Clause 7	Insertion of new s 21B	14
	Part 4, division 1—	15
	<i>insert</i> —	16
	21B Management principles of special wildlife reserves	17 18
	(1) A special wildlife reserve is to be managed to—	19
	(a) permanently protect the area’s exceptional natural and cultural resources and values; and	20 21 22
	(b) protect the area’s exceptional scientific values; and	23 24
	(c) present the area’s cultural and natural resources and values; and	25 26
	(d) ensure the only use of the area is nature-based and ecologically sustainable.	27 28

	(2) Also, a special wildlife reserve is to be managed to do any of the following stated in the conservation agreement for the reserve—	1 2 3
	(a) allow controlled scientific study and monitoring of the area’s natural resources;	4 5
	(b) provide opportunities for educational and recreational activities in a way consistent with the area’s natural and cultural resources and values;	6 7 8 9
	(c) provide opportunities for ecotourism in a way consistent with the area’s natural and cultural resources and values;	10 11 12
	(d) provide for the manipulation of the area’s natural and cultural resources to protect or restore the area’s natural or cultural values;	13 14 15

relocate and *renumber* in part 4, division 4A, as inserted by
this Act, as sections 53 to 55. 1
2

Clause 12 Insertion of new pt 4, div 3B 3

Part 4— 4

insert— 5

Division 3B Special wildlife reserves 6

43 Application of division 7

(1) This division applies to the following land— 8

(a) freehold land; 9

(b) Aboriginal land and Torres Strait Islander
land; 10
11

(c) land subject to a lease under the *Land Act*
1994; 12
13

(d) land that is a reserve under the *Land Act*
1994. 14
15

(2) However, this division does not apply to
transferable land under the *Aboriginal Land Act*
1991 or the *Torres Strait Islander Land Act 1991*. 16
17
18

(3) If a relevant provision is inconsistent with a
provision of another Act applying to land to
which this division applies, the relevant provision
prevails to the extent of the inconsistency. 19
20
21
22

(4) In this section— 23

relevant provision means— 24

(a) a provision of this division; and 25

(b) another provision of this Act applying to
land to which this division applies because
the land is in a special wildlife reserve. 26
27
28

43A Proposal for declaration of special wildlife reserve	1 2
(1) This section applies if, after considering the following matters in relation to an area of land, the Minister is satisfied the area should be declared as a special wildlife reserve—	3 4 5 6
(a) the State interest;	7
(b) the area’s exceptional natural and cultural resources and values.	8 9
(2) The Minister must prepare a proposal for the declaration.	10 11
(3) The proposal must describe the area (the <i>proposed reserve area</i>) to be included in the special wildlife reserve.	12 13 14
(4) The description of the proposed reserve area must include the following details—	15 16
(a) the geographical area of the proposed reserve area;	17 18
(b) the proposed reserve area’s exceptional natural and cultural resources and values.	19 20
(5) The Minister must give written notice about the proposal to—	21 22
(a) each person who has an interest in land in the proposed reserve area; and	23 24
(b) each holder of an exploration permit under the <i>Mineral Resources Act 1989</i> for land in the proposed reserve area; and	25 26 27
(c) each holder of an authority to prospect under the <i>Petroleum Act 1923</i> or the <i>Petroleum and Gas (Production and Safety) Act 2004</i> for land in the proposed reserve area; and	28 29 30 31 32

(d) each holder of a mining interest, geothermal tenure or GHG authority to which land in the proposed reserve area is subject.	1 2 3
(6) The notice must state a day by which the person may make submissions to the Minister about the proposal.	4 5 6
(7) If the Minister considers it is impracticable to give written notice under subsection (5) to persons of a particular class, the Minister may give the notice by taking reasonable steps to ensure the class is made aware of the proposal.	7 8 9 10 11
<i>Examples of taking reasonable steps—</i>	12
• advertising in newspapers or other publications	13
• publishing a notice on the department’s website	14
(8) In this section—	15
<i>State interest</i> means an interest the Minister considers to be an economic, environmental or community interest of the State.	16 17 18
43B Making conservation agreement for special wildlife reserve	19 20
(1) The Minister must, for the State, enter into a conservation agreement for a proposed special wildlife reserve if—	21 22 23
(a) the Minister and the landholder of land in the proposed reserve area for the special wildlife reserve agree—	24 25 26
(i) the land should be a special wildlife reserve; and	27 28
(ii) on the terms of the agreement for the reserve; and	29 30
(b) there is an approved management program for the reserve.	31 32
(2) However, if the rights or interests of a person	33

mentioned in section 43A(5) will be materially 1
affected by the conservation agreement, the 2
Minister must not enter into the agreement 3
without the person's written consent. 4

(3) In this section— 5

approved management program, for a special 6
wildlife reserve, means a management program 7
for the reserve approved by the Minister under 8
section 120EC. 9

**43C Terms of conservation agreement for special 10
wildlife reserve 11**

(1) A conservation agreement must— 12

(a) be consistent with the management 13
principles for a special wildlife reserve; and 14

(b) state it is binding on the landholder of the 15
land and the landholder's successors in title; 16
and 17

(c) contain terms prohibiting the following— 18

(i) the granting of a mining interest, 19
geothermal tenure or GHG authority in 20
relation to the land that can not be 21
granted in relation to a special wildlife 22
reserve under section 27; 23

(ii) the carrying out of an activity under the 24
Forestry Act 1959 on the land that is 25
prohibited from being carried out on a 26
special wildlife reserve under that Act; 27

(iii) the granting of a licence or permit 28
under the *Fossicking Act 1994* in 29
relation to the land. 30

(2) A conservation agreement may contain terms— 31

(a) requiring the State to provide financial or 32
other assistance; or 33

- | | |
|--|----------------------|
| (b) requiring the State to provide technical advice; or | 1
2 |
| (c) requiring the State to carry out stated activities; or | 3
4 |
| (d) allowing a landholder to carry out stated activities; or | 5
6 |
| (e) prohibiting a stated use of land in the special wildlife reserve; or | 7
8 |
| (f) restricting the use or management of land in the special wildlife reserve; or | 9
10 |
| (g) requiring a landholder to refrain from, or not to permit, stated activities; or | 11
12 |
| (h) requiring a landholder to carry out stated activities; or | 13
14 |
| (i) requiring a landholder to permit or restrict access to the special wildlife reserve by stated persons; or | 15
16
17 |
| (j) stating the way in which amounts provided to a landholder under the agreement are to be applied by the landholder; or | 18
19
20 |
| (k) requiring a landholder to repay amounts paid under the agreement if the landholder contravenes the agreement or the agreement ends; or | 21
22
23
24 |
| (l) providing for any other matter relating to the conservation of nature in the special wildlife reserve, including the implementation of the management program for the reserve. | 25
26
27
28 |

43D Declaration of special wildlife reserve 29

A regulation may declare an area of land the subject of a conservation agreement as a special wildlife reserve. 30
31
32

-
- 43E Agreeing to amend conservation agreement** 1
- (1) The Minister and landholders bound by a conservation agreement for a special wildlife reserve may agree to amend the agreement. 2
3
4
- (2) However, the amendment must not adversely affect the conservation of nature in the special wildlife reserve. 5
6
7
- (3) If the amendment materially affects the rights or interests of a person mentioned in section 43A(5), the amendment may be made only with the written consent of the person. 8
9
10
11
- (4) If a regulation under section 43J is required because of the amendment, the amendment does not take effect until the regulation commences. 12
13
14
- (5) Subsection (1) is subject to section 43C(1). 15
- 43F Leases etc. over land in special wildlife reserve** 16
17
- (1) A lease, agreement, licence, permit or other authority over, or in relation to, land in a special wildlife reserve (other than an agreement or a licence, permit or other authority issued or given under a regulation) may be granted, made, issued or given only— 18
19
20
21
22
23
- (a) by the chief executive under this Act with the consent of the landholder of the land; or 24
25
- (b) under another Act by— 26
- (i) the Governor in Council; or 27
- (ii) someone else with the consent of the Minister or chief executive; or 28
29
- (c) if the landholder of the land gives a lease or sublease of the land to another person—by the landholder with the consent of the chief executive. 30
31
32
33

- | | | |
|-----|---|-----------------------|
| (2) | A lease, agreement, licence, permit or other authority mentioned in subsection (1) must be consistent with the management principles and the conservation agreement for the special wildlife reserve. | 1
2
3
4
5 |
| (3) | As soon as practicable after a lease is granted or given under subsection (1), the person who granted or gave the lease must lodge the lease for registration with— | 6
7
8
9 |
| (a) | if the lease is over freehold land—the registrar of titles; or | 10
11 |
| (b) | otherwise—the chief executive (lands). | 12 |

43G Service facilities over land in special wildlife reserve 13
14

- | | | |
|-------|---|----------------------|
| (1) | The chief executive may grant, make, issue or give a lease, agreement, licence, permit or other authority over, or in relation to, land in a special wildlife reserve if— | 15
16
17
18 |
| (a) | the use under the authority is only for a new service facility; and | 19
20 |
| (b) | the landholder of the land consents to the use; and | 21
22 |
| (c) | the chief executive is satisfied— | 23 |
| (i) | the management principles and the conservation agreement for the special wildlife reserve will be observed to the greatest possible extent; and | 24
25
26
27 |
| (ii) | the use will be in the public interest; and | 28
29 |
| (iii) | the use is ecologically sustainable; and | 30 |
| (iv) | there is no reasonably practicable alternative to the use; and | 31
32 |

-
- (d) the use is prescribed by regulation to be a permitted use for the special wildlife reserve. 1
2
3
- (2) The chief executive may grant, make, issue or give a lease, agreement, licence, permit or other authority over, or in relation to, land in a special wildlife reserve if— 4
5
6
7
- (a) the use under the authority is only for an existing service facility; and 8
9
- (b) the chief executive is satisfied the use— 10
- (i) is ecologically sustainable; and 11
- (ii) does not include carrying out substantial improvements to the existing service facility. 12
13
14
- Examples of a substantial improvement to an existing service facility—* 15
16
- an upgrade of a road that provides access to a communications tower 17
18
 - the replacement of a pipeline with a larger pipeline 19
20
- (3) Subsection (1) has effect despite sections 15 and 43F(2). 21
22
- (4) Subsection (2) has effect despite sections 15, 43F(1)(a) and 43F(2). 23
24
- (5) In this section— 25
- new service facility*** means a service facility, other than an existing service facility. 26
27

43H Previous use authorities in special wildlife reserve 28
29

- (1) This section applies if— 30
- (a) land is declared as a special wildlife reserve; 31
and 32

- (b) immediately before the declaration, the land was being used (the *previous use*) by a person other than the landholder of the land in a way that is inconsistent with the management principles and conservation agreement for the special wildlife reserve. 1
2
3
4
5
6
- (2) The chief executive may grant an authority (a *previous use authority*) to the person over, or in relation to, the land to allow the previous use to continue for no longer than the allowable term. 7
8
9
10
- (3) A previous use authority must not be renewed. 11
- (4) This section— 12
- (a) applies despite sections 15, 43F(1)(a) and 43F(2); and 13
14
- (b) does not limit section 43G(2). 15
- (5) In this section— 16
- allowable term*, in relation to previous use on a special wildlife reserve, means— 17
18
- (a) if the previous use was under an authority— the unexpired term of the authority; or 19
20
- (b) otherwise—3 years after the declaration of the reserve. 21
22
- authority* means an agreement, lease, licence, permit or other authority. 23
24
- 43I Amalgamation of special wildlife reserves** 25
- A regulation may— 26
- (a) amalgamate the areas of 2 or more special wildlife reserves; and 27
28
- (b) assign a name to the amalgamated area. 29

43J Revocation of special wildlife reserves

- | | |
|--|----------------------------|
| | 1 |
| (1) A regulation may revoke the declaration of all or part of a special wildlife reserve. | 2
3 |
| (2) The regulation may be made only if the Legislative Assembly has, on a motion of which at least 28 days notice has been given, passed a resolution requesting the Governor in Council to make the revocation. | 4
5
6
7
8 |
| (3) Subsection (2) does not apply if the regulation— | 9 |
| (a) makes a minor change to the boundaries of a special wildlife reserve and the Minister is satisfied the change does not adversely affect the conservation of nature; or | 10
11
12
13 |
| <i>Example for paragraph (a)—</i> | 14 |
| changing the boundaries of a special wildlife reserve to align with a new survey of an existing road | 15
16
17 |
| (b) increases the area of land in a special wildlife reserve and the Minister is satisfied the increase does not adversely affect the conservation of nature; or | 18
19
20
21 |
| (c) dedicates the land subject of the revocation as a national park (scientific) or a national park. | 22
23
24 |
| (4) If the regulation revokes the declaration of all of a special wildlife reserve, the conservation agreement and management program for the reserve end on the revocation. | 25
26
27
28 |
| (5) If the regulation revokes the declaration of part of a special wildlife reserve, on the revocation, the conservation agreement and management program for the reserve stop having effect in relation to the land removed from the reserve. | 29
30
31
32
33 |

43K Conservation agreements for special wildlife reserves binding	1
	2
(1) A conservation agreement for a special wildlife reserve is binding on—	3
	4
(a) the landholder of the land in the reserve; and	5
(b) the landholder’s successors in title; and	6
(c) any other person with an interest in land in the reserve who consented to the agreement.	7
	8
(2) Subsection (1) applies even if—	9

Division 6A Management programs 8

120EA Preparation of management program 9

A landholder who intends to enter into a
conservation agreement for a special wildlife
reserve must prepare and give the Minister a
management program for the reserve. 10
11
12
13

120EB Content of management program 14

(1) A management program must state management
outcomes for the protection, presentation and use
of the special wildlife reserve and actions to
achieve the outcomes. 15
16
17
18

(2) A management program may also— 19

(a) divide the area of the special wildlife reserve
into management zones; and 20
21

(b) authorise or restrict the taking, using or
keeping of, or interfering with, a cultural or
natural resource of the reserve. 22
23
24

120EC Approval of management program 25

The Minister may approve a management
program for a special wildlife reserve only if the 26
27

Minister is satisfied—	1
(a) the program is consistent with the management principles and proposed conservation agreement for the reserve; and	2 3 4
(b) the program states appropriate management outcomes for the protection, presentation and use of the reserve and appropriate actions to achieve the outcomes; and	5 6 7 8
(c) if the program authorises or restricts the taking, using or keeping of, or interfering with, a cultural or natural resource—that the authorisation or restriction is ecologically sustainable.	9 10 11 12 13
120ED When management program has effect	14
A management program for a special wildlife reserve has effect when the reserve is declared under this Act.	15 16 17
120EE Implementation of management program	18
The landholder of land in a special wildlife reserve must give effect to the management program for the reserve.	19 20 21
120EF Amendment of management program	22
(1) The landholder of land in a special wildlife reserve may, at any time, prepare an amended management program for the reserve for approval by the chief executive.	23 24 25 26
(2) Section 120EC applies to the amended management program as if—	27 28
(a) a reference to the Minister were a reference to the chief executive; and	29 30

	(b) a reference to a management program were	1
	a reference to the amended management	2
	program.	3
	(3) An amended management program for a special	4
	wildlife reserve has effect when it is approved by	5
	the chief executive.	6

	120GA Review of management program	19
	(1) The chief executive and the landholder of land in	20
	a special wildlife reserve must jointly review the	21
	management program for the reserve—	22
	(a) no later than 5 years after the program first	23
	takes effect (the <i>first review</i>); and	24
	(b) subsequently, at intervals of not more than 5	25
	years after the first review.	26
	(2) Subsection (1) applies even if the management	27
	program has been amended in the period before	28
	the review is required.	29

	(3) On completing a review under subsection (1), the chief executive and landholder may agree—	1 2
	(a) that the landholder will prepare an amended management program under section 120EF; or	3 4 5
	(b) to leave the management program unchanged.	6 7
Clause 29	Replacement of s 134 (Records to be maintained by registrar)	8 9

	(a) a conservation agreement, including an amended conservation agreement;	15 16
	(b) a regulation or conservation plan identifying an area as, or including—	17 18
	(i) a critical habitat; or	19
	(ii) an area of major interest;	20
	(c) a regulation declaring a protected area.	21
	(2) The chief executive must, within 14 days after the instrument is made, give the registrar a compliant document for the instrument.	22 23 24
	(3) The registrar must record the information in the compliant document about the instrument, and the land to which it relates, in the appropriate register for the land in a way that a search of the register will show the existence of the instrument in relation to the land.	25 26 27 28 29 30
	(4) The record must also state where the instrument may be inspected.	31 32

-
- (5) Subsections (6) and (7) apply in relation to the following actions—
- (a) the ending of a conservation agreement;
 - (b) the removal of an area as, or including, a critical habitat or an area of major interest from a regulation or conservation plan;
 - (c) the revocation of a protected area, in whole or part.
- (6) The chief executive must, within 14 days after the action happens, give the registrar a compliant document for the action.
- (7) The registrar must record the happening of the action in the appropriate register for the land.
- (8) In this section—
- appropriate register*** means—
- (a) for freehold land—the freehold land register; or
 - (b) for other land—the appropriate register under the *Land Act 1994*.
- compliant document***, for an instrument or action, means a document stating the information about the instrument or action, and the land to which it applies, required by the registrar for recording the information in the appropriate register for the land.
