—
 - (a) a guardian, administrator or attorney for an adult disagrees with another person who is a guardian, administrator or attorney for the adult about the way

[s 42]

power for a matter, other than a health matter, should be exercised; and

- (b) the disagreement can not be resolved by mediation by the public guardian;

the public guardian or any person mentioned in paragraph (a) may apply for directions to the tribunal.

- (2) In this section—

attorney means an attorney under an enduring document.

42 Disagreement about health matter

- (1) If there is a disagreement about a health matter for an adult and the disagreement can not be resolved by mediation by the public guardian, the public guardian may exercise power for the health matter.

- (b) a disagreement between or among 2 or more eligible statutory health attorneys for an adult about which of

them should be the adult's statutory health attorney or how power for the health matter should be exercised.

eligible statutory health attorneys are persons eligible to be an adult's statutory health attorney under the *Powers of Attorney Act 1998*, section 63(1)(a), (b) or (c).

43 Acting contrary to general principles or health care principles

- (1) If a guardian or attorney for a health matter for an adult—
 - (a) refuses to make a decision about the health matter for the adult and the refusal is contrary to the general principles or the health care principles; or
 - (b) makes a decision about the health matter for the adult and the decision is contrary to the general principles or the health care principles;

the public guardian may exercise power for the health matter.

- (2) If the public guardian exercises power under this section, the public guardian must advise the tribunal in writing of the following details—
 - (a) the name of the adult;
 - (b) the name of the guardian or attorney;
 - (c) a statement as to why the refusal or decision is contrary to the general principles or the health care principles;
 - (d) the decision made by the public guardian.

- (3) In this section—

44 Right of guardian or administrator to information

- (1) A guardian or administrator who has power for a matter for an adult has a right to all the information the adult would have

[s 45]

been entitled to if the adult had capacity and which is necessary to make an informed exercise of the power.

- (2) At the guardian's or administrator's request, a person who has custody or control of the information must give the information to the guardian or administrator, unless the person has a reasonable excuse.
- (3) If a person who has custody or control of the information does not comply with a request by a guardian or administrator to give information, the tribunal may, on application by the guardian or administrator, order the person to give the information to the guardian or administrator.
- (4) If the tribunal orders a person to give information to the guardian or administrator, the person must comply with the order, unless the person has a reasonable excuse.
- (5) It is a reasonable excuse for a person to fail to give information because giving the information might tend to incriminate the person.
- (6) Subject to subsection (5), this section overrides—
 - (a) any restriction, in an Act or the common law, about the disclosure or confidentiality of information; and
 - (b) any claim of confidentiality or privilege, including a claim based on legal professional privilege.

45 Execution of instrument etc.

- (1) If necessary or convenient for the exercise of power given to a guardian or administrator (the *appointee*), the appointee may—
 - (a) execute an instrument with the appointee's own signature or, if sealing is required or used, with the appointee's own seal; and
 - (b) do any other thing in the appointee's own name.
- (2) An instrument executed by an appointee must be executed in a way showing the appointee executes it as guardian or administrator for the adult.

-
- (3) An instrument executed, or thing done, in the way mentioned in this section is as effective as if executed or done by the adult—
- (a) with the adult’s signature; or
 - (b) with the adult’s signature and seal; or
 - (c) in the adult’s name.
- (4) This section applies subject to the *Property Law Act 1974*, section 46F.

46 Implied power to execute a deed

If a tribunal order gives a guardian or administrator power to do a thing, the guardian or administrator is given power to execute a deed to do the thing.

47 Payment of expenses

A guardian or administrator for an adult is entitled to reimbursement from the adult of the reasonable expenses incurred in acting as guardian or administrator.

48 Remuneration of professional administrators

- (1) An administrator for an adult is entitled to remuneration from the adult if the tribunal makes an order that the administrator is to be remunerated by the adult.
- (2) The tribunal may make an order under subsection (1) only if the administrator carries on a business providing professional services.
- (3) The remuneration may not be more than the amount the tribunal considers fair and reasonable, having regard to—
- (a) the nature and complexity of the service; and
 - (b) the care, skill and specialised knowledge required to provide the service; and
 - (c) the responsibility displayed in providing the service; and

- (3) Subsection (1) does not affect another obligation imposed by law.

51 Power to invest and continue investments

- (1) This section applies if an administrator for an adult has power to invest.
- (2) The administrator may invest only in authorised investments.
- (3) However, if, when the administrator is appointed, the adult had investments that were not authorised investments, the administrator may continue the investments, including by taking up rights to issues of new shares, or options for new shares, to which the adult becomes entitled by the adult's existing shareholding.

54 Gifts and donations

- (1) Unless the tribunal orders otherwise, an administrator for an adult may give away or donate the adult's property only if—

55 Maintain adult's dependants

- (1) An administrator for an adult may provide from the adult's estate for the needs of a dependant of the adult.

- (2) However, unless the tribunal orders otherwise, what is provided must not be more than what is reasonable having regard to all the circumstances and, in particular, the adult's financial circumstances.

- (a) the tribunal gives power for a matter to a guardian or administrator; and
 - (b) the power is changed.
- (2) The guardian or administrator who, without knowing of the change, purports to exercise power for the matter does not incur any liability, either to the adult or anyone else, because of the change.
- (3) A transaction between—
- (a) the guardian or administrator who purports to exercise power for the matter; and

 - (a) a guardian or administrator is, or may be, personally liable for a contravention of this Act; and
 - (b) the guardian or administrator has acted honestly and reasonably and ought fairly to be excused for the contravention.
- (2) The court may relieve the guardian or administrator of all or part of the guardian's or administrator's personal liability for the contravention.

 - (b) to account for any profits the appointee has accrued as a result of the appointee's failure to comply with this Act in the exercise of a power.
- (2) However, the tribunal or court may not order the appointee to make a payment under both subsection (1)(a) and (b) in relation to the same exercise of power.

60 Power to apply to court for compensation for loss of benefit in estate

- (1) This section applies if a person's benefit in an adult's estate under the adult's will, on intestacy, or by another disposition taking effect on the adult's death, is lost because of a sale or other dealing with the adult's property by an administrator of the adult.
- (2) This section applies even if the person whose benefit is lost is the administrator by whose dealing the benefit is lost.
- (3) The person, or the person's personal representative, may apply to the court for compensation out of the adult's estate.

Editor's note—

Court means the Supreme Court—see schedule 4 (Dictionary).

- (2) The beneficiary has the same interest in any surplus money or other property (*the proceeds*) arising from a sale, mortgage, charge, disposition of, or other dealing with, property under the powers given to an administrator as the beneficiary would have had in the property sold, mortgaged, charged, disposed of or otherwise dealt with, if the sale, mortgage, charge, disposition or other dealing had not happened.

[s 60B]

- (a) any money or other property that is able to be traced as income generated by the proceeds; and

Chapter 5 Health matters and special health matters

Part 1 Philosophy and purpose

61 Purpose to achieve balance for health care

This chapter seeks to strike a balance between—

- (a) ensuring an adult is not deprived of necessary health care only because the adult has impaired capacity for a health matter or special health matter; and
- (b) ensuring health care is given to the adult only if it is appropriate in all the circumstances.

Note—

See also the general principles and health care principles set out in sections 11B and 11C.

Part 2 **Scheme for health care and special health care**

Division 1 **Health care—no consent**

62 **Division's scope**

This division deals with when health care, other than special health care, may be carried out without consent.

63 **Urgent health care**

- (1) Health care, other than special health care, of an adult may be carried out without consent if the adult's health provider reasonably considers—
 - (a) the adult has impaired capacity for the health matter concerned; and
 - (b) either—
 - (i) the health care should be carried out urgently to meet imminent risk to the adult's life or health; or
 - (ii) the health care should be carried out urgently to prevent significant pain or distress to the adult and it is not reasonably practicable to get consent from a person who may give it under this Act or the *Powers of Attorney Act 1998*.
- (2) However, the health care mentioned in subsection (1)(b)(i) may not be carried out without consent if the health provider knows the adult objects to the health care in an advance health directive.
- (3) However, the health care mentioned in subsection (1)(b)(ii) may not be carried out without consent if the health provider knows the adult objects to the health care unless—
 - (a) the adult has minimal or no understanding of 1 or both of the following—

-
- (i) what the health care involves;
 - (ii) why the health care is required; and
 - (b) the health care is likely to cause the adult—
 - (i) no distress; or
 - (ii) temporary distress that is outweighed by the benefit to the adult of the health care.
 - (4) The health provider must certify in the adult’s clinical records as to the various things enabling the health care to be carried out because of this section.
 - (5) In this section—

health care, of an adult, does not include withholding or withdrawal of a life-sustaining measure for the adult.

63A Life-sustaining measure in an acute emergency

- (1) A life-sustaining measure may be withheld or withdrawn for an adult without consent if the adult’s health provider reasonably considers—
 - (a) the adult has impaired capacity for the health matter concerned; and
 - (b) the commencement or continuation of the measure for the adult would be inconsistent with good medical practice; and
 - (c) consistent with good medical practice, the decision to withhold or withdraw the measure must be taken immediately.
- (2) However, the measure may not be withheld or withdrawn without consent if the health provider knows the adult objects to the withholding or withdrawal.

Editor’s note—

Object is defined in schedule 4 (Dictionary).

- (3) The health provider must certify in the adult’s clinical records as to the various things enabling the measure to be withheld or withdrawn because of this section.

- (4) For this section, artificial nutrition and hydration is not a *life-sustaining measure*.

64 Minor, uncontroversial health care

- (1) Health care, other than special health care, of an adult may be carried out without consent if the adult's health provider—
- (a) reasonably considers the adult has impaired capacity for the health matter concerned; and
 - (b) reasonably considers the health care is—
 - (i) necessary to promote the adult's health and wellbeing; and
 - (ii) of the type that will best promote the adult's health and wellbeing; and
 - (iii) minor and uncontroversial; and
 - (c) does not know, and can not reasonably be expected to know, of—
 - (i) a decision about the health care made by a person who is able to make the decision under this Act or the *Powers of Attorney Act 1998*; or
 - (ii) any dispute among persons the health provider reasonably considers have a sufficient and continuing interest in the adult about—
 - (A) the carrying out of the health care; or
 - (B) the capacity of the adult for the health matter.
- Examples of minor and uncontroversial health care mentioned in paragraph (b)(iii)—*
- the administration of an antibiotic requiring a prescription
 - the administration of a tetanus injection
- (2) However, the health care may not be carried out without consent if the health provider knows, or could reasonably be expected to know, the adult objects to the health care.

- (3) The health provider must certify in the adult's clinical records as to the various things enabling the health care to be carried out because of this section.

Division 2 Health care and special health care—consent

65 Adult with impaired capacity—order of priority in dealing with special health matter

- (1) If an adult has impaired capacity for a special health matter, the matter may only be dealt with under the first of the following subsections to apply.
- (2) If the adult has made an advance health directive giving a direction about the matter, the matter may only be dealt with under the direction.
- (3) If subsection (2) does not apply and an entity other than the tribunal is authorised to deal with the matter, the matter may only be dealt with by the entity.
- (4) If subsections (2) and (3) do not apply and the tribunal has made an order about the matter, the matter may only be dealt with under the order.

Note—

However, the tribunal may not consent to electroconvulsive therapy or a non-ablative neurosurgical procedure—see section 68(1).

66 Adult with impaired capacity—order of priority in dealing with health matter

- (1) If an adult has impaired capacity for a health matter, the matter may only be dealt with under the first of the following subsections to apply.
- (2) If the adult has made an advance health directive giving a direction about the matter, the matter may only be dealt with under the direction.

- (3) If subsection (2) does not apply and the tribunal has appointed 1 or more guardians for the matter or made an order about the matter, the matter may only be dealt with by the guardian or guardians or under the order.

Note—

If, when appointing the guardian or guardians, the tribunal was unaware of the existence of an enduring document giving power for the matter to an attorney, see section 23 (Appointment without knowledge of enduring document), particularly subsection (2).

- (4) If subsections (2) and (3) do not apply and the adult has made 1 or more enduring documents appointing 1 or more attorneys for the matter, the matter may only be dealt with by the attorney or attorneys for the matter appointed by the most recent enduring document.
- (5) If subsections (2) to (4) do not apply, the matter may only be dealt with by the statutory health attorney.
- (6) This section does not apply to a health matter relating to health care that may be carried out without consent under division 1.

66A When consent to withholding or withdrawal of life-sustaining measure may operate

- (1) This section applies if a matter concerning the withholding or withdrawal of a life-sustaining measure is to be dealt with under section 66(3), (4) or (5).

Note—

If a matter concerning the withholding or withdrawal of a life-sustaining measure is to be dealt with under section 66(2), see the *Powers of Attorney Act 1998*, section 36(2) (Operation of advance health directive) as to when a direction to withhold or withdraw a life-sustaining measure can operate.

- (2) A consent to the withholding or withdrawal of a life-sustaining measure for the adult can not operate unless the adult's health provider reasonably considers the commencement or continuation of the measure for the adult would be inconsistent with good medical practice.

66B Certificate in clinical records if life-sustaining measure withheld or withdrawn

- (1) This section applies if a life-sustaining measure is withheld or withdrawn for an adult other than because of section 63A.
- (2) The adult's health provider must certify in the adult's medical records as to the various things enabling the measure to be withheld or withdrawn because of—
 - (a) for a withholding or withdrawal under a direction in the adult's advance health directive—section 66(2) and the *Powers of Attorney Act 1998*, section 36; or
 - (b) for a withholding or withdrawal by consent—section 66(3), (4) or (5) and section 66A.

67 Effect of adult's objection to health care

- (1) Generally, the exercise of power for a health matter or special health matter is ineffective to give consent to health care of an adult if the health provider knows, or ought reasonably to know, the adult objects to the health care.

Note—

Object is defined in schedule 4 (Dictionary). Note also the *Powers of Attorney Act 1998*, section 35(2)(a) (Advance health directives) provides that 'by an advance health directive [a] principal may give a direction—

- (a) consenting, in the circumstances specified, to particular future health care of the principal when necessary and despite objection by the principal when the health care is provided'.
- (2) However, the exercise of power for a health matter or special health matter is effective to give consent to the health care despite an objection by the adult to the health care if—
 - (a) the adult has minimal or no understanding of 1 of the following—
 - (i) what the health care involves;
 - (ii) why the health care is required; and
 - (b) the health care is likely to cause the adult—

- (i) no distress; or
 - (ii) temporary distress that is outweighed by the benefit to the adult of the proposed health care.
- (3) Subsection (2) does not apply to the following health care—
- (a) removal of tissue for donation;
 - (b) participation in special medical research or experimental health care or approved clinical research.

Part 3 Consent to special health care

68 Special health care

- (1) The tribunal may, by order, consent to special health care, other than electroconvulsive therapy or a non-ablative neurosurgical procedure, for an adult.
- (2) To the extent another entity is authorised by an Act to make a decision for an adult about prescribed special health care, the tribunal does not have power to make the decision.

Note—

For the application of the general principles and the health care principles to the tribunal and to an entity authorised by an Act to make a decision for an adult about prescribed special health care, see sections 11B and 11C.

68A Tribunal to consult in making decision about special health care

In deciding whether to consent to special health care for an adult, the tribunal must, to the greatest extent practicable, seek and take into account the views of—

- (a) a guardian appointed by the tribunal for the adult; or
- (b) if there is no guardian mentioned in paragraph (a), an attorney for a health matter appointed by the adult; or

-
- (c) if there is no guardian or attorney mentioned in paragraph (a) or (b), the statutory health attorney for the adult.

69 Donation of tissue

- (1) The tribunal may consent, for an adult with impaired capacity for the special health matter concerned, to removal of tissue from the adult for donation to another person only if the tribunal is satisfied—
 - (a) the risk to the adult is small; and
 - (b) the risk of failure of the donated tissue is low; and
 - (c) the life of the proposed recipient would be in danger without the donation; and
 - (d) no other compatible donor is reasonably available; and
 - (e) there is, or has been, a close personal relationship between the adult and proposed recipient.
- (2) The tribunal may not consent if the adult objects to the removal of tissue for donation.

Note—

Section 67, which effectively enables an adult's objection to be overridden in some cases, does not apply.

- (3) If the tribunal consents to removal of tissue for donation, the tribunal's order must specify the proposed recipient.

70 Sterilisation

- (1) The tribunal may consent, for an adult with impaired capacity for the special health matter concerned, to sterilisation of the adult only if the tribunal is satisfied—
 - (a) one of the following applies—
 - (i) the sterilisation is medically necessary;

- (ii) the adult is, or is likely to be, sexually active and there is no method of contraception that could reasonably be expected to be successfully applied;
 - (iii) if the adult is female—the adult has problems with menstruation and cessation of menstruation by sterilisation is the only practicable way of overcoming the problems; and
 - (b) the sterilisation can not reasonably be postponed; and
 - (c) the adult is unlikely, in the foreseeable future, to have capacity for decisions about sterilisation.
- (2) Sterilisation is not medically necessary if the sterilisation is—
- (a) for eugenic reasons; or
 - (b) to remove the risk of pregnancy resulting from sexual abuse.
- (3) Also, in deciding whether to consent for the adult to a sterilisation procedure, the tribunal must take into account—
- (a) alternative forms of health care, including other sterilisation procedures, available or likely to become available in the foreseeable future; and
 - (b) the nature and extent of short-term, or long-term, significant risks associated with the proposed procedure and available alternative forms of health care, including other sterilisation procedures.
- (4) An adult’s sterilisation, to which the tribunal has consented for the adult, is not unlawful.

71 Termination of pregnancy

- (1) The tribunal may consent, for an adult with impaired capacity for the special health matter concerned, to termination of the adult’s pregnancy only if the tribunal is satisfied the termination may be performed by a medical practitioner under the *Termination of Pregnancy Act 2018*.

- (2) Termination of an adult's pregnancy, to which the tribunal has consented for the adult, is not unlawful.

72 Special medical research or experimental health care

- (1) The tribunal may consent, for an adult with impaired capacity for the special health matter concerned, to the adult's participation in special medical research or experimental health care relating to a condition the adult has or to which the adult has a significant risk of being exposed only if the tribunal is satisfied about the following matters—
- (a) the special medical research or experimental health care is approved by an ethics committee;
 - (b) the risk and inconvenience to the adult and the adult's quality of life is small;
 - (c) the special medical research or experimental health care may result in significant benefit to the adult;
 - (d) the potential benefit can not be achieved in another way.

Note—

Special medical research or experimental health care does not include—

- (a) psychological research; or
 - (b) approved clinical research—see schedule 2, section 12(2).
- (2) The tribunal may consent, for an adult with impaired capacity for the matter, to the adult's participation in special medical research or experimental health care intended to gain knowledge that can be used in the diagnosis, maintenance or treatment of a condition the adult has or has had only if the tribunal is satisfied about the following matters—
- (a) the special medical research or experimental health care is approved by an ethics committee;
 - (b) the risk and inconvenience to the adult and the adult's quality of life is small;

[s 73]

- (c) the special medical research or experimental health care may result in significant benefit to the adult or other persons with the condition;
 - (d) the special medical research or experimental health care can not reasonably be carried out without a person who has or has had the condition taking part;
 - (e) the special medical research or experimental health care will not unduly interfere with the adult's privacy.
- (3) The tribunal may not consent to the adult's participation in special medical research or experimental health care if—
- (a) the adult objects to the special medical research or experimental health care; or
- Note—*
- Section 67, which effectively enables an adult's objection to be overridden in some cases, does not apply.
- (b) the adult, in an enduring document, indicated unwillingness to participate in the special medical research or experimental health care.

73 Prescribed special health care

- (1) Subject to section 68(2), the tribunal may consent, for an adult with impaired capacity for the special health matter concerned, to the adult having prescribed special health care.
- (2) The tribunal may consent only if it is satisfied of the matters prescribed under a regulation.

74 Subsequent special health care for adult

- (1) If the tribunal consents to special health care for an adult, the tribunal may appoint 1 or more persons who are eligible for appointment as a guardian or guardians for the adult and give the guardian or guardians power to consent for the adult to—
 - (a) continuation of the special health care; or

-
- (b) the carrying out on the adult of similar special health care.
- (2) The appointment order may include a declaration, order, direction, recommendation, or advice about how the power given is to be used.
- (3) The appointment order may be changed by the tribunal on its own initiative or on the application of an interested person.
- (4) In deciding whether to consent, a guardian must apply the general principles and the health care principles.

Part 3A Clinical research

74A What is *clinical research*

- (1) *Clinical research* is—
- (a) medical research intended to diagnose, maintain or treat a condition affecting the participants in the research; or
- (b) a trial of drugs, devices, biologicals or techniques involving the carrying out of health care that may include giving placebos to some of the participants in the trial.
- (2) However, a comparative assessment of health care already proven to be beneficial is not medical research.

Examples—

- a comparative assessment of the effects of different forms of administration of a drug proven to be beneficial in the treatment of a condition, for example, a continuous infusion, as opposed to a once-a-day administration of the drug
- a comparative assessment of the angle at which to set a tilt-bed to best assist an adult's breathing

74B What is *approved clinical research*

Approved clinical research is clinical research approved by the tribunal.

74C Approval of clinical research

- (1) The tribunal may approve clinical research only if the tribunal is satisfied—
 - (a) the clinical research is approved by an ethics committee; and
 - (b) any drugs, devices, biologicals or techniques to be trialled in the clinical research are intended to diagnose, maintain or treat a condition affecting the participants in the research; and
 - (c) the clinical research will not involve any known substantial risk to participants or, if there is existing health care for the particular condition, the research will not involve known material risk to the participants greater than the risk associated with the existing health care; and
 - (d) the development of any drugs, devices, biologicals or techniques to be trialled in the clinical research has reached a stage at which safety and ethical considerations make it appropriate for the drugs, devices, biologicals or techniques to be made available to participants in the research despite the participants being unable to consent to participation; and
 - (e) having regard to the potential benefits and risks of participation in the clinical research, on balance it is not adverse to the interests of participants in the research to participate.
- (2) The fact the drugs, devices, biologicals or techniques to be trialled in the clinical research will or may involve giving placebos to some of the participants in the research does not prevent the tribunal being satisfied it is, on balance, not adverse to the interests of the participants to participate.
- (3) The tribunal's approval of clinical research does not operate as a consent to the participation in the clinical research of any particular person.

Part 4 **Other provisions about health care**

75 **Use of force**

A health provider and a person acting under the health provider's direction or supervision may use the minimum force necessary and reasonable to carry out health care authorised under this Act.

76 **Health providers to give information**

- (1) The purpose of this section is to ensure—
 - (a) a guardian or attorney who has power for a health matter for an adult has all the information necessary to make an informed exercise of the power; and
 - (b) the tribunal, in deciding whether to consent to special health care for an adult with impaired capacity for a special health matter, has all the information necessary to make an informed decision.
- (2) At the guardian's or attorney's request, a health provider who is treating, or has treated, the adult must give information to the guardian or attorney unless the health provider has a reasonable excuse.
- (3) At the tribunal's request, a health provider who is treating, or has treated, the adult must give information to the tribunal unless the health provider has a reasonable excuse.
- (4) The information to be given by a health provider who is treating, or has treated, the adult includes information about—
 - (a) the nature of the adult's condition at the time of the treatment; and
 - (b) the particular form of health care being, or that was, carried out; and
 - (c) the reasons why the particular form of health care is being, or was, carried out; and

- (d) the alternative forms of health care available for the condition at the time of the treatment; and
 - (e) the general nature and effect of each form of health care at the time of the treatment; and
 - (f) the nature and extent of short-term, or long-term, significant risks associated with each form of health care; and
 - (g) for a health provider who is treating the adult—the reasons why it is proposed a particular form of health care should be carried out.
- (5) If a health provider does not comply with a request by a guardian or attorney to give information, the tribunal may, on application by the guardian or attorney, order the health provider to give the information to the guardian or attorney.
- (6) If the tribunal orders a health provider to give information, the health provider must comply with the order, unless the health provider has a reasonable excuse.
- (7) It is a reasonable excuse for a health provider to fail to give information because giving the information might tend to incriminate the health provider.
- (8) Subject to subsection (7), this section overrides—
- (a) any restriction, in an Act or the common law, about the disclosure or confidentiality of information; and
 - (b) any claim of confidentiality or privilege.
- (9) This section does not limit—
- (a) a guardian’s right to information under section 44; or
 - (b) the tribunal’s right to information under section 130; or
 - (c) an attorney’s right to information under the *Powers of Attorney Act 1998*, section 81.
- (10) In this section—
- attorney** means an attorney under an enduring document or a statutory health attorney.

77 Protection of health provider

- (1) To the extent a health provider giving health care to an adult complies with a purported exercise of power for a health matter or special health matter by a person who represented to the health provider that the person had the right to exercise the power, the health provider is taken to have the adult's consent to the exercise of power.
- (2) Subsection (1) does not apply if the health provider knew, or could reasonably be expected to have known, the person did not have the right to exercise the power.

78 Offence to exercise power for adult if no right to do so

It is an offence for a person who knows he or she has no right to exercise power for a health matter or special health matter for an adult, or who is recklessly indifferent about whether he or she has a right to exercise power for a health matter or special health matter for the adult, to—

- (a) purport to exercise power for a health matter or special health matter for the adult; or
- (b) represent to a health provider for the adult that the person has a right to exercise power for a health matter or special health matter for the adult.

Maximum penalty—

- (a) for special health matter—300 penalty units; or
- (b) for health matter—200 penalty units.

79 Offence to carry out health care unless authorised

- (1) It is an offence for a person to carry out health care of an adult with impaired capacity for the health matter concerned unless—
 - (a) this or another Act provides the health care may be carried out without consent; or

Note—

See sections 63 (Urgent health care), 63A (Life-sustaining measure in an acute emergency) and 64 (Minor, uncontroversial health care).

- (b) consent to the health care is given under this or another Act; or
- (c) the health care is authorised by an order of the court made in its *parens patriae* jurisdiction.

Note—

Court means the Supreme Court—see schedule 4 (Dictionary). The *parens patriae* jurisdiction is based on the need to protect those who lack the capacity to protect themselves. It allows the Supreme Court to appoint decision-makers for people who, because of mental illness, intellectual disability, illness, accident or old age, are unable to adequately safeguard their own interests.

Maximum penalty—

- (a) if special health care is carried out—300 penalty units; or
 - (b) if other health care is carried out—200 penalty units.
- (2) This section has effect despite the Criminal Code, section 282.

80 No less protection than if adult gave health consent

A person carrying out health care of an adult that is authorised by this or another Act is not liable for an act or omission to any greater extent than if the act or omission happened with the adult's consent and the adult had capacity to consent.

Chapter 5A Consent to sterilisation of child with impairment

Part 1 Preliminary

80A Definitions for ch 5A

In this chapter—

active party see section 80K.

alternative forms of health care includes menstrual management strategies and alternative forms of sterilisation.

chapter 5A application means an application under this chapter for consent to the sterilisation of a child with an impairment.

Note—

Child, if age rather than descendance is relevant, means an individual who is under 18—*Acts Interpretation Act 1954*, schedule 1 (Meaning of commonly used words and expressions).

child representative see section 80L.

health care, of a child, is care or treatment of, or a service or a procedure for, the child—

80B Sterilisation

- (1) ***Sterilisation*** is health care of a child who is, or is reasonably likely to be, fertile that is intended, or reasonably likely, to make the child, or to ensure the child is, permanently infertile.

Examples of sterilisation—

endometrial ablation, hysterectomy, tubal ligation and vasectomy

- (2) However, sterilisation does not include health care without which an organic malfunction or disease of the child is likely to cause serious or irreversible damage to the child's physical health.

Example—

If the child has cancer affecting the reproductive system and, without the health care, the cancer is likely to cause serious or irreversible damage to the child's physical health, the health care is not sterilisation.

Part 2 Consent by tribunal

80C When tribunal may consent and effect of consent

- (1) On an application made under part 3, the tribunal may, by order, consent to the sterilisation of a child with an impairment.
- (2) The tribunal may consent to the sterilisation only if the tribunal is satisfied the sterilisation is in the best interests of the child.
- (3) A child's sterilisation, to which the tribunal has consented, is not unlawful.

80D Whether sterilisation is in child's best interests

- (1) The sterilisation of a child with an impairment is in the child's best interests only if—
- (a) one or more of the following applies—
- (i) the sterilisation is medically necessary;

-
- (ii) the child is, or is likely to be, sexually active and there is no method of contraception that could reasonably be expected to be successfully applied;
 - (iii) if the child is female—the child has problems with menstruation and cessation of menstruation by sterilisation is the only practicable way of overcoming the problems; and
- (b) the child’s impairment results in a substantial reduction of the child’s capacity for communication, social interaction and learning; and
 - (c) the child’s impairment is, or is likely to be, permanent and there is a reasonable likelihood, when the child turns 18, the child will have impaired capacity for consenting to sterilisation; and
 - (d) the sterilisation can not reasonably be postponed; and
 - (e) the sterilisation is otherwise in the child’s best interests.
- (2) Sterilisation is not in the child’s best interests if the sterilisation is—
- (a) for eugenic reasons; or
 - (b) to remove the risk of pregnancy resulting from sexual abuse.
- (3) In deciding whether the sterilisation is in the child’s best interests, the tribunal must—
- (a) ensure the child is treated in a way that respects the child’s dignity and privacy; and
 - (b) do each of the following—
 - (i) in a way that has regard to the child’s age and impairment, seek the child’s views and wishes and take them into account;
 - (ii) to the greatest extent practicable, seek the views of each of the following persons and take them into account—
 - (A) any parent or guardian of the child;

- (B) if a parent or guardian is not the child's primary carer, the child's primary carer;
 - (C) the child representative for the child;
 - (iii) take into account the information given by any health provider who is treating, or has treated, the child; and
- (c) take into account—
 - (i) the wellbeing of the child; and
 - (ii) alternative forms of health care that have proven to be inadequate in relation to the child; and
 - (iii) alternative forms of health care that are available, or likely to become available, in the foreseeable future; and
 - (iv) the nature and extent of short-term, or long-term, significant risks associated with the proposed sterilisation and available alternative forms of health care.
- (4) The child's views and wishes may be expressed in the following ways—
 - (a) orally;
 - (b) in writing;
 - (c) in another way including, for example, by conduct.

Chapter 5B Restrictive practices

Part 1 Preliminary

80R Application of ch 5B

This chapter applies to an adult with an intellectual or cognitive disability who receives disability services from a relevant service provider.

80S Purpose of ch 5B

- (1) The purpose of this chapter is to enable the tribunal to—
 - (a) give approval for a relevant service provider to contain or seclude an adult, and to review the approval; and
 - (b) if the tribunal has given, or proposes to give, an approval mentioned in paragraph (a) in relation to an adult—give approval for a relevant service provider to use restrictive practices other than containment or seclusion in relation to the adult, and to review the approval; and

- (c) appoint a guardian for a restrictive practice matter for an adult, and to review the appointment.
- (2) Also, this chapter—
 - (a) enables the public guardian to approve the use of particular restrictive practices on a short-term basis; and
 - (b) provides criteria for guardians for a restrictive practice matter and informal decision-makers for deciding whether to consent to the use of particular restrictive practices.

80T Effect of ch 5B on substitute decision-maker's ability to make health care decision

This chapter does not limit the extent to which a substitute decision-maker is authorised under a provision of this Act or the *Powers of Attorney Act 1998* to make a health care decision in relation to an adult to whom this chapter does not apply.

- (5) For subsections (3) and (4)(a)(i) and (b), sections 80V(2)(a) to (g) and 80W apply as if a reference in the sections to containing or secluding the adult were a reference to using the other restrictive practice in relation to the adult.
