Supplying information on electoral rolls to local governments

14 Price for supplying information on electoral rolls to local government—Act, s 61

- (1) For section 61(1) of the Act, the price for supplying information about the electoral rolls mentioned in items 7 and 8 of the table in that subsection to a local government, on the local government's request, is the sum of—
 - (a) 507.30 fee units; and
 - (b) 37.75 fee units for each 1,000 (or part of 1,000) electors enrolled for the local government area on 31 August immediately before the request for the information.
- (2) The price under subsection (1) applies for the information mentioned in item 8 of the table in section 61(1) of the Act for a calendar year.

Note—

The information mentioned in item 8 of the table in section 61(1) of the Act is the changes to the most recent version of the electoral roll for a particular electoral district or districts. The price under subsection (1) applies for the changes to the electoral roll that happen in a calendar year.

- (3) Subsection (4) applies for working out the amount of a price for supplying information about the electoral rolls under this section.
- (4) For the purpose of the *Acts Interpretation Act 1954*, section 48C(3), the amount is to be rounded—
 - (a) if the result is not more than \$100—to the nearest multiple of 5 cents (rounding one-half upwards); or
 - (b) if the result is more than \$100 but not more than \$1,000—to the nearest multiple of 10 cents (rounding one-half upwards); or

- (c) if the result is more than \$1,000 but not more than \$5,000—to the nearest dollar (rounding one-half upwards).

Example for paragraph (a)—

Subsection (1)(b) prescribes a price of 37.75 fee units. If the value of a fee unit for this regulation were \$1.50, the number of dollars obtained by multiplying \$1.50 by 37.75 would be \$56.625. Because \$56.625 is halfway between \$56.60 and \$56.65, it is rounded upwards, so the price for subsection (1)(b) would be \$56.65.
