19

Sections 3 to 5—

20

omit, insert—

21

*Fluoridation of Public Water Supplies Amendment
Bill 2004*

‘3	Adding fluorine to public water supplies	1
‘(1)	A controlling entity for a public water supply must add fluorine, in a form prescribed under a regulation, to the public water supply.	2 3 4
‘(2)	The controlling entity for a public water supply must maintain the content of fluorine in the public water supply at a concentration of not more than the maximum or less than the minimum prescribed under a regulation.	5 6 7 8
‘(3)	However, subsections (1) and (2) do not apply to a controlling entity for a public water supply if the public water supply is used for supplying water to fewer than the number of persons prescribed under a regulation.	9 10 11 12
‘(4)	A controlling entity for a public water supply must not add fluorine to the public water supply, other than as provided by this section.’.	13 14 15
 Clause 5	 Amendment of s 6 (Regulation making power)	 16
	Section 6(3), ‘local government’—	17
	<i>omit, insert—</i>	18
	‘controlling entity’.	19
 Part 3	 Minor and consequential amendments of Fluoridation of Public Water Supplies Regulation 1998	 20 21 22 23
 Clause 6	 Regulation amended—schedule	 24
	The schedule amends the <i>Fluoridation of Public Water Supplies Regulation 1998</i> .	25 26
