Note—

Planting seed is seed that is, in accordance with a regulation, taken to have been harvested from a cannabis plant with a THC

[s 51]

concentration, in the plant's leaves and flowering heads, of not more than 0.5%. However, industrial cannabis plants may have a THC concentration in their leaves and flowering heads of not more than 1%. The difference recognises that the leaves and flowering heads of plants grown using planting seed may have more than 0.5% THC because of environmental conditions beyond a grower's control.

- (c) to supply industrial cannabis seed to—
 - (i) a researcher; or
 - (ii) a grower; or
 - (iii) a person authorised under a regulation under section 48 to possess the seed; and

 - (ii) a person in another State who is authorised under the law of that State to possess cannabis seed that, if grown, will produce cannabis plants with a THC concentration in their leaves and flowering heads that the person in the other State may possess; and
- (h) if the licensee holds a licence under the *Customs Act 1901* (Cwlth) authorising the licensee to export cannabis—to supply industrial cannabis seed to a person

in another country who is authorised under the law of that country to possess the seed; and

- (i) to supply processed cannabis to a person authorised under a regulation under section 48 to possess processed cannabis.

52 What seed handler licences authorise

A seed handler licence authorises the licensee, in accordance with the licence—

- (b) to supply industrial cannabis seed to any of the following—
 - (i) a grower;
 - (ii) a researcher;
 - (iii) a seed handler;
 - (iv) a person authorised under a regulation under section 48 to possess industrial cannabis plants or seed;
 - (v) a person in another State who is authorised under the law of that State to possess cannabis seed that, if grown, will produce cannabis plants with a THC concentration in their leaves and flowering heads the person in the other State may possess;

- (c) to possess industrial cannabis seed—
 - (i) for the purpose of denaturing the seed and supplying the denatured seed to a person mentioned in paragraph (a); or

 - (e) the application is properly made.
- (3) For subsection (2)(e), an application is properly made only if the applicant complies with section 54.
- (4) If the chief executive decides to issue a researcher licence, the research plan for the application for the licence forms part of the licence.

For what happens to cannabis plants and seed in the licensee's possession if the chief executive decides to refuse to renew a licence, see sections 82 and 83.

- (3) A licence surrendered under this section stops having effect at the end of the day it is surrendered.

Division 8 Suspension and cancellation of licences

73 Grounds for suspension action or cancellation

- (1) A ground for suspending or cancelling a licence exists if the licensee—
 - (a) is not, or is no longer, a fit and proper person to hold the licence; or
 - (b) contravenes a provision of this Act or a condition of the licence; or

- (c) does not pay a fee imposed on the licensee under this part.
- (2) Also, a ground for suspending or cancelling a licence exists if the licence was issued because of a materially false or misleading representation or declaration.

74 Show cause notice

- (1) This section applies if the chief executive considers a ground exists to suspend or cancel a licence.
- (2) The chief executive must give the licensee a written notice (a *show cause notice*) stating the following—
 - (a) the action (the *proposed action*) the chief executive proposes taking under this division;
 - (b) the grounds for the proposed action;
 - (c) an outline of the facts and circumstances forming the basis for the grounds;
 - (d) if the proposed action is suspension of the licence, the proposed suspension period;
 - (e) an invitation to the licensee to show cause within a stated period (the *show cause period*) why the proposed action should not be taken.
- (3) The show cause period must be a period ending at least 21 days after the show cause notice is given to the licensee.
- (4) The licensee may make written representations about the proposed action to the chief executive in the show cause period.

75 Consideration of representations

The chief executive must consider all written representations (the *accepted representations*) made in the show cause period by the licensee.

76 Ending show cause process without further action

- (1) This section applies if, after considering the accepted representations for the show cause period, the chief executive no longer believes a ground exists to suspend or cancel a licence.
- (2) The chief executive must not take further action about the show cause notice.
- (3) The chief executive must, immediately after making the decision, give the licensee written notice that no further action about the show cause notice is to be taken.

77 Suspension and cancellation of licences

- (1) This section applies if, after considering the accepted representations for the show cause notice, the chief executive—
 - (a) still believes a ground exists to suspend or cancel a licence; and
 - (b) believes suspension or cancellation of the licence is warranted.
- (2) This section also applies if there are no accepted representations for the show cause notice.
- (3) The chief executive may—
 - (a) if the proposed action stated in the show cause notice was to suspend the licence for a stated period—suspend the licence for not longer than the stated period; or
 - (b) if the proposed action stated in the show cause notice was to cancel the licence—either cancel the licence or suspend it for a period.
- (4) The chief executive must immediately give an information notice for the decision to the licensee.
- (5) The decision takes effect—
 - (a) on the day the information notice is given to the licensee; or

- (b) if a later day is stated in the notice—the later day.

78 Immediate suspension

- (1) This section applies if the chief executive considers, on reasonable grounds, that a licensee—
- (a) has contravened or is contravening this Act; or
 - (b) is likely or is proposing to engage in conduct that would contravene this Act.
- (2) The chief executive may suspend the licensee’s licence with immediate effect.
- (3) The licence may be suspended for the period, of not more than 28 days, and on the conditions, the chief executive decides.
- (4) The chief executive must give the licensee an information notice for the decision to suspend within 3 days after suspending the licensee’s licence.

80 Return of licence if suspended or cancelled

A person whose licence has been suspended or cancelled must return the licence to the chief executive within 14 days after the suspension or cancellation, unless the person has a reasonable excuse.

Maximum penalty—100 penalty units.

Division 9 Action after suspension or cancellation of licence

81 What happens to cannabis plants and seed if licence suspended

- (1) This section applies if the chief executive suspends a licensee’s licence under section 77 or 78.
- (2) While the licence is suspended, the licensee may, despite the suspension—

-
- (a) continue to possess the cannabis plants and seed in the person's possession on the day the licence is suspended (the *suspension day*); and
 - (b) for cannabis plants in the licensee's possession on the suspension day—
 - (i) do anything reasonably necessary to help the plants continue to grow; and
 - (ii) harvest the plants and any seed on the plants; and
 - (c) supply harvested cannabis seed to a person lawfully entitled to possess them.
- (3) Subsection (2) does not authorise the doing of anything other than a thing mentioned in that subsection in relation to cannabis plants and seed in the licensee's possession on the suspension day.
- (4) No compensation is payable by the State because of the suspension.

82 What happens to cannabis plants if licence cancelled

- (1) This section applies if—
- (a) the chief executive cancels a licensee's licence under section 77; and
 - (b) the licensee possesses cannabis plants.
- (2) If the cannabis plants can not be harvested, the chief executive may destroy the plants in the way the chief executive considers appropriate, including, for example, by ploughing them in or burning them.

Examples for subsection (2)—

- 1 The plants may be too small to harvest and ploughing them in or burning them may be the most appropriate way of destroying them.
 - 2 It may be appropriate to burn plants because flooding may prevent the plants being harvested.
- (3) However, if the cannabis plants can be harvested, the chief executive may—

- (a) harvest the plants and any seed on the plants; and
 - (b) for industrial cannabis seed—
 - (i) denature the seed; or
 - (ii) supply the seed to a seed handler to denature the seed; or
 - (iii) supply processed cannabis to a person who may lawfully possess it; and
 - (c) for research cannabis—supply the harvested material to a person who may lawfully possess it.
- (4) For giving effect to this section, the chief executive may—
- (a) enter and re-enter the place stated in the cancelled licence as often as is reasonably necessary; and
 - (b) bring onto the place reasonably necessary help, machinery and other equipment.
- (5) For subsections (2) to (4)—
- (a) the chief executive is taken to hold a licence identical to the cancelled licence for the place stated in the cancelled licence; and
 - (b) cannabis plants in the possession of the former licensee immediately before the cancellation are taken to be in the chief executive's possession and not the possession of the former licensee; and
 - (c) if—
 - (i) the cancelled licence was a researcher licence; and
 - (ii) under the cancelled licence, class A or class B research cannabis is growing on land owned or leased by a grower as part of a field trial conducted under the supervision of a researcher;the cannabis plants are taken to be in the chief executive's possession and not in the possession of the grower or the former licensee.

-
- (6) However, sections 50(1)(b) and 51(b) and (e) do not apply to the chief executive, other than to the extent necessary to allow—
- (a) cannabis plants already growing on land to which the cancelled licence relates; or
 - (b) for cannabis plants growing on land owned or leased by a grower, for a former licensee, cannabis plants growing on that land;
- to continue to grow until they can be destroyed or harvested.
- (7) No compensation is payable by the State because of the cancellation or because of the destruction of cannabis plants or seed under this section.

83 What happens to cannabis seed if licence cancelled or renewal refused

- (1) This section applies if—
- (a) the chief executive refuses to renew a licence under section 66 and the licensee possesses cannabis seed, other than harvested material under section 82; or
 - (b) the chief executive cancels a licensee's licence under section 77.
- (2) The chief executive may—
- (a) for industrial cannabis seed—
 - (i) denature the cannabis seed; or
 - (ii) supply the seed to a seed handler to denature the seed; or
 - (iii) supply the seed to a researcher, a grower, or a person authorised under a regulation under section 48 to possess industrial cannabis seed; or
 - (b) for class A or class B research cannabis seed—supply the seed to a researcher, or a person authorised under a regulation under section 48, who may possess the cannabis seed; or

- (c) destroy the seed.
- (3) For subsection (2)—
 - (a) the chief executive is taken to hold a licence identical to the cancelled licence for the place stated in the cancelled licence; and
 - (b) the cannabis seed in the possession of the former licensee immediately before the cancellation are taken to be in the chief executive's possession and not the possession of the licensee; and
 - (c) if—
 - (i) the cancelled licence was a researcher licence; and
 - (ii) under the cancelled licence, class A or class B research cannabis seed is in the possession of a grower for use for growing class A or class B research cannabis plants on land owned or leased by the grower as part of a field trial conducted under the supervision of a researcher;
the cannabis seed is taken to be in the chief executive's possession and not in the possession of the grower or the former licensee.
- (4) For subsections (2) and (3), the chief executive may—
 - (a) enter and re-enter the place stated in the cancelled licence as often as is reasonably necessary; and
 - (b) bring onto the place reasonably necessary machinery and other equipment; and
 - (c) open anything in which the chief executive reasonably suspects cannabis seed may be kept; and
 - (d) inspect anything opened under paragraph (c) and seize any cannabis seed found.
- (5) For subsection (4), the chief executive is taken to have the powers of an inspector who enters a place.
- (6) No compensation is payable by the State because of the destruction of the seed.

84 Cost recovery

- (1) The chief executive may recover the cost incurred by the chief executive under section 82 or 83 as a debt payable to the State by the former licensee.
- (2) For subsection (1), the chief executive may recover the costs from the proceeds of the sale of harvested material under section 82 or cannabis seed under section 83.
- (3) However, if the proceeds are more than the costs, the chief executive must pay any balance to the former licensee.
- (4) Despite subsection (3), if before the proceeds are paid, the chief executive becomes aware that the proceeds may be subject to an application for forfeiture of tainted property under the *Criminal Proceeds Confiscation Act 2002*, the chief executive must not pay the proceeds to the former licensee unless no order for forfeiture is made under that Act.
- (5) Also, if the chief executive becomes aware that the harvested material is subject to a security interest that has not been satisfied, the chief executive must pay any balance—
 - (a) first, in satisfaction of the security interest; and
 - (b) then, to the former licensee.
- (6) In this section—

security interest has the meaning given by the *Personal Property Securities Act 2009* (Cwlth), section 12.

Division 10 Review of decisions by QCAT

85 Application for review

- (1) A person who is dissatisfied with a decision of the chief executive under this part may apply, as provided under the QCAT Act, to QCAT for a review of the decision.
- (2) The chief executive must give a person an information notice for a decision only if this Act so requires.

Division 11 Appointment of inspectors

91 Appointment and qualifications

- (1) The chief executive may appoint any of the following as an inspector—
