

Superannuation (State Public Sector) Amendment of Deed Regulation (No. 2) 2020

Human Rights Certificate

Prepared in accordance with Part 3 of the *Human Rights Act 2019*

In accordance with section 41 of the *Human Rights Act 2019* (HR Act), I, the Honourable Cameron Dick MP, Treasurer, Minister for Infrastructure and Planning, provide this human rights certificate with respect to the *Superannuation (State Public Sector) Amendment of Deed Regulation (No. 2) 2020* (the Amendment Regulation) made under the *Superannuation (State Public Sector) Act 1990*.

In my opinion, the Amendment Regulation, as tabled in the Legislative Assembly, is compatible with the human rights protected by the HR Act. I base my opinion on the reasons outlined in this statement.

Overview of the Subordinate Legislation

The purpose of the Amendment Regulation is to facilitate for the QSuper Board to offer lifetime retirement income products in accordance with Commonwealth regulations; simplify the manner in which QSuper members can use moneys in their existing superannuation income stream to commence a new income stream; and provide that members who suffer a terminal medical condition have their deferred retirement benefit transferred to an accumulation account without the discount that would usually apply, in line with the original policy intent.

Human Rights Issues

The Amendment Regulation does not affect or engage a human right.

Conclusion

I consider that the *Superannuation (State Public Sector) Amendment of Deed Regulation (No. 2) 2020* is compatible with the *Human Rights Act 2019* because it does not raise a human rights issue.

HON. CAMERON DICK MP
TREASURER, MINISTER FOR INFRASTRUCTURE AND PLANNING
