## Information about this reprint

This regulation is reprinted as at 2 October 2007.

Minor editorial changes allowed under the provisions of the Reprints Act 1992 mentioned in the following list have been made to—

- omit provisions that are no longer required (s 40)
- make all necessary consequential amendments (s 7(1)(k)).

This page is specific to this reprint. A table of reprints is included in the endnotes.

**Also see endnotes for information about when provisions commenced.**

### Spelling

The spelling of certain words or phrases may be inconsistent with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’).

### Dates shown on reprints

**Reprints dated at last amendment** All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

**Replacement reprint date** If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.
