taken to include a reference to the last month of a financial year for the betting operator.

Part 2 Liability for betting tax

Division 1 Imposition of liability

19 Imposition of betting tax on taxable wagering revenue

This Act imposes betting tax on the taxable wagering revenue of betting operators for particular periods at the taxing rate.

20 When liability for betting tax arises

A liability for betting tax imposed on the taxable wagering revenue of a betting operator for a period arises on the return date for lodgement by the betting operator of a return for the period.

21 Betting operator to pay betting tax

Betting tax must be paid by the betting operator on whose taxable wagering revenue the tax is imposed.

Division 2 Taxable wagering revenue

Subdivision 1 Location of persons making bets

22 Obligation of betting operator to identify person's location

(1) A betting operator must, when receiving a bet, take reasonable steps to identify the location of the person making the bet.

Maximum penalty—100 penalty units.

Note—

If a corporation commits an offence against this provision, an executive officer of the corporation may be taken, under section 60, to have also committed the offence.

- (2) For complying with subsection (1), a betting operator may rely on either of the following addresses as being the location of a person making a bet with the betting operator—
 - (a) for an individual—an address given to the betting operator by the individual as the individual’s residential address;
 - (b) for a company within the meaning of the Corporations Act—an address given to the betting operator by or for the company as the company’s principal place of business.
- (3) However, subsection (2) does not apply if the betting operator knows, or has reasonable grounds to suspect, that an address mentioned in subsection (2)(a) or (b) is not the location of the person when the bet is made.

Examples of circumstances in which subsection (2) will not apply for a particular bet—

- 1 A betting operator holds a licence authorising the betting operator to receive face-to-face bets from persons at a place in Queensland. An account-holding customer of the betting operator has previously given an address outside Queensland as the customer’s residential address. The betting operator receives a face-to-face bet from the customer at a place in Queensland.
- 2 A person making a bet with a betting operator by telephone has previously given the betting operator an address outside Queensland as the person’s residential address. When making the further bet, the person tells the betting operator the person is in Queensland.

Subdivision 2 Working out taxable wagering revenue

23 References to Queensland bet

- (1) A reference in this subdivision to a Queensland bet, or a Queensland bet of a particular type, is a reference to a bet, or a bet of that type, made by a person who is located in Queensland when the bet is made.
- (2) To remove any doubt, it is declared that a lay-off bet made by a betting operator who is located in Queensland when it is made is a Queensland bet, whether or not the liability the betting operator seeks to reduce by making the lay-off bet relates to Queensland bets made with the betting operator.

24 Meaning of *taxable wagering revenue*

- (1) The *taxable wagering revenue*, of a betting operator, for a period, is the total wagering revenue of the betting operator for the period less the total eligible payments of the betting operator for the period.
- (2) For subsection (1), the *total wagering revenue*, of a betting operator, for a period, is the total of—
 - (a) for Queensland totalisator bets made with the betting operator—the amount worked out under section 26(1) for the period; and
 - (b) for Queensland betting exchange bets made with the betting operator—the amount worked out under section 27 for the period; and
 - (c) for Queensland general bets made with the betting operator—the amount worked out under section 28(1) for the period; and
 - (d) any amounts the betting operator became entitled to retain during the period on account of unclaimed winnings in relation to Queensland bets; and

- (e) any other amounts the betting operator became entitled to receive during the period as consideration for, or in relation to, Queensland bets made with the betting operator.
- (3) For subsection (1), the ***total eligible payments***, of a betting operator, for a period, are the total of—
- (a) for Queensland totalisator bets made with the betting operator—the amount worked out under section 26(2) for the period; and
 - (b) for Queensland general bets made with the betting operator—the amount worked out under section 28(2) for the period; and
 - (c) another amount that is prescribed by regulation for Queensland bets generally or for a Queensland bet of a particular type.

25 Particular payments excluded in working out total eligible payments

- (1) In working out an amount mentioned in section 24(3)(a), (b) or (c), the betting operator is not entitled to take any of the following into account—
- (a) the provision or granting by the betting operator of any non-cash reward, however described;
Examples—
 - the provision of frequent flyer points
 - the granting of an entitlement to make free bets
 - (b) the payment of an amount to a person other than a person who made a bet with the betting operator (a ***third party***);
Example—
 - a payment to a third party for costs of the betting operator associated with conducting its betting operations
 - (c) the payment of an amount that—
 - (i) is made at the discretion of the betting operator; or

- (ii) results in a person who made a bet with the betting operator receiving an amount that is more than the amount the person is legally entitled to receive under the terms on which the bet was made with the betting operator;

Examples—

- the refund of a staked amount if the betting operator does not have a legal obligation to make the refund
- the payment of an amount as winnings in relation to a bet if the outcome of the event or contingency on which the bet was made did not happen and the betting operator does not have a legal obligation to make the payment

- (d) the payment of an amount as part of an arrangement—

- (i) under which the betting operator offers an opportunity for persons (*participants*) to win, at no or a nominal cost to the participants, an amount by betting on the outcome of a stated event or contingency or a stated series of events or contingencies; and
- (ii) under which the total of all amounts payable by the betting operator in relation to bets made by participants may reasonably be expected to exceed the total of any amounts received by the betting operator for bets made under the arrangement; and
- (iii) for which the betting operator's primary purpose is to attract or encourage participants to bet with the betting operator, or to promote its betting operations to participants, beyond the particular arrangement.

Example of the payment of an amount excluded under paragraph (d)—

A betting operator offers persons who register with it as customers an opportunity to bet, at no cost to the customers, on the outcome of a stated series of events. Under the terms of the arrangement, the betting operator is liable to pay \$50,000 in total to the customers who correctly predict the outcome of the series. The betting operator's primary purpose in the arrangement is to encourage persons to open or maintain betting accounts with the betting operator.

Examples of the payment of amounts not excluded under paragraph (d)—

- 1 A betting operator provides a person with an amount to be used, at the person's discretion, in making a bet with the betting operator. The person uses the amount to make a free bet with the betting operator and wins. The betting operator pays the person an amount as winnings in relation to the bet, exclusive of the free component of the bet.
 - 2 A betting operator receives a cash bet from a person with the genuine expectation the person may lose the bet. The person wins the bet and the betting operator pays the person an amount as winnings in relation to the bet, including the staked amount.
- (2) A reference in subsection (1)(b) to the payment of an amount to a third party does not include a reference to the payment of an amount to a third party that discharges, wholly or partly, a legal obligation of the betting operator to pay an amount in relation to a Queensland bet to the person who made the bet with the betting operator.

26 Amounts for totalisator bets

- (1) For section 24(2)(a), the amount is the total of all Queensland revenue from totalisator pools that the betting operator received during the period.
- (2) For section 24(3)(a), the amount is the total of any amounts paid by the betting operator during the period, as an additional dividend to the dividend payable out of a totalisator pool, to a person who made a Queensland totalisator bet with the betting operator.
- (3) In this section—

Queensland revenue, from a totalisator pool, for a betting operator, means the amount worked out using the formula—

$$QR = \left(1 - \frac{TD}{TB}\right) \times QB$$

where—

QB means the total amount of the Queensland totalisator bets made with the betting operator in the totalisator pool, net of any refunds.

QR means the Queensland revenue from the totalisator pool for the betting operator.

TB means the total amount of totalisator bets in the totalisator pool, net of any refunds.

TD means the total amount of dividends paid or payable out of the totalisator pool.

totalisator pool means a pool of totalisator bets made on the outcome of an event or contingency.

- (2) For section 24(3)(b), the amount is the total of all amounts paid by the betting operator during the period in relation to Queensland general bets made with the betting operator.

29 Amount of bet generally

- (1) If all or part of a bet is made other than in cash, the amount of the bet includes the monetary value of the non-cash consideration comprising the bet when the bet is made.

Examples of consideration that may comprise all or part of a bet—

- the amount or value of a debt to the extent it is released or extinguished by the bet

[s 30]

- the amount of any liabilities assumed under the bet, including an obligation, whether contingent or otherwise, to pay any unpaid money
 - digital currency within the meaning of the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006* (Cwlth)
- (2) Without limiting subsection (1), the amount of a bet that is a free bet includes the monetary value of the free component of the bet.
- (3) The amount of a bet, to the extent it is stated in a foreign currency, is taken to be the amount expressed in Australian dollars according to the rate of exchange that applies in Queensland on—
- (a) the day the bet is made; or
 - (b) if the rate is not obtainable for Queensland on that day—the last day before the day the bet is made on which the rate was obtainable for Queensland.

Part 4 Returns

Division 1 Monthly returns

49 Application of division

This division applies to a betting operator who, for all or part of a month, is a relevant betting operator.

50 Requirement to lodge monthly returns

- (1) The betting operator must, not later than 21 days after the last day of the month, lodge a return (a ***monthly return***) for the taxable wagering revenue of the betting operator for the month.

Note—

Failure to lodge a monthly return is an offence against the *Taxation Administration Act 2001*, section 121.

- (2) The monthly return must—

-
- (a) be in the approved form; and
 - (b) state the betting operator's monthly liability for the month.
- (3) Subsection (1) applies even if the betting operator's monthly liability for the month is nil.
 - (4) However, subsection (1) does not apply for the last month of a financial year.
 - (5) If the commissioner considers it would be unduly onerous to require the betting operator to lodge monthly returns within the period mentioned in subsection (1), the commissioner may, by notice given to the betting operator, extend the period within which the betting operator is required to lodge 1 or more monthly returns.
 - (6) The commissioner may at any time, by notice given to the betting operator, revoke a notice given under subsection (5).
 - (7) This section is subject to sections 51 and 52.

Note—

The lodgement of an annual return or final return by the betting operator does not, of itself, affect the betting operator's obligation to lodge a monthly return.

51 Exemption from lodgement requirement—betting operators conducting on-course bookmaking

- (1) This section applies if—
 - (a) the betting operator's primary betting operations are on-course bookmaking; and
 - (b) the betting operator has not previously given the commissioner a notice under subsection (4).
- (2) The betting operator is exempt from the requirement to lodge monthly returns under section 50.
- (3) However, the exemption does not exempt the betting operator from the obligation to pay betting tax, even though it may have the effect of postponing the time for payment of betting tax.

- (4) Despite subsection (2), the betting operator may, by notice given to the commissioner, relinquish the betting operator's exemption under subsection (2) if, on the day the notice is given—
- (a) the taxable wagering revenue of the betting operator for the previous relevant period is more than the annual threshold amount; or
 - (b) the betting operator expects the taxable wagering revenue of the betting operator for the financial year in which the notice is given to be more than the annual threshold amount.
- (5) If the betting operator gives a notice under subsection (4)—
- (a) section 50 is taken to apply to the betting operator for the month (the *relevant month*) immediately after the month in which the notice is given and for each succeeding month; and
- Example—*
- The betting operator gives a notice under subsection (4) on 7 March 2019. Section 50 applies to the betting operator for April 2019 and for each succeeding month. The betting operator must lodge a monthly return for April 2019 by 21 May 2019.
- (b) for sections 32 and 33, the relevant month is taken to be the qualifying month of the financial year for the betting operator.
- (6) However, subsection (5)(b) does not apply if the taxable wagering revenue of the betting operator for the period starting on 1 July in the financial year in which the notice is given and ending on the last day of the relevant month is equal to or less than the annual threshold amount.
- (7) Subsections (4) and (5) do not limit section 52.
- (8) In this section—
- on-course bookmaking*** means the business of receiving, paying, negotiating or settling bets for thoroughbred, harness or greyhound racing, at a venue at which the racing is conducted, under a licence or other authority under a law of this State or another State.

Example—

bookmaking conducted under a racing bookmaker's licence under the *Racing Integrity Act 2016* at a licensed venue within the meaning of that Act

previous relevant period, in relation to a notice given under subsection (4), means the period—

- (a) starting on 1 July in the financial year in which the notice is given; and
- (b) ending on the last day of the month immediately before the month in which the notice is given.

52 Exemption from lodgement requirement—betting operators generally

- (1) This section applies if the commissioner considers it would be unduly onerous to require the betting operator to lodge monthly returns.
- (2) The commissioner may, by notice given to the betting operator, exempt the betting operator from the requirement to lodge monthly returns under section 50.
- (3) The betting operator is not required to lodge monthly returns while the notice is in effect.
- (4) However, the giving of the notice does not exempt the betting operator from the obligation to pay betting tax, even though it may have the effect of postponing the time for payment of betting tax.
- (5) The commissioner may at any time, by notice given to the betting operator, revoke a notice given under subsection (2).

Division 2 Other returns

53 Requirement to lodge annual return

- (1) This section applies to a betting operator who, on 30 June in a financial year, is a relevant betting operator.

- (2) The betting operator must, not later than 21 days after the end of the financial year, lodge a return (an **annual return**) for the taxable wagering revenue of the betting operator for the financial year.

- (3) The annual return must—

 - (b) state the betting operator’s annual liability, and any annual refund amount, for the financial year.
- (4) Subsection (2) applies—
- (a) whether or not the betting operator was required to lodge monthly returns during the financial year; and
 - (b) even if the betting operator’s annual liability for the financial year is nil.
- (5) However, subsection (2) does not apply if the betting operator—
- (a) lodged, or was required under section 54 to lodge, a final return during the financial year; and
 - (b) did not conduct betting operations during the financial year after the end day for the final period for which the final return was lodged or required to be lodged.

Note—

The lodgement of a final return by the betting operator does not, of itself, affect the betting operator’s obligation to lodge an annual return.

54 Requirement to lodge final return

- (1) This section applies to a betting operator who—
- (a) is a relevant betting operator; and
 - (b) has a change of status during a financial year.

- (2) The betting operator must, not later than 21 days after the end day for the final period to which the change of status relates, lodge a return (a *final return*) for the taxable wagering revenue of the betting operator for the final period.

Note—

Failure to lodge a final return is an offence against the *Taxation Administration Act 2001*, section 121.

- (3) The final return must—
- (a) be in the approved form; and
 - (b) state the betting operator's final liability, and any final refund amount, for the final period.
- (4) Subsection (2) applies even if the betting operator's final liability for the final period is nil.

- (a) a tax law liability of the betting operator; or
- (b) a tax law liability that the commissioner reasonably believes will become payable by the betting operator within 60 days after the entitlement to the amount arises.

(3) If the commissioner does not apply the whole or part of the relevant refund amount as payment for a liability mentioned in subsection (2) within 60 days after the entitlement to the amount arises, the commissioner must immediately refund to the betting operator the amount not applied.

(4) However, subsections (2) and (3) do not prevent the commissioner from holding the relevant refund amount for any period, or applying the amount for any purpose, at the betting operator's request or with the betting operator's consent.

(5) This section applies despite the *Taxation Administration Act 2001*, section 36.
