 - (a) if the chief executive approves an amount—the approved amount; or
 - (b) if the chief executive does not approve an amount—\$5.

-
- (4) The licence operator must give the investor a credit ticket.
 - (5) The credit ticket must have the following printed on it—
 - (a) the date the ticket was issued;
 - (b) the amount of credit established;
 - (c) the number allocated to the ticket by the licence operator;

15R Use of funds at credit on credit ticket

 - (c) as authorised by the licence operator or the chief executive.

15S Issue of replacement credit ticket

- (a) issue a new credit ticket stating the current amount at credit; and
- (b) retain the original ticket.

15T Damaged credit tickets

A licence operator may refuse to pay funds at credit on a credit ticket or correct a claimed error on a credit ticket if—

- (b) the licence operator can not verify the information on the ticket.

15U Request to stop payment on credit ticket

- (1) An investor may ask a licence operator to stop payment on a credit ticket entitling a claimant to the balance of funds at credit on the ticket or a payout or refund on the basis that the ticket has been lost or stolen.

 - (c) if the licence operator knows the name and address of the person to whom the payment was paid—may tell an investigating police officer the name and address.
- (6) If the licence operator stops payment on a credit ticket under subsection (4), the licence operator must not make a payment until it investigates the ownership of the credit ticket.

15V Payouts, dividends or refunds as soon as practicable

- (1) As soon as practicable after the result of an event is announced, the authority operator conducting wagering on the event must make payouts or pay dividends for winning investments and pay refunds.
- (2) However, the authority operator must not pay a race totalisator dividend before the steward has declared the correct weight and given the all clear signal.
- (3) In this section—
steward means the person responsible for supervising the conduct of racing at a race meeting.

15W Publication of results

- (1) As soon as practicable after the result of an event is announced by the entity controlling the event, the authority operator must make the result available—
 - (a) at the authority operator's and all wagering agents' places of operation; and
 - (b) for enquiries by telephone or the internet.
- (2) Also, if the authority operator conducts totalisator wagering for the event, the authority operator must make the amount of the dividend and the selection on which the dividend is declared available as soon as practicable after the dividend is declared.
- (3) In this section—
totalisator wagering means wagering conducted, using a totalisator, under a wagering licence.

15X Bonus prize reserve

- (1) For each type of investment, 3.75% of the total of all investments made on the totalisator must be put aside as part of a reserve fund (the *bonus prize reserve*).
- (2) The bonus prize reserve must be distributed in payment of dividends.

- (3) The licence operator must identify the bonus prize reserve in the licence operator's accounting records as a bonus prize reserve until it is dealt with under subsection (2).

15Y Payment of bonus prize reserve into the consolidated fund

- (3) The chief executive must pay the amount received under subsection (2) into the consolidated fund.

16 Regulated wagering equipment—Act, sch 2

For the definition *regulated wagering equipment* in schedule 2 of the Act, the wagering equipment specified in schedule 2 is regulated wagering equipment.

16A Evaluation of regulated wagering equipment—Act, s 208

For section 208(3)(a) of the Act, an evaluation carried out by the chief executive may include 1 or more of the following types of evaluation—

- (a) basic evaluation;
- (b) intermediate evaluation;
- (c) advanced evaluation.

17 Fees

- (1) The fees payable under the Act are stated in section 17A and schedule 3.

-
- (2) A fee stated in schedule 3, item 4 may consist of, or include, an amount for part of an hour that is the equivalent of the relevant proportion of the hourly rate, stated in the schedule, worked out using 15-minute periods (wholly or partly completed).

17AA Rounding of amounts expressed as numbers of fee units

- (1) This section applies for working out the amount of a fee expressed in this regulation as a number of fee units.
- (2) For the purpose of the *Acts Interpretation Act 1954*, section 48C(3), the amount is to be rounded—
 - (a) if the result is not more than \$100—to the nearest multiple of 5 cents (rounding one-half upwards); or
 - (b) if the result is more than \$100 but not more than \$1,000—to the nearest multiple of 10 cents (rounding one-half upwards); or
 - (c) if the result is more than \$1,000 but not more than \$5,000—to the nearest dollar (rounding one-half upwards); or
 - (d) if the result is more than \$5,000 but not more than \$100,000—to the nearest multiple of 10 dollars (rounding one-half upwards).

Example—

If a fee were 35 fee units and the value of a fee unit were \$1.015, the number of dollars obtained by multiplying 35 by \$1.015 would be \$35.525. Because \$35.525 is halfway between \$35.50 and \$35.55, it is rounded upwards, so the amount of the fee would be \$35.55.

17A Fee for particular investigations

- (1) This section applies to any of the following persons for whom the chief executive may undertake an investigation under the Act, section 24—
 - (a) an applicant for a wagering authority that is a wagering licence;

- (4) If the requirement is made before the investigation starts, the chief executive may decide not to start the investigation until the fee or part of the fee is paid.

- (6) The fee or part of the fee payable in advance must be—

 - (b) reduced by the amount, if any, already paid by the relevant person to the chief executive under this section in relation to the investigation.
- (7) As soon as reasonably practicable after the investigation is finished the chief executive must—

-
- (a) give the relevant person a written itemised account of the costs comprising the fee; and
 - (b) either—
 - (i) refund any overpayment to the relevant person; or
 - (ii) require, in writing, the relevant person to pay to the chief executive, within 28 days after the requirement is made, the amount of any shortfall between the amount already paid by the relevant person under this section and the amount of the fee.
- (8) For subsection (7), an investigation is finished in relation to a relevant person if—
- (a) both of the following apply—
 - (i) the chief executive considers the relevant person has failed to comply with a requirement made by the chief executive under the Act, section 40 in relation to the investigation;
 - (ii) the chief executive considers the investigation is finished; or

- (11) In a proceeding to recover the amount of a shortfall mentioned in subsection (7)(b)(ii), a written itemised account of the costs given to the relevant person for the investigation under subsection (7)(a) is evidence of the costs.
