Radiation Safety (Radiation Safety Standards) Notice 2021

Subordinate Legislation 2021 No. 133

made under the

Radiation Safety Act 1999

Contents

		Page
1	Short title	2
2	Commencement	2
3	Notice of making of radiation safety standards—Act, s 16	2
4	Where radiation safety standards and particular documents may be inspected—Act, s 16	2
Schedule 1	Radiation safety standards	3

[s 1]

1 Short title

This notice may be cited as the *Radiation Safety (Radiation Safety Standards) Notice 2021*.

2 Commencement

This notice commences on 1 September 2021.

3 Notice of making of radiation safety standards—Act, s 16

For section 16(4) of the Act, each of the documents mentioned in schedule 1 has been made as a radiation safety standard.

4 Where radiation safety standards and particular documents may be inspected—Act, s 16

For section 16(5) of the Act, the place where copies of the radiation safety standards and the provisions of any document applied, adopted or incorporated by the standards are available for inspection, without charge, during normal business hours is the department's office dealing with radiation health and safety.

Schedule 1 Radiation safety standards

section 3

- 1 Standard for ionising radiation apparatus—medical imaging (2021)
- 2 Standard for non-ionising radiation apparatus—medical or cosmetic procedures, or related practices (2021)
- 3 Standard for premises—ionising radiation sources (2021)
- 4 Standard for premises—non-ionising radiation apparatus (2021)
- 5 Standard for radiation sources—industrial, mining, manufacturing, and other practices (2021)

ENDNOTES

- 1 Made by the Minister for Health and Ambulance Services on 13 August 2021.
- 2 Notified on the Queensland legislation website on 27 August 2021.
- 3 The administering agency is Queensland Health.
