- (2) Schedule 2 applies to the nomination and election.

Part 4 Miscellaneous

9 Cost of improvements—Act, s 37(2)(g)(i)

For section 37(2)(g)(i) of the Act, the prescribed amount, for the cost of improvements made to common property, is the amount worked out by using the formula—

$$\$PA = 2,000 \times L$$

where—

L means the number of lots the subject of the plan that includes the common property.

PA means the prescribed amount in dollars.

10 Retaining records—Act, s 38D(1)(b)

For section 38D(1)(b) of the Act, the prescribed time is—

- (a) for minutes of meetings of a body corporate—until the day the plan whose registration incorporated the body corporate is extinguished under section 25(1) of the Act; and
- (b) for books of account of a body corporate—6 years after the day a statement of accounts prepared from the books of account is adopted by a general meeting of the body corporate.

11 Ground for application for exemption—Act, s 41(2)

The prescribed ground on which a body corporate may make an application under section 41(2) of the Act is that the body corporate has received written notice from each proprietor entitled to vote, but not voting, on a resolution under section 41(2) of the Act that the resolution is not opposed.

12 Restriction on expenditure by committee—Act, s 47(1)

For section 47(1) of the Act, the prescribed amount is \$200.

13 Amount of insurance cover—Act, s 56(2)

For section 56(2) of the Act, the prescribed amount of cover is \$10m.

14 Classes of order—Act, s 117(a)(ii)

For section 117(a)(ii) of the Act, an order is of a prescribed class if the order is made by a referee about—

- (a) a body corporate; or
- (b) a committee; or
- (c) a proprietor or occupier of a lot about which an inquiry under section 117 of the Act is made; or
- (d) a proprietor or occupier of a lot other than a proprietor or occupier mentioned in paragraph (c) if the order is made no more than 12 months before the relevant inquiry under section 117 of the Act is made.

Part 5 Fees

15 Fees

- (1) The fees payable under the Act to the referee or tribunal are stated in schedule 3, part 1.
- (2) The fees payable under the Act to a body corporate are stated in schedule 3, part 2.

15A Rounding of amounts expressed as numbers of fee units

- (1) This section applies for working out the amount of a fee expressed in this regulation as a number of fee units.
- (2) For the purpose of the *Acts Interpretation Act 1954*, section 48C(3), the amount is to be rounded—
 - (a) if the result is not more than \$100—to the nearest multiple of 5 cents (rounding one-half upwards); or

[s 16]

- (b) if the result is more than \$100 but not more than \$1,000—to the nearest multiple of 10 cents (rounding one-half upwards).

Example for paragraph (a)—

If a fee were 35 fee units and the value of a fee unit were \$1.015, the number of dollars obtained by multiplying 35 by \$1.015 would be \$35.525. Because \$35.525 is halfway between \$35.50 and \$35.55, it is rounded upwards, so the amount of the fee would be \$35.55.

16 Remission of referee's fees

- (1) The referee may excuse a person from paying a fee, or part of a fee, payable to the referee.
- (2) However, the referee may act under subsection (1) only if the referee is satisfied the person is suffering financial hardship.

Part 6 Repeal

17 Repeal

The Building Units and Group Titles Regulation 1998, SL No. 189 is repealed.

Part 7 Transitional provision

18 Transitional provision for forms approved under repealed regulation

- (1) This section applies to any forms that have been approved under section 3 of the repealed regulation.
- (2) The forms are taken to be forms approved under section 4 of this regulation.
