## Chapter 1 Preliminary

### 1 Short title

### 2 Commencement

This regulation commences on 30 August 2008.

### 3 Application of this regulation—Act, s 21

- (2) This regulation is the regulation module that applies to a community titles scheme if no other regulation module applies to it.

*Notes—*

- 1 The Act, section 21(4)(b) gives the following examples of community titles schemes where no other regulation module applies—
  - (a) the community management statement for a scheme fails to identify a regulation module as the regulation module applying to the scheme;
  - (b) the community management statement for a scheme identifies as the regulation module applying to the scheme a regulation module that, under the Act, section 21(3) does not apply to the scheme.
- 2 Under the Act, section 21(3), a regulation module does not apply if it states circumstances that must exist for a community titles

[s 4]

---

scheme if the regulation module is to apply to the scheme and the circumstances do not exist for the scheme.

#### **4 Dictionary**

The dictionary in the schedule defines particular words used in this regulation.

  - (c) a reference to the secretary is a reference to the secretary of the body corporate for the scheme; and
  - (d) a reference to the treasurer is a reference to the treasurer of the body corporate for the scheme.

- common property
- body corporate assets
- community management statement
- original owner
- by-laws

*Example—*

Sections 42, 69(1)(b), 76, 151, 152 and 153 are provisions where the context permits a reference to the committee to be a reference to a body corporate manager acting under a chapter 3, part 5 engagement.

  - (a) a body corporate manager, service contractor or letting agent; or

  - (c) a person, other than a letting agent for the scheme, who conducts a letting agent business for the scheme; or
  - (d) a person who is a member of the body corporate who owes a body corporate debt in relation to a lot or lots owned by the person at the time voting members are chosen, or a person nominated by that person.

## 11 Co-ownership and eligibility to be a voting member

Unless otherwise permitted under this regulation, only 1 co-owner of a lot can be a voting member of the committee, on the basis of ownership of the lot, at a time.

*Note—*

For example, this regulation permits otherwise under—

- section 27 (Conduct of ballot—deciding ordinary member positions)
- section 31 (Appointment of committee member at extraordinary general meeting)
- section 40 (Election of committee member at general meeting).

## 12 Non-voting members of committee

  - (a) a body corporate manager for the community titles scheme;
  - (b) a caretaking service contractor for the scheme.
- (2) A person who is a member under this section is a ***non-voting member*** of the committee.
- (3) Subsection (2) applies even if the person is a member of the body corporate.
- (4) A non-voting member is not entitled to vote at a meeting of the committee.

## **Division 2                      Choosing of committee—Act, section 99**

### **Subdivision 1                Choosing of committee at annual general meeting**

#### **13            When committee is chosen**

- (1) The choosing of the members of the committee must happen at each annual general meeting of the body corporate.
- (2) Also, members of the committee may be chosen other than at an annual general meeting if they are chosen under subdivision 2 or 4.
- (3) Subsection (1) does not apply for an annual general meeting if, when the annual general meeting is held—
  - (a) there are only 2 lots included in the community titles scheme, and the 2 lots are in identical ownership; or
  - (b) there are only 2 lots included in the scheme, and the 2 lots are in different ownership; or
  - (c) there are 3 or more lots included in the scheme, and all of the lots are in identical ownership; or
  - (d) there are 3 or more lots included in the scheme, and there are only 2 different owners for all the lots.
- (4) If subsection (3)(a) or (c) applies, the committee is a committee of 1 consisting of the individual who is the owner, or the nominee of the owner, of the lots, and the individual holds all the executive positions on the committee.
- (5) If subsection (3)(b) or (d) applies, the committee consists of 2 individuals who are owners, or the nominees of owners, of lots, and they must decide between themselves which of the executive member positions of the committee each is to hold (and, if they can not agree, the positions of the executive members are jointly held by both of them).

- (6) Subsections (4) and (5) do not apply to the scheme if, at an annual general meeting, the body corporate engages under part 5 a body corporate manager to carry out the functions of a committee and each executive member of a committee.

#### **14 When committee may be chosen if previous committee was formed under s 13(4)**

- (1) If, when the first annual general meeting of the body corporate is held, the committee is formed under section 13(4), a subsequent committee may be chosen at an extraordinary general meeting held before the next annual general meeting after the first annual general meeting.
- (2) This subdivision applies to the extraordinary general meeting as if it were the next annual general meeting after the first annual general meeting.

#### **15 Election of committee**

- (1) The members of the committee must be chosen by an election conducted in accordance with sections 16 to 28, unless the body corporate decides by special resolution that the members are to be elected in another way.
- (2) Unless otherwise provided under this regulation, the election of a member must be by ballot.

*Note—*

For an example of this regulation otherwise providing, see section 23 (Election of ordinary members of committee).

- (3) A ballot for membership of the committee must be a secret ballot unless the body corporate decides by ordinary resolution that the election be held by open ballot.
- (4) The value of any vote able to be cast for a lot included in the community titles scheme for choosing a member of the committee is the same as the value of the vote able to be cast for each other lot included in the scheme.
- (5) For subsection (4), it is immaterial whether there are 2 or more co-owners of 1 or more of the lots.

[s 16]

---

- (6) A way decided by the body corporate under subsection (1) must be fair and reasonable in the circumstances of the scheme.
- (7) This section does not apply to—
  - (a) a member of a committee mentioned in section 13(4) or (5); or
  - (b) a member of a committee chosen under subdivision 2 or 4.

- (3) The notice must be given at least 3 weeks before, but not earlier than 6 weeks before, the end of the body corporate's financial year.

- (4) Nominations must comply with section 18 and must be given to the secretary by the end of the body corporate's financial year.

- 
- (5) As soon as practicable after receiving a nomination under this section, the secretary must forward written notice to the candidate acknowledging the nomination has been received.

## 17 Lot owner's right of nomination

- (2) However, if the owner owns more than 1 lot in the community titles scheme, the owner may nominate persons for the election as follows—

- (5) The right of the owner of a lot to nominate persons for election under this section applies only for the purposes of sections 16 and 19.
- (6) In this section—  
*owner*, of a lot, includes co-owners of the lot.

- (1) For section 16, a nomination must be made by written notice and—
  - (a) if the nomination is from an owner of a lot nominating the owner—must be signed and dated by the owner; or
  - (b) if the nomination is from an owner of a lot nominating an individual other than the owner—

## **24 Conduct of ballot—general requirements**

- (1) Unless section 58(4) applies, any items of business about the election of members of the committee that are on the agenda for an annual general meeting must be conducted as the last items of business for the meeting.

- (4) Each ballot may proceed to the count only after the person chairing the meeting has allowed enough time for votes to be cast and announced the close of the ballot.

[s 25]

---

- (6) The secretary must pass any ballot papers, particulars envelopes and ballot paper envelopes for the ballot to the person chairing the meeting for counting.

## **25 Conduct of ballot—scrutiny of votes**

- (1) If a ballot for positions on the committee is an open ballot, the person chairing the meeting must—
  - (a) confirm, by a scrutiny of the details on the back of each ballot paper envelope or each ballot paper itself, that the ballot paper is the vote of a person who has the right to vote in the election; and
  - (b) if a ballot paper is in a ballot paper envelope—take the ballot paper out of the envelope.
- (2) If a ballot for positions on the committee is a secret ballot, the person chairing the meeting must—
  - (a) confirm, by a scrutiny of the details on each particulars envelope or particulars tab, that the ballot paper is the vote of a person who has the right to vote in the election; and

## **26 Conduct of ballot—deciding executive member positions**

- (1) If only 1 person is nominated for the position of chairperson, secretary or treasurer, the person chairing the meeting, if satisfied the nomination complies with this regulation, must declare the person to have been elected unopposed.

- (i) by members of the body corporate who are present at the meeting;
- (ii) in writing, by members of the body corporate not present at the meeting.
- (3) A member of the body corporate may nominate, under subsection (2), not more than 1 person for the position.
- (4) Subsection (3) applies even if the member is the owner of more than 1 lot included in the community titles scheme.
- (5) To remove any doubt, it is declared that the member may make the nomination whether or not the member made a nomination under section 16 for a position on the committee.
- (6) If more than 1 person has nominated for a position, a ballot is conducted, and the person who receives the highest number of votes is declared elected.
- (7) If, on a counting of votes, 2 or more persons each receive an identical number of votes, and no other candidate receives a higher number of votes, the result must be decided between the 2 or more persons by chance in the way the meeting decides.

[s 27]

## **27 Conduct of ballot—deciding ordinary member positions**

- (1) The positions of the ordinary members of the committee are decided only after the executive member positions on the committee are filled.
- (2) A person's nomination for a position as an ordinary member has no effect if the person is elected as an executive member of the committee, even if the person's name appears on a ballot for ordinary members forwarded before the meeting.
- (3) If the number of candidates nominated for ordinary member positions, plus the number of executive members of the committee, is not more than the required number of voting members for the committee, the person chairing the meeting, if satisfied the nominations for the ordinary member positions comply with this regulation, must declare the candidates to have been elected as ordinary members.

*Examples of nomination requirements—*

- section 10 (Eligibility to be a voting member)
  - section 17 (Lot owner's right of nomination)
  - section 18 (Requirements for nominations)
- (4) However, if the number of candidates nominated for ordinary member positions, plus the number of executive members of the committee, is less than the required number of voting members for the committee, the person chairing the meeting must invite nominations at the meeting for the number of ordinary member positions necessary to bring the total number of all committee members to not more than the required number of voting members for the committee.
  - (5) If nominations are called for under subsection (4) and 1 co-owner of a lot has been elected as a member of the committee, not more than 1 other co-owner of the lot may be nominated for an ordinary member position if necessary to bring the total number of voting members of the committee to 3.
  - (6) The person chairing the meeting—
    - (a) must invite nominations for the position or positions at the meeting; and

- (b) must accept nominations that are made in either of the following ways—
  - (i) by members of the body corporate who are present at the meeting;
  - (ii) in writing, by members of the body corporate not present at the meeting.
- (7) A member of the body corporate may nominate, under subsection (6), not more than 1 person for all ordinary member positions for which nominations are invited.
- (8) Subsection (7) applies even if the member is the owner of more than 1 lot included in the community titles scheme.
- (9) To remove any doubt, it is declared that the member may make the nomination whether or not the member made a nomination under section 16 for a position on the committee.
- (10) If the number of candidates nominated for ordinary member positions, plus the number of executive members of the committee, is more than the required number of voting members for the committee, the person chairing the meeting must proceed with the scrutiny of the ballot papers relating to the ordinary member positions.
- (11) The persons who receive the highest numbers of votes, in descending order until the committee numbers the required number of voting members for the committee, must be declared elected as the ordinary members.
- (12) If, on a counting of votes, 2 or more persons each receive an identical number of votes and the number of persons to be elected would be exceeded if the 2 or more persons were declared elected, the result of the ballot must be decided between the 2 or more persons by chance in the way the meeting decides.
- (13) For the counting of votes for positions of ordinary members of the committee on ballot papers completed before the annual general meeting, a mark against the name of each person who has already been elected to an executive member position is void.

## **28 Conduct of ballot—declaration of voting results**

- (1) The person chairing an annual general meeting must declare the result of an election.
- (2) When declaring the result of an election, the person chairing the meeting must state the number of votes cast for each candidate.

- (4) The voting tally sheet kept for the meeting must include, for each ballot that is an open ballot under this subdivision—

  - (c) the total number of votes counted for each candidate.
- (5) The voting tally sheet kept for the meeting must include, for each ballot that is a secret ballot under this subdivision—
  - (a) a list of the votes, identified by lot number, rejected from the count before the enclosing ballot paper envelopes were opened; and

### **33      Term of office—Act, s 99**

- (1) The term of office of a member of the committee continues until another person is chosen for the position.

  - (b) becomes ineligible to hold the position; or
  - (c) resigns by written notice given to the chairperson or secretary; or
  - (d) is not present personally or by proxy at 2 consecutive meetings of the committee without the committee's leave; or

  - (f) is removed from office by ordinary resolution of the body corporate.
- (3) For subsection (2)(b), without limiting the reasons a member may become ineligible to hold the member's position, a member is ineligible to hold the member's position if the member—
  - (a) was a member of the body corporate at the time the member was elected but is no longer a member of the body corporate; or
  - (b) was not a member of the body corporate at the time the member was elected and was nominated for membership by a member of the body corporate who is no longer a member of the body corporate; or

[s 34]

- (4) If the body corporate engages a body corporate manager under a chapter 3, part 5 engagement—
  - (a) the term of office of a member of a committee for the body corporate ends; and
  - (b) subsections (1) to (3) do not apply to the member.
- (5) To remove any doubt, it is declared that subsections (1) to (3) do not apply to a non-voting member of the committee.

### **34 Notice for breach of code of conduct—Act, s 101B**

- (1) If a body corporate believes a voting member of the body corporate's committee has breached the code of conduct for the member, the body corporate may decide, by ordinary resolution, to give the member a written notice stating each of the following—
  - (a) that the body corporate believes the member has breached a stated provision of the code of conduct;
  - (b) details sufficient to identify the breach in not more than 600 words;

response under subsection (1)(c) to any other member of the body corporate.

**35 Removal of voting member at general meeting for breach of code of conduct—Act, s 101B**

- (2) The body corporate must—

[s 37]

---

**37 Replacement of member removed from office by body corporate**

- (1) If the reason for the vacancy is that the committee member is removed from office by ordinary resolution of the body corporate, the body corporate may, at the general meeting where the resolution is passed, appoint a person who is eligible to be a member of the committee to fill the vacancy.
- (2) It is not necessary for the body corporate to conduct an election to make an appointment under subsection (1).

**38 Committee must appoint new member or call general meeting of body corporate**

- (1) Within 1 month after the position of the member of the committee becomes vacant, the committee must—

    - (i) appoint a person who is eligible to be a member of the committee to fill the vacancy; or
    - (ii) call a general meeting of the body corporate to choose a person to fill the vacancy; or
  - (b) if the number of its members has fallen below the number required for a quorum—call a general meeting of the body corporate to choose a person to fill the vacancy.

**39 Requirements for notice of general meeting**

- (1) If a general meeting is called under section 38, the notice of the meeting must be accompanied by an explanatory note prepared by the committee.
- (2) The explanatory note must state that—

- (b) a nomination may be made—
  - (i) orally from the floor of the meeting; or

#### **40 Election of committee member at general meeting**

- (7) Subsection (6) applies even if the member is the owner of more than 1 lot included in the scheme.
- (8) If 1 co-owner of a lot is an executive or ordinary member of the committee, not more than 1 other co-owner of the lot may be nominated for a vacant ordinary member position if necessary to bring the total number of voting members of the committee to 3.
- (9) To be entitled to vote in an election for a vacant executive or ordinary member position, an owner of a lot must be present personally at the general meeting.
- (10) The value of any vote able to be cast for a lot included in the scheme for choosing a member of the committee is the same as the value of the vote able to be cast for each other lot included in the scheme.

  - (b) the total number of voting members of the committee is fewer than 3.
- (3) If the motion is considered at the general meeting, it must be considered as the last item of business for the meeting.

**Part 3 Restricted issues—Act, section 100**

**42 Restricted issues for committee**

### **43 Exceptions to restricted issues for committee**

- (ii) if the payment relates to expenses—the reason the expenses were incurred; and

*Example—*

For a payment relating to a mileage allowance, full details would include the distance travelled, the date of travel, the cost per kilometre and the reason for travel.

- (2) Also, a decision to pay expenses to a member of the committee is not a decision on a restricted issue for the committee if—
  - (a) the decision is for the reimbursement of expenses of not more than \$50 incurred by the member in attending a committee meeting; and
  - (b) the reimbursement would not result in the member being reimbursed more than \$300 in a 12-month period for expenses incurred by the member in attending committee meetings.

#### **43A Further exception to restricted issues for committee—public health directions**

- (1) Despite section 42(1)(b), a decision to change rights, privileges or obligations of the owners of lots included in the community titles scheme is not a decision on a restricted issue for the committee if—
  - (a) the change is in relation to access to, or the use of, common property or body corporate assets; and
  - (b) the committee considers the change is reasonably necessary to ensure compliance with a public health direction; and
  - (c) the decision states it stops having effect on the earlier of the following—
    - (i) the day the public health direction stops having effect;

- (5) The secretary and chairperson may both be presumed to be absent if the request for the meeting, addressed to the secretary and chairperson, is given at the address for service of the body corporate, and no reply is received within 7 days.

    - (ii) agree in writing to the reduced notice period for the proposed meeting.
- (3) Also, advice of the proposed meeting—
- (a) if the body corporate maintains a noticeboard—must be placed on the noticeboard; and

### **53            Conflict of interest**

- (1) All meetings of the body corporate are general meetings.
- (2) A general meeting is either an annual general meeting or an extraordinary general meeting.

#### **65      Who may call general meetings**

- (1) A general meeting may be called by a member of the committee, including a non-voting member of the committee, if the member is authorised by a resolution of the committee to call the particular meeting.
- (2) A general meeting may also be called by a person authorised or required to call a general meeting by an order of an adjudicator acting under the dispute resolution provisions.
- (3) This section does not apply to a requested extraordinary general meeting.

## **66 When annual general meetings must be called**

An annual general meeting (other than the first annual general meeting) must be called and held within 3 months after the end of each of the community titles scheme's financial years.

*Note—*

See division 2 for requirements for the first annual general meeting.

## **67 Requirement for requested extraordinary general meeting**

- (1) An extraordinary general meeting (a *requested extraordinary general meeting*) of the body corporate must be called if a notice asking for an extraordinary general meeting to consider and decide motions proposed in the notice is—
  - (a) signed by or for the owners of at least 25% of all the lots included in the community titles scheme; and
  - (b) given to the secretary or, in the secretary's absence, the chairperson or, if the committee has not yet been chosen, given to the original owner.
- (2) The secretary may be presumed to be absent if a notice is given to the secretary at the address for service of the body corporate, and no reply is received within 7 days.
- (3) A requested extraordinary general meeting—
  - (a) must be called, within 14 days after the notice is given under subsection (1), by the person to whom the notice is given; and
  - (b) must be held within 6 weeks after the notice is given.
- (4) A requested extraordinary general meeting of the body corporate may be called even though the body corporate's first annual general meeting has not yet been held.

- (3) A motion submitted by a member of the body corporate may be included on the agenda for an annual general meeting only if the secretary receives the motion before the end of the body corporate's financial year immediately preceding the meeting.
- (4) However, a motion of a following type must not be included on the agenda for a general meeting if the motion's inclusion would result in the body corporate considering a motion of that type more than once in a financial year for the body corporate—
  - (a) a motion proposing that a regulation module be applied to the community titles scheme that is different from the regulation module identified in the scheme's community management statement;

[s 70]

---

- (b) a motion proposing that the remuneration paid to a particular service contractor be changed;
  - (c) a motion proposing that the engagement of a person as a service contractor, or the authorisation of a person as a letting agent, be amended if, as a result of the amendment, the engagement or authorisation would include a right or option of extension or renewal.
- (5) If a notice is forwarded to members of the body corporate inviting nominations for committee member positions to be filled at an annual general meeting of the body corporate, the members must also be invited to submit motions for inclusion on the agenda for the meeting.

  - (g) if the body corporate has by ordinary resolution decided that voters for general meetings may cast votes electronically for motions to be decided by secret ballot—provide instructions on how a person who is a voter for the general meeting may cast an electronic vote on each motion to be decided by secret ballot at the meeting.
- (5) The voting paper must state—
- (a) for a motion other than a motion with alternatives, each of the following—
    - (i) the motion in the form in which it was submitted without amendment;
    - (ii) if the motion is not submitted by the committee—the name and, if applicable, the lot number of the person submitting the motion;

- (b) for a motion with alternatives, each of the following—
  - (i) the motion and alternatives as required under section 72;
  - (ii) the name and, if applicable, the lot number of the person submitting each alternative;
  - (iii) that the motion is submitted by the committee.

## 72 Motion with alternatives

- (1) This section applies if 2 or more motions (the *original motions*) proposing alternative ways of dealing with the same issue are submitted, under section 69, as motions for consideration at a general meeting of the body corporate.

*Example—*

The secretary of the body corporate receives motions from 3 owners of lots proposing the engagement of a person as a body corporate manager. Each motion proposes a different person.

- (2) A voting paper for the general meeting must—
  - (a) list as alternatives under 1 motion submitted by the committee (a *motion with alternatives*), the substance of each of the original motions; and
  - (b) show, after the motion and each alternative listed under it, a blank space for voting purposes.
- (3) A person who is a voter for the general meeting may vote either—
  - (a) for the motion, by voting for the motion and for 1 of the alternatives listed under the motion; or
  - (b) against the motion.
- (4) If the required resolution is passed for the motion—
  - (a) the alternative with the most votes is the body corporate's decision; or

[s 73]

---

- (b) if 2 or more alternatives (the *qualifying alternatives*) receive an equal highest number of votes—the qualifying alternative that is the body corporate’s decision must be decided by chance in the way the meeting decides.
- (5) If more than 1 motion about the same issue is listed on the agenda, or stated in a voting paper, for the meeting, all motions about the issue are void.

### **73 Explanatory material accompanying voting paper**

- (1) A voting paper for a general meeting must be accompanied by an explanatory schedule if—
  - (a) the submitter of a motion stated in the voting paper gives the secretary an explanatory note about the motion, and the note is not longer than 300 words; or
  - (b) the voting paper is for an annual general meeting; or
  - (c) the voting paper states a motion with alternatives; or
  - (d) the voting paper states a motion proposing that a regulation module be applied to the community titles scheme that is different from the regulation module identified in the scheme’s community management statement; or
  - (e) an explanatory schedule is required to accompany the voting paper under another provision of this regulation.

*Note—*

See, for example, section 43 (Exceptions to restricted issues for committee).

- (2) The explanatory schedule must, for a motion mentioned in subsection (1)(a), include only the following—
  - (a) the number assigned to the motion on the voting paper;
  - (b) the explanatory note in the form given by the motion’s submitter;
  - (c) the submitter’s name.

- 
- (3) The explanatory schedule accompanying a voting paper for an annual general meeting must, for a motion about adopting administrative and sinking fund budgets, include an explanatory note stating that, under section 140, the amount of a budget adopted at the meeting may be more or less than the proposed budget amount by an amount equivalent to not more than 10% of the proposed budget amount.
- (4) The explanatory schedule must, for a motion with alternatives, include each of the following—
- (a) each motion (*original motion*), whose substance is stated as an alternative under the motion with alternatives, in the form in which it was submitted under section 69;
  - (b) an explanatory note about each original motion, given to the secretary by the submitter of the original motion, if the note is not longer than 300 words;
  - (c) an explanatory note stating that voters must vote either—
    - (i) for the motion, by voting for the motion and for 1 of the alternatives; or
    - (ii) against the motion.

*Example of an explanatory note for paragraph (c)—*

‘To vote on this motion, you must either vote against the motion OR vote for the motion and 1 alternative.

**To vote against the motion**—mark ‘No’ opposite the motion on the voting paper. If you mark ‘No’, do not place a mark beside any of the alternatives. **To vote for the motion and 1 alternative**—mark the voting paper in 2 places. Firstly, mark ‘Yes’ opposite the motion on the voting paper. Secondly, mark ‘Yes’ opposite the alternative you want to vote for. You can vote for only 1 alternative.’.

- (5) The explanatory schedule must, for a motion mentioned in subsection (1)(d), include an explanatory note, in the approved form, explaining the effect of the proposed change.
- (6) To remove any doubt, it is declared that an explanatory schedule for a motion must not contain explanatory material,

[s 74]

---

other than an explanatory note mentioned in subsections (3) to (5) or required under another provision of this regulation, written by a person other than the submitter of the motion.

- (7) A notice of a proposed general meeting may be accompanied by explanatory material given by the committee, other than an explanatory note mentioned in subsections (2) to (5), if the material is contained in a schedule of the committee's explanatory material that is separate from the explanatory schedule.

*Example—*

The schedule of a committee's explanatory material might contain general explanatory material that does not relate to a particular motion stated in the voting paper, or information relating to a motion.

- (8) Explanatory material may accompany a voting paper or a notice of a proposed general meeting only if required or permitted under this regulation.

## **74 Time of general meetings**

A general meeting must be held at least 21 days after notice of the meeting is given to the owners of lots.

- (1) A general meeting must be held not more than 15km (measured in a straight line on a horizontal plane) from scheme land.
- (2) However, if the committee notifies the owners of its intention to hold the meeting at a stated place more than 15km from scheme land, and allows them a reasonable opportunity to object in writing to the proposed place, the meeting may be held at the place unless written objections to the proposed place of meeting are given by or for owners of at least 25% of the lots included in the scheme.

    - (v) if there has been a previous general meeting—a motion to confirm the minutes of the last meeting;
    - (vi) any other motion required under this regulation to be included in the agenda for the meeting; and

*Example—*

The engagement of a body corporate manager begins on 1 January 2009 and is for a term of 3 years. The engagement can not end later than 31 December 2011.

- (2) If the term purports to be longer than 3 years, it is taken to be 3 years.
- (3) To remove any doubt, it is declared that at the end of the term—
  - (a) the engagement expires; and
  - (b) the person can not act again as the body corporate manager without a new engagement.

## 119 Term of engagement of service contractor

- (1) The term provided for in the engagement of a person as a service contractor (after allowing for any rights or options of extension or renewal) must not be longer than 10 years.

*Example—*

The engagement of a service contractor begins on 1 January 2009 and is for a term of 5 years with a right of renewal of 5 years. The engagement can not end later than 31 December 2018.

- (2) The body corporate may subsequently amend the engagement to include a right or option of extension or renewal (a ***subsequent right or option***) only if—
  - (a) the subsequent right or option is for not longer than 5 years; and
  - (b) the unexpired term of the engagement, from the day the resolution approving the subsequent right or option is passed by the body corporate, is not more than 10 years; and
  - (c) section 114 is complied with for the amendment.

*Example—*

The term of the engagement of a service contractor is 10 years beginning on 1 January 2009. On 1 January 2014, the body corporate could amend the engagement to include a right of renewal of 5 years.

- (3) If the unexpired term of the engagement purports to be longer than 10 years, it is taken to be 10 years.
- (4) To remove any doubt, it is declared that at the end of the term—

- (1) The term provided for in the authorisation of a person as a letting agent (after allowing for any rights or options of extension or renewal) must not be longer than 10 years.

*Example—*

The authorisation of a letting agent begins on 1 January 2009 and is for a term of 5 years with a right of renewal of 5 years. The authorisation can not end later than 31 December 2018.

- (2) The body corporate may subsequently amend the authorisation to include a right or option of extension or renewal (a ***subsequent right or option***) only if—
  - (a) the subsequent right or option is for not longer than 5 years; and
  - (b) the unexpired term of the authorisation, from the day the resolution approving the subsequent right or option is passed by the body corporate, is not more than 10 years; and
  - (c) section 114 is complied with for the amendment.

*Example—*

The term of the authorisation of a letting agent is 10 years beginning on 1 January 2009. On 1 January 2014, the body corporate could amend the authorisation to include a right of renewal of 5 years.

- (3) If the unexpired term of the authorisation purports to be longer than 10 years, it is taken to be 10 years.
- (4) To remove any doubt, it is declared that at the end of the term—

- (a) the authorisation expires; and
- (b) the person can not act again as a letting agent without a new authorisation.

## **121 Commencement of term of engagement or authorisation**

- (1) This section applies if the body corporate passes a resolution approving the engagement of a person as a body corporate manager or service contractor, or the authorisation of a person as a letting agent.
- (2) The resolution is of no effect if the term of the engagement or authorisation does not start within 12 months after the passing of the resolution.

- (3) In deciding whether to approve a proposed transfer, the body corporate may have regard to—
  - (a) the character of the proposed transferee and related persons of the proposed transferee; and

- (4) The body corporate must decide whether to approve a proposed transfer within 30 days after it receives the information reasonably necessary to decide the application for approval.
- (5) The approval may be given on condition that the transferee enters into a deed of covenant to comply with the terms of the engagement or authorisation.
- (6) The body corporate must not—
- (a) unreasonably withhold approval to the transfer; or

- (2) The transfer fee is—

- (4) A transfer fee payable under the Act must be paid into the body corporate's sinking fund.

**127 Transferor who claims transfer fee is not payable under s 126(3) must advise body corporate**

- (1) This section applies if a transferor claims that a transfer fee that is otherwise payable under section 126 is not payable for a reason mentioned in section 126(3)(a) or (b).

- (b) the steps the body corporate must follow to terminate the engagement or authorisation.

**129 Termination under the Act, by agreement etc.**

- (1) The body corporate may terminate a person's engagement as a body corporate manager or service contractor, or authorisation as a letting agent—

**131 Termination for failure to comply with remedial action notice**

- (1) The body corporate may terminate a person's engagement as a body corporate manager or service contractor if the person (including, if the person is a corporation, a director of the corporation)—
  - (a) engages in misconduct, or is grossly negligent, in carrying out functions required under the engagement; or

  - (c) contravenes—
    - (i) for the body corporate manager—the code of conduct for body corporate managers and caretaking service contractors; or
    - (ii) for a service contractor who is a caretaking service contractor—the code of conduct for body corporate managers and caretaking service contractors or the code of conduct for letting agents; or
  - (d) fails to comply with section 133(2), 134(2) or 135(2); or

  - (e) to the knowledge of the relevant person, the body corporate has never been informed, or otherwise become aware, that the provider is an associate of the relevant person.
- (2) The relevant person must, in the shortest practicable time after this section commences to apply, give written notice to the body corporate—
- (a) identifying the contract; and
  - (b) disclosing the relationship between the relevant person and the provider.

Maximum penalty—20 penalty units.

## 135 Disclosure of commission or other benefit

Maximum penalty—20 penalty units.

## Part 7 Occupation of common property

### 136 Occupation of common property by service contractor or letting agent

- (1) The body corporate may, by ordinary resolution, give a person (a *property occupier*) who is a service contractor or letting agent an authority (an *occupation authority*) to occupy a particular part of the common property for particular purposes necessary to enable—

- (a) if the property occupier is a service contractor—the property occupier to perform obligations under the property occupier’s engagement as a service contractor; or
- (b) if the property occupier is a letting agent—the property occupier to operate as a letting agent.

*Example—*

The body corporate might authorise a letting agent to occupy a particular part of the common property as a reception area, or a caretaker to occupy a shed on the common property for storage of tools and garden implements.

- (2) The body corporate may include in the terms of the engagement of a person (also a **property occupier**) as a service contractor, authority (also an **occupation authority**) to occupy a particular part of the common property for particular purposes necessary to enable the property occupier to perform obligations under the property occupier’s engagement as a service contractor.
- (3) The body corporate may include in the terms of the authorisation of a person (also a **property occupier**) as a letting agent, authority (also an **occupation authority**) to occupy a particular part of the common property for particular purposes necessary to enable the property occupier to operate as a letting agent.
- (4) The body corporate may give an occupation authority only if the occupation of the part of the common property under the occupation authority would not interfere to an unreasonable extent with the use and enjoyment of a lot or the common property by an occupier of a lot.
- (5) An occupation authority—
  - (a) may include conditions with which the property occupier must comply; and
  - (b) if given under subsection (1), is taken to be a term of—
    - (i) for a property occupier who is a service contractor—the property occupier’s engagement as a service contractor; or

- (ii) for a property occupier who is a letting agent—the property occupier’s authorisation as a letting agent; and
  - (c) may give the property occupier a right to exclusive occupation of the part of the common property the occupation authority relates to; and
  - (d) must not be amended or terminated without the agreement of the property occupier—
    - (i) for a property occupier who is a service contractor—during the term of the engagement of the property occupier as a service contractor; or
    - (ii) for a property occupier who is a letting agent—during the term of the authorisation of the property occupier as a letting agent; and
  - (e) terminates immediately on—
    - (i) for a property occupier who is a service contractor—the engagement of the property occupier as a service contractor coming to an end or being terminated; or
    - (ii) for a property occupier who is a letting agent—the authorisation of the property occupier as a letting agent coming to an end or being terminated.
- (6) Despite subsection (5)(c), a right a property occupier may have to exclusive occupation of a part of the common property is subject to the body corporate’s right to authorise access to the part by others if the extent of the access does not unreasonably interfere with the occupation of the part by the property occupier.
- (7) A service contractor or letting agent may acquire rights to occupy part of the common property for the purpose of the service contractor’s engagement or letting agent’s authorisation, only under this section.

[s 137]

---

**137 Occupation of common property by service contractor may include right of access**

- (1) This section applies to an ordinary resolution passed by a body corporate under section 136(1) for a property occupier who is a service contractor.
- (2) The resolution may give the property occupier a right of access over other parts of the common property to enable the property occupier to perform obligations, other than an obligation to supply utility services, under the property occupier's engagement as a service contractor.

*Example—*

The body corporate might give a service contractor a right of access over common property to provide room service in a tourist scheme.

- (3) A right of access mentioned in subsection (2) does not, of itself, give the property occupier an exclusive right to perform the obligations.

## **Chapter 7      Financial management—Act, section 150**

### **Part 1              Purpose of chapter**

**138 Purpose of ch 7**

The purpose of this chapter is to prescribe the financial management arrangements that apply to the body corporate for a community titles scheme.

---

## Part 2                      Budgets

### 139      Budgets

- (1) The body corporate must, by ordinary resolution, adopt 2 budgets for each financial year—
- the administrative fund budget
  - the sinking fund budget.

*Note—*

See section 146 (Administrative and sinking funds).

- (2) The administrative fund budget must—
- (a) contain estimates for the financial year of necessary and reasonable spending from the administrative fund to cover—
- (i) the cost of maintaining common property and body corporate assets; and
  - (ii) the cost of insurance; and
  - (iii) other expenditure of a recurrent nature; and
- (b) fix the amount to be raised by way of contribution to cover the estimated recurrent expenditure mentioned in paragraph (a).
- (3) The sinking fund budget must—
- (a) allow for raising a reasonable capital amount both to provide for necessary and reasonable spending from the sinking fund for the financial year, and also to reserve an appropriate proportional share of amounts necessary to be accumulated to meet anticipated major expenditure over at least the next 9 years after the financial year, having regard to—
- (i) anticipated expenditure of a capital or non-recurrent nature; and
  - (ii) the periodic replacement of items of a major capital nature; and

- (iii) other expenditure that should reasonably be met from capital; and
- (b) fix the amount to be raised by way of contribution to cover the capital amount mentioned in paragraph (a).

*Example—*

Painting of the common property is anticipated to be necessary in 3 years time at a cost currently estimated at \$12,000. The contribution amount for the sinking fund in the budget for the financial year must therefore include the annual proportional share for painting of \$4,000. Next year, the estimated cost has increased to \$12,400 and so the second year levy will be \$4,200. The estimated cost in the third year is \$12,800, so with the \$8,200 accumulated, a levy of \$4,600 is necessary to meet the cost. In larger community titles schemes, the sinking fund will have several projects being funded for various future times.

- (4) If the community titles scheme is a lot included in another community titles scheme, the administrative fund budget must also include an estimate of the total amount the body corporate may reasonably be expected to be required to contribute to the administrative and sinking funds for the other scheme, and any other fund provided for in the regulation module applying to the other scheme.
- (5) The original owner must prepare proposed budgets for adoption by the body corporate at its first annual general meeting, and the committee must prepare proposed budgets for adoption by the body corporate at each later annual general meeting.
- (6) Copies of the proposed budgets must accompany the notice of an annual general meeting.
- (7) To remove any doubt, it is declared that the inclusion of an item of expenditure in a budget adopted by the body corporate is not, of itself, authority for the expenditure.

## **140 Adjusting proposed budgets at annual general meeting**

- (1) The amount of an administrative or sinking fund budget adopted by a body corporate at an annual general meeting may be more or less than the proposed budget amount by an

---

amount equivalent to not more than 10% of the proposed budget amount.

*Example—*

A proposed administrative fund budget is \$5,000. The administrative fund budget adopted by the body corporate at the annual general meeting may be between \$4,500 and \$5,500.

- (2) However, the amount of a proposed budget may be adjusted only to provide for spending, or remove amounts included in the proposed budget for spending, from the fund for the financial year if—
  - (a) the motion to approve the spending is stated in the agenda for the meeting; and
  - (b) either—
    - (i) the spending is approved by the body corporate but is not adequately provided for in the proposed budget; or
    - (ii) the spending is provided for in the proposed budget but the body corporate does not approve the spending at the meeting.
- (3) The adjustment must be approved by a majority of voters present and entitled to vote on the adjustment.
- (4) If the amount of a proposed budget is adjusted in accordance with this section—
  - (a) the proposed contributions to be paid by owners of lots for the financial year are proportionately adjusted; and
  - (b) it is not necessary to amend the motion stated in a voting paper for the fixing of contributions to incorporate the adjustment; and
  - (c) a copy of the adopted budget must be given to each owner of a lot with the copy of the minutes of the meeting given to the owner under section 96.

- 
- (c) must relate, as closely as practicable, to the period from the end of the previous financial year to 2 months after the proposed date of the annual general meeting.
- (5) The contributions levied on the owner of each lot (other than contributions payable for insurance and any other matter for which, under the Act or this regulation, the liability attaching to each lot is calculated other than on the basis of the lot's contribution schedule lot entitlement) must be proportionate to the contribution schedule lot entitlement of the lot.

*Note—*

For examples of other matters for subsection (5), see—

- section 178 (Insurance of common property and body corporate assets)
- section 181 (Valuation for insurance purposes)
- section 182 (Premium)
- section 183 (Improvements affecting premium).

## **142 Notice of contribution payable**

- (1) At least 30 days before the payment of a contribution, or instalment of a contribution, is required, the body corporate must give the owner of each lot written notice of—
- (a) the total amount of the contribution levied on the owner; and
  - (b) the amount of the contribution, or instalment of contribution, whose payment is currently required; and
  - (c) the date (the *date for payment*) on or before which the contribution, or instalment of contribution, must be paid; and
  - (d) any discount to which the owner is entitled for payment of the contribution, or instalment of contribution, by the date for payment; and
  - (e) any penalty to which the owner is liable for each month payment is in arrears; and

[s 143]

---

- (f) if the owner is in arrears in payment of a contribution or penalty—the arrears.
- (2) The written notice under subsection (1) may also include notice about an amount payable by an owner of a lot to the body corporate for—
  - (a) a specially contracted service enjoyed by the owner; or
  - (b) an exclusive use or special right over common property enjoyed by the owner.
- (3) A written notice under this section may be served on an owner of a lot at the owner’s address for service, or in the way directed by the owner.

### **143 Discounts for timely payment**

- (1) The body corporate may, by ordinary resolution, fix a discount to be given to owners of lots if a contribution, or an instalment of a contribution, is received by the body corporate by the date for payment fixed in notices of contribution given to the owners.
- (2) The discount can not be more than 20% of the amount to be paid.

*Example—*

Suppose that—

- (a) a contribution of \$100 is payable in 4 instalments of \$25 and the body corporate has fixed a discount of 10% for payment by the date for payment in the notices of contribution given to the owners; and
- (b) an account requiring payment of an instalment of \$25 by 31 March is given to an owner of a lot; and
- (c) the instalment is paid on 25 March.

In this case, the owner is entitled to a discount of \$2.50 on the instalment.

## 144 Penalties for late payment

- (1) The body corporate may, by ordinary resolution, fix a penalty to be paid by owners of lots if a contribution, or instalment of contribution, is not received by the body corporate by the date for payment fixed in notices of contribution given to the owners.
- (2) The penalty must consist of simple interest at a stated rate (of not more than 2.5%) for each month the contribution or instalment is in arrears.

*Example—*

Suppose that—

- (a) a contribution of \$400 is payable in 4 instalments of \$100 and the body corporate has fixed a penalty interest rate of 2% per month; and
- (b) an account requiring payment of an instalment of \$100 by 31 March is given to an owner of a lot; and
- (c) the instalment is not paid until 27 June.

In this case, the instalment has been in arrears for 2 months and a penalty of \$4 is payable.

## Part 4 Payment and enforcement of body corporate debts

### 145 Payment and recovery of body corporate debts

- (1) If a contribution or contribution instalment is not paid by the date for payment, the body corporate may recover each of the following amounts as a debt—
  - (a) the amount of the contribution or instalment;
  - (b) any penalty for not paying the contribution or instalment;
  - (c) any costs (*recovery costs*) reasonably incurred by the body corporate in recovering the amount.
- (2) If the amount of a contribution or contribution instalment has been outstanding for 2 years, the body corporate must, within

- 
- (2) The body corporate must pay into its administrative fund any amount received by the body corporate that is not required under subsection (3) to be paid into its sinking fund.
  - (3) The body corporate must pay into its sinking fund—
    - (a) the amount raised by way of contribution to cover anticipated spending of a capital or non-recurrent nature (including the periodic renewal or replacement of major items of a capital nature and other spending that should be reasonably met from capital); and
    - (b) amounts received under policies of insurance for destruction of items of a major capital nature; and
    - (c) interest from investment of the sinking fund.
  - (4) The administrative and sinking funds may be invested in the way a trustee may invest trust funds.
  - (5) All amounts received by the body corporate for the credit of the administrative or sinking fund must be paid into 1 or more accounts kept solely in the name of the body corporate at a financial institution.
  - (6) All payments from the administrative or sinking fund must be made from the account.
  - (7) Funds must not be transferred between the administrative fund and the sinking fund.

- (3) An invoice of the body corporate manager for services provided to the body corporate by the body corporate manager in administering the fund must not include services provided by another person.

*Example—*

services provided by an insurance broker or service contractor

- (a) the day the authorisation under section 119 of the Act is revoked;
  - (b) the day the chapter 3, part 5 engagement ends.

Maximum penalty—20 penalty units.

- (5) For subsection (4), the financial records are each of the following—
- (a) if required by the body corporate—a balance sheet, as at the termination day, for the fund administered by the body corporate manager;
  - (b) an income and expenditure statement for the fund for the financial year in which the termination day falls;
  - (c) a list of all amounts owing to, and payable from, the fund as at the termination day;

- (g) any other financial record for the fund held by the body corporate manager on the termination day.

*Example of other financial records—*

## **148 Application of administrative and sinking funds**

- (1) The sinking fund may be applied towards—
  - (a) spending of a capital or non-recurrent nature; and

- (2) All other spending of the body corporate must be met from the administrative fund.

*Examples—*

- 1 The cost of repainting the common property or replacing air conditioning plant would be paid from the sinking fund.
- 2 The cost of insurance would be paid from the administrative fund.

## **149 Reconciliation statements**

- (1) This section applies if—
  - (a) a body corporate manager administers the body corporate's administrative or sinking fund under—

[s 150]

---

- (i) an authorisation given by the body corporate under section 119 of the Act; or
    - (ii) a chapter 3, part 5 engagement; or
  - (b) the body corporate decides by ordinary resolution that reconciliation statements must be prepared under this section.
- (2) A statement (the *reconciliation statement*) must be prepared, within 21 days after the last day of each month, for each account kept for the fund showing the reconciliation of—
- (a) a statement, produced by the financial institution where the account is kept, showing the amounts paid into and from the account during the month; and
  - (b) invoices and other documents showing payments into and from the account during the month.
- (3) The reconciliation statement must be prepared by—

## Part 6                      Borrowing

- (1) The body corporate may, by ordinary resolution, borrow amounts on security agreed between the body corporate and the person from whom the amounts are borrowed.
- (2) The body corporate must not at any time, without the authority of a resolution without dissent, be in debt for a borrowed amount greater than an amount worked out by multiplying the number of lots included in the community titles scheme by \$250.

---

## Part 7 Control of spending

### 151 Spending by committee

- (1) The committee may only give effect to a proposal involving spending above the relevant limit for committee spending for the community titles scheme if—
  - (a) the spending is specifically authorised by ordinary resolution of the body corporate; or
  - (b) the owners of all lots included in the scheme have given written consent; or
  - (c) an adjudicator is satisfied that the spending is required to meet an emergency and authorises it under an order made under the dispute resolution provisions; or
  - (d) the spending is necessary to comply with—
    - (i) a statutory order or notice given to the body corporate; or
    - (ii) the order of an adjudicator; or
    - (iii) the judgement or order of a court; or
    - (iv) the order of QCAT.
- (2) For this section, if a series of proposals forms a single project, the cost of carrying out any 1 of the proposals is taken to be more than the relevant limit for committee spending if the cost of the project, as a whole, is more than the relevant limit.
- (3) Section 152 applies to the proposal in addition to this section if—
  - (a) subsection (1)(a) or (b) applies in relation to the proposal; and
  - (b) the proposal involves spending above the relevant limit for major spending; and
  - (c) the proposal does not involve spending mentioned in subsection (1)(c) or (d).

## **152 Quotes for major spending decided at general meeting**

- (1) This section applies if—
  - (a) a motion to be moved at a general meeting of the body corporate proposes the carrying out of work or the acquisition of personal property or services, including the engagement of a body corporate manager or service contractor, but not including the engagement of a service contractor who also is, or is to be, a letting agent; and
  - (b) the cost of giving effect to the proposal is more than the relevant limit for major spending for the community titles scheme.
- (2) The owner of each lot must be given copies of at least 2 quotations for carrying out the work or supplying the personal property or services.
- (3) If the motion is proposed by the committee, the committee must obtain the quotations.
- (4) If the motion is not proposed by the committee, the person proposing the motion must obtain the quotations and give them to the secretary.
- (5) Copies of the quotations or, if voluminous, summaries of the quotations and advice about where the complete documents may be inspected, must accompany the notice of the meeting where the motion is to be considered.
- (6) If, for exceptional reasons, it is not practicable to obtain 2 quotations, a single quotation must be obtained and must accompany the notice of meeting.

*Example—*

If goods to be acquired by the body corporate are obtainable from only 1 source, a quotation for supplying the goods must be obtained from the source and circulated with the notice of meeting. The fact that goods with the necessary characteristics are only obtainable from a single source would be an exceptional reason for not obtaining 2 quotations for the supply of the goods.

- 
- (7) Unless subsection (6) applies, the motion must be stated as a motion with alternatives in the agenda and on a voting paper for the meeting.
  - (8) Each quotation obtained under this section must be retained as an attachment to the minutes of the meeting where the quotation is considered.
  - (9) For this section—
    - (a) the cost of engaging a body corporate manager or a service contractor includes any payment for the body corporate manager's or the service contractor's services, provided for under the engagement, for the term of any right or option of extension or renewal of the engagement; and
    - (b) if a series of proposals forms a single project, the cost of carrying out any 1 of the proposals is taken to be more than the relevant limit for major spending for the scheme if the cost of the project, as a whole, is more than the relevant limit.

### **153 Quotes for major spending decided by committee**

- (1) This section applies if—
  - (a) the relevant limit for committee spending for a community titles scheme is more than the relevant limit for major spending for the scheme; and
  - (b) a motion to be moved at a meeting of the committee or, under section 54, outside a committee meeting, proposes the carrying out of work or the acquisition of personal property or services; and
  - (c) the cost of giving effect to the proposal is more than the relevant limit for major spending for the scheme but less than the relevant limit for committee spending for the scheme.
- (2) Before a motion to be moved at a meeting of the committee is decided, the committee must obtain and consider at least 2

[s 154]

---

quotations for carrying out the work or supplying the personal property or services.

- (3) If the motion is to be moved outside a committee meeting, the notice of the motion must be accompanied by copies of at least 2 quotations for carrying out the work or supplying the personal property or services.
- (4) However if, for exceptional reasons, it is not practicable to obtain 2 quotations for subsection (2) or (3), a single quotation must be obtained and considered.

*Example of an exceptional reason—*

The proposal is for the acquisition of goods of a particular characteristic. Goods of that characteristic are only obtainable from 1 source.

- (5) Each quotation obtained under this section must be retained as an attachment to—
  - (a) the minutes of the meeting where the quotation is considered; or
  - (b) the record of the motion voted on other than at a meeting.
- (6) For this section, if a series of proposals forms a single project, the cost of carrying out any 1 of the proposals is taken to be more than the relevant limit for major spending for the scheme if the cost of the project, as a whole, is more than the relevant limit.

## **Part 8**                      **Accounts and audit**

### **154**      **Accounts**

- (1) The body corporate must—
  - (a) keep proper accounting records; and

- 
- (2) The statement of accounts may be prepared on a cash or accrual basis.
  - (3) If the accounts are prepared on a cash basis, they must include disclosure of the following—
    - (a) total contributions paid in advance to the administrative and sinking funds;
    - (b) total contributions in arrears, and total outstanding penalties;
    - (c) balances for all financial institution accounts and investments;
    - (d) all outstanding receipts and payments.
  - (4) If the accounts are prepared on an accrual basis, they must show the assets and liabilities of the body corporate at the end of the financial year.
  - (5) The statement of accounts must include—
    - (a) the corresponding figures for the previous financial year, unless the statement is for the body corporate's first financial year; and
    - (b) disclosure of all remuneration, allowances or expenses paid to members of the committee, identifying the total amounts paid to each member during the financial year under the following categories—
      - (i) remuneration or allowances;
      - (ii) expenses, split up into travelling, accommodation, meal and other expenses.

## 155 Audit

- (1) The body corporate must have its statement of accounts for each financial year audited by an auditor unless—
  - (a) the community titles scheme is a basic scheme; and

- (b) the body corporate resolves by special resolution not to have the statement audited.
- (2) If the body corporate is required under subsection (1) to have its statement of accounts audited, the auditor to be appointed must be agreed to by ordinary resolution of the body corporate.
- (3) The motion for agreeing to the auditor to be appointed—
  - (a) must be included in the agenda for the general meeting where the motion is to be considered; and
  - (b) must include the name of the auditor proposed to be appointed; and
  - (c) is not voted on if, under subsection (1), it is resolved not to have the statement of accounts audited.
- (4) Even if the body corporate resolves not to have its statement of accounts for a particular financial year audited, the body corporate may, by ordinary resolution, resolve to have its accounting records for a particular period, or for a particular project, audited and appoint an auditor for the purpose.
- (5) A member of the committee, a body corporate manager, or an associate of a member of the committee or a body corporate manager, can not be appointed to audit the accounting records or the statement of accounts of the body corporate.
- (6) On finishing an audit of the body corporate's statement of accounts for a financial year, the auditor must give a certificate—
  - (a) stating whether the statement of accounts gives a true and fair view of the body corporate's financial affairs; and
  - (b) if the statement of accounts does not give a true and fair view of the body corporate's financial affairs—identifying the deficiencies in the statement.
- (7) A copy of the auditor's certificate must accompany the notice of the next annual general meeting held after the certificate is given.

- 
- (8) The motion for a special resolution under subsection (1) must be—
- (a) in the form ‘that the body corporate’s statement of accounts for the financial year (*state the financial year concerned*) not be audited’; and
  - (b) accompanied by a note ‘NOTE: If you want the accounts to be audited, vote ‘no’; if you do not want the accounts to be audited, vote ‘yes’.’

**156 Auditing qualifications and experience—Act, sch 6, def auditor, para (a)(ii)**

*Note—*

For utility infrastructure included in the common property, see section 20 of the Act (Utility infrastructure as common property).

- 
- (2) To the extent that lots included in the community titles scheme are created under a building format plan of subdivision, the body corporate must—
- (a) maintain in good condition—
    - (i) railings, parapets and balustrades on (whether precisely, or for all practical purposes) the boundary of a lot and common property; and

    - (iii) essential supporting framework, including load-bearing walls.
- (3) Despite anything in subsections (1) and (2)—
- (a) the body corporate is not responsible for maintaining fixtures or fittings installed by the occupier of a lot if they were installed for the occupier's own benefit; and
  - (b) the owner of the lot is responsible for maintaining utility infrastructure, including utility infrastructure situated on common property, in good order and condition, to the extent that the utility infrastructure—
    - (i) relates only to supplying utility services to the owner's lot; and
    - (ii) is 1 of the following types—
      - hot-water systems
      - washing machines

- (c) the owner of the lot is responsible for maintaining the tray of a shower that services the lot, whether or not the tray forms part of the lot.
- (4) To avoid any doubt, it is declared that, despite an obligation the body corporate may have under subsection (2) to maintain a part of a lot in good condition or in a structurally sound condition, the body corporate may recover the prescribed costs, as a debt, from a person (whether or not the owner of the lot) whose actions cause or contribute to damage or deterioration of the part of the lot.
- (5) In this section—

***prescribed costs*** means the proportion of the reasonable cost to the body corporate of carrying out the maintenance that can, in the body corporate's reasonable opinion, be fairly attributed to the person's actions.

***utility infrastructure*** does not include utility infrastructure that—

- (a) is a device for measuring the reticulation or supply of water for a community titles scheme established after 1 January 2008; and

  - (b) the improvements are authorised by ordinary resolution and the cost of the improvements, or, if the improvements together with associated improvements form a single project for improvement of the common property, the cost of the entire project, is within the ordinary resolution improvement range for the scheme; or
  - (c) the improvements are authorised by special resolution; or
  - (d) an adjudicator, under an order made under the dispute resolution provisions, decides the improvements are reasonably necessary for the health, safety or security of persons who use the common property and authorises the improvements.

- (1) An exclusive use by-law may authorise the owner of a lot who has the benefit of the by-law to make stated improvements to the part of the common property to which the by-law applies.
- (2) Without limiting subsection (1), improvements stated in the by-law may include the installation of fixtures on the common property and the making of changes to the common property.
- (3) If the exclusive use by-law does not authorise the owner of a lot to make an improvement, the owner may make the improvement only if the body corporate authorises it to be made.
- (4) However, if the value of the improvement mentioned in subsection (3) is more than \$3,000, the making of the body corporate's authorisation must be by ordinary resolution.

## **175 Recovery of amount owed**

- (1) A monetary liability imposed under an exclusive use by-law on the owner of a lot included in the community titles scheme may be recovered as a debt.
- (2) If the lot is itself another community titles scheme, the liability is enforceable against the body corporate for the other scheme.
- (3) If subsection (2) does not apply, the liability is enforceable jointly and severally against—
  - (a) the person who was the owner of the lot when the liability arose; and
  - (b) a successor in title for the lot.

## **Part 9 Insurance—Act, section 189**

*Examples of type of cover—*

  - (a) the full replacement value for the buildings as stated in the most recent valuation under section 181;
  - (b) the date of the valuation.

### **178 Insurance of common property and body corporate assets**

- (1) The body corporate must insure, for full replacement value—
  - (a) the common property; and
  - (b) the body corporate assets.
- (2) Subsection (1)(a) has effect only to the extent that the common property is not required to be insured under another provision of this part.
- (3) A policy of insurance taken out under this section—
  - (a) must cover, to the greatest practicable extent—
    - (i) damage; and
    - (ii) costs incidental to the reinstatement or replacement of insured buildings, including the cost of taking away debris and the fees of architects and other professional advisers; and
  - (b) must provide for the reinstatement of property to its condition when new.
- (4) The owner of each lot that is included in the community titles scheme is liable to pay a contribution levied by the body corporate that is a proportionate amount of the premium for a policy of insurance taken out under this section that reflects the interest schedule lot entitlement of the lot.

### **179 Insurance of building including lots**

- (1) This section applies if 1 or more of the lots included in the community titles scheme are created under a building format plan of subdivision or a volumetric format plan of subdivision.
- (2) The body corporate must insure, for full replacement value, each building in which is located a lot included in the scheme, to the extent that the building is scheme land.
- (3) A policy of insurance taken out under this section—
  - (a) must cover—

- (i) damage; and
  - (ii) costs incidental to the reinstatement or replacement of insured buildings, including the cost of taking away debris and the fees of architects and other professional advisers; and
- (b) must provide for the reinstatement of property to its condition when new.
- (4) If the body corporate can not comply with subsection (3), the commissioner, on application in writing by the body corporate, may authorise the body corporate to put in place an alternative insurance in a form approved by the commissioner if the commissioner is satisfied that the insurance approved gives cover that is as close as practicable to the cover given by insurance under subsection (3).

*Example of alternative insurance that might be approved by the commissioner—*

insurance giving cover up to an agreed value

- (5) The body corporate is liable to pay any contribution that has to be made to the cost of reinstatement or repair because the reinstatement insurance is not for the full replacement value of the insured property.
- (6) The body corporate need not insure a building or a part of a building under subsection (2) if—
- (a) the scheme is a subsidiary scheme for another community titles scheme (the *other scheme*); and
  - (b) under subsection (2) or an equivalent provision of another regulation module, the body corporate for the other scheme is required to insure the building or the part of the building.
- (7) Also, the body corporate need not insure a building or a part of a building under subsection (2) if—
- (a) the building or the part of the building is scheme land; and

[s 180]

---

- (b) the whole of the building is the subject of a building management statement registered under the *Land Title Act 1994*; and
  - (c) the building management statement provides for insurance for the building to a level comparable with insurance otherwise required under this part; and
  - (d) the insurance is in place.
- (8) This section applies subject to provisions of this part about insurance of buildings mutually dependent for support on a common wall.

### **180 Insurance for buildings with common walls**

- (1) This section applies if—
- (a) 1 or more of the lots included in the community titles scheme are created under a standard format plan of subdivision; and
  - (b) in 1 or more cases, a building on 1 lot has a common wall with a building on an adjoining lot.
- (2) The body corporate must insure each building mentioned in subsection (1)(b) for its full replacement value.
- (3) A policy of insurance taken out under this section—
- (a) must cover—
    - (i) damage; and
    - (ii) costs incidental to the reinstatement or replacement of the buildings, including the cost of taking away debris and the fees of architects and other professional advisers; and
  - (b) must provide for the reinstatement of the buildings to their condition when new; and
  - (c) may give effect, in whole or part, to a voluntary insurance scheme.
- (4) The body corporate is liable to pay any contribution that has to be made to the cost of reinstatement or repair because the

reinstatement insurance is not for the full replacement value of the insured property.

- (5) The body corporate need not insure a building or a part of a building under subsection (2) if—
  - (a) the scheme is a subsidiary scheme for another community titles scheme (the *other scheme*); and
  - (b) under subsection (2), or an equivalent provision of another regulation module, the body corporate for the other scheme is required to insure the building or the part of the building.

## **181 Valuation for insurance purposes**

- (1) This section applies if, under this part, a body corporate must insure 1 or more buildings for full replacement value.
- (2) The body corporate must, at least every 5 years, obtain an independent valuation stating the full replacement value of the building or buildings.
- (3) The owner of each lot included in the community titles scheme is liable to pay a contribution levied by the body corporate for the cost of the valuation of the building or buildings that is proportionate to the amount of the premium for reinstatement insurance for the building or buildings for which the owner is liable under this part.
- (4) The contribution that the owner of a lot is liable for may be recovered by the body corporate as part of the owner's annual contribution to the administrative fund.

## **182 Premium**

- (1) The owner of each lot that is included in the community titles scheme and is covered by reinstatement insurance required to be taken out by the body corporate is liable to pay a contribution levied by the body corporate that is a proportionate amount of the premium for reinstatement insurance that reflects—

[s 183]

---

- (a) for a lot created under a building or volumetric format plan of subdivision—the interest schedule lot entitlement of the lot; and
  - (b) for a lot created under a standard format plan of subdivision—the cost of reinstating the buildings on the lot.
- (2) The body corporate may adjust the contribution payable by an owner of a lot under subsection (1) in a way that fairly reflects—
- (a) the extent to which the premium relates to fixtures and fittings that—
    - (i) form part of the lot; and
    - (ii) are of a higher standard than the fixtures and fittings of lots included in the scheme generally; or
  - (b) the extent to which the premium relates to improvements made to the common property that benefit the lot; or
  - (c) the proportion of the total risks covered by the policy attributable to activities carried on, or proposed to be carried on, on the owner’s lot.

*Example for paragraph (c)—*

In a community titles scheme, the owner of a lot starts a small manufacturing business requiring the use and storage of flammable chemicals. The insurance premium for the body corporate policy is increased by the insurer because of the increased risk of damage through fire. The contribution payable by the owner for the insurance premium will include the amount of the increase.

- (3) The contribution that the owner of a lot is liable for may be recovered by the body corporate as part of the owner’s annual contribution to the administrative fund.

## **183 Improvements affecting premium**

- (1) This section applies if—

- 
- (a) improvements are made to a lot included in the community titles scheme and, because of the improvements—
    - (i) the fixtures and fittings forming part of the lot are of a higher standard than the fixtures and fittings of lots included in the scheme generally; and
    - (ii) the premium for reinstatement insurance required to be taken out by the body corporate is likely to increase; or
  - (b) improvements are made to the common property, including improvements made under a right of exclusive use, licence or occupation authority, and—
    - (i) the improvements are made for the benefit of a lot included in the scheme; and
    - (ii) because of the improvements, the premium for reinstatement insurance required to be taken out by the body corporate is likely to increase.
- (2) The owner of the lot must give the body corporate details of the nature and value of the improvements.
  - (3) The notification must be given as soon as practicable after the improvements are substantially completed.
  - (4) If the owner of the lot does not comply with subsections (2) and (3), the owner must reimburse the body corporate for any payment that has to be made for the cost of reinstatement or repair of the lot, or any other lot or common property, but only to the extent that the necessity to make the payment can reasonably be attributed to the owner's failure to comply with subsections (2) and (3).

## 184 Excess

- (1) Despite a requirement under this part to insure for full replacement value, the body corporate is not prevented from insuring on the basis that an excess is payable on the happening of an event for which the insurance gives cover.

[s 185]

---

- (2) However, in putting the insurance in place, the body corporate must ensure the arrangements for the liability for an excess under the insurance would not impose an unreasonable burden on the owners of individual lots, having regard to subsections (3) and (4).
- (3) For an event affecting only 1 lot, the owner of the lot is liable to pay the excess unless the body corporate decides it is unreasonable in all the circumstances for the owner to bear the liability.

*Example—*

If a shower screen is damaged in a lot and an insurance claim is made under the body corporate's reinstatement insurance, the owner of the lot would be liable under subsection (3) to pay the excess unless the body corporate decides it is unreasonable for the owner to be required to pay it. However, if there is a fire within a lot caused by a short circuit in electrical wiring located in an internal partition, the body corporate might decide it would be unreasonable for the owner to be required to pay the excess.

- (4) For an event affecting 2 or more lots, or 1 or more lots and common property, the body corporate is liable to pay the excess unless the body corporate decides it is reasonable in all the circumstances for the excess to be paid for by the owner of a particular lot, or to be shared between owners of particular lots, or between the owner of a lot and the body corporate, or between owners of particular lots and the body corporate.

## **185 Insurance for buildings with no common walls**

- (1) This section applies if—
  - (a) the community titles scheme is a basic scheme; and
  - (b) lots included in the scheme were created under a standard format plan of subdivision; and
  - (c) on 1 or more of the lots mentioned in paragraph (b), there is a building (a *stand-alone building*) having no common wall with a building on another lot.
- (2) The body corporate may establish an insurance scheme (a *voluntary insurance scheme*) under which it puts in place

---

insurance over stand-alone buildings for the owners of the lots on which they are located.

- (3) Taking part in the insurance scheme is optional, and the owner of a lot who wants to take part in the insurance scheme must—
  - (a) notify the body corporate of the replacement value of the stand-alone buildings to be insured; and
  - (b) comply with other requirements under—
    - (i) the decision of the body corporate establishing the voluntary insurance scheme; or
    - (ii) the policy of insurance.
- (4) The owner of a lot who takes part in the voluntary insurance scheme is liable to pay a contribution levied by the body corporate that is a proportionate amount of the premium fairly reflecting—
  - (a) the proportion of the total replacement value of the buildings insured under the voluntary insurance scheme represented by the stand-alone buildings on the owner's lot; and
  - (b) the proportion of the total risks covered by the policy attributable to activities carried on, or proposed to be carried on, on the owner's lot.
- (5) The contribution for which the owner of a lot is liable may be recovered by the body corporate as part of the owner's annual contribution to the administrative fund.
- (6) If the body corporate does not establish a voluntary insurance scheme and the owner of a lot on which there is a stand-alone building makes an improvement to the common property, the owner must—
  - (a) insure the improvement for full replacement value; and
  - (b) give the body corporate each of the following details—
    - (i) the nature and value of the improvement;
    - (ii) the name of the insurer of the improvement;

[s 186]

---

- (iii) the amount of cover under the insurance policy;
  - (iv) a summary of the type of cover under the policy;  
*Examples of type of cover—*
    - public risk insurance, building insurance, common property insurance
  - (v) the amount of the premium;
  - (vi) the amount of any excess payable on the happening of an event for which the insurance gives cover;
  - (vii) the date the cover expires.
- (7) A policy of insurance taken out under subsection (6)—
- (a) must cover, to the greatest practicable extent—
    - (i) damage; and
    - (ii) costs incidental to the reinstatement or replacement of the improvement, including the cost of taking away debris and the fees of architects and other professional advisers; and
  - (b) must provide for the reinstatement of the improvement to its condition when new.

## **186 Combined policy of insurance**

- (1) This section applies if the body corporate—
- (a) is required to put in place reinstatement insurance covering lots included in the community titles scheme; and
  - (b) elects under this part to put in place insurance under a voluntary insurance scheme covering other lots included in the scheme.
- (2) The body corporate may arrange with an insurer a single policy of insurance for all insurance mentioned in subsection (1).

## 187 Public risk insurance

- (1) The body corporate must maintain public risk insurance of the common property and relevant assets.
- (2) The body corporate is not required to maintain public risk insurance of any other property.

*Example of other property—*

a lot owned by a person other than the body corporate

- (3) The insurance must provide coverage—
  - (a) for amounts the body corporate becomes liable to pay for—
    - (i) compensation for death, illness and bodily injury; and
    - (ii) damage to property; and
  - (b) to the extent of—
    - (i) at least \$10m for a single event; and
    - (ii) at least \$10m in a single period of insurance.
- (4) In this section—

*relevant assets* means body corporate assets for which it is practicable to maintain public risk insurance.

## 188 Use affecting premium

- (1) This section applies if, because of the way that a lot is used, the premium for reinstatement insurance or the premium for public risk insurance required to be taken out by the body corporate is likely to increase.
- (2) The owner of the lot must give the body corporate details of the use.

### **189 Use of insurance money not paid under voluntary insurance scheme**

- (1) This section applies if the body corporate receives an amount of insurance money for damage to property, other than an amount paid under a voluntary insurance scheme.
- (2) The body corporate—
  - (a) if authorised by a resolution without dissent of the body corporate—may apply the amount for a purpose other than the repair, reinstatement or replacement of the damaged property; or
  - (b) if paragraph (a) does not apply—must apply the amount as soon as practicable to the repair, reinstatement or replacement of the damaged property.
- (3) However, the amount must not be applied to the repair, reinstatement or replacement of the property if the work would, apart from this section, be unlawful.
- (4) If, because of the damage, the community titles scheme is to be terminated, and an order of a court under the Act, or a resolution without dissent of the body corporate, requires the application of the amount for a purpose other than the repair, reinstatement or replacement of the damaged property, the amount must be applied as follows—
  - (a) first, the amount must be applied towards the discharge of registered mortgages (but the amount applied towards a mortgage over a particular lot can not be more than the proportion of the total insurance money attributable to the lot);
  - (b) the balance of the amount must be applied as required by the order or resolution.

### **190 Use of insurance money paid under voluntary insurance scheme**

If the body corporate receives an amount of insurance money for damage to property under a voluntary insurance scheme, the amount must be paid, subject to the prior claim of a

registered mortgagee, to the owner of the damaged property to which the payment relates.

  - (a) if authorised by the committee—be attached to a document in the presence of at least 2 committee members, 1 of whom must be the chairperson or secretary; or
  - (b) if a body corporate manager is acting under a chapter 3, part 5 engagement—be attached to a document in the

Maximum penalty—20 penalty units.

- (3) The notice must—

    - (i) be given by the person who becomes the owner of the lot; and
