Part 4 Provisions about motor racing events

15 Application of Act provisions to motor racing events

For sections 17 and 55 of the Act, the following provisions of the Act are prescribed, under section 12(2)(d) of the Act, to apply to a motor racing event and the major event area for the major event period—

- (a) sections 18(1) to (4), (6), (7) and (9), 19 to 28, 31, 36 and 40;
- (b) part 6.

16 Display of poster prescribed prohibited conduct

- (1) For section 20(6)(h) of the Act, displaying a poster on a property inside the major event area for a motor racing event, including on the outside of a building or structure, is prescribed.
- (2) Subsection (1) does not apply to a poster displayed by a person if the poster—
 - (a) was displayed before the major event period for the motor racing event; and
 - (b) was displayed in the course of the person's ordinary activities.

17 Persons who may be appointed as authorised persons

For section 56(1)(d) of the Act, crowd controllers under the *Security Providers Act 1993* are prescribed for a motor racing event.

18 Limitation on particular authorised person's powers

- (1) This section limits, for section 57(2) of the Act, the powers of particular authorised persons for a motor racing event.

-
- (2) The powers of an authorised person who is not a police officer do not include the powers stated in sections 25, 54, 63 and 65 of the Act.

19 Application of laws to roads

For section 80(1)(b) of the Act, each road shown in the major event area for a motor racing event shown on the map in schedule 1 or 2 ceases to be a road for the major event period for the event.

20 Assessing building work

- (1) This section applies to a building certifier engaged to assess building work for the purpose of giving a compliance certificate for section 78(3) of the Act.
- (2) Before giving a compliance certificate for the building work, the building certifier must—
- (a) consult Queensland Fire and Rescue about a special fire service or any work involving a fire-related performance solution for the building work; and
 - (b) if the building work is for a building or structure that is proposed to have a special fire service or involves a fire-related performance solution—obtain and consider a report from Queensland Fire and Rescue on the suitability of the proposed special fire service or fire-related performance solution.
- (3) In this section—
