and 18
- (b) the licence states it is not subject to the condition. 19
- (3) Subsection (4) applies if the licence land for an access licence includes land in project area B. 20
21

23
24

(v) the access licence is surrendered under section 20;	12
(vi) the access licence is cancelled under section 21;	13
(vii) 29 June 2109.	14
(2) However, an access licence does not stop having effect under subsection (1)(b)(iii) if, before the day mentioned in the subsection, the holder of the licence complies with section 27(1)(a) in relation to a transfer of the licence.	15 16 17 18
(3) In this section—	19
<i>related project lease</i> , in relation to an access licence, means a project lease given in relation to the same development agreement as the access licence.	20 21 22
16 Effect on access licences if licence land stops being in particular areas	23 24
To remove any doubt, it is declared that—	25

	(d) if the access licence has been mortgaged—be accompanied by the mortgagee’s written consent to the amendment.	21 22 23
	(3) Section 11 applies in relation to the amendment application as if—	24 25
	(a) a reference in the section to a licence application were a reference to the amendment application; and	26 27
	(b) the reference in section 11(5) to section 12 were a reference to section 19.	28 29

-
- 19 Deciding amendment applications** 1

 - (a) the lessee must not interfere with another person’s lawful use of the lease land under an existing approval unless—
 - (i) the other person consents to the interference; or
 - (ii) the lessee has taken all reasonable steps to obtain the other person’s consent to the interference and the interference is reasonably required for the use of the land for the purpose of the project lease;

	condition imposed on the lease under chapter 5, part 2, division 1 or 3A of that Act.	1 2
(2)	However, a project lease is not subject to a condition mentioned in subsection (1)(c) if—	3 4
(a)	the Minister considers the condition is not appropriate; and	5 6
(b)	the project lease states it is not subject to the condition.	7

38	Particular conditions taken to be imposed conditions for Land Act 1994	18 19
(1)	For the <i>Land Act 1994</i> , a condition to which a project lease is subject under section 37, other than a condition mentioned in section 37(1)(e), is taken to be an imposed condition of the lease under that Act.	20 21 22 23
(2)	However—	24
(a)	the condition binds the lessee whether or not the condition is registered under the <i>Land Act 1994</i> ; and	25 26
(b)	the following provisions of the <i>Land Act 1994</i> do not apply in relation to the condition—	27 28
(i)	chapter 5, part 2, division 3;	29

- (iv) section 240P(6) and (8). 1
- 39 When project leases stop having effect** 2

having effect; or 6
- (b) the related access licence stops having effect; or 7
- (c) the lease is surrendered under section 41. 8
- (2) Also, a project lease stops having effect on the day that is 30 9
days after the lessee stops being the proponent for the relevant 10
development agreement for the lease unless the lessee 11
complies with section 49(1)(a) in relation to a transfer of the 12
lease before that day. 13
- (3) To remove any doubt, it is declared that— 14
- (a) a project lease in relation to land that is a State forest or 15
State plantation forest does not stop having effect only 16
because the land stops being a State forest or State 17
plantation forest; and 18
- (b) a project lease in relation to land in the licence area for a 19
plantation licence or plantation sublicense does not stop 20
having effect only because— 21
- (i) the land stops being in the licence area; or 22
- (ii) the plantation licence or plantation sublicense 23
stops having effect. 24
- 40 Effect of project leases ending** 25
- If a project lease stops having effect in relation to land— 26
- (a) any part of the land that is State forest remains State 27
forest; and 28
- (b) any part of the land that is a reserve remains a reserve; 29
and 30

[s 41]

- (1) The lessee for a project lease may surrender all or part of the lease— 7
8
- (a) on terms agreed between the lessee and the Minister; 9

15
16
- (b) with any other necessary changes. 17

42 Transfers of project leases 18

- (1) A project lease may be transferred to another entity (the *transferee*)— 19
20
- (a) only if— 21
- (i) the lessee stops being the proponent for the relevant development agreement for the lease; and 22
23
- (ii) the transferee is the new proponent for the relevant development agreement for the lease; and 24
25
- (iii) the transferee is, under the *Land Act 1994*, eligible to hold the lease; and 26
27
- (iv) the Minister, by notice given to the lessee, approves the transfer; and 28
29

-
- (b) except to the extent any of the following prohibit the transfer—

Division 5 Renewal of project leases 15

43 Making renewal applications 16

- (1) The lessee for a project lease may apply (a *renewal application*) to the Minister for the renewal of the lease.
- (2) However, subsection (1) does not apply if—
- (a) the project lease was given under section 46(1); or
 - (b) the relevant development agreement for the project lease, or a condition of the lease, prohibits the renewal of the lease.
- (3) Also, the renewal application may be made only after 90% of the term of the project lease has expired unless, in the Minister’s opinion, special circumstances exist.
- (4) The renewal application must—
- (a) be in writing; and
 - (b) state the proposed term of the renewed project lease; and

[s 44]

(c)	provide evidence the conditions precedent for the renewal of the project lease have been met; and	1 2
(d)	comply with a requirement for the renewal application stated in the relevant development agreement for the project lease; and	3 4 5
(e)	be accompanied by the fee prescribed by regulation.	6
(5)	Section 30 applies in relation to the renewal application as if—	7 8
(a)	a reference in the section to a lease application were a reference to the renewal application; and	9 10
(b)	the reference in section 30(5) to section 31 were a reference to section 44.	11 12
44	Deciding renewal applications	13
(1)	After receiving the renewal application, the Minister must—	14
(a)	if satisfied the conditions precedent for the renewal of the project lease have been met—offer a new project lease to the applicant; or	15 16 17
(b)	otherwise—refuse the application.	18
(2)	However, the Minister may refuse the renewal application if satisfied the applicant has not complied with a condition of the project lease.	19 20 21
	<i>Note—</i>	22
	See also section 30(5) as applied by section 43(5).	23
(3)	If the decision is to refuse the renewal application, the Minister must give the applicant notice of the decision, including the reasons for the decision.	24 25 26
45	Notices of offer	27
(1)	If the Minister decides to offer a new project lease under section 44(1)(a), the Minister must give the applicant a notice stating—	28 29 30

-
- (a) any conditions on which the offer is made; and 1
- (b) the conditions to which the new project lease will be 2
subject under section 37; and 3
- (c) the rent payable under the *Land Act 1994* for the new 4
project lease; and 5
- (d) the term of the new project lease. 6
- (2) For subsection (1)(d), the term of the new project lease must 7
end on or before the earlier of the following days— 8
- (a) the day that is 45 years after the new project lease takes 9
effect; 10
- (b) 29 June 2109. 11
- (3) The *Land Act 1994*, sections 441A and 442 apply in relation 12
to the offer as if the offer were made under that Act. 13
- (4) The offer is accepted only if the applicant complies with the 14
conditions of the offer. 15
- (5) The offer is taken not to have been made, and any acceptance 16
of the offer has no effect, if, before the new project lease is 17
given, the project lease the subject of the renewal application 18
stops having effect. 19
- 46 When Land Act Minister must give new project leases 20**
- (1) If the applicant for a renewal application accepts an offer of a 21
new project lease under this division, the Land Act Minister 22
must, under the *Land Act 1994*, section 15(2)(b), give the 23
lease to the applicant in accordance with the terms of the 24
accepted offer. 25
- (2) If the lease land is not a reserve, subsection (1) applies as if 26
the lease land were a reserve. 27
- (3) Subsection (1) applies subject to the *Land Act 1994*, section 28
138. 29
- (4) The new project lease must be for the same purpose as the 30
project lease the subject of the renewal application. 31

[s 47]

- (5) The *Land Act 1994*, section 162(5) to (7) applies in relation to the new project lease as if—
- (a) a reference in the section to a new lease were a reference to the new project lease; and
 - (b) a reference in the section to an old lease were a reference to the project lease the subject of the renewal application.
- 47 Application of Land Act 1994, s 434B to renewal applications**
- (1) The *Land Act 1994*, section 434B applies in relation to a renewal application for a project lease as if—
- (a) a reference in the section to an application were a reference to the renewal application; and
 - (b) a reference in the section to ‘the Minister’ were a reference to the Minister responsible for administering this Act.
- (2) Despite the *Land Act 1994*, section 434B, the term of the project lease must not be extended under that section beyond 29 June 2109.
- Division 6 Registration of particular matters**
- 48 Requirements if project leases stop having effect**
- (1) If a project lease stops having effect under section 39 because the lease has been surrendered under section 41—
- (a) the Minister must lodge with the chief executive (lands) the documents required for the surrender under the *Land Act 1994*, section 327E; and
 - (b) the chief executive (lands) must register the surrender in the land registry.
- (2) Subsection (1)(b) is subject to the *Land Act 1994*, section 330(b) and (c).

-
- (3) If a project lease stops having effect under section 39 other than because the lease has been surrendered under section 41—

Part 5 Internal review of decisions

50 Who may apply for internal review

- (1) This section applies in relation to a renewal application for a project lease that is refused under section 44 if the only reason for the refusal is that the applicant has not complied with a condition of the lease.

[s 51]

- (2) The applicant for the renewal application may apply to the Minister for a review of the decision (an *internal review*). 1
2
- 51 Applications for internal review** 3
- (1) The application for internal review must be made within— 4
- (a) 42 days after notice of the decision is given to the applicant under section 44(3); or 5
6
