Part 4, division 11, heading, ‘Particular works’—
omit, insert—

Workers accommodation

4 Insertion of new pt 4, div 15

Part 4—
insert—

Division 15 Borumba Pumped Hydro Energy Storage Project Exploratory Works

28U Definitions for division

In this division—

exploratory works means the works described in the project report as the Borumba Pumped Hydro Energy Storage Project Exploratory Works.

facilitation works means the following works—

- (a) the parts of the project works that may be carried out with the exercise of a power the Coordinator-General may exercise under the Act;
- (b) other works reasonably required to support the project works that may be carried out with the exercise of a power the Coordinator-General may exercise under the Act only for, or in connection with, works undertaken by the Coordinator-General.

project report means the report of August 2024, prepared by the Coordinator-General, called ‘Borumba Pumped Hydro Energy Storage Project Exploratory Works – Geotechnical and Investigations’ and published on the department’s website.

project works means the works reasonably connected with, or incidental to, carrying out the part of the exploratory works described in the project report as the Project Works.

Queensland Hydro means Queensland Hydro Pty Ltd ACN 661 444 515.

28V Queensland Hydro directed to undertake particular works—Act, s 100

- (1) Subsection (2) is a direction for section 100 of the Act.
- (2) Queensland Hydro must undertake all parts of the project works that are not facilitation works.

28W Coordinator-General directed to undertake particular works—Act, s 109

- (1) Subsection (2) is a direction for section 109 of the Act.
- (2) The Coordinator-General must undertake the facilitation works.

ENDNOTES

- 1 Made by the Governor in Council on 11 September 2024.
- 2 Notified on the Queensland legislation website on 13 September 2024.
- 3 The administering agency is the Department of State Development and Infrastructure.
