Subdivision 2 Entry by consent

86 Application of subdivision

This subdivision applies if an authorised officer intends to ask an occupier of a place to consent to the authorised officer or another authorised officer entering the place under section 85(1)(a).

- (1) An authorised officer may apply to a magistrate for a warrant for a place.
- (2) The authorised officer must prepare a written application that states the grounds on which the warrant is sought.
- (3) The written application must be sworn.
- (4) The magistrate may refuse to consider the application until the authorised officer gives the magistrate all the information the magistrate requires about the application in the way the magistrate requires.

Example—

The magistrate may require additional information supporting the written application to be given by statutory declaration.

91 Issue of warrants

- (1) The magistrate may issue the warrant for the place only if satisfied there are reasonable grounds for suspecting there is at the place, or will be at the place within the next 7 days, a particular thing or activity that may provide evidence of an offence against this Act.
- (2) The warrant must state—
 - (a) the place to which the warrant applies; and

- (2) The application—
 - (a) may not be made before the authorised officer prepares the written application under section 90(2); but
 - (b) may be made before the written application is sworn.

 - (a) it was necessary to make the application under section 92; and
 - (b) the way the application was made under section 92 was appropriate.
- (2) After the magistrate issues the original warrant—
 - (a) if there is a reasonably practicable way of immediately giving a copy of the warrant to the authorised officer, including, for example, by sending a copy by fax or email, the magistrate must immediately give a copy of the warrant to the officer; or
 - (b) otherwise—
 - (i) the magistrate must tell the authorised officer the information required to be stated in the warrant under section 91(2); and
 - (ii) the authorised officer must complete a form of warrant, including by writing on it the information mentioned in subparagraph (i).
- (3) The copy of the warrant mentioned in subsection (2)(a), or the form of warrant completed under subsection (2)(b) (in either case the *duplicate warrant*), is a duplicate of, and as effectual as, the original warrant.

- (7) This section does not limit section 90.

94 Defects in relation to warrants

- (1) A warrant is not invalidated by a defect in the warrant or compliance with this subdivision, unless the defect affects the substance of the warrant in a material particular.
- (2) In this section—
warrant includes a duplicate warrant mentioned in section 93(3).

95 Entry procedure

 - (c) tell the person the officer is permitted by the warrant to enter the place;
 - (d) give the person an opportunity to allow the officer immediate entry to the place without using force.

(3) However, the authorised officer need not comply with subsection (2) if the officer reasonably believes that entry to the place without compliance is required to ensure the execution of the warrant is not frustrated.

(4) In this section—

identity card means an identity card issued under the *Transport Operations (Road Use Management) Act 1995*, section 24.

warrant includes a duplicate warrant mentioned in section 93(3).

 - (a) an authorised officer is authorised to enter a place only with the consent of an occupier of the place or a warrant; and
 - (b) the authorised officer enters the place after obtaining the consent or under a warrant.
- (2) If the authorised officer enters the place with the occupier's consent, the officer may seize a thing at the place only if—

- (1) An authorised officer may seize a thing, and exercise powers relating to the thing, despite a lien or other security over the thing claimed by another person (the *claimant*).

- (2) However, the seizure does not affect the claimant's claim to the lien or other security against a person other than—
 - (a) the authorised officer; or

- (2) The authorised officer must, as soon as practicable after seizing the thing, give an owner or person in control of the thing before it was seized a receipt for the thing that generally describes the thing and its condition.
- (3) However, if an owner or person from whom the thing is seized is not present when it is seized, the receipt may be given by leaving the receipt in a conspicuous position and in a reasonably secure way at the place where the thing is seized.
- (4) The receipt may relate to more than 1 seized thing.
- (5) The authorised officer may delay giving the receipt if the officer reasonably suspects giving the receipt may frustrate or otherwise hinder an investigation by the officer under this part.
- (6) However, the delay may be only for so long as—
 - (a) the authorised officer continues to have the reasonable suspicion; and
 - (b) the authorised officer, or a person acting under the direction of the authorised officer, remains in the vicinity of the place where the thing was seized to keep the thing or place under observation.

or efforts, including the period over which they are made, are reasonable.

110 Information notice about forfeiture decision

- (1) If the chief executive decides under section 109 that a thing is forfeited, the chief executive must, as soon as practicable, give a person who owned the thing immediately before the forfeiture (the *former owner*) an information notice about the decision.
