

# Water Amendment Regulation 2021

## Human Rights Certificate

### Prepared in accordance with Part 3 of the *Human Rights Act 2019*

In accordance with section 41 of the *Human Rights Act 2019*, I, Glenn Butcher, Minister for Regional Development and Manufacturing and Minister for Water, provide this human rights certificate with respect to the *Water Amendment Regulation 2021* made under the *Water Act 2000*.

In my opinion, the *Water Amendment Regulation 2021*, as tabled in the Legislative Assembly, is compatible with the human rights protected by the *Human Rights Act 2019*. I base my opinion on the reasons outlined in this statement.

### Overview of the Subordinate Legislation

The *Water Amendment Regulation 2021* makes consequential amendments to the *Water Regulation 2016* as a result of management arrangements for water licences transitioning to the *Water Plan (Fitzroy Basin) 2011*. The *Water Amendment Regulation 2021* also includes some other minor amendments to update references reflective of changes made to the *Water Plan (Fitzroy Basin) 2011*.

### Human Rights Issues

**Human rights relevant to the subordinate legislation (Part 2, Division 2 and 3 *Human Rights Act 2019*)**

None of the proposed amendments raise any human rights issues.

### Conclusion

I consider that the *Water Amendment Regulation 2021* is compatible with the *Human Rights Act 2019* because it does not raise a human rights issue.

**Glenn Butcher**  
Minister for Regional Development  
and Manufacturing and Minister for Water
