Title of Regulation

Motor Dealers and Chattel Auctioneers and Other Legislation Amendment
Regulation 2019

Reason for Erratum

To provide additional information about the outcomes of consultation and the regulatory impact assessment process for the Regulation.

Consultation

On page 4, omit: “QCAT was consulted in relation to the Amendment Regulation” and insert:

“QCAT was consulted and do not oppose the Amendment Regulation.

The Office of Best Practice Regulation (OBPR) noted that the Amendment Regulation will provide for fees payable in relation to a jurisdiction conferred by the Amendment Act. As the application fee for motor vehicle disputes will be the same as currently exists for minor civil disputes, OBPR advised that no further regulatory analysis is required in relation to the amendments to prescribe the fee structure for motor vehicle proceedings in QCAT.”

After the last paragraph on page 4, insert a new paragraph:

“In accordance with the Queensland Government Guide to Better Regulation, OBPR was consulted in relation to the proposed minor amendments to the MDCA Regulation. OBPR granted an exclusion from the regulatory impact assessment process for the proposed minor amendments.”
