Housing Act 2003

An Act about the provision of housing and related matters

Part 1 Preliminary

Division 1 Introduction

1 Short title

This Act may be cited as the *Housing Act 2003*.

2 Commencement

This Act commences on a day to be fixed by proclamation.

Division 2 Application, objects and guiding principles

3 Act binds all persons

- (1) This Act binds all persons including the State and, as far as the legislative power of the Parliament permits, the Commonwealth and the other States.
- (2) Subsection (1) does not make the State, the Commonwealth or another State liable for an offence.

4 Main objects

The main objects of this Act are—

- (a) to improve the access of Queenslanders to safe, secure, appropriate and affordable housing; and
- (b) to help build sustainable communities.

5 How the objects are to be primarily achieved

The objects are to be achieved primarily by making provision about the following matters—

- (a) housing-related activities carried on by the State, including—
 - (i) providing public housing and other housing services; and
 - (ii) developing, undertaking or supporting other housing programs and initiatives;
- (b) a system, for supporting and regulating certain types of entities providing housing services, that includes—
 - (i) registering the entities; and
 - (ii) giving them financial assistance, making land available to them or giving them other types of assistance; and
 - (iii) regulating how they provide housing services using the assistance.

6 Guiding principles

This Act is to be administered in a way that has sufficient regard to the following principles—

- (a) the availability of safe, secure, appropriate and affordable housing in a community—
 - (i) enhances the quality of life of people living in the community; and
 - (ii) contributes to the wellbeing of the community by enabling people to participate in its social and economic life;

-
- (b) the need for safe, secure, appropriate and affordable housing can be met by entities from government, industry and the community, acting separately and in partnership;
 - (c) a community is sustainable if—
 - (i) it is socially and economically diverse, cohesive, resilient and adaptable; and
 - (ii) it has access to appropriate services and amenities;
 - (d) housing services should be provided in a way that responds to the diverse and changing needs of individuals, families and other households;
 - (e) the State’s provision of housing services should—
 - (i) provide leadership and promote best practice in housing provision and residential development; and
 - (ii) be integrated, as far as is reasonably practicable, with the provision of other government social services;
 - (f) individuals being provided with housing under this Act should have access, as far as is reasonably practicable, to an appropriate choice of housing types and tenures;
 - (g) housing services should be provided in a way that has appropriate regard to—
 - (i) local and regional differences; and
 - (ii) cultural diversity; and
 - (iii) Aboriginal tradition and Island custom;

Note—

Aboriginal tradition means the body of traditions, observances, customs and beliefs of Aboriginal people generally or of a particular community or group of Aboriginal people, and includes any such traditions, observances, customs and beliefs relating to particular persons, areas, objects or relationships—see the *Acts Interpretation Act 1954*, section 36.

Island custom, known in the Torres Strait as Ailan Kastom, means the body of customs, traditions, observances and beliefs of Torres Strait Islanders generally or of a particular community or group of Torres Strait Islanders, and includes any such customs, traditions, observances and beliefs relating to particular persons, areas, objects or relationships—see the *Acts Interpretation Act 1954*, section 36.

- (h) the needs, views and interests of consumers of housing services, indigenous community members and representatives, non-government entities, industry bodies and local governments should be taken into account in developing government housing policy.

- (3) Subsections (1) and (2) do not limit the chief executive's other functions under this or another Act or law.

Division 2 Powers

12 General powers

- (1) The chief executive has, under the Minister and as agent of the State, all the powers of the State that are necessary or desirable for performing the chief executive's functions under this Act.
- (2) Without limiting subsection (1), the chief executive may, for example, in performing the chief executive's functions—
- (a) enter into contracts; and
 - (b) acquire, hold, lease, sell and otherwise deal with land and other property; and
 - (c) carry out building and related works and make other improvements to land; and
 - (d) appoint agents and attorneys; and

13 Power to make loans and investments

- (1) The chief executive may make loans and investments, and pay amounts out of a departmental financial-institution account of the department to make a loan or investment, to achieve the objects of this Act.

-
- (2) Subsection (1) applies despite the *Financial Accountability Act 2009*, section 87.
 - (3) Subject to other laws, the chief executive may set interest rates for the loans in the way the chief executive considers appropriate.

14 Waiver of amounts owed

- (1) This section applies if a person owes an amount to the chief executive arising out of, or relating to, the chief executive's provision of a housing service.

Examples of amounts that may be owed to the chief executive—

- a rental payment
 - an instalment due under a loan agreement
 - an amount of compensation for damage caused to a rental property
- (2) The chief executive may waive, entirely or partly, payment of the amount if the chief executive is satisfied the waiver is appropriate in all the circumstances.
 - (3) The chief executive may waive payment unconditionally or on the conditions the chief executive considers appropriate.

Example—

The chief executive may waive payment of part of an amount owed by a person on the condition that the person enters into a written agreement about repayment of the rest of the amount.

- (4) In making a decision under this section about waiving payment of an amount owed by a person, the chief executive must have regard to all the relevant circumstances of which the chief executive is aware, including, for example—
 - (a) the size of the amount owed; and
 - (b) why the person owes the amount; and
 - (c) whether payment of the amount would cause the person financial hardship; and
 - (d) the person's likely ability to repay the amount in the future; and

- (e) any special circumstances relevant to whether it would be fair to enforce payment of the amount.

15 Powers not limited

This Act does not limit the chief executive's powers under another Act or law.

Example of a power under another Act—

a power of the State delegated to the chief executive under the *Constitution of Queensland 2001*, section 55

Part 3 Obligations relating to social housing services

Division 1 Giving information to the chief executive or funded provider

16 Housing service information

- (1) This division applies to information (*housing service information*) that a person gives to the chief executive for the purpose of a decision by the chief executive about—
 - (a) whether to provide a housing service to the person; or
 - (b) the type of housing service to provide to the person; or
 - (c) the terms on which to provide a housing service to the person.
- (2) Housing service information may include, for example, information given by a person—
 - (a) in an application for a housing service; or
 - (b) in compliance with a lease agreement, loan agreement or other agreement with the chief executive about providing a housing service to the person; or

-
- (c) while a housing service is being provided to the person, in response to a query from the chief executive.

17 False or misleading information

- (1) A person must not give the chief executive or a funded provider housing service information that the person knows is false or misleading in a material particular.

Examples—

- 1 A person applies to the chief executive for a loan to buy a house. The application includes false information about the person's financial circumstances.
- 2 A person applies to the chief executive to be provided with rental accommodation. The application is accompanied by a declaration about the person's income, made by the person's employer, that the person knows to be false.
- 3 A person is renting a house from a funded provider. In response to a query from the funded provider, the person gives false information about the income of persons living in the house.

Maximum penalty—10 penalty units.

- (2) Subsection (1) does not apply to a person who gives the chief executive or a funded provider a document containing housing service information if the person, when giving the document—
- (a) tells the chief executive or the funded provider, to the best of the person's ability, how it is false or misleading; and
 - (b) if the person has, or can reasonably obtain, the correct information—gives the correct information.

18 Notice of changes in information

- (1) This section applies only to housing service information prescribed under a regulation.
- (2) Within 28 days after there is a change in housing service information that a person has given to the chief executive or a funded provider, the person must give the chief executive or

funded provider notice of the change, unless the person has a reasonable excuse.

Maximum penalty—10 penalty units.

Division 2 Other matters

19 Unauthorised use or subletting of rental accommodation

(1) This section applies to a provision of a residential tenancy agreement between the chief executive and a person that—

- (a) the person must use the premises as the person's place of residence; or
- (b) the person must not sublease the premises; or
- (c) the person must not use the premises, or allow the premises to be used, for a purpose other than a place of residence; or
- (d) the person must not allow the premises to be used as the place of residence of—
 - (i) anyone other than the person, the person's family or other stated persons; or
 - (ii) more than a stated number of persons.

(2) The person must not contravene the provision.

Maximum penalty—10 penalty units.

(3) The person does not contravene the provision only by a non-use, sublease or use of the premises under written authority from the chief executive.

(4) Subsection (2) does not limit another consequence of a contravention of the provision.

Example for subsection (4)—

A person's contravention of a residential tenancy agreement with the chief executive may be an offence against subsection (2) and may also allow the chief executive to take action, as lessor, under the *Residential Tenancies and Rooming Accommodation Act 2008*.

Part 4 Funding

Division 1 Preliminary

21 Meaning of *funding* and *funded provider*

- (1) *Funding* is assistance provided by the chief executive—
 - (a) in the form of money or other assistance to a funded provider to assist the provider in providing housing services; and
 - (b) on condition the funded provider is accountable to the chief executive for providing the housing services and the use of the money or other assistance.
- (2) A *funded provider* is an entity providing, or required to provide, housing services using funding.
- (3) For subsection (2), it does not matter—
 - (a) if other resources are also used to provide the services; or
 - (b) that an agreement under which the funding was provided has ended.

22 Only particular providers eligible to receive funding to deliver social housing services

The chief executive may give funding to deliver a social housing service only to—

- (a) a registered provider; or
- (b) an exempt provider.

Division 2 Providing funding

23 Types of funding that may be provided

The chief executive may give an entity that provides, or intends to provide, a housing service funding the chief executive considers appropriate to assist the entity to provide the service, including, for example—

- (a) making, on appropriate conditions, a monetary grant or a series of monetary grants to the entity; or
- (b) making a secured loan to the entity; or
- (c) transferring to the entity land subject to an appropriate security or covenant relating to the use of the land; or
- (d) leasing land to the entity.

24 Purpose of funding

The purpose of funding an entity is to enable it to provide housing services in ways that best achieve the objects of this Act.

25 Funding agreement

- (1) The chief executive may enter into an agreement (a ***funding agreement***) with an entity for giving funding to the entity.
- (2) A funding agreement may include the terms the chief executive considers appropriate.

Example for subsection (2)—

A term of a funding agreement may provide that, if the funded provider deals with a stated amount in a way that contravenes a stated prescribed requirement, the amount is repayable to the chief executive.

26 Demand for repayment of unexpended amounts

- (1) This section applies if—
 - (a) a funding agreement with a funded provider ends; and

- (b) an amount that the chief executive paid to the provider under the agreement has not been expended.
- (2) The chief executive may give the provider a notice (a *show cause notice*) stating—
 - (a) that the chief executive proposes to demand repayment of the unexpended amount; and
 - (b) that the provider may, within a stated time of at least 7 days, give the chief executive a written response about the proposed demand.
- (3) After considering any written response received from the provider within the stated time, the chief executive may demand repayment of all or some of the amount stated in the show cause notice.
- (4) If the chief executive decides not to demand repayment of any of the amount, the chief executive must give the provider notice of the decision.
- (5) The chief executive may recover the demanded amount as a debt owed to the State.
- (6) This section does not limit the ways the chief executive may demand payment of, or recover, an amount owed to the chief executive.

27 No entitlement to funding

The chief executive is not required to give funding to an entity, or to enter into a funding agreement with an entity, merely because the entity is a registered provider.

Division 3 **Compliance with prescribed requirements**

33 Prescribed requirements

- (1) A regulation may prescribe requirements relating to the provision of housing services for which a funded provider receives funding.
- (2) Without limiting subsection (1), a regulation may prescribe a requirement about—
 - (a) how a funded provider conducts its operations while providing a housing service for which the provider receives funding, including—
 - (i) financial management and accountability; and
 - (ii) corporate governance; and
 - (b) how a funded provider delivers services to clients, including—
 - (i) deciding eligibility and priority for services; and
 - (ii) giving information; and
 - (iii) resolving disputes; and
 - (c) other matters about providing a housing service for which the provider receives funding, including—
 - (i) tenancy management; and
 - (ii) rent assessment and collection; and
 - (iii) property management.
- (3) A requirement may include provision about—
 - (a) preparing, maintaining, publishing or implementing a policy; or
 - (b) reporting to the chief executive.

34 Funded provider must comply with prescribed requirements

A funded provider must not contravene a prescribed requirement relating to the provision by the provider of a housing service for which the provider receives funding.

Notes—

- 1 Under section 35, a funded provider may be given a compliance notice requiring the provider to remedy a contravention of a prescribed requirement.
- 2 The extent of a funded provider's compliance with, or contravention of, a prescribed requirement is likely to be a relevant matter for the chief executive to consider when deciding the further funding, if any, to give to the provider under this part.
- 3 A funding agreement may include a provision about the consequences of a contravention of a prescribed requirement.
- 4 Noncompliance by a funded ancillary provider with certain types of prescribed requirements may lead to the appointment of an interim manager to the business of that provider—see sections 40 and 41.

35 Compliance notice

- (1) This section applies if the chief executive reasonably believes a funded provider—
 - (a) is contravening a prescribed requirement; or
 - (b) has contravened a prescribed requirement in circumstances that make it likely the contravention will continue or be repeated.
- (2) The chief executive may give the provider a notice (a **compliance notice**) requiring the provider to remedy the contravention.
- (3) The compliance notice must state the following—
 - (a) that the chief executive reasonably believes the provider—
 - (i) is contravening a prescribed requirement; or

- (ii) has contravened a prescribed requirement in circumstances that make it likely the contravention will continue or be repeated;
 - (b) the prescribed requirement the chief executive believes is being, or has been, contravened;
 - (c) briefly, how it is believed the prescribed requirement is being, or has been, contravened;
 - (d) that the provider must remedy the contravention within a stated reasonable time;
 - (e) that it is an offence to fail to comply with the compliance notice unless the provider has a reasonable excuse.
- (4) The compliance notice may also state the steps that the chief executive reasonably believes are necessary to remedy the contravention, or avoid further contravention, of the prescribed requirement.
- (5) The provider must comply with the compliance notice unless the provider has a reasonable excuse.
- Maximum penalty—20 penalty units.
- (6) If the provider contravenes subsection (5)—
- (a) the chief executive is not required to give any funding or further funding, to the provider under a funding agreement in force when the relevant compliance notice was given, despite any provision of the agreement; and
 - (b) the chief executive may include in the register a note about the contravention that the chief executive considers appropriate.
- (7) This section does not limit—
- (a) a remedy available to the chief executive under a funding agreement; or
 - (b) the chief executive's powers apart from this section.

Part 4A Community housing providers

Division 1 Preliminary

36 Objects of this part

This part establishes a system for the registration, monitoring and regulation of entities providing community housing services—

- (a) to encourage the development, viability and quality of community housing services; and
- (b) to promote confidence in the good governance of registered providers of community housing services, in order to facilitate greater investment in the community housing sector; and

Note—

Part 4A implements the State's obligations under the Inter-Governmental Agreement for a National Regulatory System for Community Housing Providers.

36A Meaning of *primary jurisdiction*

- (1) The *primary jurisdiction* of a national provider, or a national entity (a *potential provider*) intending to provide a community housing service, is—
 - (a) the participating jurisdiction in which the national provider provides, or the potential provider intends to provide, most of its community housing services; or
 - (b) if the registrars of each participating jurisdiction agree to a different primary jurisdiction—that jurisdiction.
- (2) The registrars of each participating jurisdiction may agree to a different primary jurisdiction for a national provider or

potential provider at any time whether or not on the application of the national provider or potential provider.

- (3) As soon as practicable after agreeing on a different primary jurisdiction for a national provider or potential provider, the registrar of the provider's new primary jurisdiction must—
 - (a) give the national provider or potential provider notice of its new primary jurisdiction; and
 - (b) record the new primary jurisdiction on the national register.
- (4) For subsection (1)(a), a community housing service provided by a national provider, or intended to be provided by a potential provider, in a jurisdiction other than a participating jurisdiction is not to be taken into account in deciding where most of the national provider's or potential provider's community housing services are, or will be, provided.

36B Extraterritorial operation of pt 4A

It is the intention of the Parliament that, as far as the legislative power of the Parliament permits, the operation of this part includes operation in relation to the following—

Note—

A state provider may provide a community housing service only within this jurisdiction—see schedule 3, part 2, section 7.

 - (b) the applicant’s affairs.

- (5) However, subsection (4) does not authorise the registrar to require information or a document that identifies an individual who is an occupier of residential premises.

37C Deciding application

- (1) The registrar must approve an application made under section 37B(1)(a) or (b) by a national entity or a national provider if the registrar is satisfied that—

37D Conditions of registration

- (1) A registered provider must comply with—
 - (a) each condition applying to the provider’s registration; and
 - (b) each provision (an *applicable code provision*) of the national regulatory code in schedule 1 that is identified on the relevant register as applying to the provider’s registration.

- (2) Schedule 2 sets out the conditions that apply to the registration of each registered provider.
- (3) Schedule 3, part 1 sets out the conditions that apply to the registration of a national provider for which this jurisdiction is the primary jurisdiction.

 - (a) if the asset is located in this jurisdiction—
 - (i) the chief executive; or
 - (ii) if another entity is prescribed—the prescribed entity; or

 - (b) if the chief executive imposes conditions—the national provider or the state provider transferring the community housing asset must comply with the conditions when the provider is transferring the asset.
- (5) If a registered provider fails to comply with subsection (2), (3) or (4), the provider is taken to have contravened each funding agreement to which the provider is a party.

- (6) In this section—

relevant day, for a registered provider, means—

- (1) The registrar may take action under this division in relation to the following—
 - (a) a national provider for which the registrar is the primary registrar;
 - (b) a state provider.
- (2) The registrar may take action under this division against a registered provider mentioned in subsection (1) if the registrar reasonably believes the provider is not complying with—
 - (a) this Act; or
 - (b) if the provider is a national provider—a corresponding law that applies to the provider.

38A Notice of noncompliance

- (1) If the registrar decides to take action under this division in relation to a registered provider, the registrar may give the provider a notice (*a notice of noncompliance*) stating—

 - (d) the reasonable steps the provider must take to rectify the noncompliance; and

- (e) the time within which the provider must take steps to rectify the noncompliance; and
 - (f) that the consequences of the provider failing to rectify the noncompliance within the stated time may include cancellation of the provider's registration.
- (2) If the provider is a national provider, the registrar must give a copy of the notice of noncompliance to the registrar of each other participating jurisdiction.

38B Binding instructions to rectify noncompliance

- (1) The registrar may give a registered provider written instructions (the *binding instructions*) about the way in which the provider is to address a matter that is the subject of a notice of noncompliance the registrar has given the provider.

Note—

A decision by the registrar to issue binding instructions to a registered provider is reviewable—see section 63(2)(e).

- (2) The registrar may give more than 1 set of binding instructions for a notice of noncompliance.
- (3) The registered provider and each relevant person for the provider must comply with the binding instructions within the period, if any, stated in the instructions.

Note—

A failure to comply with subsection (3) is not an offence but is a ground for the registrar to give a registered provider a notice of intention to cancel the provider's registration.

- (4) In deciding whether to give binding instructions to the registered provider the registrar must—
- (a) consider the interests of any tenants of the provider; and
 - (b) if the provider is a national provider—take all steps reasonably practicable to obtain the views of a regulatory body the registrar considers has a relevant interest in the matter.

Example for paragraph (b)—

in considering whether to give binding instructions under this section to a national provider that is a company limited by shares under the *Corporations Act 2001* (Cwlth), the registrar takes steps to obtain the views of the Australian Securities and Investments Commission

(5) In this section—

relevant person, for a registered provider, means—

- (b) has not complied with binding instructions given to the provider within the period, if any, stated in the instructions; or
- (c) has failed to comply with a provision of this Act or, if the provider is a national provider, a corresponding law of another participating jurisdiction, and urgent steps are required because the failure has potentially serious consequences.

Example for paragraph (c)—

a failure by a registered provider to comply with this Act that creates a risk to the health and safety of the provider’s tenants

(2) The registrar may give the registered provider a notice (a ***notice of intent to cancel registration***) that the registrar intends to cancel the provider’s registration.

(3) The notice of intent to cancel registration must state—

- (a) the reasons the registrar considers registration should be cancelled; and

- (b) that the provider's registration will be cancelled unless, within the period stated in the notice, the provider satisfies the registrar that the provider's registration should not be cancelled.
- (4) The stated period in a notice of intent to cancel registration—
 - (a) must be not less than 14 days after the day the notice is given to the registered provider; and
 - (b) may be extended in writing by the registrar at the provider's request, if the registrar is satisfied that there are good reasons for extending the period.
- (5) If the provider is a national provider, the registrar must also give a copy of the notice of intent to cancel registration to the registrar of, and the housing agency for, each other participating jurisdiction.

38D Statutory managers

- (1) The registrar may, by instrument, appoint a person (a *statutory manager*) to conduct the affairs and activities of a registered provider, to the extent the affairs and activities relate to the provider's community housing assets.

Note—

A decision by the registrar to appoint a statutory manager is reviewable—see section 63(2)(f).

- (2) The registrar may appoint a statutory manager only if—

 - (i) this Act;
 - (ii) if the provider is a national provider—a corresponding law of another participating jurisdiction applying to the provider;

(iii) binding instructions given to the provider.

Example of potentially serious consequences—

a failure by a registered provider to comply with this Act that creates a risk to the health and safety of the provider's tenants

- (3) The statutory manager's instrument of appointment must state the following—
- (a) the statutory manager's name;
 - (b) details of the registered provider;
 - (c) details of the statutory manager's functions and powers;
