

Explosives (Commonwealth Games Transportation Restrictions) Amendment Regulation 2018 No. 27

Due to a technical error, the notified version of the *Explosives (Commonwealth Games Transportation Restrictions) Amendment Regulation 2018 No. 27* originally published on the Queensland legislation website on Friday, 23 March 2018 included old versions of two maps and some maps appeared in a different order to that intended. It did not reflect the version of the subordinate legislation made by the Governor in Council on Thursday, 22 March 2018.

This is the incorrect version originally published.

A new version of the notified subordinate legislation with the correct maps was published on the Queensland legislation website on Thursday, 29 March 2018. The new version reflects the subordinate legislation made by the Governor in Council.

Please note that the differences between the maps in the old and new versions are minor and relate to presentation only—there is no difference in the restricted areas shown on any of the maps.
