Planning and Environment Court Rules 2018

Part 1 Preliminary

1 Short title

These rules may be cited as the *Planning and Environment Court Rules 2018*.

2 Commencement

These rules commence on 4 July 2018.

3 Definitions

The dictionary in schedule 1 defines particular words used in these rules.

4 Application of rules

- (1) These rules apply to a P&E Court proceeding.
- (2) If these rules do not provide for a matter in relation to a P&E Court proceeding and the rules applying in the District Court would provide for the matter in relation to a proceeding in the District Court, the rules applying in the District Court apply for the matter in the P&E Court with necessary changes.

Notes—

- 1 Under section 13(4) of the Act, the rules may be uniform rules that apply to other courts.
- 2 See section 14(5) of the Act for when an order or direction of the P&E Court, or a direction of the Chief Judge, prevails over these rules.

5 Compliance with rules and orders of the P&E Court

The P&E Court may—

- (a) waive compliance with a provision of these rules if the court considers compliance would be likely to cause injustice, unreasonable expense or inconvenience or otherwise considers waiving compliance appropriate; or
- (b) excuse noncompliance with a provision of these rules; or
- (c) impose appropriate sanctions if a party to a P&E Court proceeding does not comply with these rules or an order of the court.

Example for paragraph (c)—

The P&E Court may dismiss a P&E Court proceeding if a party to the proceeding fails to proceed as required by these rules or an order of the court.

Part 2 Conduct of P&E Court proceedings

Division 1 Starting P&E Court proceedings

6 Starting P&E Court proceeding other than appeal

A P&E Court proceeding, other than an appeal, is started by filing an originating application.

a declaratory proceeding

Note—

For starting a Planning Act appeal, see the Planning Act, section 230.

7 Where to start P&E Court proceeding

A P&E Court proceeding may be started in any registry of the P&E Court.

Note—

For the registries of the P&E Court, see section 68 of the Act.

8 Originating process—respondent

- (1) An originating application must name as a respondent the entity directly affected by the relief sought.
- (2) A notice of appeal must name as a respondent or co-respondent the entity that is the respondent or co-respondent under an Act.

9 Originating process—content

The originating process for a P&E Court proceeding must state—

 - (e) the telephone number of the lawyer or agent;
 - (f) the email address of the lawyer or agent;
 - (g) the fax number, if any, of the lawyer or agent.

24 References to active party

In this part, a reference to an active party to a P&E Court proceeding includes a reference to the active party's lawyer or agent.

Division 2 General

25 Rules of evidence

- (1) The P&E Court may, at any time during a P&E Court proceeding, order that the rules of evidence do not apply to proving a fact if the court considers—
 - (a) strict proof of the fact may cause unnecessary or unreasonable expense, delay or inconvenience in the proceeding; or
 - (b) the fact is not seriously in dispute.
- (2) Without limiting subrule (1), the P&E Court may order that the rules of evidence do not apply to proving handwriting or a document, authority or identity.
- (3) This rule applies regardless of the importance of the fact sought to be proved.

Division 3 Meetings of experts

26 Meeting of experts

- (1) An ADR registrar must, if ordered or directed by the P&E Court, convene and chair a meeting of experts for the proceeding.
- (2) Also, an ADR registrar may, if asked by all the active parties to a P&E Court proceeding, convene and chair a meeting of experts for the proceeding.

27 Active parties must ensure experts ready to take part in meeting of experts

Before attending a meeting of experts, each active party to the P&E Court proceeding must do all things reasonably necessary or expedient to ensure an expert chosen by the active party is ready to take part fully, properly and promptly in the meeting, including by giving the expert—

[r 28]

- (a) reasonable notice that the P&E Court has ordered or directed a meeting of experts or that an ADR registrar has convened a meeting of experts; and

- (e) written notice that the expert has a duty to assist the court and the duty overrides any obligation the expert may have to the active party or any person who is liable for the expert's fee or expenses.

28 Experts attending meeting of experts must prepare joint report

- (1) The experts attending a meeting of experts must, without further reference to or instruction from the active parties to the P&E Court proceeding, prepare a joint report in relation to the meeting.
- (2) The joint report must—
 - (a) confirm that each expert understands the expert's duty to the P&E Court and has complied with the duty; and
 - (b) be given to the active parties.
- (3) Despite subrule (1), any of the experts may do any of the following—
 - (a) participate in a without prejudice conference under part 5 involving the active parties;
 - (b) at any time before the joint report is completed, give 1 or more of the active parties (each a *recipient*) a notice—

- (i) asking the recipient to respond to a request for information or other inquiry that may assist the proper and timely conduct or conclusion of the meeting of experts or preparation of the joint report; or
- (ii) informing the recipient of any matter affecting the proper and timely conduct or conclusion of the meeting of experts or preparation of the joint report.

Example for subparagraph (ii)—

informing active parties of a delay in gathering data for use in the joint report

- (4) However, a notice under subrule (3)(b) may be given to an active party only if—
 - (a) all of the experts agree to the giving of the notice or, if the experts do not agree, the notice states the basis of the disagreement between the experts; and
 - (b) the notice is in writing; and
 - (c) a copy of the notice is given to all the experts and the other active parties at the same time as the notice is given to the active party.
- (5) The recipient of the notice may respond only if—
 - (a) the response is made in a document not more than 10 business days after the notice is given to the recipient; and
 - (b) a copy of the response is first given to all the other active parties at the same time; and
 - (c) the response is made not less than 5 business days, or the shorter period agreed to by the active parties, after the copy of the response is given to the other active parties; and
 - (d) a copy of the response is given to all experts, not given the response under paragraph (c), at the same time as the response is made.

- (6) Despite subrule (1), an active party (the *requesting party*) may request the experts prepare a report (the *conduct report*) about the proper and timely conduct or conclusion of the meeting of experts, or preparation of the joint report, if a copy of the request is given to all the other active parties at the same time the request is made.

Example—

An active party may request an update on when the joint report will be completed.

- (7) The conduct report may be given to the requesting party only if—
- (a) the conduct report is given not more than 2 business days after the request is received by the experts; and
 - (b) all of the experts agree to the giving of the conduct report or, if the experts do not agree, the conduct report states the basis of the disagreement between the experts; and
 - (c) the conduct report is in writing; and
 - (d) a copy of the conduct report is given to all the other active parties at the same time as the conduct report is given to the requesting party.

29 Admissions made at meeting of experts

- (1) Evidence of anything done or said, or an admission made, at a meeting of experts is admissible at the hearing of the P&E Court proceeding, at the hearing of another P&E Court proceeding or in another civil proceeding only if all the active parties to the proceeding agree.
- (2) Subrule (1) does not apply to a joint report prepared in relation to a meeting of experts.
- (3) In this rule—
civil proceeding does not include a civil proceeding founded on fraud alleged to be connected with, or to have happened during, the meeting of experts.
