former by-law means a by-law within the meaning of the former Acts that was in force immediately before the appointed day.

former common property means so much of a former parcel as, immediately before the appointed day, was not comprised in any former lot.

former plan means a former building units plan or a former group titles plan.

former proprietor means a person who, immediately before the appointed day, was a proprietor of a former lot.

- (1A) For the purposes of the application of any provision of this Act to or in respect of a plan to which the provisions of this Act apply by reason of subsection (5), a reference to an original proprietor is a reference to the person who held the former parcel in fee simple at the time of registration of the former plan in respect thereof.
- (1B) The express application with or without modification of any provision of this Act by any provision of this section to or in respect of any act, matter or thing referred to in this section shall not, except in so far as a contrary intention appears, be construed as preventing or limiting the application of any other provision of this Act to that or any other act, matter or thing.

(2) **Registration of plans**

Notwithstanding section 9 or 10 a building units plan, group titles plan, building units plan of resubdivision or group titles plan of resubdivision within the meaning of the former Acts which is first lodged for registration after the appointed day may be registered as a building units plan, group titles plan, building units plan of resubdivision or group titles plan of

resubdivision, as the case may be, but shall not be so registered unless—

- (a) the requirements of the former Acts have been or are complied with in so far as those requirements relate to the registration of a building units plan, group titles plan, building units plan of resubdivision or group titles plan of resubdivision, as the case may be; and
 - (b) in the case of a building units plan—the certificate referred to in the *Building Units Titles Act 1965*, section 4(6)(b) states that the approval given by the local authority to the erection of that building was given not earlier than 2 years before the appointed day; and
 - (c) in the case of a group titles plan—the certificate referred to in the *Group Titles Act 1973*, section 4(5) states that the decision of the local authority to approve in principle the application for that certificate was given not earlier than 2 years before the appointed day.
- (2A) Without limiting the generality of subsection (2)(a), for the purpose of enabling a person to comply, as referred to in that subsection, with the requirements of the former Acts—
- (a) the provisions of the *Building Units Titles Act 1965*, section 20 (other than subsection (4)(a), (c), (d), (e), (f) and (g)) apply to and in respect of an application for a certificate referred to in section 4(6)(b) of that Act relating to the proposed subdivision illustrated by a building units plan or building units plan of resubdivision referred to in subsection (2); and
 - (b) the provisions of the *Group Titles Act 1973*, section 18 (other than subsection (5)(a), (c), (d), (e), (f) and (g)) apply to and in respect of an application for a certificate referred to in section 4(5) of that Act, relating to the proposed subdivision illustrated by a group titles plan or group titles plan of resubdivision referred to in subsection (2);

as if the former Acts had not been repealed.

- (2B) Where a plan is registered under subsection (2), the land comprised in the plan shall be deemed to have been subdivided under this Act into lots and common property in the same manner as that land would have been subdivided if that plan had been registered under the former Acts and any such lots or common property shall, for the purposes of this Act, be deemed to be lots or common property.
- (2C) For the purposes of the registration of a plan under subsection (2), the reference in section 10(5) to a building units plan of resubdivision or a group titles plan of resubdivision shall be construed as a reference to a building units plan of resubdivision within the meaning of the *Building Units Titles Act 1965*, section 20(4) or, as the case may be, a group titles plan of resubdivision within the meaning of the *Group Titles Act 1973*, section 18(5).
- (2D) Where, under any provision of this Act, any act, matter or thing depends on or results from (either directly or indirectly) the registration of a plan, that provision operates in relation to the registration of a plan under subsection (2) in the same way as it operates in relation to the registration of a plan.
- (2E) Subject to subsections (2) to (2D) and (2F) to (2H), a reference in this Act to a building units plan, group titles plan, building units plan of resubdivision or group titles plan of resubdivision includes a reference to a plan registered under subsection (2) as a building units plan, group titles plan, building units plan of resubdivision or group titles plan of resubdivision, as the case may be.
- (2F) The address endorsed, as referred to in the *Building Units Titles Act 1965*, section 4(1)(h) or the *Group Titles Act 1973*, section 4(1)(h), upon a plan registered under subsection (2) shall, for the purposes of this Act, be deemed to be the address for the service of notices on the body corporate concerned until that address is altered in accordance with this Act.
- (2G) The schedule endorsed, as referred to in the *Building Units Titles Act 1965*, section 18 or the *Group Titles Act 1973*, section 15, upon a plan (not being a building units plan of resubdivision within the meaning of the *Building Units Titles*

Act 1965, section 20(4) or a group titles plan of resubdivision within the meaning of the *Group Titles Act 1973*, section 18(5)) registered under subsection (2) shall, for the purposes of this Act, be deemed to be the schedule referred to in section 9(1)(f) or 9(2)(f), as the case may be.

- (2H) A reference to a lot or unit shown in a plan capable of being registered under subsection (2) made in any instrument executed before the registration of that plan under subsection (2) (being an instrument relating to the sale or other disposition of an estate or interest in the lot or unit so shown) shall, on and after the registration of that plan, be construed as a reference to the lot which corresponds to the lot or unit so shown.

(3) **Continuation of bodies corporate**

- (b) was executed pursuant to an agreement entered into by the body corporate before the appointed day;
