

State Development and Public works Organisation Amendment Regulation (No. 2) 2012

Erratum to Explanatory Notes

Title of the Amendment Regulation

State Development and Public works Organisation Amendment Regulation (No. 2) 2012

Reasons for Erratum

The erratum is necessary to clarify certain explanations and correct minor editorial errors.

Policy objectives and the reasons for them

Page 1 Replacement of 'Policy objectives and reasons for them'

This section requires minor rewording as the amendment regulation was erroneously referred to as 'The Bill'.

This section should be replaced with: 'The amendment regulation will amend the *State Development and Public works Organisation Regulation 2010* to include the fees previously contained within the body of the *State Development and Public works Organisation Act 1971* (SDPWO Act) and on the Department of State Development, Infrastructure and Planning's website.

Consultation

Page 2 Replacement of 'Policy objectives and reasons for them'

This section incorrectly referred to the State Development, Infrastructure and Industry Committee consultation.

This section should be replaced with: 'Consultation was undertaken with Queensland Treasury and Trade. As the amendment moved existing fees for coordinated projects and priority infrastructure facilities from the *State Development and Public works Organisation Act 1971* into the *State Development and Public works Organisation Regulation 2010* and the fees for State Development Areas from guidelines into the *State Development and Public works Organisation Regulation 2010*, consultation was not undertaken with other parties.
