Victims of Crime Assistance Act 2009

An Act to provide a scheme to give financial assistance to certain victims

Chapter 1 Preliminary

Part 1 Introduction

1 Short title

This Act may be cited as the *Victims of Crime Assistance Act 2009*.

2 Commencement

This Act, other than the following provisions, commences on a day to be fixed by proclamation—

- (a) sections 127, 128, 131 and 138;
- (b) schedule 3, definitions *appropriately qualified*, *government assessor*, *scheme manager*, *the scheme* and *victims assistance unit*.

3 Purpose of Act

- (1) The purpose of this Act is to provide a scheme to give financial assistance to certain victims of acts of violence.
- (2) The objectives of the scheme are—
 - (a) to help victims of acts of violence to recover from the acts by giving them financial assistance; and

- (b) for primary victims, to give the victims amounts representing a symbolic expression by the State of the community's recognition of the injuries suffered by them; and
 - (c) for related victims who have suffered distress, to give the victims amounts representing a symbolic expression by the State of the community's recognition of the distress suffered by them; and
 - (d) to add to other services provided by or for government to victims of acts of violence.
- (3) However, grants of financial assistance (including special assistance and assistance as mentioned in section 49(f)) to victims of acts of violence under the scheme are not intended to reflect the level of compensation to which victims of acts of violence may be entitled at common law or otherwise.

Part 2 Interpretation

4 Definitions

The dictionary in schedule 3 defines particular words used in this Act.

5 Meaning of *victim*

- (1) A *victim* is a person who has suffered harm—
- (a) because a crime is committed against the person; or
 - (b) because the person is a family member or dependant of a person who has died or suffered harm because a crime is committed against that person; or
 - (c) as a direct result of intervening to help a person who has died or suffered harm because a crime is committed against that person.

-
- (2) Subsection (3) applies if a victim mentioned in subsection (1)(a) is pregnant when the crime is committed and, as a result of the commission of the crime—
 - (a) the person sustains a bodily injury that results in the destruction of the life of the person’s unborn child; or
 - (b) the person dies, resulting in the destruction of the life of the person’s unborn child.
 - (3) A *victim* includes a person who has suffered harm because the person would, if the unborn child had been born alive, have been a family member of the child.
 - (4) A person who commits a crime against a person as mentioned in subsection (1)(a) is not a victim of the crime under subsection (1)(b) or (c) or (3).
 - (5) A *victim* includes a person, other than a person mentioned in subsection (1) or (3), who has suffered harm—
 - (a) because domestic violence is committed against the person; or
 - (b) because the person is a family member or dependant of a person mentioned in paragraph (a); or
 - (c) as a direct result of intervening to help a person mentioned in paragraph (a).

Chapter 3 Victims financial assistance scheme

Part 1 General

21 Scheme for financial assistance

- (1) This chapter establishes a scheme for the payment of financial assistance—

- (a) to a victim of an act of violence; or
 - (b) to a person who incurs, or is reasonably likely to incur, funeral expenses for—
 - (a) a primary victim of an act of violence; or
 - (b) an unborn child of a primary victim of an act of violence.
- (2) This chapter does not entitle anyone to the payment of financial assistance in relation to an act of violence if—
- (a) the person committed or conspired to commit the act; or
 - (b) for a person claiming assistance as a primary victim of the act—the person’s involvement in a criminal activity is the only reason, or the main reason, the act was committed against the person; or
 - (c) for a person claiming assistance for the death of a primary victim of the act—the primary victim’s involvement in a criminal activity is the only reason, or the main reason, the act was committed against the primary victim, and the person was or should have been aware of the involvement.
- (3) Also, this chapter does not entitle anyone to the payment of financial assistance in relation to an act of violence if, in the absence of a reasonable excuse—
- (a) the act has not been reported to a person as mentioned in section 81(1)(a); or
 - (b) for an act that is a crime or a series of related crimes—the person has not given reasonable assistance in the arrest or prosecution of the person who allegedly committed the act.
- (4) Further, this chapter does not entitle anyone to the payment of financial assistance in relation to an act of violence to the extent the person has received, or will receive, payment of an amount in relation to the act of violence from another source.

22 Other rights etc. not affected

The granting of financial assistance under the scheme to a person does not limit a right, entitlement or remedy the person has under common law or otherwise.

23 Assistance for victim available only in 1 capacity

- (1) This section applies if a person is a victim of an act of violence in 2 or more of the following capacities—
 - (a) primary victim;
 - (b) parent secondary victim;
 - (c) witness secondary victim;
 - (d) related victim.
- (2) The person is eligible for victim assistance in relation to the act of violence in only 1 of the capacities.
- (3) This section does not prevent—
 - (a) a primary victim of an act of violence also being granted assistance for funeral expenses for the unborn child of the primary victim; or
 - (b) a witness secondary victim or related victim of an act of violence also being granted assistance for funeral expenses for—
 - (i) a primary victim of the act of violence; or
 - (ii) an unborn child of a primary victim of the act of violence.

24 Effect of death on eligibility for assistance

- (1) Despite any other Act or law, if a person entitled to assistance dies, the person's entitlement to assistance does not survive for the benefit of the person's estate.
- (2) If a person applies for assistance but dies before the application is decided, the application lapses.

- (3) If a person is granted assistance but dies before the assistance is paid to the person, the assistance is taken to never have been granted and the person's application lapses.

Part 2 Basic concepts

25 Meaning of *act of violence*

- (1) An *act of violence* is a crime or a series of related crimes, whether committed by 1 or more persons, that—
 - (a) are committed in Queensland; and
 - (b) directly result in the death of, or injury to, 1 or more persons, irrespective of where the death or injury happened.

Note—

In general terms, it is intended by this section that assistance may be granted to a person in relation to an act of violence even though the person who committed the act has not been, or can not be, found guilty of the relevant prescribed offence because of a justification, excuse or defence.

On the other hand, it is not intended by this section that assistance be payable for an act done or omission made by a person, for example, a police officer, if the act or omission is lawfully done or made in the course of the person performing duties under an Act.

See, however, sections 26(6), 50(2), 79 and 80.

- (2) Also, an *act of violence* is domestic violence, or a series of related acts of domestic violence, that—
 - (a) is committed in Queensland; and
 - (b) directly results in the death of, or injury to, 1 or more persons, irrespective of where the death or injury happened; and
 - (c) is not an act of violence under subsection (1).
- (3) In this chapter, a reference to an act of violence in relation to an application for assistance includes a reference to an alleged act of violence.

25A Meaning of *crime*

- (1) A *crime* is an act or omission constituting a prescribed offence—
 - (a) disregarding any justification, excuse or defence that a person may have for doing the act or making the omission; and
 - (b) whether or not the person who did the act or made the omission has been identified, arrested, prosecuted or convicted in relation to the act or omission.
- (2) However, a reference to a justification, excuse or defence in subsection (1)(a) does not include—
 - (a) a matter mentioned in the Criminal Code, section 31(1)(a) or (b); or
 - (b) an authorisation to do an act or make an omission that is provided for under an Act.
- (3) In this section—

prescribed offence means—

 - (a) an offence committed against the person of someone; or
 - (b) an offence of attempting to commit, or conspiring to commit, an offence mentioned in paragraph (a).

25B Meaning of *series of related crimes* and *series of related acts of domestic violence*

- (1) A *series of related crimes* is 2 or more crimes that are related because the crimes—
 - (a) are committed against the same person and—
 - (i) are committed at about the same time; or
 - (ii) are committed over a period by the same person or group of persons; or
 - (iii) share another common factor; or
 - (b) all contribute to the death of or injury to a person; or

[s 26]

- (c) having regard to the circumstances of the crimes, are related in some other way.
- (2) However, a crime (*later crime*) is not related to a previous crime (*earlier crime*) if the later crime is committed after assistance is granted in relation to the earlier crime.
- (3) A *series of related acts of domestic violence* is 2 or more acts or omissions constituting domestic violence that are related because the acts or omissions—
 - (a) are committed in relation to the same person and—
 - (i) are committed at about the same time; or
 - (ii) are committed over a period by the same person; or
 - (iii) share another common factor; or
 - (b) all contribute to the death of or injury to a person; or
 - (c) having regard to the circumstances, are related in some other way.
- (4) However, an act or omission constituting domestic violence (*later domestic violence*) is not related to a previous act or omission constituting domestic violence (*earlier domestic violence*) if the later domestic violence is committed after assistance is granted in relation to the earlier domestic violence.
- (5) To remove any doubt, it is declared that, for this chapter—
 - (a) a series of related crimes, or a series of related acts of domestic violence, is taken to be a single act of violence; and
 - (b) assistance may be granted only for the single act of violence.

26 Who is a primary, secondary, parent secondary, witness secondary or related victim

- (1) A *primary victim*, of an act of violence, is a person who dies or is injured as a direct result of the act being committed against the person.

-
- (2) A **secondary victim**, of an act of violence, is a person who is a parent secondary victim or witness secondary victim of the act.
 - (3) A **parent secondary victim**, of an act of violence, is a person who—
 - (a) is a parent of a child who is injured as a direct result of the act being committed against the child; and
 - (b) is injured as a direct result of becoming aware of the act.
 - (4) A **witness secondary victim**, of an act of violence, is a person who is injured as a direct result of witnessing the act.
 - (5) A **related victim**, of an act of violence, is a person who is a close family member, or a dependant, of a primary victim of the act who has died as a direct result of the act.
 - (6) However, a person is not a victim of an act of violence, of a kind mentioned in subsections (1) to (5), if the person committed the act.
 - (7) In this section—

close family member, of a primary victim of an act of violence who has died as a direct result of the act, means a family member of the primary victim who had a genuine personal relationship with the primary victim when the primary victim died.

27 Meaning of *injury*

- (1) In this chapter, **injury** means—
 - (a) bodily injury; or
 - (b) mental illness or disorder; or
 - (c) intellectual impairment; or
 - (d) pregnancy; or
 - (e) disease; or

- (f) for a sexual offence or domestic violence, the totality of the following adverse impacts of the sexual offence or domestic violence suffered by a person—
 - (i) sense of violation;
 - (ii) reduced self worth or perception;
 - (iii) lost or reduced physical immunity;
 - (iv) lost or reduced physical capacity (including the capacity to have children), whether temporary or permanent;
 - (v) increased fear or increased feelings of insecurity;
 - (vi) adverse effect of others reacting adversely to the person;
 - (vii) adverse impact on lawful sexual relations;
 - (viii) adverse impact on feelings; or
 - (g) a combination of matters mentioned in paragraphs (a) to (f).
- (2) For this chapter, *injury* also includes an aggravation of an injury mentioned in subsection (1)(a) to (g), if the aggravation arises as a direct result of an act of violence.
- (3) To remove any doubt, it is declared that, for this chapter, an aggravation mentioned in subsection (2) is an injury only to the extent of the effects of the aggravation.

28 When exceptional circumstances exist

For this chapter, *exceptional circumstances* exist for a victim of an act of violence if, because of the victim's circumstances or the nature of the act, the act has had an unusual, special or out of the ordinary effect on the victim.

Examples of when exceptional circumstances may exist—

- 1 An elderly person who lives alone suffers injury as a direct result of an act of violence committed against the person in the person's home. Because of the act, the person becomes seriously concerned about the person's security.

- 2 A person who lives in a remote area suffers injury as a direct result of an act of violence committed against the person by a person who lives in the same area. Because of the remoteness of the area, the person becomes seriously concerned about another act of violence being committed against the person by the same person.

29 When person incurs expenses

For this chapter, a person *incurs* expenses if—

- (a) the person pays the expenses; or
- (b) someone else pays the expenses on the person's behalf; or
- (c) the person receives an invoice for the payment of the expenses.

Note—

Part 13, division 2 provides for the payment of assistance to a person who is granted assistance, including providing for payments to someone else who has paid expenses on the person's behalf or who has given the person an invoice for the payment of expenses.

30 References to government assessor

In this chapter, a reference to the government assessor in relation to an application for assistance is a reference to the government assessor who, for the time being, is dealing with the application.

Note—

See sections 62, 127(6) and (7) and 130(5).

Part 3 Relationship with workers' compensation

31 Application of pt 3

This part applies if, for an act of violence, a person is—

[s 32]

- (a) a primary victim, witness secondary victim or related victim; and
- (b) a person who is entitled to compensation under the Workers' Compensation Act.

32 Relationship generally

- (1) This section states the assistance for which the person is eligible if the person is paid compensation under the Workers' Compensation Act.
- (2) If the person is a primary victim, the person is eligible for the following assistance—
 - (a) assistance under section 38(1) for—
 - (i) the components mentioned in section 39(f) and (g); and
 - (ii) special assistance as mentioned in subsection (6);
 - (b) additional assistance under section 38(2).
- (3) If the person is a witness secondary victim of a more serious act of violence, the person is eligible for the following assistance—
 - (a) assistance under section 44(1)(a) for the component mentioned in section 45(f);
 - (b) additional assistance under section 44(2);
 - (c) funeral expense assistance.
- (4) If the person is a witness secondary victim of a less serious act of violence, the person is eligible for funeral expense assistance.
- (5) If the person is a related victim of an act of violence, the person is eligible for the following assistance—
 - (a) assistance under section 48(1) for—
 - (i) the components mentioned in section 49(a), (b), (c), (d) and (g); and

-
- (ii) non-expense assistance as mentioned in subsection (7);
 - (b) additional assistance under section 48(2).
- (6) For subsection (2)(a)(ii), the person is eligible for the following special assistance—
- (a) if the person has not been paid any lump sum compensation under the Workers' Compensation Act—special assistance of the amount that would ordinarily be payable to the person;
 - (b) if the person has been paid lump sum compensation under the Workers' Compensation Act of an amount that is less than the amount of special assistance that would ordinarily be payable to the person—special assistance of the difference between the special assistance that would ordinarily be payable and the lump sum compensation paid.
- (7) For subsection (5)(a)(ii), the person is eligible for non-expense assistance—
- (a) only if the amount of the compensation paid under the Workers' Compensation Act is less than the amount of the non-expense assistance that would ordinarily be payable to the person; and
 - (b) only for the difference between the non-expense assistance that would ordinarily be payable to the person and the compensation paid under the Workers' Compensation Act.

- (8) In this section—

non-expense assistance means the total amount of assistance for the components mentioned in section 49(e) and (f).

33 When a person's workers' compensation application is finally dealt with

For this part, a person's workers' compensation application is finally dealt with when the person's total entitlement to

[s 34]

compensation under the Workers' Compensation Act, including the person's entitlement to treatment, care and support payments under chapter 4A of that Act, has been decided under that Act, including, for example, because—

- (a) the person's workers' compensation application has been rejected under that Act; or
- (b) the person accepts or rejects an offer of lump sum compensation under that Act; or
- (c) the person's entitlement to compensation under that Act stops under that Act.

Note—

See, for example, the Workers' Compensation Act, chapter 3 (Compensation), part 8A (When entitlement to compensation stops).

34 Generally workers' compensation application finally dealt with before victim assistance application

- (1) The person may apply for victim assistance in relation to the act of violence committed against the person only if—
 - (a) the person has made a workers' compensation application; and
 - (b) the workers' compensation application has been finally dealt with.
- (2) The person may apply for victim assistance—
 - (a) within 3 years after the person's workers' compensation application is finally dealt with; or
 - (b) if the person is a child when the person's workers' compensation application is finally dealt with—before the person turns 21.
- (3) Subsection (2) applies despite section 54(1).
- (4) However, the scheme manager may, on application by the person, give the person approval to make an application for assistance without first making a workers' compensation application if—

-
- (a) the reason the person has not made the workers' compensation application is because the prescribed period has passed; and
 - (b) the person has, under the Workers' Compensation Act, section 131(4) or (5), applied to an insurer to waive the need to make the workers' compensation application within the prescribed period, and has been unsuccessful; and
 - (c) the scheme manager is reasonably satisfied the person has a reasonable excuse for not making the workers' compensation application within the prescribed period, having regard to any of the following—
 - (i) the person's age when the act of violence was committed;
 - (ii) whether the person has an impaired capacity;
 - (iii) whether the person who allegedly committed the act of violence was in a position of power, influence or trust in relation to the person;
Examples of persons who may be in a position of power, influence or trust in relation to a person—
 - a person's parent, spouse or carer
 - (iv) the physical or psychological effect of the act of violence on the person;
 - (v) any other matter the scheme manager considers relevant.
- (5) The scheme manager must give a person who applies for an approval under subsection (4) notice of the scheme manager's decision on the application.
- (6) If the scheme manager decides not to give the approval, the notice must state the following—
- (a) the decision;
 - (b) the reasons for the decision;

Note—

See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).

- (c) the internal review details for the decision.
- (7) In this section—

prescribed period means the period within which a workers' compensation application may be made under the Workers' Compensation Act, section 131(1).

Part 3A Relationship with Motor Accident Insurance Act 1994

36A Application of part

This part applies if—

- (a) for an act of violence, a person is a primary victim, secondary victim or related victim; and
- (b) the act resulted in a motor vehicle accident within the meaning of the *Motor Accident Insurance Act 1994*; and
- (c) the person has made, or is or was entitled to make, a motor accident claim in relation to the motor vehicle accident.

36B Making of victim assistance application not affected by motor accident claim

The person may apply for victim assistance in relation to the act of violence whether or not—

- (a) a motor accident claim has been made in relation to the motor vehicle accident; or
- (b) if a motor accident claim has been made in relation to the motor vehicle accident—the claim has been finally dealt with.

Note—

However, under section 86 the amount of victim assistance that would otherwise be payable to an applicant is reduced by the amount of a relevant payment the applicant has received or will receive. An amount payable under the *Motor Accident Insurance Act 1994* is a relevant payment—see schedule 3, definition *relevant payment*.

36C When motor accident claim is finally dealt with

For this part, a motor accident claim is finally dealt with when 1 of the following things happens under the *Motor Accident Insurance Act 1994*—

- (a) an insurer denies liability for the claim;
- (b) an offer, or counter offer, of settlement of the claim is accepted;
- (c) a proceeding in a court based on the claim ends, including any appeal.

36D Requirement to defer decision—motor accident claim not made

- (1) This section applies if—
 - (a) the person (the *applicant*) applies for victim assistance in relation to the act of violence; and
 - (b) the applicant has not made a motor accident claim in relation to the motor vehicle accident.
- (2) The government assessor must defer deciding the application until—
 - (a) the applicant has made a motor accident claim in relation to the motor vehicle accident; and
 - (b) the claim has been finally dealt with.

Note—

However, under section 36F the government assessor must decide the application to the extent it relates to assistance for counselling expenses despite the deferral under this section.

- (3) However, subsection (2) does not apply if the scheme manager is satisfied—
- (a) that—
 - (i) a motor accident claim by the applicant in relation to the motor vehicle accident is barred under the *Motor Accident Insurance Act 1994*, section 37(3); or
 - (ii) the applicant has tried unsuccessfully under the *Motor Accident Insurance Act 1994*, section 37(3) to give notice of a motor accident claim in relation to the motor vehicle accident after the period mentioned in section 37(2) of that Act; and
 - (b) the applicant has a reasonable excuse for not making the motor accident claim within the period mentioned in section 37(2) of that Act.
- (4) For deciding whether the applicant has a reasonable excuse under subsection (3)(b), the scheme manager must have regard to each of the following—
- (a) the applicant’s age at the time the act of violence occurred;
 - (b) whether the applicant has impaired capacity;
 - (c) whether the person who allegedly committed the act of violence was in a position of power, influence or trust in relation to the applicant;
Examples of persons who may be in a position of power, influence or trust in relation to the applicant—
 - the applicant’s parent, spouse or carer
 - (d) the physical or psychological effect of the act of violence on the applicant;
 - (e) any other matter the scheme manager considers relevant.
- (5) If the scheme manager decides the applicant does not have a reasonable excuse, the scheme manager must give the applicant a notice stating the following—
- (a) the decision;

- (b) the reasons for the decision;

Note—

See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).

- (c) the internal review details for the decision.

36E Requirement to defer decision—motor accident claim made but not finally dealt with

- (1) This section applies if—
 - (a) the person applies for victim assistance in relation to the act of violence; and
 - (b) a motor accident claim made by the person in relation to the motor vehicle accident has not been finally dealt with.
- (2) The government assessor must defer deciding the application until the motor accident claim is finally dealt with.

Note—

However, under section 36F the government assessor must decide the application to the extent it relates to assistance for counselling expenses despite the deferral under this section.

36F Decision about assistance for counselling expenses

- (1) This section applies if—
 - (a) the person applies for victim assistance in relation to the act of violence; and
 - (b) the government assessor defers deciding the application under section 36D or 36E.
- (2) Despite the deferral of the decision, the government assessor must decide the application to the extent it relates to assistance mentioned in section 39(a), 42(a), 45(a), 46(a) or 49(a).

Note—

The effect of this subsection is that the person may be granted assistance for counselling expenses before the motor accident claim has been finally dealt with.

- (3) The government assessor must give the person a notice for the decision mentioned in subsection (2) stating—
- (a) if the decision is to grant the application to the extent mentioned in the subsection—
- (i) the amount payable to the person; and
 - (ii) the reasons for the decision; and

Note—

See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).

- (iii) the internal review details for the decision; or
- (b) if the decision is to refuse to grant the application to the extent mentioned in the subsection—
- (i) the decision; and
 - (ii) the reasons for the decision; and

Note—

See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).

- (iii) the internal review details for the decision.
- (4) If the government assessor decides to grant the application to the extent mentioned in subsection (2), for section 100 the assistance granted is taken to be interim assistance granted under part 14.

Note—

See section 100 in relation to the effect of the decision made on the application for victim assistance in relation to an amount paid in interim assistance.

- (5) This section does not limit part 14.

Part 3B Relationship with national injury insurance scheme—motor vehicle accidents

36G Application of part

This part applies to the primary victim of an act of violence if the primary victim or another person has made, or is entitled to make, an application (an *NIISQ application*) under the NIISQ Act for approval to participate in the scheme in relation to the injury suffered by the primary victim as a direct result of the act of violence.

Note—

See the NIISQ Act, sections 16 to 18.

36H Making of victim assistance application not affected by application for approval to participate in scheme

The primary victim may apply for victim assistance in relation to the act of violence whether or not—

- (a) an NIISQ application has been made in relation to the injury suffered by the primary victim as a direct result of the act of violence; or
- (b) if an NIISQ application has been made—the application has been decided by the agency under the NIISQ Act.

Note—

However, under section 86 the amount of victim assistance that would otherwise be payable to an applicant is reduced by the amount of a relevant payment the applicant has received or will receive. An amount payable under the NIISQ Act is a relevant payment—see schedule 3, definition *relevant payment*.

36I Deferring decision if NIISQ application not made or not decided

- (1) This section applies if—

[s 36J]

- (a) the primary victim applies for victim assistance in relation to the act of violence; and
- (b) either—
 - (i) an NIISQ application has not been made; or
 - (ii) an NIISQ application has been made but has not been decided by the agency under the NIISQ Act.
- (2) The government assessor may defer deciding the application, or defer deciding the amount of assistance to be granted, until the NIISQ application is decided.

Note—

However, under section 36J the government assessor must decide the application to the extent it relates to assistance for particular expenses despite the deferral under this section.

- (3) If, under subsection (2), the application or the amount of assistance to be granted is not decided within 2 years after the application was made, the government assessor must, despite that subsection, make the decision as soon as reasonably practicable.
- (4) If the government assessor defers deciding the application or the amount of assistance to be granted under subsection (2), the government assessor must give the primary victim a notice stating the following—
 - (a) the decision;
 - (b) the reasons for the decision;

Note—

See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).

- (c) the internal review details for the decision.

36J Decision about assistance for particular expenses

- (1) This section applies if—
 - (a) the primary victim applies for victim assistance in relation to the act of violence; and

-
- (b) the government assessor defers deciding the application, or the amount of the assistance to be granted, under section 36I; and
 - (c) section 36F does not apply.
- (2) Despite the deferral, the government assessor must decide the application to the extent it relates to assistance mentioned in section 39(a) and (c) to (h).
- (3) The government assessor must give the primary victim a notice for the decision mentioned in subsection (2) stating—
- (a) if the decision is to grant the application to the extent mentioned in the subsection—

- Note—*
See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).
- (iii) the internal review details for the decision; or

- Note—*
See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).
- (iii) the internal review details for the decision.
- (4) If the government assessor decides to grant the application to the extent mentioned in subsection (2), for section 100 the assistance granted is taken to be interim assistance granted under part 14.

Note—

See section 100 in relation to the effect of the decision made on the application for victim assistance in relation to an amount paid in interim assistance.

- (5) This section does not limit part 14.

- (1) This section applies if an applicant for assistance has made an earlier application for assistance for the same act of violence.
- (2) The government assessor must refuse the later application.
- (3) However, if the earlier application has not been decided, the government assessor may act under subsection (2) only if—
 - (a) the applicant has been invited to withdraw the earlier application under section 59 within a stated period of at least 7 days; and
 - (b) the applicant has not withdrawn the earlier application within the stated time.

Note—

See also section 60 for amendments of applications.

- (4) Also, if the earlier application has not been decided and the government assessor considers the applications relate to a

[s 84]

series of related crimes or a series of related acts of domestic violence, the government assessor—

- (a) must not refuse the later application under subsection (2); and
- (b) must refer the earlier and later applications to the scheme manager to be dealt with under section 70.

Note—

Section 70 provides for deciding 2 or more applications for a series of related crimes, or a series of related acts of domestic violence, as 1 application for a single act of violence involving the series.

- (5) Subsection (2) does not apply if 1 of the applications is an application for victim assistance and the other application is for funeral expense assistance.

84 Deferring decision if applicant is detained

- (1) This section applies if the applicant for assistance is being detained in a corrective services facility under the *Corrective Services Act 2006*.
- (2) The government assessor can not decide the application until the applicant is released or discharged under the *Corrective Services Act 2006*.
- (3) However, if under subsection (2) the application is not decided within 5 years after it was made, the government assessor must, despite that subsection, decide the application as soon as reasonably practicable.

84A Deferring decision if cause of death unknown

- (1) This section applies if—
 - (a) an applicant has applied for assistance in relation to an act of violence; and
 - (b) the primary victim has died as a direct result of the act of violence; and

-
- (c) the police commissioner has notified the government assessor under section 65 that the cause of the primary victim's death is unknown.
- (2) The government assessor may defer deciding the application until the first of the following happens—
- (a) a person is charged with an offence the government assessor reasonably considers is a relevant offence for the act of violence;
- (b) a coroner under the *Coroners Act 2003* makes a finding under that Act in relation to the death of the primary victim;
- (c) a cause of death certificate for the primary victim is issued under the *Births, Deaths and Marriages Registration Act 2023*;

- (1) This section applies if the scheme manager has made a complaint to a police officer alleging that an applicant for assistance has committed an information offence.
- (2) The government assessor may defer deciding the application, or defer deciding the amount of assistance to be granted, until either of the following happens—

[s 84C]

- (a) the applicant is charged with an information offence and the proceeding relating to the offence ends, including any appeal;
 - (b) the police commissioner advises the scheme manager the investigation into the scheme manager's complaint has ended without the applicant being charged with an information offence.
- (3) If the government assessor defers deciding the application or the amount of assistance to be granted, the government assessor must give the applicant a notice stating the following—
- (a) the decision;
 - (b) the reasons for the decision;
- Note—*
- See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).
- (c) the internal review details for the decision.
- (4) If, under subsection (2), the application or the amount of assistance to be granted is not decided within 2 years after the application was made, the government assessor must, despite that subsection, make the decision as soon as reasonably practicable.
- (5) In this section—
- information offence*** means an offence involving the giving of false or misleading information by the applicant in connection with the application.

84C Deferring decision if recovery of assistance granted to someone else is disputed

- (1) This section applies if—
- (a) an applicant for assistance has been given a notice under section 115 in relation to an offence; and

-
- (b) the applicant has given the scheme manager a notice under section 116 (the *applicant's notice*) disputing the claim; and
 - (c) the dispute mentioned in the applicant's notice has not been finally decided as mentioned in section 117(2)(b)(i).
- (2) The government assessor may defer deciding the application, or defer deciding the amount of assistance to be granted, until the dispute mentioned in the applicant's notice is finally decided as mentioned in section 117(2)(b)(i).
 - (3) If the government assessor defers deciding the application or the amount of assistance to be granted, the government assessor must give the applicant a notice stating the following—

- Note—*
See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).

 - (4) If, under subsection (2), the application or the amount of assistance to be granted is not decided within 2 years after the application was made, the government assessor must, despite that subsection, make the decision as soon as reasonably practicable.

Division 5 Working out amount of assistance

85 Deciding amount of assistance generally

- (1) This section applies for deciding the amount of assistance (if any) to be granted to an applicant.
- (2) In deciding the amount, the government assessor may have regard to, and may reduce the amount that would otherwise be payable to the applicant on the basis of, the following—

- (a) the extent to which the applicant's conduct directly or indirectly contributed to the injury suffered by the applicant as a direct result of the act of violence in relation to which assistance is sought;
 - (b) any other matter prescribed under a regulation for this section.
- (3) A question of fact for deciding the matter mentioned in subsection (2)(a), or for deciding the category of the act of violence in relation to which special assistance is sought, must be decided on the balance of probabilities.
- (4) The government assessor may be satisfied on the balance of probabilities that an act of violence of a particular category has caused a person's injury even though—
- (a) no person has been charged with, or convicted of, an act of violence of that category in relation to the injury; or
 - (b) a person has been charged with, or convicted of, an act of violence of a different category in relation to the injury.
- (5) If a regulation prescribes a matter for subsection (2)(b), the government assessor may reduce the amount of assistance that would otherwise be payable to a person on the basis of the matter only if the person's application for assistance is made after the matter is prescribed.

86 Reduction if relevant payment received

- (1) This section applies if the government assessor is reasonably satisfied an applicant for assistance in relation to an act of violence has received, or will receive, a relevant payment for the act.
- (2) The government assessor must reduce the amount of assistance that would otherwise be payable to the applicant by an amount equivalent to the relevant payment.
- (2A) However, subsection (2) does not apply to the extent the government assessor is satisfied the purpose for which the relevant payment was or will be made does not include

compensating the applicant for expenses in relation to which the applicant is eligible for assistance.

Example—

An applicant is eligible for assistance for counselling expenses mentioned in section 39(a), 42(a), 45(a), 46(a) or 49(a). A relevant payment is received by the applicant under the NIISQ Act for the applicant's treatment, care and support within the meaning of that Act. The purpose of the relevant payment does not include compensating the applicant for counselling expenses.

- (3) If the assistance payable to an applicant is reduced under subsection (2) and an amount of assistance remains payable to the applicant after the reduction, the government assessor must—
 - (a) decide the component of assistance for which the amount is payable, having regard to—
 - (i) the applicant's needs; and
 - (ii) whether the applicant has incurred any expenses; and
 - (iii) anything else the government assessor considers relevant; and
 - (b) give the applicant a notice stating—
 - (i) the decision; and
 - (ii) the reasons for the decision; and

Note—

See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).

- (iii) the internal review details for the decision.

87 Deferring decision if victim's conduct may be relevant

- (1) This section applies if—
 - (a) a person (*applicant*) has applied for assistance in relation to an act of violence; and

[s 87]

- (b) a person (*charged person*) has been charged with an offence that the government assessor reasonably considers is a relevant offence for the act; and
 - (c) the government assessor reasonably believes that, in relation to the charge, a relevant justification, excuse or defence may be raised.
- (2) The government assessor may defer deciding the amount of assistance to be granted to the applicant until 1 of the following happens—
- (a) the prosecuting agency decides not to continue with the charge;
 - (b) there is a mistrial for the charge;
 - (c) the charged person is acquitted or convicted of the charge;
 - (d) the prosecution process for the charge ends in another way.
- (3) If a trial is started in relation to the charge and evidence given at the trial raises a relevant justification, excuse or defence, the government assessor must, in deciding the matter mentioned in section 85(2)(a), have regard to the evidence.
- (4) Subsection (3) applies only to the extent the government assessor has lawful access to the evidence.
- (5) If the government assessor decides to defer deciding the amount of assistance under this section, the government assessor must give the applicant a notice stating the following—
- (a) the decision;
 - (b) the reasons for the decision;
- Note—*
- See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).
- (c) the internal review details for the decision.
- (6) In this section—

relevant justification, excuse or defence means a justification, excuse or defence that involves the conduct of—

- (a) the applicant; or
- (b) if the applicant is not the primary victim of the act of violence—the primary victim.

Part 13 Granting or refusing assistance

Division 1 Deciding application

88 Inviting submissions from applicant

- (1) This section applies if—
 - (a) under part 12, division 3, the government assessor proposes to refuse an application for assistance; or
 - (b) under part 12, division 5, the government assessor proposes to reduce the assistance that would otherwise be payable to an applicant.
- (2) The government assessor must give the applicant a notice—
 - (a) stating—
 - (i) the basis on which the government assessor is proposing to refuse the application or reduce the assistance that would otherwise be payable to the applicant; and
 - (ii) if the government assessor is proposing to reduce the assistance that would otherwise be payable to the applicant under section 86(2)—the component of assistance for which the government assessor is proposing to pay any remaining amount of assistance payable to the applicant; and
 - (b) inviting the applicant to make, within a stated time, an oral or written submission about the matter mentioned in paragraph (a).

[s 89]

- (3) The stated time must be reasonable and, in any case, at least 28 days after the government assessor gives the notice to the applicant.
- (4) Before deciding the application, the government assessor must consider any submission made by the applicant within the stated time.
- (5) Despite subsections (2) to (4), the government assessor may decide the application before the stated time if the applicant has advised the government assessor that the applicant will not make a submission about the matter mentioned in subsection (2)(a).

89 Deciding application

- (1) After considering an application for assistance, and any information or documents obtained under this chapter for the application, the government assessor must decide—
 - (a) to grant the applicant assistance as worked out under this chapter, with the condition mentioned in subsection (2) and any other conditions the government assessor considers appropriate; or
 - (b) to refuse the application.
- (2) The government assessor must impose a condition on a grant of assistance that, if the applicant receives a relevant payment for the act of violence within 6 years after the assistance is granted, the applicant must give the scheme manager written or oral notice of the payment within 28 days after receiving it.

Note—

Failure to comply with the condition imposed under subsection (2) is an offence—see section 141B.

90 Notice of decision to grant assistance

If the government assessor decides to grant assistance, the government assessor must give the applicant a notice stating the following—

-
- (a) any amount payable to the applicant, including—
 - (i) the total amount payable to the applicant; and
 - (ii) the amount payable for each component of assistance;
 - (b) the conditions imposed on the grant of assistance;

Note—

See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).

- (d) the internal review details for the decision.

91 Notice of decision to refuse assistance

If the government assessor's decision is to refuse an application for assistance, the government assessor must give the applicant a notice stating the following—

- (a) the decision;

[s 94]

- (a) entirely to the applicant; or
- (b) partly to the applicant and partly to someone else for the benefit of the applicant; or
- (c) entirely to someone else for the benefit of the applicant.

Example of person to whom assistance may be paid for the benefit of the applicant—

a counsellor as payment for a stated number of counselling sessions

- (2) If the applicant is granted assistance for expenses, the assistance does not become payable until the government assessor receives a copy of an invoice or receipt for the expenses.
- (3) This section is subject to sections 94 and 95.

94 Paying assistance to someone else

- (1) Assistance may be paid, entirely or partly, to someone else for the benefit of the applicant if—
 - (a) the assistance is for unpaid expenses and the assistance is paid to the person who gave the invoice for the expenses; or
 - (b) the assistance is for expenses paid by a person other than the applicant and the assistance is paid to the person who paid the expenses; or
 - (c) the applicant is a child, and the assistance is lump sum assistance and is paid to the public trustee to be held on trust under the *Public Trustee Act 1978*; or
 - (d) the applicant is an adult with an impaired capacity for a prescribed financial matter who has an administrator for the matter, and the assistance is lump sum assistance and is paid to the administrator; or
 - (e) the applicant is an adult with an impaired capacity for a prescribed financial matter who does not have an administrator for the matter but has appointed an attorney for the matter under an enduring power of

attorney, and the assistance is lump sum assistance and is paid to the attorney.

(2) In this section—

lump sum assistance means—

- (a) special assistance; or
- (b) assistance for loss of earnings; or
- (c) assistance as mentioned in section 49(e) or (f).

prescribed financial matter means the financial matter of receiving lump sum assistance.

unpaid expenses means expenses for which an invoice has been given but have not been paid.

95 **Paying assistance if applicant liable to pay amount to State**

- (1) If the applicant is liable to pay an amount (***payable amount***) to the State under a recovery provision because of an offence committed by the applicant—
 - (a) the assistance granted to the applicant or, if the assistance is greater than the payable amount, the part of the assistance equivalent to the payable amount, is to be retained by the State; and
 - (b) the amount retained under paragraph (a) must be applied towards satisfying the applicant's liability to the State under the recovery provision and, for that purpose, is taken to have been paid to the State by the applicant.
- (2) If, after assistance is granted to the applicant, the applicant becomes liable to pay an amount to the State under a recovery provision because of an offence committed by the applicant, subsection (1)(a) and (b) apply in relation to any part of the assistance not already paid to the applicant.
- (3) If the assistance payable to an applicant is reduced under subsection (1) or (2) and an amount of assistance remains payable to the applicant after the reduction, the government assessor must—

[s 96]

- (a) decide the component of assistance for which the amount is payable, having regard to—
 - (i) the applicant’s needs; and
 - (ii) whether the applicant has incurred any expenses; and
 - (iii) anything else the government assessor considers relevant; and
 - (b) give the applicant a notice stating—
 - (i) the decision; and
 - (ii) the reasons for the decision; and
 - (iii) the internal review details for the decision.
- (4) The scheme manager must give notice to the SPER registrar of any amount taken to have been paid by the applicant to the State under subsection (1)(b) or (2).

Note—

See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).

- (5) In this section—
recovery provision means section 117(4) or 191(4).

96 Unpaid assistance

If, because of the acts or omissions of the applicant, all or a part of the assistance granted to the applicant is not paid to, or for the benefit of the applicant, within 6 years after the assistance is granted, the assistance or part stops being payable to the applicant.

Example—

If the assistance granted to the applicant included amounts for 10 counselling sessions and the applicant only attends 8 counselling sessions within 6 years after the assistance is granted, the part of the assistance payable for the 2 remaining counselling sessions stops being payable.

Part 14 Interim assistance

97 Application of pt 14

This part applies if—

- (a) under part 9 or 10, a person applies for assistance in relation to an act of violence (*general application*); and
- (b) the government assessor has not decided the general application; and
- (c) the person incurs, or is reasonably likely to incur before the general application is decided, urgent and immediate expenses of a kind for which the person may be eligible for assistance; and
- (d) in the general application, the person also applies for interim assistance under this part in relation to the act of violence.

98 Deciding application for interim assistance

- (1) The government assessor may grant the person assistance of up to \$6,000 (*interim assistance*) for urgent or immediate expenses incurred, or reasonably likely to be incurred, by the person if the assessor is reasonably satisfied it is necessary for the person to incur the expenses before the general application is decided.
- (2) The government assessor must impose a condition on the grant of interim assistance that, if the person receives a relevant payment for the act of violence before the general application is decided, the applicant must give the scheme manager written or oral notice of the payment within 28 days after receiving it.

Notes—

- 1 Failure to comply with the condition imposed under subsection (2) is an offence—see section 141B.
- 2 Under section 89(2), a similar condition is required to be imposed if the government assessor grants the applicant assistance.

- (3) The government assessor may impose other conditions on the grant of interim assistance.
- (4) Section 88 does not apply to deciding an application for interim assistance.

99 Steps after application for interim assistance decided

 - (a) if the decision is to grant interim assistance—
 - (i) the amount payable to the applicant, and the conditions imposed; and
 - (ii) the reasons for the decision; and

Note—
See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).

 - (a) the amount paid in interim assistance must be deducted from the assistance otherwise payable to the person; and

-
- (b) if the amount paid in interim assistance is more than the assistance payable in relation to the general application—the person must refund the excess amount paid to the State.
 - (2) If the government assessor refuses the person’s general application for assistance, the person must refund the amount paid in interim assistance to the State.
 - (3) An amount that is refundable under this section is a debt owed to the State by the person.

Part 15 Amendment of grants

Division 1 Amendment on application

101 Application for amendment

- (1) This section applies if—
 - (a) a person has been granted assistance; and
 - (b) the person’s circumstances have changed or are likely to change.
- (2) The person may apply to the scheme manager for an amendment of the grant to—
 - (a) change the amount of assistance granted; or
 - (b) change the conditions imposed on the grant, other than the condition imposed under section 89(2).
- (3) An application for amendment of the grant of assistance must be made—
 - (a) if the assistance was granted to an adult—within 6 years after the assistance was originally granted; or

- (4) The application must state the person's circumstances that have changed or are likely to change.
- (5) Only 1 application for amendment of the grant of assistance may be made under this section in a calendar year.
- (6) Subsection (5) does not apply if the scheme manager is reasonably satisfied that exceptional circumstances exist to allow more than 1 application to be made in a calendar year.
- (7) Subsection (5) does not prevent an application being made if the person has been given an amendment notice under division 2 for the grant of assistance.

102 Person who is to decide application

If an application for amendment of the grant of assistance is made to the scheme manager under section 101, the scheme manager may—

- (a) decide the application; or

103 Considering application

- (1) The person deciding an application for amendment of the grant of assistance under this part may have regard to—
 - (a) the change or likely change in the applicant's circumstances for which the application is made; and
 - (b) any other changes in the applicant's circumstances that may be relevant; and
 - (c) any fresh evidence that has become available since the assistance was granted or since the grant was last amended under this part; and
 - (d) any relevant payments for the act of violence in relation to which the assistance was granted that have been received by, or that have become payable to, the

applicant since the assistance was granted or since the grant was last amended under this part; and

 - (b) change the conditions imposed on the grant, other than the condition imposed under section 89(2), including by imposing new conditions on the grant.
- (2) However, the person may decrease the amount of assistance granted only if—
- (a) the applicant has asked for the decrease; or
 - (b) the decrease relates to unpaid assistance for expenses reasonably likely to be incurred, and the expenses have not been incurred and are not reasonably likely to be incurred; or
 - (c) the decrease relates to unpaid assistance for loss of earnings and, as a result of a change in the applicant's circumstances, the applicant's loss of earnings is lower than the loss of earnings that formed the basis on which the unpaid assistance was granted.

Example of a change in circumstances for paragraph (c)—

The applicant returns to work earlier than expected.

- (4) In this section—

unpaid assistance means assistance that has been granted but not paid.

105 Steps after application decided

- (1) The person who decides an application for amendment of a grant of assistance under this part must give the applicant notice of the person's decision on the application.

- (5) If the scheme manager uses the information to give the person an amendment notice, the notice must state that the scheme manager has obtained information under this section.

106C Obtaining information for making decision about uncounted relevant payment

- (1) This section applies if the scheme manager has given a person an amendment notice for a grant of assistance.
- (2) Sections 65 to 67B and 74 to 77 (the *applied provisions*) apply in relation to the amendment notice as if the notice were an application for assistance.
- (3) However, the scheme manager may obtain information under an applied provision only if the scheme manager reasonably requires the information to decide whether the person has received, or is likely to receive, an uncounted relevant payment.
- (4) For subsection (2), the applied provisions apply as if a reference in the provisions to—
- (a) the government assessor were a reference to the scheme manager; and

- (3) If, after the reduction, an amount of assistance remains payable to the person, the scheme manager must decide the component of assistance for which the amount is payable.
- (4) In making the decision, the scheme manager must have regard to the following—

- (a) the person's needs;
- (b) whether the person has incurred expenses;
- (c) anything else the scheme manager considers relevant.

106F Notice of decision

The scheme manager must give the person a notice stating the following—

- (a) the decisions under section 106D(2) and 106E(3);
- (b) the reasons for the decisions;

Note—

See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).

- (c) the internal review details for the decisions.

106G Refund of excess assistance

- (1) If the grant of assistance is amended under this division, the person must refund to the State the amount of assistance paid to the person in excess of the amount of assistance granted following the amendment.
- (2) An amount refundable under this section is a debt payable to the State by the person.

Part 16 Recovering assistance from offender

107 Purpose of pt 16

This part helps the State to recover assistance granted for an act of violence from a person who is convicted of a relevant offence for the act.

108 References to assistance granted for an act of violence

In this part, a reference to assistance granted for an act of violence is a reference to assistance granted as victim assistance, or funeral expense assistance, in relation to the act.

109 Recovery available only for assistance that is paid

The State may, under this part, recover assistance, or a part of assistance, granted for an act of violence from a person who is convicted of a relevant offence for the act only if the assistance or part has been paid to a person under part 13, division 2.

Note—

See section 118 for the reduction in a person's liability to pay an amount to the State if the amount of assistance in relation to which the liability accrued is reduced after it is granted. See also section 117(5).

110 Recovery available only after appeal rights exhausted

The State may, under this part, recover assistance granted for an act of violence from a person who is convicted of a relevant offence for the act only if—

- (a) if the convicted person has appealed the conviction—the appeal is decided and the conviction is upheld; or
- (b) otherwise—the period within which the person may appeal the conviction has passed.

110A Recovery available only if action taken within 6 years

The State may, under this part, recover assistance granted for an act of violence from a person only if action to recover the assistance is started within 6 years after the later of the following days—

- (a) the day the person was convicted of a relevant offence for the act;
- (b) the day the application for the grant of the financial assistance was made.

111 Recovery limited to category of act of violence for which assistance granted

- (1) This section applies if—
- (a) a person was granted special assistance for an act of violence; and
 - (b) a person is convicted of a relevant offence for the act of violence; and
 - (c) the conviction is for an offence involving an act of violence of a category that is lower than the category for which special assistance was granted.

Note—

See schedule 2, section 4 for the order of categories of acts of violence.

- (2) For the special assistance granted to the person mentioned in subsection (1)(a), the State may, under this part, recover from the convicted person the amount stated in schedule 2, section 2 for the category of the act of violence involved in the offence.

Example—

A person is granted \$15,000 as special assistance for an act of violence on the basis the act is attempted murder, which is a category A act of violence. A person is convicted of the offence of causing grievous bodily harm arising out of substantially the same facts and circumstances as those constituting the act, which is a category B act of violence. The State may recover \$9,000 from the convicted person, which is the amount stated in schedule 2, section 2 for a category B act of violence.

- (3) To remove any doubt, it is declared that subsection (2) does not affect the amount of assistance other than special assistance granted to the person mentioned in paragraph (a) that the State may, under this part, recover from the convicted person.

112 Recovery from multiple offenders

- (1) This section applies if 2 or more persons are convicted of a relevant offence for the act of violence for which assistance is granted.
- (2) The total amount the State may, under this part, recover from the convicted persons must be divided equally between them, and each convicted person is liable to pay no more than that person's share of the total amount.

Example—

A person is granted assistance of \$60,000 for an act of violence. Three persons are convicted of a relevant offence for the act. The State may recover only up to \$20,000 from each convicted person.

113 Using information obtained for application

The scheme manager may use information obtained under part 12, division 1 or section 74, 75, 76 or 77 for the following purposes—

- (a) the State recovering an amount from a person under this part;
- (b) obtaining information from a court under section 114.

114 Obtaining information from court

- (1) The scheme manager may, for the purpose of the State recovering an amount from a person under this part, ask the registrar of a court—
 - (a) to confirm whether a stated person has been convicted of a relevant offence for a stated act of violence for which assistance has been granted; or
 - (b) for a stated person who has been convicted of a relevant offence for an act of violence for which assistance has been granted—for information about—
 - (i) the offence; and
 - (ii) the sentence imposed on the person, including, whether the sentencing court made, under the

Penalties and Sentences Act 1992, section 35(1),
an order requiring the person to pay someone else
an amount by way of restitution or compensation;
or

- (c) the identifying particulars for a stated person,
including—
 - (i) the person's full name, date of birth and gender;
and
 - (ii) the person's address or, if the person has been
sentenced to a period of imprisonment, the place at
which the person is being detained for the period.
- (2) The registrar must give the requested information to the
scheme manager if the registrar is satisfied the information
will help the State to recover an amount under this part.
- (3) The registrar may give the requested information by allowing
the scheme manager to access an electronic database
maintained for the court.
- (4) If the registrar gives the scheme manager access to an
electronic database as mentioned in subsection (3), the access
to, and the use of, the database is limited to the extent it is
connected with the requested information.
- (5) The giving of information by the registrar under
subsection (2) is authorised despite any other Act or law,
including a law imposing an obligation to maintain
confidentiality about the information.

Note—

See section 140 for restrictions on disclosing or giving access to
information or documents obtained under this Act.

- (6) In this section—
registrar, in relation to a Magistrates Court, means the clerk
of that court.

114A Obtaining information from SPER registrar

- (1) The scheme manager may, for the purpose of the State recovering an amount from a person under this part, ask the SPER registrar for information mentioned in subsection (2) in relation to a stated act of violence.
- (2) For subsection (1), the information is—
 - (a) information about an unpaid amount—
 - (i) ordered by a court to be paid to a person, under the *Penalties and Sentences Act 1992*, by way of restitution or compensation for the act of violence; and
 - (ii) particulars of which are registered under the *State Penalties Enforcement Act 1999*, section 34; and
 - (b) the address of the offender for an unpaid amount mentioned in paragraph (a).
- (3) The SPER registrar must comply with the request if the registrar is reasonably satisfied the information will help the State recover an amount under this part.
- (4) The giving of information by the SPER registrar under subsection (3) is authorised despite any other Act or law, including a law imposing an obligation to maintain confidentiality about the information.

Note—

See section 140 for restrictions on disclosing or giving access to information or documents obtained under this Act.

114B Obtaining information from chief executive (transport)

- (1) The scheme manager may, for the purpose of the State recovering an amount from a person under this part, ask the chief executive (transport) for the address of a stated person who has been convicted of a relevant offence for a stated act of violence.

- (2) The chief executive (transport) must comply with the request if the chief executive is reasonably satisfied the information will help the State recover an amount under this part.
- (3) The giving of information by the chief executive (transport) under subsection (2) is authorised despite any other Act or law, including a law imposing an obligation to maintain confidentiality about the information.

Note—

See section 140 for restrictions on disclosing or giving access to information or documents obtained under this Act.

115 Notice of intended recovery

Before the State may, under this part, recover from a person all or a part of the assistance granted to someone else, the scheme manager must give the person a notice stating—

- (a) the date on which the assistance was granted; and
- (b) the amount of the assistance granted and the conditions imposed on the grant; and
- (c) the act of violence for which the assistance was granted; and
- (d) whether the assistance was granted to a primary victim, secondary victim or related victim of the act of violence; and
- (e) the offence of which the person has been convicted that the scheme manager claims is a relevant offence for the act of violence for which the assistance was granted; and
- (f) the amount of the assistance, or the part of the assistance, the State seeks to recover from the person under this part; and
- (g) that the person may—
 - (i) within 14 days after being given the notice, dispute a claim mentioned in paragraph (e) by giving the scheme manager notice of the dispute; and

- (ii) if the person does not agree with the scheme manager's decision given after considering the notice of the dispute—apply to QCAT for a review of the scheme manager's decision; and
- (h) that when the question of whether the offence of which the person has been convicted is a relevant offence for the act of violence for which the assistance was granted is no longer in dispute, the person is liable to pay the amount mentioned in paragraph (f) to the State under section 117(4); and
- (i) anything else prescribed under a regulation.

116 Disputing claim that conviction relates to act of violence

- (1) This section applies if a person who is given a notice under section 115 disputes the claim mentioned in the notice that the offence of which the person has been convicted is a relevant offence for the act of violence for which the assistance was granted.
- (2) The person may, within 14 days of being given the notice, give notice of the dispute (the *dispute notice*) to the scheme manager.
- (3) The dispute notice must state the facts relied on by the person to dispute the claim.
- (4) After considering the dispute notice, the scheme manager must decide whether the offence is a relevant offence for the act of violence for which the assistance was granted.
- (5) The scheme manager must give the person notice of the scheme manager's decision.
- (6) If the scheme manager's decision is that the offence is a relevant offence for the act of violence for which the assistance was granted, the notice given under subsection (5) must be a QCAT information notice.
- (7) The person may apply, as provided under the QCAT Act, to QCAT for a review of the scheme manager's decision.

117 Offender's liability to pay generally

- (1) This section applies if—
 - (a) the scheme manager has given a person a notice under section 115 (the *recovery notice*); and
 - (b) the question of whether the offence of which the person has been convicted is a relevant offence for the act of violence for which the assistance was granted is no longer in dispute.
- (2) For subsection (1)(b), the question is no longer in dispute if—
 - (a) the person has not, for the offence, given the scheme manager a dispute notice under section 116(2) within 14 days after the scheme manager gave the person the recovery notice; or
 - (b) the person has, for the offence, given the scheme manager a dispute notice under section 116(2) within 14 days after the scheme manager gave the person the recovery notice and—
 - (i) the consideration of the dispute mentioned in the dispute notice has been finally decided by the scheme manager under section 116(4), by QCAT on any review of the scheme manager's decision or by another entity on any appeal against QCAT's decision; and
 - (ii) the result of the consideration is that the offence of which the person has been convicted is a relevant offence for the act of violence for which the assistance was granted.
- (3) The scheme manager must give the person a notice stating—
 - (a) the amount (*payable amount*) the State seeks to recover from the person under this part; and
 - (b) that under subsection (4), the person is liable to pay the stated amount to the State within a stated period of at least 28 days (the *payment period*); and

- (c) that if the person does not pay the stated amount within the stated period, the scheme manager may give particulars of the amount to the SPER registrar for registration under that Act.
- (4) The person is liable to pay the State the payable amount within the payment period.

Note—

See section 95 for the application of assistance granted to a person towards satisfying the person's liability to pay under subsection (4).

- (5) For subsection (3)(a), the amount must be—
 - (a) the amount mentioned in the recovery notice as the amount the State seeks to recover from the person under this part; or
 - (b) if, after the recovery notice was given to the person, the amount of assistance granted to a person for the act of violence is, under this chapter, reduced to an amount that is lower than the amount mentioned in paragraph (b)—the lower amount.

118 Reduction in offender's liability to pay if assistance refunded

- (1) This section applies if—
 - (a) in relation to assistance granted to a person (the *victim*) for an act of violence, a person (*offender*) convicted of a relevant offence for the act becomes liable to pay an amount (*payable amount*) to the State under section 117(4); and
 - (b) the amount of assistance granted to the victim is, under this chapter, reduced to an amount (the *new amount*) that is less than the payable amount.
- (2) The offender's liability under section 117(4) is reduced to the new amount.
- (3) The scheme manager must give the offender a notice stating the new amount and the effect of subsection (2).

-
- (4) If the offender has already paid the State an amount more than the new amount, the difference (*excess amount*) between the amount already paid and the new amount must be refunded to the offender.
 - (5) However, if under section 95 an amount of assistance granted to the offender (*offset amount*) was taken to be paid to the State for satisfying the offender's liability under section 117(4), the following applies—
 - (a) if paragraph (b) does not apply—the excess amount must be paid to the offender as assistance;
 - (b) if the excess amount is more than the offset amount—the part of the excess amount equivalent to the offset amount.

Example—

The victim is paid assistance of \$10,000. The offender becomes liable to pay \$10,000 to the State under section 117(4). The offender is granted assistance of \$5,000 but it is taken, under section 95, to be paid to the State for satisfying the offender's liability under section 117(4) (which is the offset amount). The offender also pays a further \$4,000 towards satisfying the offender's liability under section 117(4), bringing the total payment to \$9,000.

The assistance granted to the victim is reduced to \$3,000. The offender's liability to the State is also reduced to \$3,000 under subsection (2). The excess amount is \$6,000, which is the difference between what the offender has paid and the offender's new liability to the State. Because the offender was taken, under section 95, to have paid \$5,000 to the State for satisfying the offender's liability, \$5,000 must be paid to the offender as assistance and the remaining \$1,000 of the excess amount is refunded to the offender.

- (6) If, under subsection (5), an amount is paid to the offender as assistance, the government assessor must—
 - (a) decide the component of assistance for which the amount is payable, having regard to—
 - (i) the components (if any) for which assistance granted to the person was paid or payable under section 95; and
 - (ii) the offender's needs; and

[s 119]

- (iii) whether the offender has incurred any expenses for which assistance has not already been paid or become payable under section 95; and
 - (iv) anything else the government assessor considers relevant; and
- (b) give the offender a notice stating—
- (i) the decision; and
 - (ii) the reasons for the decision; and
- Note—*
- See the *Acts Interpretation Act 1954*, section 27B (Content of statement of reasons for decision).
- (iii) the internal review details for the decision.

119 Reduction in offender's liability to pay if amount received under Corrective Services Act 2006

- (1) This section applies if—
- (a) a person (*offender*) becomes liable to pay an amount (*payable amount*) to the State under section 117(4); and
 - (b) the chief executive is, under the *Corrective Services Act 2006*, paid an amount (the *corrective services amount*) from the offender's prisoner's account, or victim trust fund, under that Act.

Note—

See the *Corrective Services Act 2006*, section 314 and the *Corrective Services Regulation 2006*, section 44 (for payments from prisoner's accounts) and the *Corrective Services Act 2006*, chapter 6, part 12B, division 4 (for payments from victim trust funds).

- (2) The offender's liability under section 117(4) is reduced by the corrective services amount.
- (3) The scheme manager must give the offender a notice stating—
 - (a) the effect of subsection (2); and

- (b) the amount the offender is liable to pay after the reduction under subsection (2).
- (4) This section does not limit the *Corrective Services Act 2006*, section 319ZD(4).

120 Registration of unpaid amount under State Penalties Enforcement Act 1999

- (1) If a person who is liable to pay an amount under section 117(4) fails to pay the amount, or pays only a part of the amount, the scheme manager may give particulars of the unpaid amount to the SPER registrar for registration under the *State Penalties Enforcement Act 1999*, section 34 as if—
 - (a) the notice given under section 117(3) were an order of a court fining a person the amount stated in the notice; and
 - (b) the scheme manager were the registrar of that court; and
 - (c) the particulars were the prescribed particulars of the unpaid amount of a fine imposed by that court.
- (2) The SPER registrar must register the particulars under the *State Penalties Enforcement Act 1999*, section 34 and for that purpose that Act applies with all necessary and convenient changes.
- (3) The imprisonment provisions do not apply in relation to an amount payable under section 117(4).
- (4) For this section, the person who is liable to pay an amount under section 117(4) fails to pay the amount if—
 - (a) the scheme manager gives the person a notice under section 117(3) about the amount; and
 - (b) the person fails to pay the amount within the period stated in the notice, or a longer period agreed to by the scheme manager.
- (5) If the person's liability to pay an amount under section 117(4) is reduced under section 118 or 119—
 - (a) the scheme manager must give the SPER registrar notice of the reduction; and

-
- (b) in the prosecution of the person, the prosecuting agency proves the assistance was granted on the basis of the person's acts or omissions constituting the offence.
 - (2) The assistance is taken never to have been granted and the person must refund to the State any amount of the assistance paid to the person.
 - (3) An amount that is refundable under this section is a debt owed to the State by the person.
 - (4) Any part of the amount of assistance not paid to the person stops being payable to the person.

Part 18 **Internal and external review of decision**

124 Internal review of decision

- (1) An applicant to whom a decision identified in schedule 1 applies may apply to the scheme manager for a review of the decision.
- (2) An application for a review of the decision must—
 - (a) be made within 28 days after the applicant is given notice of the decision; and
 - (b) state in detail the basis on which the applicant is aggrieved by the decision.
- (3) However, the scheme manager may, at any time, extend the time for applying for a review of the decision if the scheme manager considers it is reasonable in the circumstances to do so.
- (4) The making of an application for a review of a decision under this section does not affect the operation of the decision or prevent the decision being implemented.
- (5) The review must be conducted by—
 - (a) for a decision of a government assessor—

- (i) the scheme manager; or
 - (ii) another government assessor nominated by the scheme manager; or
 - (b) for a decision of the scheme manager—a departmental employee, of a classification level in the public service that is the same as or higher than the scheme manager’s classification level, nominated by the chief executive.
- (6) If a review is conducted by a departmental employee under subsection (5)(b), any decision on the review is taken to be a decision of the scheme manager.
- (7) The person conducting the review—
- (a) has, in reviewing the decision, the same powers as the original decision-maker; and

 - (i) confirm or amend the decision being reviewed; or
 - (ii) substitute the person’s own decision for the decision being reviewed; and
 - (c) must give the applicant a QCAT information notice about the person’s decision.
- (8) An application for a review of a decision under this section must be decided within 42 days after it is made.

- (1) This section applies if a decision is confirmed, amended or substituted on review under section 124 (the *internal review decision*).
- (2) The applicant may apply, as provided under the QCAT Act, to QCAT for a review of the internal review decision.

Note—

The QCAT Act, section 22(3) provides that QCAT may stay the operation of the internal review decision, either on application by a person or on its own initiative.

126 Effect of reducing amount of assistance

- (1) This section applies if, following a review of a decision under section 124 or 125, the amount of assistance granted to a person is reduced.
- (2) The person must refund to the State the amount of assistance paid to the person in excess of the amount of assistance granted following the review.
- (3) An amount that is refundable under this section is a debt owed to the State by the person.

 - (a) the amount (*payable amount*) the State seeks to recover from the person under this subdivision, decided as mentioned in subsection (2); and
 - (b) that, under subsection (4), the person is liable to pay the stated amount to the State within a stated period of at least 28 days (the *payment period*); and
 - (c) that, if the person does not pay the stated amount within the stated period, the scheme manager may give particulars of the amount to the SPER registrar for registration under the *State Penalties Enforcement Act 1999*.
 - (4) The person is liable to pay the State the payable amount within the payment period.
 - (5) If the order mentioned in section 185(1) to which the liability mentioned in subsection (4) relates is amended to reduce the amount the person is ordered to pay under the order, and the reduced amount is less than the payable amount—
 - (a) the person’s liability under subsection (4) is reduced to the reduced amount; and

[s 192]

- (b) the scheme manager must give the person a notice stating the reduced amount and the effect of paragraph (a); and
 - (c) if the person has already paid more than the reduced amount, the State must refund to the person the excess amount paid.
- (6) If the chief executive is, under the *Corrective Services Act 2006*, paid an amount (the corrective services amount) from the offender's prisoner's account, or victim trust fund, under that Act—
- (a) the person's liability under subsection (4) is reduced by the corrective services amount; and
 - (b) the scheme manager must give the person a notice stating—
 - (i) the effect of paragraph (a); and
 - (ii) the amount the person is liable to pay the State after the reduction.

Note—

See also section 188(3).

192 Dealing with refundable amount if assistance granted to offender

- (1) This section applies if—
- (a) a person (*offender*) is liable to pay an amount to the State under section 191(4); and
 - (b) the offender's liability under section 191(4) is reduced under section 188(3) or 191(5); and
 - (c) because of the reduction the State must refund an amount (*refundable amount*) to the offender; and
 - (d) under section 95, an amount of assistance granted to the offender (*offset amount*) was taken to be paid to the State for satisfying the offender's liability under section 191(4).

-
- (2) The State must—
- (a) if paragraph (b) does not apply—pay the refundable amount to the offender as assistance; or
 - (b) if the refundable amount is more than the offset amount—pay the part of the refundable amount equivalent to the offset amount to the offender as assistance, and refund the remaining part of the refundable amount to the offender.

Example—

The offender becomes liable to pay \$10,000 to the State under section 191(4). The offender is granted assistance of \$8,000 but it is taken, under section 95, to be paid to the State for satisfying the offender's liability under section 191(4) (which is the offset amount).

The State receives \$5,000 under a relevant subrogation provision. The person's liability to the State is reduced to \$5,000 under section 188(3). The refundable amount is \$3,000, which is the difference between what the offender has paid and the offender's new liability to the State. Because the offender was taken, under section 95, to have paid \$8,000 to the State for satisfying the offender's liability, the \$3,000 must be paid to the offender as assistance.

- (3) If, under subsection (2), an amount is paid to the offender as assistance, the government assessor must—
 - (a) decide the component of assistance for which the amount is payable, having regard to—
 - (i) the components (if any) for which assistance granted to the person was paid or payable under section 95; and
 - (ii) the offender's needs; and
 - (iii) whether the offender has incurred any expenses for which assistance has not already been paid or become payable under section 95; and
 - (iv) anything else the government assessor considers relevant; and
 - (b) give the offender a notice stating—
 - (i) the decision; and

- (ii) the reasons for the decision; and

Note—

See the Acts Interpretation Act 1954, section 27B
(Content of statement of reasons for decision).

- (iii) the internal review details for the decision.

193 Registration of unpaid amount under State Penalties Enforcement Act 1999

- (1) If a person who is liable to pay an amount under section 191(4) fails to pay the amount, or pays only a part of the amount, the scheme manager may give particulars of the unpaid amount to the SPER registrar for registration under the *State Penalties Enforcement Act 1999*, section 34 as if—
 - (a) the notice given under section 191(3) were an order of a court fining a person the amount stated in the notice; and
 - (b) the scheme manager were the registrar of that court; and
 - (c) the particulars were the prescribed particulars of the unpaid amount of a fine imposed by that court.
- (2) The SPER registrar must register the particulars under the *State Penalties Enforcement Act 1999*, section 34 and for that purpose that Act applies with all necessary and convenient changes.
- (3) The fine option order provisions and imprisonment provisions do not apply in relation to an amount payable under section 191(4).
- (4) For this section, the person who is liable to pay an amount under section 191(4) fails to pay the amount if—
 - (a) the scheme manager gives the person a notice under section 191(3) about the amount; and
 - (b) the person fails to pay the amount within the period stated in the notice, or a longer period agreed to by the scheme manager.
- (5) If the person's liability to pay an amount under section 191(4) is reduced under section 188(3), or section 191(5) or (6)—

-
- (a) the scheme manager must give the SPER registrar notice of the reduction; and
 - (b) the SPER registrar must amend the particulars registered under the *State Penalties Enforcement Act 1999*, section 34 to reflect the reduction.
- (6) In this section—

fine option order provisions means the *State Penalties Enforcement Act 1999*, section 41(c) and the other provisions of that Act relating to fine option orders.

- (b) the *State Penalties Enforcement Act 1999*, part 6.

194 Obtaining information from court

- (1) The scheme manager may, for the purpose of the State recovering an amount from a person under this subdivision, ask the registrar of a court for the identifying particulars for the person, including—
 - (a) the person's full name, date of birth and gender; and
 - (b) the person's address or, if the person has been sentenced to a period of imprisonment, the place at which the person is being detained for the period.
- (2) The registrar must give the requested information to the scheme manager if the registrar is satisfied the information will enable the State to recover an amount under this subdivision.
- (3) The registrar may give the requested information by allowing the scheme manager to access an electronic database maintained for the court.

[s 195]

- (4) If the registrar gives the scheme manager access to an electronic database as mentioned in subsection (3), the access to, and the use of, the database is limited to the extent it is connected with the requested information.
- (5) The scheme manager may use information lawfully obtained under this section for recovering an amount under this subdivision.
