Part 1 Preliminary

1 Short title

This Act may be cited as the *First Home Owner Grant Act 2000*.

2 Commencement

This Act commences on 1 July 2000.

Part 2 Interpretation

Division 1 General

3 Definitions

The dictionary in the schedule defines particular words used in this Act.

Division 2 Basic concepts

4 Meaning of *eligibility criteria*

The *eligibility criteria* are the criteria, under part 3, division 2, for deciding whether an applicant for a first home owner grant is eligible for the grant.

5 Meaning of *eligible transaction*

(1) An *eligible transaction* is—

- (a) a contract made on or after 1 July 2000 for the purchase of a new home in the State; or
- (b) a comprehensive home building contract made by the owner of land in the State, or a person who will on completion of the contract be the owner of land in the State, to have a new home built on the land, if the contract is made on or after 1 July 2000; or
- (c) the building of a new home in the State by an owner builder if the building work starts on or after 1 July 2000.

(2) Also, each of the following is an *eligible transaction*—

- (a) a contract made on or after 1 July 2000 but before 11 October 2012 for the purchase of a home, other than a new home, in the State;
- (b) a comprehensive home building contract made by the owner of land in the State, or a person who will on completion of the contract be the owner of land in the State, to have a home, other than a new home, built on the land, if the contract is made on or after 1 July 2000 but before 11 October 2012;
- (c) the building of a home, other than a new home, in the State by an owner builder if the building work starts on or after 1 July 2000 but before 11 October 2012.

-
- (3) For subsections (1)(a) and (2)(a), a contract is a contract for the purchase of a new home or other home if the contract is a contract for the acquisition of a relevant interest in land—
- (a) on which a new home or other home is built; or
 - (b) on which a new home or other home is to be built, before completion of the contract, by or for the vendor and at the expense of the vendor.
- (4) However, a contract is not an eligible transaction if the commissioner is satisfied it forms part of a scheme to circumvent limitations on, or requirements affecting, eligibility or entitlement to a first home owner grant.
- (5) Unless satisfied to the contrary, the commissioner must presume the existence of a scheme mentioned in subsection (4) if—
- (a) for a contract to purchase a new home or other home—the purchaser had an option to purchase the home granted before 1 July 2000 or the vendor had an option to require the purchaser to purchase the home granted before that date; or
 - (b) for a comprehensive home building contract—either party had a right or option granted before 1 July 2000 to require the other to enter into the contract.
- (6) Also, a transaction is not an eligible transaction if the consideration for the transaction is \$750,000 or more.
- (7) Also, a contract mentioned in subsection (1)(a) or (2)(a) is not an eligible transaction if the total of the following—
- (a) the unencumbered value of the new home or other home;
 - (b) the unencumbered value of the relevant interest in the land, on which the new home or other home is built or to be built, at the commencement date for the contract;
- is \$750,000 or more.

[s 6]

- (8) Also, a contract mentioned in subsection (1)(b) or (2)(b) to have a new home or other home built on land is not an eligible transaction if the total of the following—
- (a) the consideration for the transaction;
 - (b) the unencumbered value of the land at the commencement date for the contract;
- is \$750,000 or more.
- (9) Also, a transaction mentioned in subsection (1)(c) or (2)(c) is not an eligible transaction if the total of the following—
- (a) the consideration for the transaction;
 - (b) the unencumbered value of the land, on which the new home or other home is to be built, at the commencement date for the transaction;
- is \$750,000 or more.

6 Meaning of *home* and *new home*

- (1) A *home* is a building, fixed to land, that—
- (a) may lawfully be used as a place of residence; and
 - (b) is a suitable building for use as a place of residence.
- (2) A *new home* is a home that—
- (a) has not been previously occupied or sold as a place of residence; or
 - (b) is a substantially renovated home.
- (3) For subsection (2)(b), a home is a substantially renovated home if—
- (a) the home is the subject of a contract for the purchase of the home; and
 - (b) the sale of the home under the contract is, under the *A New Tax System (Goods and Services Tax) Act 1999* (Cwlth), a taxable supply as a sale of new residential premises as defined under section 40-75(1)(b) of that Act; and

- (c) the home, as renovated, has not been previously occupied or sold as a place of residence.

7 Meaning of *home owner* or *owner* of a home

A person is a *home owner* or *owner* of a home if the person has a relevant interest in the land on which the home is built.

8 Meaning of *relevant interest*

- (1) A *relevant interest* in land is—
 - (a) an estate in fee simple in the land; or
 - (b) a life estate in the land; or
 - (c) a perpetual lease of the land granted by the Commonwealth or the State; or
 - (d) a leasehold interest in the land granted by the Commonwealth or the State that may be converted into an estate in fee simple under the terms of the lease or the Act under which the lease is granted; or
 - (e) a term lease for pastoral purposes granted under the *Land Act 1994*; or
 - (f) an interest as purchaser under—
 - (i) a contract for the purchase from the Commonwealth or the State, or any Commonwealth or State instrumentality or authority, of an estate in fee simple in the land by instalments; or
 - (ii) an instalment contract under the *Property Law Act 1974*, part 6, division 4, for the purchase of an estate in fee simple in the land; or
 - (g) a licence or right of occupancy granted by the Commonwealth or the State, or any Commonwealth or State instrumentality or authority, that gives, in the commissioner's opinion, the licensee or the holder of the right reasonable security of tenure; or

- (h) an interest in a company's shares if the commissioner is satisfied that—
 - (i) the interest entitles the holder of the interest to exclusive occupation of a specified home owned by the company; and
 - (ii) the home was built before the holder of the interest acquired the interest or entered into an agreement to acquire the interest; and
 - (iii) the value of the shares is not less than the value of the company's interest in the home; or
- (i) another interest declared by regulation to be a relevant interest.

Note—

Also, see the schedule, definition *residential property* and section 14.

- (2) However—
 - (a) an interest is not a relevant interest at a particular time unless the holder of the interest has, or will have within 1 year after that time, a right to immediate occupation of the land; and
 - (b) an interest is not a relevant interest in the hands of a person who holds it subject to a trust.
- (3) A regulation under subsection (1)(i) may declare an interest to be a relevant interest in land even though the interest may not be recognised at law or in equity as an interest in land.
- (4) If a person holds an interest in land on trust as guardian for a person under a legal disability and the interest would be a relevant interest if it were not for subsection (2)(b)—
 - (a) the person under the legal disability is taken to be the person who holds a relevant interest in the land; and
 - (b) the guardian is taken not to hold the interest.

8A Meaning of *unencumbered value*

- (1) The *unencumbered value* of property is the value of the property determined without regard to—
 - (a) any encumbrance to which the property is subject, whether contingently or otherwise; or
 - (b) any arrangement—
 - (i) the parties to which are not dealing with each other at arm's length; and
 - (ii) that results in the reduction of the value of the property; or
 - (c) any arrangement for which a significant purpose of any party to the arrangement was, in the commissioner's opinion, the reduction of the value of the property.
- (2) Also, the *unencumbered value* of property held by a person on trust as guardian for another person who is under a legal disability must be determined without regard to the liabilities of the trust, including the liability to indemnify the trustee.
- (3) In this section—

property means—

 - (a) a home; or
 - (b) land; or
 - (c) a relevant interest in land.

9 Meaning of *spouse*

- (1) Subject to subsections (2) to (6), a *spouse* is a person who is—
 - (a) married; or
 - (b) a de facto partner; or

Note—
See the *Acts Interpretation Act 1954*, section 32DA.

 - (c) a civil partner.

- (2) A person is a de facto partner of another person only if they are living together as a couple on a genuine domestic basis within the meaning of the *Acts Interpretation Act 1954*, section 32DA, and, for at least 2 years, have so lived together as a couple.
- (3) Subsection (4) applies if the commissioner is satisfied, when deciding an application for a first home owner grant, that—
 - (a) an applicant for the grant—
 - (i) is married but is living apart from the person to whom the applicant is married; or
 - (ii) is in a registered relationship but is living apart from the person with whom the applicant is in a civil partnership; and
 - (b) the applicant and the person mentioned in paragraph (a)(i) or (ii) have no intention of again living together as a couple.
- (4) The person to whom the applicant is married, or with whom the applicant is in a civil partnership, must not be regarded as the applicant's spouse.
- (5) Subsection (6) applies if the commissioner is satisfied, when deciding an application for a first home owner grant, an applicant for the grant—
 - (a) is living apart from the person who, under this section, would otherwise be the applicant's de facto partner; and
 - (b) they intend to again live together as a couple on a genuine domestic basis within the meaning of the *Acts Interpretation Act 1954*, section 32DA.
- (6) The person must be regarded as the applicant's spouse.
- (7) This section applies despite the *Acts Interpretation Act 1954*, section 32DA(6).

Part 3 First home owner grants

Division 1 Entitlement to grant

10 When grant is payable

- (1) A first home owner grant is payable on an application under this Act if—
 - (a) the applicant or, if there are 2 or more of them, each of the applicants complies with the eligibility criteria; and
 - (b) the transaction for which the grant is sought—
 - (i) is an eligible transaction; and
 - (ii) has been completed.

Note—

For authorisation of payment of the grant before the completion of the eligible transaction, see section 19(2).

- (2) Despite subsection (1)(a), an applicant need not comply with the eligibility criteria to the extent the applicant is exempted from compliance under this Act.
- (3) Only 1 first home owner grant is payable for the same eligible transaction.

Division 2 Eligibility criteria—applicants

11 Criterion 1—Applicant to be a natural person and at least 18 years of age

- (1) An applicant for a first home owner grant must be—
 - (a) a natural person; and
 - (b) at least 18 years of age at the commencement date for the eligible transaction.

- (2) The commissioner may exempt an applicant from the requirement in subsection (1)(b) if the commissioner is satisfied—
 - (a) the applicant will comply with criterion 5 as applying to the applicant under section 15; and
 - (b) the application does not form part of a scheme to circumvent limitations on, or requirements affecting, eligibility for or entitlement to a first home owner grant.

12 Criterion 2—Applicant to be Australian citizen or permanent resident

- (1) Subject to subsection (2), an applicant for a first home owner grant must be an Australian citizen or a permanent resident.
- (2) If an application is made by joint applicants and 1 of the applicants is an Australian citizen or a permanent resident, it is not necessary for the other or others to be Australian citizens or permanent residents.

13 Criterion 3—Applicant or applicant’s spouse must not have received an earlier grant

- (1) An applicant is ineligible if—
 - (a) the applicant or the applicant’s spouse has been a party to an earlier application under this Act or a corresponding law; and
 - (b) a grant was paid on the application.
- (2) However, an applicant is not ineligible if—
 - (a) the grant was later paid back; and
 - (b) the basis for the repayment of the grant was a failure to satisfy section 10(1); and
 - (c) any penalty amount payable under section 47 was also paid in relation to the earlier application.

14 Criterion 4—Applicant or applicant’s spouse must not have had relevant interest in residential property

- (1) An applicant is ineligible if the applicant or applicant’s spouse has, before 1 July 2000, held—
 - (a) a relevant interest in residential property in Queensland; or
 - (b) an interest in residential property in another State that is a relevant interest under a corresponding law of that State.
- (2) However, the applicant is not ineligible if—
 - (a) the relevant interest is an interest as purchaser of an estate in fee simple in land under a contract mentioned in section 8(1)(f); and
 - (b) the contract was terminated within 1 year after the contract was entered into; and
 - (c) the applicant or applicant’s spouse did not acquire an estate in fee simple in the land.
- (3) For subsection (1), in deciding whether an applicant held a relevant interest, under this Act or a corresponding law, in residential property at a particular time, any deferment of the applicant’s right of occupation, because the property was subject to a lease, must be disregarded.
- (4) An applicant is ineligible if the applicant or the applicant’s spouse has, on or after 1 July 2000 and before the date on which the application is made, held an interest in property (other than the property to which the application relates) used at any time on or after 1 July 2000 as the residence of the applicant or the applicant’s spouse, being—
 - (a) a relevant interest in residential property in Queensland; or
 - (b) an interest in residential property in another State that is a relevant interest under the corresponding law of that State.

- (5) However, for subsection (4), the applicant or the applicant's spouse is taken not to have used the property as the residence of the applicant or the applicant's spouse if—
- (a) the property was the subject of an earlier application under this Act by the applicant; and
 - (b) a first home owner grant was paid under the earlier application; and
 - (c) because of a failure to satisfy criterion 5 as applying to the applicant under section 15 in relation to the earlier application, the applicant repaid the grant.

15 Criterion 5—Residence requirements

- (1) An applicant for a first home owner grant must occupy the home to which the application relates as the applicant's principal place of residence for a continuous period of at least 6 months.
- (2) However, if the commissioner is satisfied there are good reasons to do so, the commissioner may—
- (a) approve a shorter period; or
 - (b) exempt the applicant from the requirement to comply with subsection (1).
- (3) The period of occupation required under subsection (1), or the shorter period approved under subsection (2)(a), must start within 1 year after completion of the eligible transaction or a longer period approved by the commissioner.
- (4) The commissioner may exempt an applicant from the residence requirement under subsection (3) if—
- (a) the applicant is 1 of 2 or more joint applicants for a first home owner grant; and
 - (b) at least 1 of the applicants complies with the residence requirement; and
 - (c) the commissioner is satisfied there are good reasons to exempt the applicant from the residence requirement.

- (5) The commissioner may give an approval or exemption under subsection (2), (3) or (4) at any time, even if the period to which the approval or exemption relates has ended.

Division 3 Application for grant

16 Application for grant

- (1) An application for a first home owner grant must be made to the commissioner or an agent of the commissioner.
- (2) The application must be—
- (a) in the approved form; and
 - (b) supported by the information required by the commissioner.
- (3) The application may only be made within a period (the *application period*)—
- (a) starting on the commencement date of the eligible transaction to which the application relates; and
 - (b) ending 1 year after the completion of the eligible transaction to which the application relates.
- (4) However, the commissioner may allow an application to be made before or after the application period.

17 All interested persons to join in application

- (1) All interested persons must be applicants.
- (2) For subsection (1), an interested person is a person who is, or will be, on completion of the eligible transaction to which the application relates, an owner of the relevant home, other than a person prescribed under a regulation.

18 Application on behalf of person under legal disability

- (1) An application may be made on behalf of a person under a legal disability by a guardian.
- (2) For deciding eligibility, the person under the legal disability must be regarded as the applicant.

Division 4 Decision on application

19 Commissioner to decide applications

- (1) If the commissioner is satisfied a first home owner grant is payable on an application, the commissioner must authorise the payment of the grant.
- (2) The commissioner may authorise the payment of the grant before the completion of the eligible transaction if the commissioner is satisfied it is appropriate in particular circumstances.

20 Amount of grant

- (1) The amount of a first home owner grant is the lesser of the following—
 - (a) the consideration for the eligible transaction;
 - (b) either—
 - (i) for a new home eligible transaction—\$15,000; or
 - (ii) for another eligible transaction—\$7000.
- (2) In this section—

new home eligible transaction means an eligible transaction mentioned in section 5(1).

21 Payment of grant

- (1) A first home owner grant must be paid by electronic funds transfer, cheque or in any other way the commissioner considers appropriate.
- (2) A first home owner grant must be paid to—
 - (a) the applicant; or
 - (b) someone else to whom the applicant directs in writing the grant be paid.
- (3) If the applicant requests, the commissioner may apply the amount of a first home owner grant, or part of the amount, towards a liability for State taxes, fees or charges.

22 Payment in anticipation of compliance with residence requirements

- (1) The commissioner may authorise payment of a first home owner grant in anticipation of compliance with the residence requirements if the commissioner is satisfied each applicant intends to comply with the residence requirements.
- (2) If a first home owner grant is paid in anticipation of compliance with the residence requirements, the payment is made on condition that, if the residence requirements are not complied with, the applicants must within 14 days after the relevant date—
 - (a) give written notice of that fact to the commissioner; and
 - (b) repay the amount of the grant.
- (3) For subsection (2), the relevant date is the earlier of the following—
 - (a) the end of the period allowed for compliance with the residence requirements;
 - (b) the date on which it first becomes apparent that the residence requirements will not be complied with during the period allowed for compliance.

[s 22A]

- (4) For a joint application, each applicant is individually liable to comply with the requirements under subsection (2)(a) and (b) but compliance by any 1 or more of them must be regarded as compliance by both or all.
- (5) A person must not, without reasonable excuse, fail to comply with a condition mentioned in subsection (2).

Maximum penalty—40 penalty units.

22A Repayment of grant after completion of particular transactions

- (1) This section applies if—
 - (a) a first home owner grant is paid before the completion of a relevant transaction; and
 - (b) on completion of the transaction—
 - (i) the unencumbered value of a new home or other home the subject of the transaction results in the transaction not being an eligible transaction under section 5(7); or
 - (ii) the consideration for the transaction results in the transaction not being an eligible transaction under section 5(8) or (9).

- (2) The applicant for the grant must within 28 days after completion of the transaction—
 - (a) give written notice to the commissioner that the transaction is not an eligible transaction; and
 - (b) repay the amount of the grant.

Maximum penalty—40 penalty units.

- (3) For a joint application, each applicant is individually liable to comply with the requirements under subsection (2)(a) and (b), but compliance by any one or more of them must be regarded as compliance by both or all.

- (4) In this section—

relevant transaction means—

-
- (a) a contract mentioned in section 5(1)(b) or (2)(b) to have a new home or other home built on land; or
 - (b) a transaction mentioned in section 5(1)(c) or (2)(c); or
 - (c) a contract mentioned in section 5(3)(b).

23 Conditions generally

- (1) The commissioner may authorise the payment of a first home owner grant on the reasonable conditions the commissioner considers appropriate.
- (2) A condition imposed by the commissioner, under this section or another provision of this Act, may require a person on whose application the first home owner grant is paid—
 - (a) to give notice of non-compliance with the condition within a period stated in the condition; and
 - (b) to repay the grant within a period stated in the condition.
- (3) For a joint application, each applicant is individually liable to comply with a requirement under subsection (2) but compliance by any 1 or more of them must be regarded as compliance by both or all.
- (4) A person must not, without reasonable excuse, fail to comply with a condition imposed by the commissioner, under this section or another provision of this Act.

Maximum penalty—40 penalty units.

24 Death of applicant

- (1) An application for a first home owner grant does not lapse because an applicant dies before the application is decided.
- (2) If an applicant dies before the application is decided, the following provisions apply—
 - (a) if the deceased was 1 of 2 or more applicants and 1 or more applicants survive—the application must be dealt with as if the surviving applicants were the sole applicants;

- (b) if paragraph (a) does not apply—a first home owner grant, if payable on the application, must be paid to the deceased’s personal representative.
- (3) Subsection (4) applies if—
 - (a) a deceased applicant for a first home owner grant had not, when the applicant died, complied with criterion 5, as applying to the applicant under section 15 immediately before the applicant’s death; and
 - (b) the commissioner is satisfied the applicant intended to comply with the criterion.
- (4) The deceased applicant is taken to have complied with criterion 5.

25 Notice of decision

- (1) If the commissioner decides an application, or decides to vary or reverse an earlier decision on an application, the commissioner must give the applicant written notice of the decision.
- (2) If the decision authorises the payment of a first home owner grant without conditions, payment of the grant is sufficient notice of the decision.
- (3) If the decision is to refuse an application, or to vary or reverse an earlier decision on an application, the notice must state the following—
